(c) The Issuer shall cause to be published the notice described above through the newswire service of Bloomberg (or if Bloomberg does not then operate, any similar agency). In addition, if any Notes are listed on an exchange, and the rules of the exchange so require, the Issuer will notify the exchange of the results of any Change of Control Offer.

(e) This Section 4.03 will be applicable whether or not any other provisions of this Indenture are applicable.

(f) The Issuer will not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not validly withdrawn under such Change of Control Offer.

(g) Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer. The Issuer will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 4.03. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Indenture, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of this Indenture by virtue of the conflict.

(h) If Holders of not less than 90% in aggregate principal amount of the outstanding Notes of a series validly tender and do not validly withdraw such Notes in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuer in accordance with this Section 4.03, purchases all of the Notes of such series validly tendered and not validly withdrawn by such Holders, the Issuer or such third party will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes of such series that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of the delivery of the notice for such redemption. Any redemption pursuant to this Section 4.03 shall be made in accordance with Section 3.03 (other than the time periods specified therein, which shall be made in accordance with this Section 4.03).

(i) The provisions of this Indenture relating to the Issuer's obligation to make an offer to repurchase the Notes as a result of a Change of Control may be waived or modified with the written consent of holders of a majority in outstanding principal amount of the Notes.

Section 4.04 *Limitation on Indebtedness.*

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, Incur any Indebtedness (including Acquired Indebtedness);*provided*, *however*, that the Issuer and the Guarantors may Incur Indebtedness if on the date on which such Indebtedness is Incurred, the Consolidated Net Leverage Ratio would have been no greater than 5.5 to 1.0 determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if such Indebtedness had been incurred at the beginning of the relevant period.

(b) Section 4.04(a) will not prohibit the Incurrence of the following items of Indebtedness:

(1) Indebtedness Incurred pursuant to any Credit Facility (including in respect of letters of credit or bankers' acceptances issued or created thereunder) and Indebtedness represented by the Notes issued on the Issue Date and the Guarantees thereof, and in each case, any Refinancing Indebtedness in respect thereof, in a maximum aggregate principal amount at any time outstanding not to exceed the greater of (i)(x) $7.0 billion *reduced by* (y) the amount of any Indebtedness Incurred pursuant to this clause (1) on the Completion Date that is subsequently reclassified subject to Section 4.04(f)(1) and (ii) *provided* that after giving effect to any Incurrence of Indebtedness hereunder, together with any Incurrence of Indebtedness pursuant to clauses (5) and (14) of this Section 4.04(b) on the date which Indebtedness pursuant to this Section 4.04(b)(1)(ii) is Incurred, the Issuer could Incur at least $1.00 of additional Indebtedness under Section 4.04(a), an amount such that, after giving effect thereto on a *pro forma* basis as if such Indebtedness had been incurred on the first day of the relevant period, the Consolidated Net Senior Secured Leverage Ratio is not greater than 4.0 to 1.0; *provided*, *further*, that any Indebtedness incurred under this clause (1) may be refinanced with additional Indebtedness in an amount equal to the principal of the Indebtedness so refinanced, plus any additional amount to pay premiums (including tender premiums), accrued and unpaid interest, expenses, defeasance costs and fees in connection therewith; *provided*, *further*, that solely for the purpose of calculating the Consolidated Net Senior Secured Leverage Ratio under this clause (1), any outstanding Indebtedness incurred under this clause (1) that is unsecured or secured on a junior basis (in whole or in part) shall nevertheless be deemed to be secured by a *pari passu* Lien;

(2) (a) Guarantees by the Issuer or any Restricted Subsidiary of Indebtedness of the Issuer or any Restricted Subsidiary to the extent such guaranteed Indebtedness was permitted to be incurred by another provision of this Section 4.04; *provided* that (i) if such Indebtedness is subordinated in right of payment to, or *pari passu* in right of payment with, the Notes or a Note Guarantee, as applicable, then the Guarantee of such Indebtedness shall be subordinated in right of payment to, or *pari passu* in right of payment with, the Notes or such Note Guarantee, as applicable, substantially to the same extent as such guaranteed Indebtedness and (ii) if such Guarantee is of Indebtedness of the Issuer or a Guarantor, such Restricted Subsidiary complies with Section 4.21(a); or (b) without limiting Section 4.06, Indebtedness arising by reason of any Lien granted by or applicable to the Issuer or any Restricted Subsidiary securing Indebtedness of the Issuer or any Restricted Subsidiary so long as the Incurrence of such Indebtedness is not prohibited by the terms of this Indenture;

(3) Indebtedness of the Issuer owing to and held by any Restricted Subsidiary or Indebtedness of a Restricted Subsidiary owing to and held by the Issuer or any other Restricted Subsidiary; *provided*, *however*, that if the Issuer or any Guarantor is the obligor on such Indebtedness and the payee is not the Issuer or a Guarantor, such Indebtedness must be unsecured and ((i) except in respect of intercompany current liabilities incurred in connection with cash management positions of the Issuer and the Restricted Subsidiaries and (ii) only to the extent legally permitted (the Issuer and the Restricted Subsidiaries having completed all procedures required in the reasonable judgment of directors or officers of the obligee or obligor to protect such Persons from any penalty or civil or criminal liability in connection with the subordination of such Indebtedness)) expressly subordinated to the prior payment in full in cash of all obligations then due with respect to the Notes, in the case of the Issuer, or the Note Guarantee, in the case of a Guarantor; *provided* that:

(i) any subsequent issuance or transfer of Capital Stock or any other event which results in any such Indebtedness being beneficially held by a Person other than the Issuer or a Restricted Subsidiary; and

(ii) any sale or other transfer of any such Indebtedness to a Person other than the Issuer or a Restricted Subsidiary,

(d) *[Reserved].*

(e) *[Reserved].*

(f) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this Section 4.04:

(1) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in Section 4.04(a) and Section 4.04(b), the Issuer, in its sole discretion, will classify, and may from time to time reclassify, such item of Indebtedness and only be required to include the amount and type of such Indebtedness in one of the clauses of Section 4.04(a) or Section 4.04(b); *provided* that Indebtedness Incurred (or deemed incurred) on the Completion Date or any Refinancing Indebtedness in respect thereof under Section 4.04(b)(1) cannot be reclassified; *provided further* that if the Notes or any Refinancing Indebtedness in respect thereof, shall on any date (including the date of Incurrence of such Refinancing Indebtedness) not be Guaranteed by any of the Restricted Subsidiaries of the Issuer, the Notes or such Refinancing Indebtedness shall automatically be reclassified and from such date be deemed to have been Incurred under Section 4.04(b)(4)(a) and not Section 4.04(b)(1);

(2) subject to Section 4.04(f)(1), all Indebtedness outstanding on the Completion Date under the Senior Secured Facilities and the Notes shall be deemed Incurred on the Completion Date under Section 4.04(b)(1) and not Section 4.04(a) or Section 4.04(b)(4)(a);

(3) Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(4) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are Incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to clauses (1), (8), (14) or (16) of Section 4.04(b) or Section 4.04(a) and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;

(5) the principal amount of any Disqualified Stock of the Issuer or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(6) Indebtedness permitted by this Section 4.04 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 4.04 permitting such Indebtedness; and

(7) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined on the basis of GAAP.

(g) Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.04. The amount of any Indebtedness outstanding as of any date shall be (a) the accreted value thereof in the case of any Indebtedness issued with original issue discount and (b) the principal amount, or liquidation preference thereof, in the case of any other Indebtedness.

(h) If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 4.04, the Issuer shall be in Default of this Section 4.04).

(i) For purposes of determining compliance with any dollar-denominated restriction on the Incurrence of Indebtedness, the Dollar Equivalent of the principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term Indebtedness, or at the option of the Issuer, on the date first committed, in the case of Indebtedness Incurred under a revolving credit facility; *provided* that (a) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than dollars, and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced; (b) the Dollar Equivalent of the principal amount of any such Indebtedness outstanding on the Completion Date shall be calculated based on the relevant currency exchange rate in effect on the Completion Date; and (c) if any such Indebtedness that is denominated in a currency other than dollars is subject to a Currency Agreement with respect to the currency in which such Indebtedness is denominated covering principal amount and interest payable on such Indebtedness, the amount of such Indebtedness, will be the Dollar Equivalent of the principal payment required to be made under such Currency Agreement plus the Dollar Equivalent of any premium which is at such time due and payable but is not covered by such Currency Agreement.

(j) For purposes of determining compliance with the Consolidated Net Leverage Ratio, the Consolidated Net Senior Secured Leverage Ratio or the Guarantor Indebtedness Ratio, on the Incurrence of Indebtedness, the Dollar Equivalent of the principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term Indebtedness, or at the option of the Issuer, the date first committed, in the case of Indebtedness Incurred under a revolving credit facility; *provided* that (a) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than dollars, and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced; and (b) the Dollar Equivalent of the principal amount of any such Indebtedness outstanding on the Completion Date shall be calculated based on the relevant currency exchange rate in effect on the Completion Date.

In addition, for purposes of calculating the Consolidated Net Leverage Ratio, the Consolidated Net Senior Secured Leverage Ratio or the Guarantor Indebtedness

Ratio to test compliance with any covenant in this Indenture, in determining the amount of Indebtedness outstanding in dollars on any date of determination, with respect to any Indebtedness denominated in a currency other than dollars (the "*Foreign Currency*"):

(1) subject to a currency swap arrangement or contract, the aggregate principal amount of such Foreign Currency Indebtedness on any such date of determination shall be the dollar amount of the aggregate principal amount to be paid by the Issuer or a Restricted Subsidiary on the maturity date of such currency swap arrangement or contract pursuant to the terms thereof; or

(2) subject to a currency forward arrangement, forward accretion curve or contract, the aggregate principal amount of such Foreign Currency Indebtedness shall be converted into dollars at the exchange rate specified under the terms of such currency forward arrangement, forward accretion curve or contract as applicable to such Foreign Currency Indebtedness on such date of determination.

For the avoidance of doubt, notwithstanding a Group member entering into any such arrangement or contract hedging foreign exchange exposure of any Foreign Currency Indebtedness, for the purposes of calculating the Consolidated Net Leverage Ratio, the Consolidated Net Senior Secured Leverage Ratio or the Guarantor Indebtedness Ratio, the aggregate principal amount of Indebtedness subject to any such arrangement or contract shall be attributed to the total Indebtedness of the Person that originally Incurred such Indebtedness.

Notwithstanding any other provision of this Section 4.04, the maximum amount of Indebtedness that the Issuer or a Restricted Subsidiary may Incur pursuant to this Section 4.04 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies.

Neither the Issuer nor any Guarantor will incur any Indebtedness (including any Indebtedness permitted to be Incurred pursuant to Section 4.04(b)) that is contractually subordinated in right of payment to any other Indebtedness of the Issuer or such Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the applicable Note Guarantee on substantially identical terms (as determined in good faith by the Issuer); *provided*, *however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Issuer or any Guarantor solely by virtue of being unsecured, by virtue of being secured with different collateral, by virtue of being secured on a junior priority basis, by virtue of not being guaranteed by one or more of the Issuer's Subsidiaries or by virtue of the application of waterfall or other payment-ordering provisions affecting different tranches of Indebtedness under Credit Facilities.

Section 4.05 *Limitation on Restricted Payments.*

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

(1) declare or pay any dividend or make any other payment or distribution on account of or in respect of the Issuer's or any Restricted Subsidiary's Capital Stock (including, without limitation, any payment in connection with any merger or consolidation involving the Issuer or any Restricted Subsidiary) except:

(A) dividends or distributions payable in Capital Stock of the Issuer (other than Disqualified Stock) or in options, warrants or other rights to purchase such Capital Stock of the Issuer (other than Disqualified Stock) or in Subordinated Shareholder Funding; and

(B) dividends or distributions payable to the Issuer or a Restricted Subsidiary (and, in the case of any such Restricted Subsidiary making such dividend or distribution, to holders of its Capital Stock other than the Issuer or another Restricted Subsidiary on no more than a *pro rata* basis, measured by value);

(2) purchase, redeem, retire or otherwise acquire for value (including, without limitation, any payment in connection with any merger or consolidation involving the Issuer) any Capital Stock of the Issuer or any direct or indirect Parent of the Issuer held by Persons other than the Issuer or a Restricted Subsidiary (other than in exchange for Capital Stock of the Issuer (other than Disqualified Stock));

(3) make any principal payment on, or purchase, repurchase, redeem, defease or otherwise acquire or retire for value, prior to scheduled maturity, scheduled repayment or scheduled sinking fund payment, any Subordinated Indebtedness (other than (a) any such payment, purchase, repurchase, redemption, defeasance or other acquisition or retirement or in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case, due within one year of the date of payment, purchase, repurchase, redemption, defeasance or other acquisition or retirement; and (b) any Indebtedness Incurred pursuant to Section 4.04(b)(3);

(4) make any cash payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value any Subordinated Shareholder Funding; or

(5) make any Restricted Investment in any Person;

(any such dividend, distribution, payment, purchase, redemption, repurchase, defeasance, other acquisition, retirement or Restricted Investment referred to in clauses (1) through (5) of this Section 4.05(a) are referred to herein as a "*Restricted Payment*").

(b) The provisions of Section 4.05(a) will not prohibit any of the following (collectively, "*Permitted Payments*"):

(1) any Restricted Payment made in exchange (including any such exchange pursuant to the exercise of a conversion right or privilege in connection with which cash is paid in lieu of the issuance of fractional shares) for, or out of the Net Cash Proceeds of the substantially concurrent sale (other than to the Issuer or a Subsidiary of the Issuer) of, Capital Stock of the Issuer (other than Disqualified Stock or Designated Preference Shares or through an Excluded Contribution), Subordinated Shareholder Funding or a substantially concurrent contribution to the equity (other than through the issuance of Disqualified Stock or Designated Preference Shares or through an Excluded Contribution) of the Issuer; *provided*, *however*, that to the extent so applied, the Net Cash Proceeds, or fair market value (as determined in accordance with Section 4.05(c)) of property, assets or marketable securities, from such sale of Capital Stock or Subordinated Shareholder Funding or such contribution will be excluded for purposes of Section 3.07;

(2) any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Subordinated Indebtedness of the Issuer or a Guarantor made by exchange for, or out of the Net Cash Proceeds of the substantially concurrent Incurrence of, Refinancing Indebtedness permitted to be Incurred pursuant to Section 4.04;

The Issuer or the Paying Agent, as the case may be, will promptly (but in any case not later than five (5) Business Days after termination of the Asset Disposition Offer Period) mail or deliver to each tendering Holder of Notes an amount equal to the purchase price of the Notes so validly tendered and not properly withdrawn by such Holder, and accepted by the Issuer for purchase, and the Issuer will promptly issue a new Note (or, in the case of Global Notes, cause the Paying Agent to reduce the aggregate principal amount and amend the applicable Global Note pursuant to Section 2.06(g) hereof and in the case of Definitive Registered Notes, deliver or cause to be delivered to the relevant Registrar for cancellation all Definitive Registered Notes accepted for purchase by the Issuer), and the Trustee, upon receipt of an Officer's Certificate from the Issuer, will, via an authenticating agent, authenticate and mail or deliver (or cause to be transferred by book-entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered; *provided* that each such new Note will be in a principal amount with a minimum denomination of $200,000. Any Note not so accepted will be promptly mailed or delivered (or transferred by book-entry) by the Issuer to the Holder thereof.

(k) For the purposes of Section 4.08(b)(2), the following will be deemed to be cash:

(1) the assumption by the transferee (or other extinguishment in connection with the transactions relating to such Asset Dispositions) of Indebtedness and any other liabilities (as recorded on the balance sheet of the Issuer or any Restricted Subsidiary or in the footnotes thereto, or if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been reflected on the Issuer's or such Restricted Subsidiary's balance sheet or in the footnotes thereof if such incurrence or accrual had taken place on or prior to the date of such balance sheet, as determined in good faith by the Issuer) of the Issuer or any Restricted Subsidiary (other than Subordinated Indebtedness of the Issuer or a Guarantor) and the release of the Issuer or such Restricted Subsidiary from all liability on such Indebtedness in connection with such Asset Disposition;

(3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Issuer and each other Restricted Subsidiary (as applicable) are released from any Guarantee of payment of such Indebtedness in connection with such Asset Disposition;

(4) consideration consisting of Indebtedness of the Issuer (other than Subordinated Indebtedness) received after the Issue Date from Persons who are not the Issuer or any Restricted Subsidiary; and

(l) The Issuer will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Indenture. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.08, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Indenture by virtue of any conflict.

(1) the terms of such Affiliate Transaction taken as a whole are not materially less favorable to the Issuer or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable transaction at the time of such transaction or the execution of the agreement providing for such transaction in arm's-length dealings with a Person who is not such an Affiliate; and

(2) in the event such Affiliate Transaction involves an aggregate value in excess of $100 million, the terms of such transaction or series of related transactions have been approved by a resolution of the majority of the members of the Board of Directors of the Issuer resolving that such transaction complies with Section 4.09(a)(1); *provided* that an Affiliate Transaction shall be deemed to have satisfied the requirements set forth in this clause (2) if such Affiliate Transaction is approved by a majority of the Disinterested Directors. If there are no Disinterested Directors, any Affiliate Transaction shall also be deemed to have satisfied the requirements set forth in this Section 4.09 if the Issuer or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Issuer or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on arm's-length basis.

(b) The provisions of Section 4.09(a) will not apply to:

(1) any Restricted Payment permitted to be made pursuant to Section 4.05, any Permitted Payments (other than pursuant to Section 4.05(b)(9)(B)) or any Permitted Investment (other than Permitted Investments as defined in clauses (1)(b) or (2) of the definition thereof);

(2) any issuance or sale of Capital Stock, options, other equity-related interests or other securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, or entering into, or maintenance of, any employment, consulting, collective bargaining or benefit plan, program, agreement or arrangement, related trust or other similar agreement and other compensation arrangements, options, warrants or other rights to purchase Capital Stock of the Issuer, any Restricted Subsidiary or any Parent, restricted stock plans, long-term incentive plans, stock appreciation rights plans, participation plans or similar employee benefits or consultants' plans (including valuation, health, insurance, deferred compensation, severance, retirement, savings or similar plans, programs or arrangements) or indemnities provided on behalf of officers, employees, directors or consultants approved by the Board of Directors of the Issuer, in each case in the ordinary course of business;

(7) execution, delivery and performance of any Tax Sharing Agreement or the formation and maintenance of any consolidated group for tax, accounting or management purposes in the ordinary course of business;

(8) transactions with customers, clients, suppliers or purchasers or sellers of goods or services and Associates, in each case in the ordinary course of business (including, without limitation, pursuant to joint venture arrangements), which are fair to the Issuer or the relevant Restricted Subsidiary in the reasonable determination of the Board of Directors or an officer of the Issuer or the relevant Restricted Subsidiary, or are on terms no less favorable than those that could reasonably have been obtained at such time from an unaffiliated party;

(9) any transaction in the ordinary course of business between or among the Issuer or any Restricted Subsidiary and any Affiliate of the Issuer or an Associate or similar entity (in each case, other than an Unrestricted Subsidiary) that would constitute an Affiliate Transaction solely because the Issuer or a Restricted Subsidiary or any Affiliate of the Issuer or a Restricted Subsidiary or any Affiliate of any Permitted Holder owns an equity interest in or otherwise controls such Affiliate, Associate or similar entity;

(10) (a) issuances or sales of Capital Stock (other than Disqualified Stock or Designated Preference Shares) of the Issuer or options, warrants or other rights to acquire such Capital Stock or Subordinated Shareholder Funding; *provided* that the interest rate and other financial terms of such Subordinated Shareholder Funding are approved by a majority of the members of the Board of Directors of the Issuer in their reasonable determination and (b) any amendment, waiver or other transaction with respect to any Subordinated Shareholder Funding in compliance with the other provisions of this Indenture;

(12) any transaction effected as part of a Qualified Receivables Financing and other Investments in Receivables Subsidiaries consisting of cash or Securitization Assets;

(13) any participation in a rights offer or public tender or exchange offers for securities or debt instruments issued by the Issuer or any of its Subsidiaries that are conducted on arm's-length terms and provide for the same price or exchange ratio, as the case may be, to all holders accepting such rights, tender or exchange offer;

(14) transactions between the Issuer or any Restricted Subsidiary and any other Person that would constitute an Affiliate Transaction solely because a director of such other Person is also a director of the Issuer or any Parent; *provided*, *however*, that such director abstains from voting as a director of the Issuer or such Parent, as the case may be, on any matter including such other Person; and

(15) payments to and from, and transactions with, any joint ventures entered into in the ordinary course of business or consistent with past practices (including, without limitation, any cash management activities related thereto).

Section 4.10 *Reports.*

(b) For the avoidance of doubt, in no event will any reports provided pursuant to Section 4.10(a):

(1) be required to comply with:

(a) Section 302, Section 404 or Section 906 of the Sarbanes-Oxley Act of 2002, or related Items 307 and 308 of Regulation S-K under the Securities Act ("Regulation S-K");

(b) Rule 3-10 of Regulation S-X under the Securities Act ("Regulation S-X") or contain separate financial statements for the Issuer, the Guarantors or other Subsidiaries the shares of which may be pledged to secure the Notes or any Guarantee that would be required under Section 3-16 of Regulation S-X;

(c) Rule 11-01 of Regulation S-X, give pro forma effect to the Transactions, or contain all purchase accounting adjustments relating to the Transactions; or

(d) Regulation G under the Exchange Act or Item 10(e) of Regulation S-K with respect to any non-GAAP financial measures contained therein; or

(2) be required to include trade secrets and other confidential information that is competitively sensitive in the good faith and reasonable determination of the Issuer.

(c) Notwithstanding the foregoing, (i) the Issuer may satisfy its obligations under clauses (1), (2) and (3) of Section 4.10(a) by delivering the corresponding annual and quarterly reports of the Target; *provided* that to the extent that the Issuer is not the reporting entity and material differences exist between the management, business, assets, shareholding or results of operations or financial condition of the Issuer and the Target, the annual and quarterly reports shall give a reasonably detailed

description of such differences or shall include the consolidated balance sheet, income statements and cash flow statement of the Issuer and its subsidiaries; and (ii) to the extent any financial statement or information is required to be delivered prior to the Completion Date, the Initial Issuer may satisfy its obligations under clauses (1), (2) and (3) of this Section 4.10(a) by delivering the corresponding annual and quarterly reports and information of the Issuer or the Target.

(d) The Issuer will be deemed to have furnished the reports referred to in clauses (1), (2) and (3) of Section 4.10(a) if the Issuer or a CVC Parent has filed reports containing such information with the SEC.

(e) All financial statement information shall be prepared in accordance with GAAP as in effect on the date of such report or financial statement (or otherwise on the basis of GAAP as then in effect) and on a consistent basis for the periods presented; *provided*, *however*, that the reports set forth in clauses (1), (2) and (3) of Section 4.10(a) may in the event of a change in GAAP, present earlier periods on a basis that applied to such periods. Except as provided for in Section 4.10(f) below, no report need include separate financial statements for the Issuer or Subsidiaries of the Issuer or any disclosure with respect to the results of operations or any other financial or statistical disclosure not of a type included in the Offering Memorandum and subject to the Issuer's election to apply IFRS, in no event shall IFRS information or reconciliation to IFRS be required.

(f) At any time if any Subsidiary of the Issuer is an Unrestricted Subsidiary and any such Unrestricted Subsidiary or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, constitutes a Significant Subsidiary, then the quarterly and annual financial information required by Section 4.10(a)(1) will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results of operations of the Issuer and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Issuer; *provided* that with respect to the Completion Date Unrestricted Subsidiaries, the requirements of this clause (f) shall be satisfied by the inclusion of information relating to the Completion Date Unrestricted Subsidiaries substantially similar to that provided in, or included by reference in, the Offering Memorandum.

(g) Substantially concurrently with the issuance to the Trustee of the reports specified in clauses (1), (2) and (3) of Section 4.10(a), the Issuer shall also (A) use its commercially reasonable efforts (i) to post copies of such reports on such website as may be then maintained by the Issuer and its Subsidiaries or (ii) otherwise to provide substantially comparable public availability of such reports (as determined by the Issuer in good faith) or (B) to the extent the Issuer determines in good faith that such reports cannot be made available in the manner described in Section 4.10(g)(A) owing to applicable law or after the use of its commercially reasonable efforts, furnish such reports to the Holders and, upon their request, prospective purchasers of the Notes.

(h) For so long as the Notes remain outstanding and during any period during which the Issuer is not subject to Section 13 or 15(d) of the Exchange Act nor exempt therefrom pursuant to Rule 12g3-2(b), the Issuer shall furnish to the Holders and holders of beneficial interests in the Notes and, upon their request, prospective purchasers of the Notes or prospective and purchasers of beneficial interests in the Notes, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(i) The Trustee shall have no obligation to determine if and when the Issuer's financial statements or reports are publicity available and accessible electronically. Delivery of these reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of any of those will not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

Section 4.11 *Suspension of Covenants on Achievement of Investment Grade Status.*

If on any date following the Issue Date, the Notes have achieved Investment Grade Status and no Default or Event of Default has occurred and is continuing (a "*Suspension Event*"), then the Issuer shall notify the Trustee of these events and beginning on that day and continuing until such time, if any, at which the Notes cease to have Investment Grade Status (the "*Reversion Date*"), the following sections will not apply to the Notes: Section 4.04, Section 4.05, Section 4.07, Section 4.08, Section 4.09, Section 4.24 and Section 5.03(a)(3) and any related default provision of this Indenture will cease to be effective and will not be applicable to the Issuer and the Restricted Subsidiaries. Such Sections and any related default provisions will again apply according to their terms from the first day on which a Suspension Event ceases to be in effect. Such Sections will not, however, be of any effect with regard to actions of the Issuer properly taken during the continuance of the Suspension Event, and Section 4.05 will be interpreted as if it has been in effect since the date of this Indenture except that no Default will be deemed to have occurred solely by reason of a Restricted Payment made while Section 4.05 was suspended. On the Reversion Date, all Indebtedness Incurred during the continuance of the Suspension Event will be classified, at the Issuer's option, as having been Incurred pursuant to Section 4.04(a) or Section 4.04(b) (to the extent such Indebtedness would be permitted to be Incurred thereunder as of the Reversion Date and after giving effect to Indebtedness Incurred prior to the Suspension Event and outstanding on the Reversion Date). To the extent such Indebtedness would not be so permitted to be Incurred under Section 4.04(a) or Section 4.04(b), such Indebtedness will be deemed to have been outstanding on the Completion Date, so that it is classified as permitted under Section 4.04(b)(4)(b). The Company shall give the Trustee written notice of any Covenant Suspension Event and in any event not later than 5 Business Days after such Covenant Suspension Event has occurred. In the absence of such notice, the Trustee shall assume the Suspended Covenants apply and are in full force and effect. The Company shall give the Trustee written notice of any occurrence of a Reversion Date not later than 5 Business Days after such Reversion Date. After any such notice of the occurrence of a Reversion Date, the Trustee shall assume the Suspended Covenants apply and are in full force and effect.

Section 4.12 *[Reserved]*.

Section 4.13 *[Reserved]*.

Section 4.14 *Compliance Certificate.*

The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year (beginning with the fiscal year ending December 31, 2015), an Officer's Certificate indicating whether the signers thereof know of any Default that occurred during the previous year. The Issuer shall deliver to the Trustee within 30 days after the occurrence of a Default or Event of Default a written notice of any events of which it is aware which would constitute certain Defaults, their status and what action the Issuer is taking or proposes to take with respect thereto.

The Trustee shall not be deemed to have knowledge of any Default except any payment Default or any other Default of which a Responsible Officer shall have received written notification in accordance with Section 12.01 or obtained actual knowledge.

Section 4.15 *[Reserved]*.

Section 4.16 *[Reserved]*.

Section 4.17 *[Reserved]*.

Section 4.18 *Guarantor Coverage*.

The Issuer shall cause (a) each Subsidiary that Guaranteed the Target obligations under the Existing Target Credit Agreement as of the Completion Date (other than Excluded Subsidiaries), (b) each Material Subsidiary (other than Excluded Subsidiaries) and (c) each Restricted Subsidiary that ceases to be an Excluded Subsidiary by providing a Guarantee (including each Restricted Subsidiary that ceases to be an Excluded Subsidiary as a result of providing such Guarantee) of any Public Debt or that Guarantees any syndicated credit facilities of the Issuer or the Guarantors, other than (solely with respect to the relevant Subsidiary) any Guarantees of Public Debt or syndicated credit facilities that exist at the time such Excluded Subsidiary became a Subsidiary of the Issuer in each case under this Section 4.18(c) in an amount greater than $50 million, in each case to (x) become a Guarantor within two Business Days of the Completion Date in the case of Section 4.18(a); *provided* that the Initial Guarantors shall Guarantee the Notes within two Business Days of the Completion Date, within 30 days of becoming a Material Subsidiary in the case of Section 4.18(b) and substantially concurrently with the provision of such Guarantee, in the case of Section 4.18(c) and (y) to execute and deliver to the Trustee a supplemental indenture in the form attached to this Indenture pursuant to which such Restricted Subsidiary will provide a Note Guarantee, which Note Guarantee will be senior to or *pari passu* with such Restricted Subsidiary's Guarantee of such other Indebtedness in the case of Section 4.18(c).

Section 4.19 *Payments for Consents.*

The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms of the provisions of this Indenture or the Notes unless such consideration is offered to be paid and is paid to all holders of Notes that consent, waive or agree to amend in the time-frame set forth in the solicitation documents relating to such consent, waiver or amendment. Notwithstanding the foregoing, the Issuer and the Restricted Subsidiaries shall be permitted, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of this Indenture, to exclude holders of Notes in any jurisdiction where (i) the solicitation of such consent, waiver or amendment, including in connection with an exchange offer or an offer to purchase for cash, or (ii) the payment of the consideration therefor would require the Issuer or any Restricted Subsidiary to file a registration statement, prospectus or similar document under any applicable securities laws (including, but not limited to, the United States federal securities laws and the laws of the European Union), which the Issuer in its sole discretion determine (acting in good faith) (A) would be materially burdensome (it being understood that it would not be materially burdensome to file the consent document(s) used in other jurisdictions, any substantially similar documents or any summary thereof with the securities or financial services authorities in such jurisdiction) or (B) such solicitation would otherwise not be permitted under applicable law in such jurisdiction.

Section 4.20 *Lines of Business.*

The Issuer will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than a Similar Business, except to such extent as would not be material to the Issuer and the Restricted Subsidiaries, taken as a whole.

Section 4.21 *Additional Guarantors.*

(a) Following the Completion Date, the Issuer will not permit any of its Restricted Subsidiaries (other than a Guarantor) to Guarantee any Indebtedness of the Issuer or any Guarantor (other than Indebtedness Incurred under Section 4.04(b)(8)) unless such Restricted Subsidiary (other than an Excluded Subsidiary) is or becomes a Guarantor on the date on which such other Guarantee is Incurred and, if applicable, executes and delivers to the Trustee a supplemental indenture in the form attached to this Indenture pursuant to which such Restricted Subsidiary will provide a Note Guarantee, which Guarantee will be senior to or *pari passu* with such Restricted Subsidiary's Guarantee of such other Indebtedness; *provided*, this Section 4.21 will not be applicable to any Guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary.

(b) *[Reserved]*.

(c) *[Reserved]*.

(d) Note Guarantees existing on or granted after the Completion Date pursuant to this Section 4.21 shall be released as set forth under Section 10.06. In addition, Note Guarantees existing on or granted after the Completion Date pursuant to Section 4.21(a) may be released at the option of the Issuer, if, at the date of such release, (i) the Indebtedness which required such Note Guarantee has been released or discharged in full, (ii) no Event of Default would arise as a result of such release, and (iii) there is no other Indebtedness of such Guarantor outstanding that was Incurred after the Completion Date and that could not have been Incurred in compliance with this Indenture as of the date Incurred if such Guarantor were not a Guarantor as at that date. Notwithstanding anything in this Indenture to the contrary, the Issuer may elect, in its sole discretion, to cause any Subsidiary that is not otherwise required to be a Guarantor to become a Guarantor and such Notes Guarantee may be released at any time in the Issuer's sole discretion. The Trustee (to the extent action is required by it) shall each take all necessary actions requested by the Issuer to effectuate any release of a Note Guarantee in accordance with these provisions, subject to customary protections and indemnifications.

(e) *[Reserved]*.

(f) Each additional Note Guarantee will be limited as necessary to recognize certain defenses generally available to guarantors (including those that relate to fraudulent conveyance or transfer, voidable preference, financial assistance, corporate purpose, thin capitalization, distributable reserves, capital maintenance or similar laws, regulations or defenses affecting the rights of creditors generally) or other considerations under applicable law.

(g) Notwithstanding the foregoing, the Issuer shall not be obligated to cause an Excluded Subsidiary to provide a Note Guarantee (for so long as such entity is an Excluded Subsidiary), nor to cause any Restricted Subsidiary to provide a Note Guarantee to the extent and for so long as the Incurrence of such Guarantee could reasonably be expected to give rise to or result in: (1) any violation of applicable law or regulation; (2) any liability for the officers, directors or (except in the case of a Restricted Subsidiary that is a partnership) shareholders of such Restricted Subsidiary (or, in the case of a Restricted Subsidiary that is a partnership, directors or shareholders of the partners of such partnership); (3) any cost, expense, liability or obligation (including with respect to any Taxes) other than reasonable out-of-pocket expenses and other than reasonable expenses incurred in connection with any governmental or regulatory filings required as a result of, or any measures pursuant to clause (1) of this clause (g) undertaken in connection with, such Guarantee, which in any case under any of clauses (1), (2) and (3) of this Section 4.21(g) cannot be avoided through measures reasonably available to the Issuer or such Restricted Subsidiary; or (4) such Restricted Subsidiary is prohibited from Incurring such Guarantee by the terms of any Indebtedness existing on the Completion Date of such Restricted Subsidiary that is not prepayable without a prepayment premium (in each case, other than Indebtedness Incurred to provide all or any portion of the funds utilized to consummate the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary); *provided* that this clause (4) applies only for so long as such prepayment premium applies to such Indebtedness.

(h) Notwithstanding anything to the contrary, the Issuer will not permit each of (i) CSC TKR, LLC and its Subsidiaries and (ii) Cablevision Lightpath, Inc. to Incur any Indebtedness not in the ordinary course of business or Guarantee any Indebtedness unless such Subsidiary is or becomes a Guarantor on the date on which the Guarantee is Incurred and, if applicable, executes and delivers to the Trustee a supplemental indenture in the form attached to this Indenture pursuant to which such Restricted Subsidiary will provide a Note Guarantee, which Guarantee will be senior to or *pari passu* with such Subsidiary's Guarantee of such other Indebtedness.

Section 4.22 *Completion of the Transactions.*

The Issuer shall cause the Acquisition to be consummated promptly upon the release of the Escrowed Property following delivery by the Issuer to the Escrow Agent of a release officer's certificate under the Notes Escrow Agreement.

Section 4.23 *[Reserved]*.

Section 4.24 *Limitation on Transfer of Assets by Restricted Subsidiaries.*

The Issuer shall cause its Restricted Subsidiaries not to transfer to the Issuer any material assets used or useful in the core line of business other than cash, other current assets (including Cash Equivalents) and Investments.

Section 4.25 *Permitted Transactions.*

Notwithstanding anything under this Article 4 and Article 5 to the contrary, this Indenture will not restrict or in any manner limit the ability of the Issuer or the Restricted Subsidiaries to effect the Reorganization Transactions, and any transactions or actions in connection thereto.

Section 4.26 *[Reserved]*.

Section 4.27 *Limited Condition Acquisition and Irrevocable Repayment.*

In connection with any action being taken in connection with a Limited Condition Acquisition or Irrevocable Repayment, for purposes of determining compliance with any provision of this Indenture which requires that no Default or Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Issuer, be deemed satisfied, so long as no Default or Event of Default, as applicable, exists on the date the definitive agreements for such Limited Condition Acquisition or Irrevocable Repayment are entered into. For the avoidance of doubt, if the Issuer has exercised its option under the first sentence of this Section 4.27, and any Default or Event of Default occurs following the date the definitive agreements for the applicable Limited Condition Acquisition or Irrevocable Repayment were entered into and prior to the consummation of such Limited Condition Acquisition or Irrevocable Repayment, any such Default or Event of Default shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Acquisition or Irrevocable Repayment is permitted hereunder.

In connection with any action being taken in connection with a Limited Condition Acquisition or Irrevocable Repayment for purposes of:

(1) determining compliance with any provision of this Indenture which requires the calculation of the Consolidated Net Senior Secured Leverage Ratio, Consolidated Net Leverage Ratio or Guarantor Indebtedness Ratio; or

(2) testing baskets set forth in this Indenture (including baskets measured as a percentage of L2QA Pro Forma EBITDA);

in each case, at the option of the Issuer (the Issuer's election to exercise such option in connection with any Limited Condition Acquisition or Irrevocable Repayment, an "*LCA Election*"), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements for such Limited Condition Acquisition or Irrevocable Repayment are entered into (the "*LCA Test Date*"). If, after giving *pro forma* effect to the Limited Condition Acquisition or Irrevocable Repayment and the other transactions to be entered into in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) as if they had occurred at the beginning of the most recent two consecutive fiscal quarters ending prior to the LCA Test Date for which consolidated financial statements of the Issuer are available, the Issuer could have taken such action on the relevant LCA Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with.

If the Issuer has made an LCA Election and any of the ratios or baskets for which compliance was determined or tested as of the LCA Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in L2QA Pro Forma EBITDA of the Issuer or the Person subject to such Limited Condition Acquisition or Irrevocable Repayment, at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Issuer has made an LCA Election for any Limited Condition Acquisition or Irrevocable Repayment, then in connection with any subsequent calculation of any ratio or basket availability with respect to the Incurrence of Indebtedness or Liens, or the making of Asset Dispositions, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Issuer or the designation of an Unrestricted Subsidiary on or following the relevant LCA Test Date and prior to the earlier of the date on which such Limited Condition Acquisition or Irrevocable Repayment is consummated or the definitive agreement for such Limited Condition Acquisition or Irrevocable Repayment is terminated or expires without consummation of such Limited Condition Acquisition or Irrevocable Repayment, any such ratio or basket shall be calculated on a *pro forma* basis assuming such Limited Condition Acquisition or Irrevocable Repayment and other transactions in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) have been consummated

Section 5.01 *[Reserved]*.

Section 5.02 *[Reserved]*.

Section 5.03 *Merger and Consolidation of the Issuer.*

(a) Subject to Section 4.25, the Issuer will not consolidate with or merge with or into, or assign, convey, transfer, lease or otherwise dispose all or substantially all its assets as an entirety or substantially as an entirety, in one transaction or a series of related transactions to, any Person, unless:

(1) the resulting, surviving or transferee Person (the "*Successor Company*") (if not the Issuer) will be a Person organized and existing under the laws of any member state of the European Union, Switzerland, Canada or the United States of America, any State of the United States or the District of Columbia and the Successor Company (if not the Issuer) will expressly assume, by supplemental indenture, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, all the obligations of the Issuer under the Notes and this Indenture;

(2) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any Subsidiary of the Successor Company as a result of such transaction as having been Incurred by the Successor Company or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(3) immediately after giving *pro forma* effect to such transaction and any related financing transactions, as if such transactions had occurred at the

beginning of the applicable two consecutive fiscal quarter period, either (a) the Issuer or the Successor Company would have been able to Incur at least $1.00 of additional Indebtedness under pursuant to Section 4.04(a); or (b) the Consolidated Net Leverage Ratio would not be greater than it was immediately prior to giving effect to such transaction; and

(4) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each to the effect that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture and an Opinion of Counsel to the effect that such supplemental indenture (if any) has been duly authorized, executed and delivered and is a legal, valid and binding agreement enforceable against the Successor Company (in each case, in form and substance reasonably satisfactory to the Trustee); *provided* that in giving an Opinion of Counsel, counsel may rely on an Officer's Certificate as to any matters of fact.

(c) The Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture but in the case of a lease of all or substantially all its assets, the predecessor company will not be released from its obligations under this Indenture or the Notes.

(d) Notwithstanding clauses (2) and (3) (which do not apply to transactions referred to in this sentence) and (4) of Section 5.03(a) (which does not apply to transactions referred to in this sentence in which the Issuer is the Successor Company), any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to the Issuer. Notwithstanding Section 5.03(a)(3) (which does not apply to the transactions referred to in this sentence), the Issuer may consolidate or otherwise combine with or merge into an Affiliate incorporated or organized for the purpose of changing the legal domicile of the Issuer, reincorporating the Issuer in another jurisdiction, or changing the legal form of the Issuer.

(e) Section 5.03(a) through Section 5.03(d) (other than the requirements of Section 5.03(a)(2)) shall not apply to the creation of a new Subsidiary as a Restricted Subsidiary. Additionally, the foregoing provisions shall not apply to the Reorganization Transactions or any transactions or actions in connection therewith.

Section 5.04 *Merger and Consolidation of the Guarantors.*

(a) None of the Guarantors (other than a Guarantor whose Note Guarantee is to be released in accordance with the terms of this Indenture) may:

(1) consolidate with or merge with or into any Person (whether or not such Guarantor is the surviving Person);

(2) sell, assign, convey, transfer, lease or otherwise dispose of, all or substantially all its assets as an entirety or substantially as an entirety, in one transaction or a series of related transactions, to any Person; or

(3) permit any Person to merge with or into it;

unless:

(A) the other Person is the Issuer or a Restricted Subsidiary that is a Guarantor or becomes a Guarantor as a result of such transaction; or

(B) (1) either (x) a Guarantor is the surviving Person or (y) the resulting, surviving or transferee Person expressly assumes all of the obligations of the Guarantor under its Note Guarantee and this Indenture (pursuant to a supplemental indenture executed and delivered in a form reasonably satisfactory to the Trustee); and (2) immediately after giving effect to the transaction, no Default or Event of Default shall have occurred and is continuing; or

(C) the transaction constitutes a sale or other disposition (including by way of consolidation or merger) of a Guarantor or the sale or disposition of all or substantially all the assets of a Guarantor (in each case other than to the Issuer or a Restricted Subsidiary) otherwise permitted by this Indenture and the proceeds therefrom are applied as required by this Indenture.

(b) Notwithstanding Section 5.04(a)(3)(B)(2) (which does not apply to transactions referred to in this sentence), (a) any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to a Guarantor and (b) any Guarantor may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to any other Guarantor or the Issuer. Section 5.06 *[Reserved]*.

Section 6.01 *Events of Default.*

(a) Each of the following is an "*Event of Default*" under this Indenture:

(1) default in any payment of interest on any Note issued under this Indenture when due and payable, continued for 30 days;

(3) failure by the Issuer or any Restricted Subsidiary to comply for 30 days after notice by the Trustee or the Holders of at least 25% in principal amount of the outstanding Notes with any of its obligations under Article 4 or Article 5 (in each case, other than (i) a failure to purchase Notes, which will constitute an Event of Default under Section 6.01(a)(2), (ii) a failure to comply with the Notes Escrow Agreement and (iii) a failure to comply with Section 4.22, which shall be governed by Section 6.01(a)(12);

(4) failure by the Issuer or any Restricted Subsidiary to comply for 60 days after notice by the Trustee or the Holders of at least 25% in principal amount of the outstanding Notes with its other agreements contained in this Indenture;

(5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Issuer or any Restricted Subsidiary (or the payment of which is Guaranteed by the Issuer or any Restricted Subsidiary) other than Indebtedness owed to the Issuer or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the Issue Date, which default:

(A) is caused by the failure to pay principal of such Indebtedness at the Stated Maturity thereof (after giving effect to any applicable grace periods provided in such Indebtedness) ("*payment default*"); or

(B) results in the acceleration of such Indebtedness prior to its maturity,

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates $25 million or more;

(6) the Issuer or a Significant Subsidiary or group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary pursuant to or within the meaning of Bankruptcy Law:

(D) makes a general assignment for the benefit of its creditors; or

(E) generally is not paying its debts as they become due;

(7) failure by the Issuer or a Significant Subsidiary or group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary to pay final judgments aggregating in excess of $25 million, exclusive of any amounts that a solvent insurance company has acknowledged liability for, which judgments are not paid, discharged or stayed for a period of 60 days after the judgment becomes final;

(8) *[Reserved]*;

(9) any Note Guarantee by a Guarantor that is a Significant Subsidiary or any group of Guarantors that taken together would constitute a Significant Subsidiary ceases to be in full force and effect (other than in accordance with the terms of such Note Guarantee or this Indenture) or is declared invalid or unenforceable in a judicial proceeding or any Guarantor denies or disaffirms in writing its obligations under its Note Guarantee and any such Default continues for 10 days after the notice specified in this Indenture (the "*guarantee provisions*");

(10) *[Reserved]*;

(11) failure by the Initial Issuer to consummate a Special Mandatory Redemption as described under Section 3.10; and

(12) failure by the Issuer to comply with Section 4.22 for more than 5 Business Days following the date on which the Escrowed Property is released from the Escrow Account.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court of any order, rule or regulation of any administrative or governmental body.

(b) A default under clauses (3), (4), (5), (7) or (9) of Section 6.01(a) will not constitute an Event of Default until the Trustee or the Holders of 25% in principal amount of the outstanding Notes under this Indenture notify the Issuer of the default and, with respect to clauses (3), (4), (5), (7) and (9) of Section 6.01(a) the Issuer does not cure such default within the time specified in clauses (3), (4), (5), (7) and (9) of Section 6.01(a), as applicable, after receipt of such notice.

Section 6.02 *Acceleration.*

If an Event of Default described in clause (6) or (11) of Section 6.01(a) occurs and is continuing, the principal of, premium, if any, and accrued and unpaid interest on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may and, if directed by holders of at least 25% in aggregate principal amount of the then outstanding Notes, the Trustee shall, declare all the Notes to be due and payable immediately. In the event of a declaration of acceleration of the Notes because an Event of Default under Section 6.01(a)(5) has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to Section 6.01(a)(5) shall be remedied or cured, or waived by the holders of the relevant Indebtedness, or the relevant Indebtedness that gave rise to such Event of Default shall have been discharged in full, within 30 days after the declaration of acceleration with respect thereto and if (i) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (ii) all existing Events of Default, except nonpayment of principal, premium or interest on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

Section 6.03 *Other Remedies.*

Subject to Article 12 and to the duties of the Trustee as provided for in Article 7, if an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

The Holders of a majority in aggregate principal amount of the outstanding Notes under this Indenture may waive all past or existing Defaults or Events of Default (except with respect to nonpayment of principal, premium or interest) and rescind any such acceleration with respect to such Notes and its consequences if rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

Section 6.05 *Control by Majority.*

The Holders of a majority in aggregate principal amount of the outstanding Notes are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee (on behalf of the Holders) or of exercising any trust or power conferred on the Trustee (on behalf of the Holders). However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Subject to Article 7, if an Event of Default occurs and is continuing, prior to taking any action under this Indenture, the Trustee will be entitled to indemnification and/or security satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

Section 6.06 *Limitation on Suits.*

(a) Except to enforce the right to receive payment of principal or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(1) such Holder has previously given the Trustee notice that an Event of Default is continuing;

(2) Holders of at least 25% in aggregate principal amount of the outstanding Notes have requested the Trustee to pursue the remedy;

(3) such Holders have offered the Trustee, and the Trustee has received, security and/or indemnity satisfactory to it against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security and/or indemnity; and

(5) the Holders of a majority in aggregate principal amount of the outstanding Notes have not given the Trustee a direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder

Section 6.07 *Rights of Holders to Receive Payment.*

Subject to Section 9.02, the right of any Holder to receive payment of principal of and interest on the Notes held by such Holder, on or after the respective due dates expressed or provided for in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in clause (1) or (2) of Section 6.01(a) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Notes for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.07.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee may file such proofs of claim and other papers or documents and take such actions as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agent and counsel and any other amounts due to the Trustee under Section 7.07) and the Holders allowed in any judicial proceedings relative to the Issuer, their creditors or their property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee and the Agents under Section 7.07.

Section 6.10 *Priorities.*

If the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money or property in the following order:

FIRST: to the Trustee and the Agents for amounts due under Section 7.02 and Section 7.07 ;

SECOND: to Holders for amounts due and unpaid on the Notes for principal and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest, respectively; and

THIRD: to the Issuer or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Trustee shall mail to each Holder and the Issuer a notice that states the record date, the payment date and amount to be paid.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as the Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including properly incurred attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee or a Paying Agent, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Notes then outstanding.

Section 6.12 *Waiver of Stay or Extension Laws.*

The Issuer (to the extent it may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

Section 6.13 *Restoration of Rights and Remedies.*

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, any Guarantor, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 6.14 *Rights and Remedies Cumulative.*

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.15 *Delay or Omission Not Waiver.*

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

ARTICLE 7
TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) In the event an Event of Default has occurred and is continuing of which a Responsible Officer of the Trustee has received written notification in accordance with the provisions of this Indenture, the Trustee will exercise such of the rights and powers vested in it under this Indenture and use the same degree of care that a prudent Person would use in the conduct of its own affairs.

(b) Except during the continuance of an Event of Default:

the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(1) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein) and shall be entitled to seek advice from legal counsel in relation thereto.

(c) The Trustee may not be relieved from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

(1) this Section 7.01(c) does not limit the effect of Section 7.01(a);

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer unless it is proved that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 7.02, Section 7.03 or Section 7.05;

(d) The Trustee shall not be deemed to have notice or any actual knowledge of any matter (including, without limitation, Defaults or Events of Default) unless written notice thereof is received by the Trustee in accordance with this Indenture and such notice clearly references the Notes, the Issuer or this Indenture.

(e) Every provision of this Indenture that in any way relates to the Trustee is subject to Section 7.01(a), Section 7.01(b), Section 7.01(c) and Section 7.01(f).

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur liability in the performance of any of its duties hereunder or to take or omit to take any action under this Indenture or take any action at the request or direction of Holders if it has grounds for believing that repayment of such funds is not assured to it or it does not receive an agreement in writing from the Holders for full indemnity and/or security satisfactory to it in its discretion against any loss, liability or expense which might be incurred by it in compliance with such request or direction nor shall the Trustee be required to do anything which is illegal or contrary to applicable laws or this Indenture. The Trustee will not be liable to the Holders if prevented or delayed in performing any of its obligations or discretionary functions under this Indenture by reason of any present or future law applicable to it, by any governmental or regulatory authority or by any circumstances beyond its control.

(g) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer.

(h) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(i) The Trustee will (save as expressly otherwise provided herein) have absolute and uncontrolled discretion as to the exercise or non-exercise of its functions and will not be responsible for any loss, liability, cost, claim, action, demand, expense or inconvenience which may result from their exercise or non-exercise but, whenever the Trustee is under the provisions of this Indenture or the Notes bound to act at the request or direction of the Holders, the Trustee shall nevertheless not be so bound unless first indemnified and/or secured to its satisfaction against all actions, proceedings, claims and demands to which it may render itself liable and all costs, charges, damages,

expenses and liabilities which it may incur by so doing.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion, based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction or, to the extent applicable, the State of New York. Furthermore, the Trustee may also refrain from taking such action if such action would otherwise render it liable to any person in that jurisdiction, the State of New York or if, in its opinion based upon such legal advice, it would not have the power to do the relevant thing in that jurisdiction by virtue of any applicable law in that jurisdiction, in the State of New York or if it is determined by any court or other competent authority in that jurisdiction, in the State of New York that it does not have such power.

(b) The Trustee may conclusively rely and shall be fully protected in acting or refraining to act based upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(c) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel.

(d) The Trustee may act through attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(e) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture; *provided*, *however*, that the Trustee's conduct does not constitute willful misconduct or gross negligence.

(f) The Trustee may retain professional advisers to assist it in performing its duties under this Indenture. The Trustee may consult with counsel of its selection, and the advice or Opinion of Counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any Officer's Certificate, Opinion of Counsel, or any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, appraisal, bond, debenture, note, coupon, security other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer.

(h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture, unless such Holders shall have offered to the Trustee indemnity and/or other security satisfactory to the Trustee against the costs, expenses and liabilities which may be incurred by it in compliance with such request, order or direction.

(i) In the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders, each representing less than the requisite majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture, the Trustee, in its sole discretion, may determine what action, if any, shall be taken and shall be held harmless and shall not incur any liability for its failure to act until such inconsistency or conflict is, in its opinion, resolved, and absent willful misconduct or gross negligence, the Trustee shall not be liable for acting in good faith on instructions believed by them to be genuine and from the proper party.

(j) *[Reserved]*.

(k) *[Reserved]*.

(l) The Trustee shall have no duty to inquire as to the performance of the covenants of the Issuer and/or its Restricted Subsidiaries in this Indenture and shall be entitled to assume that the Issuer, the Guarantors and any Restricted Subsidiaries are in compliance with the terms of this Indenture.

(m) The Trustee shall not have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum denominations imposed under this Indenture or under applicable law or regulation with respect to any transfer, exchange, redemption, purchase or repurchase, as applicable, of any interest in any Notes, but may at its sole discretion, choose to do so.

(n) If any Guarantor is substituted to make payments on behalf of the Issuer pursuant to Article 10, the Issuer shall promptly notify the Trustee of such substitution.

(o) The Trustee and each Agent shall not be liable for acting in good faith on instructions believed by it to be genuine and from the proper party.

(p) The Trustee shall not be required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture.

(q) *[Reserved]*.

(r) The permissive rights of the Trustee to take the actions permitted by this Indenture will not be construed as an obligation or duty to do so.

(s) Anything in this Indenture to the contrary notwithstanding, in no event shall the Trustee be liable for punitive, special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to loss of business, goodwill, opportunity or profits of any kind) of the Issuer, any Guarantor, any Restricted Subsidiary or any other person, even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(t) Except with respect to Section 4.01, and *provided* it or an affiliate of it is acting as the Paying Agent, the Trustee shall have no duty to inquire as to the performance of the Issuer with respect to the covenants contained in Article 4. The Trustee may assume without inquiry in the absence of written notice to the contrary that the Issuer is duly complying with its obligations contained in this Indenture required to be performed and observed by it, and that no Default or Event of Default or other event which would require repayment of the Notes has occurred.

(u) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of, or caused by, directly or indirectly, forces beyond its control, including, without limitation, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God; it being understood that the Trustee shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as

practicable under the circumstances.

(v) The Trustee may request that the Issuer deliver an Officer's Certificate setting forth the names of the individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(w) The Trustee may, in the execution and exercise of all or any of the trusts, powers, authorities and discretions vested in it by this Indenture, delegate to any person or persons all or any of the trusts, powers, authorities and discretions vested in it by this Indenture and any such delegation may be made upon such terms and conditions and subject to such regulations as the Trustee may think fit. The Trustee shall not be under any obligation to supervise the activities of such delegates and shall not be responsible for the misconduct or negligence of such delegates, or for any costs, expenses, losses or liabilities of, or caused by, such delegates, *provided* that such delegation has been made with reasonable care.

(x) No provision of this Indenture shall require the Trustee to do anything which, in its opinion, may be illegal or contrary to applicable law or regulation.

(y) The Trustee and the Paying Agent shall be entitled to make payments net of any taxes or other sums required by any applicable law to be withheld or deducted.

(z) The permissive rights of the Trustee enumerated herein shall not be construed as duties.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer, its Subsidiaries or their respective Affiliates with the same rights it would have if it were not Trustee. For the avoidance of doubt, any Paying Agent, Transfer Agent or Registrar may do the same with like rights.

Section 7.04 *Trustee's Disclaimer.*

The Trustee shall not be responsible for and makes no representation as to the validity, effectiveness, correctness or adequacy of this Indenture, the offering materials related to this Indenture or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, and it shall not be responsible for any statement of the Issuer in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication. The Trustee shall not be charged with knowledge of the identity of any Significant Subsidiary unless either (a) a Responsible Officer shall have actual knowledge thereof or (b) the Trustee shall have received notice thereof in accordance with Section 12.01 from the Issuer or any Holder.

Section 7.05 *Notice of Defaults.*

If a Default occurs and is continuing and a Responsible Officer of the Trustee has received written notification thereof by the Issuer, the Trustee shall give notice of the Default to the Holders within 60 days after being notified by the Issuer. Except in the case of a Default in the payment of principal of, or premium, if any, or interest on any Note, the Trustee may withhold notice if and so long as a committee of trust officers of the Trustee in good faith determines that withholding notice is in the interests of the Holders.

Section 7.06 *[Reserved]*.

Section 7.07 *Compensation and Indemnity.*

The Issuer, or, upon the failure of the Issuer to pay, each Guarantor, jointly and severally, shall pay to the Trustee and the Agents from time to time such compensation as the Issuer and Trustee or the Agents, as applicable, may from time to time agree in writing for its acceptance of this Indenture and services hereunder and under the Notes. The Trustee's and the Agents' compensation shall not be limited by any law on compensation of a trustee of an express trust.

In the event of the occurrence of an Event of Default or the Trustee considering it expedient or necessary or being requested by the Issuer to undertake duties which the Trustee and the Issuer agree to be of an exceptional nature or otherwise outside the scope of the normal duties of the Trustee, the Issuer shall pay to the Trustee such additional remuneration as shall be agreed between them.

The Issuer and each Guarantor, jointly and severally, shall reimburse the Trustee and the Agents promptly upon request for all properly incurred disbursements, advances and expenses incurred or made by it (as evidenced in an invoice from the Trustee or the Agents, as applicable), including costs of collection, in addition to the compensation for its services. Such expenses shall include the properly incurred compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuer and each Guarantor, jointly and severally shall indemnify the Trustee, the Agents and their respective officers, directors, agents and employers against any and all loss, liability, taxes or expenses (including properly incurred attorneys' fees) incurred by or in connection with the acceptance or administration of its duties under this Indenture and the Notes including the costs and expenses of enforcing this Indenture against the Issuer (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuer or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder.

The Trustee shall notify the Issuer of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof;*provided*, *however*, that any failure to so notify the Issuer shall not relieve the Issuer or any Guarantor of its indemnity obligations hereunder. Except in cases where the interests of the Issuer and the Trustee may be adverse, the Issuer shall defend the claim and the indemnified party shall provide reasonable cooperation at the Issuer's and any Guarantor's expense in the defense. In cases where the interests of the Issuer and the Trustee are adverse, (i) such indemnified party may, in its sole discretion, assume the defense of the claim against it and the Issuer and any Guarantor shall, jointly and severally, pay the properly incurred fees and expenses of the indemnified party's defense (as evidenced in an invoice from the Trustee) and (ii) such indemnified parties may have separate counsel of their choosing and the Issuer and any Guarantor, jointly and severally, shall pay the properly incurred fees and expenses of such counsel (as evidenced in an invoice from the Trustee). The Issuer need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct, gross negligence or fraud.

To secure the Issuer's and any Guarantor's payment obligations in this Section 7.07, the Trustee and the Agents have a Lien senior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Issuer's and any Guarantor's payment obligations pursuant to this Section 7.07 and any lien arising thereunder shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any Bankruptcy Law or the resignation or removal of the Trustee and the Agents. Without prejudice to any

other rights available to the Trustee and the Agents under applicable law, when the Trustee and the Agents incur expenses (including the fees and expenses of counsel) after the occurrence of a Default specified in Section 6.01(a)(6) with respect to the Issuer, the expenses are intended to constitute expenses of administration under any Bankruptcy Law.

For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Trustee in this Section 7.07, including its right to be indemnified, are extended to, and shall be enforceable by the Trustee in each of its capacities hereunder and by each agent (including the Agents), any custodian and any other Person employed with due care to act as agent hereunder.

Section 7.08 *Replacement of Trustee.*

(a) The Trustee may resign at any time by so notifying the Issuer in writing. The Holders of a majority in principal amount of the Notes then outstanding may remove the Trustee by so notifying the Trustee and the Issuer in writing and may appoint a successor Trustee. The Issuer shall be entitled to remove the Trustee and any Holder who has been a bona fide Holder for not less than six months may petition any court for removal of the Trustee and appointment of a successor Trustee, if:

(1) the Trustee, in its capacity as such, has or acquires a conflict of interest that is not eliminated;

(2) the Trustee is adjudged bankrupt or insolvent;

(3) a receiver or other public officer takes charge of the Trustee or its property; or

(4) the Trustee otherwise becomes incapable of acting as Trustee hereunder.

(b) If the Trustee resigns, is removed pursuant to Section 7.08(a) or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee.

(c) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, *provided* that all sums owing to the Trustee hereunder have been paid and subject to the lien provided for in this Section 7.07. For the avoidance of doubt, any removal or resignation of the Trustee pursuant to this Section 7.07 shall not become effective until the acceptance of the appointment by the successor Trustee.

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, (i) the retiring Trustee, at the expense of the Issuer, or the Holders of 10% in principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor trustee, or (ii) the retiring Trustee may appoint a successor trustee at any time prior to the date on which a successor Trustee takes office; *provided* that such appointment is reasonably satisfactory to, and at the joint and several cost and expense of, the Issuer and Guarantors.

(e) Notwithstanding the replacement of the Trustee pursuant to this Section, the Issuer's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

(f) For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Trustee in this Article 7, including its right to be indemnified, are extended to, and shall be enforceable by each Agent employed to act hereunder.

Section 7.09 *Successor Trustee by Merger.*

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee or its Authenticating Agent may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

Section 7.10 *[Reserved]*.

Section 7.11 *Certain Provisions.*

Each Holder by accepting a Note authorizes and directs on his or her behalf the Trustee to enter into and to take such actions and to make such acknowledgements as are set forth in this Indenture or other documents entered into in connection therewith.

Section 7.12 *Resignation of Agents.*

(a) Any Agent may resign its appointment hereunder at any time without the need to give any reason and without being responsible for any costs associated therewith by giving notice to the Issuer and the Trustee (and in the case of resignation of the Paying Agent the Paying Agent giving 30 days' written notice) (waivable by the Issuer and the Trustee), *provided* that in the case of resignation of the Paying Agent no such resignation shall take effect until a new Paying Agent shall have been appointed by the Issuer to exercise the powers and undertake the duties hereby conferred and imposed upon the Paying Agent. Following receipt of a notice of resignation from any Agent, the Issuer shall promptly give notice thereof to the Holders in accordance with Section 12.01 Such notice shall expire at least 30 days before or after any due date for payment in respect of the Notes.

(b) If any Agent gives notice of its resignation in accordance with this Section 7.12 and a replacement Agent is required and by the tenth day before the expiration of such notice such replacement has not been duly appointed, such Agent may itself appoint as its replacement any reputable and experienced financial institution or may petition a court of competent jurisdiction, with costs and expenses properly incurred by the Agent in relation to such petition to be paid by the Issuer. Immediately following such appointment, the Issuer shall give notice of such appointment to the Trustee, the remaining Agents and the Holders whereupon the Issuer, the Trustee, the remaining Agents and the replacement Agent shall acquire and become subject to the same rights and obligations between themselves as if they had entered into an agreement in the form *mutatis mutandis* of this Indenture.

(c) Upon its resignation becoming effective the Paying Agent shall forthwith transfer all moneys held by it hereunder, if any, to the successor Paying Agent or, if none, the Trustee or to the Trustee's order, but shall have no other duties or responsibilities hereunder, and shall be entitled to the payment by the Issuer of its remuneration for the services previously rendered hereunder and to the reimbursement of all reasonable expenses (including legal fees) incurred in connection therewith.

ARTICLE 8
DISCHARGE OF INDENTURE; DEFEASANCE

Section 8.01 *Discharge of Liability on Notes; Defeasance.*

(a) This Indenture, and the rights of the Trustee and the Holders hereunder will be discharged and cease to be of further effect (except as to surviving rights of conversion or transfer or exchange of the Notes, as expressly provided for in this Indenture) as to all outstanding Notes when (1) either (a) all the Notes previously authenticated and delivered (other than certain lost, stolen or destroyed Notes, and certain Notes for which provision for payment was previously made and thereafter the funds have been released to the Issuer) have been delivered to the relevant Paying Agent for cancellation; or (b) all Notes not previously delivered to the relevant Paying Agent for cancellation (i) have become due and payable, (ii) will become due and payable at their Stated Maturity within one year or (iii) are to be called for redemption within one year under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer; (2) the Issuer has deposited or caused to be deposited with the Trustee (or an entity designated or appointed as agent by it for this purpose), cash in U.S. dollars or U.S. dollar-denominated U.S. Government Obligations or a combination thereof, in an amount sufficient to pay and discharge the entire Indebtedness on the Notes not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest to the date of deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or redemption date, as the case may be; (3) the Issuer has paid or caused to be paid all other sums payable under this Indenture; (4) the Issuer has delivered irrevocable instructions under this Indenture to apply the deposited money toward payment of the Notes at maturity or on the redemption date, as the case may be; and (5) the Issuer has delivered to the Trustee an Officer's Certificate to the effect that all conditions precedent under this Section 8.01 relating to the satisfaction and discharge of this Indenture have been complied with.

(b) Subject to Section 8.01(c) and Section 8.02, the Issuer at any time may terminate (i) all of its obligations and all obligations of each Guarantor under the Notes, any Note Guarantees and this Indenture ("*legal defeasance option*") and cure all then existing Defaults and Events of Default or (ii) its obligations under the covenants in Article 4 and Article 5 (other than clauses (1) and (2) of Section 5.03(a)) and the default provisions relating to such covenants in clauses (3) (other than with respect to clauses (1) and (2) of Section 5.03(a)) and (4) of Section 6.01(a), the operation of clauses (5), (6) with respect to the Issuer and Significant Subsidiaries, (7) and (9) of Section 6.01(a) ("*covenant defeasance option*"). The Issuer at its option at any time may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. In the event that the Issuer terminates all of its obligations under the Notes and this Indenture by exercising its legal defeasance option, the obligations under any Guarantees shall each be terminated simultaneously with the termination of such obligations.

If the Issuer exercises its legal defeasance option, the rights of the Trustee and the Holders under this Indenture in effect at such time will terminate (other than with respect to the defeasance trust).

Upon satisfaction of the conditions set forth herein and upon request of the Issuer, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuer terminates.

If the Issuer exercises its legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default with respect to such Notes. If the Issuer exercises its covenant defeasance option with respect to the Notes, payment of the Notes may not be accelerated because of an Event of Default specified in clause (3) (other than with respect to clauses (1) and (2) of Section 5.03(a)), (4), (5), (6), (7) or (9) of Section 6.01(a)).

(c) Notwithstanding Section 8.01(a) and Section 8.01(b), the Issuer's and any Guarantors' obligations in Sections 2.03, Section 2.04, Section 2.05, Section 2.06, Section 2.07, Section 2.08, Section 2.09, Section 2.10, Section 2.11, Article 7 and this Article 8, as applicable, and the rights of holders of the Notes to receive payments in respect of the principal, premium, if any, and interest on the Notes when such payments are due, solely out of the trust created pursuant to this Indenture referred to in Section 8.01(a) and Section 8.02(a), shall survive until the Notes have been paid in full. Thereafter, the Issuer's and any Guarantors' obligations in Section 7.07, Section 8.05 and Section 8.06, as applicable, shall survive.

Section 8.02 *Conditions to Defeasance.*

(a) The Issuer may exercise its legal defeasance option or its covenant defeasance option only if the Issuer has irrevocably deposited in trust (the "*defeasance trust*") with the Trustee (or an entity designated or appointed as agent by it for this purpose) cash in U.S. dollars or U.S. dollar-denominated U.S. Government Obligations or a combination thereof for the payment of principal, premium, if any, and interest on the Notes to redemption or maturity, as the case may be, and has delivered to the Trustee:

(1) an Opinion of Counsel (subject to customary exceptions and exclusions) from United States counsel to the effect that Holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred (and in the case of legal defeasance only, such Opinion of Counsel from United States counsel must be based on a ruling of the U.S. Internal Revenue Service or other change in applicable U.S. federal income tax law);

(2) an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying, defrauding or preferring any creditors of the Issuer;

(3) an Officer's Certificate stating that all conditions precedent provided for or relating to legal defeasance or covenant defeasance, as the case may be, have been complied with; and

(4) an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the U.S. Investment Company Act of 1940, as amended.

(b) Before or after a deposit, the Issuer may make arrangements satisfactory to the Trustee for the redemption of Notes at a future date in accordance with Article 3.

Section 8.03 *Application of Trust Money.*

The Trustee (or an entity appointed or designated (as agent) by it for this purpose) shall hold in trust money, U.S. Government Obligations for the payment of principal, premium, if any, and interest deposited with it pursuant to this Article 8. It shall apply the deposited money and the money from the U.S. Government Obligations through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes.

Section 8.04 *Repayment to Issuer.*

The Trustee and the Paying Agent shall promptly turn over to the Issuer upon request any money, U.S. Government Obligations held by it as provided in this Article 8 which, in the written opinion of an internationally recognized firm of independent public accountants delivered to the Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent discharge or defeasance in accordance with this Article 8.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Issuer upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuer for payment as general creditors, and the Trustee and the Paying Agent shall have no further liability with respect to such monies.

Section 8.05 *Indemnity for Government Obligations.*

The Issuer and any Guarantor, jointly and severally, shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

Section 8.06 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any money, U.S. Government Obligations in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or Paying Agent is permitted to apply all such money, U.S. Government Obligations in accordance with this Article 8; *provided*, *however*, that if the Issuer has made any payment of principal of or interest on any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money, U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENTS AND WAIVERS

Section 9.01 *Without Consent of Holders.*

(a) Without the consent of any Holder, the Issuer, the Trustee and the other parties thereto, as applicable, may amend or supplement any Notes Documents to:

(1) cure any ambiguity, omission, defect, error or inconsistency;

(2) provide for the assumption by a successor Person of the obligations of the Issuer or any Guarantor under any Notes Document;

(3) add to the covenants or provide for a Guarantee for the benefit of the Holders or surrender any right or power conferred upon the Issuer or any Restricted Subsidiary;

(4) make any change that would provide additional rights or benefits to the Trustee or the Holders or does not adversely affect the rights or benefits to the Trustee or any of the Holders in any material respect under the Notes Documents;

(5) make such provisions as necessary (as determined in good faith by the Issuer) for the issuance of Additional Notes Incurred in accordance with the terms of this Indenture;

(6) provide for a Restricted Subsidiary to provide a Note Guarantee in accordance with this Indenture, to add Guarantees with respect to the Notes (including any provisions relating to the release or limitations of such additional Guarantees), to add security to or for the benefit of the Notes, or to effectuate or confirm and evidence the release, termination, discharge or retaking of any such Guarantee or security or any amendment in respect thereof;

(7) conform the text of this Indenture, the Note Guarantees or the Notes to any provision of the section of the Offering Memorandum entitled "Description of Senior Guaranteed Notes" to the extent that such provision in the section of the Offering Memorandum entitled "Description of Senior Guaranteed Notes" was intended to be a *verbatim* recitation of a provision of this Indenture, a Note Guarantee or the Notes;

(8) evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee pursuant to the requirements thereof or to provide for the accession by the Trustee to any Notes Document; or

(9) make any change required to implement the Reorganization Transactions or any transactions or actions in connection thereto, or make any change to the Reorganization Transactions that does not adversely affect the rights or benefits to the Trustee or any of the Holders in any material respect under the Notes Documents.

(b) In formulating its decision on the matters described in Section 9.01(a), the Trustee shall be entitled to require and rely absolutely on such evidence as it deems necessary, including Officer's Certificates and Opinions of Counsel.

Section 9.02 *With Consent of Holders.*

(a) The Issuer may amend, supplement or otherwise modify the Notes Documents with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) and, unless otherwise provided for in this Indenture, any default or compliance with any provisions thereof may be waived with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). However, without the consent of each Holder of Notes affected (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), an amendment, supplement or waiver may not:

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, waiver, supplement or modification;

(3) reduce the principal of, or extend the Stated Maturity of, any Note;

(4) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed, in each case under Section 3.07 (other than, for the avoidance of doubt, any payment pursuant to a Change of Control Offer or pursuant to the provisions of Section 4.08);

(5) make any Note payable in money other than that stated in the Note (except to the extent the currency stated in the Notes has been succeeded or replaced pursuant to applicable law);

(6) impair the right of any Holder to receive payment of principal of and interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any such payment on or with respect to such Holder's Notes (it being understood that this clause (6) will not apply to Section 4.03 or Section 4.08 except to the extent payments thereunder are at such time due and payable);

(7) *[Reserved]*;

(8) waive a Default or Event of Default with respect to the nonpayment of principal, premium or interest on the Notes (except pursuant to a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of such Notes and a waiver of the payment default that resulted from such acceleration); or

(9) make any change in the amendment or waiver provisions which require the Holders' consent described in this Section 9.02(a).

(b) In addition, without the consent of at least 75% in aggregate principal amount of Notes then outstanding, no amendment, supplement or waiver may release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms this Indenture.

(c) In formulating its decision on the matters described in Section 9.02(a), the Trustee shall be entitled to require and rely absolutely on such evidence as it deems necessary, including Officer's Certificates and Opinions of Counsel.

(d) The consent of the Holders is not necessary under this Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment. A consent to any amendment or waiver under this Indenture by any Holder of Notes given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.

(e) After an amendment under this Section 9.02 becomes effective, in the case of Holders of Definitive Notes, the Issuer shall mail to the Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

(f) The Notes issued on the Issue Date, and any Additional Notes, will be treated as a single class for all purposes under this Indenture, including with respect to waivers and amendments, except as otherwise stated in this Section 9.02.

Section 9.03 *Revocation and Effect of Consents and Waivers.*

(a) A written consent to an amendment or a waiver by a Holder shall bind the Holder and every subsequent Holder of that Note or portion of the Notes that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Issuer or the Trustee of the requisite number of consents, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuer and the Trustee.

(b) The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their written consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding Section 9.03(a), those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

Section 9.04 *Notation on or Exchange of Notes.*

If an amendment, modification or supplement changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Note shall issue and the Trustee or an Authenticating Agent shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment, modification or supplement.

Section 9.05 *Trustee to Sign Amendments.*

The Trustee shall sign any amendment authorized pursuant to this Article 9 if the amendment does not impose any personal obligations on the Trustee or adversely affect the rights, duties, liabilities or immunities of the Trustee under this Indenture. If it does, the Trustee may, but need not, sign it. In signing such amendment the Trustee shall be entitled to receive an indemnity and/or security satisfactory to it and to receive, and (subject to Section 7.01 and Section 7.02(o)) shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel stating that such amendment complies with this Indenture and that such amendment has been duly authorized, executed and delivered and is the legally valid and binding obligation of the Issuer and the Guarantors (if any) enforceable against them in accordance with its terms, subject to customary exceptions.

Notwithstanding the foregoing and Section 12.02(b), no Opinion of Counsel will be required for the Trustee to execute any amendment or supplement adding a new Guarantee of the Notes under this Indenture; *provided* that the execution thereof shall be deemed a representation by such Guarantor(s) that (i) all conditions precedent and covenants, if any, relating to the execution of such supplemental indenture have been satisfied, (ii) that such executed supplemental indenture is substantially in the form attached as Exhibit D hereto (subject to the inclusion of any additional limitations under applicable laws on the obligations of such Guarantor under its Note Guarantee) and (iii) such supplemental indenture is enforceable in accordance with its terms subject to (A) bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and similar laws affecting the rights and remedies of creditors generally and (B) general principles of equity.

For the avoidance of doubt, an Officer's Certificate (which the Trustee will be fully protected in relying upon and upon which the Trustee shall be entitled to rely without further enquiry or investigation) will be required for the Trustee to execute any amendment or supplement adding a new Guarantee of the Notes under this Indenture.

ARTICLE 10
NOTE GUARANTEES

Section 10.01 *Note Guarantees.*

(a) Subject to this Article 10, each of the Guarantors hereby, as primary obligor and not merely as a surety, jointly and severally, unconditionally and on a senior basis guarantees to each Holder authenticated and delivered by the Trustee (or the Authenticating Agent), to the Trustee and its successors and assigns (on behalf of and for the benefit of the Holders, for the purpose of this Article 10, and not in its individual capacity, but solely in its role as representative of the Holders), irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that:

(1) the principal of, and premium, if any, and interest on, the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest, and premium, if any, on the Notes (to the extent permitted by law) and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) Each Guarantor hereby agrees that its obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action or any delay or omission to assert any claim or to demand or enforce any remedy hereunder or thereunder, any waiver, surrender, release or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor (other than payment in full of all the Obligations of the Issuer hereunder and under the Notes). Each Guarantor hereby waives, to the fullest extent permitted by law, diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that this Note Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture or by release in accordance with the provisions of this Indenture.

(c) If any Holder, the Trustee is required by any court or otherwise to return to or for the benefit of the Issuer, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid by either the Issuer or the Guarantors to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Until terminated in accordance with Section 10.06, each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand,

(1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and

(2) in the event of any declaration of acceleration of such obligations as provided in Article 6 such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

(e) Each Guarantor also agrees to pay any and all costs and expenses (including attorneys' fees and expenses) incurred by the Trustee in enforcing any rights under this Section 10.01.

(f) Each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation, reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 10.02 *Successors and Assigns.*

This Article 10 shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

Section 10.03 *No Waiver.*

Neither a failure nor a delay on the part of the Trustee or the Holders in exercising any right, power or privilege under this Article 10 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 10 at law, in equity, by statute or otherwise.

Section 10.04 *Modification.*

No modification, amendment or waiver of any provision of this Article 10, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstances.

Section 10.05 *Execution of Supplemental Indenture for Guarantors.*

Each Subsidiary which is required to become a Guarantor pursuant to this Indenture and the Issuer shall promptly execute and deliver to the Trustee a supplemental indenture in the form attached to this Indenture as Exhibit D pursuant to which such Subsidiary and the Issuer shall become a Guarantor under this Article 10. Concurrently with the execution and delivery of such supplemental indenture, the Issuer shall deliver to the Trustee an Officer's Certificate (which the Trustee shall be fully protected in relying upon and upon which the Trustee shall be entitled to rely, without further enquiry or investigation) to the effect that such supplemental indenture has been duly authorized, executed and delivered by such Subsidiary or the Issuer and that, subject to the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws relating to creditors' rights generally and to the principles of equity, whether considered in a proceeding at law or in equity, the Note Guarantee of such Guarantor is a legally valid and binding obligation of such Guarantor, enforceable against such Guarantor in accordance with its terms and to such other matters as the Trustee may reasonably request.

The obligations of a Guarantor executing and delivering a supplemental indenture to this Indenture providing for a Note Guarantee of the Notes under this Article 10 shall be subject to such limitations as are mandated under applicable laws in addition to the limitations set forth in Section 10.07 and set out in the relevant supplemental indenture.

Section 10.06 *Release of the Note Guarantees.*

(a) Each Note Guarantee will terminate automatically:

(1) upon a sale or other disposition (including by way of consolidation, merger, amalgamation or combination) of the Capital Stock of the relevant Guarantor (whether by direct sale or sale of a holding company of such Guarantor) or the sale or disposition of all or substantially all the assets of the Guarantor (other than to the Issuer or a Restricted Subsidiary), in each case if the sale or other disposition does not violate Section 4.08;

(2) (i) upon the designation in accordance with this Indenture of that Guarantor as an Unrestricted Subsidiary or (ii) such Guarantor otherwise becomes an Excluded Subsidiary (other than pursuant to clause (1) of the definition thereof);

(3) upon legal defeasance, covenant defeasance or satisfaction and discharge of this Indenture, as provided in Article 8;

(4) as described under Article 9;

(5) as described under Section 4.21;

(6) with respect to any Guarantor that is not the continuing or surviving Person in the relevant consolidation or merger, as a result of a transaction that complies with Section 5.04; or

(7) upon the full and final payment and performance of all obligations of the Issuer under this Indenture and the Notes.

(b) *[Reserved]*.

(c) The Trustee shall each take all necessary actions to effectuate any release of a Note Guarantee in accordance with Section 10.06(a) or (b), subject to customary protections and indemnifications. Each of the releases set forth in Section 10.06(a) or (b) shall be effective without the consent of the Holders or any action on the part of the Trustee. Neither the Trustee nor the Issuer will be required to make a notation on the Notes to reflect any such release, termination or discharge.

Section 10.07 *Limitations on Obligations of Guarantors.*

(a) Each Guarantor and, by its acceptance of the Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Guarantee shall be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's *pro rata* portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

Section 10.08 *Non-Impairment.*

The failure to endorse a Note Guarantee on any Note shall not affect or impair the validity thereof.

(a) In determining whether the Holders of the required principal amount of the Notes have concurred in any direction, waiver or consent, the Notes owned by the Issuer or by any Person directly or indirectly controlling, or controlled by, or under direct or indirect common control with the Issuer will be disregarded and deemed not to be outstanding, except that, for the purpose of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes which the Trustee knows are so owned shall be so disregarded. The Issuer shall approve the form of the Notes and any notation, legend or endorsement thereon. Each Note will be dated the date of its authentication. The terms and provisions contained in the Notes will constitute, and are hereby expressly made, a part of this Indenture and the Issuer, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(a) *Global Notes*.

Notes issued in global form will be substantially in the form of Exhibit A hereto (including the Global Note Legend thereon and the "Schedule of Increases or Decreases in the Global Note" attached thereto). Each Global Note will represent such of the outstanding Notes as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions and purchases and cancellations. (b) *Rule 144A Global Notes and Regulation S Global Notes*.

Notes offered and sold in reliance on Regulation S shall be issued initially in the form of one or more Definitive Registered Notes or one or more Global Notes, each substantially in the form of Exhibit A hereto, with such applicable legends as are provided in Exhibit A hereto, except as otherwise permitted herein. Upon the occurrence of any of the preceding events in clauses (1) through (3) above, the Issuer shall issue Definitive Registered Notes registered in the name or names and issued in any approved denominations, as requested by or on behalf of DTC (in accordance with their respective customary procedures and based upon directions received from participants reflecting the beneficial ownership of Book-Entry Interests), to the Trustee and the Registrar, and such transfer or exchange shall be recorded in the Register.

Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a). Book-Entry Interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b) or (c).

(b) *General Provisions Applicable to Transfer and Exchange of Book-Entry Interests in the Global Notes.*

The transfer and exchange of Book-Entry Interests shall be effected through DTC in accordance with the provisions of this Indenture and the Applicable Procedures. In connection with all transfers and exchanges of Book-Entry Interests (other than transfers of Book-Entry Interests in connection with which the transferee takes delivery thereof in the form of a Book-Entry Interest in the same Global Note), the Transfer Agent (copied to the Trustee) must receive: (i) a written order from a Participant or an Indirect Participant given to DTC in accordance with the Applicable Procedures directing DTC to debit from the transferor a Book-Entry Interest in an amount equal to the Book-Entry Interest to be transferred or exchanged; (ii) a written order from a Participant or an Indirect Participant given to DTC in accordance with the Applicable Procedures directing DTC to credit or cause to be credited a Book-Entry Interest in another Global Note in an amount equal to the Book-Entry Interest to be transferred or exchanged; and (iii) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited or debited with such increase or decrease, if applicable.

In connection with a transfer or exchange of a Book-Entry Interest for a Definitive Registered Note, the Transfer Agent (copied to the Trustee and the Registrar) must receive: (i) a written order from a Participant or an Indirect Participant given to DTC in accordance with the Applicable Procedures directing DTC to debit from the transferor a Book-Entry Interest in an amount equal to the Book-Entry Interest to be transferred or exchanged; (ii) a written order from

a Participant directing the Registrar to cause to be issued a Definitive Registered Note in an amount equal to the Book Entry Interest to be transferred or exchanged; and (iii) instructions containing information regarding the Person in whose name such Definitive Registered Note shall be registered to effect the transfer or exchange referred to above.

In connection with any transfer or exchange of Definitive Registered Notes, the Holder of such Notes shall present or surrender to the Registrar the Definitive Registered Notes duly endorsed or accompanied by a written instruction of transfer in a form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, in connection with a transfer or exchange of a Definitive Registered Note for a Book-Entry Interest, the Transfer Agent (copied to the Trustee) must receive a written order directing DTC to credit the account of the transferee in an amount equal to the Book-Entry Interest to be transferred or exchanged.

Upon satisfaction of all of the requirements for transfer or exchange of Book-Entry Interests in Global Notes (other than transfers of Book-Entry Interests in connection with which the transferee takes delivery thereof in the form of a Book-Entry Interest in the same Global Note) contained in this Indenture, the Transfer Agent (copied to the Trustee or the Registrar), as specified in this Section 2.06, shall endorse the Global Note(s) with any increase or decrease and instruct DTC to reflect such increase or decrease in its systems.

Transfers of Book-Entry Interests shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers and exchanges of Book-Entry Interests for Book-Entry Interests also shall require compliance with either subparagraph (b)(1) or (b)(2) below, as applicable, as well as subparagraph (b)(3) below, if applicable:

(1) *Transfer of Book-Entry Interests in the Same Global Note.* Book-Entry Interests in a Global Note may be transferred to Persons who take delivery thereof in the form of a Book-Entry Interest in a Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; *provided*, *however*, that prior to the expiration of the Restricted Period, Book-Entry Interests in the Regulation S Global Notes will be limited to persons that have accounts with DTC or persons who hold interests through DTC, and any sale or transfer of such interest to U.S. persons shall not be permitted during the Restricted Period unless such resale or transfer is made pursuant to Rule 144A. No written orders or instructions shall be required to be delivered to the Trustee to effect the transfers described in this Section 2.06(b)(1).

(2) *All Other Transfers and Exchanges of Book-Entry Interests in Global Notes.* A Holder may transfer or exchange a Book-Entry Interest in Global Notes in a transaction not subject to Section 2.06(b)(1) above only if the Trustee and the Registrar or the Transfer Agent (copied to the Trustee) receives either:

(A) both:

(i) a written order from a Participant or an Indirect Participant given to DTC in accordance with the Applicable Procedures directing DTC to credit or

cause to be credited a Book-Entry Interest in another Global Note in an amount equal to the Book-Entry Interest to be transferred or exchanged; and

(ii) instructions given by DTC in accordance with the Applicable Procedures containing information regarding the Participant's account to be credited with such increase; or

(B) both:

(i) a written order from a Participant or an Indirect Participant given to DTC in accordance with the Applicable Procedures directing DTC to cause to be issued a Definitive Registered Note in an amount equal to the Book-Entry Interest to be transferred or exchanged; and

(ii) instructions given by DTC to the Registrar containing information specifying the identity of the Person in whose name such Definitive Registered Note shall be registered to effect the transfer or exchange referred to in (1) above, the principal amount of such securities and the ISIN, Common Code, CUSIP or other similar number identifying the Notes,

provided that any such transfer or exchange is made in accordance with the transfer restrictions set forth in the Private Placement Legend.

(3) *Transfer of Book-Entry Interests to Another Global Note.* A Book-Entry Interest in any Global Note may be transferred to a Person who takes delivery thereof in the form of a Book-Entry Interest in another Global Note if the transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a Book-Entry Interest in a Rule 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; and

(B) if the transferee will take delivery in the form of a Book-Entry Interest in a Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof.

(c) *Transfer or Exchange of Book-Entry Interests in Global Notes for Definitive Registered Notes.*

If any holder of a Book-Entry Interest in a Global Note proposes to exchange such Book-Entry Interest for a Definitive Registered Note or to transfer such Book-Entry Interest to a Person who takes delivery thereof in the form of a Definitive Registered Note, then, upon receipt by the Trustee and the Registrar of the following documentation:

(5) in the case of a transfer by a holder of a Book-Entry Interest in a Rule 144A Global Note in reliance on Regulation S, the Trustee shall have received a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (2) thereof; or

(6) in the case of a transfer by a holder of a Book-Entry Interest in a Rule 144A Global Note in reliance on Rule 144, the Trustee shall have received a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3) thereof,

the Paying Agent or Registrar shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(g), and the Issuer shall execute and the Trustee or its Authenticating Agent shall authenticate and deliver to the Person designated in the instructions a Definitive Registered Note in the appropriate principal amount. Any Definitive Registered Note issued in exchange for, or upon transfer of, a Book-Entry Interest in a Global Note pursuant to this clause (c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such Book-Entry Interest shall instruct the Registrar through instructions from DTC and the Participant or Indirect Participant. The Registrar shall deliver (or cause to be delivered) such Definitive Registered Notes to the Persons in whose names such Notes are so registered. Any Definitive Registered Note issued in exchange for a Book-Entry Interest in a Global Note pursuant to this clause (c) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(d) *Transfer and Exchange of Definitive Registered Notes for Book-Entry Interests in the Global Notes.* If any Holder of a Definitive Registered Note proposes to exchange such Note for a Book-Entry Interest in a Global Note or to transfer such Definitive Registered Notes to a Person who takes delivery thereof in the form of a Book-Entry Interest in a Global Note, then, upon receipt by the Trustee, the Transfer Agent and the Registrar of the following documentation:

(4) if such Definitive Registered Note is being transferred to the Issuer or any of its Subsidiaries, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3) thereof; and the Registrar will cancel the Definitive Registered Note and record such exchange or transfer in the Register, and the Registrar will increase or cause to be increased the aggregate principal amount of, in the case of clause (1) above, the appropriate Global Note, in the case of clause (2) above, the appropriate Rule 144A Global Note, in the case of clause (3) above, the appropriate Global Note, and in the case of clause (4) above, the appropriate Global Note.

(e) *Transfer and Exchange of Definitive Registered Notes for Definitive Registered Notes.*

Definitive Registered Notes may be transferred or exchanged in whole or in part, in minimum denominations of $200,000 in principal amount and integral multiples of $1,000 in excess thereof to persons who take delivery thereof in the form of Definitive Registered Notes in accordance with this clause (e). Upon request by a Holder of Definitive Registered Notes and such Holder's compliance with the provisions of this clause (e), the Transfer Agent or the Registrar will register the transfer or exchange of Definitive Registered Notes of which registration the Issuer will be informed of by the Transfer Agent or the Registrar (as the case may be) upon request. Prior to such registration of transfer or exchange, the requesting Holder must present or surrender to the Transfer Agent or the Registrar the Definitive Registered Notes duly endorsed and accompanied by a written instruction of transfer in a form satisfactory to the Transfer Agent or the Registrar duly executed by such Holder or its attorney, duly authorized to execute the same in writing. In the event that the Holder of such Definitive Registered Notes does not transfer the entire principal amount of Notes represented by any such Definitive Registered Note, the Transfer Agent or the Registrar will cancel or cause to be cancelled such Definitive Registered Note and the Issuer (who has been informed of such cancellation) shall execute and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate and deliver to the requesting Holder and any transferee Definitive Registered Notes in the appropriate principal amounts. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this clause (e).

Any Definitive Registered Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Definitive Registered Note if the Registrar receives the following:

(1) if the transfer will be made pursuant to Rule 144A, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; and

(2) if the transfer will be made in reliance on Regulation S, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof.

(2) No service charge will be made by the Issuer or the Registrar to a Holder of a Book-Entry Interest in a Global Note, a Holder of a Global Note or a Holder of a Definitive Registered Note for any registration of transfer or exchange, but the Issuer and the Trustee may require payment of a sum sufficient to cover any stamp duty, stamp duty reserve, documentary or other similar tax or governmental charge that may be imposed in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 4.03, 4.08 and 9.04).

(3) No Transfer Agent or Registrar will be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Registered Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Registered Notes will be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Registered Notes surrendered upon such registration of transfer or exchange.

(5) Except as may be separately agreed by the Issuer, the Issuer shall not be required to register the transfer into its register kept at its registered office of any Definitive Registered Notes: (A) for a period of 15 calendar days prior to any date fixed for the redemption of the Notes under Section 3.03; (B) for a period of 15 calendar days immediately prior to the date fixed for selection of Notes to be redeemed in part; (C) for a period of 15 calendar days prior to the record date with respect to any interest payment date; or (D) which the Holder has tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer or an Asset Disposition Offer. Any such transfer will be made without charge to the Holder, other than any taxes, duties and governmental charges payable in connection with such transfer.

(6) The Trustee, any Agent and the Issuer shall deem and treat the Person in whose name any Note is registered in the register maintained by the

(7) All certifications, certificates and Opinions of Counsel required to be

(8) submitted to the Issuer, the Trustee or the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted initially by facsimile with originals to be delivered promptly thereafter to the Trustee.

None of the Trustee or any Agent shall have any obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Participants or beneficial owners of interests in any Definitive Registered Note or Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

None of the Trustee or any Agent shall have any responsibility or obligation to any beneficial owner in a Global Note, a Participant or other Person with respect to the accuracy of the records of the Depositary or its nominee or of any Participant, with respect to any ownership interest in a Global Note or with respect to the delivery to any Participant, beneficial owner or other Person (other than the Depositary or its nominee) of any notice (including any notice of redemption) or the payment of any amount (other than the Depositary or its nominee), under or with respect to such Global Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes and this Indenture shall be given or made only to or upon the order of the registered holders (which shall be the Depositary or its nominee in the case of the Global Note). The rights of beneficial owners in the Global Note shall be exercised only through the Depositary subject to the applicable procedures. The Trustee and the Agents shall be entitled to rely and shall be fully protected in relying upon information furnished by the Depositary with respect to its members, Participants and any beneficial owners. The Trustee and the Agents shall be entitled to deal with the Depositary, and any nominee thereof, that is the registered holder of any Global Note for all purposes of this Indenture relating to such Global Note (including the payment of principal, premium, if any, and interest and additional amounts, if any, and the giving of instructions or directions by or to the owner or holder of a beneficial ownership interest in such Global Note) as the sole holder of such Global Note and shall have no obligations to the beneficial owners thereof. None of the Trustee or any Agent shall have any responsibility or liability for any acts or omissions of the Depositary with respect to such Global Note for the records of any such Depositary, including records in respect of beneficial ownership interests in respect of any such Global Note, for any transactions between the Depositary and any Participant or between or among the Depositary, any such Participant and/or any holder or owner of a beneficial interest in such Global Note, or for any transfers of beneficial interests in any such Global Note.

Section 2.07 *Replacement Notes*.

If a mutilated Note is surrendered to the Registrar or if the Holder claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met, such that the Holder (a) notifies the Issuer or the Trustee within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Issuer or the Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a "*protected purchaser*") and (c) satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Issuer, such Holder shall furnish an indemnity bond sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee, the Authenticating Agent, Paying Agent and the Registrar from any loss that any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Note including, but not limited to, reasonable fees and expenses of counsel and any tax that may be imposed with respect to the replacement of such Note. In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuer in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note is an additional obligation of the Issuer.

The provisions of this Section 2.07 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Notes.

Section 2.08 *Outstanding Notes*.

Notes outstanding at any time are all Notes authenticated by the Trustee or the Authenticating Agent except for those canceled by it pursuant to Section 2.11, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding. Subject to Section 12.04, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note. If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the replaced Note is held by a protected purchaser (as defined in Section 8-303 of the Uniform Commercial Code).

If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent receives (or if the Issuer or a Subsidiary of the Issuer is acting as Paying Agent and such Paying Agent segregates and holds in trust) in accordance with this Indenture, no later than 10:00 a.m. (New York time) on the Business Day that is a redemption date or maturity date, money sufficient to pay all principal and interest and premium, if any, payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and the Paying Agent is not prohibited from paying such amount to the

Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

Section 2.09 *Treasury Notes*.

(a) The Issuer shall promptly notify the Trustee of any Notes owned by the Issuer or any Affiliate of the Issuer. In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, or any amendment, modification or other change to this Indenture, Notes owned by the Issuer, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Issuer, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned will be so disregarded.

Section 2.10 *Temporary Notes*.

In the event that Definitive Registered Notes are to be issued under the terms of this Indenture, until such Definitive Registered Notes are ready for delivery, the Issuer may prepare and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Registered Notes but may have variations that the Issuer considers appropriate for temporary Notes. Without unreasonable delay, the

Issuer shall prepare and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate Definitive Registered Notes and deliver them in exchange for temporary Notes upon surrender of such temporary Notes at the office or agency of the Issuer, without charge to the Holder.

Section 2.11 *Cancellation.*

The Issuer at any time may deliver Notes to the Registrar for cancellation. The Trustee and the Paying Agent shall forward to the Registrar any Notes surrendered to them for registration of transfer, exchange or payment. The Registrar (or an agent authorized by the Registrar) and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of canceled Notes in accordance with its customary procedures or deliver canceled Notes to the Issuer pursuant to written direction by an Officer of the Issuer. Upon the written request of the Issuer, certification of the destruction of all canceled Notes shall be delivered to the Issuer. The Issuer may not issue new Notes to replace Notes it has redeemed or delivered to the Registrar for cancellation. If the Issuer shall acquire any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes, unless and until the same are surrendered to the Registrar for cancellation pursuant to this Section 2.11. Neither the Trustee nor the Authenticating Agent shall authenticate Notes in place of canceled Notes other than pursuant to the terms of this Indenture.

Section 2.12 *Defaulted Interest.*

If the Issuer defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate

provided in the Notes and in Section 4.01. The Issuer will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuer will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuer (or, upon the written request of the Issuer, the Trustee in the name and at the expense of the Issuer) will mail or cause to be mailed to the Holders in accordance with Section 12.01 a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 *Further Issues*.

(a) *[Reserved]*.

(b) Subject to compliance with Section 4.04, the Issuer may from time to time issue Additional Notes ranking pari passu with the Initial Notes and with the same terms as to status, redemption and otherwise as such Notes (save for payment of interest accruing prior to the issue date of such Additional Notes or for the first payment of interest following the issue date of such Additional Notes). Any Additional Notes, the Initial Notes and any previously issued Additional Notes will be consolidated and treated as a single class for all purposes under this Indenture, including, without limitation, waivers, amendments, redemptions, and offers to purchase except as otherwise specified with respect to each series of Notes. Whenever it is proposed to create and issue any Additional Notes, the Issuer shall give to the Trustee not less than three Business Days' notice in writing of its intention to do so, stating the amount of Additional Notes proposed to be created and issued.

Section 2.14 *Common Codes*, *ISIN and CUSIP Numbers*.

The Issuer in issuing the Notes may use Common Codes, ISIN and CUSIP numbers (if then generally in use) and, if so, the Issuer shall use Common Codes, ISIN and CUSIP numbers in notices of redemption as a convenience to Holders; *provided*, *however*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. In order for any Additional Notes to have the same CUSIP number and ISIN as the applicable series of Notes, such Additional Notes must be fungible with the applicable Notes for U.S. federal income tax purposes. If any Additional Notes are not fungible with the Notes, such Additional Notes shall have a different ISIN and/or Common Code number (or other applicable identifying number). The Issuer will promptly notify the Trustee and the Paying Agent, in writing, of any change in the Common Code, ISIN or CUSIP numbers.

Section 2.15 *Currency Indemnity.*

The sole currency of account and payment for all sums payable by the Issuer and the Guarantors under or in connection with the Notes and Note Guarantees thereof is U.S. dollars, including damages. Any amount received or recovered in a currency other than U.S. dollars,

whether as a result of, or the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuer, any Guarantor or otherwise by any Holder or by the Trustee, in respect of any sum expressed to be due to it from the Issuer or a Guarantor will only constitute a discharge to the Issuer or such Guarantor, as applicable, to the extent of the U.S. dollar, as the case may be, which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

If that U.S. dollar amount is less than the U.S. dollar amount expressed to be due to the recipient or the Trustee under any Note, the Issuer and the Guarantors will indemnify them against any loss sustained by such recipient or the Trustee as a result. In any event, the Issuer and the Guarantors will indemnify the recipient or the Trustee on a joint or several basis against the cost of making any such purchase. For the purposes of this currency indemnity provision, it will be *prima facie* evidence of the matter stated therein for the Holder of a Note or the Trustee to certify in a manner reasonably satisfactory to the Issuer (indicating the sources of information used) the loss it Incurred in making any such purchase. These indemnities constitute a separate and independent obligation from the Issuer's and the Guarantors' other obligations, will give rise to a separate and independent cause of action, will apply irrespective of any waiver granted by any Holder of a Note or the Trustee (other than a waiver of the indemnities set out herein) and will continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note, any Note Guarantee or to the Trustee.

Section 2.16 *Deposit of Moneys.*

No later than 10:00 a.m. (New York time) on the Business Day that is an interest payment date, the maturity date of the Notes and each payment date relating to an Asset Disposition Offer or a Change of Control Offer, and on the Business Day immediately following any acceleration of the Notes pursuant to Section 6.02, the Issuer shall deposit with the Paying Agent, in immediately available funds, money in dollars sufficient to make cash payments, if any, due on such day or date, as the case may be. Subject to actual receipt of such funds as provided by this Section 2.16 by the designated Paying Agent, such Paying Agent shall remit such payment in a timely manner to the Holders on such day or date, as the case may be, to the Persons and in the manner set forth in paragraph 2 of the Notes; *provided*, *however*, that no Paying Agent shall be obliged to make a payment until it has received funds sufficient to make such payment. The Issuer shall promptly notify the Trustee and the Paying Agent of its failure to so act.

Section 2.17 *Agents*.

(a) The rights, powers, duties and obligations and actions of each Agent under this Indenture are several and not joint or joint and several, and the Agents shall only be obliged to perform those duties expressly set out in this Indenture and shall have no implied duties.

(b) The Issuer and the Agents acknowledge and agree that in the event of a Default or Event of Default, the Trustee may, by notice in writing to the Issuer and the Agents, require that

the Agents act as agents of, and take instructions exclusively from, the Trustee. Until they have received such written notice from the Trustee, the Agents shall act solely as agents of the Issuer and need have no concern for the interests of the Holders.

ARTICLE 3
REDEMPTION

Section 3.01 *Notices to Trustee.*

If the Issuer elects to redeem Notes pursuant to Section 3.07, it shall notify the Trustee and the Paying Agent of the redemption date and the principal amount of Notes to be redeemed and the section of the Note pursuant to which the redemption will occur.

Unless otherwise specified, the Issuer shall give each notice in writing to the Trustee and the Paying Agent in writing provided for in this Article 3 at least 10 days, but not more than 60 days, before the redemption date unless the Trustee or the Paying Agent (as the case may be) consents to a shorter period in its sole discretion. In the case of a redemption pursuant to Section 3.07, prior to the publication or, where relevant, mailing of any notice of redemption of the Notes pursuant to Section 3.03, the Issuer will deliver such notice along with an Officer's Certificate from the Issuer to the Trustee to the effect that such redemption will comply with the conditions herein. The Trustee will accept and shall be entitled to rely conclusively and without further inquiry on such Officer's Certificate and Opinion of Counsel as sufficient evidence of the existence and satisfaction of the conditions precedent as described in Section 3.07 in which event it will be conclusive and binding on the Holders.

Section 3.02 *Selection of Notes To Be Redeemed or Repurchased.*

If less than all of the Notes are to be redeemed at any time, the Notes for redemption will be selected in accordance with the procedures of DTC, or if DTC prescribes no method of selection, then the Issuer will instruct the Trustee or the Registrar to select the Notes for redemption in compliance with the requirements of the principal securities exchange, if any, on which the Notes are listed, as certified to the Trustee or the Registrar or if the Notes are not so listed or such exchange prescribes no method of selection, then based on a method that most nearly approximates a *pro rata* selection or by lot; *provided*, *however*, that no Note of $200,000 in aggregate principal amount or less shall be redeemed in part and only Notes in integral multiples of $1,000 will be redeemed. Neither the Trustee nor the Registrar will be liable for any selections made by it or DTC in accordance with this Section 3.02.

Section 3.03 *Notice of Redemption.*

(a) Other than as provided in Section 3.03(b), not less than 10 days but not more than 60 days before a date for redemption of Notes, the Issuer shall transmit a notice of redemption in accordance with Section 12.01. If such Notes are in global form, notice of redemption will be delivered to DTC for communication to the entitled account holders.

The notice shall identify the Notes to be redeemed and shall state:

(1) the redemption date and the record date;

(2) the redemption price, and, if applicable, the appropriate calculation of such redemption price and the amount of accrued interest to the redemption date;

(3) the name and address of the Paying Agent;

(4) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(5) if fewer than all the outstanding Notes are to be redeemed, the certificate numbers and principal amounts of the particular Notes to be redeemed;

(6) that, unless the Issuer defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes (or portion thereof) called for redemption ceases to accrue on and after the redemption date;

(7) the Common Codes, ISIN or CUSIP number, as applicable, if any, printed on the Notes being redeemed;

(8) the paragraph of the Notes or section of this Indenture pursuant to which the Notes are being redeemed;

(9) that no representation is made as to the correctness or accuracy of the Common Codes, ISIN or CUSIP number, as applicable, if any, listed in such notice or printed on the Notes; and

(10) if any Notes are to be redeemed in part only, the portion of the principal amount thereof to be redeemed.

(b) At the Issuer's request and expense, the Trustee or the Paying Agent shall give the notice of redemption in the Issuer's name. In such event, the Issuer shall provide the Trustee and the Paying Agent at least two Business Days prior to the date on which notice of redemption is to be delivered to Holders (unless a shorter period of time is acceptable to the Trustee and the Paying Agent), an Officer's Certificate requesting the Trustee or the Paying Agent to give such notice and also containing the information required to be contained in such notice pursuant to this Section 3.03.

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is delivered, Notes called for redemption become due and payable, on the redemption date and at the redemption price stated in the notice, plus accrued interest, if any, to, but not including, the redemption date; *provided*, *however*, that any redemption notice given in respect of the redemption referred to in Section 3.07 may, at the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent as set forth in Section 3.07(d). Upon surrender to the Paying Agent, the Notes shall be paid at the redemption price stated in the notice, plus accrued interest, if any, to, but not including, the redemption date; *provided*, *however*, that if the redemption date is after a regular record date and on or prior to the interest payment date, the accrued interest shall be payable to the Holder of the

redeemed Notes registered on the relevant record date. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

Section 3.05 *Deposit of Redemption Price.*

No later than 10:00 a.m. (New York time) on the Business Day that is a redemption date, the Issuer shall deposit with the Paying Agent (or, if the Issuer or a Restricted Subsidiary of the Issuer is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest on all Notes or portions thereof to be redeemed on that date other than Notes or portions of Notes called for redemption that have been delivered by the Issuer to the Registrar for cancellation. On and after the redemption date, interest shall cease to accrue on Notes or portions thereof called for redemption so long as the Issuer has deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest, if any, on, the Notes to be redeemed, unless the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture. For the avoidance of doubt, the Paying Agent and the Trustee shall be held harmless and have no liability or obligation with respect to payments or disbursements to be made by the Paying Agent and Trustee (i) for which payment instructions are not made or that are not otherwise deposited by the respective times set forth in this Section 3.05 and (ii) until they have confirmed receipt of funds sufficient to make the relevant payment.

Section 3.06 *Notes Redeemed in Part.*

Subject to the terms hereof, upon surrender of a Note that is redeemed in part, (i) in the case of a Definitive Registered Note, a new Definitive Registered Note in principal amount equal to the unredeemed portion of any Definitive Registered Note redeemed in part will be issued in the name of the Holder thereof upon cancellation of the original Definitive Registered Note and (ii) in the case of a Global Note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof.

Section 3.07 *Optional Redemption.*

(a) (1) On and after April 15, 2022 the Issuer may redeem all or, from time to time, part of the Notes upon not less than 10 nor more than 60 days' notice, at the following redemption prices (expressed as a percentage of the principal amount) plus accrued and unpaid interest to, but not including, the applicable redemption date (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the twelve-month period beginning on April 15 of the years indicated below:

Year	Redemption Price
2022	102.750%
2023	101.833%
2024	100.917%
2025 and thereafter	100.000%

(2) Prior to April 15, 2022, the Issuer may redeem all or, from time to time, a part of the Notes upon not less than 11 nor more than 60 days' notice at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium and accrued and unpaid interest, to, but not including, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

(3) Prior to October 15, 2019, the Issuer may on any one or more occasions redeem up to 40% of the original principal amount of the Notes (including the principal amount of any Additional Notes denominated in such currencies), upon not less than 11 nor more than 60 days' notice, with funds in an aggregate amount not exceeding the Net Cash Proceeds of one or more Equity Offerings at a redemption price of 105.500% of the principal amount of the Notes, plus accrued and unpaid interest to, but not including, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided* that:

(A) at least 60% of the original principal amount of the Notes (including the principal amount of any Additional Notes) remains outstanding after each such redemption; and

(B) the redemption occurs within 180 days after the closing of such Equity Offering.

(b) If a redemption date is not a Business Day, payment may be made on the next succeeding day that is a Business Day, and no interest shall accrue on any amount that would have been otherwise payable on such redemption date if it were a Business Day for the intervening period.

(c) Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes or the portion thereof called for redemption on the applicable redemption date.

(d) Any redemption notice given in respect of the redemption of the Notes (including upon an Equity Offering or in connection with a transaction (or series of related transactions) or an event that constitutes a Change of Control) may, at the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent, including, but not limited to, the completion or occurrence of the relevant transaction, as the case may be. In addition, if such redemption or purchase is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Issuer's discretion, the redemption date may be delayed until such time (including more than 60 days after the date the notice of redemption was mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied or waived, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or waived by the redemption date, or by the redemption date as so delayed, or such notice may be rescinded at any time in the Issuer's discretion if in the good faith judgment of the Issuer any or all of such conditions will not be satisfied. In addition, the Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to

such redemption may be performed by another Person. In no event shall the Trustee be responsible for monitoring, or charged with knowledge of, the maximum aggregate amount of the Notes eligible under this Indenture to be redeemed.

(e) Any redemption pursuant to this Section 3.07 shall be made pursuant to Sections 3.01 through 3.06.

(f) If any Notes are listed on an exchange, and the rules of the exchange so require, the Issuer will notify the exchange of any such redemption and the principal amount of such Notes outstanding following any partial redemption of such Notes. In no event will the Trustee be responsible for monitoring, or charged with knowledge of, the maximum aggregate amount of Notes eligible under this Indenture to be redeemed.

Section 3.08 *Tender Offer Redemption.*

In connection with any tender offer or other offer to purchase for all of the Notes, if Holders of not less than 90% of the aggregate principal amount of the then outstanding Notes validly tender and do not validly withdraw such Notes in such tender offer and the Issuer, or any third party making such tender offer in lieu of the Issuer, purchases all of the Notes validly tendered and not validly withdrawn by such Holders, the Issuer or such third party will have the right, upon not less than 11 nor more than 60 days' notice following such purchase date, to redeem all Notes that remain outstanding following such purchase at a price equal to the price paid to each other Holder in such tender offer (other than any incentive payment for early tenders), plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to, but not including, the repurchase date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date). In determining whether the Holders of at least 90% of the aggregate principal amount of the then outstanding Notes have validly tendered and not validly withdrawn Notes in a tender offer or other offer to purchase for all of the Notes, as applicable, Notes owned by an Affiliate of the Issuer or by funds controlled or managed by any Affiliate of the Issuer, or any successor thereof, shall be deemed to be outstanding for the purposes of any such tender offer or other offer, as applicable.

Section 3.09 *Mandatory Redemption.*

The Issuer is not required to make mandatory redemption payments or sinking fund payments with respect to the Notes.

ARTICLE 4
COVENANTS

Section 4.01 *Payment of Notes*.

The Issuer shall promptly pay the principal of and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal and interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal and interest then due and the

Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

Section 4.02 *[Reserved]*.

Section 4.03 *Change of Control.*

(a) If a Change of Control occurs, subject to the terms of this Section 4.03, each Holder will have the right to require the Issuer to repurchase all or any part (equal to $200,000 or an integral multiple of $1,000 in excess thereof) of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided*, *however*, that the Issuer shall not be obliged to repurchase Notes as described under this Section 4.03 in the event and to the extent that it has unconditionally exercised its right to redeem all of the Notes pursuant to Section 3.07 or all conditions to such redemption have been satisfied or waived. No such purchase in part shall reduce the principal amount at maturity of the Notes held by any holder to below $200,000.

(b) Unless the Issuer has unconditionally exercised its right to redeem all the Notes pursuant to Section 3.07 or all conditions to such redemption have been satisfied or waived, no later than the date that is 60 days after any Change of Control or, at the Issuer's option, at any time prior to a Change of Control following the public announcement thereof or if a definitive agreement is in place for the Change of Control, the Issuer will send a notice (the "*Change of Control Offer*") to each Holder of any such Notes by mail or otherwise in accordance with the procedures set forth in this Indenture, with a copy to the Trustee:

(1) stating that a Change of Control has occurred or may occur and that such Holder has the right to require the Issuer to purchase all or any part of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of such Notes plus accrued and unpaid interest to, but not including, the date of purchase (subject to the right of Holders of record on a record date to receive interest on the relevant interest payment date) (the "*Change of Control Payment*");

(2) stating the repurchase date (which shall be no earlier than 10 days from the date such notice is mailed nor later than the later of 60 days from the date such notice is mailed and 60 days after the Change of Control) (the "*Change of Control Payment Date*") and the record date;

(3) stating that any Note accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Payment Date unless the Change of Control Payment is not paid, and that any Notes or part thereof not tendered will continue to accrue interest;

(4) describing the circumstances and relevant facts regarding the transaction or transactions that constitute the Change of Control;

(5) describing the procedures determined by the Issuer, consistent with this Indenture, that a Holder must follow in order to have its Notes repurchased;

(6) if such notice is mailed prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and

(7) certain other procedures that a holder of Notes must follow to accept a Change of Control Offer or to withdraw such acceptance.

(c) The Issuer shall cause to be published the notice described above through the newswire service of Bloomberg (or if Bloomberg does not then operate, any similar agency). In addition, if any Notes are listed on an exchange, and the rules of the exchange so require, the Issuer will notify the exchange of the results of any Change of Control Offer.

(d) On the Change of Control Payment Date, if the Change of Control shall have occurred, the Issuer will, to the extent lawful:

(1) accept for payment all Notes or portion thereof properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes so tendered;

(3) deliver or cause to be delivered to the Trustee an Officer's Certificate stating the aggregate principal amount of Notes or portions of the Notes being

purchased by the Issuer in the Change of Control Offer;

(4) in the case of Global Notes, deliver, or cause to be delivered, to the Paying Agent the applicable Global Notes in order to reflect thereon the portion of such Notes or portions thereof that have been tendered to and purchased by the Issuer; and

(5) in the case of Definitive Registered Notes, deliver, or cause to be delivered, to the Registrar for cancellation all Definitive Registered Notes accepted for purchase by the Issuer.

If any Definitive Registered Notes have been issued, the Paying Agent, at the Issuer's expense, will promptly mail to each Holder of Definitive Registered Notes so tendered the Change of Control Payment for such Notes, and the Trustee will promptly instruct its authenticating agent to authenticate and, at the Issuer's expense, mail (or cause to be transferred by book-entry) to each Holder of Definitive Registered Notes a new Definitive Registered Note equal in principal amount to the unpurchased portion of the Notes surrendered, if any; *provided* that each such new Note will be in a principal amount that is at least $200,000 and integral multiples of $1,000 in excess thereof.

(e) This Section 4.03 will be applicable whether or not any other provisions of this Indenture are applicable.

(f) The Issuer will not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change

of Control Offer made by the Issuer and purchases all Notes validly tendered and not validly withdrawn under such Change of Control Offer.

(g) Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer. The Issuer will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 4.03. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Indenture, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of this Indenture by virtue of the conflict.

(h) If Holders of not less than 90% in aggregate principal amount of the outstanding Notes of a series validly tender and do not validly withdraw such Notes in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuer in accordance with this Section 4.03, purchases all of the Notes of such series validly tendered and not validly withdrawn by such Holders, the Issuer or such third party will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes of such series that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of the delivery of the notice for such redemption. In determining whether the Holders of at least 90% of the aggregate principal amount of the then outstanding Notes have validly tendered and not validly withdrawn Notes in a Change of Control Offer, Notes owned by any Affiliate of the Issuer or funds controlled or managed by any Affiliate of the Issuer, or any successor thereof, shall be deemed to be outstanding for the purpose of such Change of Control Offer. Any redemption pursuant to this Section 4.03 shall be made in accordance with Section 3.03 (other than the time periods specified therein, which shall be made in accordance with this Section 4.03).

(i) The provisions of this Indenture relating to the Issuer's obligation to make an offer to repurchase the Notes as a result of a Change of Control may be waived or modified with the written consent of holders of a majority in outstanding principal amount of the Notes.

Section 4.04 *Limitation on Indebtedness.*

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, Incur any Indebtedness (including Acquired Indebtedness);*provided*, *however*, that the Issuer and the Guarantors may Incur Indebtedness if on the date on which such Indebtedness is Incurred, the Consolidated Net Leverage Ratio would have been no greater than 5.5 to 1.0 determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if such Indebtedness had been incurred at the beginning of the relevant period.

(b) Section 4.04(a) will not prohibit the Incurrence of the following items of Indebtedness:

(1) Indebtedness Incurred pursuant to any Credit Facility (including in respect of letters of credit or bankers' acceptances issued or created thereunder), Indebtedness represented by the Existing Senior Guaranteed Notes and the Guarantees thereof, Indebtedness represented by the Notes issued on the Issue Date and the Guarantees thereof, and, in each case, any Refinancing Indebtedness in respect thereof, in a maximum aggregate principal amount at any time outstanding not to exceed the greater of (i) (x) $7.0 billion *reduced by* (*y*) the amount of any Indebtedness Incurred pursuant to this clause (1) on the Issue Date that is subsequently reclassified (other than pursuant to the second proviso of Section 4.04(f)(1)) subject to the limitations on reclassification in Section 4.04(f)(1) and (ii) *provided* that after giving effect to any Incurrence of Indebtedness hereunder, together with any Incurrence of Indebtedness pursuant to clauses (5) and (14) of this Section 4.04(b) on the date on which Indebtedness pursuant to this Section 4.04(b)(1)(ii) is Incurred, the Issuer could Incur at least $1.00 of additional Indebtedness under Section 4.04(a), an amount such that, after giving effect thereto on a *pro forma* basis as if such Indebtedness had been incurred on the first day of the relevant period, the Consolidated Net Senior Secured Leverage Ratio is not greater than 4.0 to 1.0; *provided*, *further*, that any Indebtedness incurred under this clause (1) may be refinanced with additional Indebtedness in an amount equal to the principal of the Indebtedness so refinanced, plus any additional amount to pay premiums (including tender premiums), accrued and unpaid interest, expenses, defeasance costs and fees in connection therewith; *provided*, *further*, that solely for the purpose of calculating the Consolidated Net Senior Secured Leverage Ratio under this clause (1), any outstanding Indebtedness incurred under this clause (1) that is unsecured or secured on a junior basis (in whole or in part) shall nevertheless be deemed to be secured by a pari passu Lien;

(2) (a) Guarantees by the Issuer or any Restricted Subsidiary of Indebtedness of the Issuer or any Restricted Subsidiary to the extent such guaranteed Indebtedness was permitted to be incurred by another provision of this Section 4.04; *provided* that (i) if such Indebtedness is subordinated in right of payment to, or *pari passu* in right of payment with, the Notes or a Note Guarantee, as applicable, then the Guarantee of such Indebtedness shall be subordinated in right of payment to, or *pari passu* in right of payment with, the Notes or such Note Guarantee, as applicable, substantially to the same extent as such guaranteed Indebtedness and (ii) if such Guarantee is of Indebtedness of the Issuer or a Guarantor, such Restricted Subsidiary complies with Section 4.21(a); or (b) without limiting Section 4.06, Indebtedness arising by reason of any Lien granted by or applicable to the Issuer or any Restricted Subsidiary securing Indebtedness of the Issuer or any Restricted Subsidiary so long as the Incurrence of such Indebtedness is not prohibited by the terms of this Indenture;

(3) Indebtedness of the Issuer owing to and held by any Restricted Subsidiary or Indebtedness of a Restricted Subsidiary owing to and held by the Issuer or any other Restricted Subsidiary; *provided*, *however*, that if the Issuer or any Guarantor is the obligor on such Indebtedness and the payee is not the Issuer or a Guarantor, such Indebtedness must be unsecured and ((i) except in respect of intercompany current

liabilities incurred in connection with cash management positions of the Issuer and the Restricted Subsidiaries and (ii) only to the extent legally permitted (the Issuer and the Restricted Subsidiaries having completed all procedures required in the reasonable judgment of directors or officers of the obligee or obligor to protect such Persons from any penalty or civil or criminal liability in connection with the subordination of such Indebtedness)) expressly subordinated to the prior payment in full in cash of all obligations then due with respect to the Notes, in the case of the Issuer, or the Note Guarantee, in the case of a Guarantor; *provided that:*

(i) any subsequent issuance or transfer of Capital Stock or any other event which results in any such Indebtedness being beneficially held by a Person other than the Issuer or a Restricted Subsidiary; and

(ii) any sale or other transfer of any such Indebtedness to a Person other than the Issuer or a Restricted Subsidiary,

shall be deemed, in each case, to constitute an Incurrence of such Indebtedness not permitted by this clause (3) by the Issuer or such Restricted Subsidiary, as the case may be;

(4) (a) any Indebtedness (other than Indebtedness described in clauses (1) and (3) of this Section 4.04(b)) outstanding on the Issue Date, after giving effect to the Transactions, including the issuance of the Notes, and the application of the proceeds thereof, and the Existing Notes, excluding for the avoidance of doubt the Notes and Existing Senior Guaranteed Notes issued in reliance on Section 4.04(b)(1), subject to Section 4.04(f)(1), (b) Refinancing Indebtedness Incurred in exchange for, or the net proceeds of which are used to renew, refund, refinance, replace, defease or discharge any, or otherwise Incurred in respect of any, Indebtedness described in sub-clauses (a) or (b) of this Section 4.04(b)(4) or Section 4.04(b)(5) or Incurred pursuant to Section 4.04(a) and (c) Management Advances;

(d) *[Reserved]*.

(e) *[Reserved]*.

(f) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this Section 4.04:

(1) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in Section 4.04(a) and Section 4.04(b), the Issuer, in its sole discretion, will classify, and may from time to time reclassify, such item of Indebtedness and only be required to include the amount and type of such Indebtedness in

Section 4.04(a) or one of the clauses of Section 4.04(b); *provided* that Indebtedness Incurred (or deemed Incurred) on the Original Notes Issue Date or any Refinancing Indebtedness in respect thereof under Section 4.04(b)(1) cannot be reclassified; *provided further* that if the Notes or the Existing Senior Guaranteed Notes, or any Refinancing Indebtedness in respect thereof, shall on any date (including the date of Incurrence of such Refinancing Indebtedness) not be Guaranteed by any of the Restricted Subsidiaries of the Issuer, the Notes, the Existing Senior Guaranteed Notes or such Refinancing Indebtedness shall automatically be reclassified and from such date be deemed to have been Incurred under Section 4.04(b)(4)(a) and not Section 4.04(b)(1);

(2) subject to Section 4.04(f)(1), all Indebtedness (x) outstanding on the Original Notes Issue Date under the Term Facility and the Existing Senior Guaranteed Notes and (y) outstanding on the Completion Date under the Revolving Facility shall be deemed Incurred on the Issue Date under Section 4.04(b)(1) and not Section 4.04(a) or Section 4.04(b)(4)(a);

(3) Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(4) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are Incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to clauses (1), (8), (14) or (16) of Section 4.04(b) or Section 4.04(a) and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;

(5) the principal amount of any Disqualified Stock of the Issuer or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(6) Indebtedness permitted by this Section 4.04 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 4.04 permitting such Indebtedness; and

(7) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined on the basis of GAAP.

(g) Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.04. The amount of any Indebtedness outstanding as of any date

shall be (a) the accreted value thereof in the case of any Indebtedness issued with original issue discount and (b) the principal amount, or liquidation preference thereof, in the case of any other Indebtedness.

(h) If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 4.04, the Issuer shall be in Default of this Section 4.04).

(i) For purposes of determining compliance with any dollar-denominated restriction on the Incurrence of Indebtedness, the Dollar Equivalent of the principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred or, at the option of the Issuer, on the date first committed; *provided* that (a) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than dollars, and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced plus any amount to pay premiums (including tender premiums), accrued and unpaid interest, expenses, defeasance costs and fees in connection therewith; (b) the Dollar Equivalent of the principal amount of any such Indebtedness outstanding on the Issue Date shall be calculated based on the relevant currency exchange rate in effect on the Issue Date; and (c) if any such Indebtedness that is denominated in a currency other than dollars is subject to a Currency Agreement with respect to the currency in which such Indebtedness is denominated covering principal amount and interest payable on such Indebtedness, the amount of such Indebtedness, will be the Dollar Equivalent of the principal payment required to be made under such Currency Agreement plus the Dollar Equivalent of any premium which is at such time due and payable but is not covered by such Currency Agreement.

(j) For purposes of determining compliance with the Consolidated Net Leverage Ratio, the Consolidated Net Senior Secured Leverage Ratio or the Guarantor Indebtedness Ratio, on the Incurrence of Indebtedness, the Dollar Equivalent of the principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred or, at the option of the Issuer, the date first committed; *provided* that (a) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than dollars, and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced plus any amount to pay premiums (including tender premiums), accrued and unpaid interest, expenses, defeasance costs and fees in connection therewith; and (b) the Dollar Equivalent of the principal amount of any such Indebtedness outstanding on the Issue Date shall be calculated based on the relevant currency exchange rate in effect on the Issue Date.

(k) For purposes of calculating the Consolidated Net Leverage Ratio, the Consolidated Net Senior Secured Leverage Ratio or the Guarantor Indebtedness Ratio to test compliance with any covenant in this Indenture, in determining the amount of Indebtedness outstanding in dollars on any date of determination, with respect to any Indebtedness denominated in a currency other than dollars (the "*Foreign Currency*"):

(1) subject to a currency swap arrangement or contract, the aggregate principal amount of such Foreign Currency Indebtedness on any such date of determination shall be the dollar amount of the aggregate principal amount to be paid by the Issuer or a Restricted Subsidiary on the maturity date of such currency swap arrangement or contract pursuant to the terms thereof; or

(2) subject to a currency forward arrangement, forward accretion curve or contract, the aggregate principal amount of such Foreign Currency Indebtedness shall be converted into dollars at the exchange rate specified under the terms of such currency forward arrangement, forward accretion curve or contract as applicable to such Foreign Currency Indebtedness on such date of determination.

(l) For the avoidance of doubt, notwithstanding a Group member entering into any such arrangement or contract hedging foreign exchange exposure of any Foreign Currency Indebtedness, for the purposes of calculating the Consolidated Net Leverage Ratio, the Consolidated Net Senior Secured Leverage Ratio or the Guarantor Indebtedness Ratio, the aggregate principal amount of Indebtedness subject to any such arrangement or contract shall be attributed to the total Indebtedness of the Person that originally Incurred such Indebtedness.

(m) Notwithstanding any other provision of this Section 4.04, the maximum amount of Indebtedness that the Issuer or a Restricted Subsidiary may Incur pursuant to this Section 4.04 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies.

(n) Neither the Issuer nor any Guarantor will incur any Indebtedness (including any Indebtedness permitted to be Incurred pursuant to this Section 4.04(b)) that is contractually subordinated in right of payment to any other Indebtedness of the Issuer or such Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the applicable Note Guarantee on substantially identical terms (as determined in good faith by the Issuer); *provided*, *however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Issuer or any Guarantor solely by virtue of being unsecured, by virtue of being secured with different collateral, by virtue of being secured on a junior priority basis, by virtue of not being guaranteed by one or more of the Issuer's Subsidiaries or by virtue of the application of waterfall or other payment-ordering provisions affecting different tranches of Indebtedness under Credit Facilities.

Section 4.05 *Limitation on Restricted Payments*.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

(1) declare or pay any dividend or make any other payment or distribution on account of or in respect of the Issuer's or any Restricted Subsidiary's Capital Stock (including, without limitation, any payment in connection with any merger or consolidation involving the Issuer or any Restricted Subsidiary) except:

(3) make any principal payment on, or purchase, repurchase, redeem, defease or otherwise acquire or retire for value, prior to scheduled maturity, scheduled repayment or scheduled sinking fund payment, any Subordinated Indebtedness (other than (a) any such payment, purchase, repurchase, redemption,

defeasance or other acquisition or retirement or in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case, due within one year of the date of payment, purchase, repurchase, redemption, defeasance or other acquisition or retirement, and (b) any Indebtedness Incurred pursuant to Section 4.04(b)(3));

(4) make any cash payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value any Subordinated Shareholder Funding; or

(5) make any Restricted Investment in any Person; (any such dividend, distribution, payment, purchase, redemption, repurchase, defeasance, other acquisition, retirement or Restricted Investment referred to in clauses (1) through (5) of this Section 4.05(a) are referred to herein as a "*Restricted Payment*"), if at the time the Issuer or a Restricted Subsidiary makes such Restricted Payment:

(A) a Default or Event of Default (or in the case of a Restricted Investment, an Event of Default under clauses (1), (2) or (6) of Section 6.01(a)) shall have occurred and be continuing (or would result immediately thereafter therefrom);

(B) except in the case of a Restricted Investment, if such Restricted Payment is made in reliance on Section 4.05(a)(C)(i), the Issuer is not able to Incur an additional $1.00 of Indebtedness pursuant to Section 4.04(a) after giving effect, on a *pro forma* basis, to such Restricted Payment; or

(C) the aggregate amount of such Restricted Payment and all other Restricted Payments made by the Issuer and the Restricted Subsidiaries subsequent to the Completion Date (and not returned or rescinded) (including Permitted Payments permitted below by clauses (5) (without duplication of amounts paid pursuant to any other clause of Section 4.05(b)), (6), (10), (15), (17), (18) and (20) of Section 4.05(b) (to the extent it relates to Restricted Payments permitted by clauses (5), (10), (15), (17) or (18) of Section 4.05(b)), but excluding all other Restricted Payments permitted by Section 4.05(b)) would exceed the sum of (without duplication):

(i) an amount equal to 100% of the Consolidated EBITDA for the period beginning on the first day of the first full fiscal quarter commencing prior to the Completion Date to the end of the Issuer's most recently ended full fiscal quarter ending prior to the date of such Restricted Payment for which internal consolidated financial statements of the Issuer are available, taken as a single accounting period, less the product of 1.3 times the Consolidated Interest Expense for such period;

(ii) 100% of the aggregate Net Cash Proceeds, and the fair market value (as determined in accordance with Section 4.05(c)) of property or assets or marketable securities, received by the Issuer from the issue or sale of its Capital Stock (other than Disqualified Stock or Designated Preference Shares) or Subordinated Shareholder Funding subsequent to the Completion Date or otherwise contributed to the equity (other than through the issuance of Disqualified Stock or Designated Preference Shares) of the Issuer subsequent to the Completion Date (other than (x) Net Cash Proceeds or property or assets or marketable securities received from an issuance or sale of such Capital Stock to the Issuer or a Restricted Subsidiary or an employee stock ownership plan or trust established by the Issuer or any Subsidiary of the Issuer for the benefit of its employees to the extent funded by the Issuer or any Restricted Subsidiary, (y) Net Cash Proceeds or property or assets or marketable securities to the extent that any Restricted Payment has been made from such proceeds in reliance on Section 4.05(b)(6), and (z) Excluded Contributions);

(iii) 100% of the aggregate Net Cash Proceeds, and the fair market value (as determined in accordance with Section 4.05(c)) of property or assets or marketable securities, received by the Issuer or any Restricted Subsidiary from the issuance or sale (other than to the Issuer or a Restricted Subsidiary or an employee stock ownership plan or trust established by the Issuer or any Subsidiary of the Issuer for the benefit of its employees to the extent funded by the Issuer or any Restricted Subsidiary) by the Issuer or any Restricted Subsidiary subsequent to the Completion Date of any Indebtedness that has been converted into or exchanged for Capital Stock of the Issuer (other than Disqualified Stock or

Designated Preference Shares) or Subordinated Shareholder Funding (plus the amount of any cash, and the fair market value (as determined in accordance with Section 4.05(c)) of property or assets or marketable securities, received by the Issuer or any Restricted Subsidiary upon such conversion or exchange) but excluding (x) Net Cash Proceeds or property or assets or marketable securities to the extent that any Restricted Payment has been made from such proceeds in reliance on Section 4.05(b)(6), and (y) Excluded Contributions;

(v) the amount of the cash and the fair market value (as determined in accordance with Section 4.05(c)) of property, assets or marketable securities received by the Issuer or any Restricted Subsidiary after the Completion Date in connection with:

(A) the sale or other disposition (other than to the Issuer or a Restricted Subsidiary or an employee stock ownership plan or trust established by the Issuer or any Subsidiary of the Issuer for the benefit of its employees to the extent funded by the Issuer or any Restricted Subsidiary) of Capital Stock of an Unrestricted Subsidiary of the Issuer and; and

(B) any dividend or distribution made by an Unrestricted Subsidiary to the Issuer or a Restricted Subsidiary;

provided, *however*, that no amount will be included in Consolidated EBITDA for purposes of Section 4.05(a)(C)(i) to the extent that it is (at the Issuer's option) included under this clause (v); and

(vi) in the case of the designation of an Unrestricted Subsidiary as a Restricted Subsidiary or all of the assets of such Unrestricted Subsidiary are transferred to the Issuer or a Restricted Subsidiary, or the Unrestricted Subsidiary is merged or consolidated into the Issuer or a Restricted Subsidiary, in each case, after the Completion Date, 100% of such amount received in cash and the fair market value (as determined in accordance with Section 4.05(c)) of any property, assets or marketable securities received by the Issuer or a Restricted Subsidiary in respect of such redesignation, merger, consolidation or transfer of assets,

(b) Section 4.05(a) will not prohibit any of the following (collectively, "*Permitted Payments*")*:*

(1) any Restricted Payment made in exchange (including any such exchange pursuant to the exercise of a conversion right or privilege in connection with which cash is paid in lieu of the issuance of fractional shares) for, or out of the Net Cash Proceeds of the substantially concurrent sale (other than to the Issuer or a Subsidiary of the Issuer) of, Capital Stock of the Issuer (other than Disqualified Stock or Designated Preference Shares or through an Excluded Contribution), Subordinated Shareholder Funding or a substantially concurrent contribution to the equity (other than through the issuance of Disqualified Stock or Designated Preference Shares or through an Excluded Contribution) of the Issuer; *provided*, *however*, that to the extent so applied, the Net Cash Proceeds, or fair market value (as determined in accordance with Section 4.05(c)) of property, assets or marketable securities, from such sale of Capital Stock or Subordinated Shareholder Funding or such contribution will be excluded for purposes of Section 3.07;

(2) to the extent the Issuer or such Restricted Subsidiary elects, to invest in or purchase or commit to invest in or purchase Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary with Net Available Cash received by the Issuer or another Restricted Subsidiary) within 365 days from the later of (i) the date of such Asset Disposition and (ii) the receipt of such Net Available Cash; *provided*, *however*, that any such reinvestment in Additional Assets made pursuant to a

definitive binding agreement or a commitment approved by the Board of Directors of the Issuer that is executed or approved within such time will satisfy this requirement, so long as such investment or commitment to invest is consummated within 180 days of such 365th day;

(3) to make a capital expenditure within 365 days from the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash; *provided*, *however*, that any such capital expenditure made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Issuer that is executed or approved within such time will satisfy this requirement, so long as such investment is consummated within 180 days of such 365th day; or

(4) any combination of clauses (1) through (3) of this Section 4.08(c),

provided that, pending the final application of any such Net Available Cash in accordance with clause (1), (2), (3) or (4) of Section 4.08(c), the Issuer and the Restricted Subsidiaries may temporarily reduce Indebtedness or otherwise invest such Net Available Cash in any manner not prohibited by this Indenture.

(d) Any Net Available Cash from Asset Dispositions that is not applied or invested or committed to be applied or invested as provided in Section 4.08(c) will be deemed to constitute "*Excess Proceeds*." On the 366th day (or the 546th day, in the case of any Net Available Cash committed to be used pursuant to a definitive binding agreement or commitment approved by the Board of Directors of the Issuer pursuant to clause (2) or (3) of Section 4.08(c)) after the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash, if the aggregate amount of Excess Proceeds exceeds $100 million, the Issuer will be required within ten Business Days thereof to make an offer ("*Asset Disposition Offer*") to all holders of Notes and, to the extent the Issuer or a Guarantor elects, or the Issuer or a Guarantor is required by the terms of other outstanding Pari Passu Indebtedness, to all holders of such other outstanding Pari Passu Indebtedness to purchase the maximum principal amount of Notes and any such Pari Passu Indebtedness to which the Asset Disposition Offer applies that may be purchased out of the Excess Proceeds, at an offer price in respect of the Notes in an amount equal to (and, in the case of any Pari Passu Indebtedness, an offer price of no more than) 100% of the principal amount of the Notes and 100% of the principal amount of Pari Passu Indebtedness, in each case, plus accrued and unpaid interest, if any, to, but not including, the date of purchase, in accordance with the procedures set forth in this Indenture or the agreements governing the Pari Passu Indebtedness, as applicable, and in the case of the Notes, in minimum denominations of $200,000 and in integral multiples of $1,000 in excess thereof. No such purchase in part shall reduce the principal amount at maturity of the Notes held by any holder to below $200,000.

(e) *[Reserved]*.

(f) To the extent that the aggregate amount of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to an Asset Disposition Offer is less than the Excess Proceeds, the Issuer and the Restricted Subsidiaries may use any remaining Excess Proceeds for general corporate purposes, to the extent not prohibited by the other covenants contained in this Indenture. If the aggregate principal amount of the Notes surrendered in any

Asset Disposition Offer by Holders and other Pari Passu Indebtedness surrendered by holders or lenders, collectively, exceeds the amount of Excess Proceeds, the Excess Proceeds shall be allocated among the Notes and Pari Passu Indebtedness to be purchased on a *pro rata* basis on the basis of the aggregate principal amount of tendered Notes and Pari Passu Indebtedness. For the purposes of calculating the principal amount of any such Indebtedness not denominated in dollars, such Indebtedness shall be calculated by converting any such principal amounts into their Dollar Equivalent determined as of a date selected by the Issuer that is within the Asset Disposition Offer Period. Upon completion of any Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

(g) To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than dollars, the amount thereof payable in respect of the Notes shall not exceed the net Dollar Equivalent of the amount that is actually received by the Issuer.

(h) The Asset Disposition Offer, in so far as it relates to the Notes, will remain open for a period of not less than 20 Business Days following its commencement or such shorter period of time required to comply with Section 14(e) of the Exchange Act and any other applicable securities laws or regulations in connection with the Asset Disposition Offer (the "*Asset Disposition Offer Period*"). No later than five Business Days after the termination of the Asset Disposition Offer Period (the "*Asset Disposition Purchase Date*"), the Issuer will purchase the principal amount of Notes and, to the extent it elects, Pari Passu Indebtedness required to be purchased by it pursuant to this Section 4.08 (the "*Asset Disposition Offer Amount*") or, if less than the Asset Disposition Offer Amount has been so validly tendered, all Notes and Pari Passu Indebtedness validly tendered in response to the Asset Disposition Offer.

(i) On or before the Asset Disposition Purchase Date, the Issuer will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Asset Disposition Offer Amount of Notes and Pari Passu Indebtedness or portions of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to the Asset Disposition Offer, or if less than the Asset Disposition Offer Amount has been validly tendered and not properly withdrawn, all Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn and, in the case of the Notes, in minimum denominations of $200,000 and in integral multiples of $1,000 in excess thereof.

(j) The Issuer will deliver to the Trustee an Officer's Certificate stating that such Notes or portions thereof were accepted for payment by the Issuer in accordance with the terms of this Section 4.08. The Issuer or the Paying Agent, as the case may be, will promptly (but in any case not later than five Business Days after termination of the Asset Disposition Offer Period) mail or deliver to each tendering Holder of Notes an amount equal to the purchase price of the Notes so validly tendered and not properly withdrawn by such Holder, and accepted by the Issuer for purchase, and the Issuer will promptly issue a new Note (or, in the case of Global Notes, cause the Paying Agent to reduce the aggregate principal amount and amend the applicable Global Note pursuant to Section 2.06(g) hereof and in the case of Definitive Registered Notes, deliver or cause to be delivered to the relevant Registrar for cancellation all Definitive Registered Notes accepted for purchase by the Issuer), and the Trustee, upon receipt of an Officer's Certificate from the Issuer, will, via an authenticating agent, authenticate and

mail or deliver (or cause to be transferred by book-entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered; *provided* that each such new Note will be in a principal amount with a minimum denomination of $200,000. Any Note not so accepted will be promptly mailed or delivered (or transferred by book-entry) by the Issuer to the Holder thereof.

(k) For the purposes of Section 4.08(b)(2), the following will be deemed to be cash:

(1) the assumption by the transferee (or other extinguishment in connection with the transactions relating to such Asset Dispositions) of Indebtedness and any other liabilities (as recorded on the balance sheet of the Issuer or any Restricted Subsidiary or in the footnotes thereto, or if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been reflected on the Issuer's or such Restricted Subsidiary's balance sheet or in the footnotes thereof if such incurrence or accrual had taken place on or prior to the date of such balance sheet, as determined in good faith by the Issuer) of the Issuer or any Restricted Subsidiary (other than Subordinated Indebtedness of the Issuer or a Guarantor) and the release of the Issuer or such Restricted Subsidiary from all liability on such Indebtedness in connection with such Asset Disposition;

(3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Issuer and each other Restricted Subsidiary (as applicable) are released from any Guarantee of payment of such Indebtedness in connection with such Asset Disposition;

(1) the terms of such Affiliate Transaction taken as a whole are not materially less favorable to the Issuer or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable transaction at the time of such transaction or the execution of the agreement providing for such transaction in arm's-length dealings with a Person who is not such an Affiliate, or, if there are no comparable transactions involving non-Affiliates to apply for comparative purposes, the transaction is otherwise on terms that, taken as a whole, the Issuer has conclusively determined in good faith to be fair to the Issuer or such Restricted Subsidiary; and

(2) in the event such Affiliate Transaction involves an aggregate value in excess of $100 million, the terms of such transaction or series of related transactions have been approved by a resolution of the majority of the members of the Board of Directors of the Issuer resolving that such transaction complies with Section 4.09(a)(1). An Affiliate Transaction shall be deemed to have satisfied the requirements set forth in this clause (2) if either (x) such Affiliate Transaction is approved by a majority of the Disinterested Directors or (y) the Issuer or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Issuer or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on arm's-length basis.

(b) Section 4.09(a) will not apply to:

(1) any Restricted Payment permitted to be made pursuant to Section 4.05, any Permitted Payments (other than pursuant to Section 4.05(b)(9)(B)) or any Permitted Investment (other than Permitted Investments as defined in clauses (1)(b) or (2) of the definition thereof);

(2) any issuance or sale of Capital Stock, options, other equity-related interests or other securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, or entering into, or maintenance of, any employment, consulting, collective bargaining or benefit plan, program, agreement or arrangement, related trust or other similar agreement and other compensation

arrangements, options, warrants or other rights to purchase Capital Stock of the Issuer, any Restricted Subsidiary or any Parent, restricted stock plans, long-term incentive plans, stock appreciation rights plans, participation plans or similar employee benefits or consultants' plans (including valuation, health, insurance, deferred compensation, severance, retirement, savings or similar plans, programs or arrangements) or indemnities provided on behalf of officers, employees, directors or consultants approved by the Board of Directors of the Issuer, in each case in the ordinary course of business;

(6) the Existing Transactions, the Transactions, any Permitted Reorganization, and the entry into and performance of obligations of the Issuer or any of its Restricted Subsidiaries under the terms of any transaction arising out of, and any payments pursuant to or for purposes of funding, any agreement or instrument in effect as of or on the Issue Date, as these agreements and instruments may be amended, modified, supplemented, extended, renewed or refinanced from time to time (including, without limitation, to add additional Persons in connection with any such Person becoming a Restricted Subsidiary) in accordance with the other terms of this Section 4.09 or to the extent not more disadvantageous to the Holders in any material respect and the entry into and performance of any registration rights or other listing agreement in connection with any Public Offering;

(7) execution, delivery and performance of any Tax Sharing Agreement or the formation and maintenance of any consolidated group for tax, accounting or management purposes in the ordinary course of business;

(8) transactions with customers, clients, suppliers or purchasers or sellers of goods or services and Associates, in each case in the ordinary course of business (including, without limitation, pursuant to joint venture arrangements), which are fair to the Issuer or the relevant Restricted Subsidiary in the reasonable determination of the Board of Directors or an officer of the Issuer or the relevant Restricted Subsidiary, or are on terms no less favorable than those that could reasonably have been obtained at such time from an unaffiliated party;

(9) any transaction in the ordinary course of business between or among the Issuer or any Restricted Subsidiary and any Affiliate of the Issuer or an Associate or

similar entity (in each case, other than an Unrestricted Subsidiary) that would constitute an Affiliate Transaction solely because the Issuer or a Restricted Subsidiary or any Affiliate of the Issuer or a Restricted Subsidiary or any Affiliate of any Permitted Holder owns an equity interest in or otherwise controls such Affiliate, Associate or similar entity;

(10) (a) issuances or sales of Capital Stock (other than Disqualified Stock or Designated Preference Shares) of the Issuer or options, warrants or other rights to acquire such Capital Stock or Subordinated Shareholder Funding; *provided* that the interest rate and other financial terms of such Subordinated Shareholder Funding are approved by a majority of the members of the Board of Directors of the Issuer in their reasonable determination and (b) any amendment, waiver or other transaction with respect to any Subordinated Shareholder Funding in compliance with the other provisions of this Indenture;

(11) without duplication in respect of payments made pursuant to the definition of Parent Expenses, (a) payments by the Issuer or any Restricted Subsidiary to any Permitted Holder (whether directly or indirectly, including through any Parent) of annual management, consulting, monitoring or advisory fees and related expenses in an aggregate amount not to exceed an amount equal to the greater of $36 million or 1.5% of L2QA Pro Forma EBITDA; (b) customary payments by the Issuer or any Restricted Subsidiary to any Permitted Holder (whether directly or indirectly, including through any Parent) for financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including in connection with acquisitions or divestitures, which payments in respect of this clause (b) are approved by a majority of the Board of Directors of the Issuer in good faith; and (c) payments of all fees and expenses related to the Existing Transactions, the Transactions and any Permitted Reorganization;

(14) transactions between the Issuer or any Restricted Subsidiary and any other Person that would constitute an Affiliate Transaction solely because a director of such other Person is also a director of the Issuer or any Parent; *provided*, *however*, that such director abstains from voting as a director of the Issuer or such Parent, as the case may be, on any matter including such other Person;

(15) payments to and from, and transactions with, any joint ventures entered into in the ordinary course of business or consistent with past practices (including, without limitation, any cash management activities related thereto); and

(16) commercial contracts (including franchising agreements, business services related agreements or other similar arrangements) between an Affiliate of the Issuer and the Issuer or any Restricted Subsidiary that are on arm's length terms or on a basis that senior management of the Issuer reasonably believes allocates costs fairly.

(b) For the avoidance of doubt, in no event will any reports provided pursuant to Section 4.10(a):

(1) be required to comply with:

(A) Section 302, Section 404 or Section 906 of the Sarbanes-Oxley Act of 2002, or related Items 307 and 308 of Regulation S-K under the Securities Act ("*Regulation S-K*");

(B) Rule 3-10 of Regulation S-X under the Securities Act ("*Regulation S-X*") or contain separate financial statements for the Issuer, the Guarantors or other Subsidiaries the shares of which may be pledged to secure the Notes or any Guarantee that would be required under Section 3-16 of Regulation S-X;

(C) Rule 11-01 of Regulation S-X, give *pro forma* effect to the Transactions, or contain all purchase accounting adjustments relating to the Transactions;

(D) Regulation G under the Exchange Act or Item 10(e) of Regulation S-K with respect to any non-GAAP financial measures contained therein; or

(2) be required to include trade secrets and other confidential information that is competitively sensitive in the good faith and reasonable determination of the Issuer.

(c) Notwithstanding the foregoing, the Issuer may satisfy its obligations under clauses (1), (2) and (3) of Section 4.10(a) by delivering the corresponding annual and quarterly reports of Cablevision; provided that to the extent that the Issuer is not the reporting entity and material differences exist between the management, business, assets, shareholding or results of operations or financial condition of the Issuer and Cablevision, the annual and quarterly reports shall give a reasonably detailed description of such differences or shall include the consolidated balance sheet, income statements and cash flow statement of the Issuer and its subsidiaries.

(d) The Issuer will be deemed to have furnished the reports referred to in clauses (1), (2) and (3) of Section 4.10(a) if the Issuer or a CVC Parent has filed reports containing such information with the SEC or posted such reports on its website. The Trustee shall have no responsibility to determine if and when any of the above reports have been filed or posted on any website. Delivery of the above reports to the Trustee is for informational purposes only and the Trustee's receipt of such reports will not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's or any other parties' compliance with any of its covenants in this Indenture (as to which the Trustee will be entitled to rely exclusively on Officer's Certificates that are delivered).

(e) All financial statement information shall be prepared in accordance with GAAP as in effect on the date of such report or financial statement (or otherwise on the basis of GAAP as then in effect) and on a consistent basis for the periods presented; *provided*, *however*, that the reports set forth in clauses (1), (2) and (3) of Section 4.10(a) may in the event of a change in GAAP, present earlier periods on a basis that applied to such periods. Except as provided for in Section 4.10(f) below, no report need include separate financial statements for the Issuer or Subsidiaries of the Issuer or any disclosure with respect to the results of operations or any other financial or statistical disclosure not of a type included in the Offering Memorandum and, subject to the Issuer's election to apply IFRS, in no event shall IFRS information or reconciliation to IFRS be required.

(f) At any time if any Subsidiary of the Issuer is an Unrestricted Subsidiary and any such Unrestricted Subsidiary or group of Unrestricted Subsidiaries, if taken

together as one Subsidiary, constitutes a Significant Subsidiary, then the quarterly and annual financial information required by clauses (1) and (2) of Section 4.10(a) will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results of operations of the Issuer and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Issuer; *provided that* with respect to the Issue Date Unrestricted Subsidiaries, the requirements of this clause (f) shall be satisfied by the inclusion of information relating to the Issue Date Unrestricted Subsidiaries substantially similar to that provided in, or included by reference in, the Offering Memorandum.

(g) Substantially concurrently with the issuance to the Trustee of the reports specified in clauses (1), (2) and (3) of Section 4.10(a), the Issuer shall also (A) use its commercially reasonable efforts (i) to post copies of such reports on such website as may be then maintained by the Issuer and its Subsidiaries or (ii) otherwise to provide substantially comparable public availability of such reports (as determined by the Issuer in good faith) or (B) to the extent the Issuer determines in good faith that such reports cannot be made available in the manner described in Section 4.10(g)(A) owing to applicable law or after the use of its commercially reasonable efforts, furnish such reports to the Holders and, upon their request, prospective purchasers of the Notes.

(h) For so long as the Notes remain outstanding and during any period during which the Issuer is not subject to Section 13 or 15(d) of the Exchange Act nor exempt therefrom pursuant to Rule 12g3-2(b), the Issuer shall furnish to the Holders and holders of beneficial interests in the Notes and, upon their request, prospective purchasers of the Notes or prospective and purchasers of beneficial interests in the Notes, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(i) The Trustee shall have no obligation to determine if and when the Issuer's financial statements or reports are publicity available and accessible electronically. Delivery of these reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of any of those will not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

Section 4.11 *Suspension of Covenants on Achievement of Investment Grade Status*.

If on any date following the Issue Date, the Notes have achieved Investment Grade Status and no Default or Event of Default has occurred and is continuing (a "*Suspension Event*"), then the Issuer shall notify the Trustee of these events and beginning on that day and continuing until such time, if any, at which the Notes cease to have Investment Grade Status (the "*Reversion Date*"), the following sections will not apply to the Notes: Section 4.04, Section 4.05, Section 4.07, Section 4.08, Section 4.09, Section 4.21(a), Section 4.24 and Section 5.03(a)(3) and any related default provision of this Indenture will cease to be effective and will not be applicable to the Issuer and the Restricted Subsidiaries. Such Sections and any related default provisions will

again apply according to their terms from the first day on which a Suspension Event ceases to be in effect. Such Sections will not, however, be of any effect with regard to actions of the Issuer properly taken during the continuance of the Suspension Event, and Section 4.05 will be interpreted as if it has been in effect since the date of this Indenture except that no Default will be deemed to have occurred solely by reason of a Restricted Payment made while Section 4.05 was suspended. On the Reversion Date, all Indebtedness Incurred during the continuance of the Suspension Event will be classified, at the Issuer's option, as having been Incurred pursuant to Section 4.04(a) or Section 4.04(b) (to the extent such Indebtedness would be permitted to be Incurred thereunder as of the Reversion Date and after giving effect to Indebtedness Incurred prior to the Suspension Event and outstanding on the Reversion Date). To the extent such Indebtedness would not be so permitted to be Incurred under Section 4.04(a) or Section 4.04(b), such Indebtedness will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under Section 4.04(b)(4)(a). The Issuer shall give the Trustee written notice of any Suspension Event and in any event not later than five Business Days after such Suspension Event has occurred. In the absence of such notice, the Trustee shall assume the Suspended Covenants apply and are in full force and effect. The Issuer shall give the Trustee written notice of any occurrence of a Reversion Date not later than five Business Days after such Reversion Date. After any such notice of the occurrence of a Reversion Date, the Trustee shall assume the Suspended Covenants apply and are in full force and effect.

Section 4.12 *[Reserved]*.

Section 4.13 *[Reserved]*.

Section 4.14 *Compliance Certificate*.

The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year (beginning with the fiscal year ending December 31, 2016), an Officer's Certificate indicating whether the signers thereof know of any Default that occurred during the previous year. The Issuer shall deliver to the Trustee within 30 days after the occurrence of a Default or Event of Default a written notice of any events of which it is aware which would constitute certain Defaults, their status and what action the Issuer is taking or proposes to take with respect thereto.

The Trustee shall not be deemed to have knowledge of any Default except any payment Default or any other Default of which a Responsible Officer shall have received written notification in accordance with Section 12.01 or obtained actual knowledge.

Section 4.15 *[Reserved]*.

Section 4.16 *[Reserved]*.

Section 4.17 *[Reserved]*.

Section 4.18 *[Reserved]*.

Section 4.19 *Payments for Consents*. The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of

any of the terms of the provisions of this Indenture or the Notes unless such consideration is offered to be paid and is paid to all Holders that consent, waive or agree to amend in the time-frame set forth in the solicitation documents relating to such consent, waiver or amendment. Notwithstanding the foregoing, the Issuer and the Restricted Subsidiaries shall be permitted, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of this Indenture, to exclude holders of Notes in any jurisdiction where (i) the solicitation of such consent, waiver or amendment, including in connection with an exchange offer or an offer to purchase for cash, or (ii) the payment of the consideration therefor would require the Issuer or any Restricted Subsidiary to file a registration statement, prospectus or similar document under any applicable securities laws (including, but not limited to, the United States federal securities laws and the laws of the European Union), which the Issuer in its sole discretion determine (acting in good faith) (A) would be materially burdensome (it being understood that it would not be materially burdensome to file the consent document(s) used in other jurisdictions, any substantially similar documents or any summary thereof with the securities or financial services authorities in such jurisdiction) or (B) such solicitation would otherwise not be permitted under applicable law in such jurisdiction.

Section 4.20 *Lines of Business*.

The Issuer will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than a Similar Business, except to such extent as would not be material to the Issuer and the Restricted Subsidiaries, taken as a whole.

Section 4.21 *Additional Guarantors*.

(a) The Issuer will cause (i) each Material Subsidiary (other than Excluded Subsidiaries) and (ii) each Restricted Subsidiary that ceases to be an Excluded Subsidiary by providing a Guarantee (including each Restricted Subsidiary that ceases to be an Excluded Subsidiary as a result of providing such Guarantee) of any Public Debt or that Guarantees any syndicated credit facilities of the Issuer or the Guarantors, other than (solely with respect to the relevant Subsidiary) any Guarantees of Public Debt or syndicated credit facilities that exist at the time such Excluded Subsidiary became a Subsidiary of the Issuer, in each case under this Section 4.21(a)(ii) in an amount greater than $50 million, to (x) become a Guarantor within 30 days of becoming a Material Subsidiary in the case of Section 4.21Section 4.21(a)(i) above and substantially concurrently with the provision of such Guarantee, in the case of this Section 4.21(a)(ii) and (y) to execute and deliver to the Trustee a supplemental indenture in the form attached to this Indenture pursuant to which such Restricted Subsidiary will provide a Note Guarantee, which Guarantee will be senior to or pari passu with such Restricted Subsidiary's Guarantee of such other Indebtedness in the case of this Section 4.21(a)(ii).

(b) *[Reserved]*.

(c) *[Reserved]*.

(d) Note Guarantees existing on or granted after the Issue Date pursuant to this Section 4.21 shall be released as set forth under Section 10.06. In addition, Note Guarantees existing on or granted after the Issue Date pursuant to Section 4.21(a) may be released at the

option of the Issuer, if, at the date of such release, (i) the Indebtedness which required such Note Guarantee has been released or discharged in full, (ii) no Event of Default would arise as a result of such release, and (iii) there is no other Indebtedness of such Guarantor outstanding that was Incurred after the Issue Date and that could not have been Incurred in compliance with this Indenture as of the date Incurred if such Guarantor were not a Guarantor as at that date. Notwithstanding anything in this Indenture to the contrary, the Issuer may elect, in its sole discretion, to cause any Subsidiary that is not otherwise required to be a Guarantor to become a Guarantor and such Note Guarantee may be released at any time in the Issuer's sole discretion. The Trustee (to the extent action is required by it) shall take all necessary actions requested by the Issuer to effectuate any release of a Note Guarantee in accordance with these provisions, subject to customary protections and indemnifications.

(e) *[Reserved]*.

(f) Each additional Note Guarantee will be limited as necessary to recognize certain defenses generally available to guarantors (including those that relate to fraudulent conveyance or transfer, voidable preference, financial assistance, corporate purpose, thin capitalization, distributable reserves, capital maintenance or similar laws, regulations or defenses affecting the rights of creditors generally) or other considerations under applicable law.

(g) Notwithstanding the foregoing, the Issuer shall not be obligated to cause an Excluded Subsidiary to provide a Note Guarantee (for so long as such entity is an Excluded Subsidiary), nor to cause any Restricted Subsidiary to provide a Note Guarantee to the extent and for so long as the Incurrence of such Guarantee could reasonably be expected to give rise to or result in: (1) any violation of applicable law or regulation; (2) any liability for the officers, directors or (except in the case of a Restricted Subsidiary that is a partnership) shareholders of such Restricted Subsidiary (or, in the case of a Restricted Subsidiary that is a partnership, directors or shareholders of the partners of such partnership); (3) any cost, expense, liability or obligation (including with respect to any Taxes) other than reasonable out-of-pocket expenses and other than reasonable expenses incurred in connection with any governmental or regulatory filings required as a result of, or any measures pursuant to clause (1) of this clause (g) undertaken in connection with, such Guarantee, which in any case under any of clauses (1), (2) and (3) of this Section 4.21(g) cannot be avoided through measures reasonably available to the Issuer or such Restricted Subsidiary; or (4) such Restricted Subsidiary is prohibited from Incurring such Guarantee by the terms of any Indebtedness existing on the Issue Date of such Restricted Subsidiary that is not prepayable without a prepayment premium (in each case, other than Indebtedness Incurred to provide all or any portion of the funds utilized to consummate the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary); *provided* that this clause (4) applies only for so long as such prepayment premium applies to such Indebtedness.

(h) Notwithstanding anything to the contrary, the Issuer will not permit CSC TKR, LLC and its Subsidiaries to Incur any Indebtedness not in the ordinary course of business or Guarantee any Indebtedness unless such Subsidiary is or becomes a Guarantor on the date on which the Guarantee is Incurred and, if applicable, executes and delivers to the Trustee a supplemental indenture in the form attached to this Indenture pursuant to which such Restricted

Subsidiary will provide a Note Guarantee, which Guarantee will be senior to or pari passu with such Subsidiary's Guarantee of such other Indebtedness.

Section 4.22 *[Reserved]*.

Section 4.23 *[Reserved]*.

Section 4.24 *Limitation on Transfer of Assets by Restricted Subsidiaries*.

The Issuer shall cause its Restricted Subsidiaries not to transfer to the Issuer any material assets used or useful in the core line of business other than cash, other current assets (including Cash Equivalents) and Investments.

Section 4.25 *[Reserved]*.

Section 4.26 *[Reserved]*.

Section 4.27 *Limited Condition Transaction*.

In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of determining compliance with any provision of this Indenture which requires that no Default or Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Issuer, be deemed satisfied, so long as no Default or Event of Default, as applicable, exists on the date the definitive agreements or irrevocable notice, as applicable, for such Limited Condition Transaction are entered into or has been delivered, as applicable. For the avoidance of doubt, if the Issuer has exercised its option under the first sentence of this Section 4.27, and any Default or Event of Default occurs following the date the definitive agreements or irrevocable notice, as applicable, for the applicable Limited Condition Transaction were entered into or has been delivered, as applicable, and prior to the consummation of such Limited Condition

Transaction, any such Default or Event of Default shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted hereunder.

In connection with any action being taken in connection with a Limited Condition Transaction for purposes of:

(1) determining compliance with any provision of this Indenture which requires the calculation of the Consolidated Net Senior Secured Leverage Ratio, Consolidated Net Leverage Ratio or Guarantor Indebtedness Ratio; or

(2) testing baskets set forth in this Indenture (including baskets measured as a percentage of L2QA Pro Forma EBITDA);

in each case, at the option of the Issuer (the Issuer's election to exercise such option in connection with any Limited Condition Transaction, an "*LCT Election*"), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements or irrevocable notice, as applicable, for such Limited Condition

Transaction are entered into or has been delivered, as applicable (the "*LCT Test Date*"). If, after giving pro forma effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) as if they had occurred at the beginning of the most recent two consecutive fiscal quarters ending prior to the LCT Test Date for which consolidated financial statements of the Issuer are available, the Issuer could have taken such action on the relevant LCT Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with.

If the Issuer has made an LCT Election and any of the ratios or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in L2QA Pro Forma EBITDA of the Issuer or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Issuer has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio or basket availability with respect to the Incurrence of Indebtedness or Liens, or the making of Asset Dispositions, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Issuer or the designation of an Unrestricted Subsidiary or the making of Investments or Restricted Payments on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement or irrevocable notice, as applicable, for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

(a) The Issuer will not consolidate with or merge with or into, or assign, convey, transfer, lease or otherwise dispose all or substantially all its assets as an entirety or substantially as an entirety, in one transaction or a series of related transactions, to any Person, unless:

(1) the resulting, surviving or transferee Person (the "*Successor Company*") (if not the Issuer) will be a Person organized and existing under the laws of any member state of the European Union as of the Issue Date or the date on which such Person becomes the Successor Company, Switzerland, Canada or the United States of America, any State of the United States or the District of Columbia and the Successor Company (if not the Issuer) will expressly assume, by supplemental indenture, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, all the obligations of the Issuer under the Notes and this Indenture;

(2) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any Subsidiary of the Successor Company as a result of such transaction as having been Incurred by the Successor Company or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(3) immediately after giving *pro forma* effect to such transaction and any related financing transactions, as if such transactions had occurred at the beginning of the applicable two consecutive fiscal quarter period, either (a) the Issuer or the Successor Company would have been able to Incur at least $1.00 of additional Indebtedness under pursuant to Section 4.04(a); or (b) the Consolidated Net Leverage Ratio would not be greater than it was immediately prior to giving effect to such transaction; and

(c) The Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture but in the case of a lease of all or substantially all its assets, the predecessor company will not be released from its obligations under this Indenture or the Notes.

(d) Notwithstanding clauses (2) and (3) (which do not apply to transactions referred to in this sentence) and (4) of Section 5.03(a) (which does not apply to transactions referred to in this sentence in which the Issuer is the Successor Company), (a) any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to the Issuer, (b) any Restricted Subsidiary that is not a Guarantor may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to any other Restricted Subsidiary or the Issuer and (c) the Issuer and the Restricted Subsidiaries may effect any Permitted Reorganization. Section 5.04 *Merger and Consolidation of the Guarantors.*

(a) None of the Guarantors (other than a Guarantor whose Note Guarantee is to be released in accordance with the terms of this Indenture) may:

(1) consolidate with or merge with or into any Person (whether or not such Guarantor is the surviving Person);

(2) sell, assign, convey, transfer, lease or otherwise dispose of, all or substantially all its assets as an entirety or substantially as an entirety, in one transaction or a series of related transactions, to any Person; or

unless:

(A) the other Person is the Issuer or a Restricted Subsidiary that is a Guarantor or becomes a Guarantor as a result of such transaction; or

(B) (1) either (x) a Guarantor is the surviving Person or (y) the resulting, surviving or transferee Person expressly assumes all of the obligations of the Guarantor under its Note Guarantee and this Indenture (pursuant to a supplemental indenture executed and delivered in a form reasonably satisfactory to the Trustee); and (2) immediately after giving effect to the transaction, no Default or Event of Default shall have occurred and is continuing; or

(C) the transaction constitutes a sale or other disposition (including by way of consolidation or merger) of a Guarantor or the sale or disposition of all or substantially all the assets of a Guarantor (in each case other than to the Issuer or a Restricted Subsidiary) otherwise permitted by this Indenture and the proceeds therefrom are applied as required by this Indenture; or

(D) the transaction constitutes a Permitted Reorganization.

Section 5.05 *[Reserved]*.

Section 5.06 *[Reserved]*.

ARTICLE 6
DEFAULTS AND REMEDIES

Section 6.01 *Events of Default.*

(a) Each of the following is an "*Event of Default*" under this Indenture:

(1) default in any payment of interest on any Note issued under this Indenture when due and payable, continued for 30 days;

(2) default in the payment of the principal amount of or premium, if any, on any Note issued under this Indenture when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise;

(3) failure by the Issuer or any Restricted Subsidiary to comply for 60 days after notice by the Trustee or the Holders of at least 25% in principal amount of the outstanding Notes with its other agreements under this Indenture; *provided* that in the case of a failure to comply with Section 4.10, such period of continuance of such default or breach shall be 90 days after notice described in this clause (3) is given;

(4) *[Reserved]*;

(5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Issuer or any Restricted Subsidiary (or the payment of which is Guaranteed by the Issuer or any Restricted Subsidiary) other than Indebtedness owed to the Issuer or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the Issue Date, which default:

(A) is caused by the failure to pay principal of such Indebtedness at the Stated Maturity thereof (after giving effect to any applicable grace periods provided in such Indebtedness) ("*payment default*"); or

(B) results in the acceleration of such Indebtedness prior to its maturity,

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates $25 million or more;

(6) the Issuer or a Significant Subsidiary or group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary pursuant to or within the meaning of Bankruptcy Law:

(A) commences proceedings to be adjudicated bankrupt or insolvent;

(B) consents to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under applicable Bankruptcy Law;

(C) consents to the appointment of a receiver, liquidator, assignee, trustee, sequestrator or other similar official of it or for all or substantially all of its property;

(D) makes a general assignment for the benefit of its creditors; or

(E) generally is not paying its debts as they become due;

(7) failure by the Issuer or a Significant Subsidiary or group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary to pay final judgments aggregating in excess of $25 million, exclusive of any amounts that a solvent insurance company has acknowledged liability for, which judgments are not paid, discharged or stayed for a period of 60 days after the judgment becomes final;

(8) *[Reserved]*; and

(9) any Note Guarantee by a Guarantor that is a Significant Subsidiary or any group of Guarantors that taken together would constitute a Significant Subsidiary ceases to be in full force and effect (other than in accordance with the terms of such Note Guarantee or this Indenture) or is declared invalid or unenforceable in a judicial proceeding or any Guarantor denies or disaffirms in writing its obligations under its Note Guarantee and any such Default continues for 10 days after the notice specified in this Indenture.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court of any order, rule or regulation of any administrative or governmental body.

(b) A Default under clauses (3), (5), (7) or (9) of Section 6.01(a) will not constitute an Event of Default until the Trustee or the Holders of 25% in principal amount of the outstanding Notes under this Indenture notify the Issuer of the Default and, with respect to clauses (3), (5), (7) and (9) of Section 6.01(a) the Issuer does not cure such Default within the time specified in clauses (3), (5), (7)and (9) of Section 6.01(a), as applicable, after receipt of such notice.

(c) The Trustee shall not be deemed to have notice of any Default or Event of Default (other than Default under clauses (1) or (2) of Section 6.01(a)) unless a written notice of any event which is in fact such a Default is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(d) If a Default occurs for a failure to deliver a required certificate in connection with another Default (such other Default, an "*Initial Default*") then at the time such Initial Default is

cured, such Default for a failure to report or deliver a required certificate in connection with the Initial Default will also be cured without any further action.

(e) Any Default or Event of Default for the failure to comply with the time periods prescribed in Section 4.10 or otherwise to deliver any notice or certificate pursuant to any other provision of this Indenture shall be deemed to be cured upon the delivery of any such report required by such covenant or notice or certificate, as applicable, even though such delivery is not within the prescribed period specified in this Indenture.

Section 6.02 *Acceleration*.

If an Event of Default described in Section 6.01(a)(6) occurs and is continuing, the principal of, premium, if any, and accrued and unpaid interest on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. If any other Event of Default (other than an Event of Default described in Section 6.01(a)(6)) occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may and, if directed by holders of at least 25% in aggregate principal amount of the then outstanding Notes, the Trustee shall, declare all the Notes to be due and payable immediately. In the event of a declaration of acceleration of the Notes because an Event of Default under Section 6.01(a)(5) has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to Section 6.01(a)(5) shall be remedied or cured, or waived by the holders of the relevant Indebtedness, or the relevant Indebtedness that gave rise to such Event of Default shall have been discharged in full, within 30 days after the declaration of acceleration with respect thereto and if (i) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (ii) all existing Events of Default, except nonpayment of principal, premium or interest on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

Section 6.03 *Other Remedies*.

Subject to Article 12 and to the duties of the Trustee as provided for in Article 7, if an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

The Holders of a majority in aggregate principal amount of the outstanding Notes under this Indenture may waive all past or existing Defaults or Events of Default (except with respect

to nonpayment of principal, premium or interest) and rescind any such acceleration with respect to such Notes and its consequences if rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

Section 6.05 *Control by Majority.*

The Holders of a majority in aggregate principal amount of the outstanding Notes are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee (on behalf of the Holders) or of exercising any trust or power conferred on the Trustee (on behalf of the Holders). However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Subject to Article 7, if an Event of Default occurs and is continuing, prior to taking any action under this Indenture, the Trustee will be entitled to indemnification and/or security satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

Section 6.06 *Limitation on Suits.*

(a) Except to enforce the right to receive payment of principal or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(1) such Holder has previously given the Trustee notice that an Event of Default is continuing;

(2) Holders of at least 25% in aggregate principal amount of the outstanding Notes have requested the Trustee to pursue the remedy;

(3) such Holders have offered the Trustee, and the Trustee has received, security and/or indemnity satisfactory to it against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security and/or indemnity; and

(5) the Holders of a majority in aggregate principal amount of the outstanding Notes have not given the Trustee a direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07 *Rights of Holders to Receive Payment.*

Subject to Section 9.02, the right of any Holder to receive payment of principal of and interest on the Notes held by such Holder, on or after the respective due dates expressed or provided for in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in clause (1) or (2) of Section 6.01(a) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Notes for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.07.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee may file such proofs of claim and other papers or documents and take such actions as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agent and counsel and any other amounts due to the Trustee under Section 7.07) and the Holders allowed in any judicial proceedings relative to the Issuer, their creditors or their property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee and the Agents under Section 7.07.

Section 6.10 *Priorities*.

If the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money or property in the following order:

FIRST: to the Trustee and the Agents for amounts due under Section 7.02 and Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Notes for principal and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest, respectively; and

THIRD: to the Issuer or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Trustee shall mail to each Holder and the Issuer a notice that states the record date, the payment date and amount to be paid.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as the Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including properly incurred

attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee or a Paying Agent, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Notes then outstanding.

Section 6.12 *Waiver of Stay or Extension Laws.*

The Issuer (to the extent it may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein

granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

Section 6.13 *Restoration of Rights and Remedies.*

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, any Guarantor, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 6.14 *Rights and Remedies Cumulative.*

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.15 *Delay or Omission Not Waiver*.

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

ARTICLE 7
TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) In the event an Event of Default has occurred and is continuing of which a Responsible Officer of the Trustee has received written notification in accordance with the provisions of this Indenture, the Trustee will exercise such of the rights and powers vested in it under this Indenture and use the same degree of care that a prudent Person would use in the conduct of its own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein) and shall be entitled to seek advice from legal counsel in relation thereto.

(c) The Trustee may not be relieved from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

(1) this Section 7.01(c) does not limit the effect of Section 7.01(a);

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer unless it is proved that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 7.02, Section 7.03 or Section 7.05;

(d) The Trustee shall not be deemed to have notice or any actual knowledge of any matter (including, without limitation, Defaults or Events of Default) unless written notice thereof is received by the Trustee in accordance with this Indenture and such notice clearly references the Notes, the Issuer or this Indenture.

(e) Every provision of this Indenture that in any way relates to the Trustee is subject to Section 7.01(a), Section 7.01(b), Section 7.01(c) and Section 7.01(f).

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur liability in the performance of any of its duties hereunder or to take or

omit to take any action under this Indenture or take any action at the request or direction of Holders if it has grounds for believing that repayment of such funds is not assured to it or it does not receive an agreement in writing from the Holders for full indemnity and/or security satisfactory to it in its discretion against any loss, liability or expense which might be incurred by it in compliance with such request or direction nor shall the Trustee be required to do anything which is illegal or contrary to applicable laws or this Indenture. The Trustee will not be liable to the Holders if prevented or delayed in performing any of its obligations or discretionary functions under this Indenture by reason of any present or future law applicable to it, by any governmental or regulatory authority or by any circumstances beyond its control.

(g) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer.

(h) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(i) The Trustee will (save as expressly otherwise provided herein) have absolute and uncontrolled discretion as to the exercise or non-exercise of its functions and will not be responsible for any loss, liability, cost, claim, action, demand, expense or inconvenience which may result from their exercise or non-exercise but, whenever the Trustee is under the provisions of this Indenture or the Notes bound to act at the request or direction of the Holders, the Trustee shall nevertheless not be so bound unless first indemnified and/or secured to its satisfaction against all actions, proceedings, claims and demands to which it may render itself liable and all costs, charges, damages, expenses and liabilities which it may incur by so doing.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion, based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction or, to the extent applicable, the State of New York. Furthermore, the Trustee may also refrain from taking such action if such action would otherwise render it liable to any person in that jurisdiction, the State of New York or if, in its opinion based upon such legal advice, it would not have the power to do the relevant thing in that jurisdiction by virtue of any applicable law in that jurisdiction, in the State of New York or if it is determined by any court or other competent authority in that jurisdiction, in the State of New York that it does not have such power.

(b) The Trustee may conclusively rely and shall be fully protected in acting or refraining to act based upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(c) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel.

(d) The Trustee may act through attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(e) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture; *provided*, *however*, that the Trustee's conduct does not constitute willful misconduct or gross negligence.

(f) The Trustee may retain professional advisers to assist it in performing its duties under this Indenture. The Trustee may consult with counsel of its selection, and the advice or Opinion of Counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any Officer's Certificate, Opinion of Counsel, or any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, appraisal, bond, debenture, note, coupon, security other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer.

(h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture, unless such Holders shall have offered to the Trustee indemnity and/or other security satisfactory to the Trustee against the costs, expenses and liabilities which may be incurred by it in compliance with such request, order or direction.

(i) In the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders, each representing less than the requisite majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture, the Trustee, in its sole discretion, may determine what action, if any, shall be taken and shall be held harmless and shall not incur any liability for its failure to act until such inconsistency or conflict is, in its opinion, resolved, and absent willful misconduct or gross negligence, the Trustee shall not be liable for acting in good faith on instructions believed by them to be genuine and from the proper party.

(j) *[Reserved]*.

(k) *[Reserved]*.

(l) The Trustee shall have no duty to inquire as to the performance of the covenants of the Issuer and/or its Restricted Subsidiaries in this Indenture and shall be entitled to assume that the Issuer, the Guarantors and any Restricted Subsidiaries are in compliance with the terms of this Indenture.

(m) The Trustee shall not have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum

denominations imposed under this Indenture or under applicable law or regulation with respect to any transfer, exchange, redemption, purchase or repurchase, as applicable, of any interest in any Notes, but may at its sole discretion, choose to do so.

(n) If any Guarantor is substituted to make payments on behalf of the Issuer pursuant to Article 10, the Issuer shall promptly notify the Trustee of such substitution.

(o) The Trustee and each Agent shall not be liable for acting in good faith on instructions believed by it to be genuine and from the proper party.

(p) The Trustee shall not be required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture.

(q) *[Reserved]*.

(r) The permissive rights of the Trustee to take the actions permitted by this Indenture will not be construed as an obligation or duty to do so.

(s) Anything in this Indenture to the contrary notwithstanding, in no event shall the Trustee be liable for punitive, special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to loss of business, goodwill, opportunity or profits of any kind) of the Issuer, any Guarantor, any Restricted Subsidiary or any other person, even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(t) Except with respect to Section 4.01, and provided it or an affiliate of it is acting as the Paying Agent, the Trustee shall have no duty to inquire as to the performance of the Issuer with respect to the covenants contained in Article 4. The Trustee may assume without inquiry in the absence of written notice to the contrary that the Issuer is duly complying with its obligations contained in this Indenture required to be performed and observed by it, and that no Default or Event of Default or other event which would require repayment of the Notes has occurred.

(u) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of, or caused by, directly or indirectly, forces beyond its control, including, without limitation, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God; it being understood that the Trustee shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(v) The Trustee may request that the Issuer deliver an Officer's Certificate setting forth the names of the individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(w) The Trustee may, in the execution and exercise of all or any of the trusts, powers, authorities and discretions vested in it by this Indenture, delegate to any person or persons all or any of the trusts, powers, authorities and discretions vested in it by this Indenture and any such

delegation may be made upon such terms and conditions and subject to such regulations as the Trustee may think fit. The Trustee shall not be under any obligation to supervise the activities of such delegates and shall not be responsible for the misconduct or negligence of such delegates, or for any costs, expenses, losses or liabilities of, or caused by, such delegates, *provided* that such delegation has been made with reasonable care.

(x) (x) No provision of this Indenture shall require the Trustee to do anything which, in its opinion, may be illegal or contrary to applicable law or regulation.

(y) The Trustee and the Paying Agent shall be entitled to make payments net of any taxes or other sums required by any applicable law to be withheld or deducted.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer, its Subsidiaries or their respective Affiliates with the same rights it would have if it were not Trustee. For the avoidance of doubt, any Paying Agent, Transfer Agent or Registrar may do the same with like rights.

Section 7.04 *Trustee's Disclaimer*.

The Trustee shall not be responsible for and makes no representation as to the validity, effectiveness, correctness or adequacy of this Indenture, the offering materials related to this Indenture or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, and it shall not be responsible for any statement of the Issuer in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication. The Trustee shall not be charged with knowledge of the identity of any Significant Subsidiary unless either (a) a Responsible Officer shall have actual knowledge thereof or (b) the Trustee shall have received notice thereof in accordance with Section 12.01 from the Issuer or any Holder.

Section 7.05 *Notice of Defaults.*

If a Default occurs and is continuing and a Responsible Officer of the Trustee has received written notification thereof by the Issuer, the Trustee shall give notice of the Default to the Holders within 60 days after being notified by the Issuer. Except in the case of a Default in the payment of principal of, or premium, if any, or interest on any Note, the Trustee may withhold notice if and so long as a committee of trust officers of the Trustee in good faith determines that withholding notice is in the interests of the Holders.

Section 7.06 *[Reserved]*.

Section 7.07 *Compensation and Indemnity*.

The Issuer, or, upon the failure of the Issuer to pay, each Guarantor, jointly and severally, shall pay to the Trustee and the Agents from time to time such compensation as the Issuer and Trustee or the Agents, as applicable, may from time to time agree in writing for its acceptance of

this Indenture and services hereunder and under the Notes. The Trustee's and the Agents' compensation shall not be limited by any law on compensation of a trustee of an express trust.

In the event of the occurrence of an Event of Default or the Trustee considering it expedient or necessary or being requested by the Issuer to undertake duties which the Trustee and the Issuer agree to be of an exceptional nature or otherwise outside the scope of the normal duties of the Trustee, the Issuer shall pay to the Trustee such additional remuneration as shall be agreed between them.

The Issuer and each Guarantor, jointly and severally, shall reimburse the Trustee and the Agents promptly upon request for all properly incurred disbursements, advances and expenses incurred or made by it (as evidenced in an invoice from the Trustee or the Agents, as applicable), including costs of collection, in addition to the compensation for its services. Such expenses shall include the properly incurred compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuer and each Guarantor, jointly and severally shall indemnify the Trustee, the Agents and their respective officers, directors, agents and employers against any and all loss, liability, taxes or expenses (including properly incurred attorneys' fees) incurred by or in connection with the acceptance or administration of its duties under this Indenture and the Notes including the costs and expenses of enforcing this Indenture against the Issuer (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuer or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder.

The Trustee shall notify the Issuer of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof;*provided*, *however*, that any failure to so notify the Issuer shall not relieve the Issuer or any Guarantor of its indemnity obligations hereunder. Except in cases where the interests of the Issuer and the Trustee may be adverse, the Issuer shall defend the claim and the indemnified party shall provide reasonable cooperation at the Issuer's and any Guarantor's expense in the defense. In cases where the interests of the Issuer and the Trustee are adverse, (i) such indemnified party may, in its sole discretion, assume the defense of the claim against it and the Issuer and any Guarantor shall, jointly and severally, pay the properly incurred fees and expenses of the indemnified party's defense (as evidenced in an invoice from the Trustee) and (ii) such indemnified parties may have separate counsel of their choosing and the Issuer and any Guarantor, jointly and severally, shall pay the properly incurred fees and expenses of such counsel (as evidenced in an invoice from the Trustee). The Issuer need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct, gross negligence or fraud.

To secure the Issuer's and any Guarantor's payment obligations in this Section 7.07, the Trustee and the Agents have a Lien senior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Issuer's and any Guarantor's payment obligations pursuant to this Section 7.07 and any lien arising thereunder shall survive the satisfaction or discharge of this Indenture, any

rejection or termination of this Indenture under any Bankruptcy Law or the resignation or removal of the Trustee and the Agents. Without prejudice to any other rights available to the Trustee and the Agents under applicable law, when the Trustee and the Agents incur expenses (including the fees and expenses of counsel) after the occurrence of a Default specified in Section 6.01(a)(6) with respect to the Issuer, the expenses are intended to constitute expenses of administration under any Bankruptcy Law.

For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Trustee in this Section 7.07, including its right to be indemnified, are extended to, and shall be enforceable by the Trustee in each of its capacities hereunder and by each agent (including the Agents), any custodian and any other Person employed with due care to act as agent hereunder.

Section 7.08 *Replacement of Trustee.*

(a) The Trustee may resign at any time by so notifying the Issuer in writing. The Holders of a majority in principal amount of the Notes then outstanding may remove the Trustee by so notifying the Trustee and the Issuer in writing and may appoint a successor Trustee. The Issuer shall be entitled to remove the Trustee and any Holder who has been a bona fide Holder for not less than six months may petition any court for removal of the Trustee and appointment of a successor Trustee, if:

(1) the Trustee, in its capacity as such, has or acquires a conflict of interest that is not eliminated;

(2) the Trustee is adjudged bankrupt or insolvent;

(3) a receiver or other public officer takes charge of the Trustee or its property; or

(4) the Trustee otherwise becomes incapable of acting as Trustee hereunder.

(b) If the Trustee resigns, is removed pursuant to Section 7.08(a) or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee.

(c) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, *provided* that all sums owing to the Trustee hereunder have been paid and subject to the lien provided for in this Section 7.08. For the avoidance of doubt, any removal or resignation of the Trustee pursuant to this Section 7.08 shall not become effective until the acceptance of the appointment by the successor Trustee.

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, (i) the retiring Trustee, at the expense of the Issuer, or the Holders of 10%

in principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor trustee, or (ii) the retiring Trustee may appoint a successor trustee at any time prior to the date on which a successor Trustee takes office; *provided* that such appointment is reasonably satisfactory to, and at the joint and several cost and expense of, the Issuer and Guarantors.

(e) Notwithstanding the replacement of the Trustee pursuant to this Section, the Issuer's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

(f) For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Trustee in this Article 7, including its right to be indemnified, are extended to, and shall be enforceable by each Agent employed to act hereunder.

Section 7.09 *Successor Trustee by Merger.*

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee or its Authenticating Agent may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

Section 7.10 *[Reserved]*.

Section 7.11 *Certain Provisions*.

Each Holder by accepting a Note authorizes and directs on his or her behalf the Trustee to enter into and to take such actions and to make such acknowledgements as are set forth in this Indenture or other documents entered into in connection therewith.

Section 7.12 *Resignation of Agents.*

(a) Any Agent may resign its appointment hereunder at any time without the need to give any reason and without being responsible for any costs associated therewith by giving notice to the Issuer and the Trustee (and in the case of resignation of the Paying Agent the Paying Agent giving 30 days' written notice) (waivable by the Issuer and the Trustee), provided that in the case of resignation of the Paying Agent no such resignation shall take effect until a new Paying Agent shall have been appointed by the Issuer to exercise the powers and undertake the duties hereby conferred and imposed upon the Paying Agent. Following receipt of a notice of resignation from any Agent, the Issuer shall promptly give notice thereof to the Holders in

accordance with Section 12.01 Such notice shall expire at least 30 days before or after any due date for payment in respect of the Notes.

(b) If any Agent gives notice of its resignation in accordance with this Section 7.12 and a replacement Agent is required and by the tenth day before the expiration of such notice such replacement has not been duly appointed, such Agent may itself appoint as its replacement any reputable and experienced financial institution or may petition a court of competent jurisdiction, with costs and expenses properly incurred by the Agent in relation to such petition to be paid by the Issuer. Immediately following such appointment, the Issuer shall give notice of such appointment to the Trustee, the remaining Agents and the Holders whereupon the Issuer, the Trustee, the remaining Agents and the replacement Agent shall acquire and become subject to the same rights and obligations between themselves as if they had entered into an agreement in the form *mutatis mutandis* of this Indenture.

(c) Upon its resignation becoming effective the Paying Agent shall forthwith transfer all moneys held by it hereunder, if any, to the successor Paying Agent or, if none, the Trustee or to the Trustee's order, but shall have no other duties or responsibilities hereunder, and shall be entitled to the payment by the Issuer of its remuneration for the services previously rendered hereunder and to the reimbursement of all reasonable expenses (including legal fees) incurred in connection therewith.

ARTICLE 8
DISCHARGE OF INDENTURE; DEFEASANCE

Section 8.01 *Discharge of Liability on Notes*; *Defeasance*.

(a) This Indenture, and the rights of the Trustee and the Holders hereunder will be discharged and cease to be of further effect (except as to surviving rights of conversion or transfer or exchange of the Notes, as expressly provided for in this Indenture) as to all outstanding Notes when (1) either (a) all the Notes previously authenticated and delivered (other than certain lost, stolen or destroyed Notes, and certain Notes for which provision for payment was previously made and thereafter the funds have been released to the Issuer) have been delivered to the relevant Paying Agent for cancellation; or (b) all Notes not previously delivered to the relevant Paying Agent for cancellation (i) have become due and payable, (ii) will become due and payable at their Stated Maturity within one year or (iii) are to be called for redemption within one year under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer; (2) the Issuer has deposited or caused to be deposited with the Trustee (or an entity designated or appointed as agent by it for this purpose), cash in U.S. dollars or U.S. dollar-denominated U.S. Government Obligations or a combination thereof, in an amount sufficient to pay and discharge the entire Indebtedness on the Notes not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest to the date of deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or redemption date, as the case may be; (3) the Issuer has paid or caused to be paid all other sums payable under this Indenture; (4) the Issuer has delivered irrevocable instructions under this Indenture to apply the deposited money toward payment of the Notes at maturity or on the redemption date, as the case may be; and (5) the Issuer has delivered to the Trustee an Officer's Certificate to the effect that all conditions precedent under

this Section 8.01 relating to the satisfaction and discharge of this Indenture have been complied with.

(b) Subject to Section 8.01(c) and Section 8.02, the Issuer at any time may terminate (i) all of its obligations and all obligations of each Guarantor under the Notes, any Note Guarantees and this Indenture ("*legal defeasance option*") and cure all then existing Defaults and Events of Default or (ii) its obligations under the covenants in Article 4 and Article 5 (other than clauses (1) and (2) of Section 5.03(a)) and the default provisions relating to such covenants in clause (3) (other than with respect to clauses (1) and (2) of Section 5.03(a) and other than clauses (A) and (B) of Section 5.04(a)(3)) of Section 6.01(a), the operation of clauses (5), (6) with respect to the Issuer and Significant Subsidiaries, (7) and (9) of Section 6.01(a) ("*covenant defeasance option*"). The Issuer at its option at any time may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. In the event that the Issuer terminates all of its obligations under the Notes and this Indenture by exercising its legal defeasance option, the obligations under any Guarantees shall each be terminated simultaneously with the termination of such obligations.

If the Issuer exercises its legal defeasance option, the rights of the Trustee and the Holders under this Indenture in effect at such time will terminate (other than with respect to the defeasance trust).

Upon satisfaction of the conditions set forth herein and upon request of the Issuer, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuer terminates.

If the Issuer exercises its legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default with respect to such Notes. If the Issuer exercises its covenant defeasance option with respect to the Notes, payment of the Notes may not be accelerated because of an Event of Default specified in clause (3) (other than with respect to clauses (1) and (2) of Section 5.03(a) and other than clauses (A) and (B) of Section 5.04(a)(3)), (5), (6), (7) or (9) of Section 6.01(a)).

(c) Notwithstanding Section 8.01(a) and Section 8.01(b), the Issuer's and any Guarantors' obligations in Sections 2.03, Section 2.04, Section 2.05, Section 2.06, Section 2.07, Section 2.08, Section 2.09, Section 2.10, Section 2.11, Article 7 and this Article 8, as applicable, and the rights of Holders to receive payments in respect of the principal, premium, if any, and interest on the Notes when such payments are due, solely out of the trust created pursuant to this Indenture referred to in Section 8.01(a) and Section 8.02(a), shall survive until the Notes have been paid in full. Thereafter, the Issuer's and any Guarantors' obligations in Section 7.07, Section 8.05 and Section 8.06, as applicable, shall survive.

Section 8.02 *Conditions to Defeasance.*

(a) The Issuer may exercise its legal defeasance option or its covenant defeasance option only if the Issuer has irrevocably deposited in trust (the "*defeasance trust*") with the Trustee (or an entity designated or appointed as agent by it for this purpose) cash in U.S. dollars or U.S. dollar-denominated U.S. Government Obligations or a combination thereof for the

payment of principal, premium, if any, and interest on the Notes to redemption or maturity, as the case may be, and has delivered to the Trustee:

(1) an Opinion of Counsel (subject to customary exceptions and exclusions) from United States counsel to the effect that Holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred (and in the case of legal defeasance only, such Opinion of Counsel from United States counsel must be based on a ruling of the U.S. Internal Revenue Service or other change in applicable U.S. federal income tax law);

(2) an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying, defrauding or preferring any creditors of the Issuer;

(3) an Officer's Certificate stating that all conditions precedent provided for or relating to legal defeasance or covenant defeasance, as the case may be,

have been complied with; and

(4) an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the U.S. Investment Company Act of 1940, as amended.

(b) Before or after a deposit, the Issuer may make arrangements satisfactory to the Trustee for the redemption of Notes at a future date in accordance with Article 3.

Section 8.03 *Application of Trust Money.*

The Trustee (or an entity appointed or designated (as agent) by it for this purpose) shall hold in trust money, U.S. Government Obligations for the payment of principal, premium, if any, and interest deposited with it pursuant to this Article 8. It shall apply the deposited money and the money from the U.S. Government Obligations through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes.

Section 8.04 *Repayment to Issuer*.

The Trustee and the Paying Agent shall promptly turn over to the Issuer upon request any money, U.S. Government Obligations held by it as provided in this Article 8 which, in the written opinion of an internationally recognized firm of independent public accountants delivered to the Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent discharge or defeasance in accordance with this Article 8.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Issuer upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must

look to the Issuer for payment as general creditors, and the Trustee and the Paying Agent shall have no further liability with respect to such monies.

Section 8.05 *Indemnity for Government Obligations.*

The Issuer and any Guarantor, jointly and severally, shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

Section 8.06 *Reinstatement*.

If the Trustee or Paying Agent is unable to apply any money, U.S. Government Obligations in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or Paying Agent is permitted to apply all such money, U.S. Government Obligations in accordance with this Article 8; *provided*, *however*, that if the Issuer has made any payment of principal of or interest on any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money, U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENTS AND WAIVERS

Section 9.01 *Without Consent of Holders.*

(a) Without the consent of any Holder, the Issuer, the Trustee and the other parties thereto, as applicable, may amend or supplement any Notes Documents to:

(1) cure any ambiguity, omission, defect, error or inconsistency;

(2) provide for the assumption by a successor Person of the obligations of the Issuer or any Guarantor under any Notes Document;

(3) add to the covenants or provide for a Guarantee for the benefit of the Holders or surrender any right or power conferred upon the Issuer or any Restricted Subsidiary;

(4) make any change that would provide additional rights or benefits to the Trustee or the Holders or does not adversely affect the rights or benefits to the Trustee or any of the Holders in any material respect under the Notes Documents;

(5) make such provisions as necessary (as determined in good faith by the Issuer) for the issuance of Additional Notes Incurred in accordance with the terms of this Indenture;

(6) provide for a Restricted Subsidiary to provide a Note Guarantee in accordance with this Indenture, to add Guarantees with respect to the Notes (including any provisions relating to the release or limitations of such additional Guarantees), to add security to or for the benefit of the Notes, or to effectuate or confirm and evidence the release, termination, discharge or retaking of any Note Guarantee or Lien or any amendment in respect thereof with respect to the Notes when such release, termination, discharge or retaking or amendment is provided for in this Indenture;

(7) conform the text of this Indenture, the Note Guarantees or the Notes to any provision of the section of the Offering Memorandum entitled "Description of Notes" to the extent that such provision in the section of the Offering Memorandum entitled "Description of Notes" was intended to be a *verbatim* recitation of a provision of this Indenture, a Note Guarantee or the Notes; or

(8) evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee pursuant to the requirements thereof or to provide for the accession by the Trustee to any Notes Document.

(b) In formulating its decision on the matters described in Section 9.01(a), the Trustee shall be entitled to require and rely absolutely on such evidence as it deems necessary, including Officer's Certificates and Opinions of Counsel.

Section 9.02 *With Consent of Holders*.

(a) The Issuer may amend, supplement or otherwise modify the Notes Documents with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) and, unless otherwise provided for in this Indenture, any default or compliance with any provisions thereof may be waived with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). However, without the consent of each Holder of Notes affected (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), an amendment, supplement or waiver may not:

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, waiver, supplement or modification;

(2) reduce the stated rate of or extend the stated time for payment of interest on any Note (other than, for the avoidance of doubt, any payment pursuant to a Change of Control Offer or pursuant to Section 4.08);

(3) reduce the principal of, or extend the Stated Maturity of, any Note;

(4) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed, in each case under Section 3.07 (other than, for the avoidance of doubt, any payment pursuant to a Change of Control Offer or pursuant to Section 4.08);

(5) make any Note payable in money other than that stated in the Note (except to the extent the currency stated in the Notes has been succeeded or replaced pursuant to applicable law);

(6) impair the right of any Holder to receive payment of principal of and interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any such payment on or with respect to such Holder's Notes (it being understood that this Section 9.02(a)(6) will not apply to Section 4.03 or Section 4.08 except to the extent payments thereunder are at such time due and payable);

(7) *[Reserved]*;

(8) waive a Default or Event of Default with respect to the nonpayment of principal, premium or interest on the Notes (except pursuant to a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of such Notes and a waiver of the payment default that resulted from such acceleration); or

(9) make any change in the amendment or waiver provisions which require the Holders' consent described in this Section 9.02(a).

(b) In addition, without the consent of at least 75% in aggregate principal amount of Notes then outstanding, no amendment, supplement or waiver may release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms this Indenture.

(c) In formulating its decision on the matters described in Section 9.02(a), the Trustee shall be entitled to require and rely absolutely on such evidence as it deems necessary, including Officer's Certificates and Opinions of Counsel.

(d) The consent of the Holders is not necessary under this Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment. A consent to any amendment or waiver under this Indenture by any Holder of Notes given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.

(e) After an amendment under this Section 9.02 becomes effective, in the case of Holders of Definitive Notes, the Issuer shall mail to the Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

(f) The Notes issued on the Issue Date, and any Additional Notes, will be treated as a single class for all purposes under this Indenture, including with respect to waivers and amendments, except as otherwise stated in this Section 9.02.

Section 9.03 *Revocation and Effect of Consents and Waivers*.

(a) A written consent to an amendment or a waiver by a Holder shall bind the Holder and every subsequent Holder of that Note or portion of the Notes that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Issuer or the Trustee of the requisite number of consents, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuer and the Trustee.

(b) The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their written consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding Section 9.03(a), those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

Section 9.04 *Notation on or Exchange of Notes.*

If an amendment, modification or supplement changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Note shall issue and the Trustee or an Authenticating Agent shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment, modification or supplement.

Section 9.05 *Trustee to Sign Amendments.*

The Trustee shall sign any amendment authorized pursuant to this Article 9 if the amendment does not impose any personal obligations on the Trustee or adversely affect the rights, duties, liabilities or immunities of the Trustee under this Indenture. If it does, the Trustee may, but need not, sign it. In signing such amendment the Trustee shall be entitled to receive an indemnity and/or security satisfactory to it and to receive, and (subject to Section 7.01 and Section 7.02(o)) shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel stating that such amendment complies with this Indenture and that such amendment has been duly authorized,

executed and delivered and is the legally valid and binding obligation of the Issuer and the Guarantors (if any) enforceable against them in accordance with its terms, subject to customary exceptions.

Notwithstanding the foregoing and Section 12.02(b), no Opinion of Counsel will be required for the Trustee to execute any amendment or supplement adding a new Guarantee of the Notes under this Indenture; *provided that* the execution thereof shall be deemed a representation by such Guarantor(s) that (i) all conditions precedent and covenants, if any, relating to the execution of such supplemental indenture have been satisfied, (ii) that such executed supplemental indenture is substantially in the form attached as Exhibit D hereto (subject to the inclusion of any additional limitations under applicable laws on the obligations of such Guarantor under its Note Guarantee) and (iii) such supplemental indenture is enforceable in accordance with its terms subject to (A) bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and similar laws affecting the rights and remedies of creditors generally and (B) general principles of equity.

For the avoidance of doubt, an Officer's Certificate (which the Trustee will be fully protected in relying upon and upon which the Trustee shall be entitled to rely without further enquiry or investigation) will be required for the Trustee to execute any amendment or supplement adding a new Guarantee of the Notes under this Indenture.

ARTICLE 10
NOTE GUARANTEES

Section 10.01 *Note Guarantees*.

(a) Subject to this Article 10, each of the Guarantors hereby, as primary obligor and not merely as a surety, jointly and severally, unconditionally and on a senior basis guarantees to each Holder authenticated and delivered by the Trustee (or the Authenticating Agent), to the Trustee and its successors and assigns (on behalf of and for the benefit of the Holders, for the purpose of this Article 10, and not in its individual capacity, but solely in its role as representative of the Holders), irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that:

(1) the principal of, and premium, if any, and interest on, the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest, and premium, if any, on the Notes (to the extent permitted by law) and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) Each Guarantor hereby agrees that its obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action or any delay or omission to assert any claim or to demand or enforce any remedy hereunder or thereunder, any waiver, surrender, release or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor (other than payment in full of all the Obligations of the Issuer hereunder and under the Notes). Each Guarantor hereby waives, to the fullest extent permitted by law, diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that this Note Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture or by release in accordance with the provisions of this Indenture.

(c) If any Holder, the Trustee is required by any court or otherwise to return to or for the benefit of the Issuer, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid by either the Issuer or the Guarantors to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Until terminated in accordance with Section 10.06, each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand,

(1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and

(2) in the event of any declaration of acceleration of such obligations as provided in Article 6 such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

(e) Each Guarantor also agrees to pay any and all costs and expenses (including attorneys' fees and expenses) incurred by the Trustee in enforcing any rights under this Section 10.01.

(f) Each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation, reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any

time payment of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any

way be affected or impaired thereby.

Section 10.02 *Successors and Assigns*.

This Article 10 shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

Section 10.03 *No Waiver*.

Neither a failure nor a delay on the part of the Trustee or the Holders in exercising any right, power or privilege under this Article 10 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 10 at law, in equity, by statute or otherwise.

Section 10.04 *Modification.*

No modification, amendment or waiver of any provision of this Article 10, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstances.

Section 10.05 *Execution of Supplemental Indenture for Guarantors.*

Each Subsidiary which is required to become a Guarantor pursuant to this Indenture and the Issuer shall promptly execute and deliver to the Trustee a supplemental indenture in the form attached to this Indenture as Exhibit D pursuant to which such Subsidiary and the Issuer shall become a Guarantor under this Article 10. Concurrently with the execution and delivery of such supplemental indenture, the Issuer shall deliver to the Trustee an Officer's Certificate (which the Trustee shall be fully protected in relying upon and upon which the Trustee shall be entitled to rely, without further enquiry or investigation) to the effect that such supplemental indenture has been duly authorized, executed and delivered by such Subsidiary or the Issuer and that, subject to

the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws relating to creditors' rights generally and to the principles of equity, whether considered in a proceeding at law or in equity, the Note Guarantee of such Guarantor is a legally valid and binding obligation of such Guarantor, enforceable against such Guarantor in accordance with its terms and to such other matters as the Trustee may reasonably request.

The obligations of a Guarantor executing and delivering a supplemental indenture to this Indenture providing for a Note Guarantee of the Notes under this Article 10 shall be subject to such limitations as are mandated under applicable laws in addition to the limitations set forth in Section 10.07 and set out in the relevant supplemental indenture.

Section 10.06 *Release of the Note Guarantees*.

(a) Each Note Guarantee will terminate automatically:

(1) upon a sale or other disposition (including by way of consolidation, merger, amalgamation or combination) of the Capital Stock of the relevant Guarantor (whether by direct sale or sale of a holding company of such Guarantor) or the sale or disposition of all or substantially all the assets of the Guarantor (other than to the Issuer or a Restricted Subsidiary), in each case if the sale or other disposition does not violate Section 4.08;

(2) (i) upon the designation in accordance with this Indenture of that Guarantor as an Unrestricted Subsidiary or (ii) such Guarantor otherwise becomes an Excluded Subsidiary (other than pursuant to clause (1) of the definition thereof);

(3) upon legal defeasance, covenant defeasance or satisfaction and discharge of this Indenture, as provided in Article 8;

(4) as described under Article 9;

(5) as described under Section 4.21;

(6) with respect to any Guarantor that is not the continuing or surviving Person in the relevant consolidation or merger, as a result of a transaction that complies with Section 5.04; or

(7) upon the full and final payment and performance of all obligations of the Issuer under this Indenture and the Notes.

(b) *[Reserved]*.

(c) The Trustee shall take all necessary actions to effectuate any release of a Note Guarantee in accordance with Section 10.06(a), subject to customary protections and indemnifications. Each of the releases set forth in Section 10.06(a) shall be effective without the consent of the Holders or, if no such action is required, any action on the part of the Trustee. Neither the Trustee nor the Issuer will be required to make a notation on the Notes to reflect any such release, termination or discharge.

Section 10.07 *Limitations on Obligations of Guarantors.*

(a) Each Guarantor and, by its acceptance of the Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Guarantee shall be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata

portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

Section 10.08 *Non-Impairment*.

The failure to endorse a Note Guarantee on any Note shall not affect or impair the validity thereof.

If the due date for any payment in respect of any Notes is not a Business Day at the place at which such payment is due to be paid, the Holder thereof will not be entitled to payment of the amount due until the next succeeding Business Day at such place, and will not be entitled to any further interest or other payment as a result of any such delay.

3. *Paying Agent, Transfer Agent and Registrar*

Initially, Deutsche Bank Trust Company Americas will act as Paying Agent, Transfer Agent and Registrar. The Issuer may appoint and change any Registrar, Transfer Agent and Paying Agent. The Issuer or any of its Subsidiaries may act as Registrar, Transfer Agent and Paying Agent.

4. *Indenture*

The Issuer issued the Notes under the Indenture dated as of September 23, 2016 (the "*Indenture*"), among the Issuer, the Initial Guarantors and Deutsche Bank Trust Company Americas, as trustee (the "*Trustee*"), Paying Agent, Transfer Agent, and Registrar. The terms of the Notes include those stated in the Indenture. Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all terms

and provisions of the Indenture, and Holders are referred to the Indenture for a statement of such terms and provisions. In the event of a conflict between the Indenture and the terms of the Notes, the terms of the Indenture govern.

The Notes are general, senior obligations of the Issuer. This Note is one of the Notes referred to in the Indenture. The Notes and, if issued, any Additional Notes are treated as a single class for all purposes under the Indenture, including, without limitation, with respect to waivers, amendments, redemptions and offers to purchase, except as otherwise provided for therein.

5. *Optional Redemption*

(a) On and after April 15, 2022, the Issuer may redeem all or, from time to time, part of the Notes upon not less than 10 nor more than 60 days' notice, at the following redemption prices (expressed as a percentage of the principal amount) plus accrued and unpaid interest to, but not including, the applicable redemption date (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the twelve-month period beginning on April 15 of the years indicated below:

Year	Redemption Price
2022	102.750%
2023	101.833%
2024	100.917%
2025 and thereafter	100.000%

(b) Prior to April 15, 2022, the Issuer may redeem all or, from time to time, a part of the Notes upon not less than 10 nor more than 60 days' notice at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium and accrued and unpaid interest, to, but not including, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

(c) Prior to October 15, 2019, the Issuer may on any one or more occasions redeem up to 40% of the original principal amount of the Notes (including the principal amount of any Additional Notes denominated in such currencies), upon not less than 10 nor more than 60 days' notice, with funds in an aggregate amount not exceeding the Net Cash Proceeds of one or more Equity Offerings at a redemption price of 105.500% of the principal amount of the Notes, plus accrued and unpaid interest to, but not including, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided* that:

(i) at least 60% of the original principal amount of the Notes (including the principal amount of any Additional Notes) remains outstanding after each such redemption; and

(ii) the redemption occurs within 180 days after the closing of such Equity Offering.

(d) If a redemption date is not a Business Day, payment may be made on the next succeeding day that is a Business Day, and no interest shall accrue on any amount that would have been otherwise payable on such redemption date if it were a Business Day for the intervening period.

(e) Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes or the portion thereof called for redemption on the applicable redemption date.

(f) Any redemption notice given in respect of the redemption of the Notes (including upon an Equity Offering or in connection with a transaction (or series of related transactions) or an event that constitutes a Change of Control) may, at the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent, including, but not limited to, the completion or occurrence of the related transaction, as the case may be.

(g) Any redemption pursuant to this paragraph 5 shall be made pursuant to Sections 3.01 through 3.06 of the Indenture.

(h) If any Notes are listed on an exchange, and the rules of the exchange so require, the Issuer will notify the exchange of any such redemption and the principal amount of any Notes outstanding following any partial redemption of such Notes. In no event will the Trustee be responsible for monitoring, or charged with knowledge of, the maximum aggregate amount of Notes eligible under the Indenture to be redeemed.

(b) In accordance with Section 4.08 of the Indenture, the Issuer will be required to, or may be permitted to, offer to purchase Notes upon the occurrence of certain events, including certain Asset Dispositions.

ARTICLE 2
THE NOTES

Section 2.01 *Form and Dating*.

The Notes and the Trustee's certificate of authentication with respect thereto will be substantially in the form of Exhibit A hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage and as provided herein. The Issuer shall approve the form of the Notes and any notation, legend or endorsement thereon. Each Note will be dated the date of its authentication. The terms and provisions contained in the Notes will constitute, and are hereby expressly made, a part of this Indenture and the Issuer, the Guarantors, the Trustee and the Notes Security Agent, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(a) *Global Notes*.

Notes issued in global form will be substantially in the form of Exhibit A hereto (including the Global Note Legend thereon and the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Each Global Note will represent such of the outstanding Notes as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions and purchases and cancellations. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby will be made by the Registrar, the Notes

Custodian or DTC, at the direction of the Registrar, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

(b) *Rule 144A Global Notes and Regulation S Global Notes*.

Notes offered and sold in reliance on Regulation S shall be issued initially in the form of one or more Definitive Registered Notes or one or more Global Notes, each substantially in the form of Exhibit A hereto, with such applicable legends as are provided in Exhibit A hereto, except as otherwise permitted herein. Such Notes in the form of Global Notes (the "*Regulation S Global Notes*") shall be deposited on behalf of the purchasers of the Notes represented thereby with the Registrar (or Notes Custodian) as custodian for DTC, and registered in the name of Cede & Co., as nominee of DTC, for the accounts of DTC, duly executed by the Issuer and authenticated by the Trustee or the Authenticating Agent as hereinafter provided; *provided that*, during the 40-day "distribution compliance period" (as such term is defined in Rule 902 of Regulation S under the Securities Act), the Regulation S Global Notes will initially be credited within DTC for the accounts of Clearstream or Euroclear. After the 40-day distribution compliance period ends, investors may also hold their interests in the permanent Regulation S Global Note through organizations other than Clearstream or Euroclear that are DTC participants. The aggregate principal amount of the Regulation S Global Notes may from time to time be increased or decreased by adjustments made by the Registrar on Schedule A to the

Regulation S Global Notes and recorded in the register maintained by the Registrar, as hereinafter provided.

Notes offered and sold to QIBs in reliance on Rule 144A shall be issued initially in the form of one or more Definitive Registered Notes or one or more Global Notes, each substantially in the form of Exhibit A hereto, with such applicable legends as are provided in Exhibit A, except as otherwise permitted herein. Such Notes in the form of Global Notes (the "*Rule 144A Global Notes*") shall be deposited on behalf of the purchasers of the Notes represented thereby with the Registrar (or Notes Custodian) as custodian for DTC, and registered in the name of Cede & Co., as nominee of DTC, for the accounts of DTC, duly executed by the Issuer and authenticated by the Trustee or the Authenticating Agent as hereinafter provided. The aggregate principal amount of the Rule 144A Global Notes may from time to time be increased or decreased by adjustments made by the Registrar on Schedule A to the Rule 144A Global Notes and recorded in the register maintained by the Registrar, as hereinafter provided.

(c) *Definitive Registered Notes*.

Definitive Registered Notes shall be issued in accordance with this Indenture. Notes issued in definitive registered form will be substantially in the forms of Exhibit A hereto (excluding the Global Note Legend thereon and without the "Schedule of Exchanges of Interests in the Global Note" in the form of Schedule A attached thereto).

(d) *Book-Entry Provisions*.

The Applicable Procedures shall be applicable to Book-Entry Interests in the Global Notes that are held by Participants through DTC.

(e) *Denomination.*

The Notes shall be in minimum denominations of $200,000 and in integral multiples of $1,000 in excess thereof.

Section 2.02 *Execution and Authentication*.

At least one Officer must execute the Notes on behalf of the Issuer by manual, facsimile, or electronic (in ".pdf" format) signature. If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note will nevertheless be valid.

A Note will not be valid until authenticated by the manual signature of the authorized signatory of the Trustee or its Authenticating Agent. The signature will be conclusive evidence that the Note has been authenticated under this Indenture. Notwithstanding the foregoing, if any Note shall have been authenticated and delivered hereunder but never issued and sold by the Issuer, the Issuer shall deliver such Note to the Trustee for cancellation pursuant to Section 2.11 hereof.

The Trustee or the Authenticating Agent will, upon receipt of a written order of the Issuer signed by an authorized representative (an "*Authentication Order*"), authenticate the Notes for original issue that may be validly issued under this Indenture, including any Additional Notes.

The aggregate principal amount of Notes outstanding at any time may not exceed the aggregate principal amount of Notes authorized for issuance by the Issuer pursuant to one or more Authentication Orders, except as provided in Section 2.07 hereof.

The Trustee may appoint one or more authentication agents (each, an "*Authenticating Agent*") to authenticate Notes. Such an agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An Authenticating Agent has the same rights as an Agent to deal with Holders or an Affiliate of the Issuer. The Trustee hereby appoints Deutsche Bank Trust Company Americas as its Authenticating Agent in respect of the Notes. Deutsche Bank Trust Company Americas accepts such appointment, and the Issuer hereby confirms these appointments.

Section 2.03 *Registrar and Paying Agent.*

(a) The Issuer shall maintain an office or agency where Notes may be presented for registration (the "***Registrar***") in New York, New York and where Notes may be presented for payment (the "***Paying Agent***"). The Registrar shall keep a register reflecting ownership of the Notes outstanding from time to time and of their transfer and exchange. In addition, the Issuer shall maintain an office or agency in New York, New York where Notes may be presented for transfer or exchange (the "***Transfer Agent***"). The Issuer may have one or more co-registrars and one or more additional transfer and paying agents. The terms "***Paying Agent***" and "***Transfer Agent***" include the Paying Agent, the Transfer Agent and any additional paying agent or transfer agent, as applicable, and the term "***Registrar***" includes any co-registrars. The Issuer initially appoints Deutsche Bank Trust Company Americas, in New York, who accepts such appointment, as Paying Agent. The Issuer initially appoints Deutsche Bank Trust Company Americas, in respect of the Notes, who accepts such appointment, as a Transfer Agent. The Issuer initially appoints Deutsche Bank Trust Company Americas, in respect of the Notes, who accepts such appointment, as Registrar. The Registrar shall provide a copy of the register and any update thereof to the Issuer upon request.

(b) The Issuer shall enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture. Such agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee of the name and address of any such agent. If the Issuer fails to maintain a Registrar or Paying Agent, the Trustee may act, or may arrange for appropriate parties to act, as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Issuer or any Restricted Subsidiary may act as Paying Agent or Registrar in respect of the Notes.

(c) The Issuer may change any Registrar, Paying Agent or Transfer Agent upon written notice to such Registrar, Paying Agent or Transfer Agent and to the Trustee, without prior notice to the Holders; *provided*, *however*, that no such removal shall become effective until (i) acceptance of an appointment by a successor as evidenced by an appropriate agreement entered into by the Issuer and such successor Registrar, Paying Agent, or Transfer Agent, as the case may be, and delivered to the

Trustee or (ii) notification to the Trustee that the Trustee shall, to the extent that it determines that it is able, serve as Registrar or Paying Agent or Transfer Agent until the appointment of a successor in accordance with clause (i) above. The Registrar,

Paying Agent or the Transfer Agent may resign by providing 30 days' written notice to the Issuer and the Trustee.

If any Notes are listed on an exchange and the rules of such exchange so require, the Issuer will satisfy any requirement of such exchange as to Paying Agents, Registrars and Transfer Agents and will comply with any notice requirements required under such exchange in connection with any change of Paying Agent, Registrar or Transfer Agent.

Section 2.04 *Paying Agent not a party to this Indenture to Hold Money.*

No later than 10:00 a.m. New York time on the Business Day that is the due date of the principal of, interest and premium (if any) on any Note, the Issuer shall deposit with the Paying Agent (or if the Issuer or a Restricted Subsidiary of the Issuer is acting as Paying Agent, segregate and hold in trust for the benefit of, or to the extent the concept of trust is not recognized in the relevant jurisdiction, hold on behalf of and for the benefit of, the Persons entitled thereto) a sum sufficient to pay such principal, interest and premium (if any) when so becoming due and, subject to receipt of such monies, the Paying Agent shall make payment on the Notes in accordance with this Indenture. The Issuer shall require each Paying Agent that is not a party to this Indenture to agree in writing (and any Paying Agent party to this Indenture agrees) that such Paying Agent shall hold for the benefit of the Trustee all money held by the Paying Agent for the payment of principal of, interest and premium (if any) on the Notes and shall notify the Trustee of any default by the Issuer (or any other obligor on the Notes) in making such payment. The Issuer shall, no later than 10:00 a.m. New York time the Business Day prior to the date on which such payment is due, send to the Paying Agent an irrevocable payment instruction. If the Issuer or a Restricted Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon complying with this Section 2.04, the Paying Agent shall have no further liability for the money delivered to the Trustee. For the avoidance of doubt, the Paying Agent and the Trustee shall be held harmless and have no liability or obligation with respect to payments or disbursements to be made by the Paying Agent and Trustee (i) for which payment instructions are not made or that are not otherwise deposited by the respective times set forth in this Section 2.04, and (ii) until they have confirmed receipt of funds sufficient to make the relevant payment.

In the event that the funds received by the Paying Agent pursuant to Section 1.6(c) of the Notes Escrow Agreement or otherwise to be applied in accordance with Section 2.04 hereof exceeds the amount necessary to satisfy all of the Issuer's obligations pursuant to the Notes and this Indenture, upon request by the Issuer, the Paying Agent shall promptly furnish the Issuer with such excess amount.

Section 2.05 *Holder Lists*.

The Registrar shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. Following the exchange of beneficial interests in Global Notes for Definitive Registered Notes, the Issuer shall furnish, or cause the Registrar to furnish, to the Trustee, in writing at least five Business Days before each

interest payment date, and at such other times as the Trustee may reasonably require, the names and addresses of Holders of such Definitive Registered Notes.

Section 2.06 *Transfer and Exchange*.

(a) Transfer and Exchange of Global Notes.

A Regulation S Global Note or Rule 144A Global Note may not be transferred except as a whole by DTC to a Notes Custodian or a nominee of such Notes Custodian, by a Notes Custodian or a nominee of such Notes Custodian to DTC or to another nominee or Notes Custodian of DTC, or by such Notes Custodian or DTC or any such nominee to a successor of DTC or a Notes Custodian or a nominee thereof.

All Global Notes will be exchanged by the Issuer for Definitive Registered Notes:

(1) if DTC notifies the Issuer that it is unwilling or unable to continue to act as depositary and a successor depositary is not appointed by the Issuer within 120 days;

(2) if DTC so requests following an event of default under this Indenture or the Existing Senior Secured Notes Indenture, as applicable; or

(3) if the owner of a Book-Entry Interest requests such exchange in writing delivered through DTC, following an Event of Default under this Indenture.

Upon the occurrence of any of the preceding events in clauses (1) through (3) above, the Issuer shall issue Definitive Registered Notes registered in the name or names and issued in any approved denominations, as requested by or on behalf of DTC, or the Issuer, as applicable (in accordance with their respective customary procedures and based upon directions received from participants reflecting the beneficial ownership of Book-Entry Interests), to the Trustee and the Registrar, and such transfer or exchange shall be recorded in the Register.

Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10 hereof. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a). Book-Entry Interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b) or (c) hereof.

(b) General Provisions Applicable to Transfer and Exchange of Book-Entry Interests in the Global Notes.

The transfer and exchange of Book-Entry Interests shall be effected through DTC in accordance with the provisions of this Indenture and the Applicable Procedures. In connection with all transfers and exchanges of Book-Entry Interests (other than transfers of Book-Entry Interests in connection with which the transferee takes delivery thereof in the form of a Book-Entry Interest in the same Global Note), the Transfer Agent (copied to the Trustee) must receive: (i) a written order from a Participant or an Indirect Participant given to DTC in accordance with the Applicable Procedures directing DTC to debit from the transferor a Book-Entry Interest in an amount equal to the Book-Entry Interest to be transferred or exchanged; (ii) a written order from a Participant or an Indirect Participant given to DTC in accordance with the Applicable

Procedures directing DTC to credit or cause to be credited a Book-Entry Interest in another Global Note in an amount equal to the Book-Entry Interest to be transferred or exchanged; and (iii) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited or debited with such increase or decrease, if applicable.

In connection with a transfer or exchange of a Book-Entry Interest for a Definitive Registered Note, the Transfer Agent (copied to the Trustee and the Registrar) must receive: (i) a written order from a Participant or an Indirect Participant given to DTC in accordance with the Applicable Procedures directing DTC to debit from the transferor a Book-Entry Interest in an amount equal to the Book-Entry Interest to be transferred or exchanged; (ii) a written order from a Participant directing the Registrar to cause to be issued a Definitive Registered Note in an amount equal to the Book Entry Interest to be transferred or exchanged; and (iii) instructions containing information regarding the Person in whose name such Definitive Registered Note shall be registered to effect the transfer or exchange referred to above.

In connection with any transfer or exchange of Definitive Registered Notes, the Holder of such Notes shall present or surrender to the Registrar the Definitive Registered Notes duly endorsed or accompanied by a written instruction of transfer in a form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, in connection with a transfer or exchange of a Definitive Registered Note for a Book-Entry Interest, the Transfer Agent (copied to the Trustee) must receive a written order directing DTC to credit the account of the transferee in an amount equal to the Book-Entry Interest to be transferred or exchanged.

Upon satisfaction of all of the requirements for transfer or exchange of Book-Entry Interests in Global Notes (other than transfers of Book-Entry Interests in connection with which the transferee takes delivery thereof in the form of a Book-Entry Interest in the same Global Note) contained in this Indenture, the Transfer Agent (copied to the Trustee or the Registrar), as specified in this Section 2.06, shall endorse the Global Note(s) with any increase or decrease and instruct DTC to reflect such increase or decrease in its systems.

Transfers of Book-Entry Interests shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers and exchanges of Book-Entry Interests for Book-Entry Interests also shall require compliance with either subparagraph (b)(1) or (b)(2) below, as applicable, as well as subparagraph (b)(3) below, if applicable:

(1) *Transfer of Book-Entry Interests in the Same Global Note.* Book-Entry Interests in a Global Note may be transferred to Persons who take delivery thereof in the form of a Book-Entry Interest in a Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; *provided*, *however*, that prior to the expiration of the Restricted Period, Book-Entry Interests in the Regulation S Global Notes will be limited to persons that have accounts with DTC or persons who hold interests through DTC, and any sale or transfer of such interest to U.S. persons shall not be permitted during the Restricted Period unless such resale or transfer is made pursuant

to Rule 144A. No written orders or instructions shall be required to be delivered to the Trustee to effect the transfers described in this Section 2.06(b)(1).

(2) *All Other Transfers and Exchanges of Book-Entry Interests in Global Notes.* A Holder may transfer or exchange a Book-Entry Interest in Global Notes in a transaction not subject to Section 2.06(b)(1) above only if the Trustee and the Registrar or the Transfer Agent (copied to the Trustee) receives either:

(A) both:

(i) a written order from a Participant or an Indirect Participant given to DTC in accordance with the Applicable Procedures directing DTC to credit or cause to be credited a Book-Entry Interest in another Global Note in an amount equal to the Book-Entry Interest to be transferred or exchanged; and

(ii) instructions given by DTC in accordance with the Applicable Procedures containing information regarding the Participant's account to be credited with such increase; or

(B) both:

(i) a written order from a Participant or an Indirect Participant given to DTC in accordance with the Applicable Procedures directing DTC to cause to be issued a Definitive Registered Note in an amount equal to the Book-Entry Interest to be transferred or exchanged; and

provided that any such transfer or exchange is made in accordance with the transfer restrictions set forth in the Private Placement Legend.

(3) *Transfer of Book-Entry Interests to Another Global Note.* A Book-Entry Interest in any Global Note may be transferred to a Person who takes delivery thereof in the form of a Book-Entry Interest in another Global Note if the transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a Book-Entry Interest in a Rule 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; and

(c) Transfer or Exchange of Book-Entry Interests in Global Notes for Definitive Registered Notes.

If any holder of a Book-Entry Interest in a Global Note proposes to exchange such Book-Entry Interest for a Definitive Registered Note or to transfer such Book-Entry Interest to a Person who takes delivery thereof in the form of a Definitive Registered Note, then, upon receipt by the Trustee and the Registrar of the following documentation:

(3) in the case of a transfer after the expiration of the Restricted Period by a holder of a Book-Entry Interest in a Regulation S Global Note, the transfer complies with Section 2.06(b);

(4) in the case of a transfer by a holder of a Book-Entry Interest in a Rule 144A Global Note to a QIB in reliance on Rule 144A, the Trustee shall have received a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (1) thereof;

(5) in the case of a transfer by a holder of a Book-Entry Interest in a Rule 144A Global Note in reliance on Regulation S, the Trustee shall have received a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (2) thereof; or

(6) in the case of a transfer by a holder of a Book-Entry Interest in a Rule 144A Global Note in reliance on Rule 144, the Trustee shall have received a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3) thereof,

the Paying Agent or Registrar shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(g) hereof, and the Issuer shall execute and the Trustee or its Authenticating Agent shall authenticate and deliver to the Person designated in the instructions a Definitive Registered Note in the appropriate principal amount. Any Definitive Registered Note issued in exchange for, or upon transfer of, a Book-Entry Interest in a Global Note pursuant to this Section 2.06(c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such Book-Entry

Interest shall instruct the Registrar through instructions from DTC and the Participant or Indirect Participant. The Registrar shall deliver (or cause to be delivered) such Definitive Registered Notes to the Persons in whose names such Notes are so registered. Any Definitive Registered Note issued in exchange for a Book-Entry Interest in a Global Note pursuant to this Section 2.06(c) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(d) *Transfer and Exchange of Definitive Registered Notes for Book-Entry Interests in the Global Notes.* If any Holder of a Definitive Registered Note proposes to exchange such Note for a Book-Entry Interest in a Global Note or to transfer such Definitive Registered Notes to a Person who takes delivery thereof in the form of a Book-Entry Interest in a Global Note, then, upon receipt by the Trustee, the Transfer Agent and the Registrar of the following documentation:

(1) if the Holder of such Definitive Registered Note proposes to exchange such Note for a Book-Entry Interest in a Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (2) thereof;

the Registrar will cancel the Definitive Registered Note and record such exchange or transfer in the Register, and the Registrar will increase or cause to be increased the aggregate principal amount of, in the case of clause (1) above, the appropriate Global Note, in the case of clause (2) above, the appropriate Rule 144A Global Note, in the case of clause (3) above, the appropriate Global Note, and in the case of clause (4) above, the appropriate Global Note.

(e) *Transfer and Exchange of Definitive Registered Notes for Definitive Registered Notes.*

Definitive Registered Notes may be transferred or exchanged in whole or in part, in minimum denominations of $200,000 in principal amount and integral multiples of $1,000 in excess thereof to persons who take delivery thereof in the form of Definitive Registered Notes in accordance with this Section 2.06(e). Upon request by a Holder of Definitive Registered Notes and such Holder's compliance with the provisions of this Section 2.06(e), the Transfer Agent or the Registrar will register the transfer or exchange of Definitive Registered Notes of which registration the Issuer will be informed of by the Transfer Agent or the Registrar (as the case may be) upon request. Prior to such registration of transfer or exchange, the requesting Holder must present or surrender to the Transfer Agent or the Registrar the Definitive Registered Notes

In the event that the Holder of such Definitive Registered Notes does not transfer the entire principal amount of Notes represented by any such Definitive Registered Note, the Transfer Agent or the Registrar will cancel or cause to be cancelled such Definitive Registered Note and the Issuer (who has been informed of such cancellation) shall execute and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate and deliver to the requesting Holder and any transferee Definitive Registered Notes in the appropriate principal amounts. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.06(e).

Any Definitive Registered Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Definitive Registered Note if the Registrar receives the following:

(1) To permit registrations of transfers and exchanges, the Issuer will execute and the Trustee or its Authenticating Agent will authenticate Global Notes and Definitive Registered Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar's request.

(2) No service charge will be made by the Issuer or the Registrar to a Holder of a Book-Entry Interest in a Global Note, a Holder of a Global Note or a Holder of a Definitive Registered Note for any registration of transfer or exchange, but the Issuer

may require payment of a sum sufficient to cover any stamp duty, stamp duty reserve, documentary or other similar tax or governmental charge that may be imposed in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 4.03, 4.08 and 9.04 hereof).

(3) No Transfer Agent or Registrar will be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Registered Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Registered Notes will be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Registered Notes surrendered upon such registration of transfer or exchange.

(5) Except as may be separately agreed by the Issuer, the Issuer shall not be required to register the transfer into its register kept at its registered office of any Definitive Registered Notes: (A) for a period of 15 calendar days prior to any date fixed for the redemption of the Notes under Section 3.03 hereof; (B) for a period of 15 calendar days immediately prior to the date fixed for selection of Notes to be redeemed in part; (C) for a period of 15 calendar days prior to the record date with respect to any interest payment date; or (D) which the Holder has tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer or an Asset Disposition Offer. (6) The Trustee, any Agent and the Issuer shall deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of (and premium, if any) or interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(7) All certifications, certificates and Opinions of Counsel required to be submitted to the Issuer, the Trustee or the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted initially by facsimile with originals to be delivered promptly thereafter to the Trustee.

Section 2.07 *Replacement Notes*.

If a mutilated Note is surrendered to the Registrar or if the Holder claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met, such that the Holder (a) notifies the Issuer or the Trustee within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Issuer or the Trustee prior to

the Note being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a "*protected purchaser*") and (c) satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Issuer, such Holder shall furnish an indemnity bond sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee, the Authenticating Agent, Paying Agent and the Registrar from any loss that any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Note including, but not limited to, reasonable fees and expenses of counsel and any tax that may be imposed with respect to the replacement of such Note. In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuer in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note is an additional obligation of the Issuer.

The provisions of this Section 2.07 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Notes.

Section 2.08 *Outstanding Notes*.

Notes outstanding at any time are all Notes authenticated by the Trustee or the Authenticating Agent except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding. Subject to Section 12.04, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note. If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the replaced Note is held by a protected purchaser (as defined in Section 8-303 of the Uniform Commercial Code).

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent receives (or if the Issuer or a Subsidiary of the Issuer is acting as Paying Agent and such Paying Agent segregates and holds in trust) in accordance with this Indenture, no later than 10:00 a.m. New York time on the Business Day that is a redemption date or maturity date, money sufficient to pay all principal and interest and premium, if any, payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and the Paying Agent is not prohibited from paying such amount to the Holders on that date pursuant to the terms of this Indenture or the Intercreditor Agreement, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

Section 2.09 *Treasury Notes*.

(a) The Issuer shall promptly notify the Trustee of any Notes owned by the Company or any Affiliate of the Company. In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, or any amendment, modification or other change to this Indenture, Notes owned by the Company, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with

the Company, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned will be so disregarded.

(b) Notwithstanding any provision to the contrary in this Indenture (including Section 2.09(a) hereof), in determining whether the Holders of at least 90% of the aggregate principal amount of the then outstanding Notes have validly tendered and not withdrawn Notes in a Change of Control Offer, Notes owned by funds controlled or managed by any direct or indirect shareholder of the Company, or any successor thereof, shall be deemed to be outstanding for the purposes of any change of control redemption pursuant to Section 3.11 hereof.

Section 2.10 *Temporary Notes*.

In the event that Definitive Registered Notes are to be issued under the terms of this Indenture, until such Definitive Registered Notes are ready for delivery, the Issuer may prepare and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Registered Notes but may have variations that the Issuer considers appropriate for temporary Notes. Without unreasonable delay, the Issuer shall prepare and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate Definitive Registered Notes and deliver them in exchange for temporary Notes upon surrender of such temporary Notes at the office or agency of the Issuer, without charge to the Holder.

Section 2.11 *Cancellation*.

The Issuer at any time may deliver Notes to the Registrar for cancellation. The Trustee and the Paying Agent shall forward to the Registrar any Notes surrendered to them for registration of transfer, exchange or payment. The Registrar (or an agent authorized by the Registrar) and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of canceled Notes in accordance with its customary procedures or deliver canceled Notes to the Issuer pursuant to written direction by an Officer of the Issuer. Upon request of the Issuer, certification of the destruction of all canceled Notes shall be delivered to the Issuer. The Issuer may not issue new Notes to replace Notes it has redeemed or delivered to the Registrar for cancellation. If the Issuer shall acquire any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes, unless and until the same are surrendered to the Registrar for cancellation pursuant to this Section 2.11. Neither the Trustee nor the Authenticating Agent shall authenticate Notes in place of canceled Notes other than pursuant to the terms of this Indenture.

Section 2.12 *Defaulted Interest*.

If the Issuer defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuer will notify the Trustee in writing of

the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuer will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuer (or, upon the written request of the Issuer, the Trustee in the name and at the expense of the Issuer) will mail or cause to be mailed to the Holders in accordance with Section 12.01 hereof a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 *Further Issues*

(a) Subject to compliance with Section 4.04 hereof, the Issuer may from time to time issue Additional Notes ranking *pari passu* with the Initial Notes and with the same terms as to status, redemption and otherwise as such Notes (save for payment of interest accruing prior to the issue date of such Additional Notes or for the first payment of interest following the issue date of such Additional Notes). Any Additional Notes, the Initial Notes and any previously issued Additional Notes will be consolidated and treated as a single class for all purposes under this Indenture, including, without limitation, waivers, amendments, redemptions, and offers to purchase except as otherwise specified with respect to each series of Notes.

(b) Whenever it is proposed to create and issue any Additional Notes, the Issuer shall give to the Trustee not less than three Business Days' notice in writing of its intention to do so, stating the amount of Additional Notes proposed to be created and issued.

Section 2.14 *Common Codes*, *ISIN and CUSIP Numbers*.

The Issuer in issuing the Notes may use Common Codes, ISIN and CUSIP numbers (if then generally in use) and, if so, the Issuer shall use Common Codes, ISIN and CUSIP numbers in notices of redemption as a convenience to Holders; *provided*, *however*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers; *provided*, *further*, that if any Additional Notes are not fungible with the Notes, such Additional Notes shall have a different ISIN and/or Common Code number (or other applicable identifying number). The Issuer will promptly notify the Trustee and the Paying Agent of any change in the Common Code, ISIN or CUSIP numbers.

Section 2.15 *Currency Indemnity*.

The sole currency of account and payment for all sums payable by the Issuer and the Guarantors under or in connection with the Notes and the Note Guarantees thereof is dollars, including damages. Any amount received or recovered in a currency other than dollars, whether as a result of, or the enforcement of, a judgment or order of

a court of any jurisdiction, in the winding-up or dissolution of the Issuer, any Guarantor or otherwise by any Holder or by the Trustee, in respect of any sum expressed to be due to it from the Issuer or a Guarantor will only constitute a discharge to the Issuer or such Guarantor, as applicable, to the extent of the dollars

amount, which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

If that dollar amount is less than the dollar amount expressed to be due to the recipient or the Trustee under any Note, the Issuer and the Guarantors will indemnify them against any loss sustained by such recipient or the Trustee as a result. In any event, the Issuer and the Guarantors will indemnify the recipient or the Trustee on a joint or several basis against the cost of making any such purchase. For the purposes of this currency indemnity provision, it will be *prima facie* evidence of the matter stated therein for the Holder or the Trustee to certify in a manner reasonably satisfactory to the Issuer (indicating the sources of information used) the loss it Incurred in making any such purchase. These indemnities constitute a separate and independent obligation from the Issuer's and the Guarantors' other obligations, will give rise to a separate and independent cause of action, will apply irrespective of any waiver granted by any Holder or the Trustee (other than a waiver of the indemnities set out herein) and will continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note, any Note Guarantee or to the Trustee.

Section 2.16 *Deposit of Moneys*

No later than 10:00 a.m. New York time on the Business Day that is an interest payment date, the maturity date of the Notes and each payment date relating to an Asset Disposition Offer or a Change of Control Offer, and on the Business Day immediately following any acceleration of the Notes pursuant to Section 6.02 hereof, the Issuer shall deposit with the Paying Agent, in immediately available funds, money in dollars sufficient to make cash payments, if any, due on such day or date, as the case may be. Subject to actual receipt of such funds as provided by this Section 2.16 by the designated Paying Agent, such Paying Agent shall remit such payment in a timely manner to the Holders on such day or date, as the case may be, to the Persons and in the manner set forth in paragraph 2 of the Notes; *provided*, *however*, that no Paying Agent shall be obliged to make a payment until it has received funds sufficient to make such payment. The Issuer shall promptly notify the Trustee and the Paying Agent of its failure to so act.

Section 2.17 *Agents*

(a) The rights, powers, duties and obligations and actions of each Agent under this Indenture are several and not joint or joint and several, and the Agents shall only be obliged to perform those duties expressly set out in this Indenture and shall have no implied duties.

(b) The Issuer and the Agents acknowledge and agree that in the event of a Default or Event of Default, the Trustee may, by notice in writing to the Issuer and the Agents, require that the Agents act as agents of, and take instructions exclusively from, the Trustee. Until they have received such written notice from the Trustee, the Agents shall act solely as agents of the Issuer and need have no concern for the interests of the Holders.

(c) The Agents shall hold all funds as banker subject to the terms of this Indenture and as a result, such money shall not be held in accordance with the rules established by the

Financial Conduct Authority in the Financial Conduct Authority's Handbook of rules and guidance from time to time in relation to client money.

ARTICLE 3
REDEMPTION

Section 3.01 *Notices to Trustee.*

If the Issuer elects to redeem Notes pursuant to Section 3.07 or 3.08 hereof, it shall notify the Trustee and the Paying Agent of the redemption date and the principal amount of Notes to be redeemed and the section of the Note pursuant to which the redemption will occur.

Unless otherwise specified, the Issuer shall give each notice in writing to the Trustee and the Paying Agent in writing provided for in this Article 3 at least 10 days, but not more than 60 days, before the redemption date unless the Trustee or the Paying Agent (as the case may be) consents to a shorter period in its sole discretion. In the case of a redemption pursuant to Section 3.07 hereof, prior to the publication or, where relevant, mailing of any notice of redemption of the Notes pursuant to Section 3.03, the Issuer will deliver such notice along with an Officer's Certificate from the Issuer to the effect that such redemption will comply with the conditions herein. The Trustee will accept and shall be entitled to rely conclusively and without further inquiry on such Officer's Certificate and opinion of counsel as sufficient evidence of the existence and satisfaction of the conditions precedent as described in Sections 3.07 hereof, as the case may be, in which event it will be conclusive and binding on the Holders.

Section 3.02 *Selection of Notes To Be Redeemed or Repurchased.*

If less than all of the Notes are to be redeemed at any time, the Notes for redemption will be selected in accordance with the procedures of DTC, or if DTC prescribes no method of selection, then the Issuer will instruct the Trustee or the Registrar to select the Notes for redemption in compliance with the requirements of the principal securities exchange, if any, on which the Notes are listed, as certified to the Trustee or the Registrar or if the Notes are not so listed or such exchange prescribes no method of selection, then based on a method that most nearly approximates a *pro rata* selection or by lot;*provided*, *however*, that no Note of $200,000 in aggregate principal amount or less shall be redeemed in part and only Notes in integral multiples of $1,000 will be redeemed. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee shall notify the Issuer promptly of the Notes or portions of Notes to be redeemed. Neither the Trustee nor the Registrar will be liable for any selections made in accordance with this Section 3.02.

Section 3.03 *Notice of Redemption.*

(a) Other than as provided in Section 3.03(b), not less than 10 days but not more than 60 days before a date for redemption of Notes, the Issuer shall transmit a notice of redemption in accordance with Section 12.01 hereof. If such Notes are in global form, notice of redemption will be delivered to DTC for communication to the entitled account holders.

The notice shall identify the Notes to be redeemed and shall state:

(1) the redemption date and the record date;

(2) the redemption price, and, if applicable, the appropriate calculation of such redemption price and the amount of accrued interest to the redemption date;

(3) the name and address of the Paying Agent;

(4) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(5) if fewer than all the outstanding Notes are to be redeemed, the certificate numbers and principal amounts of the particular Notes to be redeemed;

(6) that, unless the Issuer defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes (or portion thereof) called for redemption ceases to accrue on and after the redemption date;

(7) the Common Codes, ISIN or CUSIP number, as applicable, if any, printed on the Notes being redeemed;

(8) the paragraph of the Notes or section of this Indenture pursuant to which the Notes are being redeemed;

(9) that no representation is made as to the correctness or accuracy of the Common Codes, ISIN or CUSIP number, as applicable, if any, listed in such notice or printed on the Notes; and

(10) if any Notes is to be redeemed in part only, the portion of the principal amount thereof to be redeemed.

(b) At the Issuer's request and expense, the Trustee or the Paying Agent shall give the notice of redemption in the Issuer's name. In such event, the Issuer shall provide the Trustee and the Paying Agent at least 2 Business Days prior to the date on which notice of redemption is to be delivered to Holders (unless a shorter period of time is acceptable to the Trustee and the Paying Agent), an Officer's Certificate requesting the Trustee or the Paying Agent to give such notice and also containing the information required to be contained in such notice pursuant to Section 3.03 hereof.

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is delivered, Notes called for redemption cease to accrue interest, and become due and payable, on the redemption date and at the redemption price stated in the notice, *provided*, *however*, that any redemption notice given in respect of the redemption referred to in Section 3.07 hereof may, at the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent to the extent permitted under Section 3.07. Upon surrender to the Paying Agent, the Notes shall be paid at the redemption price stated in the notice, plus accrued interest, if any, to, but not including, the redemption date; *provided*, *however*, that if the

redemption date is after a regular record date and on or prior to the interest payment date, the accrued interest shall be payable to the Holder of the redeemed Notes registered on the relevant record date. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

Section 3.05 *Deposit of Redemption Price.*

No later than 10:00 a.m. New York time on the Business Day that is a redemption date, the Issuer shall deposit with the Paying Agent (or, if the Issuer or a Restricted Subsidiary of the Issuer is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest on all Notes or portions thereof to be redeemed on that date other than Notes or portions of Notes called for redemption that have been delivered by the Issuer to the Registrar for cancellation. On and after the redemption date, interest shall cease to accrue on Notes or portions thereof called for redemption so long as the Issuer has deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest, if any, on, the Notes to be redeemed, unless the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture. For the avoidance of doubt, the Paying Agent and the Trustee shall be held harmless and have no liability or obligation with respect to payments or disbursements to be made by the Paying Agent and Trustee (i) for which payment instructions are not made or that are not otherwise deposited by the respective times set forth in this Section 3.05 and (ii) until they have confirmed receipt of funds sufficient to make the relevant payment.

Section 3.06 *Notes Redeemed in Part.*

Subject to the terms hereof, upon surrender of a Note that is redeemed in part, (i) in the case of a Definitive Registered Note, a new Definitive Registered Note in principal amount equal to the unredeemed portion of any Definitive Registered Note redeemed in part will be issued in the name of the Holder thereof upon cancellation of the original Definitive Registered Note and (ii) in the case of a Global Note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof.

Section 3.07 *Optional Redemption.*

(a) On and after July 15, 2018 the Issuer may redeem all or, from time to time, part of the Notes, upon not less than 10 nor more than 60 days' notice, at the following redemption prices (expressed as a percentage of the principal amount) plus accrued and unpaid interest to, but not including, the applicable redemption date (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the twelve-month period beginning on July 15 of the years indicated below:

Year	Redemption Price
2018	104.031%
2019	102.688%
2020	101.344%
2021 and thereafter	100.000%

Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes or the portion thereof called for redemption on the applicable redemption date. Any such redemption and notice may, in the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent.

(b) Prior to July 15, 2018, the Issuer may on any one or more occasions redeem up to 40% of the original principal amount of the Notes (including the principal amount of any Additional Notes denominated in such currency), upon not less than 10 nor more than 60 days' notice, with funds in an aggregate amount (the "*Redemption Amount*") not exceeding the Net Cash Proceeds of one or more Equity Offerings at a redemption price of 105.375% of the principal amount of the Notes, plus accrued and

unpaid interest to, but not including, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided* that:

(1) at least 60% of the original principal amount of the Notes (including the principal amount of any Additional Notes) remains outstanding after each such redemption; and

(2) the redemption occurs within 180 days after the closing of such Equity Offering.

Any redemption notice given in respect of the redemption of the Notes (including upon an Equity Offering or in connection with a transaction (or series of related transactions) or an event that constitutes a Change of Control) may, at the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent, including, but not limited to, the completion or occurrence of such transaction or event, as the case may be. In addition, if such redemption or purchase is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Issuer's discretion, the redemption date may be delayed until such time (including more than 60 days after the date the notice of redemption was mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied or waived, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or waived by the redemption date, or by the redemption date as so delayed, or such notice may be rescinded at any time in the Issuer's discretion if in the good faith judgment of the Issuer any or all of such conditions will not be satisfied. In addition, the Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person. In no event shall the Trustee be responsible for monitoring, or charged with knowledge of, the maximum aggregate amount of the Notes eligible under this Indenture to be redeemed.

(c) Prior to July 15, 2018, the Issuer may redeem all or, from time to time, a part of the Notes upon not less than 10 nor more than 60 days' notice at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium and accrued and unpaid interest to, but not including, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

Any such redemption and notice may, at the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent.

(d) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through Section 3.06 hereof.

(e) If any Notes are listed on an exchange, and the rules of the exchange so require, the Issuer will notify the exchange of any such redemption and the principal amount of any Notes outstanding following any partial redemption of such Notes. In no event will the Trustee be responsible for monitoring, or charged with knowledge of, the maximum aggregate amount of Notes eligible under this Indenture to be redeemed.

(b) Notice of the Special Mandatory Redemption will be delivered by the Issuer, no later than one Business Day following the Special Termination Date, to the Trustee and the Escrow Agent, and will provide that the Notes shall be redeemed on a date that is no later than the fifth Business Day after such notice is given by the Issuer in accordance with the terms of the Notes Escrow Agreement (any such date, a "*Special Mandatory Redemption Date*").

(c) In the event the Issuer has not delivered the notice to Holders of the Special Mandatory Redemption in accordance with Section 3.10(b) hereof, the Trustee, upon the Issuer's request, shall deliver such notice on the second Business Day following the Special Termination Date to the Escrow Agent and the Holders in the Issuer's name and at the Issuer's expense. ARTICLE 4
COVENANTS

Section 4.01 *Payment of Notes.*

The Issuer shall promptly pay the principal of and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal and interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

Section 4.02 *[Reserved]*.

Section 4.03 *Change of Control.*

(a) If a Change of Control occurs, subject to the terms of this Section 4.03, each Holder will have the right to require the Issuer to repurchase all or any part (equal to $200,000 or an integral multiple of $1,000 in excess thereof) of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided*, *however*, that the Issuer shall not be obliged to repurchase Notes as described under this Section 4.03 in the event and to the extent that it has unconditionally exercised its right to redeem all of the Notes pursuant to Section 3.07 hereof or all conditions to such redemption have been satisfied or waived. No such purchase in part shall reduce the principal amount at maturity of the Notes held by any holder to below $200,000.

(b) Unless the Issuer has unconditionally exercised its right to redeem all the Notes pursuant to Section 3.07 hereof or all conditions to such redemption have been satisfied or waived, no later than the date that is 60 days after any Change of Control or, at the Issuer's option, at any time prior to a Change of Control following the public announcement thereof or if a definitive agreement is in place for the Change of Control, the Issuer will send a notice (the

"*Change of Control Offer*") to each Holder of any such Notes by mail or otherwise in accordance with the procedures set forth in this Indenture, with a copy to the Trustee:

(1) stating that a Change of Control has occurred or may occur and that such Holder has the right to require the Issuer to purchase all or any part of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of such Notes plus accrued and unpaid interest to but not including, the date of purchase (subject to the right of Holders of record on a record date to receive interest on the relevant interest payment date) (the "*Change of Control Payment*");

(2) stating the repurchase date (which shall be no earlier than 10 days nor later than 60 days from the date such notice is mailed) (the "*Change of Control Payment Date*") and the record date;

(3) stating that any Note accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Payment Date unless the Change of Control Payment is not paid, and that any Notes or part thereof not tendered will continue to accrue interest;

(4) describing the circumstances and relevant facts regarding the transaction or transactions that constitute the Change of Control;

(5) describing the procedures determined by the Issuer, consistent with this Indenture, that a Holder must follow in order to have its Notes repurchased;

(6) if such notice is mailed prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and

(7) certain other procedures that a holder of Notes must follow to accept a Change of Control Offer or to withdraw such acceptance.

(c) The Issuer shall cause to be published the notice described above in a leading newspaper having a general circulation in London (which is expected to be the *Financial Times*) or through the newswire service of Bloomberg (or if Bloomberg does not then operate, any similar agency). In addition, if any Notes are listed on an exchange, and the rules of the exchange so require, the Issuer will notify the exchange of the results of any Change of Control Offer.

(d) On the Change of Control Payment Date, if the Change of Control shall have occurred, the Issuer will, to the extent lawful:

(1) accept for payment all Notes or portion thereof properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes so tendered;

(3) deliver or cause to be delivered to the Trustee an Officer's Certificate stating the aggregate principal amount of Notes or portions of the Notes being purchased by the Issuer in the Change of Control Offer;

(4) in the case of Global Notes, deliver, or cause to be delivered, to the Paying Agent the applicable Global Notes in order to reflect thereon the portion of such Notes or portions thereof that have been tendered to and purchased by the Issuer; and

(5) in the case of Definitive Registered Notes, deliver, or cause to be delivered, to the Registrar for cancellation all Definitive Registered Notes accepted for purchase by the Issuer.

If any Definitive Registered Notes have been issued, the Paying Agents, at the Issuer's expense, will promptly mail to each Holder of Definitive Registered Notes so tendered the Change of Control Payment for such Notes, and the Trustee will promptly instruct its Authenticating Agent to authenticate and, at the Issuer's expense, mail (or cause to be transferred by book-entry) to each Holder of Definitive Registered Notes a new Definitive Registered Note equal in principal amount to the unpurchased portion of the Notes surrendered, if any; *provided* that each such new Note will be in a principal amount that is at least $200,000 and integral multiples of $1,000 in excess thereof.

(e) This Section 4.03 will be applicable whether or not any other provisions of this Indenture are applicable.

(f) The Issuer will not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

(g) Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer. The Issuer will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 4.03. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Indenture, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of this Indenture by virtue of the conflict.

Section 4.04 *Limitation on Indebtedness.*

(a) Following the Completion Date, the Company will not, and will not permit any of its Restricted Subsidiaries to, Incur any Indebtedness (including Acquired Indebtedness); *provided*, *however*, that the Issuer and the Guarantors may Incur Indebtedness if on the date on which such Indebtedness is Incurred, the Consolidated Net Leverage Ratio would have been no greater than 5.5 to 1.0 determined on a *pro forma* basis (including a *pro forma* application of the

net proceeds therefrom), as if such Indebtedness had been incurred at the beginning of the relevant period.

(b) Section 4.04(a) hereof will not prohibit the Incurrence of the following items of Indebtedness:

(2) (a) Guarantees by the Company or any Restricted Subsidiary of Indebtedness of the Company or any Restricted Subsidiary to the extent such guaranteed Indebtedness was permitted to be incurred by another provision of this covenant; *provided* that (i) if such Indebtedness is subordinated in right of payment to, or *pari passu* in right of payment with, the Notes or a Note Guarantee, as applicable, then the Guarantee of such Indebtedness shall be subordinated in right of payment to, or *pari passu* in right of payment with, the Notes or such Note Guarantee, as applicable, substantially to the same extent as such guaranteed Indebtedness and (ii) if such guarantee is of Indebtedness of the Issuer or a Guarantor, such Restricted Subsidiary complies with Section 4.21(a) hereof; or (b) without limiting Section 4.06, Indebtedness arising by reason of any Lien granted by or applicable to the Company or any Restricted Subsidiary securing Indebtedness of the Company or any Restricted Subsidiary so long as the Incurrence of such Indebtedness is not prohibited by the terms of this Indenture;

(3) Indebtedness of the Company owing to and held by any Restricted Subsidiary, or Indebtedness of a Restricted Subsidiary owing to and held by the Company or any other Restricted Subsidiary; *provided*, *however*, that if the Issuer or any Guarantor is the obligor on such Indebtedness and the payee is not the Issuer or a Guarantor, such Indebtedness must be unsecured and ((i) except in respect of the intercompany current liabilities incurred in connection with cash management positions of the Company and the Restricted Subsidiaries and (ii) only to the extent legally permitted (the Company and the Restricted Subsidiaries having completed all procedures required in the reasonable judgment of directors or officers of the obligee or obligor to protect such Persons from any penalty or civil or criminal liability in connection with the subordination of such Indebtedness)) expressly subordinated to the prior payment in full in cash of all obligations then due with respect to the Notes, in the case of the Issuer, or the Note Guarantee, in the case of a Guarantor; *provided that:*

(ii) any sale or other transfer of any such Indebtedness to a Person other than the Company or a Restricted Subsidiary,

shall be deemed, in each case, to constitute an Incurrence of such Indebtedness not permitted by this Section 4.04(b)(3) by the Company or such Restricted Subsidiary, as the case may be;

(4) (a) Indebtedness represented by the Notes (other than any Additional Notes) issued on the Issue Date and the Note Guarantees, (b) any Indebtedness (other than Indebtedness described in Section 4.04(b)(1) and Section 4.04(b)(3)) outstanding on the Completion Date, after giving effect to the Transactions, including the issuance of the Notes, and the application of the proceeds thereof (including after such proceeds of the Notes are released from the Escrow Account), (c) Refinancing Indebtedness Incurred in exchange for, or the net proceeds of which are used to renew, refund, refinance, replace, defease or discharge any, or otherwise Incurred in respect of any, Indebtedness described in sub-clauses (a), (b) or (c) of this Section 4.04(b)(4) or Section 4.04(b)(5) or Incurred pursuant to Section 4.04(a), (d) Management Advances, and (e) Indebtedness represented by the Notes Security Documents and including, with respect to each such Indebtedness, "parallel debt" obligations created under the Intercreditor Agreement and the Notes Security Documents;

(5) Indebtedness of (i) any Person outstanding on the date on which such Person becomes a Restricted Subsidiary or is merged, consolidated, amalgamated or otherwise combined with (including pursuant to any acquisition of assets and assumption of related liabilities) the Company or a Restricted Subsidiary (including in contemplation of such transaction) or (ii) the Issuer or a Guarantor Incurred to provide all or any portion of the funds utilized to consummate the transaction or series of related transactions pursuant to which a Person became a Restricted Subsidiary or was otherwise acquired by the Company or a Restricted Subsidiary or otherwise in connection with or contemplation of such acquisition; *provided*, *however*, with respect to each of clause (5)(i) and (5)(ii) of this Section 4.04(b), that immediately following the consummation of such acquisition or other transaction, (i) the Issuer would have been able to incur $1.00 of additional Indebtedness pursuant to Section 4.04(a) after giving effect to the Incurrence of such Indebtedness pursuant to this clause (5) or (ii) the Consolidated Net Leverage Ratio would not be greater than it was immediately prior to giving effect to such acquisition or other transaction;

(c) *[Reserved]*.

(d) *[Reserved]*.

(e) *[Reserved]*.

(f) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this Section 4.04:

(1) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in Section 4.04(a) and Section 4.04(b) hereof, the Issuer, in its sole discretion, will classify, and may from time to time reclassify, such item of Indebtedness and only be required to include the amount and type of such Indebtedness in one of the clauses of Section 4.04(a) or Section 4.04(b); *provided* that Indebtedness Incurred on the Completion Date under Section 4.04(b)(1) cannot be reclassified;

(2) all Indebtedness outstanding on the Completion Date under the Existing Credit Facility or Incurred under the New Credit Facility shall be deemed Incurred on the Completion Date under Section 4.04(b)(1) and not under Section 4.04(a) or Section 4.04(b)(4)(b);

(3) Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(4) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are Incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to Sections 4.04(b)(1), 4.04(b)(8), 4.04(b)(14) or 4.04(b)(16) or Section 4.04(a) and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;

(5) the principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the

greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(6) Indebtedness permitted by this Section 4.04 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this covenant permitting such Indebtedness; and

(7) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined on the basis of GAAP.

(g) Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.04. The amount of any Indebtedness outstanding as of any date shall be (a) the accreted value thereof in the case of any Indebtedness issued with original issue discount and (b) the principal amount, or liquidation preference thereof, in the case of any other Indebtedness.

(h) If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 4.04, the Issuer shall be in Default of this Section 4.04).

(i) For purposes of determining compliance with any dollar-denominated restriction on the Incurrence of Indebtedness, the Dollar Equivalent of the principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term Indebtedness, or at the option of the Issuer, on the date first committed, in the case of Indebtedness Incurred under a revolving credit facility; *provided* that (a) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than dollars, and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced; (b) the Dollar Equivalent of the principal amount of any such Indebtedness outstanding on the Completion Date shall be calculated based on the relevant currency exchange rate in effect on the Completion Date; and (c) if any such Indebtedness that is denominated in a currency other than dollars is subject to a Currency Agreement with respect to the currency in which such Indebtedness is denominated covering principal amount and interest payable on such Indebtedness, the amount of such Indebtedness, will be the Dollar Equivalent of the principal payment required to be made under such Currency Agreement plus the Dollar Equivalent of any premium which is at such time due and payable but is not covered by such Currency Agreement.

(j) For purposes of determining compliance with the Consolidated Net Senior Secured Leverage Ratio or the Consolidated Net Leverage Ratio on the Incurrence of Indebtedness, the Dollar Equivalent of the principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term Indebtedness, or at the option of the Issuer, the date first committed, in the case of Indebtedness Incurred under a revolving credit facility; *provided* that (a) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than dollars, and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced; and (b) the Dollar Equivalent of the principal amount of any such Indebtedness outstanding on the Completion Date shall be calculated based on the relevant currency exchange rate in effect on the Completion Date.

In addition, for purposes of calculating the Consolidated Net Senior Secured Leverage Ratio or the Consolidated Net Leverage Ratio to test compliance with any covenant in this Indenture, in determining the amount of Indebtedness outstanding in dollars on any date of determination, with respect to any Indebtedness denominated in a currency other than dollars (the "*Foreign Currency*")*:*

(1) subject to a currency swap arrangement or contract, the aggregate principal amount of such Foreign Currency Indebtedness on any such date of determination shall be the dollar amount of the aggregate principal amount to be paid by the Company or a Restricted Subsidiary on the maturity date of such currency swap arrangement or contract pursuant to the terms thereof; or

(2) subject to a currency forward arrangement, forward accretion curve or contract, the aggregate principal amount of such Foreign Currency Indebtedness shall be converted into dollars at the exchange rate specified under the terms of such currency forward arrangement, forward accretion curve or contract as applicable to such Foreign Currency Indebtedness on such date of determination.

For the avoidance of doubt, notwithstanding a Group member entering into any such arrangement or contract hedging foreign exchange exposure of any Foreign Currency Indebtedness, for the purposes of calculating the Consolidated Net Senior Secured Leverage Ratio or the Consolidated Net Leverage Ratio, the aggregate principal amount of Indebtedness subject to any such arrangement or contract shall be attributed to the total Indebtedness of the Person that originally Incurred such Indebtedness.

Notwithstanding any other provision of this Section 4.04, the maximum amount of Indebtedness that the Company or a Restricted Subsidiary may Incur pursuant to this covenant shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies.

Neither the Issuer nor any Guarantor will incur any Indebtedness (including any Indebtedness permitted to be Incurred pursuant to Section 4.04(b)) that is contractually subordinated in right of payment to any other Indebtedness of the Issuer or such Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the applicable Note Guarantee on substantially identical terms (as determined in good faith by the Issuer); *provided*, *however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Issuer or any Guarantor solely by virtue of being unsecured, by virtue of being secured with different collateral , by virtue of being secured on a junior priority basis or by virtue of the application of waterfall or other payment-ordering provisions affecting different tranches of Indebtedness under Credit Facilities.

(c) After the receipt of Net Available Cash from an Asset Disposition, the Company or a Restricted Subsidiary, as the case may be, may apply such Net Available Cash directly or indirectly (at the option of the Company or such Restricted Subsidiary):

(1) within 365 days from the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash (i) to prepay, repay, purchase or redeem any Indebtedness incurred under Section 4.04(b)(1); *provided*, *however*, that, in connection with any prepayment, repayment or purchase of Indebtedness pursuant to this Section 4.08(c)(1), the Company or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment (if any) (except in the case of any revolving Indebtedness) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid, purchased or redeemed; (ii) unless included in Section 4.08(c)(1), to prepay, repay, purchase or redeem any Pari Passu Indebtedness of the Issuer or a Guarantor that is secured in whole or in part by a Lien on the Notes Collateral, which Lien ranks *pari passu* with the Liens securing the Notes, at a price of no more than 100% of the principal amount of such Pari Passu Indebtedness plus accrued and unpaid interest to the date of such prepayment, repayment, purchase or redemption; *provided* that the Issuer or such Guarantor shall prepay, redeem, repay or repurchase Pari Passu Indebtedness that is Public Debt pursuant to this clause (ii) only if the Issuer or such Guarantor makes an offer to the holders of the Notes to purchase their Notes in accordance with the provisions set forth below for an Asset Disposition Offer for an aggregate principal amount of Notes at least equal to the proportion that (x) the total aggregate principal amount of Notes outstanding bears to (y) the sum of the total aggregate principal amount of Notes outstanding plus the total aggregate principal amount outstanding of such Pari Passu Indebtedness; (iii) to prepay, repay, purchase or redeem any Indebtedness of a Restricted Subsidiary that is not a Guarantor or any Indebtedness that is secured on assets which do not constitute Notes Collateral (in each case, other than Subordinated Indebtedness of the Issuer or a Guarantor or Indebtedness owed to the Company or any Restricted Subsidiary); or (iv) to purchase the Notes pursuant to an offer to all holders of Notes at a purchase price in cash equal to at least 100% of the principal amount of the Notes, plus accrued and unpaid interest to, but not

including, the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date);

(2) to the extent the Company or such Restricted Subsidiary elects, to invest in or purchase or commit to invest in or purchase Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary with Net Available Cash received by the Company or another Restricted Subsidiary) within 365 days from the later of (i) the date of such Asset Disposition and (ii) the receipt of such Net Available Cash; *provided*, *however*, that any such reinvestment in Additional Assets made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Company that is executed or approved within such time will satisfy this requirement, so long as such investment or commitment to invest is consummated within 180 days of such 365th day;

(3) to make a capital expenditure within 365 days from the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash; *provided*, *however*, that any such capital expenditure made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Company that is executed or approved within such time will satisfy this requirement, so long as such investment is consummated within 180 days of such 365th day; or

(4) any combination of clauses (1) through (3),

provided, that, pending the final application of any such Net Available Cash in accordance with clauses (1), (2), (3) or (4) of Section 4.08(c), the Company and the Restricted Subsidiaries may temporarily reduce Indebtedness or otherwise invest such Net Available Cash in any manner not prohibited by this Indenture.

(d) Any Net Available Cash from Asset Dispositions that is not applied or invested or committed to be applied or invested as provided in Section 4.08(c) hereof will be deemed to constitute "*Excess Proceeds*". On the 366th day (or the 546th day, in the case of any Net Available Cash committed to be used pursuant to a definitive binding agreement or commitment approved by the Board of Directors of the Company pursuant to Section 4.08(c)(2) or Section 4.08(c)(3) hereof) after the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash, if the aggregate amount of Excess Proceeds exceeds $25 million, the Issuer will be required within ten (10) Business Days thereof to make an offer ("*Asset Disposition Offer*") to all holders of Notes and, to the extent the Issuer elects, or the Issuer or a Guarantor is required by the terms of other outstanding Pari Passu Indebtedness, to all holders of such other outstanding Pari Passu Indebtedness to purchase the maximum principal amount of Notes and any such Pari Passu Indebtedness to which the Asset Disposition Offer applies that may be purchased out of the Excess Proceeds, at an offer price in respect of the Notes in an amount equal to (and, in the case of any Pari Passu Indebtedness, an offer price of no more than) 100% of the principal amount of the Notes and 100% of the principal amount of Pari Passu Indebtedness, in each case, plus accrued and unpaid interest, if any, to, but not including, the date of purchase, in accordance with the procedures set forth in this Indenture or the agreements governing the Pari Passu Indebtedness, as applicable, and in the case of the Notes, in minimum denominations of $200,000 and in integral multiples of $1,000 in excess thereof.

(e) To the extent that the aggregate amount of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to an Asset Disposition Offer is less than the Excess Proceeds, the Company and the Restricted Subsidiaries may use any remaining Excess Proceeds for general corporate purposes, to the extent not prohibited by the other covenants contained in this Indenture. If the aggregate principal amount of the Notes surrendered in any Asset Disposition Offer by Holders and other Pari Passu Indebtedness surrendered by holders or lenders, collectively, exceeds the amount of Excess Proceeds, the Excess Proceeds shall be allocated among the Notes and Pari Passu Indebtedness to be purchased on a *pro rata* basis on the basis of the aggregate principal amount of tendered Notes and Pari Passu Indebtedness. For the purposes of calculating the principal amount of any such Indebtedness not denominated in dollars, such Indebtedness shall be calculated by converting any such principal amounts into their Dollar Equivalent determined as of a date selected by the Issuer that is within the Asset Disposition Offer Period (as defined below). Upon completion of any Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

(f) To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than the currency in which the relevant Notes are denominated, the amount thereof payable in respect of such Notes shall not exceed the net amount of funds in the currency in which such Notes are denominated that is actually received by the Issuer upon converting such portion of the Net Available Cash into such currency.

(g) The Asset Disposition Offer, in so far as it relates to the Notes, will remain open for a period of not less than 20 Business Days following its commencement (the "*Asset Disposition Offer Period*"). No later than five (5) Business Days after the termination of the Asset Disposition Offer Period (the "*Asset Disposition Purchase Date*"), the Issuer will purchase the principal amount of Notes and, to the extent it elects, Pari Passu Indebtedness required to be purchased by it pursuant to this Section 4.08 (the "*Asset Disposition Offer Amount*") or, if less than the Asset Disposition Offer Amount has been so validly tendered, all Notes and Pari Passu Indebtedness validly tendered in response to the Asset Disposition Offer.

(h) On or before the Asset Disposition Purchase Date, the Issuer will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Asset Disposition Offer Amount of Notes and Pari Passu Indebtedness or portions of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to the Asset Disposition Offer, or if less than the Asset Disposition Offer Amount has been validly tendered and not properly withdrawn, all Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn and, in the case of the Notes, in minimum denominations of $200,000 and in integral multiples of $1,000 in excess thereof.

(i) The Issuer will deliver to the Trustee an Officer's Certificate stating that such Notes or portions thereof were accepted for payment by the Issuer in accordance with the terms of this covenant. The Issuer or the Paying Agent, as the case may be, will promptly (but in any case not later than five (5) Business Days after termination of the Asset Disposition Offer Period) mail or deliver to each tendering Holder of Notes an amount equal to the purchase price of the Notes so validly tendered and not properly withdrawn by such Holder, and accepted by the Issuer for purchase, and the Issuer will promptly issue a new Note (or, in the case of Global Notes, cause the Paying Agent to reduce the aggregate principal amount and amend the applicable Global Note pursuant to Section 2.06(g) hereof and in the case of Definitive Registered Notes, deliver or cause to be delivered to the relevant Registrar for cancellation all Definitive Registered Notes accepted for purchase by the Issuer), and the Trustee, upon receipt of an Officer's Certificate from the Issuer, will, via an authenticating agent, authenticate and mail or deliver (or cause to be transferred by book-entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered; *provided* that each such new Note will be in a principal amount with a minimum denomination of $200,000. Any Note not so accepted will be promptly mailed or delivered (or transferred by book-entry) by the Issuer to the Holder thereof.

(j) For the purposes of Section 4.08(b)(2), the following will be deemed to be cash:

(1) the assumption by the transferee (or other extinguishment in connection with the transactions relating to such Asset Dispositions) of Indebtedness and any other liabilities (as recorded on the balance sheet of the Company or any Restricted Subsidiary or in the footnotes thereto, or if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been reflected on the Company's or such Restricted Subsidiary's balance sheet or in the footnotes thereof if such incurrence or accrual had taken place on or prior to the date of such balance sheet, as determined in good faith by the Company) of the Company or any Restricted Subsidiary (other than Subordinated Indebtedness of the Issuer or a Guarantor) and the release of the Company

or such Restricted Subsidiary from all liability on such Indebtedness in connection with such Asset Disposition;

(2) securities, notes or other obligations received by the Company or any Restricted Subsidiary from the transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of such Asset Disposition;

(3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Company and each other Restricted Subsidiary (as applicable) are released from any Guarantee of payment of such Indebtedness in connection with such Asset Disposition;

(4) consideration consisting of Indebtedness of the Issuer or a Guarantor (other than Subordinated Indebtedness) received after the Issue Date from Persons who are not the Company or any Restricted Subsidiary; and

(5) any Designated Non-Cash Consideration received by the Company or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this covenant that is at that time outstanding, not to exceed the greater of $110 million and 1.5% of Total Assets (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

(k) The Issuer will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Indenture. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.08, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Indenture by virtue of any conflict.

Section 4.09 *Limitation on Affiliate Transactions.*

(a) Following the Completion Date, the Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or conduct any transaction or series of related transactions (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Company (any such transaction or series of related transactions being "*Affiliate Transactions*") involving aggregate value in excess of $5 million unless:

(1) the terms of such Affiliate Transaction taken as a whole are not materially less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable transaction at the time of such transaction or the execution of the agreement providing for such transaction in arm's-length dealings with a Person who is not such an Affiliate; and

(2) in the event such Affiliate Transaction involves an aggregate value in excess of $25 million, the terms of such transaction or series of related transactions have been approved by a resolution of the majority of the members of the Board of Directors of the Company resolving that such transaction complies with Section 4.09(a)(1) hereof; *provided* that an Affiliate Transaction shall be deemed to have satisfied the requirements set forth in this Section 4.09(a)(2) if such Affiliate Transaction is approved by a majority of the Disinterested Directors. If there are no Disinterested Directors, any Affiliate Transaction shall also be deemed to have satisfied the requirements set forth in this covenant if the Company or any of its Restrictions Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Company or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person on arm's length basis.

(b) The provisions of Section 4.09(a) hereof will not apply to:

(1) any Restricted Payment permitted to be made pursuant to Section 4.05 hereof, any Permitted Payments (other than pursuant to Section 4.05(b)(9)(B) hereof) or any Permitted Investment (other than Permitted Investments as defined in clauses (1)(b) or (2) of the definition thereof);

(2) any issuance or sale of Capital Stock, options, other equity-related interests or other securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, or entering into, or maintenance of, any employment, consulting, collective bargaining or benefit plan, program, agreement or arrangement, related trust or other similar agreement and other compensation arrangements, options, warrants or other rights to purchase Capital Stock of the Company, any Restricted Subsidiary or any Parent, restricted stock plans, long-term incentive plans, stock appreciation rights plans, participation plans or similar employee benefits or consultants' plans (including valuation, health, insurance, deferred compensation, severance, retirement, savings or similar plans, programs or arrangements) or indemnities provided on behalf of officers, employees, directors or consultants approved by the Board of Directors of the Company, in each case in the ordinary course of business;

directors, officers, consultants or employees of the Company, any Restricted Subsidiary or any Parent (whether directly or indirectly and including through any Person owned or controlled by any of such directors, officers or employees);

(6) the Transactions and the entry into and performance of obligations of the Company or any of its Restricted Subsidiaries under the terms of any transaction arising out of, and any payments pursuant to or for purposes of funding, any agreement or instrument in effect as of or on the Completion Date, as these agreements and instruments may be amended, modified, supplemented, extended, renewed or refinanced from time to time (including, without limitation, to add additional Persons in connection with any such Person becoming a Restricted Subsidiary) in accordance with the other terms of this covenant or to the extent not more disadvantageous to the Holders in any material respect and the entry into and performance of any registration rights or other listing agreement in connection with any Public Offering (including the Initial Public Offering);

(7) execution, delivery and performance of any Tax Sharing Agreement or the formation and maintenance of any consolidated group for tax, accounting

or management purposes in the ordinary course of business;

(8) transactions with customers, clients, suppliers or purchasers or sellers of goods or services and Associates, in each case in the ordinary course of business (including, without limitation, pursuant to joint venture arrangements), which are fair to the Issuer or the relevant Restricted Subsidiary in the reasonable determination of the Board of Directors or an officer of the Company or the relevant Restricted Subsidiary, or are on terms no less favorable than those that could reasonably have been obtained at such time from an unaffiliated party;

(9) any transaction in the ordinary course of business between or among the Company or any Restricted Subsidiary and any Affiliate of the Company or an Associate or similar entity (in each case, other than an Unrestricted Subsidiary) that would constitute an Affiliate Transaction solely because the Company or a Restricted Subsidiary or any Affiliate of the Company or a Restricted Subsidiary or any Affiliate of any Permitted Holder owns an equity interest in or otherwise controls such Affiliate, Associate or similar entity;

(10) (a) issuances or sales of Capital Stock (other than Disqualified Stock or Designated Preference Shares) of the Company or options, warrants or other rights to acquire such Capital Stock or Subordinated Shareholder Funding; *provided* that the interest rate and other financial terms of such Subordinated Shareholder Funding are approved by a majority of the members of the Board of Directors of the Company in their reasonable determination and (b) any amendment, waiver or other transaction with respect to any Subordinated Shareholder Funding in compliance with the other provisions of this Indenture, the Intercreditor Agreement or any Additional Intercreditor Agreement, as applicable;

(11) without duplication in respect of payments made pursuant to the definition of Parent Expenses, (a) payments by the Company or any Restricted Subsidiary to any

Permitted Holder (whether directly or indirectly, including through any Parent) of annual management, consulting, monitoring or advisory fees and related expenses in an aggregate amount not to exceed an amount equal to the greater of $20 million or 1.5% of Pro Forma EBITDA (as reported in the financial statements delivered pursuant to Section 4.10(a)(1) hereof for the most recent fiscal year ended prior to the date of determination) per year; (b) customary payments by the Company or any Restricted Subsidiary to any Permitted Holder (whether directly or indirectly, including through any Parent) for financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including in connection with acquisitions or divestitures, which payments in respect of this clause (b) are approved by a majority of the Board of Directors of the Company in good faith; and (c) payments of all fees and expenses related to the Transactions;

(14) any participation in a rights offer or public tender or exchange offers for securities or debt instruments issued by the Company or any of its Subsidiaries that are conducted on arm's length terms and provide for the same price or exchange ratio, as the case may be, to all holders accepting such rights, tender or exchange offer;

(15) transactions between the Company or any Restricted Subsidiary and any other Person that would constitute an Affiliate Transaction solely because a director of such other Person is also a director of the Company or any Parent; *provided*, *however*, that such director abstains from voting as a director of the Company or such Parent, as the case may be, on any matter including such other Person;

(16) payments to and from, and transactions with, any joint ventures entered into in the ordinary course of business or consistent with past practices (including, without limitation, any cash management activities related thereto); and

Notwithstanding the foregoing, (i) the Company may satisfy its obligations under clauses (1), (2) and (3) of this Section 4.10(a) by delivering the corresponding annual and quarterly reports of the Senior Notes Issuer or a Parent (provided that this shall not apply for any Parent of Altice US Holding II S.à r.l.); *provided* that to the extent that the Company is not the reporting entity and material differences exist between the management, business, assets, shareholding or results of operations or financial condition of the Company and the Senior Notes Issuer or such Parent, as applicable, the annual and quarterly reports shall give a reasonably detailed description of such differences and include an unaudited reconciliation of the Company's consolidated financial statements to the Senior Notes Issuer or such Parent's consolidated financial statements, as applicable and (ii) to the extent any financial statement or information is required to be delivered prior to the Completion Date, the Company may satisfy its obligations under clauses (1), (2) and (3) of this Section 4.10(a) by delivering the corresponding annual and quarterly reports and information of Cequel Holdings I.

All financial statement information shall be prepared in accordance with GAAP as in effect on the date of such report or financial statement (or otherwise on the basis of GAAP as then in effect) and on a consistent basis for the periods presented; *provided*, *however*, that the reports set forth in clauses (1), (2) and (3) of this Section 4.10(a) may in the event of a change in GAAP, present earlier periods on a basis that applied to such periods. Except as provided for in Section 4.10(b) below, no report need include separate financial statements for the Company or Subsidiaries of the Company or any disclosure with respect to the results of operations or any other financial or statistical disclosure not of a type included in the Offering Memorandum and subject to the Company's election to apply IFRS, in no event shall IFRS information or reconciliation to IFRS be required.

(b) At any time if any Subsidiary of the Company is an Unrestricted Subsidiary and any such Unrestricted Subsidiary or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, constitutes a Significant Subsidiary, then the quarterly and annual financial information required by Section 4.10(a)(1) will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company.

(c) Substantially concurrently with the issuance to the Trustee of the reports specified in Section 4.10(a)(1), Section 4.10(a)(2) and Section 4.10(a)(3) hereof, the Company shall also (a) use its commercially reasonable efforts (i) to post copies of such reports on such website as may be then maintained by the Issuer, the Company and its Subsidiaries or (ii) otherwise to provide substantially comparable public availability of such reports (as determined by the Company in good faith) or (b) to the extent the Company determines in good faith that such reports cannot be made available in the manner described in Section 4.10(a) owing to applicable law or after the use of its commercially reasonable efforts, furnish such reports to the Holders and, upon their request, prospective purchasers of the Notes.

(d) For so long as the Notes remain outstanding and during any period during which the Issuer is not subject to Section 13 or 15(d) of the Exchange Act nor exempt therefrom pursuant to Rule 12g3-2(b), the Issuer shall furnish to the Holders and holders of beneficial interests in the Notes and, upon their request, prospective purchasers of the Notes or prospective and purchasers of beneficial interests in the Notes, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(e) Any Holder of the Notes or holder of a beneficial interest in the Notes, following the Issue Date, may obtain a copy of this Indenture, the form of Notes, the Notes Security Documents, the Notes Escrow Agreement and the Intercreditor Agreement without charge by writing to the Issuer, 12444 Powerscourt Drive, Suite 450 St. Louis, MO 63131, Attention: Wendy Knudsen.

Section 4.11 *Suspension of Covenants on Achievement of Investment Grade Status*

If on any date following the Issue Date, the Notes have achieved Investment Grade Status and no Default or Event of Default has occurred and is continuing (a "*Suspension Event*"), then the Issuer shall notify the Trustee of these events and beginning on that day and continuing until such time, if any, at which the Notes cease to have Investment Grade Status (the "*Reversion Date*"), the provisions of this Indenture contained in the following sections will not apply to the Notes: Section 4.04, Section 4.05, Section 4.07, Section 4.08, Section 4.09, Section 4.12 and Section 5.03(a)(3), and Section 5.04(a)(3)(B)(2) and any related default provision of this Indenture will cease to be effective and will not be applicable to the Company and the Restricted Subsidiaries. Such Sections and any related default provisions will again apply according to their terms from the first day on which a Suspension Event ceases to be in effect. Such Sections will not, however, be of any effect with regard to actions of the Issuer properly taken during the continuance of the Suspension Event, and Section 4.05 will be interpreted as if it has been in effect since the date of this Indenture except that no Default will be deemed to have occurred solely by reason of a Restricted Payment made while Section 4.05 was suspended. On the Reversion Date, all Indebtedness Incurred during the continuance of the Suspension Event will be classified, at the Issuer's option, as having been Incurred pursuant to Section 4.04(a) or Section 4.04(b) (to the extent such Indebtedness would be permitted to be Incurred thereunder as of the Reversion Date and after giving effect to Indebtedness Incurred prior to the Suspension Event and outstanding on the Reversion Date). To the extent such Indebtedness would not be so permitted to be Incurred under Section 4.04(a) or Section 4.04(b), such Indebtedness will be deemed to have been outstanding on the Completion Date, so that it is classified as permitted under Section 4.04(b)(4)(b)hereof.

On and after each Reversion Date, the Issuer and its Subsidiaries will be permitted to consummate the transactions contemplated by any contract entered into during the period of time between the Suspension Event and the Reversion Date (the "*Suspension Period*"), so long as such contract and such consummation would have been permitted during such Suspension Period.

Section 4.12 *Impairment of Security Interests*.

(a) Following the Completion Date, the Company shall not and shall not permit any Restricted Subsidiary to, take or omit to take any action that would have the result of materially impairing the security interest with respect to the Notes Collateral (it being understood that the Incurrence of Permitted Collateral Liens, subject to the proviso in the second sentence of Section 4.12(b), shall under no circumstances be deemed to materially impair the security interest with respect to the Notes Collateral) for the benefit of the Trustee and the Holders, and the Company shall not and shall not permit any Restricted Subsidiary to, grant to any Person other than the Notes Security Agent (or its delegate), for the benefit of the Trustee and the Holders and the other beneficiaries described in the Notes Security Documents, the Intercreditor Agreement or any Additional Intercreditor Agreement, any Lien over any of the Notes Collateral; *provided*, that, subject to the proviso in the second sentence of the next succeeding paragraph, (x) the Company, the Parent Guarantor and the Restricted Subsidiaries may Incur Permitted Collateral Liens, (y) the Notes Collateral may be discharged, amended, extended, renewed, restated, supplemented, released, modified or replaced in accordance with this Indenture, the Intercreditor Agreement, any Additional Intercreditor Agreement or the applicable Notes Security Documents and (z) the Company and the Restricted Subsidiaries may consummate any other transaction permitted under Article 5 hereof.

(b) Notwithstanding Section 4.12(a) hereof, nothing in this Section 4.12 shall restrict the discharge and release of any Lien over the Notes Collateral in accordance with this Indenture, the Intercreditor Agreement or any Additional Intercreditor Agreement. Subject to the foregoing, the Notes Security Documents may be amended, extended, renewed, restated, supplemented or otherwise modified or released (followed by an immediate retaking of a Lien of at least equivalent ranking over the same assets) to (i) cure any ambiguity, omission, defect or inconsistency therein; (ii) provide for Permitted Collateral Liens; (iii) make any change reasonably necessary or desirable in the good faith determination of the Issuer in order to implement transactions permitted under Article 5 hereof; (iv) add to the Notes Collateral; (v) provide for the release of any Liens on any properties or assets constituting Notes Collateral from the Lien of the Notes Security Documents; *provided that* such release is followed by the substantially concurrent re-taking of a Lien of at least equivalent priority over the same properties and assets securing the Notes or any Note Guarantee; or (vi) make any other change thereto that does not adversely affect the Holders in any material respect; *provided*, *however*, that, contemporaneously with any such action in clauses (ii), (iii), (iv), (v) and (vi), the Issuer delivers to the Trustee, either (1) a solvency opinion, in form and substance reasonably satisfactory to the Trustee, from an independent financial advisor or appraiser or investment bank of international standing which confirms the solvency of the Company and its Subsidiaries, taken as a whole, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, (2) a certificate from the chief financial officer or the Board of Directors of the relevant Person which confirms the solvency of the

Person granting the Lien after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, or (3) an Opinion of Counsel (subject to any qualifications customary for this type of Opinion of Counsel), in form and substance reasonably satisfactory to the Trustee, confirming that, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, the Lien or Liens created under the Notes Security Documents so amended, extended, renewed, restated, supplemented, modified or replaced are valid Liens not otherwise subject to any limitation, imperfection or new hardening period, in equity or at law, that such Lien or Liens were not otherwise subject to immediately prior to such amendment, extension, renewal, restatement, supplement, modification or replacement.

(c) *[Reserved]*.

(d) *[Reserved]*.

(e) In the event that the Company and the Restricted Subsidiaries comply with the requirements of this covenant, the Trustee and the Notes Security Agent shall (subject to customary protections and indemnifications) consent to such amendments without the need for instructions from the Holders.

Section 4.13 *Additional Intercreditor Agreements.*

(a) At the request of the Issuer, in connection with the Incurrence by the Company or a Restricted Subsidiary of any Indebtedness that is permitted to share the Notes Collateral pursuant to the definition of Permitted Collateral Liens, the Company, the Parent Guarantor or a Restricted Subsidiary, the Trustee and the Notes Security Agent shall enter into with the holders of such Indebtedness (or their duly authorized Representatives) an intercreditor agreement (an "*Additional Intercreditor Agreement*") or a restatement, amendment or other modification of the existing Intercreditor Agreement on substantially the same terms as the Intercreditor Agreement (or terms not materially less favorable to the Holders), including containing substantially the same terms with respect to release of Note Guarantees and priority and release of the Liens over the Notes Notes Collateral (or terms not materially less favorable to the Holders); *provided* that such Additional Intercreditor Agreement will not impose any personal obligations on the Trustee or Notes Security Agent or, in the opinion of the Trustee or Notes Security Agent, as applicable, adversely affect the rights, duties, liabilities or immunities of the Trustee or Notes Security Agent under this Indenture or the Intercreditor Agreement. For the avoidance of doubt, subject to the foregoing and the succeeding paragraph, any such Additional Intercreditor Agreement may provide for *pari passu* or subordinated security interests in respect of any such Indebtedness (to the extent such Indebtedness is permitted to share the Notes Collateral pursuant to the definition of Permitted Collateral Lien).

(b) At the direction of the Issuer and without the consent of Holders, the Trustee and the Notes Security Agent shall from time to time enter into one or more amendments to any Intercreditor Agreement to: (1) cure any ambiguity, omission, defect or inconsistency of any such agreement, (2) increase the amount or types of Indebtedness covered by any such agreement that may be Incurred by the Issuer or a Guarantor that is subject to any such agreement (including with respect to any Intercreditor Agreement or Additional Intercreditor

Agreement, the addition of provisions relating to new Indebtedness ranking junior in right of payment to the Notes), (3) add Restricted Subsidiaries to the Intercreditor Agreement or an Additional Intercreditor Agreement, (4) further secure the Notes (including Additional Notes), (5) make provision for equal and ratable pledges of the Notes Collateral to secure Additional Notes, (6) implement any Permitted Collateral Liens, (7) amend the Intercreditor Agreement or any Additional Intercreditor Agreement in accordance with the terms thereof; (8) make any change reasonably necessary, in the good faith determination of the Issuer in order to implement any transaction that is subject to Article 5 hereof; or (9) implement any transaction in connection with the renewal extension, refinancing, replacement or increase of Indebtedness that is not prohibited by this Indenture or make any other change to any such agreement that does not adversely affect the Holders in any material respect; *provided* that no such changes shall be permitted to the extent they affect the ranking of any Note or Note Guarantee, enforcement of Liens over the Notes Collateral, the application of proceeds from the enforcement of Notes Collateral or the release of any Note Guarantees or Lien over the Notes Collateral in a manner than would adversely affect the rights of the holders of the Notes in any material respect except as otherwise permitted by this Indenture, the Intercreditor Agreement or any Additional Intercreditor Agreement immediately prior to such change. The Issuer shall not otherwise direct the Trustee or the Notes Security Agent to enter into any amendment to any Intercreditor Agreement without the consent of the Holders of the majority in aggregate principal amount of the Notes then outstanding, except as otherwise permitted under Article 9 hereof, and the Issuer may only direct the Trustee and the Notes Security Agent to enter into any amendment to the extent such amendment does not impose any personal obligations on the Trustee or Notes Security Agent or, in the opinion of the Trustee or Notes Security Agent, adversely affect their respective rights, duties, liabilities or immunities under this Indenture or the Intercreditor Agreement or any Additional Intercreditor Agreement.

(c) In relation to any Intercreditor Agreement or Additional Intercreditor Agreement, at the request of the Issuer, the Trustee (and Notes Security Agent, if applicable) shall consent on behalf of the Holders to the payment, repayment, purchase, repurchase, defeasance, acquisition, retirement or redemption of any obligations subordinated to the Notes thereby; *provided*, *however*, that such transaction would comply with Section 4.05 hereof.

(d) Each Holder, by accepting a Note, shall be deemed to have agreed to and accepted the terms and conditions of the Intercreditor Agreement or any

Additional Intercreditor Agreement (whether then entered into or entered into in the future pursuant to the provisions described herein), and to have directed the Trustee and the Notes Security Agent to enter into any such Additional Intercreditor Agreement.

Section 4.14 *Compliance Certificate*.

The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year (beginning with the fiscal year ending December 31, 2015) an Officer's Certificate stating that a review of the activities of the Issuer during the preceding fiscal year has been made under the supervision of the signing Officer with a view to determining whether the Issuer has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to the Officer signing such Officer's Certificate, that to the best of his or her knowledge, the Issuer is not in Default in the performance or observance of any of the terms, provisions and conditions

of this Indenture (or, if a Default or Event of Default shall have occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Issuer is taking or proposes to take with respect thereto). Within 30 days after the occurrence of a Default or Event of Default, the Issuer shall deliver to the Trustee a written notice of any events of which it is aware would constitute certain Defaults, their status and what action the Issuer is taking or proposes to take with respect thereto.

Section 4.18 *[Reserved]*.

Section 4.19 *Payments for Consents*.

The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or

as an inducement to any consent, waiver or amendment of any of the terms of the provisions of this Indenture or the Notes unless such consideration is offered to be paid and is paid to all holders of Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement. Notwithstanding the foregoing, the Company and the Restricted Subsidiaries shall be permitted, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of this Indenture, to exclude holders of Notes in any jurisdiction where (i) the solicitation of such consent, waiver or amendment, including in connection with an exchange offer or an offer to purchase for cash, or (ii) the payment of the consideration therefor would require the Company or any Restricted Subsidiary to file a registration statement, prospectus or similar document under any applicable securities laws (including, but not limited to, the United States federal securities laws and the laws of the European Union), which the Issuer in its sole discretion determine (acting in good faith) (A) would be materially burdensome (it being understood that it would not be materially burdensome to file the consent document(s) used in other jurisdictions, any substantially similar documents or any summary thereof with the securities or financial services authorities in such jurisdiction) or (B) such solicitation would otherwise not be permitted under applicable law in such jurisdiction.

Section 4.20 *Lines of Business.*

The Company will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than a Similar Business, except to such extent as would not be material to the Company and the Restricted Subsidiaries, taken as a whole.

Section 4.21 *Additional Guarantors*.

(d) Note Guarantees existing on or granted after the Completion Date pursuant to this covenant shall be released as set forth under Section 10.06, as applicable. Notwithstanding anything in this Indenture to the contrary, the Issuer may elect, in its sole discretion, to cause any Subsidiary that is not otherwise required to be a Guarantor to become a Guarantor and such Notes Guarantee may be released at any time in the Issuer's sole discretion. The Trustee and the Notes Security Agent (to the extent action is required by it) shall each take all necessary actions requested by the Issuer, including the granting of releases or waivers under the Intercreditor Agreement or any Additional Intercreditor Agreement, to effectuate any release of a Note Guarantee in accordance with these provisions, subject to customary protections and indemnifications.

(e) *[Reserved]*.

(f) Each additional Note Guarantee will be limited as necessary to recognize certain defenses generally available to guarantors (including those that relate to fraudulent conveyance or transfer, voidable preference, financial assistance, corporate purpose, thin capitalization, distributable reserves, capital maintenance or similar laws, regulations or defenses affecting the rights of creditors generally) or other considerations under applicable law.

(g) Notwithstanding the foregoing, the Company shall not be obligated to cause an Excluded Subsidiary (for so long as such entity is an Excluded Subsidiary), nor to cause any Restricted Subsidiary to provide a Note Guarantee to the extent and for so long as the Incurrence of such Guarantee could reasonably be expected to give rise to or result in: (1) any violation of applicable law or regulation; (2) any liability for the officers, directors or (except in the case of a Restricted Subsidiary that is a partnership) shareholders of such Restricted Subsidiary (or, in the case of a Restricted Subsidiary that is a partnership, directors or shareholders of the partners of such partnership); (3) any cost, expense, liability or obligation (including with respect to any Taxes) other than reasonable out-of-pocket expenses and other than reasonable expenses incurred in connection with any governmental or regulatory filings required as a result of, or any measures pursuant to clause (1) of this paragraph undertaken in connection with, such Guarantee, which in any case under any of clauses (1), (2) and (3) of this Section 4.21(g) cannot be avoided through measures reasonably available to the Company or such Restricted Subsidiary; or (4) such Restricted Subsidiary is prohibited from Incurring such Guarantee by the terms of any Indebtedness of such Restricted Subsidiary that is not prepayable without a prepayment premium (in each case, other than Indebtedness Incurred to provide all or any portion of the funds utilized to consummate the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary); *provided* that this clause (4) applies only for so long as such prepayment premium applies to such Indebtedness.

(b) A default under clauses (3), (4), (5), (7), (8), (9) or (10) of Section 6.01(a) hereof will not constitute an Event of Default until the Trustee or the Holders of 25% in principal amount of the outstanding Notes under this Indenture notify the Company of the default and, with respect to clauses (3), (4), (5), (7), (8), (9) and (10) of Section 6.01(a) hereof the Company does not cure such default within the time specified in clauses (3), (4), (5), (7), (8), (9) or (10) of Section 6.01(a) hereof, as applicable, after receipt of such notice.

If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may and, if directed by Holders of at least 25% in aggregate principal amount of the then outstanding Notes, the Trustee shall, declare all the Notes to be due and payable immediately. In the event of a declaration of acceleration of the Notes because an Event of Default under Section 6.01(a)(5) has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to Section 6.01(a)(5) shall be remedied or cured, or waived by the holders of the relevant Indebtedness, or the relevant Indebtedness that gave rise to such Event of Default shall have been discharged in full, within 30 days after the declaration of acceleration with respect thereto and if (i) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (ii) all existing Events of Default, except nonpayment of principal, premium or interest on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

Section 6.03 *Other Remedies.*

Subject to Article 11 and Article 12 hereof and to the duties of the Trustee as provided for in Article 7 hereof, if an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

To the extent permitted by the Intercreditor Agreement, the Trustee may direct the Notes Security Agent (subject to being indemnified and/or secured to its satisfaction in accordance with the Intercreditor Agreement or the Notes Security Documents, as applicable) to take enforcement action with respect to the Notes Collateral if Event of Default has occurred and is continuing.

Section 6.04 *Waiver of Past Defaults.*

The Holders of a majority in aggregate principal amount of the outstanding Notes under this Indenture by written notice to the Trustee may waive all past or existing Defaults or Events of Default (except with respect to nonpayment of principal, premium, or interest) and rescind any such acceleration with respect to such Notes and its consequences if rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

Section 6.05 *Control by Majority.*

The Holders of a majority in aggregate principal amount of the outstanding Notes are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee on behalf of the Holders or of exercising any trust or power conferred on the Trustee on behalf of the Holders. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Subject to Article 7, if an Event of Default occurs and is continuing, prior to taking any action under this Indenture, the Trustee will be entitled to indemnification and/or security satisfactory to it from the Holders in its sole discretion against all losses, liabilities and expenses caused by taking or not taking such action.

Section 6.06 *Limitation on Suits.*

(a) Except to enforce the right to receive payment of principal or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(1) such Holder has previously given the Trustee notice that an Event of Default is continuing;

(2) Holders of at least 25% in aggregate principal amount of the outstanding Notes have requested the Trustee to pursue the remedy;

(3) such Holders have offered the Trustee, and the Trustee has received, security and/or indemnity satisfactory to it against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security and/or indemnity; and

(5) the Holders of a majority in aggregate principal amount of the outstanding Notes have not given the Trustee a direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07 *Rights of Holders to Receive Payment.*

Subject to Section 9.02, the right of any Holder to receive payment of principal of and interest on the Notes held by such Holder, on or after the respective due dates expressed or

provided for in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in Sections 6.01(a)(1) or 6.01(a)(2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Notes for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.07 hereof.

Section 6.09 *Trustee May File Proofs of Claim.*

Subject to the Intercreditor Agreement, the Trustee may file such proofs of claim and other papers or documents and take such actions as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agent and counsel and any other amounts due to the Trustee under Section 7.07) and the Holders allowed in any judicial proceedings relative to the Issuer, their creditors or their property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee and the Agents under Section 7.07 hereof.

Section 6.10 *Priorities*.

If the Trustee or the Notes Security Agent collects any money or property pursuant to this Article 6, it shall, subject to the terms of the Intercreditor Agreement, pay out the money or property in the following order:

FIRST: to the Trustee, the Agents and the Notes Security Agent for amounts due under Section 7.02 and Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Notes for principal and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest, respectively; and

THIRD: to the Issuer or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Trustee shall mail to each Holder and the Issuer a notice that states the record date, the payment date and amount to be paid.

Section 6.11 *Undertaking for Costs*.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee or the Notes Security Agent for any action taken or omitted by it as the Trustee or the Notes Security Agent, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including properly incurred attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, the Notes Security Agent or a Paying Agent, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Notes then outstanding.

Section 6.12 *Waiver of Stay or Extension Laws*.

The Issuer (to the extent it may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

Section 6.13 *Restoration of Rights and Remedies*.

If the Trustee or the Notes Security Agent or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or the Notes Security Agent or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, any Guarantor, the Trustee, the Notes Security Agent and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee, the Notes Security Agent and the Holders shall continue as though no such proceeding had been instituted.

Section 6.14 *Rights and Remedies Cumulative*.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07 hereof, no right or remedy herein conferred upon or reserved to the Trustee, or the Notes Security Agent or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.15 *Delay or Omission Not Waiver*.

No delay or omission of the Trustee, or the Notes Security Agent or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee, the Notes Security Agent or to

the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee, the Notes Security Agent or by the Holders, as the case may be.

ARTICLE 7
TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) In the event an Event of Default has occurred and is continuing of which a Responsible Officer of the Trustee has been notified in accordance with the provisions of this Indenture, the Trustee will exercise such of the rights and powers vested in it under this Indenture and use the same degree of care that a prudent Person would use in the conduct of its own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; *provided*, that to the extent the duties of the Trustee under this Indenture and the Notes may be qualified, limited or otherwise affected by the provisions of the Intercreditor Agreement, the Trustee shall be required to perform those duties only as so qualified, limited or affected, and shall be held harmless and shall not incur any liability of any kind for so acting; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein) and shall be entitled to seek advice from legal counsel in relation thereto.

(c) The Trustee may not be relieved from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

(1) this Section 7.01(c) does not limit the effect of Section 7.01(a);

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer unless it is proved that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 7.02, Section 7.03 or Section 7.05;

(d) The Trustee shall not be deemed to have notice or any actual knowledge of any matter (including, without limitation, Defaults or Events of Default) unless written notice thereof

is received by the Trustee in accordance with this Indenture and such notice clearly references the Notes, the Issuer or this Indenture.

(e) Every provision of this Indenture that in any way relates to the Trustee is subject to Section 7.01(a), Section 7.01(b), Section 7.01(c) and Section 7.01(f).

(f) No provision of this Indenture, the Intercreditor Agreement or the Notes Security Documents shall require the Trustee to expend or risk its own funds or otherwise incur liability in the performance of any of its duties hereunder or under the Intercreditor Agreement or Notes Security Documents or to take or omit to take any action under this Indenture or under the Intercreditor Agreement or Notes Security Documents or take any action at the request or direction of Holders if it has grounds for believing that repayment of such funds is not assured to it or it does not receive an agreement in writing from the Holders for full indemnity and/or security satisfactory to it in its discretion against any loss, liability or expense which might be incurred by it in compliance with such request or direction nor shall the Trustee be required to do anything which is illegal or contrary to applicable laws, this Indenture, the Intercreditor Agreement or the Notes Security Documents. The Trustee will not be liable to the Holders if prevented or delayed in performing any of its obligations or discretionary functions under this Indenture by reason of any present or future law applicable to it, by any governmental or regulatory authority or by any circumstances beyond its control. No provision of this Indenture or of the Notes Security Documents shall require the Trustee to indemnify the Notes Security Agent, and the Notes Security Agent waives any claim it may otherwise have by operation of law in any jurisdiction to be indemnified by the Trustee acting as principal vis-à-vis its agent, the Notes Security Agent (but this does not prejudice the Notes Security Agent's rights to bring any claim or suit against the Trustee (including for damages in the case of gross negligence or willful misconduct of the Trustee)).

(g) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer.

(h) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(i) The Trustee will (save as expressly otherwise provided herein) have absolute and uncontrolled discretion as to the exercise or non-exercise of its functions and will not be responsible for any loss, liability, cost, claim, action, demand, expense or inconvenience which may result from their exercise or non-exercise but, whenever the Trustee is under the provisions of this Indenture or the Notes bound to act at the request or direction of the Holders, the Trustee shall nevertheless not be so bound unless first indemnified and/or secured to its satisfaction against all actions, proceedings, claims and demands to which it may render itself liable and all costs, charges, damages, expenses and liabilities which it may incur by so doing.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion, based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction or, to the extent applicable, the State of

New York. Furthermore, the Trustee may also refrain from taking such action if such action would otherwise render it liable to any person in that jurisdiction, the State of New York or if, in its opinion based upon such legal advice, it would not have the power to do the relevant thing in that jurisdiction by virtue of any applicable law in that jurisdiction, in the State of New York or if it is determined by any court or other competent authority in that jurisdiction, in the State of New York that it does not have such power.

(b) The Trustee may conclusively rely and shall be fully protected in acting or refraining to act based upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(c) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel.

(d) The Trustee may act through attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(e) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture or the Intercreditor Agreement; *provided*, *however*, that the Trustee's conduct does not constitute willful misconduct or gross negligence.

(f) The Trustee may retain professional advisers to assist it in performing its duties under this Indenture, the Intercreditor Agreement or any Additional Intercreditor Agreement. The Trustee may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any Officer's Certificate, Opinion of Counsel, or any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, appraisal, bond, debenture, note, coupon, security other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer.

(h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture or the Intercreditor Agreement, unless such Holders shall have offered to the Trustee indemnity and/or other security satisfactory to the Trustee against the costs, expenses and liabilities which may be incurred by it in compliance with such request, order or direction.

(i) In the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders, each representing less than the requisite majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture (as qualified, limited or otherwise affected by the

provisions of the Intercreditor Agreement), the Trustee, in its sole discretion, may determine what action, if any, shall be taken and shall be held harmless and shall not incur any liability for its failure to act until such inconsistency or conflict is, in its opinion, resolved, and absent willful misconduct or gross negligence, the Trustee shall not be liable for acting in good faith on instructions believed by them to be genuine and from the proper party.

(j) Delivery of reports, information and documents to the Trustee under Section 4.10 hereof is for informational purposes only and the Trustee's receipt of the foregoing shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

(k) *[Reserved]*.

(l) The Trustee shall have no duty to inquire as to the performance of the covenants of the Issuer and/or its Restricted Subsidiaries in this Indenture and shall be entitled to assume that the Issuer, the Guarantors and any Restricted Subsidiaries are in compliance with the terms of this Indenture.

(m) The Trustee shall not have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum denominations imposed under this Indenture or under applicable law or regulation with respect to any transfer, exchange, redemption, purchase or repurchase, as applicable, of any interest in any Notes, but may at its sole discretion, choose to do so.

(n) If any Guarantor is substituted to make payments on behalf of the Issuer pursuant to Article 10 hereof, the Issuer shall promptly notify the Trustee of such substitution.

(o) The rights, privileges, protections, immunities and benefits given to the Trustee, including without limitation its right to be indemnified and/or secured to its satisfaction, are extended to, and shall be enforceable by the Trustee in each of its capacities hereunder, under the Intercreditor Agreement, any Additional Intercreditor Agreements and the Notes Security Documents, and by each agent in their various capacities hereunder, the Agents and the Notes Security Agent, any custodian and any other Person employed to act as agent hereunder. The Trustee, each Agent and the Notes Security Agent shall not be liable for acting in good faith on instructions believed by it to be genuine and from the proper party.

(p) The Trustee shall not be required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture.

(q) At any time that the security granted pursuant to the Notes Security Documents has become enforceable and the Holders have given a direction to the Trustee to enforce such

security, the Trustee is not required to give any direction to the Notes Security Agent with respect thereto unless it has been indemnified and/or secured to its satisfaction in accordance with Section 7.01(f) hereof. In any event, in connection with any enforcement of such security, the Trustee is not responsible for:

(1) any failure of the Notes Security Agent to enforce such security within a reasonable time or at all;

(2) any failure of the Notes Security Agent to pay over the proceeds of enforcement of the Security;

(3) any failure of the Notes Security Agent to realize such security for the best price obtainable;

(4) monitoring the activities of the Notes Security Agent in relation to such enforcement;

(5) taking any enforcement action itself in relation to such security;

(6) agreeing to any proposed course of action by the Notes Security Agent which could result in the Trustee incurring any liability for its own account; or

(7) paying any fees, costs or expenses of the Notes Security Agent.

(r) The permissive rights of the Trustee to take the actions permitted by this Indenture will not be construed as an obligation or duty to do so.

(s) Anything in this Indenture to the contrary notwithstanding, in no event shall the Trustee be liable for punitive, special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to loss of business, goodwill, opportunity or profits of any kind) of the Issuer, any Guarantor, any Restricted Subsidiary or any other person, even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(t) Except with respect to Section 4.01 hereof, and provided it or an affiliate of it is acting as the Paying Agent, the Trustee shall have no duty to inquire as to the performance of the Issuer with respect to the covenants contained in Article 4 hereof. The Trustee may assume without inquiry in the absence of written notice to the contrary that the Issuer is duly complying with its obligations contained in this Indenture required to be performed and observed by it, and that no Default or Event of Default or other event which would require repayment of the Notes has occurred.

(u) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of, or caused by, directly or indirectly, forces beyond its control, including, without limitation, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God; it being understood that the Trustee shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(v) The Trustee may request that the Issuer deliver an Officer's Certificate setting forth the names of the individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(w) The Trustee may, in the execution and exercise of all or any of the trusts, powers, authorities and discretions vested in it by this Indenture, delegate to any person or persons all or any of the trusts, powers, authorities and discretions vested in it by this Indenture and any such delegation may be made upon such terms and conditions and subject to such regulations as the Trustee may think fit. The Trustee shall not be under any obligation to supervise the activities of such delegates and shall not be responsible for the misconduct or negligence of such delegates, or for any costs, expenses, losses or liabilities of, or caused by, such delegates, *provided* that such delegation has been made with reasonable care.

(x) No provision of this Indenture shall require the Trustee to do anything which, in its opinion, may be illegal or contrary to applicable law or regulation.

(y) The Trustee and the Paying Agent shall be entitled to make payments net of any taxes or other sums required by any applicable law to be withheld or deducted.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer, its Subsidiaries or their respective Affiliates with the same rights it would have if it were not Trustee. For the avoidance of doubt, any Paying Agent, Transfer Agent or Registrar and the Notes Security Agent may do the same with like rights.

Section 7.04 *Trustee's Disclaimer.*

The Trustee shall not be responsible for and makes no representation as to the validity, effectiveness, correctness or adequacy of this Indenture, the offering materials related to this Indenture or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, and it shall not be responsible for any statement of the Issuer in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication. The Trustee shall not be charged with knowledge of the identity of any Significant Subsidiary unless either (a) a Responsible Officer shall have actual knowledge thereof or (b) the Trustee shall have received notice thereof in accordance with Section 12.01 hereof from the Issuer or any Holder.

Section 7.05 *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and a Responsible Officer of the Trustee is informed of such occurrence by the Issuer, the Trustee must give notice of the Default to the Holders within 60 days after being notified by the Issuer. Except in the case of a Default in the payment of principal of, or premium, if any, or interest on any Note, the Trustee may

withhold notice if and so long as a Responsible Officer of the Trustee in good faith determines that withholding notice is in the interests of the Holders.

Section 7.06 *[Reserved]*.

Section 7.07 *Compensation and Indemnity*.

The Issuer, or, upon the failure of the Issuer to pay, each Guarantor, jointly and severally, shall pay to the Trustee and the Agents from time to time such compensation as the Issuer and Trustee or the Agents, as applicable, may from time to time agree in writing for its acceptance of this Indenture and services hereunder and under the Notes. The Trustee's and the Agents' compensation shall not be limited by any law on compensation of a trustee of an express trust.

In the event of the occurrence of an Event of Default or the Trustee considering it expedient or necessary or being requested by the Issuer to undertake duties which the Trustee and the Issuer agree to be of an exceptional nature or otherwise outside the scope of the normal duties of the Trustee, the Issuer shall pay to the Trustee such additional remuneration as shall be agreed between them.

The Issuer and each Guarantor, jointly and severally, shall reimburse the Trustee and the Agents promptly upon request for all properly incurred disbursements, advances and expenses incurred or made by it (as evidenced in an invoice from the Trustee or the Agents, as applicable), including costs of collection, in addition to the compensation for its services. Such expenses shall include the properly incurred compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuer and each Guarantor, jointly and severally shall indemnify the Trustee, the Agents and their respective officers, directors, agents and employers against any and all loss, liability, taxes or expenses (including properly incurred attorneys' fees) incurred by or in connection with the acceptance or administration of its duties under this Indenture and the Notes including the costs and expenses of enforcing this Indenture against the Issuer (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuer or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, under the Intercreditor Agreement, any Additional Intercreditor Agreement or the Notes Security Documents, as the case may be.

The Trustee shall notify the Issuer of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; *provided*, *however*, that any failure to so notify the Issuer shall not relieve the Issuer or any Guarantor of its indemnity obligations hereunder, under the Intercreditor Agreement, any Additional Intercreditor Agreement or any Notes Security Documents, as the case may be. Except in cases where the interests of the Issuer and the Trustee may be adverse, the Issuer shall defend the claim and the indemnified party shall provide reasonable cooperation at the Issuer's and any Guarantor's expense in the defense. In cases where the interests of the Issuer and the Trustee are adverse, (i) such indemnified party may, in its sole discretion, assume the defense of the claim against it and the Issuer and any Guarantor shall, jointly and severally, pay the properly incurred fees and expenses of the indemnified party's defense (as evidenced in an invoice from the Trustee) and (ii) such indemnified parties may have separate counsel of their choosing and the Issuer and any

Guarantor, jointly and severally, shall pay the properly incurred fees and expenses of such counsel (as evidenced in an invoice from the Trustee). The Issuer need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct, gross negligence or fraud.

To secure the Issuer's and any Guarantor's payment obligations in this Section 7.07, the Trustee, the Notes Security Agent and the Agents have a Lien senior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Issuer's and any Guarantor's payment obligations pursuant to this Section 7.07 and any lien arising thereunder shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any Bankruptcy Law or the resignation or removal of the Trustee, the Notes Security Agent and the Agents. Without prejudice to any other rights available to the Trustee, the Notes Security Agent and the Agents under applicable law, when the Trustee, the Notes Security Agent and the Agents incur expenses (including the fees and expenses of counsel) after the occurrence of a Default specified in Section 6.01(a)(6) hereof with respect to the Issuer, the expenses are intended to constitute expenses of administration under any Bankruptcy Law.

For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Trustee in this Section 7.07, including its right to be indemnified, are extended to, and shall be enforceable by the Trustee in each of its capacities hereunder, under the Intercreditor Agreement and any Additional Intercreditor Agreement and by each agent (including the Agents) and the Notes Security Agent, any custodian and any other Person employed with due care to act as agent hereunder.

Section 7.08 *Replacement of Trustee.*

(a) The Trustee may resign at any time by so notifying the Issuer in writing. The Holders of a majority in principal amount of the Notes then outstanding may

remove the Trustee by so notifying the Trustee and the Issuer in writing and may appoint a successor Trustee. The Issuer shall be entitled to remove the Trustee and any Holder who has been a bona fide Holder for not less than six months may petition any court for removal of the Trustee and appointment of a successor Trustee, if:

(1) the Trustee, in its capacity as such, has or acquires a conflict of interest that is not eliminated;

(2) the Trustee is adjudged bankrupt or insolvent;

(3) a receiver or other public officer takes charge of the Trustee or its property; or

(4) the Trustee otherwise becomes incapable of acting as Trustee hereunder.

(b) If the Trustee resigns, is removed pursuant to Section 7.08(a) hereof or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee.

(c) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, *provided* that all sums owing to the Trustee hereunder have been paid and subject to the lien provided for in this Section 7.07 hereof. For the avoidance of doubt, any removal or resignation of the Trustee pursuant to this Section 7.07 shall not become effective until the acceptance of the appointment by the successor Trustee.

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, (i) the retiring Trustee or the Holders of 10% in principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor trustee, or (ii) the retiring Trustee may appoint a successor trustee at any time prior to the date on which a successor Trustee takes office; *provided* that such appointment is reasonably satisfactory to, and at the joint and several cost and expense of, the Issuer and Guarantors.

(e) Notwithstanding the replacement of the Trustee pursuant to this Section, the Issuer's obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

(f) For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Trustee in this Article 7, including its right to be indemnified, are extended to, and shall be enforceable by each Agent employed to act hereunder and the Notes Security Agent.

Section 7.09 *Successor Trustee by Merger.*

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee or its Authenticating Agent may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

Section 7.10 *[Reserved]*.

Section 7.11 *Certain Provisions*.

Each Holder by accepting a Note authorizes and directs on his or her behalf the Trustee to enter into and to take such actions and to make such acknowledgements as are set forth in this Indenture and the Intercreditor Agreement or other documents entered into in connection therewith.

The Trustee shall not be responsible for the legality, validity, effectiveness, suitability, adequacy or enforceability of the Notes Security Documents or any obligation or rights created or purported to be created thereby or pursuant thereto or any security or the priority thereof constituted or purported to be constituted thereby or pursuant thereto, nor shall it be responsible or liable to any person because of any invalidity of any provision of such documents or the unenforceability thereof, whether arising from statute, law or decision of any court. The Trustee shall be under no obligation to monitor or supervise the functions of the Notes Security Agent under the Notes Security Documents and shall be entitled to assume that the Notes Security Agent is properly performing its functions and obligations thereunder and the Trustee shall not be responsible for any diminution in the value of or loss occasioned to the assets subject thereto by reason of the act or omission by the Notes Security Agent in relation to its functions thereunder. The Trustee shall have no responsibility whatsoever to the Issuer, any Guarantor or any Holder as regards any deficiency which might arise because the Trustee is subject to any tax in respect of the Notes Security Documents, the security created thereby or any part thereof or any income therefrom or any proceeds thereof.

Section 7.12 *Resignation of Agents.*

(a) Any Agent may resign its appointment hereunder at any time without the need to give any reason and without being responsible for any costs associated therewith by giving notice to the Issuer and the Trustee (and in the case of resignation of the Paying Agent the Paying Agent giving 30 days' written notice) (waivable by the Issuer and the Trustee), provided that in the case of resignation of the Paying Agent no such resignation shall take effect until a new Paying Agent shall have been appointed by the Issuer to exercise the powers and undertake the duties hereby conferred and imposed upon the Paying Agent. Following receipt of a notice of resignation from any Agent, the Issuer shall promptly give notice thereof to the Holders in accordance with Section 12.01 Such notice shall expire at least 30 days before or after any due date for payment in respect of the Notes.

(b) If any Agent gives notice of its resignation in accordance with this Section 7.12 and a replacement Agent is required and by the tenth day before the expiration of such notice such replacement has not been duly appointed, such Agent may itself appoint as its replacement any reputable and experienced financial institution or may petition a court of competent jurisdiction, with costs and expenses properly incurred by the Agent in relation to such petition to be paid by the Issuer. Immediately following such appointment, the Issuer shall give notice of such appointment to the Trustee, the remaining Agents and the Holders whereupon the Issuer, the Trustee, the remaining Agents and the replacement Agent shall acquire and become subject to the same rights and obligations between themselves as if they had entered into an agreement in the form *mutatis mutandis* of this Indenture.

(c) Upon its resignation becoming effective the Paying Agent shall forthwith transfer all moneys held by it hereunder, if any, to the successor Paying Agent or, if none, the Trustee or to the Trustee's order, but shall have no other duties or responsibilities hereunder, and shall be entitled to the payment by the Issuer of its remuneration for the services previously rendered hereunder and to the reimbursement of all reasonable expenses (including legal fees) incurred in connection therewith.

ARTICLE 8
DISCHARGE OF INDENTURE; DEFEASANCE

Section 8.01 *Discharge of Liability on Notes; Defeasance.*

(a) This Indenture, and the rights of the Trustee and the Holders under the Intercreditor Agreement, any Additional Intercreditor Agreement and the Notes Security Documents will be discharged and cease to be of further effect (except as to surviving rights of conversion or transfer or exchange of the Notes, as expressly provided for in this Indenture) as to all outstanding Notes when (1) either (a) all the Notes previously authenticated and delivered (other than certain lost, stolen or destroyed Notes, and certain Notes for which provision for payment was previously made and thereafter the funds have been released to the Issuer) have been delivered to the Paying Agent for cancellation; or (b) all Notes not previously delivered to the Paying Agent for cancellation (i) have become due and payable, (ii) will become due and payable at their Stated Maturity within one year or (iii) are to be called for redemption within one year under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer; (2) the Issuer has irrevocably deposited or caused to be deposited with the Trustee (or an entity designated or appointed as agent by it for this purpose), cash in dollars or dollar-denominated U.S. Government Obligations or a combination thereof, in an amount sufficient to pay and discharge the entire Indebtedness on the Notes not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest to the date of deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or redemption date, as the case may be; (3) the Issuer has paid or caused to be paid all other sums payable under this Indenture; (4) the Issuer has delivered irrevocable instructions under this Indenture to apply the deposited money toward payment of the Notes at maturity or on the redemption date, as the case may be; and (5) the Issuer has delivered to the Trustee an Officer's Certificate to the effect that all conditions precedent under this Section 8.01 relating to the satisfaction and discharge of this Indenture have been complied with.

(b) Subject to Section 8.01(c) and Section 8.02, the Issuer at any time may terminate (i) all of its obligations and all obligations of each Guarantor under the Notes, any Note Guarantees and this Indenture ("*legal defeasance option*") and cure all then existing Defaults and Events of Default or (ii) its obligations under the covenants in Article 4 and Article 5 hereof (other than Section 4.01, Section 4.15, Section 5.03(a)(1) and (2)) and the default provisions relating to such covenants in Section 6.01(a)(3) (other than with respect to Section 4.15, Section 5.03(a)(1) and (2)) and 6.01(a)(4), the operation of Sections 6.01(a)(5)(A) and Section 6.01(a)(5)(B), Section 6.01(a)(6) with respect to the Company and Significant Subsidiaries, Section 6.01(a)(7), Section 6.01(a)(8) and Section 6.01(a)(9) ("*covenant defeasance option*"). The Issuer at its option at any time may exercise its legal defeasance option notwithstanding its

prior exercise of its covenant defeasance option. In the event that the Issuer terminates all of its obligations under the Notes and this Indenture by exercising its legal defeasance option, the obligations under any Guarantees shall each be terminated simultaneously with the termination of such obligations.

If the Issuer exercises its legal defeasance option, the Notes Security Documents and the rights of the Trustee and the Holders under the Intercreditor Agreement or any Additional Intercreditor Agreement in effect at such time will terminate (other than with respect to the defeasance trust).

If the Issuer exercises its legal defeasance option or its covenant defeasance option, the Notes Collateral will be released and each Guarantor will be released from all its obligations under its Guarantee.

Upon satisfaction of the conditions set forth herein and upon request of the Issuer, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuer terminates.

If the Issuer exercises its legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default with respect to such Notes. If the Issuer exercises its covenant defeasance option with respect to the Notes, payment of the Notes may not be accelerated because of an Event of Default specified in Sections 6.01(a)(3) (other than with respect to Section 5.03(a)(3) and (4) and Section 5.04(a)(B)(1) and (2)), 6.01(a)(4), 6.01(a)(5), 6.01(a)(6), 6.01(a)(7), 6.01(a)(8) or 6.01(a)(9).

(c) Notwithstanding Section 8.01(a) and Section 8.01(b), the Issuer's and any Guarantors' obligations in Sections 2.03, Section 2.04, Section 2.05, Section 2.06, Section 2.07, Section 2.08, Section 2.09, Section 2.10, Section 2.11, Article 7, this Article 8 and Section 11.06, as applicable, shall survive until the Notes have been paid in full. Thereafter, the Issuer's and any Guarantors' obligations in Section 7.07, Section 8.05, Section 8.06 and Section 11.06, as applicable, shall survive.

Section 8.02 *Conditions to Defeasance.*

(a) The Issuer may exercise its legal defeasance option or its covenant defeasance option only if the Issuer has irrevocably deposited in trust (the "*defeasance trust*") with the Trustee (or an entity designated or appointed as agent by it for this purpose) cash in dollars or dollar-denominated U.S. Government Obligations or a combination thereof for the payment of principal, premium, if any, and interest on the Notes to redemption or maturity, as the case may be, and has delivered to the Trustee:

(1) an Opinion of Counsel (subject to customary exceptions and exclusions) from United States counsel to the effect that Holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred (and in the case of legal defeasance only, such Opinion of

Counsel from United States counsel must be based on a ruling of the U.S. Internal Revenue Service or other change in applicable U.S. federal income tax law);

(2) an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying, defrauding or preferring any creditors of the Issuer;

(3) an Officer's Certificate stating that all conditions precedent provided for or relating to legal defeasance or covenant defeasance, as the case may be, have been complied with; and

(4) an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the U.S. Investment Company Act of 1940, as amended.

(b) Before or after a deposit, the Issuer may make arrangements satisfactory to the Trustee for the redemption of Notes at a future date in accordance with

Article 3.

Section 8.03 *Application of Trust Money.*

The Trustee (or an entity appointed or designated (as agent) by it for this purpose) shall hold in trust money, U.S. Government Obligations for the payment of principal, premium, if any, and interest deposited with it pursuant to this Article 8. It shall apply the deposited money and the money from the U.S. Government Obligations through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes.

Section 8.04 *Repayment to Issuer*.

The Trustee and the Paying Agent shall promptly turn over to the Issuer upon request any money, U.S. Government Obligations held by it as provided in this Article 8 which, in the written opinion of an internationally recognized firm of independent public accountants delivered to the Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent discharge or defeasance in accordance with this Article 8.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Issuer upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuer for payment as general creditors, and the Trustee and the Paying Agent shall have no further liability with respect to such monies.

Section 8.05 *Indemnity for Government Obligations.*

The Issuer and any Guarantor, jointly and severally, shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

Section 8.06 *Reinstatement*.

If the Trustee or Paying Agent is unable to apply any money, U.S. Government Obligations in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or Paying Agent is permitted to apply all such money, U.S. Government Obligations in accordance with this Article 8; *provided*, *however*, that if the Issuer has made any payment of principal of or interest on any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money, U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENTS AND WAIVERS

Section 9.01 *Without Consent of Holders.*

(a) Without the consent of any Holder, the Issuer, the Trustee, the Notes Security Agent and the other parties thereto, as applicable, may amend or supplement any Notes Documents to:

(1) cure any ambiguity, omission, defect, error or inconsistency;

(2) provide for the assumption by a successor Person of the obligations of the Issuer or any Guarantor under any Notes Document;

(3) add to the covenants or provide for a Guarantee for the benefit of the Holders or surrender any right or power conferred upon the Company or any Restricted Subsidiary;

(4) make any change that would provide additional rights or benefits to the Trustee or the Holders or does not adversely affect the rights or benefits to the Trustee or any of the Holders in any material respect under the Notes Documents;

(5) make such provisions as necessary (as determined in good faith by the Issuer) for the issuance of Additional Notes Incurred in accordance with the terms of this Indenture;

(6) provide for the Company or a Restricted Subsidiary to provide a Note Guarantee in accordance with this Indenture, to add Guarantees with respect to the Notes (including any provisions relating to the release or limitations of such Additional Guarantees), to add security to or for the benefit of the Notes, or to effectuate or confirm and evidence the release, termination, discharge or retaking of any Note Guarantee or Lien (including the Notes Collateral and the Notes Security Documents) or any amendment in respect thereof with respect to or securing the Notes when such release, termination, discharge or retaking or amendment is provided for under this Indenture, the

Notes Security Documents, the Intercreditor Agreement or any Additional Intercreditor Agreement;

(7) conform the text of this Indenture, the Note Guarantees, the Notes Security Documents, or the Notes to any provision of the section of the Offering Memorandum entitled "Description of Senior Secured Notes" to the extent that such provision in the section of the Offering Memorandum entitled "Description of Senior Secured Notes" was intended to be a *verbatim* recitation of a provision of this Indenture, a Note Guarantee, the Notes Security Documents or the Notes;

(8) evidence and provide for the acceptance and appointment under this Indenture, the Notes Security Documents, the Intercreditor Agreement or any Additional Intercreditor Agreement, as applicable, of a successor Trustee or Notes Security Agent pursuant to the requirements thereof or to provide for the accession by the Trustee or Notes Security Agent to any Notes Document;

(9) as provided in Section 4.13 hereof;

(10) make such provisions as necessary (as determined in good faith by the Issuer) for the implementation of the Automatic Exchange Transaction; or

(11) make any change required to implement the Reorganization Transactions or any transactions or actions in connection thereto, or make any change to the Reorganization Transactions that does not adversely affect the rights or benefits to the Trustee or any of the Holders in any material respect under the Notes

Documents.

(b) In formulating its decision on the matters described in Section 9.01(a) hereof, the Trustee shall be entitled to require and rely absolutely on such evidence as it deems necessary, including Officer's Certificates and Opinions of Counsel.

(c) For the purpose of calculating the aggregate principal amount of Notes that have consented to or voted in favor of any amendment, supplement or waiver, the principal amount of any Note shall be as of the Issue Date.

Section 9.02 *With Consent of Holders*.

(a) The Issuer, the Notes Security Agent, the Trustee and the other parties thereto, as applicable, may amend, supplement or otherwise modify the Notes Documents with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and unless otherwise provided for in this Indenture, any default or compliance with any provisions thereof may be waived with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). However, without the consent of each Holder of Notes affected (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), an amendment, supplement or waiver may not:

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, waiver, supplement or modification;

(2) reduce the stated rate of or extend the stated time for payment of interest on any Note (other than, for the avoidance of doubt, any payment pursuant to a Change of Control Offer or pursuant to the provisions of Section 4.08 hereof);

(3) reduce the principal of, or extend the Stated Maturity of, any Note;

(4) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed, in each case under Section 3.07 hereof (other than, for the avoidance of doubt, any payment pursuant to a Change of Control Offer or pursuant to the provisions of Section 4.08 hereof);

(5) make any Note payable in money other than that stated in the Note (except to the extent the currency stated in the Notes has been succeeded or replaced pursuant to applicable law);

(6) impair the right of any Holder to receive payment of principal of and interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any such payment on or with respect to such Holder's Notes (it being understood that this clause (6) will not apply to a Change of Control Offer or the provisions of Section 4.08 hereof except to the extent payments thereunder are at such time due and payable);

(7) *[Reserved]*;

(8) *[Reserved]*;

(9) *[Reserved]*;

(10) waive a Default or Event of Default with respect to the nonpayment of principal, premium or interest on the Notes (except pursuant to a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of such Notes and a waiver of the payment default that resulted from such acceleration); or

(11) make any change in the amendment or waiver provisions which require the Holders' consent described in this Section 9.02(a).

(b) In addition, without the consent of at least 75% in aggregate principal amount of Notes then outstanding, no amendment, supplement or waiver may: (1) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms this Indenture and the Intercreditor Agreement; or (2) release any of the security interests granted for the benefit of the Holders in the Notes Collateral (to the extent any Notes Collateral so released in any transactions or series of transactions has a fair market value in excess of $25 million) other than in accordance with the terms of, as applicable, the Notes

Security Documents, the Intercreditor Agreement, any applicable Additional Intercreditor Agreement, and this Indenture, as applicable.

(c) In formulating its decision on the matters described in (a) hereof, the Trustee shall be entitled to require and rely absolutely on such evidence as it deems necessary, including Officer's Certificates and Opinions of Counsel.

(d) For the purpose of calculating the aggregate principal amount of Notes that have consented to or voted in favor of any amendment, supplement or waiver, the principal amount of any Note shall be as of the Issue Date.

(e) The consent of the Holders is not necessary under this Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment. A consent to any amendment or waiver under this Indenture by any Holder of Notes given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.

(f) After an amendment under this Section 9.02 becomes effective, in the case of Holders of Definitive Notes, the Issuer shall mail to the Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

(g) The Notes issued on the Issue Date, and any Additional Notes, will be treated as a single class for all purposes under this Indenture, including with respect to waivers and amendments, except as otherwise stated in this Section 9.02.

Section 9.03 *Revocation and Effect of Consents and Waivers.*

(a) A written consent to an amendment or a waiver by a Holder shall bind the Holder and every subsequent Holder of that Note or portion of the Notes that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Issuer or the Trustee of the

requisite number of consents, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuer and the Trustee.

(b) The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their written consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding Section 9.03(a) hereof, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

Section 9.04 *Notation on or Exchange of Notes.*

If an amendment, modification or supplement changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Note shall issue and the Trustee or an Authenticating Agent shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment, modification or supplement.

Section 9.05 *Trustee and Notes Security Agent to Sign Amendments.*

The Trustee and the Notes Security Agent shall sign any amendment authorized pursuant to this Article 9 if the amendment does not impose any personal obligations on the Trustee or the Notes Security Agent or adversely affect the rights, duties, liabilities or immunities of the Trustee and the Notes Security Agent under this Indenture, the Notes Security Documents and the Intercreditor Agreement, as applicable. If it does, the Trustee or the Notes Security Agent may, but need not, sign it. In signing such amendment the Trustee and the Notes Security Agent shall be entitled to receive an indemnity and/or security satisfactory to it and to receive, and (subject to Section 7.01 and Section 7.02(o)) shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel stating that such amendment complies with this Indenture and that such amendment has been duly authorized, executed and delivered and is the legally valid and binding obligation of the Issuer and the Guarantors (if any) enforceable against them in accordance with its terms, subject to customary exceptions. Subject to this Section 9.05 and the terms of the Intercreditor Agreement, the Notes Security Agent shall at the direction of the Trustee sign amendments to this Indenture.

Notwithstanding the foregoing and Section 12.02(b) hereof, no Opinion of Counsel will be required for the Trustee to execute any amendment or supplement adding a new Guarantee of the Notes under this Indenture; *provided that* the execution thereof shall be deemed a representation by such Guarantor(s) that (i) all conditions precedent and covenants, if any, relating to the execution of such supplemental indenture have been satisfied, (ii) that such executed supplemental indenture is substantially in the form attached as Exhibit D hereto (subject to the inclusion of any additional limitations under applicable laws on the obligations of such Guarantor under its Note Guarantee) and (iii) such supplemental indenture is enforceable in accordance with its terms subject to (A) bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and similar laws affecting the rights and remedies of creditors generally and (B) general principles of equity.

For the avoidance of doubt, an Officer's Certificate (which the Trustee will be fully protected in relying upon and upon which the Trustee shall be entitled to rely without further enquiry or investigation) will be required for the Trustee to execute any amendment or supplement adding a new Guarantee of the Notes under this Indenture.

ARTICLE 10
NOTE GUARANTEES

Section 10.01 *Note Guarantees*.

(a) Subject to this Article 10, each of the Guarantors hereby, as primary obligor and not merely as a surety, jointly and severally, unconditionally and on a senior basis guarantees to each Holder authenticated and delivered by the Trustee (or the Authenticating Agent), to the Trustee and its successors and assigns and to the Notes Security Agent (on behalf of and for the benefit of the Holders, for the purpose of this Article 10, and not in its individual capacity, but solely in its role as representative of the Holders in holding and enforcing the Notes Collateral and the Notes Security Documents), irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that:

(1) the principal of, and premium, if any, and interest on, the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest, and premium, if any, on the Notes (to the extent permitted by law) and all other obligations of the Issuer to the Holders or the Trustee or the Notes Security Agent hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) Each Guarantor hereby agrees that its obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action or any delay or omission to assert any claim or to demand or enforce any remedy hereunder or thereunder, any waiver, surrender, release or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor (other than payment in full of all the Obligations of the Issuer hereunder and under the Notes). Each Guarantor hereby waives, to the fullest extent permitted by law, diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that this Note Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture or by release in accordance with the provisions of this Indenture.

(c) If any Holder, the Trustee, or the Notes Security Agent is required by any court or otherwise to return to or for the benefit of the Issuer, the Guarantors or any custodian, trustee,

liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid by either the Issuer or the Guarantors to the Trustee, the Notes

Security Agent, or such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Until terminated in accordance with Section 10.06 hereof, each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders, the Notes Security Agent, and the Trustee, on the other hand,

(1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and

(2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

(e) Each Guarantor also agrees to pay any and all costs and expenses (including attorneys' fees and expenses) incurred by the Trustee or the Notes Security Agent in enforcing any rights under this Section 10.01.

(f) Each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation, reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 10.02 *Successors and Assigns*.

This Article 10 shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee, the Notes Security Agent and the Holders and, in the event of any transfer or assignment of rights by any Holder or the

Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

Section 10.03 *No Waiver*.

Neither a failure nor a delay on the part of the Notes Security Agent, the Trustee or the Holders in exercising any right, power or privilege under this Article 10 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Notes Security Agent the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 10 at law, in equity, by statute or otherwise.

Section 10.04 *Modification*.

No modification, amendment or waiver of any provision of this Article 10, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstances.

Section 10.05 *Execution of Supplemental Indenture for Guarantors*.

Each Subsidiary which is required to become a Guarantor pursuant to this Indenture and the Company shall promptly execute and deliver to the Trustee a supplemental indenture in the form attached to this Indenture as Exhibit D pursuant to which such Subsidiary and the Company shall become a Guarantor under this Article 10. Concurrently with the execution and delivery of such supplemental indenture, the Issuer shall deliver to the Trustee an Officer's Certificate (which the Trustee shall be fully protected in relying upon and upon which the Trustee shall be entitled to rely, without further enquiry or investigation) to the effect that such supplemental indenture has been duly authorized, executed and delivered by such Subsidiary or the Company and that, subject to the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws relating to creditors' rights generally and to the principles of equity, whether considered in a proceeding at law or in equity, the Note Guarantee of such Guarantor is a legally valid and binding obligation of such Guarantor, enforceable against such Guarantor in accordance with its terms and to such other matters as the Trustee may reasonably request.

The obligations of a Guarantor executing and delivering a supplemental indenture to this Indenture providing for a Note Guarantee of the Notes under this Article 10 shall be subject to such limitations as are mandated under applicable laws in addition to the limitations set forth in Section 10.07 and set out in the relevant supplemental indenture.

Section 10.06 *Release of the Note Guarantees*

(a) The Note Guarantee of the Company will terminate automatically:

(1) upon legal defeasance, covenant defeasance or satisfaction and discharge of this Indenture, as provided in Article 8 hereof;

After any retiring Notes Security Agent's resignation or removal hereunder as the Notes Security Agent, the provisions of this Indenture shall inure to its benefit as to any actions taken or omitted to be taken by it under this Indenture while it was the Notes Security Agent hereunder.

Following the Completion Date, any resignation or replacement of the Notes Security Agent shall be made in accordance with the Notes Security Documents.

Subject to the rights and obligations of the Notes Security Agent under the terms of the Intercreditor Agreement, the Notes Security Agent agrees that it will enter into an amendment to the Intercreditor Agreement or enter into or amend any other Additional Intercreditor Agreement entered into in accordance with Section 4.13 hereof upon a direction of the Trustee to do so, given in accordance with Section 4.13 hereof. The Notes Security Agent shall sign any amendment authorized pursuant to Article 9 if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Notes Security Agent, subject to the rights and obligations of the Notes Security Agent under the terms of the Intercreditor Agreement.

Section 11.05 *Release of Liens.*

(a) The Issuer and the Guarantors will be entitled to release the Security Interests in respect of the Notes Collateral securing the Notes and the Note Guarantees under any one or more of the following circumstances:

(1) in connection with any other sale or other disposition of the Notes Collateral (other than the pledge over all of the Capital Stock of the Issuer) to a Person that is not the Company or a Restricted Subsidiary (but excluding any transaction subject to Article 5 hereof), if such sale or other disposition does not violate Section 4.08 hereof, but only in respect of the Notes Collateral sold or otherwise disposed of;

(2) in connection with the release of a Guarantor from its Note Guarantee pursuant to the terms of this Indenture, the release of the property and assets, and Capital Stock, of such Guarantor;

(6) as described under Article 9, Section 4.06(b) (in which case, for the avoidance of doubt, such release shall be automatic and unconditional) and Section 4.12 hereof;

(7) upon the full and final payment and performance of all obligations of the Issuer under this Indenture and the Notes;

(8) to release and re-take any Lien on any Notes Collateral to the extent not otherwise prohibited by the terms of this Indenture, the Notes Security Documents or the Intercreditor Agreement or any Additional Intercreditor Agreement;

provided that, the Security Interests created by the Notes Escrow Agreement may only be released upon release of all of the Escrowed Property from the Escrow Account in accordance with the terms of the Notes Escrow Agreement.

(b) *[Reserved]*.

Upon certification by the Issuer, the Notes Security Agent and the Trustee (as applicable) will take all necessary actions requested by the Issuer, including the granting of releases or waivers under the Notes Security Documents, the Intercreditor Agreement or any Additional Intercreditor Agreement, required to effectuate any release of the Notes Collateral securing the Notes and the Note Guarantees, in accordance with the provisions of this Indenture, the Notes Security Documents, the Intercreditor Agreement or any Additional Intercreditor Agreement and the relevant Notes Security Document. Each of the releases set forth above shall be effected by the Notes Security Agent without the consent of the Holders or any action on the part of the Trustee.

(c) The Notes Security Agent and the Trustee will agree to any release of the Security Interest in respect of the Notes Collateral that is in accordance with this Indenture, the Intercreditor Agreement or any Additional Intercreditor Agreement and the relevant Notes Security Document, without requiring any Holder consent or any action on the part of the Trustee. Upon request of the Issuer and upon receipt of an Officer's Certificate stating that all conditions precedent in respect of such release have been satisfied, the Notes Security Agent shall execute, deliver or acknowledge any necessary or proper instruments of termination, satisfaction or release to evidence the release of Notes Collateral permitted to be released pursuant to this Indenture, the Intercreditor Agreement and the Notes Security Documents. At the request of the Issuer, the Notes Security Agent shall execute and deliver an appropriate instrument evidencing such release (in the form provided by the Issuer).

Section 11.06 *Compensation and Indemnity.*

(a) The Issuer, failing which the Guarantors, if any, shall pay to the Notes Security Agent from time to time compensation for its services, subject to any terms of the Notes Security Documents and Intercreditor Agreement, as applicable, each as in effect from time to time which may address the compensation of the Notes Security Agent. The Notes Security Agent's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer and each Guarantor, if any, jointly and severally, shall reimburse the Notes Security Agent upon request for all out-of-pocket expenses incurred or made by it (as evidenced in an invoice from the Notes Security Agent), including without limitation costs of collection, in addition to the compensation for its services. Such expenses shall include the properly incurred compensation and expenses, disbursements and advances of the Notes Security Agent's agents, counsel, accountants and experts. The Issuer and each Guarantor, if any, jointly and severally shall indemnify the Notes Security Agent and its officers, directors, agents and employers against any and all loss, liability or expense (including properly incurred attorneys' fees) incurred by or in connection with its rights, duties, and obligations under this Indenture, the Intercreditor Agreement, any Additional Intercreditor Agreement or the Notes Security Documents, as the case may be, including the properly incurred costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any such rights, powers or duties. The Notes Security Agent shall notify the Issuer of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; *provided*, *however*, that any failure so to notify the Issuer shall not relieve the Issuer or any Guarantor of its indemnity obligations hereunder, under the Intercreditor Agreement, any Additional Intercreditor

Agreement or the Notes Security Documents, as the case may be. The Issuer shall defend the claim and the indemnified party shall provide cooperation at the Issuer's and any Guarantor's expense in the defense. Notwithstanding the foregoing, such indemnified party may, in its sole discretion, assume the defense of the claim against it and the Issuer and each Guarantor, if any, shall, jointly and severally, pay the properly incurred fees and expenses of the indemnified party's defense (as evidenced in an invoice from the Notes Security Agent). Such indemnified parties may have separate counsel of their choosing and the Issuer and the Guarantors, jointly and severally, shall pay the properly incurred fees and expenses of such counsel (as evidenced in an invoice from the Notes Security Agent). The Issuer need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct or gross negligence.

(b) To secure the Issuer's and any Guarantor's payment obligations in this Section 11.06, the Notes Security Agent shall, subject to the Intercreditor Agreement and any Additional Intercreditor Agreement, have a lien on the Notes Collateral and the proceeds of the enforcement of the Notes Collateral for all monies payable to it under this Section 11.06.

(c) The Issuer's and any Guarantor's payment obligations pursuant to this Section 11.06 and any lien arising hereunder shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any bankruptcy law or the resignation or removal of the Notes Security Agent. Without prejudice to any other rights available to the Notes Security Agent under applicable law, when the Notes Security Agent incurs expenses after the occurrence of a Default specified in Section 6.01(a)(6) with respect to the Issuer, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

Section 11.07 *Conflicts*

Each of the Issuer, the Guarantors (if any), the Trustee and the Holders acknowledge and agree that the Notes Security Agent is acting as security agent and trustee not just on their behalf but also on behalf of certain creditors named in the Notes Security Documents and/or the Intercreditor Agreement, as applicable, and acknowledge and agree that pursuant to the terms of the Notes Security Documents and/or the Intercreditor Agreement, as applicable, the Notes Security Agent may be required by the terms thereof to act in a manner which may conflict with the interests of the Issuer, the Guarantors, the Trustee and the Holders (including the Holders' interests in the Notes Collateral and the Note Guarantees) and that it shall be entitled to do so in accordance with the terms of the Notes Security Documents and/or the Intercreditor Agreement, as applicable.

(b) Delivery and Control. Grantor agrees that with respect to any Collateral Investment Related Property in which it currently has rights it shall comply with the provisions of this Section 4.4.1(b) on or before the Completion Date and with respect to any Collateral Investment Related Property hereafter acquired by Grantor it shall comply with the provisions of this Section 4.4.1(b) promptly (in any event no later than 15 days thereafter) upon acquiring rights therein, in each case in form and substance satisfactory to the Security Agent. (2) the Security Agent shall promptly execute and deliver (or cause to be executed and delivered) to Grantor all proxies, and other instruments as Grantor may from time to time reasonably request for the purpose of enabling Grantor to exercise the voting and other consensual rights when and to the extent which it is entitled to exercise pursuant to clause (1) above.

(ii) Upon request by the Security Agent after the occurrence and during the continuation of an Event of Default:

(1) all rights of Grantor to exercise or refrain from exercising the voting and other consensual rights which it would otherwise be entitled to exercise pursuant hereto shall cease and all such rights shall thereupon become vested in the Security Agent who shall thereupon have the sole right to exercise such voting and other consensual rights; and

(2) in order to permit the Security Agent to exercise the voting and other consensual rights which it may be entitled to exercise pursuant hereto and to receive all dividends and other distributions which it may be entitled to receive hereunder: (1) Grantor shall promptly execute and deliver (or cause to be executed and delivered) to the Security Agent all proxies, dividend payment orders and other instruments as the Security Agent may from time to time reasonably request and (2) Grantor acknowledges that the Security Agent may utilize the power of attorney set forth in Section 6.1.

(ii) Schedule 4.4 hereto (as such schedule may be amended or supplemented from time to time) sets forth under the headings "Deposit Accounts" all of the Deposit Accounts included in the Collateral other than any Deposit Accounts with outstanding balance of less than $15 million in the aggregate at any time (each, a "Material Deposit Account"). In addition to the foregoing, if any issuer of any Investment Related Property is located in a jurisdiction outside of the United States, Grantor shall take such additional actions as reasonably requested by the Security Agent, including, without limitation, causing the issuer to register the pledge on its books and records or making such filings or recordings, in each case as may be necessary or advisable, under the laws of such issuer's jurisdiction to insure the validity, perfection and priority of the security interest of the Security Agent. (b) Covenants and Agreements. Grantor hereby covenants and agrees as follows:

(i) it shall not do any act or omit to do any act whereby any of the Collateral Intellectual Property that is material to the business of Grantor or otherwise of material value may lapse, or become abandoned, canceled, dedicated to the public, forfeited, unenforceable or otherwise impaired or which would adversely affect the validity, grant, or enforceability of the security interest granted therein;

(ii) it shall not, with respect to any Trademarks which are material to the business of Grantor and included in the Collateral, cease the use of any of such Trademarks or fail to maintain the level of the quality of products sold and services rendered under any of such Trademark at a level at least substantially consistent with the quality of such products and services as of the date hereof, and Grantor shall take all steps necessary to insure that licensees of such Trademarks use such consistent standards of quality;

Collateral Intellectual Property including, but not limited to, those items on Schedule 4.7(A), (C) and (E) (as each may be amended or supplemented from time to time);

(v) in the event that any Collateral Intellectual Property that is material to Grantor's business and owned by or exclusively licensed to Grantor is infringed, misappropriated, diluted or otherwise violated by a third party, Grantor shall promptly take all reasonable actions to stop such infringement, misappropriation, dilution or other violation and protect its rights in such Collateral Intellectual Property including, but not limited to, the initiation of a suit for injunctive relief and to recover damages;

(vi) it shall promptly (but in no event more than thirty (30) days after Grantor obtains knowledge thereof) report to the Security Agent (i) the filing of any application to register any Collateral Intellectual Property with the United States Patent and Trademark Office, the United States Copyright Office or any state registry or foreign counterpart of the foregoing (whether such application is filed by Grantor or through any agent, employee, licensee, or designee thereof), (ii) the registration of any Collateral Intellectual Property by any such office, (iii) the acquisition of any Collateral Intellectual Property that is registered or applied for in any such office, and (iv) the filing of an "statement of use" or "amendment to allege use" in the PTO with respect to any "intent to use" Trademark application owned by Grantor, in each case by executing and delivering to the Security Agent a completed Pledge Supplement, substantially in the form of Exhibit A attached hereto, together with all Supplements to Schedules thereto;

(vii) it shall, promptly upon the reasonable request of the Security Agent, execute and deliver to the Security Agent any document (including each Intellectual Property Security Agreement) required to acknowledge, confirm, register, record or perfect the Security Agent's interest in any part of the Collateral Intellectual Property, whether now owned or hereafter acquired;

(viii) except with the prior consent of the Security Agent or as permitted under the Indenture, Grantor shall not execute, and there will not be on file in any public office, any financing statement or other document or instruments, except financing statements or other documents or instruments filed or to be filed in favor of the Security Agent and Grantor shall not sell, assign, transfer, license, grant any option or create or suffer to exist any Lien upon or with respect to the Collateral Intellectual Property, except for the Lien created by and under this Agreement and the other Notes Documents and other Permitted Liens;

(ix) it shall hereafter use best efforts so as not to permit the inclusion in any contract to which it hereafter becomes a party of any provision that could or might in any way materially impair or prevent the creation of a security interest in, or the assignment of, Grantor's rights and interests in any property included within the definitions of any Collateral Intellectual Property material to Grantor's business acquired under such contracts;

(x) it shall take all steps reasonably necessary to protect the secrecy of all Trade Secrets included in the Collateral, including, without limitation, entering into confidentiality agreements with employees and consultants and labeling and restricting access to secret information and documents;

In connection with such collections, Grantor may take (and, at the Security Agent's reasonable direction, shall take) such action as Grantor or the Security Agent may deem reasonably necessary or advisable to enforce collection of such amounts. Notwithstanding the foregoing, the Security Agent

shall have the right at any time, to notify, or require Grantor to notify, any obligors with respect to any such amounts of the existence of the security interest created hereby.

4.8 Commercial Tort Claims. Representations and Warranties. Grantor hereby represents and warrants, on the Completion Date, that Schedule 4.8 (as such schedule may be amended or supplemented from time to time) sets forth all Commercial Tort Claims included in the Collateral ; and

(b) Covenants and Agreements. Grantor hereby covenants and agrees that with respect to any Commercial Tort Claim included in the Collateral hereafter arising that could reasonably be likely to result in an award in favor of Grantor in excess of $15 million it shall deliver to the Security Agent a completed Pledge Supplement, substantially in the form of Exhibit A attached hereto, together with all Supplements to Schedules thereto, identifying such new Commercial Tort Claims.

4.9 Communications Regulatory Requirements. Notwithstanding any other provision of this Agreement, to the extent that the Collateral includes Communications Licenses the foreclosure on; the sale, transfer or other disposition of; or the exercise of any right to vote or consent with respect to; any of the Communications Licenses as provided herein or any other action taken or proposed to be taken by the Security Agent which would affect the operational, voting, or other control of the Company, shall be pursuant to the Communications Laws.

(b) If an Event of Default shall have occurred and be continuing, Grantor shall take any action which the Security Agent may request in the exercise of its rights and remedies under this Agreement in order to transfer and assign the Collateral to the Security Agent, or to such one or more third parties as the Security Agent may designate, or to a combination of the foregoing, consistent with Section 4.9(a). To enforce the provisions of this Section 4.9, the Security Agent is authorized to seek the appointment of a receiver, or to seek from the FCC (and any other Governmental Authority, if required) consent to an involuntary transfer of control of Company for the purpose of seeking a bona fide purchaser to whom control will ultimately be transferred, or both. Grantor hereby agrees to apply to the FCC (and any other Governmental Authority) to request that authorization for such an involuntary transfer of control upon the request of the Security Agent. Upon the occurrence and continuance of an

Event of Default, Grantor shall use its best efforts to assist in obtaining approval of the FCC and any other Governmental Authority, if required, for any action or transactions contemplated by this Agreement including, without limitation, the preparation, execution and filing with the FCC and any other Governmental Authority of the assignor's or transferor's portion of any application or applications for consent to assignment or transfer of control necessary or appropriate under the Communications Laws for approval of the transfer or assignment of any portion of the Collateral.

(c) Grantor acknowledges that authorization from the FCC and any other Governmental Authority for the transfer of control of the licenses of Grantor included in the Collateral is integral to the Security Agent's realization of the value of the Collateral, that there is no remedy at law for failure by Grantor to comply with the provisions of this Section 4.9 and that such failure would not be adequately compensable in damages, and therefore agrees that the agreements contained in this Section 4.9 may be specifically enforced.

(d) Notwithstanding anything to the contrary contained in this Agreement, the Indenture or the other Notes Documents, the Security Agent shall not, without first obtaining the approval of the FCC and any other Governmental Authority, take any action that is not permitted by the FCC or other Governmental Authority or any other applicable law, or that would constitute or result in any change of control of Company or an assignment of any Communications License included in the Collateral held by Company if such change in control or assignment would require, under then existing Communications Laws, the prior approval of the FCC and any other Governmental Authority. In an Event of Default, (a) voting rights shall remain with Grantor unless and until the FCC and all other applicable Governmental Authorities have approved the assignment of the Communications Licenses included in the Collateral or transfer of control and (b) subject to any regulatory approvals required by the Communications Laws, there will be either a private or public sale of the pledged shares.

SECTION 5. ACCESS; RIGHT OF INSPECTION AND FURTHER ASSURANCES.

5.1 Access; Right of Inspection. Grantor will permit the Security Agent to visit and inspect any of the properties of Grantor to inspect, and to discuss its and their affairs, finances and accounts with its and their officers and independent public accountants, all upon reasonable notice and during normal business hours and as coordinated by the Security Agent, which visits and inspections should be limited to no more than one per year for the Security Agent so long as no Event of Default has occurred and is continuing. Grantor will keep proper books of record and accounts in which full, true and correct entries in conformity in all material respects with GAAP shall be made of all dealings and transactions in relation to its business and activities.

5.2 Further Assurances. Except to the extent perfection is not required hereunder (because of a materiality threshold or otherwise), Grantor agrees that from time to time, at the expense of Grantor, that it shall promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary or reasonably desirable, or that the Security Agent may reasonably request, in order to create and/or maintain the validity, perfection or priority of and protect any security interest granted or purported to be granted hereby or to enable the Security Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral. Without limiting the generality of the foregoing, Grantor:

(i) hereby authorizes the filing of such financing or continuation statements, or amendments thereto and agrees to execute and deliversuch other agreements, instruments, endorsements, powers of attorney or notices, as may be necessary or reasonably desirable, or as the Security Agent may reasonably request, in order to effect, reflect, perfect and preserve the security interests granted or purported to be granted hereby;

(ii) shall take all actions necessary to ensure the recordation of appropriate evidence of the liens and security interest granted hereunder in any Intellectual Property with any intellectual property registry in which said Intellectual Property is registered or issued or in which an application for registration or issuance is pending, including, without limitation, the United States Patent and Trademark Office and the United States Copyright Office;

(iii) at any reasonable time following the occurrence of and during the continuation of an Event of Default, upon request by the Security Agent, shall assemble the Collateral and allow inspection of the Collateral by the Security Agent, or persons designated by the Security Agent; and

(iv) at the Security Agent's reasonable request, appear in and defend any action or proceeding that may affect Grantor's title to or the Security Agent's security interest in all or any part of the Collateral

(b) Grantor hereby authorizes the Security Agent to file a Record or Records, including, without limitation, financing or continuation statements, Intellectual Property Security Agreements and amendments and supplements to any of the foregoing, in any jurisdictions and with any filing offices as the Security Agent may determine, in its reasonable discretion, are necessary or advisable to perfect or otherwise protect the security interest granted to the Security Agent herein. Such financing statements may describe the Collateral in the same manner as described herein or may contain an indication or description of collateral that describes such property in any other manner as the Security Agent may determine, in its reasonable discretion, is necessary, advisable or prudent to ensure the perfection of the security interest in the Collateral granted to the Security Agent herein. Grantor shall furnish to the Security Agent from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as the Security Agent may reasonably request, all in reasonable detail.

(c) Grantor hereby authorizes the Security Agent to modify this Agreement after obtaining Grantor's approval of or signature to such modification by amending Schedule 4.7 (as such schedule may be amended or supplemented from time to time) to include reference to any right, title or interest in any existing Collateral Intellectual Property or any Collateral Intellectual Property acquired or developed by Grantor after the execution hereof or to delete any reference to any right, title or interest in any Collateral Intellectual Property in which Grantor no longer has or claims any right, title or interest.

SECTION 6. SECURITY AGENT APPOINTED ATTORNEY-IN-FACT.

6.1 Power of Attorney. Grantor hereby irrevocably appoints the Security Agent (such appointment being coupled with an interest) as Grantor's attorney-in-fact, with full authority in the place and stead of Grantor and in the name of Grantor, the Security Agent or otherwise, from time to time in the Security Agent's discretion to take any action and to execute any instrument that the Security Agent may deem reasonably necessary or advisable to accomplish the purposes of this Agreement, including, without limitation, the following:

(a) upon the occurrence and during the continuance of any Event of Default, to obtain and adjust insurance required to be maintained by Grantor or paid to the Security Agent pursuant to the Indenture;

(b) upon the occurrence and during the continuance of any Event of Default, to ask for, demand, collect, sue for, recover, compound, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(c) upon the occurrence and during the continuance of any Event of Default, to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection with clause (b) above;

(d) upon the occurrence and during the continuance of any Event of Default, to file any claims or take any action or institute any proceedings that the Security Agent may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of the Security Agent with respect to any of the Collateral;

(e) to prepare and file any UCC financing statements against Grantor as debtor;

(f) to prepare, sign and file for recordation in any intellectual property registry, appropriate evidence of the lien and security interest granted herein in any Intellectual Property in the name of Grantor as debtor;

(g) to take or cause to be taken all actions necessary to perform or comply or cause performance or compliance with the terms of this Agreement, including, without limitation, access to pay or discharge taxes (other than taxes being contested in good faith) or Liens (other than Permitted Liens) levied or placed upon or threatened against the Collateral, the legality or validity thereof and the amounts necessary to discharge the same to be determined by the Security Agent in its reasonable discretion, any such payments made by the Security Agent to become obligations of Grantor to the Security Agent, due and payable immediately without demand; and

(h) (i) upon the occurrence and during the continuance of any Event of Default, generally to sell, transfer, lease, license, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Security Agent were the absolute owner thereof for all purposes and do all acts and things that the Security Agent deems reasonably necessary to realize upon the Collateral and the Security Agent's security interest therein, and (ii) to do, at the Security Agent's option and Grantor's expense, at

any time or from time to time, all acts and things that the Security Agent deems reasonably necessary to protect, preserve or realize upon the Collateral and the Security Agent's security interest therein in order to effect the intent of this Agreement, all as fully and effectively as Grantor might do.

6.2 No Duty on the Part of Security Agent or Secured Parties The powers conferred on the Security Agent hereunder are solely to protect the interests of the Secured Parties in the Collateral and shall not impose any duty upon the Security Agent or any other Secured Party to exercise any such powers; provided, however, that Security Agent shall afford Collateral in its custody with the same degree of care as it affords similar property for its own account. The Security Agent and the other Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct. Such appointment as attorney-in-fact must be exercised consistently with the Communications Laws, including, but not limited to, compliance with the FCC's rules concerning the execution and filing of applications, reports and documents, or other instruments with the FCC. Grantor agrees to cooperate in making any required filings, or any filings necessary for the operation of its or its subsidiaries' businesses, with the FCC and any other Governmental Authority.

6.3 Appointment Pursuant to Indenture. The Security Agent has been appointed as collateral agent pursuant to the Indenture. The rights, duties, privileges, immunities and indemnities of the Security Agent hereunder are subject to the provisions of the Indenture.

SECTION 7. REMEDIES.

7.1 Generally. If any Event of Default shall have occurred and be continuing, the Security Agent may exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it at law or in equity, all the rights and remedies of the Security Agent on default under the UCC (whether or not the UCC applies to the affected Collateral) to collect, enforce or satisfy any Secured Obligations then owing, whether by acceleration or otherwise, and also may pursue any of the following separately, successively or simultaneously:

(i) require Grantor to, and Grantor hereby agrees that it shall at its expense and promptly upon request of the Security Agent forthwith, assemble all or part of the Collateral as directed by the Security Agent and make it available to the Security Agent at a place to be designated by the Security Agent that is reasonably convenient to both parties;

(ii) enter onto the property where any Collateral is located and take possession thereof with or without judicial process;

(iii) prior to the disposition of the Collateral, store, process, repair or recondition the Collateral or otherwise prepare the Collateral for disposition in any manner to the extent the Security Agent deems appropriate; and

(iv) without notice except as specified below or under the UCC, sell, assign, lease, license (on an exclusive or nonexclusive basis) or otherwise

dispose of the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Security Agent's offices or elsewhere, for cash, on credit or for future delivery, at such time or times and at such price or prices and upon such other terms as the Security Agent may deem commercially reasonable.

(b) Subject to Section 4.9 herein, the Security Agent or any other Secured Party may be the purchaser of any or all of the Collateral at any public or private (to the extent to the portion of the Collateral being privately sold is of a kind that is customarily sold on a recognized market or the subject of widely distributed standard price quotations) sale in accordance with the UCC and the Security Agent, as collateral agent for and representative of the Secured Parties, shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale made in accordance with the UCC, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any Collateral payable by the Security Agent at such sale. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of Grantor, and Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Grantor agrees that, to the extent notice of sale shall be required by law, at least ten (10) days' notice to Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Security Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Security Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Grantor agrees that it would not be commercially unreasonable for the Security Agent to dispose of the Collateral or any portion thereof by using Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets. Grantor hereby waives any claims against the Security Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if the Security Agent accepts the first offer received and does not offer such Collateral to more than one offeree. If the proceeds of any sale or other disposition of the Collateral are insufficient to pay all the Secured Obligations, Grantor shall be liable for the deficiency and the fees of any attorneys employed by the Security Agent to collect such deficiency. Grantor further agrees that a breach of any of the covenants contained in this Section will cause irreparable injury to the Security Agent, that the Security Agent has no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section shall be specifically enforceable against Grantor, and Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no default has occurred giving rise to the Secured Obligations becoming due and payable prior to their stated maturities. Nothing in this Section shall in any way alter the rights of the Security Agent hereunder.

(c) The Security Agent may sell the Collateral without giving any warranties as to the Collateral. The Security Agent may specifically disclaim or modify any warranties of

title or the like. This procedure will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

(d) The Security Agent shall have no obligation to marshal any of the Collateral.

7.2 **Application of Proceeds**. Except as expressly provided elsewhere in this Agreement, all proceeds received by the Security Agent in respect of any sale of, any collection from or other realization upon all or any part of the Collateral shall be applied in full or in part by the Security Agent, or turned over to the Administrative Agent for application in full or in part by the Administrative Agent, against the Secured Obligations as set forth in Section 6.10 of the Indenture (with references therein to the Administrative Agent to be construed to also apply to the Security Agent).

7.3 **Sales on Credit**. If the Security Agent sells any of the Collateral upon credit, Grantor will be credited only with payments actually made by purchaser and received by the Security Agent and applied to indebtedness of the purchaser. In the event the purchaser fails to pay for the Collateral, the Security Agent may resell the Collateral and Grantor shall be credited with proceeds of the sale.

7.4 **Investment Related Property**. Grantor recognizes that, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws, the Security Agent may be compelled, with respect to any sale of all or any part of the Collateral Investment Related Property conducted without prior registration or qualification of such Collateral Investment Related Property under the Securities Act and/or such state securities laws, to limit purchasers to those who will agree, among other things, to acquire the Collateral Investment Related Property for their own account, for investment and not with a view to the distribution or resale thereof. Grantor acknowledges that any such private sale may be at prices and on terms less favorable than those obtainable through a public sale without such restrictions (including a public offering made pursuant to a registration statement under the Securities Act) and, notwithstanding such circumstances, Grantor agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner and that the Security Agent shall have no obligation to engage in public sales and no obligation to delay the sale of any Collateral Investment Related Property for the period of time necessary to permit the issuer thereof to register it for a form of public sale requiring registration under the Securities Act or under applicable state securities laws, even if such issuer would, or should, agree to so register it. If the Security Agent determines to exercise its right to sell any or all of the Collateral Investment Related Property, upon written request, Grantor shall and shall cause each issuer of any Pledged Stock to be sold hereunder, each partnership and each limited liability company from time to time to furnish to the Security Agent all such information as the Security Agent may request in order to determine the number and nature of interest, shares or other instruments included in the Collateral Investment Related Property which may be sold by the Security Agent in exempt transactions under the Securities Act and the rules and regulations of the Securities and Exchange Commission thereunder, as the same are from time to time in effect.

7.5 **Intellectual Property**. Anything contained herein to the contrary notwithstanding, in addition to the other rights and remedies provided herein, upon the occurrence and during the continuation of an Event of Default:

(i) the Security Agent shall have the right (but not the obligation) to bring suit or otherwise commence any action or proceeding in the name of Grantor, the Security Agent or otherwise, in the Security Agent's sole discretion, to enforce any Collateral Intellectual Property, in which event Grantor shall, at the request of the Security Agent, do any and all lawful acts and execute any and all documents required by the Security Agent in aid of such enforcement and Grantor shall promptly, upon demand, reimburse and indemnify the Security Agent as provided in Section 10 hereof in connection with the exercise of its rights under this Section, and, to the extent that the Security Agent shall elect not to bring suit to enforce any Collateral Intellectual Property as provided in this Section, Grantor agrees to use all reasonable measures, whether by action, suit, proceeding or otherwise, to prevent the infringement, misappropriation, dilution or other violation of any of Grantor's rights in the Collateral Intellectual Property that is material to its business by others and for that purpose agrees to diligently maintain any action, suit or proceeding against any Person so infringing, misappropriating, diluting or otherwise violating as shall be necessary to prevent such infringement, misappropriation, dilution or violation;

(ii) upon written demand from the Security Agent in connection with a foreclosure or other exercise of remedies permitted by applicable law, Grantor shall grant, assign, convey or otherwise transfer to the Security Agent or Security Agent's designee an absolute assignment of all of Grantor's right, title and interest in and to the Collateral Intellectual Property and shall execute and deliver to the Security Agent such documents as are necessary or appropriate to carry out the intent and purposes of this Agreement;

(iii) Grantor agrees that such an assignment and/or recording shall be applied to reduce the Secured Obligations outstanding only to the extent that the Security Agent (or any Secured Party) receives cash proceeds in respect of the sale of, or other realization upon, the Collateral Intellectual Property;

(iv) within five (5) Business Days after written notice from the Security Agent, Grantor shall make available to the Security Agent, to the

extent within Grantor's power and authority, such personnel in Grantor's employ on the date of such Event of Default as the Security Agent may reasonably designate, by name, title or job responsibility, to permit Grantor to continue, directly or indirectly, to produce, advertise and sell the products and services sold or delivered by Grantor under or in connection with the Trademarks and Trademark Licenses included in the Collateral, such persons to be available to perform their prior functions on the Security Agent's behalf and to be compensated by the Security Agent at Grantor's expense on a per diem, pro-rata basis consistent with the salary and benefit structure applicable to each as of the date of such Event of Default; and

(v) the Security Agent shall have the right to notify, or require Grantor to notify, any obligors with respect to amounts due or to become due to Grantor in respect of any Collateral Intellectual Property , of the existence of the security interest created herein, to direct such obligors to make payment of all such amounts directly to the Security Agent, and, upon such notification and at the expense of Grantor, to enforce collection of any such amounts and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as Grantor might have done;

(1) all amounts and proceeds (including checks and other instruments) received by Grantor in respect of amounts due to Grantor in respect of the Collateral or any portion thereof shall be received in trust for the benefit of the Security Agent hereunder, shall be segregated from other funds of Grantor and shall be forthwith paid over or delivered to the Security Agent in the same form as so received (with any necessary endorsement) to be held as cash Collateral and applied as provided by Section 7.6 hereof; and

(2) Grantor shall not adjust, settle or compromise the amount or payment of any such amount or release wholly or partly any obligor with respect thereto or allow any credit or discount thereon.

(b) If (i) an Event of Default shall have occurred and, by reason of cure, waiver, modification, amendment or otherwise, no longer be continuing, (ii) no other Event of Default shall have occurred and be continuing, (iii) an assignment or other transfer to the Security Agent of any rights, title and interests in and to any Collateral Intellectual Property shall have been previously made and shall have become absolute and effective and (iv) the Secured Obligations shall not have become immediately due and payable, upon the written request of Grantor, the Security Agent shall promptly execute and deliver to Grantor, at Grantor's sole cost and expense, such assignments or other transfer as may be necessary to reassign to Grantor any such rights, title and interests as may have been assigned to the Security Agent as aforesaid, subject to any disposition thereof that may have been made by the Security Agent; provided, after giving effect to such reassignment, the Security Agent's security interest granted pursuant hereto, as well as all other rights and remedies of the Security Agent granted hereunder, shall continue to be in full force and effect; and provided further, the rights, title and interests so reassigned shall be free and clear of any other Liens granted by or on behalf of the Security Agent and the Secured Parties.

(c) Solely for the purpose of enabling the Security Agent to exercise rights and remedies under this Section 7 and at such time as the Security Agent shall be lawfully entitled to exercise such rights and remedies, Grantor hereby grants to the Security Agent, to the extent it has the right to do so, an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to Grantor), subject, in the case of Trademarks included in the Collateral, to sufficient rights to quality control and inspection in favor of Grantor to avoid the risk of invalidation of said Trademarks, to use, operate under, license or

sublicense and otherwise exploit any Intellectual Property now or hereafter owned or held by Grantor.

7.6 **Cash Proceeds**. In addition to the rights of the Security Agent specified in Section 4.3 with respect to payments of Collateral Receivables, after occurrence and during the continuance of an Event of Default, upon request by the Security Agent, all proceeds of any Collateral received by Grantor consisting of cash, checks and other near-cash items (collectively, "Cash Proceeds") shall be held by Grantor in trust for the Security Agent, segregated from other funds of Grantor, and shall, forthwith upon receipt by Grantor, unless otherwise provided in this Agreement or any other Notes Document, be turned over to the Security Agent in the exact form received by Grantor (duly indorsed by Grantor to the Security Agent, if required) and held by the Security Agent in a Collateral Account. Any Cash Proceeds received by the Security Agent (whether from Grantor or otherwise): (i) if no Event of Default shall have occurred and be continuing, shall be held by the Security Agent for the ratable benefit of the Secured Parties, as collateral security for the Secured Obligations (whether matured or unmatured) and, upon request of Company, returned to Company, and (ii) if an Event of Default shall have occurred and be continuing, may, in the sole discretion of the Security Agent, (A) be held by the Security Agent for the ratable benefit of the Secured Parties, as collateral security for the Secured Obligations (whether matured or unmatured) and/or (B) then or at any time thereafter may be applied by the Security Agent against the Secured Obligations then due and owing.

SECTION 8. SECURITY AGENT.

The Security Agent has been appointed to act as Security Agent hereunder by the Holders and, by their acceptance of the benefits hereof, the other Secured Parties. The Security Agent shall be obligated, and shall have the right hereunder, to make demands, to give notices, to exercise or refrain from exercising any rights and to take or refrain from taking any action (including, without limitation, the release or substitution of Collateral), solely in accordance with the Intercreditor Agreement, any Additional Intercreditor Agreement, this Agreement and the Indenture. In furtherance of the foregoing provisions of this Section, each Secured Party, by its acceptance of the benefits hereof, agrees that it shall have no right individually to realize upon any of the Collateral hereunder, it being understood and agreed by such Secured Party that all rights and remedies hereunder may be exercised solely by the Security Agent for the benefit of Secured Parties in accordance with the terms of this Section. Security Agent may resign at any time by giving thirty (30) days' prior written notice thereof to the Holders, the Trustee and the Grantor, and Security Agent may be removed at any time with or without cause by an instrument or concurrent instruments in writing delivered to the Grantor and Security Agent signed by the Trustee on behalf of the Holders of a majority in principal amount of the Notes then outstanding (the "**Required Holders**"). Upon any such notice of resignation or any such removal, Required Holders shall have the right, upon five (5) Business Days' notice to the Security Agent, following receipt of the Grantor's consent (which shall not be unreasonably withheld or delayed and which shall not be required while an Event of Default exists), to appoint a successor Security Agent. Upon the acceptance of any appointment as Security Agent hereunder by a successor Security Agent, that successor will become Security Agent under this Agreement, and the retiring or removed Security Agent under this Agreement shall promptly (i) transfer to such successor Security Agent all sums, Securities and other items of Collateral held hereunder, together with all records and other documents necessary or appropriate in connection with the

performance of the duties of the successor Security Agent under this Agreement, and (ii) execute and deliver to such successor Security Agent such amendments to financing statements, and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Security Agent of the security interests created hereunder, whereupon such retiring or removed Security Agent shall be discharged from its duties and obligations under this Agreement. After any retiring or removed Security Agent's resignation or removal hereunder as the Security Agent, the provisions of this Agreement shall inure to its benefit as to any actions taken or omitted to be taken by it under this Agreement while it was the Security Agent hereunder.

SECTION 9. CONTINUING SECURITY INTEREST

(a) This Agreement shall create a continuing security interest in the Collateral and shall remain in full force and effect until the full and final payment of all Secured Obligations (other than contingent indemnification obligations as to which no claim has been asserted), and be binding upon Grantor, its successors and assigns and inure, together with the rights and remedies of the Security Agent hereunder, to the benefit of the Security Agent and its successors, transferees and assigns. Without limiting the generality of the foregoing, but subject to the terms of the Indenture, any Holder may assign or otherwise transfer any Notes held by it to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Holder herein or otherwise. Upon the full and final payment of all Secured Obligations (other than contingent indemnification obligations as to which no claim has been asserted), the security interest granted hereby shall terminate hereunder and of record and all rights to the Collateral shall revert to Grantor.

(b) Prior to the Existing Credit Agreement Discharge Date, upon any disposition of property permitted by the Indenture, the Liens granted herein shall be deemed to be automatically released and such property shall automatically revert to the Grantor with no further action on the part of any Person.

(c) On or after the Existing Credit Agreement Discharge Date, upon (i) any sale or disposition of property of a Grantor to a Person other than the Issuer or a Guarantor or (ii) the consummation of any other transaction permitted by the Indenture as a result of which such Grantor becomes an Excluded Subsidiary or such Grantor is released from its Note Guarantee, the Liens granted herein shall be deemed to be automatically released and such property shall automatically revert to the Grantor with no further action on the part of any Person.

(d) On or after the Existing Credit Agreement Discharge Date, upon any Collateral being or becoming an Excluded Asset, the security interests created pursuant to this Agreement on such Collateral shall be automatically released.

(e) The Grantor shall also be entitled to release the security interests created pursuant to this Agreement as set forth in Section 11.05 of the Indenture.

(f) In connection with any termination or release pursuant to the foregoing clauses (a), (b), (c), (d) or (e), the Security Agent shall, at the Grantor's expense, execute and

deliver or otherwise authorize the filing of such documents as the Grantor shall reasonably request, in form and substance reasonably satisfactory to the Security Agent, including financing statement amendments to evidence such release or termination.

SECTION 10. STANDARD OF CARE; SECURITY AGENT MAY PERFORM.

The powers conferred on the Security Agent hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the exercise of reasonable care in the custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Security Agent shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. The Security Agent shall be deemed to have exercised reasonable care in the custody and preservation of Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Security Agent accords its own property. Neither the Security Agent nor any of its directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of Grantor or otherwise. If Grantor fails to perform any agreement contained herein, the Security Agent may itself perform, or cause performance of, such agreement, and the expenses of the Security Agent incurred in connection therewith shall be payable by Grantor under Section 11.06 of the Indenture.

SECTION 11. INTERCREDITOR AGREEMENT.

Notwithstanding anything herein to the contrary, (i) the Liens and security interests granted to the Security Agent pursuant to this Agreement and the exercise of any right or remedy by the Security Agent hereunder, are subject to the provisions of the Intercreditor Agreement or any Additional Intercreditor Agreement and (ii) any Collateral (to the extent the possession thereof perfects a Lien thereon under the Uniform Commercial Code of any jurisdiction) may be held by the Controlling Collateral Agent (as defined in the Intercreditor Agreement) (or its agents or bailees) in accordance with Section 2.09 of the Intercreditor Agreement. In the event of any conflict between the terms of any such Intercreditor Agreement or Additional Intercreditor Agreement and the terms of this Agreement, the terms of any such Intercreditor Agreement or Additional Intercreditor Agreement shall govern and control. No right, power or remedy granted to the Security Agent hereunder shall be exercised by the Security Agent, and no direction shall be given by the Security Agent, in contravention of any such Intercreditor Agreement or Additional Intercreditor Agreement.

SECTION 12. MISCELLANEOUS.

Any notice required or permitted to be given under this Agreement shall be given in accordance with Section 12.01 of the Indenture: provided that any notice or communication to the Security Agent shall be addressed to 500 Stanton Christiana Rd. 3/Ops2, Newark, DE 19713. No failure or delay on the part of the Security Agent in the exercise of any power, right or privilege hereunder or under any other Notes Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise

thereof or of any other power, right or privilege. All rights and remedies existing under this Agreement and the other Notes Documents are cumulative to, and not exclusive of, any rights or remedies otherwise available. In case any provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists. This Agreement shall be binding upon and inure to the benefit of the Security Agent and Grantor and their respective successors and assigns. Grantor shall not, without the prior written consent of the Security Agent given in accordance with the Indenture, assign any right, duty or obligation hereunder. This Agreement and the other Notes Documents embody the entire agreement and understanding between Grantor and the Security Agent and supersede all prior agreements and understandings between such parties relating to the subject matter hereof and thereof. Accordingly, the Notes Documents may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties. This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument; signature pages may be detached from multiple separate counterparts and attached to a single counterpart so that all signature pages are physically attached to the same document.

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND ALL CLAIMS AND CONTROVERSIES ARISING OUT OF THE SUBJECT MATTER HEREOF WHETHER SOUNDING IN CONTRACT LAW, TORT LAW OR OTHERWISE SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAW PROVISIONS THAT WOULD RESULT IN THE APPLICATION OF ANY OTHER LAW (OTHER THAN ANY MANDATORY PROVISIONS OF THE UCC RELATING TO THE LAW GOVERNING PERFECTION AND THE EFFECT OF PERFECTION OF THE SECURITY INTEREST).

THE PROVISIONS OF THE INDENTURE UNDER THE HEADINGS "CONSENT TO JURISDICTION AND SERVICE" ARE INCORPORATED HEREIN BY THIS REFERENCE AND SUCH INCORPORATION SHALL SURVIVE ANY TERMINATION OF THE INDENTURE.

IN WITNESS WHEREOF, Grantor and the Security Agent have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first written above.

To enforce the provisions of this Section 4.9, the Security Agent is authorized to seek the appointment of a receiver, or to seek from the FCC (and any other Governmental Authority, if required) consent to an involuntary transfer of control of Company for the purpose of seeking a bona fide purchaser to whom control will ultimately be transferred, or both. Each Grantor hereby agrees to apply to the FCC (and any other Governmental Authority) to request that authorization for such an involuntary transfer of control upon the request of the Security Agent. Upon the occurrence and continuance of an Event of Default, each Grantor shall use its best efforts to assist in obtaining approval of the FCC and any other Governmental Authority, if required, for any action or transactions contemplated by this Agreement including, without limitation, the preparation, execution and filing with the FCC and any other Governmental Authority of the assignor's or transferor's portion of any application

or applications for consent to assignment or transfer of control necessary or appropriate under the Communications Laws for approval of the transfer or assignment of any portion of the Collateral.

(c) Each Grantor acknowledges that authorization from the FCC and any other Governmental Authority for the transfer of control of the licenses of such Grantor is integral to the Security Agent's realization of the value of the Collateral, that there is no remedy at law for failure by such Grantor to comply with the provisions of this Section 4.9 and that such failure would not be adequately compensable in damages, and therefore agrees that the agreements contained in this Section 4.9 may be specifically enforced.

(d) Notwithstanding anything to the contrary contained in this Agreement, the Indenture or the other Notes Documents, the Security Agent shall not, without first obtaining the approval of the FCC and any other Governmental Authority, take any action that is not permitted by the FCC or other Governmental Authority or any other applicable law, or that would constitute or result in any change of control of Company or an assignment of any Communications License held by Company if such change in control or assignment would require, under then existing Communications Laws, the prior approval of the FCC and any other Governmental Authority. In an Event of Default, (a) voting rights shall remain with each Grantor unless and until the FCC and all other applicable Governmental Authorities have approved the assignment of the Communications Licenses or transfer of control and (b) subject to any regulatory approvals required by the Communications Laws there will be either a private or public sale of the pledged shares.

SECTION 5. ACCESS; RIGHT OF INSPECTION AND FURTHER ASSURANCES; ADDITIONAL GRANTORS.

5.1 Access; Right of Inspection. Each Grantor will permit the Security Agent to visit and inspect any of the properties of any Grantor to inspect, and to discuss its and their affairs, finances and accounts with its and their officers and independent public accountants, all upon reasonable notice and during normal business hours and as coordinated by the Security Agent, which visits and inspections should be limited to no more than one per year for the Security Agent so long as no Event of Default has occurred and is continuing. Each Grantor will keep proper books of record and accounts in which full, true and correct entries in conformity in all material respects with GAAP shall be made of all dealings and transactions in relation to its business and activities.

5.2 Further Assurances. Except to the extent perfection is not required hereunder (because of a materiality threshold or otherwise), each Grantor agrees that from time to time, at the expense of such Grantor, that it shall promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary or reasonably desirable, or that the Security Agent may reasonably request, in order to create and/or maintain the validity, perfection or priority of and protect any security interest granted or purported to be granted hereby or to enable the Security Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral. Without limiting the generality of the foregoing, each Grantor:

(i) hereby authorizes the filing of such financing or continuation statements, or amendments thereto, and agrees to execute and deliver such other agreements, instruments, endorsements, powers of attorney or notices, as may be necessary or reasonably desirable, or as the Security Agent may reasonably request, in order to effect, reflect, perfect and preserve the security interests granted or purported to be granted hereby;

(ii) shall take all actions necessary to ensure the recordation of appropriate evidence of the liens and security interest granted hereunder in any Intellectual Property with any intellectual property registry in which said Intellectual Property is registered or issued or in which an application for registration or issuance is pending, including, without limitation, the United States Patent and Trademark Office and the United States Copyright Office;

(iii) at any reasonable time following the occurrence of and during the continuation of an Event of Default, upon request by the Security Agent, shall assemble the Collateral and allow inspection of the Collateral by the Security Agent, or persons designated by the Security Agent; and

(iv) at the Security Agent's reasonable request, shall appear in and defend any action or proceeding that may affect such Grantor's title to or the Security Agent's security interest in all or any part of the Collateral

(b) Each Grantor hereby authorizes the Security Agent to file a Record or Records, including, without limitation, financing or continuation

statements, Intellectual Property Security Agreements and amendments and supplements to any of the foregoing, in any jurisdictions and with any filing offices as the Security Agent may determine, in its reasonable discretion, are necessary or advisable to perfect or otherwise protect the security interest granted to the Security Agent herein. Such financing statements may describe the Collateral in the same manner as described herein or may contain an indication or description of collateral that describes such property in any other manner as the Security Agent may determine, in its reasonable discretion, is necessary, advisable or prudent to ensure the perfection of the security interest in the Collateral granted to the Security Agent herein, including, without limitation, describing such property as "all assets" or "all personal property, whether now owned or hereafter acquired, developed or created" or words of similar effect. Each Grantor shall furnish to the Security Agent from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as the Security Agent may reasonably request, all in reasonable detail.

(c) Each Grantor hereby authorizes the Security Agent to modify this Agreement after obtaining such Grantor's approval of or signature to such modification by amending Schedule 4.7 (as such schedule may be amended or supplemented from time to time) to include reference to any right, title or interest in any existing Intellectual Property or any Intellectual Property acquired or developed by any Grantor after the execution hereof or to delete any reference to any right, title or interest in any Intellectual Property in which any Grantor no longer has or claims any right, title or interest.

5.3 Additional Grantors. From time to time subsequent to the date hereof, additional Persons that are Subsidiaries of Company may become parties hereto as additional Grantors (each, an "**Additional Grantor**"), by executing a New Grantor Pledge Supplement, in substantially the form of Exhibit A-2 ("**New Grantor Pledge Supplement**"). Upon delivery of any such New Grantor Pledge Supplement to the Security Agent, each Additional Grantor shall be a Grantor and shall be as fully a party hereto as if Additional Grantor were an original signatory hereto. Each Grantor expressly agrees that its obligations arising hereunder shall not be affected or diminished by the addition or release of any other Grantor hereunder, nor by any election of the Security Agent not to cause any Subsidiary of Company to become an Additional Grantor hereunder. This Agreement shall be fully effective as to any Grantor that is or becomes a party hereto regardless of whether any other Person becomes or fails to become or ceases to be a Grantor hereunder.

SECTION 6. SECURITY AGENT APPOINTED ATTORNEY-IN-FACT.

6.1 Power of Attorney. Each Grantor hereby irrevocably appoints the Security Agent (such appointment being coupled with an interest) as such Grantor's attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor, the Security Agent or otherwise, from time to time in the Security Agent's discretion to take any action and to execute any instrument that the Security Agent may deem reasonably necessary or advisable to accomplish the purposes of this Agreement, including, without limitation, the following:

(a) upon the occurrence and during the continuance of any Event of Default, to obtain and adjust insurance required to be maintained by such Grantor or paid to the Security Agent pursuant to the Indenture;

(b) upon the occurrence and during the continuance of any Event of Default, to ask for, demand, collect, sue for, recover, compound, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(c) upon the occurrence and during the continuance of any Event of Default, to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection with clause (b) above;

(d) upon the occurrence and during the continuance of any Event of Default, to file any claims or take any action or institute any proceedings that the Security Agent may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of the Security Agent with respect to any of the Collateral;

(e) to prepare and file any UCC financing statements against such Grantor as debtor;

(f) to prepare, sign and file for recordation in any intellectual property registry, appropriate evidence of the lien and security interest granted herein in any Intellectual Property in the name of such Grantor as debtor;

(g) to take or cause to be taken all actions necessary to perform or comply or cause performance or compliance with the terms of this Agreement, including, without limitation, access to pay or discharge taxes (other than taxes being contested in good faith) or Liens (other than Permitted Liens) levied or placed upon or threatened against the Collateral, the legality or validity thereof and the amounts necessary to discharge the same to be determined by the Security Agent in its reasonable discretion, any such payments made by the Security Agent to become obligations of such Grantor to the Security Agent, due and payable immediately without demand; and

(h) (i) upon the occurrence and during the continuance of any Event of Default, generally to sell, transfer, lease, license, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Security Agent were the absolute owner thereof for all purposes and do all acts and things that the Security Agent deems reasonably necessary to realize upon the Collateral and the Security Agent's security interest therein, and (ii) to do, at the Security Agent's option and such Grantor's expense, at any time or from time to time, all acts and things that the Security Agent deems reasonably necessary to protect, preserve or realize upon the Collateral and the Security Agent's security interest therein in order to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

6.2 No Duty on the Part of Security Agent or Secured Parties The powers conferred on the Security Agent hereunder are solely to protect the interests of the Secured Parties in the Collateral and shall not impose any duty upon the Security Agent or any other Secured Party to exercise any such powers; provided, however, that Security Agent shall afford Collateral in its custody with the same degree of care as it affords similar property for its own account. The Security Agent and the other Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct. Such appointment as attorney-in-fact must be exercised consistently with the Communications Laws, including, but not limited to, compliance with the FCC's rules concerning the execution and filing of applications, reports and documents, or other instruments with the FCC. Each Grantor agrees to cooperate in making any required filings, or any filings necessary for the operation of its or its subsidiaries' businesses, with the FCC and any other Governmental Authority.

6.3 Appointment Pursuant to Indenture. The Security Agent has been appointed as collateral agent pursuant to the Indenture. The rights, duties, privileges, immunities and indemnities of the Security Agent hereunder are subject to the provisions of the Indenture.

SECTION 7. REMEDIES.

7.1 Generally. If any Event of Default shall have occurred and be continuing, the Security Agent may exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it at law or in equity, all the rights and remedies of the Security Agent on default under the UCC (whether or not the UCC applies to the affected Collateral) to collect, enforce or satisfy any Secured Obligations then owing, whether by

acceleration or otherwise, and also may pursue any of the following separately, successively or simultaneously:

(i) require any Grantor to, and each Grantor hereby agrees that it shall at its expense and promptly upon request of the Security Agent forthwith, assemble all or part of the Collateral as directed by the Security Agent and make it available to the Security Agent at a place to be designated by the Security Agent that is reasonably convenient to both parties;

(ii) enter onto the property where any Collateral is located and take possession thereof with or without judicial process;

(iii) prior to the disposition of the Collateral, store, process, repair or recondition the Collateral or otherwise prepare the Collateral for disposition in any manner to the extent the Security Agent deems appropriate; and

(iv) without notice except as specified below or under the UCC, sell, assign, lease, license (on an exclusive or nonexclusive basis) or otherwise dispose of the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Security Agent's offices or elsewhere, for cash, on credit or for future delivery, at such time or times and at such price or prices and upon such other terms as the Security Agent may deem commercially reasonable.

(b) Subject to Section 4.9 herein, the Security Agent or any other Secured Party may be the purchaser of any or all of the Collateral at any public or private (to the extent to the portion of the Collateral being privately sold is of a kind that is customarily sold on a recognized market or the subject of widely distributed standard price quotations) sale in accordance with the UCC and the Security Agent, as collateral agent for and representative of the Secured Parties, shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale made in accordance with the UCC, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any Collateral payable by the Security Agent at such sale. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten (10) days notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Security Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Security Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Grantor agrees that it would not be commercially unreasonable for the Security Agent to dispose of the Collateral or any portion thereof by using Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets. Each Grantor hereby waives any claims against the Security Agent arising by reason of the fact that the price at which

any Collateral may have been sold at such a private sale was lessthan the price which might have been obtained at a public sale, even if the Security Agent accepts the first offer received and does not offer such Collateral to more than one offeree. If the proceeds of any sale or other disposition of the Collateral are insufficient to pay all the Secured Obligations, Grantors shall be liable for the deficiency and the fees of any attorneys employed by the Security Agent to collect such deficiency. Each Grantor further agrees that a breach of any of the covenants contained in this Section will cause irreparable injury to the Security Agent, that the Security Agent has no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section shall be specifically enforceable against such Grantor, and such Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no default has occurred giving rise to the Secured Obligations becoming due and payable prior to their stated maturities. Nothing in this Section shall in any way alter the rights of the Security Agent hereunder.

(c) The Security Agent may sell the Collateral without giving any warranties as to the Collateral. The Security Agent may specifically disclaim or modify any warranties of title or the like. This procedure will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

(d) The Security Agent shall have no obligation to marshal any of the Collateral.

7.2 Application of Proceeds. Except as expressly provided elsewhere in this Agreement, all proceeds received by the Security Agent in respect of any sale of, any collection from or other realization upon all or any part of the Collateral shall be applied in full or in part by the Security Agent, or turned over to the Administrative Agent for application in full or in part by the Administrative Agent, against the Secured Obligations as set forth in Section 6.10 of the Indenture (with references therein to the Administrative Agent to be construed to also apply to the Security Agent).

7.3 Sales on Credit. If the Security Agent sells any of the Collateral upon credit, Grantor will be credited only with payments actually made by purchaser and received by the Security Agent and applied to indebtedness of the purchaser. In the event the purchaser fails to pay for the Collateral, the Security Agent may resell the Collateral and Grantor shall be credited with proceeds of the sale.

7.4 Investment Related Property. Each Grantor recognizes that, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws, the Security Agent may be compelled, with respect to any sale of all or any part of the Investment Related Property conducted without prior registration or qualification of such Investment Related Property under the Securities Act and/or such state securities laws, to limit purchasers to those who will agree, among other things, to acquire the Investment Related Property for their own account, for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges that any such private sale may be at prices and on terms less favorable than those obtainable through a public sale without such restrictions (including a public offering made pursuant to a registration statement under the Securities Act) and, notwithstanding such circumstances, each Grantor agrees that any such private sale shall be deemed to have been made

in a commercially reasonable manner and that the Security Agent shall have no obligation to engage in public sales and no obligation to delay the sale of any Investment Related Property for the period of time necessary to permit the issuer thereof to register it for a form of public sale requiring registration under the Securities Act or under applicable state securities laws, even if such issuer would, or should, agree to so register it. If the Security Agent determines to exercise its right to sell any or all of the Investment Related Property, upon written request, each Grantor shall and shall cause each issuer of any Pledged Stock to be sold hereunder, each partnership and each limited liability company from time to time to furnish to the Security Agent all such information as the Security Agent may request in order to determine the number and nature of interest, shares or other instruments included in the Investment Related Property which may be sold by the Security Agent in exempt transactions under the Securities Act and the rules and regulations of the Securities and Exchange Commission thereunder, as the same are from time to time in effect.

7.5 Intellectual Property. Anything contained herein to the contrary notwithstanding, in addition to the other rights and remedies provided herein, upon the occurrence and during the continuation of an Event of Default:

(i) the Security Agent shall have the right (but not the obligation) to bring suit or otherwise commence any action or proceeding in the name of any Grantor, the Security Agent or otherwise, in the Security Agent's sole discretion, to enforce any Intellectual Property, in which event such Grantor shall, at the request of the Security Agent, do any and all lawful acts and execute any and all documents required by the Security Agent in aid of such enforcement and such Grantor shall promptly, upon demand, reimburse and indemnify the Security Agent as provided in Section 10 hereof in connection with the exercise of its rights under this Section, and, to the extent that the Security Agent shall elect not to bring suit to enforce any Intellectual Property as provided in this Section, each Grantor agrees to use all reasonable measures, whether by action, suit, proceeding or otherwise, to prevent the infringement, misappropriation, dilution or other violation of any of such Grantor's rights in the Intellectual Property that is material to its business by others and for that purpose agrees to diligently maintain any action, suit or proceeding against any Person so infringing, misappropriating, diluting or otherwise violating as shall be necessary to prevent such infringement, misappropriation, dilution or violation;

(ii) upon written demand from the Security Agent in connection with a foreclosure or other exercise of remedies permitted by applicable law, each Grantor shall grant, assign, convey or otherwise transfer to the Security Agent or Security Agent's designee an absolute assignment of all of such Grantor's right, title and interest in and to any Intellectual Property and shall execute and deliver to the Security Agent such documents as are necessary or appropriate to carry out the intent and purposes of this Agreement;

(iii) each Grantor agrees that such an assignment and/or recording shall be applied to reduce the Secured Obligations outstanding only to the extent that the Security Agent (or any other Secured Party) receives cash proceeds in respect of the sale of, or other realization upon, any such Intellectual Property;

(iv) within five (5) Business Days after written notice from the Security Agent, each Grantor shall make available to the Security Agent, to the extent within such Grantor's power and authority, such personnel in such Grantor's employ on the date of such Event of Default as the Security Agent may reasonably designate, by name, title or job responsibility, to permit such Grantor to continue, directly or indirectly, to produce, advertise and sell the products and services sold or delivered by such Grantor under or in connection with any Trademarks or Trademark Licenses, such persons to be available to perform their prior functions on the Security Agent's behalf and to be compensated by the Security Agent at such Grantor's expense on a per diem, pro-rata basis consistent with the salary and benefit structure applicable to each as of the date of such Event of Default; and

(v) the Security Agent shall have the right to notify, or require each Grantor to notify, any obligors with respect to amounts due or to become due to such Grantor in respect of any Intellectual Property of such Grantor, of the existence of the security interest created herein, to direct such obligors to make payment of all such amounts directly to the Security Agent, and, upon such notification and at the expense of such Grantor, to enforce collection of any such amounts and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done;

(1) all amounts and proceeds (including checks and other instruments) received by Grantor in respect of amounts due to such Grantor in respect of the Collateral or any portion thereof shall be received in trust for the benefit of the Security Agent hereunder, shall be segregated from other funds of such Grantor and shall be forthwith paid over or delivered to the Security Agent in the same form as so received (with any necessary endorsement) to be held as cash Collateral and applied as provided by Section 7.6 hereof; and

(2) Grantor shall not adjust, settle or compromise the amount or payment of any such amount or release wholly or partly any obligor with respect thereto or allow any credit or discount thereon.

(b) If (i) an Event of Default shall have occurred and, by reason of cure, waiver, modification, amendment or otherwise, no longer be continuing, (ii) no other Event of Default shall have occurred and be continuing, (iii) an assignment or other transfer to the Security Agent of any rights, title and interests in and to any Intellectual Property of such Grantor shall have been previously made and shall have become absolute and effective and (iv) the Secured Obligations shall not have become immediately due and payable, upon the written request of any Grantor, the Security Agent shall promptly execute and deliver to such Grantor, at such Grantor's sole cost and expense, such assignments or other transfer as may be necessary to reassign to such Grantor any such rights, title and interests as may have been assigned to the Security Agent as aforesaid, subject to any disposition thereof that may have been made by the Security Agent; provided, after giving effect to such reassignment, the Security Agent's security interest granted pursuant hereto, as well as all other rights and remedies of the Security Agent granted hereunder, shall continue to be in full force and effect; and provided further, the rights,

title and interests so reassigned shall be free and clear of any other Liens granted by or on behalf of the Security Agent and the Secured Parties.

(c) Solely for the purpose of enabling the Security Agent to exercise rights and remedies under this Section 7 and at such time as the Security Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Security Agent, to the extent it has the right to do so, an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to such Grantor), subject, in the case of Trademarks, to sufficient rights to quality control and inspection in favor of such Grantor to avoid the risk of invalidation of said Trademarks, to use, operate under, license or sublicense and otherwise exploit any Intellectual Property now or hereafter owned or held by such Grantor.

7.6 Cash Proceeds. In addition to the rights of the Security Agent specified in Section 4.3 with respect to payments of Receivables, after occurrence and during the continuance of an Event of Default, upon request by the Security Agent, all proceeds of any Collateral received by any Grantor consisting of cash, checks and other near-cash items (collectively, "**Cash Proceeds**") shall be held by such Grantor in trust for the Security Agent, segregated from other funds of such Grantor, and shall, forthwith upon receipt by such Grantor, unless otherwise provided in this Agreement or any other Notes Document, be turned over to the Security Agent in the exact form received by such Grantor (duly indorsed by such Grantor to the Security Agent, if required) and held by the Security Agent in a Collateral Account. Any Cash Proceeds received by the Security Agent (whether from a Grantor or otherwise): (i) if no Event of Default shall have occurred and be continuing, shall be held by the Security Agent for the ratable benefit of the Secured Parties, as collateral security for the Secured Obligations (whether matured or unmatured) and, upon request of Company, returned to Company, and (ii) if an Event of Default shall have occurred and be continuing, may, in the sole discretion of the Security Agent, (A) be held by the Security Agent for the ratable benefit of the Secured Parties, as collateral security for the Secured Obligations (whether matured or unmatured) and/or (B) then or at any time thereafter may be applied by the Security Agent against the Secured Obligations then due and owing.

SECTION 8. SECURITY AGENT.

The Security Agent has been appointed to act as Security Agent hereunder by the Holders and, by their acceptance of the benefits hereof, the other Secured Parties. The Security Agent shall be obligated, and shall have the right hereunder, to make demands, to give notices, to exercise or refrain from exercising any rights and to take or refrain from taking any action (including, without limitation, the release or substitution of Collateral), solely in accordance with the Intercreditor Agreement, any Additional Intercreditor Agreement, this Agreement and the Indenture. In furtherance of the foregoing provisions of this Section, each Secured Party, by its acceptance of the benefits hereof, agrees that it shall have no right individually to realize upon any of the Collateral hereunder, it being understood and agreed by such Secured Party that all rights and remedies hereunder may be exercised solely by the Security Agent for the benefit of Secured Parties in accordance with the terms of this Section. Security Agent may resign at any time by giving thirty (30) days' prior written notice thereof to the Holders, the Trustee and the Grantors, and Security Agent may be removed at any time with or

without cause by an instrument or concurrent instruments in writing delivered to the Grantors and Security Agent

signed by the Trustee on behalf of the Holders of a majority in principal amount of the Notes then outstanding (the "**Required Holders**"). Upon any such notice of resignation or any such removal, Required Holders shall have the right, upon five (5) Business Days' notice to the Security Agent, following receipt of the Grantors' consent (which shall not be unreasonably withheld or delayed and which shall not be required while an Event of Default exists), to appoint a successor Security Agent. Upon the acceptance of any appointment as Security Agent hereunder by a successor Security Agent, that successor will become Security Agent under this Agreement, and the retiring or removed Security Agent under this Agreement shall promptly (i) transfer to such successor Security Agent all sums, Securities and other items of Collateral held hereunder, together with all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Security Agent under this Agreement, and (ii) execute and deliver to such successor Security Agent such amendments to financing statements, and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Security Agent of the security interests created hereunder, whereupon such retiring or removed Security Agent shall be discharged from its duties and obligations under this Agreement. After any retiring or removed Security Agent's resignation or removal hereunder as the Security Agent, the provisions of this Agreement shall inure to its benefit as to any actions taken or omitted to be taken by it under this Agreement while it was the Security Agent hereunder.

SECTION 9. CONTINUING SECURITY INTEREST.

(a) This Agreement shall create a continuing security interest in the Collateral and shall remain in full force and effect until the full and final payment of all Secured Obligations (other than contingent indemnification obligations as to which no claim has been asserted), and be binding upon each Grantor, its successors and assigns and inure, together with the rights and remedies of the Security Agent hereunder, to the benefit of the Security Agent and its successors, transferees and assigns. Without limiting the generality of the foregoing, but subject to the terms of the Indenture, any Holder may assign or otherwise transfer any Notes held by it to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Holder herein or otherwise. Upon the full and final payment of all Secured Obligations (other than contingent indemnification obligations as to which no claim has been asserted), the security interest granted hereby shall terminate hereunder and of record and all rights to the Collateral shall revert to Grantors.

(b) Prior to the Existing Credit Agreement Discharge Date, upon any disposition of property permitted by the Indenture, the Liens granted herein shall be deemed to be automatically released and such property shall automatically revert to the applicable Grantor with no further action on the part of any Person.

(c) On or after the Existing Credit Agreement Discharge Date, upon (i) any sale or disposition of property of a Grantor to a Person other than the Issuer or a Guarantor or (ii) the consummation of any other transaction permitted by the Indenture as a result of which such Grantor becomes an Excluded Subsidiary or such Grantor is released from its Note Guarantee, the Liens granted herein shall be deemed to be automatically released and such property shall automatically revert to the applicable Grantor with no further action on the part of any Person.

(d) On or after the Existing Credit Agreement Discharge Date, upon any Collateral being or becoming an Excluded Asset, the security interests created pursuant to this Agreement on such Collateral shall be automatically released.

(e) The Grantor shall also be entitled to release the security interests created pursuant to this Agreement as set forth in Section 11.05 of the Indenture.

(f) In connection with any termination or release pursuant to the foregoing clauses (a), (b), (c), (d) or (e), the Security Agent shall, at the Grantors' expense, execute and deliver or otherwise authorize the filing of such documents as such Grantors shall reasonably request, in form and substance reasonably satisfactory to the Security Agent, including financing statement amendments to evidence such release or termination.

SECTION 10. STANDARD OF CARE; SECURITY AGENT MAY PERFORM.

The powers conferred on the Security Agent hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the exercise of reasonable care in the custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Security Agent shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. The Security Agent shall be deemed to have exercised reasonable care in the custody and preservation of Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Security Agent accords its own property. Neither the Security Agent nor any of its directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or otherwise. If any Grantor fails to perform any agreement contained herein, the Security Agent may itself perform, or cause performance of, such agreement, and the expenses of the Security Agent incurred in connection therewith shall be payable by each Grantor under Section 11.06 of the Indenture.

SECTION 11. INTERCREDITOR AGREEMENT.

Notwithstanding anything herein to the contrary, (i) the Liens and security interests granted to the Security Agent pursuant to this Agreement and the exercise of any right or remedy by the Security Agent hereunder, are subject to the provisions of the Intercreditor Agreement or any Additional Intercreditor Agreement and (ii) any Collateral (to the extent the possession thereof perfects a Lien thereon under the Uniform Commercial Code of any jurisdiction) may be held by the Controlling Collateral Agent (as defined in the Intercreditor Agreement) (or its agents or bailees) in accordance with Section 2.09 of the Intercreditor Agreement. In the event of any conflict between the terms of any such Intercreditor Agreement or Additional Intercreditor Agreement and the terms of this Agreement, the terms of any such Intercreditor Agreement or Additional Intercreditor Agreement shall govern and control. No right, power or remedy granted to the Security Agent hereunder shall be exercised by the Security Agent, and no direction shall be given by the Security Agent, in contravention of any such Intercreditor Agreement or Additional Intercreditor Agreement.

SECTION 12. MISCELLANEOUS.

Any notice required or permitted to be given under this Agreement shall be given in accordance with Section 12.01 of the Indenture: provided that any notice or communication to the Security Agent shall be address to 500 Stanton Christiana Rd. 3/Ops2, Newark, DE 19713. No failure or delay on the part of the Security Agent in the exercise of any power, right or privilege hereunder or under any other Notes Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. All rights and remedies existing under this Agreement and the other Notes Documents are cumulative to, and not exclusive of, any rights or remedies otherwise available. In case any provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted

by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists. This Agreement shall be binding upon and inure to the benefit of the Security Agent and Grantors and their respective successors and assigns. No Grantor shall, without the prior written consent of the Security Agent given in accordance with the Indenture, assign any right, duty or obligation hereunder. The Notes and the Trustee's certificate of authentication with respect thereto will be substantially in the form of Exhibit A hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage and as provided herein. The Issuer shall approve the form of the Notes and any notation, legend or endorsement thereon. Each Note will be dated the date of its authentication. The terms and provisions contained in the Notes will constitute, and are hereby expressly made, a part of this Indenture and the Issuer, the Guarantors, the Trustee and the Notes Security Agent, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(a) *Global Notes*.

Notes issued in global form will be substantially in the form of Exhibit A hereto (including the Global Note Legend thereon and the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Each Global Note will represent such of the outstanding Notes as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions and purchases and cancellations. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby will be made by the Registrar, the Notes Custodian or DTC, at the direction of the Registrar, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

(b) *Rule 144A Global Notes and Regulation S Global Notes*.

Notes offered and sold in reliance on Regulation S shall be issued initially in the form of one or more Definitive Registered Notes or one or more Global Notes, each substantially in the form of Exhibit A hereto, with such applicable legends as are provided in Exhibit A hereto, except as otherwise permitted herein. Such Notes in the form of Global Notes (the "*Regulation S Global Notes*") shall be deposited on behalf of the purchasers of the Notes represented thereby with the Registrar (or Notes Custodian) as custodian for DTC, and registered in the name of Cede & Co., as nominee of DTC, for the accounts of DTC, duly executed by the Issuer and

authenticated by the Trustee or the Authenticating Agent as hereinafter provided; *provided that*, during the 40-day "distribution compliance period" (as such term is defined in Rule 902 of Regulation S under the Securities Act), the Regulation S Global Notes will initially be credited within DTC for the accounts of Clearstream or Euroclear. After the 40-day distribution compliance period ends, investors may also hold their interests in the permanent Regulation S Global Note through organizations other than Clearstream or Euroclear that are DTC participants. The aggregate principal amount of the Regulation S Global Notes may from time to time be increased or decreased by adjustments made by the Registrar on Schedule A to the Regulation S Global Notes and recorded in the register maintained by the Registrar, as hereinafter provided.

Notes offered and sold to QIBs in reliance on Rule 144A shall be issued initially in the form of one or more Definitive Registered Notes or one or more Global Notes, each substantially in the form of Exhibit A hereto, with such applicable legends as are provided in Exhibit A, except as otherwise permitted herein. Such Notes in the form of Global Notes (the "*Rule 144A Global Notes*") shall be deposited on behalf of the purchasers of the Notes represented thereby with the Registrar (or Notes Custodian) as custodian for DTC, and registered in the name of Cede & Co., as nominee of DTC, for the accounts of DTC, duly executed by the Issuer and authenticated by the Trustee or the Authenticating Agent as hereinafter provided. The Applicable Procedures shall be applicable to Book-Entry Interests in the Global Notes that are held by Participants through DTC.

A Note will not be valid until authenticated by the manual signature of the authorized signatory of the Trustee or its Authenticating Agent. The signature will be conclusive evidence

that the Note has been authenticated under this Indenture. Notwithstanding the foregoing, if any Note shall have been authenticated and delivered hereunder but never issued and sold by the Issuer, the Issuer shall deliver such Note to the Trustee for cancellation pursuant to Section 2.11 hereof.

The Trustee or the Authenticating Agent will, upon receipt of a written order of the Issuer signed by an authorized representative (an "*Authentication Order*"), authenticate the Notes for original issue that may be validly issued under this Indenture, including any Additional Notes. (c) The Issuer may change any Registrar, Paying Agent or Transfer Agent upon written notice to such Registrar, Paying Agent or Transfer Agent and to the Trustee, without prior notice to the Holders; *provided*, *however*, that no such removal shall become effective until (i) acceptance of an appointment by a successor as evidenced by an appropriate agreement entered into by the Issuer and such successor Registrar, Paying Agent, or Transfer Agent, as the case may be, and delivered to the Trustee or (ii) notification to the Trustee that the Trustee shall, to the extent that it determines that it is able, serve as Registrar or Paying Agent or Transfer Agent until the appointment of a successor in accordance with clause (i) above. The Registrar, Paying Agent or the Transfer Agent may resign by providing 30 days' written notice to the Issuer and the Trustee.

(1) To permit registrations of transfers and exchanges, the Issuer will execute and the Trustee or its Authenticating Agent will authenticate Global Notes and Definitive Registered Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar's request.

(2) No service charge will be made by the Issuer or the Registrar to a Holder of a Book-Entry Interest in a Global Note, a Holder of a Global Note or a Holder of a Definitive Registered Note for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any stamp duty, stamp duty reserve, documentary or other similar tax or governmental charge that may be imposed in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 4.03, 4.08 and 9.04 hereof).

(3) No Transfer Agent or Registrar will be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Registered Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Registered Notes will be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Registered Notes surrendered upon such registration of transfer or exchange.

(5) Except as may be separately agreed by the Issuer, the Issuer shall not be required to register the transfer into its register kept at its registered office of any Definitive Registered Notes: (A) for a period of 15 calendar days prior to any date fixed for the redemption of the Notes under Section 3.03 hereof; (B) for a period of 15 calendar days immediately prior to the date fixed for selection of Notes to be redeemed in part; (C) for a period of 15 calendar days prior to the record date with respect to any interest payment date; or (D) which the Holder has tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer or an Asset Disposition Offer. Any such transfer will be made without charge to the Holder, other than any taxes, duties and governmental charges payable in connection with such transfer.

(6) The Trustee, any Agent and the Issuer shall deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of (and premium, if any) or interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(7) All certifications, certificates and Opinions of Counsel required to be submitted to the Issuer, the Trustee or the Registrar pursuant to this Section 2.06 to effect

a registration of transfer or exchange may be submitted initially by facsimile with originals to be delivered promptly thereafter to the Trustee.

(8) None of the Trustee, Agents, the Issuer or the Guarantors shall have any responsibility or obligation to any beneficial owner of an interest in a Global Note, any agent member or other member of, or a participant in, DTC or other person with respect to the accuracy of the records of DTC or any nominee or participant

All notices and communications to be given to the Holders and all payments to be made to Holders in respect of the Notes shall be given or made only to or upon the order of the Holders (which shall be DTC or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through DTC, subject to its applicable rules and procedures. The Trustee, Agents, the Issuer and the Guarantors may rely and shall be fully protected in relying upon information furnished by DTC with respect to its agent members and other members, participants and any beneficial owners.

(9) No holder of any beneficial interest in any Global Note held on its behalf by a depositary shall have any rights under this Indenture with respect to such Global Note, and such depositary may be treated by the Issuer, the Trustee, and any agent of the Issuer or the Trustee as the owner of such Global Note for all purposes whatsoever. None of the Issuer, the Trustee, any Paying Agent or the Security Agent will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests. Neither the Trustee nor any agent shall have any responsibility or liability for any actions taken or not taken by any depositary.

(10) Neither the Trustee nor the Agents shall have any obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among participants or indirect participants in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements.

Section 2.07. *Replacement Notes.*

If a mutilated Note is surrendered to the Registrar or if the Holder claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met, such that the Holder (a) notifies the Issuer or the Trustee within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer

prior to receiving such notification, (b) makes such request to the Issuer or the Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a "*protected purchaser*") and (c) satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Issuer, such Holder shall furnish an indemnity bond sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee, the Authenticating Agent, Paying Agent and the Registrar from any loss that any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Note including, but not limited to, reasonable fees and expenses of counsel and any tax that may be imposed with respect to the replacement of such Note. In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuer in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note is an additional obligation of the Issuer.

The provisions of this Section 2.07 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Notes.

Section 2.08. *Outstanding Notes.*

Notes outstanding at any time are all Notes authenticated by the Trustee or the Authenticating Agent except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding. Subject to Section 12.04, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note. If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the replaced Note is held by a protected purchaser (as defined in Section 8-303 of the Uniform Commercial Code).

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent receives (or if the Issuer or a Subsidiary of the Issuer is acting as Paying Agent and such Paying Agent segregates and holds in trust) in accordance with this Indenture, no later than 10:00 a.m. New York time on the Business Day that is a redemption date or maturity date, money sufficient to pay all principal and interest and premium, if any, payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and the Paying Agent is not prohibited from paying such amount to the Holders on that date pursuant to the terms of this Indenture or the Intercreditor Agreement, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

Section 2.09. *Treasury Notes.*

(a) The Issuer shall promptly notify the Trustee of any Notes owned by the Company or any Affiliate of the Company. Except as otherwise provided in Sections 3.07 and 4.03, in determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, or any amendment, modification or other change to this Indenture, Notes owned by the Company, or by any Person directly or indirectly controlling or

controlled by or under direct or indirect common control with the Company, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned will be so disregarded.

(b) Notwithstanding any provision to the contrary in this Indenture (including Section 2.09(a) hereof), in determining whether the Holders of at least 90% of the aggregate principal amount of the then outstanding Notes have validly tendered and not withdrawn Notes in a Change of Control Offer, Notes owned by funds controlled or managed by any direct or indirect shareholder of the Company, or any successor thereof, shall be deemed to be outstanding for the purposes of any change of control redemption pursuant to Section 3.11 hereof.

Section 2.10. *Temporary Notes.*

In the event that Definitive Registered Notes are to be issued under the terms of this Indenture, until such Definitive Registered Notes are ready for delivery, the Issuer may prepare and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Registered Notes but may have variations that the Issuer considers appropriate for temporary Notes. Without unreasonable delay, the Issuer shall prepare and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate Definitive Registered Notes and deliver them in exchange for temporary Notes upon surrender of such temporary Notes at the office or agency of the Issuer, without charge to the Holder.

Section 2.11. *Cancellation.*

The Issuer at any time may deliver Notes to the Registrar for cancellation. The Trustee and the Paying Agent shall forward to the Registrar any Notes surrendered to them for registration of transfer, exchange or payment. The Registrar (or an agent authorized by the Registrar) and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of canceled Notes in accordance with its customary procedures or deliver canceled Notes to the Issuer pursuant to written direction by an Officer of the Issuer. Upon request of the Issuer, certification of the destruction of all canceled Notes shall be delivered to the Issuer. The Issuer may not issue new Notes to replace Notes it has redeemed or delivered to the Registrar for cancellation. If the Issuer shall acquire any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes, unless and until the same are surrendered to the Registrar for cancellation pursuant to this Section 2.11. Neither the Trustee nor the Authenticating Agent shall authenticate Notes in place of canceled Notes other than pursuant to the terms of this Indenture.

Section 2.12. *Defaulted Interest.*

If the Issuer defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuer will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed

payment. The Issuer will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuer (or, upon the written request of the Issuer, the Trustee in the name and at the expense of the Issuer) will mail or cause to be mailed to the Holders in accordance with Section 12.01 hereof a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13. *Further Issues*

(a) Subject to compliance with Section 4.04 hereof, the Issuer may from time to time issue Additional Notes ranking *pari passu* with the Initial Notes and with the same terms as to status, redemption and otherwise as such Notes (save for payment of interest accruing prior to the issue date of such Additional Notes or for the first payment of interest following the issue date of such Additional Notes). Any Additional Notes, the Initial Notes and any previously issued Additional Notes will be consolidated and treated as a single class for all purposes under this Indenture, including, without limitation, waivers, amendments, redemptions, and offers to purchase except as otherwise specified with respect to the Notes.

(b) Whenever it is proposed to create and issue any Additional Notes, the Issuer shall give to the Trustee not less than three Business Days' notice in writing of its intention to do so, stating the amount of Additional Notes proposed to be created and issued.

Section 2.14. *Common Codes, ISIN and CUSIP Numbers.*

The Issuer in issuing the Notes may use Common Codes, ISIN and CUSIP numbers (if then generally in use) and, if so, the Issuer shall use Common Codes, ISIN and CUSIP numbers in notices of redemption as a convenience to Holders; *provided*, *however*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers; *provided*, *further*, that if any Additional Notes are not fungible with the Notes, such Additional Notes shall have a different ISIN and/or Common Code number (or other applicable identifying number). The Issuer will promptly notify the Trustee and the Paying Agent, in writing, of any change in the Common Code, ISIN or CUSIP numbers.

Section 2.15. *Currency Indemnity.*

The sole currency of account and payment for all sums payable by the Issuer and the Guarantors under or in connection with the Notes and the Note Guarantees thereof is dollars, including damages. Any amount received or recovered in a currency other than dollars, whether as a result of, or the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuer, any Guarantor or otherwise by any Holder or by the Trustee, in respect of any sum expressed to be due to it from the Issuer or a Guarantor will only constitute a discharge to the Issuer or such Guarantor, as applicable, to the extent of the dollars amount, which the recipient is able to purchase with the amount so received or recovered in that

other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

If that dollar amount is less than the dollar amount expressed to be due to the recipient or the Trustee under any Note, the Issuer and the Guarantors will indemnify them against any loss sustained by such recipient or the Trustee as a result. In any event, the Issuer and the Guarantors will indemnify the recipient or the Trustee on a joint or several basis against the cost of making any such purchase. For the purposes of this currency indemnity provision, it will be *prima facie* evidence of the matter stated therein for the Holder or the Trustee to certify in a manner reasonably satisfactory to the Issuer (indicating the sources of information used) the loss it Incurred in making any such purchase. These indemnities constitute a separate and independent obligation from the Issuer's and the Guarantors' other obligations, will give rise to a separate and independent cause of action, will apply irrespective of any waiver granted by any Holder or the Trustee (other than a waiver of the indemnities set out herein) and will continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note, any Note Guarantee or to the Trustee.

If the Issuer elects to redeem Notes pursuant to Section 3.07 or 3.08 hereof, it shall notify the Trustee and the Paying Agent of the redemption date and the principal amount of Notes to be redeemed and the section of the Note pursuant to which the redemption will occur.

Unless otherwise specified, the Issuer shall give each notice in writing to the Trustee and the Paying Agent in writing provided for in this Article 3 at least 10 days, but not more than 60 days, before the redemption date unless the Trustee or the Paying Agent (as the case may be) consents to a shorter period in its sole discretion. In the case of a redemption pursuant to Section 3.07 hereof, prior to the publication or, where relevant, mailing of any notice of redemption of the Notes pursuant to Section 3.03, the Issuer will deliver such notice along with an Officer's Certificate from the Issuer to the effect that such redemption will comply with the conditions herein. The Trustee will accept and shall be entitled to rely conclusively and without further inquiry on such Officer's Certificate and opinion of counsel as sufficient evidence of the existence and satisfaction of the conditions precedent as described in Section 3.07 hereof, as the case may be, in which event it will be conclusive and binding on the Holders.

Section 3.02. *Selection of Notes To Be Redeemed or Repurchased.*

If less than all of the Notes are to be redeemed at any time, the Trustee or the Registrar will select Notes for redemption in compliance with the requirements of the principal securities exchange, if any, on which the Notes are listed or if the Notes are not so listed or such exchange prescribes no method of selection, based on a method that most nearly approximates a *pro rata* selection or by lot or such other similar method in accordance with the procedures of DTC;*provided*, *however*, that no Note of $200,000 in aggregate principal amount or less shall be redeemed in part and only Notes in integral multiples of $1,000 will be redeemed. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee shall notify the Issuer promptly of the Notes or portions of Notes to be redeemed. Neither the Trustee nor the Registrars will be liable for any selections made in accordance with this Section 3.02.

Section 3.03. *Notice of Redemption.*

(a) Other than as provided in Section 3.03(b), not less than 10 days but not more than 60 days before a date for redemption of Notes, the Issuer shall transmit a notice of redemption in accordance with Section 12.01 hereof. If such Notes are in global form, notice of redemption will be delivered to DTC for communication to the entitled account holders.

(7) the Common Codes, ISIN or CUSIP number, as applicable, if any, printed on the Notes being redeemed;

(8) the paragraph of the Notes or section of this Indenture pursuant to which the Notes are being redeemed;

(10) if any Notes is to be redeemed in part only, the portion of the principal amount thereof to be redeemed.

(b) At the Issuer's request and expense, the Trustee or the Paying Agent shall give the notice of redemption in the Issuer's name. In such event, the Issuer shall provide the Trustee and the Paying Agent at least 2 Business Days prior to the date on which notice of redemption is to be delivered to Holders (unless a shorter period of time is acceptable to the Trustee and the Paying Agent), an Officer's Certificate requesting the Trustee or the Paying Agent to give such notice and also containing the information required to be contained in such notice pursuant to Section 3.03 hereof.

Section 3.04. *Effect of Notice of Redemption.*

Once notice of redemption is delivered, Notes called for redemption cease to accrue interest, and become due and payable, on the redemption date and at the redemption price stated in the notice, *provided*, *however*, that any redemption notice given in respect of the redemption referred to in Section 3.07 hereof may, at the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent to the extent permitted under Section 3.07. Upon surrender to the Paying Agent, the Notes shall be paid at the redemption price stated in the notice, plus accrued interest, if any, to, but not including, the redemption date; *provided*, *however*, that if the redemption date is after a regular record date and on or prior to the interest payment date, the accrued interest shall be payable to the Holder of the redeemed Notes registered on the relevant record date. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

Section 3.05. *Deposit of Redemption Price.*

No later than 10:00 a.m. New York time on the Business Day that is a redemption date, the Issuer shall deposit with the Paying Agent (or, if the Issuer or a Restricted Subsidiary of the Issuer is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest on all Notes or portions thereof to be redeemed on that date other than Notes or portions of Notes called for redemption that have been delivered by the Issuer to the Registrar for cancellation. On and after the redemption date, interest shall cease to accrue on Notes or portions thereof called for redemption so long as the Issuer has deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest, if any, on, the Notes to be redeemed, unless the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture. For the avoidance of doubt, the Paying Agent and the Trustee shall be held harmless and have no liability or obligation with respect to payments or disbursements to be made by the Paying Agent and Trustee (i) for which payment instructions are not made or that are not otherwise deposited by the respective times set forth in this Section 3.05 and (ii) until they have confirmed receipt of funds sufficient to make the relevant payment.

Section 3.06. *Notes Redeemed in Part.*

Subject to the terms hereof, upon surrender of a Note that is redeemed in part, (i) in the case of a Definitive Registered Note, a new Definitive Registered Note in principal amount equal to the unredeemed portion of any Definitive Registered Note redeemed in part will be issued in the name of the Holder thereof upon cancellation of the original Definitive Registered Note and (ii) in the case of a Global Note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof.

Section 3.07. *Optional Redemption.*

(a) On and after May 15, 2021 the Issuer may redeem all or, from time to time, part of the Notes, upon not less than 10 nor more than 60 days' notice, at the following redemption prices (expressed as a percentage of the principal amount) plus accrued and unpaid interest to, but not including, the applicable redemption date (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the twelve-month period beginning on May 15 of the years indicated below:

Year	Redemption Price
2021	102.750%
2022	101.833%
2023	100.917%
2024 and thereafter	100.000%

Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes or the portion thereof called for redemption on the applicable redemption date. Any such redemption and notice may, in the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent.

(b) Prior to May 15, 2019, the Issuer may on any one or more occasions redeem up to 40% of the original principal amount of the Notes (including the principal amount of any Additional Notes denominated in such currency), upon not less than 10 nor more than 60 days' notice, with funds in an aggregate amount (the "*Redemption Amount*") not exceeding the Net Cash Proceeds of one or more Equity Offerings at a redemption price of 105.500% of the principal amount of the Notes, plus accrued and unpaid interest to, but not including, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided* that:

(1) at least 60% of the original principal amount of the Notes (including the principal amount of any Additional Notes) remains outstanding after each such redemption; and

(2) the redemption occurs within 180 days after the closing of such Equity Offering.

If a redemption date is not a Business Day, payment may be made on the next succeeding day that is a Business Day, and no interest shall accrue on any amount that would have been otherwise payable on such redemption date if it were a Business Day for the intervening period.

In connection with any tender offer or other offer to purchase for all of the Notes, if Holders of not less than 90% of the aggregate principal amount of the then outstanding Notes validly tender and do not validly withdraw such Notes in such tender offer and the Issuer, or any third party making such tender offer in lieu of the Issuer, purchases all of the Notes validly tendered and not validly withdrawn by such Holders, the Issuer or such third party will have the right upon not less than 10 nor more than 60 days' notice following such purchase date, to redeem all Notes that remain outstanding following such purchase at a price equal to the price paid to each other Holder in such tender offer (other than any incentive payment for early tenders), plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to, but not including, the repurchase date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date). In determining whether the Holders of at least 90% of the aggregate principal amount of the then outstanding Notes have validly tendered and not validly withdrawn Notes in a tender offer or other offer to purchase for all of the Notes, as applicable, Notes owned by an affiliate of the Issuer or by funds controlled or managed by any affiliate of the Issuer, or any successor thereof, shall be deemed to be outstanding for the purposes of such tender offer or other offer, as applicable.

Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes or the portion thereof called for redemption on the applicable redemption date.

Any redemption notice given in respect of the redemption of the Notes (including upon an Equity Offering or in connection with a transaction (or series of related transactions) or an event that constitutes a Change of Control) may, at the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent, including, but not limited to, the completion or occurrence of such transaction or event, as the case may be. In addition, if such redemption or

purchase is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Issuer's discretion, the redemption date may be delayed until such time (including more than 60 days after the date the notice of redemption was mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied or waived, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or waived by the redemption date, or by the redemption date as so delayed, or such notice may be rescinded at any time in the Issuer's discretion if in the good faith judgment of the Issuer any or all of such conditions will not be satisfied. In addition, the Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person. In no event shall the Trustee be responsible for monitoring, or charged with knowledge of, the maximum aggregate amount of the Notes eligible under this Indenture to be redeemed.

(c) Prior to May 15, 2021, the Issuer may redeem all or, from time to time, a part of the Notes upon not less than 10 nor more than 60 days' notice at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium and accrued and unpaid interest to, but not including, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date). Any such redemption and notice may, at the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent.

(d) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

(e) If any Notes are listed on an exchange, and the rules of the exchange so require, the Issuer will notify the exchange of any such redemption and the principal amount of any Notes outstanding following any partial redemption of such Notes. In no event will the Trustee be responsible for monitoring, or charged with knowledge of, the maximum aggregate amount of Notes eligible under this Indenture to be redeemed.

The Issuer is not required to make mandatory redemption payments or sinking fund payments with respect to the Notes.

Section 3.10. *[Reserved].*

(a) If Holders of not less than 90% in aggregate principal amount of the outstanding Notes of a series validly tender and do not withdraw such Notes in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuer in accordance with Section 4.03 hereof, purchases all of the Notes of a series validly tendered and not validly withdrawn by such Holders, the Issuer or such third party will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following such

purchase pursuant to the Change of Control Offer described above, to redeem all Notes of a series that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of the delivery of the notice for such redemption. Any redemption pursuant to this Section 3.11 shall be made in accordance with Section 3.03 hereof (other than the time periods specified therein, which shall be in accordance with this Section 3.11). In determining whether the Holders of at least 90% of the aggregate principal amount of the then outstanding Notes have validly tendered and not validly withdrawn Notes in a Change of Control Offer, Notes owned by any affiliate of the Issuer or funds controlled or managed by any affiliate of the Issuer, or any successor thereof, shall be deemed to be outstanding for the purposes of such Change of Control Offer.

Section 4.01. *Payment of Notes.*

The Issuer shall promptly pay the principal of and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal and interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

Section 4.02. *[Reserved].*

Section 4.03. *Change of Control.*

No such purchase in part shall reduce the principal amount at maturity of the Notes held by any holder to below $200,000.

(b) Unless the Issuer has unconditionally exercised its right to redeem all the Notes pursuant to Section 3.07 hereof or all conditions to such redemption have been satisfied or waived, no later than the date that is 60 days after any Change of Control or, at the Issuer's option, at any time prior to a Change of Control following the public announcement thereof or if a definitive agreement is in place for the Change of Control, the Issuer will send a notice (the "*Change of Control Offer*") to each Holder of any such Notes by mail or otherwise in accordance with the procedures set forth in this Indenture, with a copy to the Trustee:

(5) describing the procedures determined by the Issuer, consistent with this Indenture, that a Holder must follow in order to have its Notes repurchased;

(7) certain other procedures that a holder of Notes must follow to accept a Change of Control Offer or to withdraw such acceptance.

(c) The Issuer shall cause to be published the notice described above through the newswire service of Bloomberg (or if Bloomberg does not then operate, any similar agency). In addition, if any Notes are listed on an exchange, and the rules of the exchange so require, the Issuer will notify the exchange of the results of any Change of Control Offer.

(e) This Section 4.03 will be applicable whether or not any other provisions of this Indenture are applicable.

(f) The Issuer will not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

(g) Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer. The Issuer will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 4.03. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Indenture, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of this Indenture by virtue of the conflict.

(c) [*Reserved*].

(d) [*Reserved*].

(e) [*Reserved*].

(f) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this Section 4.04:

(1) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in Section 4.04(a) and Section 4.04(b) hereof, the Issuer, in its sole discretion, will classify, and may from time to time reclassify, such item of Indebtedness and only be required to include the amount and type of such Indebtedness in one of the clauses of Section 4.04(a) or Section 4.04(b);

(2) all Indebtedness outstanding on the Issue Date under the New Credit Facility shall be deemed Incurred on the Issue Date under Section 4.04(b)(1) and not under Section 4.04(a) or Section 4.04(b)(4)(b);

(3) Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(4) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are Incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to Sections 4.04(b)(1), 4.04(b)(8), 4.04(b)(14) or 4.04(b)(16) or Section 4.04(a) and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;

(5) the principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(6) Indebtedness permitted by this Section 4.04 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this covenant permitting such Indebtedness; and

(7) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined on the basis of GAAP.

(g) Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.04. The amount of any Indebtedness outstanding as of any date shall be (a) the accreted value thereof in the case of any Indebtedness issued with original issue discount and (b) the principal amount, or liquidation preference thereof, in the case of any other Indebtedness.

(h) If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 4.04, the Issuer shall be in Default of this Section 4.04).

(i) For purposes of determining compliance with any dollar-denominated restriction on the Incurrence of Indebtedness, the Dollar Equivalent of the principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred or at the option of the Issuer, on the date first committed; *provided* that (a) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than dollars, and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced plus any amount to pay premiums (including tender premiums), accrued and unpaid interest, expenses, defeasance costs and fees in connection therewith; (b) the Dollar Equivalent of the principal amount of any such Indebtedness outstanding on the Issue Date shall be calculated based on the relevant currency exchange rate in effect on the Issue Date; and (c) if any such Indebtedness that is denominated in a currency other than dollars is subject to a Currency Agreement with respect to the currency in which such Indebtedness is denominated covering principal amount and interest payable on such Indebtedness, the amount of such Indebtedness, will be the Dollar Equivalent of the principal payment required to be made under such Currency Agreement plus the Dollar Equivalent of any premium which is at such time due and payable but is not covered by such Currency Agreement.

(j) For purposes of determining compliance with the Consolidated Net Senior Secured Leverage Ratio or the Consolidated Net Leverage Ratio on the Incurrence of Indebtedness, the Dollar Equivalent of the principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, or at the option of the Issuer, the date first committed; *provided* that (a) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than dollars, and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such dollar-denominated restriction shall be deemed not to have been exceeded so

long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced plus any amount to pay

premiums (including tender premiums), accrued and unpaid interest, expenses, defeasance costs and fees in connection therewith; and (b) the Dollar Equivalent of the principal amount of any such Indebtedness outstanding on the Issue Date shall be calculated based on the relevant currency exchange rate in effect on the Issue Date.

In addition, for purposes of calculating the Consolidated Net Senior Secured Leverage Ratio or the Consolidated Net Leverage Ratio to test compliance with any covenant in this Indenture, in determining the amount of Indebtedness outstanding in dollars on any date of determination, with respect to any Indebtedness denominated in a currency other than dollars (the "*Foreign Currency*"):

(1) subject to a currency swap arrangement or contract, the aggregate principal amount of such Foreign Currency Indebtedness on any such date of determination shall be the dollar amount of the aggregate principal amount to be paid by the Company or a Restricted Subsidiary on the maturity date of such currency swap arrangement or contract pursuant to the terms thereof; or

(2) subject to a currency forward arrangement, forward accretion curve or contract, the aggregate principal amount of such Foreign Currency Indebtedness shall be converted into dollars at the exchange rate specified under the terms of such currency forward arrangement, forward accretion curve or contract as applicable to such Foreign Currency Indebtedness on such date of determination.

For the avoidance of doubt, notwithstanding a Group member entering into any such arrangement or contract hedging foreign exchange exposure of any Foreign Currency Indebtedness, for the purposes of calculating the Consolidated Net Senior Secured Leverage Ratio or the Consolidated Net Leverage Ratio, the aggregate principal amount of Indebtedness subject to any such arrangement or contract shall be attributed to the total Indebtedness of the Person that originally Incurred such Indebtedness.

Notwithstanding any other provision of this Section 4.04, the maximum amount of Indebtedness that the Company or a Restricted Subsidiary may Incur pursuant to this covenant shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies.

Neither the Issuer nor any Guarantor will incur any Indebtedness (including any Indebtedness permitted to be Incurred pursuant to Section 4.04(b)) that is contractually subordinated in right of payment to any other Indebtedness of the Issuer or such Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the applicable Note Guarantee on substantially identical terms (as determined in good faith by the Issuer); *provided*, *however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Issuer or any Guarantor solely by virtue of being unsecured, by virtue of being secured with different collateral , by virtue of being secured on a junior priority basis, by virtue of not being guaranteed by one or more of the Company's Subsidiaries or by virtue of the application of waterfall or other payment-ordering provisions affecting different tranches of Indebtedness under Credit Facilities.

Section 4.05. *Limitation on Restricted Payments.*

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

(B) except in the case of a Restricted Investment, the Issuer is not able to Incur an additional $1.00 of Indebtedness pursuant to Section 4.04(a) hereof, in each case, after giving effect, on a *pro forma* basis, to such Restricted Payment; or

(C) the aggregate amount of such Restricted Payment and all other Restricted Payments made by the Company and the Restricted Subsidiaries subsequent to the Original Notes Issue Date (and not returned or rescinded) (including Permitted Payments permitted below by Section 4.05(b)(5) (without duplication of amounts paid pursuant to any other clause of Section 4.05(b)), Section 4.05(b)(6), Section 4.05(b)(10), Section 4.05(b)(15), Section 4.05(b)(17)
