(6) any encumbrance or restriction:

(A) that restricts in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease, license or similar contract, or the assignment or transfer of any lease, license or other contract;

(B) contained in mortgages, pledges or other security agreements permitted under this Indenture or securing Indebtedness of the Company or a Restricted Subsidiary permitted under this Indenture to the extent such encumbrances or restrictions restrict the transfer of the property or assets subject to such mortgages, pledges or other security agreements;

(14) any encumbrance or restrictions arising in connection with any Purchase Money Note, other Indebtedness or a Qualified Receivables Financing that, in the good faith determination of an Officer or the Board of Directors of the Company, are necessary or advisable to effect such Qualified Receivables Financing; or

Section 4.08. *Limitation on Sales of Assets and Subsidiary Stock.*

(a) [*Reserved*].

(b) The Company will not, and will not permit any of its Restricted Subsidiaries to, make any Asset Disposition unless:

(1) the Company or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at least equal to the fair market value (such fair market value to be determined on the date of contractually agreeing to such Asset Disposition), as determined in good faith by an Officer or the Board of Directors of the Company, of the shares and assets subject to such Asset Disposition (including, for the avoidance of doubt, if such Asset Disposition is a Permitted Asset Swap); and

(2) in any such Asset Disposition, or series of related Asset Dispositions (except to the extent the Asset Disposition is a Permitted Asset Swap), at least 75% of the consideration from such Asset Disposition or such series of related Asset Dispositions (excluding any consideration by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise, other than Indebtedness) together with all other Asset Dispositions since the Issue Date (except to the extent any such Asset Disposition was a Permitted Asset Swap) on a cumulative basis, received by the Company or such Restricted Subsidiary, as the case may be, is in the form of cash, Cash Equivalents or Temporary Cash Investments.

(c) After the receipt of Net Available Cash from an Asset Disposition, the Company or a Restricted Subsidiary, as the case may be, may apply such Net Available Cash directly or indirectly (at the option of the Company or such Restricted Subsidiary):

(1) within 365 days from the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash (i) to prepay, repay, purchase or redeem any Indebtedness incurred under Section 4.04(b)(1); *provided*, *however*, that, in connection with any prepayment, repayment or purchase of Indebtedness pursuant to this Section 4.08(c)(1), the Company or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment (if any) (except in the case of any revolving Indebtedness) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid, purchased or redeemed; (ii) unless included in Section 4.08(c)(1), to prepay, repay, purchase or redeem any Pari Passu Indebtedness of the Issuer or a Guarantor that is secured in whole or in part by a Lien on the Notes Collateral

(including by virtue of the Intercreditor Agreement or an Additional Intercreditor Agreement), which Lien ranks*pari passu* with the Liens securing the Notes, at a price of no more than 100% of the principal amount of such Pari Passu Indebtedness plus accrued and unpaid interest to the date of such prepayment, repayment, purchase or redemption; *provided* that the Issuer or such Guarantor shall prepay, redeem, repay or repurchase Pari Passu Indebtedness that is Public Debt pursuant to this clause (ii) only if the Issuer or such Guarantor purchases through open market purchases at a price equal to or higher than 100% of the principal amount thereof, or makes an offer to the Holders of the Notes to purchase their Notes at a purchase price in cash equal to at least 100% of the principal amount of the Notes, plus accrued and unpaid interest to, but not including, the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) for, in each case, an aggregate principal amount of Notes at least equal to the proportion that (x) the total aggregate principal amount of Notes outstanding bears to (y) the sum of the total aggregate principal amount of Notes outstanding plus the total aggregate principal amount outstanding of such Pari Passu Indebtedness; (iii) to prepay, repay, purchase or redeem any Indebtedness of a Restricted Subsidiary that is not a Guarantor or any Indebtedness that is secured on assets which do not constitute Notes Collateral (in each case, other than Subordinated Indebtedness of the Issuer or a Guarantor or Indebtedness owed to the Company or any Restricted Subsidiary); (iv) to purchase the Notes through open market purchases at a price equal to or higher than 100% of the principal amount thereof, or make an offer to all holders of Notes at a purchase price in cash equal to at least 100% of the principal amount of the Notes, plus accrued and unpaid interest to, but not including, the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); or (v) to redeem the Notes as described in Section 3.07;

(2) to the extent the Company or such Restricted Subsidiary elects, to invest in or purchase or commit to invest in or purchase Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary with Net Available Cash received by the Company or another Restricted Subsidiary) within 365 days from the later of (i) the date of such Asset Disposition and (ii) the receipt of such Net Available Cash; *provided*, *however*, that any such reinvestment in Additional Assets made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Company that is executed or approved within such time will satisfy this requirement, so long as such investment or commitment to invest is consummated within 180 days of such 365th day;

(3) to make a capital expenditure within 365 days from the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash; *provided*, *however*, that any such capital expenditure made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Company that is executed or approved within such time will satisfy this requirement, so long as such investment is consummated within 180 days of such 365th day; or

(4) any combination of clauses (1) through (3),

provided, that, pending the final application of any such Net Available Cash in accordance with clauses (1), (2), (3) or (4) of Section 4.08(c), the Company and the Restricted Subsidiaries may temporarily reduce Indebtedness or otherwise invest such Net Available Cash in any manner not prohibited by this Indenture.

(d) Any Net Available Cash from Asset Dispositions that is not applied or invested or committed to be applied or invested as provided in Section 4.08(c) hereof will be deemed to constitute "*Excess Proceeds*". On the 366th day (or the 546th day, in the case of any Net Available Cash committed to be used pursuant to a definitive binding agreement or commitment approved by the Board of Directors of the Company pursuant to Section 4.08(b)(2) or Section 4.08(b)(3) hereof) after the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash, if the aggregate amount of Excess Proceeds exceeds $50 million, the Issuer will be required within ten Business Days thereof to make an offer ("*Asset Disposition Offer*") to all holders of Notes and, to the extent the Issuer or a Guarantor elects, or the Issuer or a Guarantor is required by the terms of other outstanding Pari Passu Indebtedness, to all holders of such other outstanding Pari Passu Indebtedness to purchase the maximum principal amount of Notes and any such Pari Passu Indebtedness to which the Asset Disposition Offer applies that may be purchased out of the Excess Proceeds, at an offer price in respect of the Notes in an amount equal to (and, in the case of any Pari Passu Indebtedness, an offer price of no more than) 100% of the principal amount of the Notes and 100% of the principal amount of Pari Passu Indebtedness, in each case, plus accrued and unpaid interest, if any, to, but not including, the date of purchase, in accordance with the procedures set forth in this Indenture or the agreements governing the Pari Passu Indebtedness, as applicable, and in the case of the Notes, in minimum denominations of $200,000 and in integral multiples of $1,000 in excess thereof. No such purchase in part shall reduce the principal amount at maturity of the Notes held by any holder to below $200,000.

(e) To the extent that the aggregate amount of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to an Asset Disposition Offer is less than the Excess Proceeds, the Company and the Restricted Subsidiaries may use any remaining Excess Proceeds for general corporate purposes, to the extent not prohibited by the other covenants contained in this Indenture. If the aggregate principal amount of the Notes surrendered in any Asset Disposition Offer by Holders and other Pari Passu Indebtedness surrendered by holders or lenders, collectively, exceeds the amount of Excess Proceeds, the Excess Proceeds shall be allocated among the Notes and Pari Passu Indebtedness to be purchased on a *pro rata* basis on the basis of the aggregate principal amount of tendered Notes and Pari Passu Indebtedness. For the purposes of calculating the principal amount of any such Indebtedness not denominated in dollars, such Indebtedness shall be calculated by converting any such principal amounts into their Dollar Equivalent determined as of a date selected by the Issuer that is within the Asset Disposition Offer Period (as defined below). Upon completion of any Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

(f) To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than the currency in which the relevant Notes are denominated, the amount thereof payable in respect of such Notes shall not exceed the net amount of funds in the currency in which such Notes are denominated that is actually received by the Issuer upon converting such portion of the Net Available Cash into such currency.

(g) The Asset Disposition Offer, in so far as it relates to the Notes, will remain open for a period of not less than 20 Business Days following its commencement or such shorter period of time required to comply with Section 14(e) of the Exchange Act and any other applicable securities laws or regulations in connection with the Asset Disposition Offer (the "*Asset Disposition Offer Period*"). No later than five Business Days after the termination of the Asset Disposition Offer Period (the "*Asset Disposition Purchase Date*"), the Issuer will purchase the principal amount of Notes and, to the extent it elects, Pari Passu Indebtedness required to be purchased by it pursuant to this Section 4.08 (the "*Asset Disposition Offer Amount*") or, if less than the Asset Disposition Offer Amount has been so validly tendered, all Notes and Pari Passu Indebtedness validly tendered in response to the Asset Disposition Offer.

(h) On or before the Asset Disposition Purchase Date, the Issuer will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Asset Disposition Offer Amount of Notes and Pari Passu Indebtedness or portions of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to the Asset Disposition Offer, or if less than the Asset Disposition Offer Amount has been validly tendered and not properly withdrawn, all Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn and, in the case of the Notes, in minimum denominations of $200,000 and in integral multiples of $1,000 in excess thereof.

(i) The Issuer will deliver to the Trustee an Officer's Certificate stating that such Notes or portions thereof were accepted for payment by the Issuer in accordance with the terms of this covenant. The Issuer or the Paying Agent, as the case may be, will promptly (but in any case not later than five Business Days after termination of the Asset Disposition Offer Period) mail or deliver to each tendering Holder of Notes an amount equal to the purchase price of the Notes so validly tendered and not properly withdrawn by such Holder, and accepted by the Issuer for purchase, and the Issuer will promptly issue a new Note (or, in the case of Global Notes, cause the Paying Agent to reduce the aggregate principal amount and amend the applicable Global Note pursuant to Section 2.06(g) hereof and in the case of Definitive Registered Notes, deliver or cause to be delivered to the relevant Registrar for cancellation all Definitive Registered Notes accepted for purchase by the Issuer), and the Trustee, upon receipt of an Officer's Certificate from the Issuer, will, via an authenticating agent, authenticate and mail or deliver (or cause to be transferred by book-entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered; *provided* that each such new Note will be in a principal amount with a minimum denomination of $200,000. Any Note not so accepted will be promptly mailed or delivered (or transferred by book-entry) by the Issuer to the Holder thereof.

(j) For the purposes of Section 4.08(b)(2), the following will be deemed to be cash:

(1) the assumption by the transferee (or other extinguishment in connection with the transactions relating to such Asset Dispositions) of Indebtedness and any other liabilities (as recorded on the balance sheet of the Company or any Restricted Subsidiary or in the footnotes thereto, or if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been reflected on the Company's or such Restricted Subsidiary's balance sheet or in the footnotes thereof if such incurrence or accrual had taken place on or prior to the date of such balance sheet, as determined in

good faith by the Company) of the Company or any Restricted Subsidiary (other than Subordinated Indebtedness of the Issuer or a Guarantor) and the release of the Company or such Restricted Subsidiary from all liability on such Indebtedness in connection with such Asset Disposition;

(2) securities, notes or other obligations received by the Company or any Restricted Subsidiary from the transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of such Asset Disposition;

(3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Company and each other Restricted Subsidiary (as applicable) are released from any Guarantee of payment of such Indebtedness in connection with such Asset Disposition;

(4) consideration consisting of Indebtedness of the Issuer or a Guarantor (other than Subordinated Indebtedness) received after the Issue Date from Persons who are not the Company or any Restricted Subsidiary; and

(5) any Designated Non-Cash Consideration received by the Company or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this covenant that is at that time outstanding, not to exceed the greater of $110 million and 1.5% of Total Assets (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

(k) The Issuer will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Indenture. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.08, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Indenture by virtue of any conflict.

Section 4.09. *Limitation on Affiliate Transactions.*

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or conduct any transaction or series of related transactions (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Company (any such transaction or series of related transactions being "*Affiliate Transactions*") involving aggregate value in excess of $5 million unless:

(1) the terms of such Affiliate Transaction taken as a whole are not materially less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable transaction at the time of such transaction or the execution of the agreement providing for such transaction in arm's-length dealings with a Person who is not such an Affiliate or, if there are no comparable transactions involving non-Affiliates to apply for comparative purposes, the transaction is otherwise

on terms that, taken as a whole, the Company has conclusively determined in good faith to be fair to the Company or such Restricted Subsidiary; and

(2) in the event such Affiliate Transaction involves an aggregate value in excess of $25 million, the terms of such transaction or series of related transactions have been approved by a resolution of the majority of the members of the Board of Directors of the Company resolving that such transaction complies with Section 4.09(a)(1) hereof; *provided* that an Affiliate Transaction shall be deemed to have satisfied the requirements set forth in this Section 4.09(a)(2) if such Affiliate Transaction is approved by a majority of the Disinterested Directors. If there are no Disinterested Directors, any Affiliate Transaction shall also be deemed to have satisfied the requirements set forth in this covenant if the Company or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Company or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person on arm's length basis.

(b) The provisions of Section 4.09(a) hereof will not apply to:

(1) any Restricted Payment permitted to be made pursuant to Section 4.05 hereof, any Permitted Payments (other than pursuant to Section 4.05(b)(9)(B) hereof) or any Permitted Investment (other than Permitted Investments as defined in clauses (1)(b) or (2) of the definition thereof);

(2) any issuance or sale of Capital Stock, options, other equity-related interests or other securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, or entering into, or maintenance of, any employment, consulting, collective bargaining or benefit plan, program, agreement or arrangement, related trust or other similar agreement and other compensation arrangements, options, warrants or other rights to purchase Capital Stock of the Company, any Restricted Subsidiary or any Parent, restricted stock plans, long-term incentive plans, stock appreciation rights plans, participation plans or similar employee benefits or consultants' plans (including valuation, health, insurance, deferred compensation, severance, retirement, savings or similar plans, programs or arrangements) or indemnities provided on behalf of officers, employees, directors or consultants approved by the Board of Directors of the Company, in each case in the ordinary course of business;

(3) any Management Advances and any waiver or transaction with respect thereto;

(9) any transaction in the ordinary course of business between or among the Company or any Restricted Subsidiary and any Affiliate of the Company or an Associate or similar entity (in each case, other than an Unrestricted Subsidiary) that would constitute an Affiliate Transaction solely because the Company or a Restricted Subsidiary or any Affiliate of the Company or a Restricted Subsidiary or any Affiliate of any Permitted Holder owns an equity interest in or otherwise controls such Affiliate, Associate or similar entity;

(10) (a) issuances or sales of Capital Stock (other than Disqualified Stock or Designated Preference Shares) of the Company or options, warrants or other rights to acquire such Capital Stock or Subordinated Shareholder Funding; *provided* that the interest rate and other financial terms of such Subordinated Shareholder Funding are approved by a majority of the members of the Board of Directors of the Company in their reasonable determination and (b) any amendment, waiver or other transaction with respect to any Subordinated Shareholder Funding in compliance with the other provisions of this Indenture, the Intercreditor Agreement or any Additional Intercreditor Agreement, as applicable;

(15) transactions between the Company or any Restricted Subsidiary and any other Person that would constitute an Affiliate Transaction solely because a director of such other Person is also a director of the Company or any Parent; *provided, however*, that such director abstains from voting as a director of the Company or such Parent, as the case may be, at any board meeting approving such transaction on any matter including such other Person;

(16) payments to and from, and transactions with, any joint ventures entered into in the ordinary course of business or consistent with past practices (including, without limitation, any cash management activities related thereto);

(a) For so long as any Notes are outstanding, the Company will provide to the Trustee the following reports:

(1) within 120 days after the end of the Company's (or, if the Company elects to satisfy its obligation under this Section 4.10(a)(1) by delivering the annual reports of Cequel or a Parent as permitted below, of Cequel's or such Parent's, as applicable) fiscal year beginning with the fiscal year ending December 31, 2016, annual reports containing, to the extent applicable, and in a level of detail that is comparable in all material respects to the annual report of Cequel for the year ended December 31, 2015, the following information: audited consolidated balance sheet of the Company as of the end of the most recent fiscal year (and comparative information as of the end of the prior fiscal year) and audited consolidated income statements and statements of cash flow of the Company for the most recent fiscal year (and comparative information as of the end of the prior fiscal year), including complete footnotes to such financial statements and the report of the independent auditors on the financial statements; unaudited *pro forma* income statement information and balance sheet information of the Company (which, for the avoidance of doubt, shall not include the provision of a full income statement or balance sheet to the extent not reasonably available), together with explanatory footnotes, for (i) any acquisition or disposition by the Company or a Restricted Subsidiary that, individually or in the aggregate when considered with all other acquisitions or dispositions that have occurred during the most recently completed fiscal year as to which such annual report relates, represent greater than 20% of the consolidated revenues, EBITDA, or assets of the Company on a *pro forma* consolidated basis or (ii) recapitalizations by the Company or a Restricted Subsidiary, in each case, that have occurred since the beginning of the most recently completed fiscal year (unless such *pro forma* information has been provided in a prior report pursuant to Section 4.10(a)(2) or Section 4.10(a)(3)); (c) an operating and financial review of the audited financial statements, including a discussion of the results of operations, financial condition, and liquidity and capital resources of the Company, and a discussion of material commitments and contingencies and critical accounting policies; (d) description of the business, management and shareholders of the Company, all material affiliate transactions and a description of all material contractual arrangements, including material debt instruments; and (e) a description of material risk factors and material recent developments (to the extent not previously reported pursuant to Section 4.10(a)(2) or Section 4.10(a)(3));

(2) within 60 days following the end of the first three fiscal quarters in each fiscal year of the Company (or, if the Company elects to satisfy its obligation under this Section 4.10(a)(2) by delivering the quarterly reports of Cequel or a Parent as permitted below, of Cequel or such Parent, as applicable) beginning with the fiscal quarter ending June 30, 2016, all quarterly reports of the Company containing the following information in a level of detail comparable in all material respects to the quarterly report of Cequel for the three months ended September 30, 2015: (a) an unaudited condensed consolidated balance sheet as of the end of such quarter and unaudited condensed consolidated statements of income and cash flow for the most recent quarter year-to- date period ending on the date of the unaudited condensed balance sheet, and the comparable prior year periods, together with condensed footnote disclosure; (b) unaudited *pro forma* income statement information and balance sheet information (which, for the avoidance of doubt, shall not include the provision of a full income statement or balance sheet to the extent not reasonably available), together with explanatory footnotes, for any acquisition or disposition by the Company or a Restricted Subsidiary that, individually or in the

aggregate when considered with all other acquisitions or dispositions that have occurred during the relevant quarter, represent greater than 20% of the consolidated revenues, EBITDA, or assets of the Company on a *pro forma* consolidated basis (unless such *pro forma* information has been provided in a prior report pursuant to Section 4.10(a)(3)); (c) a summary operating and financial review of the unaudited financial statements, including a discussion of revenues, EBITDA, capital expenditures, operating cash flow, and material changes in liquidity and capital resources, and a discussion of material changes not in the ordinary course of business in commitments and contingencies since the most recent report; and (d) material recent developments (to the extent not previously reported pursuant to Section 4.10(a)(3)); and

(3) promptly after the occurrence of such event, information with respect to (a) any change in the independent public accountants of the Company, (b) any material acquisition, disposal, merger or similar transaction or (c) any development determined by an Officer of the Company to be material to the business of the Company and its Restricted Subsidiaries (taken as a whole).

Notwithstanding the foregoing, the Company may satisfy its obligations under clauses (1), (2) and (3) of this Section 4.10(a) by delivering the corresponding annual and quarterly reports of Cequel or a Parent (provided that this shall not apply for any Parent of CVC 1 B.V.); *provided* that to the extent that the Company is not the reporting entity and material differences exist between the management, business, assets, shareholding or results of operations or financial condition of the Company and Cequel or such Parent, as applicable, the annual and quarterly reports shall give a reasonably detailed description of such differences and include an unaudited reconciliation of the Company's consolidated financial statements to Cequel or such Parent's consolidated financial statements, as applicable.

All financial statement information shall be prepared in accordance with GAAP as in effect on the date of such report or financial statement (or otherwise on the basis of GAAP as then in effect) and on a consistent basis for the periods presented; *provided*, *however*, that the reports set forth in clauses (1), (2) and (3) of this Section 4.10(a) may in the event of a change in GAAP, present earlier periods on a basis that applied to such periods. Except as provided for in Section 4.10(b) below, no report need include separate financial statements for the Company or Subsidiaries of the Company or any disclosure with respect to the results of operations or any other financial or statistical disclosure not of a type included in the Offering Memorandum and subject to the Company's election to apply IFRS, in no event shall IFRS information or reconciliation to IFRS be required.

(b) At any time if any Subsidiary of the Company is an Unrestricted Subsidiary and any such Unrestricted Subsidiary or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, constitutes a Significant Subsidiary, then the quarterly and annual financial information required by Section 4.10(a)(1) will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company.

(c) Substantially concurrently with the issuance to the Trustee of the reports specified in Section 4.10(a)(1), Section 4.10(a)(2) and Section 4.10(a)(3) hereof, the Company shall also (a) use its commercially reasonable efforts (i) to post copies of such reports on such website as may be then maintained by the Issuer, the Company and its Subsidiaries or (ii) otherwise to provide substantially comparable public availability of such reports (as determined by the Company in good faith) or (b) to the extent the Company determines in good faith that such reports cannot be made available in the manner described in Section 4.10(a) owing to applicable law or after the use of its commercially reasonable efforts, furnish such reports to the Holders and, upon their request, prospective purchasers of the Notes. Delivery of such reports to the Trustee is for informational purposes only and the Trustee's receipt of such reports will not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's or any other parties' compliance with any of its covenants in this Indenture (as to which the Trustee will be entitled to rely exclusively on Officer's Certificates that are delivered).

(d) For so long as the Notes remain outstanding and during any period during which the Issuer is not subject to Section 13 or 15(d) of the Exchange Act nor exempt therefrom pursuant to Rule 12g3-2(b), the Issuer shall furnish to the Holders and holders of beneficial interests in the Notes and, upon their request, prospective purchasers of the Notes or prospective and purchasers of beneficial interests in the Notes, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(e) Any Holder of the Notes or holder of a beneficial interest in the Notes, following the Issue Date, may obtain a copy of this Indenture, the form of Notes, the Notes Security Documents, and the Intercreditor Agreement without charge by writing to the Issuer, 520 Maryville Centre Drive, Suite 300, St. Louis, MO 63141, Attention: Craig Rosenthal.

Section 4.11. *Suspension of Covenants on Achievement of Investment Grade Status.*

If on any date following the Issue Date, the Notes have achieved Investment Grade Status and no Default or Event of Default has occurred and is continuing (a "*Suspension Event*"), then the Issuer shall notify the Trustee of these events and beginning on that day and continuing until such time, if any, at which the Notes cease to have Investment Grade Status (the "*Reversion Date*"), the provisions of this Indenture contained in the following sections will not apply to the Notes: Section 4.04, Section 4.05, Section 4.07, Section 4.08, Section 4.09, Section 4.12 and Section 5.03(a)(3), and Section 5.04(a)(3)(B)(2) and any related default provision of this Indenture will cease to be effective and will not be applicable to the Company and the Restricted Subsidiaries. Such Sections and any related default provisions will again apply according to their terms from the first day on which a Suspension Event ceases to be in effect. Such Sections will not, however, be of any effect with regard to actions of the Issuer properly taken during the continuance of the Suspension Event, and Section 4.05 will be interpreted as if it has been in effect since the date of this Indenture except that no Default will be deemed to have occurred solely by reason of a Restricted Payment made while Section 4.05 was suspended. On the Reversion Date, all Indebtedness Incurred during the continuance of the Suspension Event will be classified, at the Issuer's option, as having been Incurred pursuant to Section 4.04(a) or Section 4.04(b) (to the extent such Indebtedness would be permitted to be Incurred thereunder as of the Reversion Date and after giving effect to Indebtedness Incurred prior to the Suspension

Event and outstanding on the Reversion Date). To the extent such Indebtedness would not be so permitted to be Incurred under Section 4.04(a) or Section 4.04(b), such Indebtedness will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under Section 4.04(b)(4)(b)hereof.

On and after each Reversion Date, the Issuer and its Subsidiaries will be permitted to consummate the transactions contemplated by any contract entered into during the period of time between the Suspension Event and the Reversion Date (the "*Suspension Period*"), so long as such contract and such consummation would have been permitted during such Suspension Period.

The Issuer shall give the Trustee written notice of any Covenant Suspension Event and in any event not later than five Business Days after such Covenant Suspension Event has occurred. The Issuer shall give the Trustee written notice of any occurrence of a Reversion Date not later than five Business Days after such Reversion Date.

Section 4.12. *Impairment of Security Interests.*

(a) The Company shall not and shall not permit any Restricted Subsidiary to, take or omit to take any action that would have the result of materially impairing

the security interest with respect to the Notes Collateral (it being understood that, subject to Section 4.12(b), the Incurrence of Permitted Collateral Liens, shall under no circumstances be deemed to materially impair the security interest with respect to the Notes Collateral) for the benefit of the Trustee and the Holders, and the Company shall not and shall not permit any Restricted Subsidiary to, grant to any Person other than the Notes Security Agent (or its delegate), for the benefit of the Trustee and the Holders and the other beneficiaries described in the Notes Security Documents, the Intercreditor Agreement or any Additional Intercreditor Agreement, any Lien over any of the Notes Collateral; *provided*, that, subject to the next succeeding paragraph, (x) the Company, the Parent Guarantor and the Restricted Subsidiaries may Incur Permitted Collateral Liens, (y) the Notes Collateral may be discharged, amended, extended, renewed, restated, supplemented, released, modified or replaced in accordance with this Indenture, the Intercreditor Agreement, any Additional Intercreditor Agreement or the applicable Notes Security Documents and (z) the Company and the Restricted Subsidiaries may consummate any other transaction permitted under Article 5 hereof.

(b) Notwithstanding Section 4.12(a) hereof, nothing in this Section 4.12 shall restrict the discharge and release of any Lien over the Notes Collateral in accordance with this Indenture, the Intercreditor Agreement or any Additional Intercreditor Agreement. Subject to the foregoing, the Notes Security Documents may be amended, extended, renewed, restated, supplemented or otherwise modified or released (followed by an immediate retaking of a Lien of at least equivalent ranking over the same assets) to (i) cure any ambiguity, omission, defect or inconsistency therein; (ii) provide for Permitted Collateral Liens; (iii) make any change reasonably necessary or desirable in the good faith determination of the Issuer in order to implement transactions permitted under Article 5 hereof; (iv) add to the Notes Collateral; (v) provide for the release of any Liens on any properties or assets constituting Notes Collateral from the Lien of the Notes Security Documents; *provided that* such release is followed by the substantially concurrent re-taking of a Lien of at least equivalent priority over the same

properties and assets securing the Notes or any Note Guarantee; or (vi) make any other change thereto that does not adversely affect the Holders in any material respect (it being understood that such restatement, amendment or other modification to provide for subordinated security interests will be deemed not to be materially less favorable to the Holders) or (vii) subject to compliance with the Indenture, the Intercreditor Agreement or any Additional Intercreditor Agreement, as applicable, increase the amounts and types of Indebtedness covered by such Notes Security Document; *provided*, *however*, that, contemporaneously with any such action in clauses (ii), (iii), (iv), (v) and (vi), the Issuer delivers to the Trustee, either (1) a solvency opinion, in form and substance reasonably satisfactory to the Trustee, from an independent financial advisor or appraiser or investment bank of international standing which confirms the solvency of the Company and its Subsidiaries, taken as a whole, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, (2) a certificate from the chief financial officer or the Board of Directors of the relevant Person which confirms the solvency of the Person granting the Lien after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, or (3) an Opinion of Counsel (subject to any qualifications customary for this type of Opinion of Counsel), in form and substance reasonably satisfactory to the Trustee, confirming that, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, the Lien or Liens created under the Notes Security Documents so amended, extended, renewed, restated, supplemented, modified or replaced are valid Liens not otherwise subject to any limitation, imperfection or new hardening period, in equity or at law, that such Lien or Liens were not otherwise subject to immediately prior to such amendment, extension, renewal, restatement, supplement, modification or replacement.

(c) [*Reserved*].

(d) [*Reserved*].

(e) In the event that the Company and the Restricted Subsidiaries comply with the requirements of this covenant, the Trustee and the Notes Security Agent shall (subject to customary protections and indemnifications) consent to such amendments without the need for instructions from the Holders.

Section 4.13. *Additional Intercreditor Agreements.*

(a) At the request of the Issuer, and without the consent of Holders, in connection with the Incurrence by the Company or a Restricted Subsidiary of any Indebtedness that is permitted to share the Notes Collateral pursuant to Section 4.06, the Issuer, the Company, the Parent Guarantor or a Restricted Subsidiary, the Trustee and the Notes Security Agent shall enter into with the holders of such Indebtedness (or their duly authorized Representatives) an intercreditor agreement (an "Additional Intercreditor Agreement") or a restatement, amendment or other modification of the existing Intercreditor Agreement on substantially the same terms as the Intercreditor Agreement (or terms not materially less favorable to the Holders), including containing substantially the same terms with respect to release of Note Guarantees and priority and release of the Liens over the Notes Collateral (or terms not materially less favorable to the Holders, it being understood that such restatement, amendment or other modification to provide

for subordinated security interests will be deemed not to be materially less favorable to the Holders); provided that such Additional Intercreditor Agreement will not impose any personal obligations on the Trustee or Notes Security Agent or, in the opinion of the Trustee or Notes Security Agent, as applicable, adversely affect the rights, duties, liabilities or immunities of the Trustee or Notes Security Agent under this Indenture or the Intercreditor Agreement. For the avoidance of doubt, subject to the foregoing and the succeeding paragraph, any such Additional Intercreditor Agreement may provide for pari passu or subordinated security interests in respect of any such Indebtedness (to the extent such Indebtedness is permitted to share the Notes Collateral pursuant to Section 4.06).

(b) At the written direction of the Issuer and without the consent of Holders, the Trustee and the Notes Security Agent shall from time to time enter into one or more amendments to any Intercreditor Agreement or Additional Intercreditor Agreement to: (1) cure any ambiguity, omission, defect or inconsistency of any such agreement, (2) increase the amount or types of Indebtedness covered by any such agreement that may be Incurred by the Issuer or a Guarantor that is subject to any such agreement (including with respect to any Intercreditor Agreement or Additional Intercreditor Agreement, the addition of provisions relating to new Indebtedness ranking junior in right of payment to the Notes), (3) add Restricted Subsidiaries to the Intercreditor Agreement or an Additional Intercreditor Agreement, (4) further secure the Notes (including Additional Notes), (5) make provision for equal and ratable pledges of the Notes Collateral to secure Additional Notes, (6) implement any Liens permitted by Section 4.06, (7) amend the Intercreditor Agreement or any Additional Intercreditor Agreement in accordance with the terms thereof; (8) make any change reasonably necessary or desirable, in the good faith determination of the Issuer in order to implement any transaction that is subject to Article 5 hereof; or (9) implement any transaction in connection with the renewal extension, refinancing, replacement or increase of Indebtedness that is not prohibited by this Indenture or make any other change to any such agreement that does not adversely affect the Holders in any material respect; *provided* that no such changes shall be permitted to the extent they affect the ranking of any Note or Note Guarantee, enforcement of Liens over the Notes Collateral, the application of proceeds from the enforcement of Notes Collateral or the release of any Note Guarantees or Lien over the Notes Collateral in a manner than would adversely affect the rights of the holders of the Notes in any material respect except as otherwise permitted by this Indenture, the Intercreditor Agreement or any Additional Intercreditor Agreement immediately prior to such change. The Issuer shall not otherwise direct the Trustee or the Notes Security Agent to enter into any amendment to any Intercreditor Agreement without the consent of the Holders of the majority in aggregate principal amount of the Notes then outstanding, except as otherwise permitted under Article 9 hereof, and the Issuer may only direct the Trustee and the Notes Security Agent to enter into any amendment to the extent such amendment does not impose any personal obligations on the Trustee or Notes Security Agent or, in the opinion of the Trustee or Notes Security Agent, adversely affect their respective rights, duties, liabilities or immunities under this Indenture or the Intercreditor Agreement or any Additional Intercreditor Agreement.

(c) In relation to any Intercreditor Agreement or Additional Intercreditor Agreement, at the request of the Issuer, the Trustee (and Notes Security Agent, if applicable) shall consent on behalf of the Holders to the payment, repayment, purchase, repurchase, defeasance, acquisition, retirement or redemption of any obligations subordinated to the Notes thereby; *provided*, *however*, that such transaction would comply with Section 4.05 hereof.

(d) Each Holder, by accepting a Note, shall be deemed to have agreed to and accepted the terms and conditions of the Intercreditor Agreement or any Additional Intercreditor Agreement (whether then entered into or entered into in the future pursuant to the provisions described herein), and to have directed the Trustee and the Notes Security Agent to enter into any such Additional Intercreditor Agreement.

Section 4.14. *Compliance Certificate.*

The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year (beginning with the fiscal year ending December 31, 2016) an Officer's Certificate stating that a review of the activities of the Issuer during the preceding fiscal year has been made under the supervision of the signing Officer with a view to determining whether the Issuer has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to the Officer signing such Officer's Certificate, that to the best of his or her knowledge, the Issuer is not in Default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default shall have occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Issuer is taking or proposes to take with respect thereto). Within 30 days after the occurrence of a Default or Event of Default, the Issuer shall deliver to the Trustee a written notice of any events of which it is aware would constitute certain Defaults, their status and what action the Issuer is taking or proposes to take with respect thereto.

The Trustee shall not be deemed to have knowledge of any Default or Event of Default except any Default or Event of Default of which its Responsible Officer shall have received written notification in accordance with Section 12.01 or obtained actual knowledge in accordance with Section 7.01(d).

Section 4.15. *[Reserved].*

Section 4.16. *[Reserved].*

Section 4.17. *[Reserved].*

Section 4.18. *[Reserved].*

Section 4.19. *Payments for Consents.*

The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms of the provisions of this Indenture or the Notes unless such consideration is offered to be paid and is paid to all holders of Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement. Notwithstanding the foregoing, the Company and the Restricted Subsidiaries shall be permitted, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of this Indenture, to exclude holders of Notes in any jurisdiction where (i) the solicitation of such consent, waiver or amendment, including in connection with an exchange offer or an offer to purchase for cash, or (ii) the payment of the consideration therefor

would require the Company or any Restricted Subsidiary to file a registration statement, prospectus or similar document under any applicable securities laws (including, but not limited to, the United States federal securities laws and the laws of the European Union), which the Issuer in its sole discretion determine (acting in good faith) (A) would be materially burdensome (it being understood that it would not be materially burdensome to file the consent document(s) used in other jurisdictions, any substantially similar documents or any summary thereof with the securities or financial services authorities in such jurisdiction) or (B) such solicitation would otherwise not be permitted under applicable law in such jurisdiction.

Section 4.20. *Lines of Business.*

The Company will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than a Similar Business, except to such extent as would not be material to the Company and the Restricted Subsidiaries, taken as a whole.

Section 4.21. *Additional Guarantors.*

(a) The Company will not permit any of its Restricted Subsidiaries (other than a Guarantor) to Guarantee any Indebtedness of the Issuer or any Guarantor (other than Indebtedness Incurred under Section 4.04(b)(8) hereof) unless such Restricted Subsidiary (other than an Excluded Subsidiary) is or becomes a Guarantor on the date on which the Guarantee is Incurred and, if applicable, executes and delivers to the Trustee a supplemental indenture in the form attached to this Indenture pursuant to which such Restricted Subsidiary will provide a Note Guarantee, which Guarantee will be senior to or pari passu with such Restricted Subsidiary's Guarantee of such other Indebtedness; *provided*, this covenant will not be applicable to any Guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary.

(b) [*Reserved*].

(c) [*Reserved*].

(d) Note Guarantees existing on or granted after the Issue Date pursuant to this covenant shall be released as set forth under Section 10.06, as applicable. In addition, Note Guarantees existing on or granted after the Issue Date pursuant to Section 4.21(a) may be released at the option of the Issuer, if, at the date of such release, (i) the Indebtedness which required such Note Guarantee has been released or discharged in full, (ii) no Event of Default would arise as a result of such release, and (iii) there is no other Indebtedness of such Guarantor outstanding that was Incurred after the Issue Date and that could not have been Incurred in compliance with this Indenture as of the date Incurred if such Guarantor were not a Guarantor as at that date. Notwithstanding anything in this Indenture to the contrary, the Issuer may elect, in its sole discretion, to cause any Subsidiary that is not otherwise required to be a Guarantor to become a Guarantor and such Note Guarantee may be released at any time in the Issuer's sole discretion. The Trustee and the Notes Security Agent (to the extent action is required by it) shall each take all necessary actions requested by the Issuer, including the granting of releases or waivers under the Intercreditor Agreement or any Additional Intercreditor Agreement, to

effectuate any release of a Note Guarantee in accordance with these provisions, subject to customary protections and indemnifications.

(e) [*Reserved*].

(f) Each additional Note Guarantee will be limited as necessary to recognize certain defenses generally available to guarantors (including those that relate to

fraudulent conveyance or transfer, voidable preference, financial assistance, corporate purpose, thin capitalization, distributable reserves, capital maintenance or similar laws, regulations or defenses affecting the rights of creditors generally) or other considerations under applicable law.

(g) Notwithstanding the foregoing, the Company shall not be obligated to cause an Excluded Subsidiary to provide a Note Guarantee (for so long as such entity is an Excluded Subsidiary), nor to cause any Restricted Subsidiary to provide a Note Guarantee to the extent and for so long as the Incurrence of such Guarantee could reasonably be expected to give rise to or result in: (1) any violation of applicable law or regulation; (2) any liability for the officers, directors or (except in the case of a Restricted Subsidiary that is a partnership) shareholders of such Restricted Subsidiary (or, in the case of a Restricted Subsidiary that is a partnership, directors or shareholders of the partners of such partnership); (3) any cost, expense, liability or obligation (including with respect to any Taxes) other than reasonable out-of-pocket expenses and other than reasonable expenses incurred in connection with any governmental or regulatory filings required as a result of, or any measures pursuant to clause (1) of this paragraph undertaken in connection with, such Guarantee, which in any case under any of clauses (1), (2) and (3) of this Section 4.21(g) cannot be avoided through measures reasonably available to the Company or such Restricted Subsidiary; or (4) such Restricted Subsidiary is prohibited from Incurring such Guarantee by the terms of any Indebtedness of such Restricted Subsidiary that is not prepayable without a prepayment premium (in each case, other than Indebtedness Incurred to provide all or any portion of the funds utilized to consummate the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary); *provided* that this clause (4) applies only for so long as such prepayment premium applies to such Indebtedness.

Section 4.23. *[Reserved].*

Section 4.24. *[Reserved].*

Section 4.25. *[Reserved].*

Section 4.26. *Limited Condition Acquisition and Irrevocable Repayment*

(a) In connection with any action being taken in connection with a Limited Condition Acquisition or Irrevocable Repayment, for purposes of determining compliance with any provision of this Indenture which requires that no Default or Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Company, be deemed satisfied, so long as no Default or Event of Default, as applicable, exists on the date the definitive agreements for such Limited Condition Acquisition or Irrevocable Repayment are entered into. For the avoidance of doubt, if the Company has

exercised its option under the first sentence of this paragraph, and any Default or Event of Default occurs following the date the definitive agreements for the applicable Limited Condition Acquisition or Irrevocable Repayment were entered into and prior to the consummation of such Limited Condition Acquisition or Irrevocable Repayment, any such Default or Event of Default shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Acquisition or Irrevocable Repayment is permitted hereunder.

(b) In connection with any action being taken in connection with a Limited Condition Acquisition or Irrevocable Repayment for purposes of:

(1) determining compliance with any provision of the Indenture which requires the calculation of the Consolidated Net Senior Secured Leverage Ratio or Consolidated Net Leverage Ratio; or

(2) testing baskets set forth in the Indenture (including baskets measured as a percentage of L2QA Pro Forma EBITDA);

in each case, at the option of the Company (the Company's election to exercise such option in connection with any Limited Condition Acquisition or Irrevocable Repayment, an "*LCA Election*"), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements for such Limited Condition Acquisition or Irrevocable Repayment are entered into (the "*LCA Test Date*"). If, after giving pro forma effect to the Limited Condition Acquisition or Irrevocable Repayment and the other transactions to be entered into in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) as if they had occurred at the beginning of the most recent two consecutive fiscal quarters ending prior to the LCA Test Date for which consolidated financial statements of the Company are available, the Company could have taken such action on the relevant LCA Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with.

(c) If the Company has made an LCA Election and any of the ratios or baskets for which compliance was determined or tested as of the LCA Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in L2QA Pro Forma EBITDA of the Company or the Person subject to such Limited Condition Acquisition or Irrevocable Repayment, at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Company has made an LCA Election for any Limited Condition Acquisition or Irrevocable Repayment, then in connection with any subsequent calculation of any ratio or basket availability with respect to the Incurrence of Indebtedness or Liens, the making of Asset Dispositions, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Company, the designation of an Unrestricted Subsidiary or the making of Investments or Restricted Payments on or following the relevant LCA Test Date and prior to the earlier of the date on which such Limited Condition Acquisition or Irrevocable Repayment is consummated or the definitive agreement for such Limited Condition Acquisition or Irrevocable Repayment is terminated or expires without consummation of such Limited Condition Acquisition or Irrevocable Repayment, any such ratio or basket shall be calculated on a pro forma basis

assuming such Limited Condition Acquisition or Irrevocable Repayment and other transactions in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

(b) Notwithstanding Section 5.04(a)(3)(B)(2) (which does not apply to transactions referred to in this sentence), (a) any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to a Guarantor or the Issuer and (b) any Guarantor may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to any other Guarantor or the Issuer. (5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any Restricted Subsidiary (or the payment of which is Guaranteed by the Company or any Restricted Subsidiary) other than Indebtedness owed to the Company or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the Issue Date, which default:

(A) is caused by the failure to pay principal of such Indebtedness at the Stated Maturity thereof (after giving effect to any applicable grace periods provided in such Indebtedness) ("*payment default*"); or

(B) results in the acceleration of such Indebtedness prior to its maturity, and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates $25 million or more;

(7) failure by the Company or any Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary to pay final judgments aggregating in excess of $25 million, exclusive of any amounts that a solvent insurance company has acknowledged liability for, which judgments are not paid, discharged or stayed for a period of 60 days after the judgment becomes final;

(8) any security interest under the Notes Security Documents shall, at any time, cease to be in full force and effect (other than in accordance with the terms of the relevant Notes Security Document, the Intercreditor Agreement, any Additional Intercreditor Agreement and this Indenture) with respect to Notes Collateral having a fair market value in excess of $10 million for any reason other than the satisfaction in full of all obligations under this Indenture or the release of any such security interest in accordance with the terms of this Indenture, the Intercreditor Agreement, any Additional Intercreditor Agreement or the Notes Security Documents or any such security interest created thereunder shall be declared invalid or unenforceable and the Issuer shall assert in writing that any such security interest is invalid or unenforceable and any such Default continues for 10 days; and

(9) any Note Guarantee by the Company or a Subsidiary Guarantor that is a Significant Subsidiary or any group of Subsidiary Guarantors that taken together would constitute a Significant Subsidiary ceases to be in full force and effect (other than in accordance with the terms of such Note Guarantee or this Indenture) or is declared invalid or unenforceable in a judicial proceeding or any Guarantor denies or disaffirms in writing its obligations under its Note Guarantee and any such Default continues for 10 days after the notice specified in this Indenture.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court of any order, rule or regulation of any administrative or governmental body.

(b) A default under clauses (3), (4), (5), (7), (8), or (9) of Section 6.01(a) hereof will not constitute an Event of Default until the Trustee or the Holders of 25% in principal amount of the outstanding Notes under this Indenture notify the Company of the default and, with respect to clauses (3), (4), (5), (7), (8), and (9) of Section 6.01(a) hereof the Company does not cure such default within the time specified in clauses (3), (4), (5), (7), (8), or (9) of Section 6.01(a) hereof, as applicable, after receipt of such notice.

Section 6.02. *Acceleration.*

If an Event of Default described in Section 6.01(a)(6) hereof occurs and is continuing, the principal of, premium, if any, and accrued and unpaid interest on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may and, if directed by Holders of at least 25% in aggregate principal amount of the then outstanding Notes, the Trustee shall, declare all the Notes to be due and payable immediately. The Trustee shall not be deemed

to have notice of any Default or Event of Default (other than a payment default) unless a written notice of any event which is in fact such a default is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

In the event of a declaration of acceleration of the Notes because an Event of Default under Section 6.01(a)(5) has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to Section 6.01(a)(5) shall be remedied or cured, or waived by the holders of the relevant Indebtedness, or the relevant Indebtedness that gave rise to such Event of Default shall have been discharged in full, within 30 days after the declaration of acceleration with respect thereto and if (i) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (ii) all existing Events of Default, except nonpayment of principal, premium or interest on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

Section 6.03. *Other Remedies.*

Subject to Article 11 and Article 12 hereof and to the duties of the Trustee as provided for in Article 7 hereof, if an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

To the extent permitted by the Intercreditor Agreement, the Trustee may direct the Notes Security Agent (subject to being indemnified and/or secured (including by way of pre-funding) to its satisfaction in accordance with the Intercreditor Agreement or the Notes Security Documents, as applicable) to take enforcement action with respect to the Notes Collateral if Event of Default has occurred and is continuing.

Section 6.04. *Waiver of Past Defaults.*

The Holders of a majority in aggregate principal amount of the outstanding Notes under this Indenture by written notice to the Trustee may waive all past or existing Defaults or Events of Default (except with respect to nonpayment of principal, premium, or interest) and rescind any such acceleration with respect to such Notes and its consequences if rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

Section 6.05. *Control by Majority.*

The Holders of a majority in aggregate principal amount of the outstanding Notes are given the right to direct the time, method and place of conducting any proceeding for any remedy

available to the Trustee on behalf of the Holders or of exercising any trust or power conferred on the Trustee on behalf of the Holders. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Subject to Article 7, if an Event of Default occurs and is continuing, prior to taking any action under this Indenture, the Trustee will be entitled to indemnification and/or security (including by way of pre-funding) satisfactory to it from the Holders in its sole discretion against all losses, liabilities and expenses caused by taking or not taking such action.

Section 6.06. *Limitation on Suits.*

(a) Except to enforce the right to receive payment of principal or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(1) such Holder has previously given the Trustee notice that an Event of Default is continuing;

(2) Holders of at least 25% in aggregate principal amount of the outstanding Notes have requested the Trustee to pursue the remedy;

(3) such Holders have offered the Trustee, and the Trustee has received, security and/or indemnity (including by way of pre-funding) reasonably satisfactory to it against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security and/or indemnity; and

(5) the Holders of a majority in aggregate principal amount of the outstanding Notes have not given the Trustee a direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07. *Rights of Holders to Receive Payment.*

Subject to Section 9.02, the right of any Holder to receive payment of principal of and interest on the Notes held by such Holder, on or after the respective due dates expressed or provided for in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08. *Collection Suit by Trustee.*

If an Event of Default specified in Sections 6.01(a)(1) or 6.01(a)(2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Notes for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.07 hereof.

Section 6.09. *Trustee May File Proofs of Claim.*

Subject to the Intercreditor Agreement, the Trustee may file such proofs of claim and other papers or documents and take such actions as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agent and counsel and any other amounts due to the Trustee under Section 7.07) and the Holders allowed in any judicial proceedings relative to the Issuer, their creditors or their property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee and the Agents under Section 7.07 hereof.

Section 6.10. *Priorities.*

If the Trustee or the Notes Security Agent collects any money or property pursuant to this Article 6, it shall, subject to the terms of the Intercreditor Agreement, pay out the money or property in the following order:

FIRST: to the Trustee, the Agents and the Notes Security Agent for amounts due under Section 7.02 and Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Notes for principal and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest, respectively; and

THIRD: to the Issuer or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Trustee shall mail to each Holder and the Issuer a notice that states the record date, the payment date and amount to be paid.

Section 6.11. *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee or the Notes Security Agent for any action taken or omitted by it as the Trustee or the Notes Security Agent, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including properly incurred attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, the Notes Security Agent or a Paying Agent, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Notes then outstanding.

Section 6.12. *Waiver of Stay or Extension Laws.*

The Issuer (to the extent it may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

Section 6.13. *Restoration of Rights and Remedies.*

If the Trustee or the Notes Security Agent or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or the Notes Security Agent or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, any Guarantor, the Trustee, the Notes Security Agent and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee, the Notes Security Agent and the Holders shall continue as though no such proceeding had been instituted.

Section 6.14. *Rights and Remedies Cumulative.*

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07 hereof, no right or remedy herein conferred upon or reserved to the Trustee, or the Notes Security Agent or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.15. *Delay or Omission Not Waiver.*

No delay or omission of the Trustee, or the Notes Security Agent or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee, the Notes Security Agent or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee, the Notes Security Agent or by the Holders, as the case may be.

ARTICLE 7
TRUSTEE

Section 7.01. *Duties of Trustee.*

(a) In the event an Event of Default has occurred and is continuing of which a Responsible Officer of the Trustee has been notified in accordance with the provisions of this

Indenture, the Trustee will exercise such of the rights and powers vested in it under this Indenture and use the same degree of care that a prudent Person would use in the conduct of its own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; *provided*, that to the extent the duties of the Trustee under this Indenture and the Notes may be qualified, limited or otherwise affected by the provisions of the Intercreditor Agreement, the Trustee shall be required to perform those duties only as so qualified, limited or affected, and shall be held harmless and shall not incur any liability of any kind for so acting; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein) and shall be entitled to seek advice from legal counsel in relation thereto.

(c) The Trustee may not be relieved from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

(1) this Section 7.01(c) does not limit the effect of Section 7.01(a);

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer unless it is proved that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 7.02, Section 7.03 or Section 7.05;

(d) The Trustee shall not be deemed to have notice or any actual knowledge of any matter (including, without limitation, Defaults or Events of Default) unless written notice thereof is received by the Trustee in accordance with this Indenture and such notice clearly references the Notes, the Issuer or this Indenture.

(e) Every provision of this Indenture that in any way relates to the Trustee is subject to Section 7.01(a), Section 7.01(b), Section 7.01(c) and Section 7.01(f).

(f) No provision of this Indenture, the Intercreditor Agreement or the Notes Security Documents shall require the Trustee to expend or risk its own funds or otherwise incur liability in the performance of any of its duties hereunder or under the Intercreditor Agreement or Notes Security Documents or to take or omit to take any action under this Indenture or under the Intercreditor Agreement or Notes Security Documents or take any action at the request or

direction of Holders if it has grounds for believing that repayment of such funds is not assured to it or it does not receive an agreement in writing from the Holders for full indemnity and/or security satisfactory to it in its discretion against any loss, liability or expense which might be incurred by it in compliance with such request or direction nor shall the Trustee be required to do anything which is illegal or contrary to applicable laws, this Indenture, the Intercreditor Agreement or the Notes Security Documents. The Trustee will not be liable to the Holders if prevented or delayed in performing any of its obligations or discretionary functions under this Indenture by reason of any present or future law applicable to it, by any governmental or regulatory authority or by any circumstances beyond its control. No provision of this Indenture or of the Notes Security Documents shall require the Trustee to indemnify the Notes Security Agent, and the Notes Security Agent waives any claim it may otherwise have by operation of law in any jurisdiction to be indemnified by the Trustee.

(g) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer.

(h) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(i) The Trustee will (save as expressly otherwise provided herein) have absolute and uncontrolled discretion as to the exercise or non-exercise of its functions and will not be responsible for any loss, liability, cost, claim, action, demand, expense or inconvenience which may result from their exercise or non-exercise but, whenever the Trustee is under the provisions of this Indenture or the Notes bound to act at the request or direction of the Holders, the Trustee shall nevertheless not be so bound unless first indemnified and/or secured (including by way of pre-funding) to its satisfaction against all actions, proceedings, claims and demands to which it may render itself liable and all costs, charges, damages, expenses and liabilities which it may incur by so doing.

Section 7.02. *Rights of Trustee.*

(a) The Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion, based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction or, to the extent applicable, the State of New York. Furthermore, the Trustee may also refrain from taking such action if such action would otherwise render it liable to any person in that jurisdiction, the State of New York or if, in its opinion based upon such legal advice, it would not have the power to do the relevant thing in that jurisdiction by virtue of any applicable law in that jurisdiction, in the State of New York or if it is determined by any court or other competent authority in that jurisdiction, in the State of New York that it does not have such power.

(b) The Trustee may conclusively rely and shall be fully protected in acting or refraining to act based upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(c) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel.

(d) The Trustee may act through attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(e) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture or the Intercreditor Agreement; *provided*, *however*, that the Trustee's conduct does not constitute willful misconduct or gross negligence.

(f) The Trustee may retain professional advisers to assist it in performing its duties under this Indenture, the Intercreditor Agreement or any Additional Intercreditor Agreement. The Trustee may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any Officer's Certificate, Opinion of Counsel, or any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, appraisal, bond, debenture, note, coupon, security other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if

the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer.

(h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture or the Intercreditor Agreement, unless such Holders shall have offered to the Trustee indemnity and/or other security (including by way of pre-funding) satisfactory to the Trustee against the costs, expenses and liabilities which may be incurred by it in compliance with such request, order or direction.

(i) In the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders, each representing less than the requisite majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture (as qualified, limited or otherwise affected by the provisions of the Intercreditor Agreement), the Trustee, in its sole discretion, may determine what action, if any, shall be taken and shall be held harmless and shall not incur any liability for its failure to act until such inconsistency or conflict is, in its opinion, resolved, and absent willful misconduct or gross negligence, the Trustee shall not be liable for acting in good faith on instructions believed by them to be genuine and from the proper party.

(j) Delivery of reports, information and documents to the Trustee under Section 4.10 hereof is for informational purposes only and the Trustee's receipt of the foregoing shall not

constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

(k) The Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(l) The Trustee shall have no duty to inquire as to the performance of the covenants of the Issuer and/or its Restricted Subsidiaries in this Indenture and shall be entitled to assume that the Issuer, the Guarantors and any Restricted Subsidiaries are in compliance with the terms of this Indenture.

(m) The Trustee shall not have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum denominations imposed under this Indenture or under applicable law or regulation with respect to any transfer, exchange, redemption, purchase or repurchase, as applicable, of any interest in any Notes, but may at its sole discretion, choose to do so.

(n) If any Guarantor is substituted to make payments on behalf of the Issuer pursuant to Article 10 hereof, the Issuer shall promptly notify the Trustee of such substitution.

(o) The rights, privileges, protections, immunities and benefits given to the Trustee, including without limitation its right to be indemnified and/or secured (including by way of pre-funding) to its satisfaction, are extended to, and shall be enforceable by the Trustee in each of its capacities hereunder, under the Intercreditor Agreement, any Additional Intercreditor Agreements and the Notes Security Documents, and by each agent in their various capacities hereunder, the Agents and the Notes Security Agent, any custodian and any other Person employed to act as agent hereunder. The Trustee, each Agent and the Notes Security Agent shall not be liable for acting in good faith on instructions believed by it to be genuine and from the proper party.

(p) The Trustee shall not be required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture.

(q) At any time that the security granted pursuant to the Notes Security Documents has become enforceable and the Holders have given a direction to the Trustee to enforce such security, the Trustee is not required to give any direction to the Notes Security Agent with respect thereto unless it has been indemnified and/or secured (including by way of pre-funding) to its satisfaction in accordance with Section 7.01(f) hereof. In any event, in connection with any enforcement of such security, the Trustee is not responsible for:

(1) any failure of the Notes Security Agent to enforce such security within a reasonable time or at all;

(2) any failure of the Notes Security Agent to pay over the proceeds of enforcement of the Security;

(3) any failure of the Notes Security Agent to realize such security for the best price obtainable;

(4) monitoring the activities of the Notes Security Agent in relation to such enforcement;

(5) taking any enforcement action itself in relation to such security;

(6) agreeing to any proposed course of action by the Notes Security Agent which could result in the Trustee incurring any liability for its own account; or

(7) paying any fees, costs or expenses of the Notes Security Agent.

(r) The permissive rights of the Trustee to take the actions permitted by this Indenture will not be construed as an obligation or duty to do so.

(s) Anything in this Indenture to the contrary notwithstanding, in no event shall the Trustee be liable for punitive, special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to loss of business, goodwill, opportunity or profits of any kind) of the Issuer, any Guarantor, any Restricted Subsidiary or any other person, even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(t) Except with respect to Section 4.01 hereof, and provided it or an affiliate of it is acting as the Paying Agent, the Trustee shall have no duty to inquire as to the performance of the Issuer with respect to the covenants contained in Article 4 hereof. The Trustee may assume without inquiry in the absence of written notice to the contrary that the Issuer is duly complying with its obligations contained in this Indenture required to be performed and observed by it, and that no Default or Event of Default or other event which would require repayment of the Notes has occurred.

(u) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of, or caused by, directly or indirectly, forces beyond its control, including, without limitation, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God; it being understood that the Trustee shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as

practicable under the circumstances.

(v) The Trustee may request that the Issuer deliver an Officer's Certificate setting forth the names of the individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(w) The Trustee may, in the execution and exercise of all or any of the trusts, powers, authorities and discretions vested in it by this Indenture, delegate to any person or persons all or any of the trusts, powers, authorities and discretions vested in it by this Indenture and any such delegation may be made upon such terms and conditions and subject to such regulations as the Trustee may think fit. The Trustee shall not be under any obligation to supervise the activities of such delegates and shall not be responsible for the misconduct or negligence of such delegates, or for any costs, expenses, losses or liabilities of, or caused by, such delegates, *provided* that such delegation has been made with reasonable care.

(x) No provision of this Indenture shall require the Trustee to do anything which, in its opinion, may be illegal or contrary to applicable law or regulation.

(y) The Trustee and the Paying Agent shall be entitled to make payments net of any taxes or other sums required by any applicable law to be withheld or deducted.

Section 7.03. *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer, its Subsidiaries or their respective Affiliates with the same rights it would have if it were not Trustee. For the avoidance of doubt, any Paying Agent, Transfer Agent or Registrar and the Notes Security Agent may do the same with like rights.

Section 7.04. *Trustee's Disclaimer.*

The Trustee shall not be responsible for and makes no representation as to the validity, effectiveness, correctness or adequacy of this Indenture, the offering materials related to this Indenture or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, and it shall not be responsible for any statement of the Issuer in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication. The Trustee shall not be charged with knowledge of the identity of any Significant Subsidiary unless either (a) a Responsible Officer shall have actual knowledge thereof or (b) the Trustee shall have received notice thereof in accordance with Section 12.01 hereof from the Issuer or any Holder.

Section 7.05. *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and a Responsible Officer of the Trustee is informed of such occurrence by the Issuer, the Trustee must give notice of the Default to the Holders within 60 days after being notified by the Issuer. Except in the case of a Default in the payment of principal of, or premium, if any, or interest on any Note, the Trustee may withhold notice if and so long as a Responsible Officer of the Trustee in good faith determines that withholding notice is in the interests of the Holders.

Section 7.06. *[Reserved].*

Section 7.07. *Compensation and Indemnity.*

The Issuer, or, upon the failure of the Issuer to pay, each Guarantor, jointly and severally, shall pay to the Trustee and the Agents from time to time such compensation as the Issuer and Trustee or the Agents, as applicable, may from time to time agree in writing for its acceptance of this Indenture and services hereunder and under the Notes. The Trustee's and the Agents' compensation shall not be limited by any law on compensation of a trustee of an express trust.

In the event of the occurrence of an Event of Default or the Trustee considering it expedient or necessary or being requested by the Issuer to undertake duties which the Trustee and the Issuer agree to be of an exceptional nature or otherwise outside the scope of the normal duties of the Trustee, the Issuer shall pay to the Trustee such additional remuneration as shall be agreed between them.

The Issuer and each Guarantor, jointly and severally, shall reimburse the Trustee and the Agents promptly upon request for all properly incurred disbursements, advances and expenses incurred or made by it (as evidenced in an invoice from the Trustee or the Agents, as applicable), including costs of collection, in addition to the compensation for its services. Such expenses shall include the properly incurred compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuer and each Guarantor, jointly and severally shall indemnify the Trustee, the Agents and their respective officers, directors, agents and employers against any and all loss, liability, taxes or expenses (including properly incurred attorneys' fees) incurred by or in connection with the acceptance or administration of its duties under this Indenture and the Notes including the costs and expenses of enforcing this Indenture against the Issuer (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuer or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, under the Intercreditor Agreement, any Additional Intercreditor Agreement or the Notes Security Documents, as the case may be.

The Trustee shall notify the Issuer of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; *provided*, *however*, that any failure to so notify the Issuer shall not relieve the Issuer or any Guarantor of its indemnity obligations hereunder, under the Intercreditor Agreement, any Additional Intercreditor Agreement or any Notes Security Documents, as the case may be. Except in cases where the interests of the Issuer and the Trustee may be adverse, the Issuer shall defend the claim and the indemnified party shall provide reasonable cooperation at the Issuer's and any Guarantor's expense in the defense. In cases where the interests of the Issuer and the Trustee are adverse, (i) such indemnified party may, in its sole discretion, assume the defense of the claim against it and the Issuer and any Guarantor shall, jointly and severally, pay the properly incurred fees and expenses of the indemnified party's defense (as evidenced in an invoice from the Trustee) and (ii) such indemnified parties may have separate counsel of their choosing and the Issuer and any Guarantor, jointly and severally, shall pay the properly incurred fees and expenses of such counsel (as evidenced in an invoice from the Trustee). The Issuer need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. The Issuer need not

reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct, gross negligence or

fraud.

To secure the Issuer's and any Guarantor's payment obligations in this Section 7.07, the Trustee, the Notes Security Agent and the Agents have a Lien senior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Issuer's and any Guarantor's payment obligations pursuant to this Section 7.07 and any lien arising thereunder shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any Bankruptcy Law or the resignation or removal of the Trustee, the Notes Security Agent and the Agents. Without prejudice to any other rights available to the Trustee, the Notes Security Agent and the Agents under applicable law, when the Trustee, the Notes

Security Agent and the Agents incur expenses (including the fees and expenses of counsel) after the occurrence of a Default specified in Section 6.01(a)(6) hereof with respect to the Issuer, the expenses are intended to constitute expenses of administration under any Bankruptcy Law.

For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Trustee in this Section 7.07, including its right to be indemnified, are extended to, and shall be enforceable by the Trustee in each of its capacities hereunder, under the Intercreditor Agreement and any Additional Intercreditor Agreement and by each agent (including the Agents) and the Notes Security Agent, any custodian and any other Person employed with due care to act as agent hereunder.

Section 7.08. *Replacement of Trustee.*

(a) The Trustee may resign at any time by so notifying the Issuer in writing. The Holders of a majority in principal amount of the Notes then outstanding may remove the Trustee by so notifying the Trustee and the Issuer in writing and may appoint a successor Trustee. The Issuer shall be entitled to remove the Trustee and any Holder who has been a bona fide Holder for not less than six months may petition any court for removal of the Trustee and appointment of a successor Trustee, if:

(1) the Trustee, in its capacity as such, has or acquires a conflict of interest that is not eliminated;

(2) the Trustee is adjudged bankrupt or insolvent;

(3) a receiver or other public officer takes charge of the Trustee or its property; or

(4) the Trustee otherwise becomes incapable of acting as Trustee hereunder.

(b) If the Trustee resigns, is removed pursuant to Section 7.08(a) hereof or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee.

(c) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, *provided* that all sums owing to the Trustee hereunder have been paid and subject to the lien provided for in this Section 7.07 hereof. For the avoidance of doubt, any removal or resignation of the Trustee pursuant to this Section 7.07 shall not become effective until the acceptance of the appointment by the successor Trustee.

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, (i) the retiring Trustee or the Holders of 10% in principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor trustee, or (ii) the retiring Trustee may appoint a successor trustee at any time prior to the date on which a successor Trustee takes office; *provided* that such appointment is reasonably satisfactory to, and at the joint and several cost and expense of, the Issuer and Guarantors.

(e) Notwithstanding the replacement of the Trustee pursuant to this Section, the Issuer's obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

(f) For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Trustee in this Article 7, including its right to be indemnified, are extended to, and shall be enforceable by each Agent employed to act hereunder and the Notes Security Agent.

Section 7.09. *Successor Trustee by Merger.*

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee or its Authenticating Agent may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

Section 7.10. *[Reserved].*

Section 7.11. *Certain Provisions.*

Each Holder by accepting a Note authorizes and directs on his or her behalf the Trustee to enter into and to take such actions and to make such acknowledgements as are set forth in this Indenture and the Intercreditor Agreement or other documents entered into in connection therewith.

The Trustee shall not be responsible for the legality, validity, effectiveness, suitability, adequacy or enforceability of the Notes Security Documents or any obligation or rights created or purported to be created thereby or pursuant thereto or any security or the priority thereof constituted or purported to be constituted thereby or pursuant thereto, nor shall it be responsible or liable to any person because of any invalidity of any provision of such documents or the unenforceability thereof, whether arising from statute, law or decision of any court. The Trustee shall be under no obligation to monitor or supervise the functions of the Notes Security Agent under the Notes Security Documents and shall be entitled to assume that the Notes Security Agent is properly performing its functions and obligations thereunder and the Trustee shall not be responsible for any diminution in the value of or loss occasioned to the assets subject thereto by reason of the act or omission by the Notes Security Agent in relation to its functions thereunder. The Trustee shall have no responsibility whatsoever to the Issuer, any Guarantor or any Holder as regards any deficiency which might arise because the Trustee is subject to any tax in respect of the Notes Security Documents, the security created thereby or any part thereof or any income therefrom or any proceeds thereof.

Section 7.12. *Resignation of Agents.*

(a) Any Agent may resign its appointment hereunder at any time without the need to give any reason and without being responsible for any costs associated therewith by giving notice to the Issuer and the Trustee (and in the case of resignation of the Paying Agent the Paying Agent giving 30 days' written notice) (waivable by the Issuer and the Trustee), provided that in the case of resignation of the Paying Agent no such resignation shall take effect until a new Paying Agent shall have been appointed by the Issuer to exercise the powers and undertake the duties hereby conferred and imposed upon the Paying Agent. Following receipt of a notice of resignation from any Agent, the Issuer shall promptly give notice thereof to the Holders in accordance with Section 12.01 Such notice shall expire at least 30 days before or after any due date for payment in respect of the Notes.

(b) If any Agent gives notice of its resignation in accordance with this Section 7.12 and a replacement Agent is required and by the tenth day before the expiration of such notice such replacement has not been duly appointed, such Agent may itself appoint as its replacement any reputable and experienced financial institution or may petition a court of competent jurisdiction, with costs and expenses properly incurred by the Agent in relation to such petition to be paid by the Issuer. Immediately following such appointment, the Issuer shall give notice of such appointment to the Trustee, the remaining Agents and the Holders whereupon the Issuer, the Trustee, the remaining Agents and the replacement Agent shall acquire and become subject

to the same rights and obligations between themselves as if they had entered into an agreement in the form *mutatis mutandis* of this Indenture.

(c) Upon its resignation becoming effective the Paying Agent shall forthwith transfer all moneys held by it hereunder, if any, to the successor Paying Agent or, if none, the Trustee or to the Trustee's order, but shall have no other duties or responsibilities hereunder, and shall be entitled to the payment by the Issuer of its remuneration for the services previously rendered hereunder and to the reimbursement of all reasonable expenses (including legal fees) incurred in connection therewith.

ARTICLE 8
DISCHARGE OF INDENTURE; DEFEASANCE

Section 8.01. *Discharge of Liability on Notes; Defeasance.*

(a) This Indenture, and the rights of the Trustee and the Holders under the Intercreditor Agreement, any Additional Intercreditor Agreement and the Notes Security Documents will be discharged and cease to be of further effect (except as to surviving rights of conversion or transfer or exchange of the Notes, as expressly provided for in this Indenture) as to all outstanding Notes when (1) either (a) all the Notes previously authenticated and delivered (other than certain lost, stolen or destroyed Notes, and certain Notes for which provision for payment was previously made and thereafter the funds have been released to the Issuer) have been delivered to the Paying Agent for cancellation; or (b) all Notes not previously delivered to the Paying Agent for cancellation (i) have become due and payable, (ii) will become due and payable at their Stated Maturity within one year or (iii) are to be called for redemption within one year under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer; (2) the Issuer has irrevocably deposited or caused to be deposited with the Trustee (or an entity designated or appointed as agent by it for this purpose), cash in dollars or dollar-denominated U.S. Government Obligations or a combination thereof, in an amount sufficient to pay and discharge the entire Indebtedness on the Notes not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest to the date of deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or redemption date, as the case may be; (3) the Issuer has paid or caused to be paid all other sums payable under this Indenture; (4) the Issuer has delivered irrevocable instructions under this Indenture to apply the deposited money toward payment of the Notes at maturity or on the redemption date, as the case may be; and (5) the Issuer has delivered to the Trustee an Officer's Certificate to the effect that all conditions precedent under this Section 8.01 relating to the satisfaction and discharge of this Indenture have been complied with.

(b) Subject to Section 8.01(c) and Section 8.02, the Issuer at any time may terminate (i) all of its obligations and all obligations of each Guarantor under the Notes, any Note Guarantees and this Indenture ("*legal defeasance option*") and cure all then existing Defaults and Events of Default or (ii) its obligations under the covenants in Article 4 and Article 5 hereof (other than Section 4.01, Section 5.03(a)(1) and (2)) and the default provisions relating to such covenants in Section 6.01(a)(3) (other than with respect to Section 5.03(a)(1) and (2)) and 6.01(a)(4), the operation of Sections 6.01(a)(5)(A) and Section 6.01(a)(5)(B), Section 6.01(a)(6)

with respect to the Company and Significant Subsidiaries, Section 6.01(a)(7), Section 6.01(a)(8) and Section 6.01(a)(9) ("*covenant defeasance option*"). The Issuer at its option at any time may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. In the event that the Issuer terminates all of its obligations under the Notes and this Indenture by exercising its legal defeasance option, the obligations under any Guarantees shall each be terminated simultaneously with the termination of such obligations.

If the Issuer exercises its legal defeasance option, the Notes Security Documents and the rights of the Trustee and the Holders under the Intercreditor Agreement or any Additional Intercreditor Agreement in effect at such time will terminate (other than with respect to the defeasance trust).

If the Issuer exercises its legal defeasance option or its covenant defeasance option, the Notes Collateral will be released and each Guarantor will be released from all its obligations under its Guarantee.

Upon satisfaction of the conditions set forth herein and upon request of the Issuer, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuer terminates.

If the Issuer exercises its legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default with respect to such Notes. If the Issuer exercises its covenant defeasance option with respect to the Notes, payment of the Notes may not be accelerated because of an Event of Default specified in Sections 6.01(a)(3) (other than with respect to Section 5.03(a)(1) and (2) and Section 5.04(a)(B)(1) and (2)), 6.01(a)(4), 6.01(a)(5), 6.01(a)(6), 6.01(a)(7), 6.01(a)(8) or 6.01(a)(9).

(c) Notwithstanding Section 8.01(a) and Section 8.01(b), the Issuer's and any Guarantors' obligations in Sections 2.03, Section 2.04, Section 2.05, Section 2.06, Section 2.07, Section 2.08, Section 2.09, Section 2.10, Section 2.11, Article 7, this Article 8 and Section 11.06, as applicable, shall survive until the Notes have been paid in full. Thereafter, the Issuer's and any Guarantors' obligations in Section 7.07, Section 8.05, Section 8.06 and Section 11.06, as applicable, shall survive.

Section 8.02. *Conditions to Defeasance.*

(a) The Issuer may exercise its legal defeasance option or its covenant defeasance option only if the Issuer has irrevocably deposited in trust (the "*defeasance trust*") with the Trustee (or an entity designated or appointed as agent by it for this purpose) cash in dollars or dollar-denominated U.S. Government Obligations or a combination thereof for the payment of principal, premium, if any, and interest on the Notes to redemption or maturity, as the case may be, and has delivered to the Trustee:

(1) an Opinion of Counsel (subject to customary exceptions and exclusions) from United States counsel to the effect that Holders or beneficial owners of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amount and in the same manner and at the same times as would have been the case if

such deposit and defeasance had not occurred (and in the case of legal defeasance only, such Opinion of Counsel from United States counsel must be based on a ruling of the U.S. Internal Revenue Service or other change in applicable U.S. federal income tax law);

(2) an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying, defrauding or preferring any creditors of the Issuer;

(3) an Officer's Certificate stating that all conditions precedent provided for or relating to legal defeasance or covenant defeasance, as the case may be, have been complied with; and

(4) an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the U.S. Investment Company Act of 1940, as amended.

(b) Before or after a deposit, the Issuer may make arrangements satisfactory to the Trustee for the redemption of Notes at a future date in accordance with Article 3.

Section 8.03. *Application of Trust Money.*

The Trustee (or an entity appointed or designated (as agent) by it for this purpose) shall hold in trust money, U.S. Government Obligations for the payment of principal, premium, if any, and interest deposited with it pursuant to this Article 8. It shall apply the deposited money and the money from the U.S. Government Obligations through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes.

Section 8.04. *Repayment to Issuer.*

The Trustee and the Paying Agent shall promptly turn over to the Issuer upon request any money, U.S. Government Obligations held by it as provided in this Article 8 which, in the written opinion of an internationally recognized firm of independent public accountants delivered to the Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent discharge or defeasance in accordance with this Article 8.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Issuer upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuer for payment as general creditors, and the Trustee and the Paying Agent shall have no further liability with respect to such monies.

Section 8.05. *Indemnity for Government Obligations.*

The Issuer and any Guarantor, jointly and severally, shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government

Obligations.

Section 8.06. *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any money, U.S. Government Obligations in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or Paying Agent is permitted to apply all such money, U.S. Government Obligations in accordance with this Article 8; *provided*, *however*, that if the Issuer has made any payment of principal of or interest on any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money, U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENTS AND WAIVERS

Section 9.01. *Without Consent of Holders.*

(a) Without the consent of any Holder, the Issuer, the Trustee, the Notes Security Agent and the other parties thereto, as applicable, may amend or supplement any Notes Documents to:

(1) cure any ambiguity, omission, defect, error or inconsistency;

(2) provide for the assumption by a successor Person of the obligations of the Issuer or any Guarantor under any Notes Document;

(3) add to the covenants or provide for a Guarantee for the benefit of the Holders or surrender any right or power conferred upon the Company or any Restricted Subsidiary;

(4) make any change that would provide additional rights or benefits to the Trustee or the Holders or does not adversely affect the rights or benefits to the Trustee or any of the Holders in any material respect under the Notes Documents;

(5) make such provisions as necessary (as determined in good faith by the Issuer) for the issuance of Additional Notes Incurred in accordance with the terms of this Indenture;

(6) provide for the Company or a Restricted Subsidiary to provide a Note Guarantee in accordance with this Indenture, to add Guarantees with respect to the Notes (including any provisions relating to the release or limitations of such Additional Guarantees), to add security to or for the benefit of the Notes, or to effectuate or confirm and evidence the release, termination, discharge or retaking of any Note Guarantee or Lien (including the Notes Collateral and the Notes Security Documents) or any amendment in respect thereof with respect to or securing the Notes when such release,

termination, discharge or retaking or amendment is provided for under this Indenture, the Notes Security Documents, the Intercreditor Agreement or any Additional Intercreditor Agreement;

(7) conform the text of this Indenture, the Note Guarantees, the Notes Security Documents, or the Notes to any provision of the section of the Offering Memorandum entitled "Description of Notes" to the extent that such provision in the section of the Offering Memorandum entitled "Description of Notes" was intended to be a *verbatim* recitation of a provision of this Indenture, a Note Guarantee, the Notes Security Documents or the Notes;

(8) evidence and provide for the acceptance and appointment under this Indenture, the Notes Security Documents, the Intercreditor Agreement or any Additional Intercreditor Agreement, as applicable, of a successor Trustee or Notes Security Agent pursuant to the requirements thereof or to provide for the accession by the Trustee or Notes Security Agent to any Notes Document;

(9) as provided in Section 4.13 hereof;

(10) make such provisions as necessary (as determined in good faith by the Issuer) for the implementation of the Automatic Exchange Transaction; or

(11) make any change required to implement the Reorganization Transactions or any transactions or actions in connection thereto, or make any change to the Reorganization Transactions that does not adversely affect the rights or benefits to the Trustee or any of the Holders in any material respect under the Notes Documents.

(b) In formulating its decision on the matters described in Section 9.01(a) hereof, the Trustee shall be entitled to require and rely absolutely on such evidence as it deems necessary, including Officer's Certificates and Opinions of Counsel.

(c) For the purpose of calculating the aggregate principal amount of Notes that have consented to or voted in favor of any amendment, supplement or waiver, the principal amount of any Note shall be as of the Issue Date.

Section 9.02. *With Consent of Holders.*

(a) The Issuer, the Notes Security Agent, the Trustee and the other parties thereto, as applicable, may amend, supplement or otherwise modify the Notes Documents with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and unless otherwise provided for in this Indenture, any default or compliance with any provisions thereof may be waived with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). However, without the consent of each Holder of Notes affected (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), an amendment, supplement or waiver may not:

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, waiver, supplement or modification;

(2) reduce the stated rate of or extend the stated time for payment of interest on any Note (other than, for the avoidance of doubt, any payment pursuant to a Change of Control Offer or pursuant to the provisions of Section 4.08 hereof);

(3) reduce the principal of, or extend the Stated Maturity of, any Note;

(4) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed, in each case under Section 3.07 hereof (other than, for the avoidance of doubt, any payment pursuant to a Change of Control Offer or pursuant to the provisions of Section 4.08 hereof);

(5) make any Note payable in money other than that stated in the Note (except to the extent the currency stated in the Notes has been succeeded or replaced pursuant to applicable law);

(6) impair the right of any Holder to receive payment of principal of and interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any such payment on or with respect to such Holder's Notes (it being understood that this clause (6) will not apply to a Change of Control Offer or the provisions of Section 4.08 hereof except to the extent payments thereunder are at such time due and payable);

(7) [*Reserved*];

(8) [*Reserved*];

(9) [*Reserved*];

(10) waive a Default or Event of Default with respect to the nonpayment of principal, premium or interest on the Notes (except pursuant to a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of such Notes and a waiver of the payment default that resulted from such acceleration); or

(11) make any change in the amendment or waiver provisions which require the Holders' consent described in this Section 9.02(a).

(b) In addition, without the consent of at least 75% in aggregate principal amount of Notes then outstanding, no amendment, supplement or waiver may: (1) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms this Indenture and the Intercreditor Agreement; or (2) release any of the security interests granted for the benefit of the Holders in the Notes Collateral (to the extent any Notes Collateral so released in any transactions or series of transactions has a fair market value in excess of $25 million) other than in accordance with the terms of, as applicable, the Notes

Security Documents, the Intercreditor Agreement, any applicable Additional Intercreditor Agreement, and this Indenture, as applicable.

(c) In formulating its decision on the matters described in (a) hereof, the Trustee shall be entitled to require and rely absolutely on such evidence as it deems necessary, including Officer's Certificates and Opinions of Counsel.

(d) For the purpose of calculating the aggregate principal amount of Notes that have consented to or voted in favor of any amendment, supplement or waiver, the principal amount of any Note shall be as of the Issue Date.

(e) The consent of the Holders is not necessary under this Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment. A consent to any amendment or waiver under this Indenture by any Holder of Notes given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.

(f) After an amendment under this Section 9.02 becomes effective, in the case of Holders of Definitive Notes, the Issuer shall mail to the Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

(g) The Notes issued on the Issue Date, and any Additional Notes, will be treated as a single class for all purposes under this Indenture, including with respect to waivers and amendments, except as otherwise stated in this Section 9.02. However, in order for any Additional Notes to have the same CUSIP number and ISIN as the Notes, such Additional Notes must be fungible with the Notes for U.S. federal income tax purposes.

Section 9.03. *Revocation and Effect of Consents and Waivers.*

(a) A written consent to an amendment or a waiver by a Holder shall bind the Holder and every subsequent Holder of that Note or portion of the Notes that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Issuer or the Trustee of the requisite number of consents, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuer and the Trustee.

(b) The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their written consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding Section 9.03(a) hereof, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such

Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

Section 9.04. *Notation on or Exchange of Notes.*

If an amendment, modification or supplement changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Note shall issue and the Trustee or an Authenticating Agent shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment, modification or supplement.

Section 9.05. *Trustee and Notes Security Agent to Sign Amendments.*

The Trustee and the Notes Security Agent shall sign any amendment authorized pursuant to this Article 9 if the amendment does not impose any personal obligations on the Trustee or the Notes Security Agent or adversely affect the rights, duties, liabilities or immunities of the Trustee and the Notes Security Agent under this Indenture, the Notes Security Documents and the Intercreditor Agreement, as applicable. If it does, the Trustee or the Notes Security Agent may, but need not, sign it. In signing such amendment the Trustee and the Notes Security Agent shall be entitled to receive an indemnity and/or security satisfactory to it and to receive, and (subject to Section 7.01 and Section 7.02(o)) shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel stating that such amendment complies with this Indenture and that such amendment has been duly authorized, executed and delivered and is the legally valid and binding obligation of the Issuer and the Guarantors (if any) enforceable against them in accordance with its terms, subject to customary exceptions. Subject to this Section 9.05 and the terms of the Intercreditor Agreement, the Notes Security Agent shall at the direction of the Trustee sign amendments to this Indenture.

Notwithstanding the foregoing and Section 12.02(b) hereof, no Opinion of Counsel will be required for the Trustee to execute any amendment or supplement adding a new Guarantee of the Notes under this Indenture; *provided that* the execution thereof shall be deemed a representation by such Guarantor(s) that (i) all conditions precedent and covenants, if any, relating to the execution of such supplemental indenture have been satisfied, (ii) that such executed supplemental indenture is substantially in the form attached as Exhibit D hereto (subject to the inclusion of any additional limitations under applicable laws on the obligations of such Guarantor under its Note Guarantee) and (iii) such supplemental indenture is enforceable in accordance with its terms subject to (A) bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and similar laws affecting the rights and remedies of creditors generally and (B) general principles of equity.

For the avoidance of doubt, an Officer's Certificate (which the Trustee will be fully protected in relying upon and upon which the Trustee shall be entitled to rely without further enquiry or investigation) will be required for the Trustee to execute any amendment or supplement adding a new Guarantee of the Notes under this Indenture.

ARTICLE 10
NOTE GUARANTEES

Section 10.01. *Note Guarantees.*

(a) Subject to this Article 10, each of the Guarantors hereby, as primary obligor and not merely as a surety, jointly and severally, unconditionally and on a senior basis guarantees to each Holder authenticated and delivered by the Trustee (or the Authenticating Agent), to the Trustee and its successors and assigns and to the Notes Security Agent (on behalf of and for the benefit of the Holders, for the purpose of this Article 10, and not in its individual capacity, but solely in its role as representative of the Holders in holding and enforcing the Notes Collateral and the Notes Security Documents), irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that:

(1) the principal of, and premium, if any, and interest on, the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest, and premium, if any, on the Notes (to the extent permitted by law) and all other obligations of the Issuer to the Holders or the Trustee or the Notes Security Agent hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) Each Guarantor hereby agrees that its obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action or any delay or omission to assert any claim or to demand or enforce any remedy hereunder or thereunder, any waiver, surrender, release or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor (other than payment in full of all the Obligations of the Issuer hereunder and under the Notes). Each Guarantor hereby waives, to the fullest extent permitted by law, diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that this Note Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture or by release in accordance with the provisions of this Indenture.

(c) If any Holder, the Trustee, or the Notes Security Agent is required by any court or otherwise to return to or for the benefit of the Issuer, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid by either the Issuer or the Guarantors to the Trustee, the Notes Security Agent, or such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Until terminated in accordance with Section 10.06 hereof, each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each 124 Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders, the Notes Security Agent, and the Trustee, on the other hand,

(1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and

(2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

(e) Each Guarantor also agrees to pay any and all costs and expenses (including attorneys' fees and expenses) incurred by the Trustee or the Notes Security Agent in enforcing any rights under this Section 10.01.

(f) Each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation, reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 10.02. *Successors and Assigns.*

This Article 10 shall be binding upon each Guarantor and its successors and assigns and

shall inure to the benefit of the successors and assigns of the Trustee, the Notes Security Agent and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

Section 10.03. *No Waiver.*

Neither a failure nor a delay on the part of the Notes Security Agent, the Trustee or the Holders in exercising any right, power or privilege under this Article 10 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Notes Security Agent the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 10 at law, in equity, by statute or otherwise.

Section 10.04. *Modification.*

No modification, amendment or waiver of any provision of this Article 10, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstances.

Section 10.05. *[Reserved].*

Section 10.06. *Release of the Note Guarantees*

(a) The Note Guarantee of the Company will terminate automatically:

(1) upon legal defeasance, covenant defeasance or satisfaction and discharge of this Indenture, as provided in Article 8 hereof;

(2) in accordance with the Intercreditor Agreement or any Additional Intercreditor Agreement;

(3) as described under Article 9 hereof;

(4) as described under Section 4.21 hereof;

(5) if the Company is not the continuing or surviving Person in the relevant consolidation or merger, as a result of a transaction that complies with Section 5.03 hereof;

(6) upon the full and final payment and performance of all obligations of the Issuer under this Indenture and the Notes.

The Note Guarantee provided by the Parent Guarantor may be automatically and unconditionally released and discharged for any reason; *provided* that the Parent Guarantor has been, or will be substantially concurrently with such release, discharged from its guarantee obligations under the New Credit Facility.

(b) The Note Guarantee of a Subsidiary Guarantor will terminate:

(1) upon a sale or other disposition (including by way of consolidation, merger, amalgamation or combination) of the Capital Stock of the relevant Subsidiary Guarantor (whether by direct sale or sale of a holding company of such Subsidiary Guarantor) or the sale or disposition of all or substantially all the assets of the Subsidiary Guarantor (other than to the Company or a Restricted Subsidiary), in each case if the sale or other disposition does not violate Section 4.08 hereof;

(2) (i) upon the designation in accordance with this Indenture of that Subsidiary Guarantor as an Unrestricted Subsidiary or (ii) such Subsidiary Guarantor otherwise becomes an Excluded Subsidiary (other than pursuant to clause (1) of the definition thereof);

(3) upon legal defeasance, covenant defeasance or satisfaction and discharge of this Indenture, as provided in Article 8 hereof;

(4) in accordance with the Intercreditor Agreement or any Additional Intercreditor Agreement;

(5) as described under Article 9 hereof;

(6) with respect to any Subsidiary Guarantor that is not the continuing or surviving Person in the relevant consolidation or merger, as a result of a transaction that complies with the provisions described under Section 5.04 hereof;

(7) as described under Section 4.21 hereof; or

(8) upon the full and final payment and performance of all obligations of the Issuer under this Indenture and the Notes.

(c) [*Reserved*].

(d) The Trustee and the Notes Security Agent (as applicable) shall each take all necessary actions requested by the Issuer, including the granting of releases or waivers under the Intercreditor Agreement or any Additional Intercreditor Agreement, to effectuate any release of a Note Guarantee in accordance with the provisions of Section 10.06(a), (b), or (c), subject to protections and indemnifications to which the Trustee and/or the Notes Security Agent may be entitled to under this Indenture or otherwise. Each of the releases set forth in Section 10.06(a), (b), or (c), shall be effective without the consent of the Holders or any action on the part of the Trustee. Neither the Trustee nor the Issuer will be required to make a notation on the Notes to reflect any such release, termination or discharge.

Section 10.07. *Limitations on Obligations of Guarantors.*

(a) Each Guarantor and, by its acceptance of the Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Guarantee shall be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

Section 10.08. *Non-Impairment.*

The failure to endorse a Note Guarantee on any Note shall not affect or impair the validity thereof.

ARTICLE 11
NOTES COLLATERAL, NOTES SECURITY DOCUMENTS AND THE NOTES SECURITY AGENT

Section 11.01. *Notes Collateral and Notes Security Documents.*

(a) The due and punctual payment of the principal of, premium on, if any, and interest on the Notes and the Note Guarantees when and as the same shall be due and payable, whether on an interest payment date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of, premium on, if any, and interest (to the extent permitted by law), on the Notes and the Note Guarantees and performance of all other obligations of the Issuer to the Holders or the Trustee under this Indenture and the Notes, according to the terms hereunder or thereunder, are secured as provided in the Notes Security Documents. Each Holder, by its acceptance thereof, consents and agrees to the terms of the Notes Security Documents (including, without limitation, the provisions providing for foreclosure and release of Notes Collateral and authorizing the Notes Security Agent to enter into any Notes Security Document on its behalf) as the same may be in effect or may be amended from time to time in accordance with its terms, or may be entered into after the date hereof, and authorizes and directs the Notes Security Agent to enter into the Notes Security Documents, appoints JPMorgan Chase Bank, N.A., in its capacity as the Notes Security Agent as its collateral agent, and authorizes and empowers the Notes Security Agent to bind the Holders of the Notes as set forth in the Notes Security Documents and the Intercreditor Agreement, as applicable, and to perform its obligations and exercise its rights thereunder in accordance therewith. JPMorgan

Chase Bank, N.A., hereby accepts such appointment as the initial Notes Security Agent hereunder and initial collateral agent under the Notes Security Documents. The Issuer will deliver to the Trustee copies of all documents delivered to the Notes Security Agent pursuant to the Notes Security Documents, and the Company will, and will cause each of its Restricted Subsidiaries to, do or cause to be done all such acts and things as may be necessary or proper, or as may be required by the provisions of the Notes Security Documents, to assure and confirm to the Trustee that the Notes Security Agent holds, for the benefit of the Trustee and the Holders, duly created, enforceable and perfected Security Interests as contemplated hereby and by the Notes Security Documents, so as to render the same available for the security and benefit of this Indenture and of the Notes secured thereby, according to the intent and purposes herein expressed. The Company will take, and will cause its Restricted Subsidiaries to take, upon request of the Trustee, any and all actions reasonably required to cause the Notes Security Documents to create and maintain, as security for the Obligations of the Issuer hereunder, valid and enforceable perfected Security Interests in and on all the Notes Collateral ranking in right and priority of payment as set forth in this Indenture and the Intercreditor Agreement and subject to no other Liens other than as permitted by the terms of this Indenture and the Intercreditor Agreement. This Section 11.01 shall be subject to the terms of this Indenture, the Notes Security Documents and the Intercreditor Agreement.

(b) The Notes Security Agent agrees that it will hold the Security Interests created under the Notes Security Documents to which it is a party as contemplated by this Indenture, the Notes Security Documents and the Intercreditor Agreement, as applicable, and any and all proceeds thereof, for the benefit of, among others, the Trustee and the Holders, without limiting the Notes Security Agent's rights, including under Section 11.02, to act in preservation of the security interest in the Notes Collateral. The Notes Security Agent will, subject to being indemnified and/or secured to its satisfaction in accordance with the Notes Security Documents and the Intercreditor Agreement, as applicable, take action or refrain from taking action in connection therewith only as directed by the Trustee, subject to the terms of the Notes Security Documents and the Intercreditor Agreement, as applicable.

(c) Each Holder, by accepting a Note, shall be deemed to have agreed to all the terms and provisions of the Notes Security Documents and the Intercreditor Agreement and any Additional Intercreditor Agreement entered into in compliance with Section 4.13 hereof and to have authorized the Trustee and the Notes Security Agent to enter into any such Notes Security Document, Intercreditor Agreement or Additional Intercreditor Agreement. The claims of Holders will be subject to the Intercreditor Agreement and any Additional Intercreditor Agreement entered into in compliance with Section 4.13 hereof.

(d) Subject to Section 4.06 and Section 4.12, the Issuer is permitted to pledge the Notes Collateral in connection with future issuances of its Indebtedness or Indebtedness of its Restricted Subsidiaries, including any Additional Notes, in each case, permitted under this Indenture and other Indebtedness of the Issuer and its Subsidiaries.

Section 11.02. *Suits To Protect the Notes Collateral.*

Subject to the provisions of the Notes Security Documents and the Intercreditor Agreement, the Notes Security Agent shall have the power to institute and to maintain such suits

and proceedings as it may deem expedient to prevent any impairment of the Notes Collateral by any acts which may be unlawful or in violation of any of the Notes Security Documents or this Indenture, and such suits and proceedings as the Notes Security Agent, in its sole discretion, may deem expedient to preserve or protect the Security Interests created under the Notes Security Documents (including the power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the Security Interest on the Notes Collateral or be prejudicial to the interests of the Holders or the Trustee).

Section 11.03. *Resignation and Replacement of Notes Security Agent.*

Any resignation or replacement of the Notes Security Agent shall be made in accordance with the Notes Security Documents.

Section 11.04. *Amendments.*

Subject to the rights and obligations of the Notes Security Agent under the terms of the Intercreditor Agreement, the Notes Security Agent agrees that it will enter into an amendment to the Intercreditor Agreement or enter into or amend any other Additional Intercreditor Agreement entered into in accordance with Section 4.13 hereof upon a direction of the Trustee to do so, given in accordance with Section 4.13 hereof. The Notes Security Agent shall sign any amendment authorized pursuant to Article 9 if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Notes Security Agent, subject to the rights and obligations of the Notes Security Agent under the terms of the Intercreditor Agreement.

Section 11.05. *Release of Liens .*

(a) The Issuer and the Guarantors will be entitled to release the Security Interests in respect of the Notes Collateral securing the Notes and the Note Guarantees under any one or more of the following circumstances:

(1) in connection with any other sale or other disposition of the Notes Collateral (other than the pledge over all of the Capital Stock of the Issuer) to a Person that is not the Company or a Guarantor (but excluding any transaction subject to Article 5 hereof), if such sale or other disposition does not violate Section 4.08 hereof, but only in respect of the Notes Collateral sold or otherwise disposed of;

(2) in connection with the release of a Guarantor from its Note Guarantee pursuant to the terms of this Indenture, the release of the property and assets, and Capital Stock, of such Guarantor;

(3) if the Company designates any Restricted Subsidiary to be an Unrestricted Subsidiary in accordance with the applicable provisions of this Indenture, the release of the property, assets and Capital Stock of such Unrestricted Subsidiary;

(4) upon legal defeasance, covenant defeasance or satisfaction and discharge of this Indenture, as provided in Article 8 hereof;

(5) in accordance with an enforcement sale in compliance with the Intercreditor Agreement or any Additional Intercreditor Agreement, or as otherwise provided for under the Intercreditor Agreement or any Additional Intercreditor Agreement;

(6) as described under Article 9, Section 4.06(b) (in which case, for the avoidance of doubt, such release shall be automatic and unconditional) and Section 4.12 hereof;

(7) upon the full and final payment and performance of all obligations of the Issuer under this Indenture and the Notes;

(8) to release and re-take any Lien on any Notes Collateral to the extent not otherwise prohibited by the terms of this Indenture, the Notes Security Documents or the Intercreditor Agreement or any Additional Intercreditor Agreement;

(9) in connection with a transaction permitted by Article 5 hereof;

(10) with the consent of holders of at least 75% in aggregate principal amount of Notes (including, without limitation, consent obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes); or

(11) with respect to any Notes Collateral that is transferred to a Receivables Subsidiary pursuant to a Qualified Receivables Financing, and with respect to any Securitization Asset that is transferred in one or more transactions, to a Receivables Subsidiary.

(b) Upon certification by the Issuer, the Notes Security Agent and the Trustee (as applicable) will take all necessary actions requested by the Issuer, including the granting of releases or waivers under the Notes Security Documents, the Intercreditor Agreement or any Additional Intercreditor Agreement, required to effectuate any release of the Notes Collateral securing the Notes and the Note Guarantees, in accordance with the provisions of this Indenture, the Notes Security Documents, the Intercreditor Agreement or any Additional Intercreditor Agreement and the relevant Notes Security Document. Each of the releases set forth above shall be effected by the Notes Security Agent without the consent of the Holders or any action on the part of the Trustee.

(c) Upon request of the Issuer and upon receipt of an Officer's Certificate stating that all conditions precedent in respect of such release have been satisfied, the Notes Security Agent shall execute, deliver or acknowledge any necessary or proper instruments of termination, satisfaction or release to evidence the release of Notes Collateral permitted to be released pursuant to this Indenture, the Intercreditor Agreement and the Notes Security Documents. At the request of the Issuer, the Notes Security Agent shall execute and deliver an appropriate instrument evidencing such release (in the form provided by the Issuer).

Section 11.06. *Compensation and Indemnity.*

(a) The Issuer, failing which the Guarantors, if any, shall pay to the Notes Security Agent from time to time compensation for its services, subject to any terms of the Notes Security Documents and Intercreditor Agreement, as applicable, each as in effect from time to time which may address the compensation of the Notes Security Agent. The Notes Security Agent's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer and each Guarantor, if any, jointly and severally, shall reimburse the Notes Security Agent upon request for all out-of-pocket expenses incurred or made by it (as evidenced in an invoice from the Notes Security Agent), including without limitation costs of collection, in addition to the compensation for its services. Such expenses shall include the properly incurred compensation and expenses, disbursements and advances of the Notes Security Agent's agents, counsel, accountants and experts. The Issuer and each Guarantor, if any, jointly and severally shall indemnify the Notes Security Agent and its officers, directors, agents and employers against any and all loss, liability or expense (including properly incurred attorneys' fees) incurred by or in connection with its rights, duties, and obligations under this Indenture, the Intercreditor Agreement, any Additional Intercreditor Agreement or the Notes Security Documents, as the case may be, including the properly incurred costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any such rights, powers or duties. The Notes Security Agent shall notify the Issuer of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; *provided*, *however*, that any failure so to notify the Issuer shall not relieve the Issuer or any Guarantor of its indemnity obligations hereunder, under the Intercreditor Agreement, any Additional Intercreditor Agreement or the Notes Security Documents, as the case may be. The Issuer shall defend the claim and the indemnified party shall provide cooperation at the Issuer's and any Guarantor's expense in the defense. Notwithstanding the foregoing, such indemnified party may, in its sole discretion, assume the defense of the claim against it and the Issuer and each Guarantor, if any, shall, jointly and severally, pay the properly incurred fees and expenses of the indemnified party's defense (as evidenced in an invoice from the Notes Security Agent). Such indemnified parties may have separate counsel of their choosing and the Issuer and the Guarantors, jointly and severally, shall pay the properly incurred fees and expenses of such counsel (as evidenced in an invoice from the Notes Security Agent). The Issuer need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct or gross negligence.

(b) To secure the Issuer's and any Guarantor's payment obligations in this Section 11.06, the Notes Security Agent shall, subject to the Intercreditor Agreement and any Additional Intercreditor Agreement, have a lien on the Notes Collateral and the proceeds of the enforcement of the Notes Collateral for all monies payable to it under this Section 11.06.

(c) The Issuer's and any Guarantor's payment obligations pursuant to this Section 11.06 and any lien arising hereunder shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any bankruptcy law or the resignation or removal of the Notes Security Agent. Without prejudice to any other rights available to the Notes Security Agent under applicable law, when the Notes Security Agent incurs expenses after the

occurrence of a Default specified in Section 6.01(a)(6) with respect to the Issuer, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

Section 11.07. *Conflicts*

Each of the Issuer, the Guarantors, the Trustee and the Holders acknowledge and agree that the Notes Security Agent is acting as security agent and trustee not just on their behalf but also on behalf of certain creditors named in the Notes Security Documents and/or the Intercreditor Agreement, as applicable, and acknowledge and agree that pursuant to the terms of the Notes Security Documents and/or the Intercreditor Agreement, as applicable, the Notes Security Agent may be required by the terms thereof to act in a manner which may conflict with the interests of the Issuer, the Guarantors, the Trustee and the Holders (including the Holders' interests in the Notes Collateral and the Note Guarantees) and that it shall be entitled to do so in accordance with the terms of the Notes Security Documents and/or the Intercreditor Agreement, as applicable.

Initially, Deutsche Bank Trust Company Americas will act as Paying Agent, Transfer Agent and Registrar. The Issuer may appoint and change any Registrar, Transfer Agent and Paying Agent. The Issuer or any of its Subsidiaries may act as Registrar, Transfer Agent and Paying Agent.

The Issuer issued the Notes under the Indenture dated as of April 26, 2016 (the "*Indenture*"), among the Issuer, Deutsche Bank Trust Company Americas, as trustee (the "*Trustee*"), Paying Agent, Transfer Agent, and Registrar, and JPMorgan Chase Bank, N.A., as security agent (the "*Security Agent*").

The terms of the Notes include those stated in the Indenture. Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all terms and provisions of the Indenture, and Holders are referred to the Indenture for a statement of such terms and provisions. In the event of a conflict between the Indenture and the terms of the Notes, the terms of the Indenture control.

The Notes are general, senior obligations of the Issuer. This Note is one of the Notes referred to in the Indenture. The Notes and, if issued, any Additional Notes are treated as a single class for all purposes under the Indenture, including, without limitation, with respect to waivers, amendments, redemptions and offers to purchase, except as otherwise provided for therein.

5. *Optional Redemption*

(a) On and after May 15, 2021 the Issuer may redeem all or, from time to time, part of the Notes, upon not less than 10 nor more than 60 days' notice, at the following redemption prices (expressed as a percentage of the principal amount) plus accrued and unpaid interest to, but not including, the applicable redemption date (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the twelve-month period beginning on May 15 of the years indicated below:

Year	Redemption Price
2021	102.750%
2022	101.833%
2023	100.917%
2024 and thereafter	100.000%

Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes or the portion thereof called for redemption on the applicable redemption date. Any such redemption and notice may, in the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent.

(b) Prior to May 15, 2019, the Issuer may on any one or more occasions redeem up to 40% of the original principal amount of the Notes (including the principal amount of any Additional Notes denominated in such currency), upon not less than 10 nor more than 60 days' notice, with funds in an aggregate amount (the "*Redemption Amount*") not exceeding the Net Cash Proceeds of one or more Equity Offerings at a redemption price of 105.500% of the principal amount of the Notes, plus accrued and unpaid interest to, but not including, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided* that:

In connection with any tender offer or other offer to purchase for all of the Notes, if Holders of not less than 90% of the aggregate principal amount of the then outstanding Notes validly tender and do not validly withdraw such Notes in such tender offer and the Issuer, or any third party making such tender offer in lieu of the Issuer, purchases all of the Notes validly tendered and not validly withdrawn by such Holders, the Issuer or such third party will have the right upon not less than 10 nor more than 60 days' notice following such purchase date, to redeem all Notes that remain outstanding following such purchase at a price equal to the price paid to each other Holder in such tender offer (other than any incentive payment for early tenders), plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to, but not including, the repurchase date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date). In determining whether the Holders of at least 90% of the aggregate principal amount of the then outstanding Notes have validly tendered and not validly withdrawn Notes in a tender offer or other offer to purchase for all of the Notes, as applicable, Notes owned by an affiliate of the Issuer or by funds controlled or managed by any affiliate of the Issuer, or any successor thereof, shall be deemed to be outstanding for the purposes of such tender offer or other offer, as applicable.

Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes or the portion thereof called for redemption on the

applicable redemption date.

Any redemption notice given in respect of the redemption referred to in this paragraph 5(b) may be given prior to completion of the related Equity Offering, and any such redemption or notice may, at the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent, including the completion of the related Equity Offering.

(c) Prior to May 15, 2021, the Issuer may redeem all or, from time to time, a part of the Notes upon not less than 10 nor more than 60 days' notice at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium and accrued and unpaid interest to, but not including, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date). Any such redemption and notice may, at the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent.

(d) If Holders of not less than 90% in aggregate principal amount of the outstanding Notes of a series validly tender and do not validly withdraw such Notes in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuer in accordance with Section 4.03 of the Indenture, purchases all of the Notes of a series validly tendered and not validly withdrawn by such Holders, the Issuer or such third party will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes of a series that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of the delivery of the notice for such redemption. Any redemption pursuant to Section 3.11 of the Indenture shall be made in accordance with Section 3.03 of the Indenture (other than the time

periods specified therein, which shall be in accordance with Section 3.11 of the Indenture). In determining whether the Holders of at least 90% of the aggregate principal amount of the then outstanding Notes have validly tendered and not validly withdrawn Notes in a Change of Control Offer, Notes owned by any affiliate of the Issuer or funds controlled or managed by any affiliate of the Issuer, or any successor thereof, shall be deemed to be outstanding for the purposes of such Change of Control Offer.

7. *Mandatory Redemption*

The Issuer shall not be required to make mandatory redemption payments or sinking fund payments with respect to the Notes.

8. *[Reserved].*

9. *Notice of Redemption*

Not less than 10 days but not more than 60 days before a date for redemption of Notes, the Issuer shall transmit a notice of redemption in accordance with Section 3.03 of the Indenture.

If less than all of the Notes are to be redeemed at any time, the Trustee or the Registrar will select Notes for redemption in compliance with the requirements of the principal securities exchange, if any, on which the Notes are listed, or if the Notes are not so listed or such exchange prescribes no method of selection, based on a method that most nearly approximates a *pro rata* selection or by lot or such other similar method in accordance with the procedures of DTC;*provided, however*, that no Note of $200,000 in aggregate principal amount or less shall be redeemed in part and only Notes in integral multiples of $1,000 will be redeemed. Provisions of the Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee shall notify the Issuer promptly of the Notes or portions of Notes to be redeemed. Neither the Trustee nor the Registrars will be liable for any selections made in accordance with this paragraph.

If the Notes are listed on an exchange, not less than 10 nor more than 60 days prior to the redemption date, the Issuer will (if such Notes are in certificated form) mail notice of redemption to Holders by first-class mail, postage prepaid, at their respective addresses as they appear on the registration books of the Registrar. If such Notes are in global form, notice of redemption will be delivered to DTC for communication to the entitled account holders. Such notice of redemption may also be posted on the official website of such exchange, to the extent and in the manner permitted by the rules and regulations of such exchange.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note shall state the portion of the principal amount thereof to be redeemed. Subject to the terms hereof, upon surrender of a Note that is redeemed in part, (i) in the case of a Definitive Registered Note, a new Definitive Registered Note in principal amount equal to the unredeemed portion of any Definitive Registered Note redeemed in part will be issued in the name of the Holder thereof upon cancellation of the original Definitive Registered Note and (ii) in the case of a Global Note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof. Subject to the terms of the applicable redemption notice, Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on Notes or portions of Notes called for redemption.

10. *[Reserved].*

11. *Repurchase of Notes at the Option of Holders*

If a Change of Control occurs, each Holder will have the right, subject to certain conditions specified in the Indenture, to require the Issuer to repurchase all or any part of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) as provided in, and subject to the terms of, the Indenture.

In accordance with Section 4.08 of the Indenture, the Issuer will be required to, or may be permitted to, offer to purchase Notes upon the occurrence of certain events, including certain Asset Dispositions.

12. *Security*

The Issuer shall not be required to make any notation on this Note to reflect any grant of such security or any such release, termination or discharge.

13. *Denominations; Transfer; Exchange*

Claims against the Issuer or any Guarantor for the payment of interest on the Notes will be prescribed five years after the applicable due date for payment of interest.

16. *Discharge and Defeasance*

Subject to certain conditions described in Article 8 of the Indenture, the Issuer at any time may terminate all of its obligations and all obligations of each Guarantor under the Notes, any Note Guarantee and the Indenture if the Issuer, among other things, deposits or causes to be deposited with the Trustee cash in dollars or dollar-denominated U.S. Government Obligations or a combination thereof in an amount sufficient to pay and discharge the entire indebtedness on the

Notes not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest to the date of deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or redemption date, as the case may be.

17. *Amendment, Waiver*

The Indenture and the Notes may be amended as set forth in the Indenture.

(4) failure by the Company, any Restricted Subsidiary or any other grantor of a Lien over the Notes Collateral to comply for 60 days after notice by the Trustee or the Holders of at least 25% in principal amount of the outstanding Notes with its other agreements contained in the Indenture, the Intercreditor Agreement, any Additional Intercreditor Agreement or the Notes Security Documents;

(5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any Restricted Subsidiary (or the payment of which is Guaranteed by the Company or any Restricted Subsidiary) other than Indebtedness owed to the Company or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the Issue Date, which default:

(A) is caused by the failure to pay principal of such Indebtedness at the Stated Maturity thereof (after giving effect to any applicable grace periods provided in such Indebtedness) ("*payment default*"); or

(B) results in the acceleration of such Indebtedness prior to its maturity,

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates $25 million or more;

(8) any security interest under the Notes Security Documents shall, at any time, cease to be in full force and effect (other than in accordance with the terms of the relevant Notes Security Document, the Intercreditor Agreement, any Additional Intercreditor Agreement and the Indenture) with respect to Notes Collateral having a fair market value in excess of $10 million for any reason other than the satisfaction in full of all obligations under the Indenture or the release of any such security interest in accordance with the terms of the Indenture, the Intercreditor Agreement, any Additional Intercreditor Agreement or the Notes Security Documents or any such security interest created thereunder shall be declared invalid or unenforceable and the Issuer shall assert in writing that any such security interest is invalid or unenforceable and any such Default continues for 10 days; and

In the event of a declaration of acceleration of the Notes because an Event of Default under Section 6.01(a)(5) of the Indenture has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to Section 6.01(a)(5) of the Indenture shall be remedied or cured, or waived by the holders of the relevant Indebtedness, or the relevant Indebtedness that gave rise to such Event of Default shall have been discharged in full, within 30 days after the declaration of acceleration with respect thereto and if (i) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (ii) all existing Events of Default, except nonpayment of principal, premium or interest on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

19. *Trustee Dealings with the Issuer*

(d) Notwithstanding anything to the contrary contained in this Agreement, the Indenture or the other Notes Documents, the Security Agent shall not, without first obtaining the approval of the FCC and any other Governmental Authority, take any action that is not permitted by the FCC or other Governmental Authority or any other applicable law, or that would constitute or result in any change of control of Company or an assignment of any Communications License included in the Collateral held by Company if such change in control or assignment would require, under then existing Communications Laws, the prior approval of

the FCC and any other Governmental Authority. In an Event of Default, (a) voting rights shall remain with Grantor unless and until the FCC and all other applicable Governmental Authorities have approved the assignment of the Communications Licenses included in the Collateral or transfer of control and (b) subject to any regulatory approvals required by the Communications Laws, there will be either a private or public sale of the pledged shares.

(iv) at the Security Agent's reasonable request, appear in and defend any action or proceeding that may affect Grantor's title to or the Security Agent's security interest in all or any part of the Collateral

(b) Grantor hereby authorizes the Security Agent to file a Record or Records, including, without limitation, financing or continuation statements, Intellectual Property Security Agreements and amendments and supplements to any of the foregoing, in any jurisdictions and with any filing offices as the Security Agent may determine, in its reasonable discretion, are necessary or advisable to perfect or otherwise protect the security interest granted to the Security Agent herein. Such financing statements may describe the Collateral in the same manner as described herein or may contain an indication or description of collateral that describes such property in any other manner as the Security Agent may determine, in its reasonable discretion, is necessary, advisable or prudent to ensure the perfection of the security interest in the Collateral granted to the Security Agent herein. Grantor shall furnish to the Security Agent from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as the Security Agent may reasonably request, all in reasonable detail.

(c) Grantor hereby authorizes the Security Agent to modify this Agreement after obtaining Grantor's approval of or signature to such modification by amending Schedule 4.7 (as such schedule may be amended or supplemented from time to time) to include reference to any right, title or interest in any existing Collateral Intellectual Property or any Collateral Intellectual Property acquired or developed by Grantor after the execution hereof or to delete any reference to any right, title or interest in any Collateral Intellectual Property in which Grantor no longer has or claims any right, title or interest.

SECTION 6. SECURITY AGENT APPOINTED ATTORNEY-IN-FACT.

6.1 Power of Attorney. Grantor hereby irrevocably appoints the Security Agent (such appointment being coupled with an interest) as Grantor's attorney-in-fact, with full authority in the place and stead of Grantor and in the name of Grantor, the Security Agent or otherwise, from time to time in the Security Agent's discretion to take any action and to execute any instrument that the Security Agent may deem reasonably necessary or advisable to accomplish the purposes of this Agreement, including, without limitation, the following:

(a) upon the occurrence and during the continuance of any Event of Default, to obtain and adjust insurance required to be maintained by Grantor or paid to the Security Agent pursuant to the Indenture;

(b) upon the occurrence and during the continuance of any Event of Default, to ask for, demand, collect, sue for, recover, compound, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(c) upon the occurrence and during the continuance of any Event of Default, to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection with clause (b) above;

(d) upon the occurrence and during the continuance of any Event of Default, to file any claims or take any action or institute any proceedings that the Security Agent may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of the Security Agent with respect to any of the Collateral;

(e) to prepare and file any UCC financing statements against Grantor as debtor;

(f) to prepare, sign and file for recordation in any intellectual property registry, appropriate evidence of the lien and security interest granted herein in any Intellectual Property in the name of Grantor as debtor;

(g) to take or cause to be taken all actions necessary to perform or comply or cause performance or compliance with the terms of this Agreement, including, without limitation, access to pay or discharge taxes (other than taxes being contested in good faith) or Liens (other than Permitted Liens) levied or placed upon or threatened against the Collateral, the legality or validity thereof and the amounts necessary to discharge the same to be determined by the Security Agent in its reasonable discretion, any such payments made by the Security Agent to become obligations of Grantor to the Security Agent, due and payable immediately without demand; and

(h) (i) upon the occurrence and during the continuance of any Event of Default, generally to sell, transfer, lease, license, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Security Agent were the absolute owner thereof for all purposes and do all acts and things that the Security Agent deems reasonably necessary to realize upon the Collateral and the Security Agent's security interest therein, and (ii) to do, at the Security Agent's option and Grantor's expense, at any time or from time to time, all acts and things that the Security Agent deems reasonably necessary to protect, preserve or realize upon the Collateral and the Security Agent's security interest therein in order to effect the intent of this Agreement, all as fully and effectively as Grantor might do.

6.2 No Duty on the Part of Security Agent or Secured Parties The powers conferred on the Security Agent hereunder are solely to protect the interests of the Secured Parties in the Collateral and shall not impose any duty upon the Security Agent or any other Secured Party to exercise any such powers; provided, however, that Security Agent shall afford Collateral in its custody with the same degree of care as it affords similar property for its own account. The Security Agent and the other Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct. Such appointment as attorney-in-fact must be exercised consistently with the Communications Laws, including, but not limited to, compliance with the FCC's rules concerning the execution and filing of applications, reports and documents, or other instruments with the FCC. Grantor agrees to cooperate in making any required filings, or any filings necessary for the operation of its or its subsidiaries' businesses, with the FCC and any other Governmental Authority.

6.3 Appointment Pursuant to Indenture. The Security Agent has been appointed as collateral agent pursuant to the Indenture. The rights, duties, privileges, immunities and indemnities of the Security Agent hereunder are subject to the provisions of the Indenture.

SECTION 7. REMEDIES.

7.1 Generally. If any Event of Default shall have occurred and be continuing, the Security Agent may exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it at law or in equity, all the rights and remedies of the Security Agent on default under the UCC (whether or not the UCC applies to the affected Collateral) to collect, enforce or satisfy any Secured Obligations then owing, whether by acceleration or otherwise, and also may pursue any of the following separately, successively or simultaneously:

(i) require Grantor to, and Grantor hereby agrees that it shall at its expense and promptly upon request of the Security Agent forthwith, assemble all or part of the Collateral as directed by the Security Agent and make it available to the Security Agent at a place to be designated by the Security Agent that is reasonably convenient to both parties;

(ii) enter onto the property where any Collateral is located and take possession thereof with or without judicial process;

(iii) prior to the disposition of the Collateral, store, process, repair or recondition the Collateral or otherwise prepare the Collateral for disposition in any manner to the extent the Security Agent deems appropriate; and

(iv) without notice except as specified below or under the UCC, sell, assign, lease, license (on an exclusive or nonexclusive basis) or otherwise dispose of the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Security Agent's offices or elsewhere, for cash, on credit or for future delivery, at such time or times and at such price or prices and upon such other terms as the Security Agent may deem commercially reasonable.

(b) Subject to Section 4.9 herein, the Security Agent or any other Secured Party may be the purchaser of any or all of the Collateral at any public or private (to the extent to the portion of the Collateral being privately sold is of a kind that is customarily sold on a recognized market or the subject of widely distributed standard price quotations) sale in accordance with the UCC and the Security Agent, as collateral agent for and representative of the Secured Parties, shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale made in accordance with the UCC, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any Collateral payable by the Security Agent at such sale. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of Grantor, and Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Grantor agrees that, to

the extent notice of sale shall be required by law, at least ten (10) days notice to Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Security Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Security Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Grantor agrees that it would not be commercially unreasonable for the Security Agent to dispose of the Collateral or any portion thereof by using Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets. Grantor hereby waives any claims against the Security Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if the Security Agent accepts the first offer received and does not offer such Collateral to more than one offeree. If the proceeds of any sale or other disposition of the Collateral are insufficient to pay all the Secured Obligations, Grantor shall be liable for the deficiency and the fees of any attorneys employed by the Security Agent to collect such deficiency. Grantor further agrees that a breach of any of the covenants contained in this Section will cause irreparable injury to the Security Agent, that the Security Agent has no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section shall be specifically enforceable against Grantor, and Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no default has occurred giving rise to the Secured Obligations becoming due and payable prior to their stated maturities. Nothing in this Section shall in any way alter the rights of the Security Agent hereunder.

(c) The Security Agent may sell the Collateral without giving any warranties as to the Collateral. The Security Agent may specifically disclaim or modify any warranties of title or the like. This procedure will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

(d) The Security Agent shall have no obligation to marshal any of the Collateral.

7.2 Application of Proceeds. Except as expressly provided elsewhere in this Agreement, all proceeds received by the Security Agent in respect of any sale of, any collection from or other realization upon all or any part of the Collateral shall be applied in full or in part by the Security Agent, or turned over to the Administrative Agent for application in full or in part by the Administrative Agent, against the Secured Obligations as set forth in Section 6.10 of the Indenture (with references therein to the Administrative Agent to be construed to also apply to the Security Agent).

7.3 Sales on Credit. If the Security Agent sells any of the Collateral upon credit, Grantor will be credited only with payments actually made by purchaser and received by the Security Agent and applied to indebtedness of the purchaser. In the event the purchaser fails to pay for the Collateral, the Security Agent may resell the Collateral and Grantor shall be credited with proceeds of the sale.

7.4 Investment Related Property. Grantor recognizes that, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws, the Security Agent may be compelled, with respect to any sale of all or any part of the Collateral Investment Related Property conducted without prior registration or qualification of such Collateral Investment Related Property under the Securities Act and/or such state securities laws, to limit purchasers to those who will agree, among other things, to acquire the Collateral Investment Related Property for their own account, for investment and not with a view to the distribution or resale thereof. Grantor acknowledges that any such private sale may be at prices and on terms less favorable than those obtainable through a public sale without such restrictions (including a public offering made pursuant to a registration statement under the Securities Act) and, notwithstanding such circumstances, Grantor agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner and that the Security Agent shall have no obligation to engage in public sales and no obligation to delay the sale of any Collateral Investment Related Property for the period of time necessary to permit the issuer thereof to register it for a form of public sale requiring registration under the Securities Act or under applicable state securities laws, even if such issuer would, or should, agree to so register it. If the Security Agent determines to exercise its right to sell any or all of the Collateral Investment Related Property, upon written request, Grantor shall and shall cause each issuer of any Pledged Stock to be sold hereunder, each partnership and each limited liability company from time to time to furnish to the Security Agent all such information as the Security Agent may request in order to determine the number and nature of interest, shares or other instruments included in the Collateral Investment Related Property which may be sold by the Security Agent in exempt transactions under the Securities Act and the rules and regulations of the Securities and Exchange Commission thereunder, as the same are from time to time in effect.

7.5 Intellectual Property. Anything contained herein to the contrary notwithstanding, in addition to the other rights and remedies provided herein, upon the occurrence and during the continuation of an Event of Default:

(i) the Security Agent shall have the right (but not the obligation) to bring suit or otherwise commence any action or proceeding in the name of Grantor, the Security Agent or otherwise, in the Security Agent's sole discretion, to enforce any Collateral Intellectual Property, in which event Grantor shall, at the request of the Security Agent, do any and all lawful acts and execute any and all documents required by the Security Agent in aid of such enforcement and Grantor shall promptly, upon demand, reimburse and indemnify the Security Agent as provided in Section 10 hereof in connection with the exercise of its rights under this Section, and, to the extent that the Security Agent shall elect not to bring suit to enforce any Collateral Intellectual Property as provided in this Section, Grantor agrees to use all reasonable measures, whether by action, suit, proceeding or otherwise, to prevent the infringement, misappropriation, dilution or other violation of any of Grantor's rights in the Collateral Intellectual Property that is material to its business by others and for that purpose agrees to diligently maintain any action, suit or proceeding against any Person so infringing, misappropriating, diluting or otherwise violating as shall be necessary to prevent such infringement, misappropriation, dilution or violation;

(ii) upon written demand from the Security Agent in connection with a foreclosure or other exercise of remedies permitted by applicable law, Grantor shall grant, assign, convey or otherwise transfer to the Security Agent or Security Agent's designee an absolute assignment of all of Grantor's right, title and interest in and to the Collateral Intellectual Property and shall execute and deliver to the Security Agent such documents as are necessary or appropriate to carry out the intent and purposes of this Agreement;

(iii) Grantor agrees that such an assignment and/or recording shall be applied to reduce the Secured Obligations outstanding only to the extent that the Security Agent (or any Secured Party) receives cash proceeds in respect of the sale of, or other realization upon, the Collateral Intellectual Property;

(iv) within five (5) Business Days after written notice from the Security Agent, Grantor shall make available to the Security Agent, to the extent within Grantor's power and authority, such personnel in Grantor's employ on the date of such Event of Default as the Security Agent may reasonably designate, by name, title or job responsibility, to permit Grantor to continue, directly or indirectly, to produce, advertise and sell the products and services sold or delivered by Grantor under or in connection with the Trademarks and Trademark Licenses included in the Collateral, such persons to be available to perform their prior functions on the Security Agent's behalf and to be compensated by the Security Agent at Grantor's expense on a per diem, pro-rata basis consistent with the salary and benefit structure applicable to each as of the date of such Event of Default; and

(v) the Security Agent shall have the right to notify, or require Grantor to notify, any obligors with respect to amounts due or to become due to Grantor in respect of any Collateral Intellectual Property , of the existence of the security interest created herein, to direct such obligors to make payment of all such amounts directly to the Security Agent, and, upon such notification and at the expense of Grantor, to enforce collection of any such amounts and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as Grantor might have done;

(1) all amounts and proceeds (including checks and other instruments) received by Grantor in respect of amounts due to Grantor in respect of the Collateral or any portion thereof shall be received in trust for the benefit of the Security Agent hereunder, shall be segregated from other funds of Grantor and shall be forthwith paid over or delivered to the Security Agent in the same form as so received (with any necessary endorsement) to be held as cash Collateral and applied as provided by Section 7.6 hereof; and

(2) Grantor shall not adjust, settle or compromise the amount or payment of any such amount or release wholly or partly any obligor with respect thereto or allow any credit or discount thereon.

(b) If (i) an Event of Default shall have occurred and, by reason of cure, waiver, modification, amendment or otherwise, no longer be continuing, (ii) no other Event of

Default shall have occurred and be continuing, (iii) an assignment or other transfer to the Security Agent of any rights, title and interests in and to any Collateral Intellectual Property shall have been previously made and shall have become absolute and effective and (iv) the Secured Obligations shall not have become immediately due and payable, upon the written request of Grantor, the Security Agent shall promptly execute and deliver to Grantor, at Grantor's sole cost and expense, such assignments or other transfer as may be necessary to reassign to Grantor any such rights, title and interests as may have been assigned to the Security Agent as aforesaid, subject to any disposition thereof that may have been made by the Security Agent; provided, after giving effect to such reassignment, the Security Agent's security interest granted pursuant hereto, as well as all other rights and remedies of the Security Agent granted hereunder, shall continue to be in full force and effect; and provided further, the rights, title and interests so reassigned shall be free and clear of any other Liens granted by or on behalf of the Security Agent and the Secured Parties.

(c) Solely for the purpose of enabling the Security Agent to exercise rights and remedies under this Section 7 and at such time as the Security Agent shall be lawfully entitled to exercise such rights and remedies, Grantor hereby grants to the Security Agent, to the extent it has the right to do so, an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to Grantor), subject, in the case of Trademarks included in the Collateral, to sufficient rights to quality control and inspection in favor of Grantor to avoid the risk of invalidation of said Trademarks, to use, operate under, license or sublicense and otherwise exploit any Intellectual Property now or hereafter owned or held by Grantor.

7.6 Cash Proceeds. In addition to the rights of the Security Agent specified in Section 4.3 with respect to payments of Collateral Receivables, after occurrence and during the continuance of an Event of Default, upon request by the Security Agent, all proceeds of any Collateral received by Grantor consisting of cash, checks and other near-cash items (collectively, "**Cash Proceeds**") shall be held by Grantor in trust for the Security Agent, segregated from other funds of Grantor, and shall, forthwith upon receipt by Grantor, unless otherwise provided in this Agreement or any other Notes Document, be turned over to the Security Agent in the exact form received by Grantor (duly indorsed by Grantor to the Security Agent, if required) and held by the Security Agent in a Collateral Account. Any Cash Proceeds received by the Security Agent (whether from Grantor or otherwise): (i) if no Event of Default shall have occurred and be continuing, shall be held by the Security Agent for the ratable benefit of the Secured Parties, as collateral security for the Secured Obligations (whether matured or unmatured) and, upon request of Company, returned to Company, and (ii) if an Event of Default shall have occurred and be continuing, may, in the sole discretion of the Security Agent, (A) be held by the Security Agent for the ratable benefit of the Secured Parties, as collateral security for the Secured Obligations (whether matured or unmatured) and/or (B) then or at any time thereafter may be applied by the Security Agent against the Secured Obligations then due and owing.

SECTION 8. SECURITY AGENT.

The Security Agent has been appointed to act as Security Agent hereunder by the Holders and, by their acceptance of the benefits hereof, the other Secured Parties. The Security Agent shall be obligated, and shall have the right hereunder, to make demands, to give notices, to exercise or refrain from exercising any rights and to take or refrain from taking any action

(including, without limitation, the release or substitution of Collateral), solely in accordance with the Intercreditor Agreement, any Additional Intercreditor Agreement, this Agreement and the Indenture. In furtherance of the foregoing provisions of this Section, each Secured Party, by its acceptance of the benefits hereof, agrees that it shall have no right individually to realize upon any of the Collateral hereunder, it being understood and agreed by such Secured Party that all rights and remedies hereunder may be exercised solely by the Security Agent for the benefit of Secured Parties in accordance with the terms of this Section. Security Agent may resign at any time by giving thirty (30) days' prior written notice thereof to the Holders, the Trustee and the Grantor, and Security Agent may be removed at any time with or without cause by an instrument or concurrent instruments in writing delivered to the Grantor and Security Agent signed by the Trustee on behalf of the Holders of a majority in principal amount of the Notes then outstanding (the "**Required Holders**"). Upon any such notice of resignation or any such removal, Required Holders shall have the right, upon five (5) Business Days' notice to the Security Agent, following receipt of the Grantor's consent (which shall not be unreasonably withheld or delayed and which shall not be required while an Event of Default exists), to appoint a successor Security Agent. Upon the acceptance of any appointment as Security Agent hereunder by a successor Security Agent, that successor will become Security Agent under this Agreement, and the retiring or removed Security Agent under this Agreement shall promptly (i) transfer to such successor Security Agent all sums, Securities and other items of Collateral held hereunder, together with all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Security Agent under this Agreement, and (ii) execute and deliver to such successor Security Agent such amendments to financing statements, and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Security Agent of the security interests

created hereunder, whereupon such retiring or removed Security Agent shall be discharged from its duties and obligations under this Agreement. After any retiring or removed Security Agent's resignation or removal hereunder as the Security Agent, the provisions of this Agreement shall inure to its benefit as to any actions taken or omitted to be taken by it under this Agreement while it was the Security Agent hereunder.

SECTION 9. CONTINUING SECURITY INTEREST

(a) This Agreement shall create a continuing security interest in the Collateral and shall remain in full force and effect until the full and final payment of all Secured Obligations (other than contingent indemnification obligations as to which no claim has been asserted), and be binding upon Grantor, its successors and assigns and inure, together with the rights and remedies of the Security Agent hereunder, to the benefit of the Security Agent and its successors, transferees and assigns. Without limiting the generality of the foregoing, but subject to the terms of the Indenture, any Holder may assign or otherwise transfer any Notes held by it to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Holder herein or otherwise. Upon the full and final payment of all Secured Obligations (other than contingent indemnification obligations as to which no claim has been asserted), the security interest granted hereby shall terminate hereunder and of record and all rights to the Collateral shall revert to Grantor.

(b) Prior to the Existing Credit Agreement Discharge Date, upon any disposition of property permitted by the Indenture, the Liens granted herein shall be deemed to

be automatically released and such property shall automatically revert to the Grantor with no further action on the part of any Person.

(c) On or after the Existing Credit Agreement Discharge Date, upon (i) any sale or disposition of property of a Grantor to a Person other than the Issuer or a Guarantor or (ii) the consummation of any other transaction permitted by the Indenture as a result of which such Grantor becomes an Excluded Subsidiary or such Grantor is released from its Note Guarantee, the Liens granted herein shall be deemed to be automatically released and such property shall automatically revert to the Grantor with no further action on the part of any Person.

(d) On or after the Existing Credit Agreement Discharge Date, upon any Collateral being or becoming an Excluded Asset, the security interests created pursuant to this Agreement on such Collateral shall be automatically released.

(e) The Grantor shall also be entitled to release the security interests created pursuant to this Agreement as set forth in Section 11.05 of the Indenture.

(f) In connection with any termination or release pursuant to the foregoing clauses (a), (b), (c), (d) or (e), the Security Agent shall, at the Grantor's expense, execute and deliver or otherwise authorize the filing of such documents as the Grantor shall reasonably request, in form and substance reasonably satisfactory to the Security Agent, including financing statement amendments to evidence such release or termination.

SECTION 10. STANDARD OF CARE; SECURITY AGENT MAY PERFORM.

The powers conferred on the Security Agent hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the exercise of reasonable care in the custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Security Agent shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. The Security Agent shall be deemed to have exercised reasonable care in the custody and preservation of Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Security Agent accords its own property. Neither the Security Agent nor any of its directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of Grantor or otherwise. If Grantor fails to perform any agreement contained herein, the Security Agent may itself perform, or cause performance of, such agreement, and the expenses of the Security Agent incurred in connection therewith shall be payable by Grantor under Section 11.06 of the Indenture.

SECTION 11. INTERCREDITOR AGREEMENT.

Notwithstanding anything herein to the contrary, (i) the Liens and security interests granted to the Security Agent pursuant to this Agreement and the exercise of any right or remedy by the Security Agent hereunder, are subject to the provisions of the Intercreditor Agreement or any Additional Intercreditor Agreement and (ii) any Collateral (to the extent the possession thereof perfects a Lien thereon under the Uniform Commercial Code of any jurisdiction) may be

held by the Controlling Collateral Agent (as defined in the Intercreditor Agreement) (or its agents or bailees) in accordance with Section 2.09 of the Intercreditor Agreement. In the event of any conflict between the terms of any such Intercreditor Agreement or Additional Intercreditor Agreement and the terms of this Agreement, the terms of any such Intercreditor Agreement or Additional Intercreditor Agreement shall govern and control. No right, power or remedy granted to the Security Agent hereunder shall be exercised by the Security Agent, and no direction shall be given by the Security Agent, in contravention of any such Intercreditor Agreement or Additional Intercreditor Agreement.

SECTION 12. MISCELLANEOUS.

Any notice required or permitted to be given under this Agreement shall be given in accordance with Section 12.01 of the Indenture: provided that any notice or communication to the Security Agent shall be addressed to 500 Stanton Christiana Rd. 3/Ops2, Newark, DE 19713. No failure or delay on the part of the Security Agent in the exercise of any power, right or privilege hereunder or under any other Notes Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. All rights and remedies existing under this Agreement and the other Notes Documents are cumulative to, and not exclusive of, any rights or remedies otherwise available. In case any provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists. This Agreement shall be binding upon and inure to the benefit of the Security Agent and Grantor and their respective successors and assigns. Grantor shall not, without the prior written consent of the Security Agent given in accordance with the Indenture, assign any right, duty or obligation hereunder. This Agreement and the other Notes Documents embody the entire agreement and understanding between Grantor and the Security Agent and supersede all prior agreements and understandings between such parties relating to the subject matter hereof and thereof. Accordingly, the Notes Documents may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties. This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument; signature pages may be detached from multiple separate counterparts and attached to a single counterpart so that all signature pages are physically attached to the same document.

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND ALL CLAIMS AND CONTROVERSIES ARISING OUT OF THE SUBJECT MATTER HEREOF WHETHER SOUNDING IN CONTRACT LAW, TORT LAW OR OTHERWISE **SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE**

STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAW PROVISIONS THAT WOULD RESULT IN THE APPLICATION OF ANY OTHER LAW (OTHER THAN ANY MANDATORY PROVISIONS OF THE UCC RELATING TO THE LAW GOVERNING PERFECTION AND THE EFFECT OF PERFECTION OF THE SECURITY INTEREST).

THE PROVISIONS OF THE INDENTURE UNDER THE HEADINGS"CONSENT TO JURISDICTION AND SERVICE" ARE INCORPORATED HEREIN BY THIS REFERENCE AND SUCH INCORPORATION SHALL SURVIVE ANY TERMINATION OF THE INDENTURE.

IN WITNESS WHEREOF, Grantor and the Security Agent have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first written above.

(iv) each Grantor has performed all acts and has paid all renewal, maintenance and other fees and taxes required to maintain each and every registration and application of Copyrights, Patents and Trademarks in full force and effect, in each case, to the extent such Copyright, Patent or Trademark is material to such Grantor's business;

(vi) all registrations and applications for Copyrights, Patents and Trademarks are standing in the name of each Grantor, and none of the Trademarks, Patents, Copyrights or Trade Secrets has been licensed by any Grantor to any Affiliate or third party, except as disclosed in Schedule 4.7(B), (D), (F), or (G) (as each may be amended or supplemented from time to time);

(vii) each Grantor has been using appropriate statutory notice of registration in connection with its use of registered Trademarks, proper marking practices in connection with the use of Patents, and appropriate notice of copyright in connection with the publication of Copyrights material to the business of such Grantor;

(viii) each Grantor uses adequate standards of quality in the manufacture, distribution and sale of all products sold and in the provision of all services rendered under or in connection with all Trademark Collateral and has taken all action necessary to insure that all licensees of the Trademark Collateral owned by such Grantor use such adequate standards of quality;

(ix) except for such matters which are disclosed in Schedule 4.7(H) (as such schedule may be amended or supplemented from time to time) and which would not reasonably be expected to result in a Material Adverse Effect, to such Grantor's knowledge, (i) the conduct of such Grantor's business does not infringe upon, misappropriate, dilute or otherwise violate any trademark, patent, copyright, trade secret or other intellectual property right owned or controlled by a third party and (ii) no claim has been made that the use of any Intellectual Property owned or used by Grantor (or any of its respective licensees) infringes, misappropriates, dilutes, or otherwise violates the asserted rights of any third party;

(x) except for such matters which are disclosed in Schedule 4.7(H) (as such schedule may be amended or supplemented from time to time), to such Grantor's knowledge, no third party is infringing upon or otherwise violating any rights in any Intellectual Property owned or used by such Grantor and material to its business;

(xi) except for such matters which are disclosed in Schedule 4.7(H) (as such schedule may be amended or supplemented from time to time) and which would not reasonably be expected to result in a Material Adverse Effect, no settlement or consents, covenants not to sue, nonassertion assurances or releases have been entered into by Grantor or to which Grantor is bound that adversely affect Grantor's rights to own or use any Intellectual Property that is material to such

Grantor's business; and

(xii) except as permitted hereunder, each Grantor has not made a previous assignment, sale, transfer or agreement constituting a present or future assignment, sale, transfer or agreement of any Intellectual Property that has not been terminated or released. Except for filings in relation to Permitted Liens, there is no effective financing statement or other document or instrument now executed, or on file or recorded in any public office, granting a security interest in or otherwise encumbering any part of the Intellectual Property, other than in favor of the Security Agent.

(b) Covenants and Agreements. Each Grantor hereby covenants and agrees as follows:

(i) it shall not do any act or omit to do any act whereby any of the Intellectual Property which is material to the business of Grantor may lapse, or become abandoned, cancelled, dedicated to the public, or unenforceable, or which would

adversely affect the validity, grant, or enforceability of the security interest granted therein;

(ii) it shall not, with respect to any Trademarks which are material to the business of any Grantor, cease the use of any of such Trademarks or fail to maintain the level of the quality of products sold and services rendered under any of such Trademark at a level at least substantially consistent with the quality of such products and services as of the date hereof, and each Grantor shall take all steps necessary to insure that licensees of such Trademarks use such consistent standards of quality;

(iii) it shall promptly notify the Security Agent if it knows or has reason to know that any item of the Intellectual Property that is material to the business of any Grantor may become (a) abandoned or dedicated to the public or placed in the public domain, (b) invalid or unenforceable, (c) subject to any adverse determination or development (including the institution of proceedings) in any action or proceeding in the United States Patent and Trademark Office, the United States Copyright Office, any state registry, any foreign counterpart of the foregoing, or any court) or (d) the subject of any asserted reversion or termination rights;

(iv) it shall take all reasonable steps in the United States Patent and Trademark Office, the United States Copyright Office, any state registry or any foreign counterpart of the foregoing, to pursue any application and maintain any registration or issuance of each Trademark, Patent, and Copyright owned by any Grantor and material to its business which is now or shall become included in the Intellectual Property, including, but not limited to, those items on Schedule 4.7(A), (C) and (E) (as each may be amended or supplemented from time to time);

(v) in the event that any Intellectual Property that is material to any Grantor's business and owned by or exclusively licensed to any Grantor is infringed, misappropriated, diluted or otherwise violated by a third party, such Grantor shall promptly take all reasonable actions to stop such infringement, misappropriation, dilution or other violation and protect its rights in such Intellectual Property including, but not limited to, the initiation of a suit for injunctive relief and to recover damages;

(vi) it shall promptly (but in no event more than thirty (30) days after any Grantor obtains knowledge thereof) report to the Security Agent (i) the filing of any application to register any Intellectual Property with the United States Patent and Trademark Office, the United States Copyright Office or any state registry or foreign counterpart of the foregoing (whether such application is filed by such Grantor or through any agent, employee, licensee, or designee thereof), (ii) the registration of any Intellectual Property by any such office, (iii) the acquisition of any Intellectual Property that is registered or applied for in any such office, and (iv) the filing of any "statement of use" or "amendment to allege use" in the PTO with respect to any "intent to use" Trademark application owned by such Grantor, in each case by executing and delivering to the Security Agent a completed Pledge Supplement, substantially in the form of Exhibit A attached hereto, together with all Supplements to Schedules thereto;

(vii) it shall, promptly upon the reasonable request of the Security Agent, execute and deliver to the Security Agent any document (including each Intellectual Property Security Agreement) required to acknowledge, confirm, register, record or perfect the Security Agent's interest in any part of the Intellectual Property, whether now owned or hereafter acquired;

(viii) except with the prior consent of the Security Agent or as permitted under the Indenture, each Grantor shall not execute, and there will not be on file in any public office, any financing statement or other document or instruments, except financing statements or other documents or instruments filed or to be filed in favor of the Security Agent and each Grantor shall not sell, assign, transfer, license, grant any option or create or suffer to exist any Lien upon or with respect to the Intellectual Property, except for the Lien created by and under this Agreement and the other Notes Documents and other Permitted Liens;

(ix) it shall hereafter use best efforts so as not to permit the inclusion in any contract to which it hereafter becomes a party of any provision that could or might in any way materially impair or prevent the creation of a security interest in, or the assignment of, such Grantor's rights and interests in any property included within the definitions of any Intellectual Property material to such Grantor's business acquired under such contracts;

(x) it shall take all steps reasonably necessary to protect the secrecy of all Trade Secrets, including, without limitation, entering into confidentiality agreements with employees and consultants and labeling and restricting access to secret information and documents;

(xi) it shall use proper statutory notice, in all material respects, in connection with its use of any of the Intellectual Property; and

(xii) it shall continue to collect, at its own expense, all amounts due or to become due to such Grantor in respect of the Intellectual Property or any portion thereof. In connection with such collections, each Grantor may take (and, at the Security Agent's reasonable direction, shall take) such action as such Grantor or the Security Agent may deem reasonably necessary or advisable to enforce collection of such amounts. Notwithstanding the foregoing, the Security Agent shall have the right at any time, to notify, or require any Grantor to notify, any obligors with respect to any such amounts of the existence of the security interest created hereby.

4.8 Commercial Tort Claims. Representations and Warranties. Each Grantor hereby represents and warrants, on the date hereof, that Schedule 4.8 (as such schedule may be amended or supplemented from time to time) sets forth all Commercial Tort Claims of each Grantor; and

(b) Covenants and Agreements. Each Grantor hereby covenants and agrees that with respect to any Commercial Tort Claim hereafter arising that could reasonably be likely to result in an award in favor of such Grantor in excess of $15 million it shall deliver to the

Security Agent a completed Pledge Supplement, substantially in the form of Exhibit A attached hereto, together with all Supplements to Schedules thereto, identifying such new Commercial Tort Claims.

4.9 Communications Regulatory Requirements. Notwithstanding any other provision of this Agreement, to the extent that the Collateral includes Communications Licenses the foreclosure on; the sale, transfer or other disposition of; or the exercise of any right to vote or consent with respect to; any of such Communications Licenses as provided herein or any other action taken or proposed to be taken by the Security Agent which would affect the operational, voting, or other control of the Company, shall be pursuant to the Communications Laws.

(b) If an Event of Default shall have occurred and be continuing, each Grantor shall take any action which the Security Agent may request in the exercise of its rights and remedies under this Agreement in order to transfer and assign the Collateral to the Security Agent, or to such one or more third parties as the Security Agent may designate, or to a combination of the foregoing, consistent with Section 4.9(a). To enforce the provisions of this Section 4.9, the Security Agent is authorized to seek the appointment of a receiver, or to seek from the FCC (and any other Governmental Authority, if required) consent to an involuntary transfer of control of Company for the purpose of seeking a bona fide purchaser to whom control will ultimately be transferred, or both. Each Grantor hereby agrees to apply to the FCC (and any other Governmental Authority) to request that authorization for such an involuntary transfer of control upon the request of the Security Agent. Upon the occurrence and continuance of an Event of Default, each Grantor shall use its best efforts to assist in obtaining approval of the FCC and any other Governmental Authority, if required, for any action or transactions contemplated by this Agreement including, without limitation, the preparation, execution and filing with the FCC and any other Governmental Authority of the assignor's or transferor's portion of any application or applications for consent to assignment or transfer of control necessary or appropriate under the Communications Laws for approval of the transfer or assignment of any portion of the Collateral.

(c) Each Grantor acknowledges that authorization from the FCC and any other Governmental Authority for the transfer of control of the licenses of such Grantor is integral to the Security Agent's realization of the value of the Collateral, that there is no remedy at law for failure by such Grantor to comply with the provisions of this Section 4.9 and that such failure would not be adequately compensable in damages, and therefore agrees that the agreements contained in this Section 4.9 may be specifically enforced.

(d) Notwithstanding anything to the contrary contained in this Agreement, the Indenture or the other Notes Documents, the Security Agent shall not, without first obtaining the approval of the FCC and any other Governmental Authority, take any action that is not permitted by the FCC or other Governmental Authority or any other applicable law, or that would constitute or result in any change of control of Company or an assignment of any Communications License held by Company if such change in control or assignment would require, under then existing Communications Laws, the prior approval of the FCC and any other Governmental Authority. In an Event of Default, (a) voting rights shall remain with each Grantor unless and until the FCC and all other applicable Governmental Authorities have approved the assignment of the Communications Licenses or transfer of control and (b) subject

to any regulatory approvals required by the Communications Laws there will be either a private or public sale of the pledged shares.

SECTION 5. ACCESS; RIGHT OF INSPECTION AND FURTHER ASSURANCES; ADDITIONAL GRANTORS.

5.1 Access; Right of Inspection. Each Grantor will permit the Security Agent to visit and inspect any of the properties of any Grantor to inspect, and to discuss its and their affairs, finances and accounts with its and their officers and independent public accountants, all upon reasonable notice and during normal business hours and as coordinated by the Security Agent, which visits and inspections should be limited to no more than one per year for the Security Agent so long as no Event of Default has occurred and is continuing. Each Grantor will keep proper books of record and accounts in which full, true and correct entries in conformity in all material respects with GAAP shall be made of all dealings and transactions in relation to its business and activities.

5.2 Further Assurances. Except to the extent perfection is not required hereunder (because of a materiality threshold or otherwise), each Grantor agrees that from time to time, at the expense of such Grantor, that it shall promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary or reasonably desirable, or that the Security Agent may reasonably request, in order to create and/or maintain the validity, perfection or priority of and protect any security interest granted or purported to be granted hereby or to enable the Security Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral. Without limiting the generality of the foregoing, each Grantor:

(i) hereby authorizes the filing of such financing or continuation statements, or amendments thereto, and agrees to execute and deliver such other agreements, instruments, endorsements, powers of attorney or notices, as may be necessary or reasonably desirable, or as the Security Agent may reasonably request, in order to effect, reflect, perfect and preserve the security interests granted or purported to be granted hereby;

(ii) shall take all actions necessary to ensure the recordation of appropriate evidence of the liens and security interest granted hereunder in any Intellectual Property with any intellectual property registry in which said Intellectual Property is registered or issued or in which an application for registration or issuance is pending, including, without limitation, the United States Patent and Trademark Office and the United States Copyright Office;

(iii) at any reasonable time following the occurrence of and during the continuation of an Event of Default, upon request by the Security Agent, shall assemble the Collateral and allow inspection of the Collateral by the Security Agent, or persons designated by the Security Agent; and

(iv) at the Security Agent's reasonable request, shall appear in and defend any action or proceeding that may affect such Grantor's title to or the Security Agent's security interest in all or any part of the Collateral

(b) Each Grantor hereby authorizes the Security Agent to file a Record or Records, including, without limitation, financing or continuation statements, Intellectual Property Security Agreements and amendments and supplements to any of the foregoing, in any jurisdictions and with any filing offices as the Security Agent may determine, in its reasonable discretion, are necessary or advisable to perfect or otherwise protect the security interest granted to the Security Agent herein. Such financing statements may describe the Collateral in the same manner as described herein or may contain an indication or description of collateral that describes such property in any other manner as the Security Agent may determine, in its reasonable discretion, is necessary, advisable or prudent to ensure the perfection of the security interest in the Collateral granted to the Security Agent herein, including, without limitation, describing such property as "all assets" or "all personal property, whether now owned or hereafter acquired, developed or created" or words of similar effect. Each Grantor shall furnish to the Security Agent from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as the Security Agent may reasonably request, all in reasonable detail.

(c) Each Grantor hereby authorizes the Security Agent to modify this Agreement after obtaining such Grantor's approval of or signature to such modification by amending Schedule 4.7 (as such schedule may be amended or supplemented from time to time) to include reference to any right, title or interest in any existing Intellectual Property or any Intellectual Property acquired or developed by any Grantor after the execution hereof or to delete any reference to any right, title or interest in any Intellectual Property in which any Grantor no longer has or claims any right, title or interest.

5.3 Additional Grantors. From time to time subsequent to the date hereof, additional Persons that are Subsidiaries of Company may become parties hereto as additional Grantors (each, an "**Additional Grantor**"), by executing a New Grantor Pledge Supplement, in substantially the form of Exhibit A-2 ("**New Grantor Pledge Supplement**"). Upon delivery of any such New Grantor Pledge Supplement to the Security Agent, each Additional Grantor shall be a Grantor and shall be as fully a party hereto as if Additional Grantor were an original signatory hereto. Each Grantor expressly agrees that its obligations arising hereunder shall not be affected or diminished by the addition or release of any other Grantor hereunder, nor by any election of the Security Agent not to cause any Subsidiary of Company to become an Additional Grantor hereunder. This Agreement shall be fully effective as to any Grantor that is or becomes a party hereto regardless of whether any other Person becomes or fails to become or ceases to be a Grantor hereunder.

SECTION 6. SECURITY AGENT APPOINTED ATTORNEY-IN-FACT.

6.1 Power of Attorney. Each Grantor hereby irrevocably appoints the Security Agent (such appointment being coupled with an interest) as such Grantor's attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor, the Security Agent or otherwise, from time to time in the Security Agent's discretion to take any action and to execute any instrument that the Security Agent may deem reasonably necessary or advisable to accomplish the purposes of this Agreement, including, without limitation, the following:

(a) upon the occurrence and during the continuance of any Event of Default, to obtain and adjust insurance required to be maintained by such Grantor or paid to the Security Agent pursuant to the Indenture;

(b) upon the occurrence and during the continuance of any Event of Default, to ask for, demand, collect, sue for, recover, compound, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(c) upon the occurrence and during the continuance of any Event of Default, to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection with clause (b) above;

(d) upon the occurrence and during the continuance of any Event of Default, to file any claims or take any action or institute any proceedings that the Security Agent may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of the Security Agent with respect to any of the Collateral;

(e) to prepare and file any UCC financing statements against such Grantor as debtor;

(f) to prepare, sign and file for recordation in any intellectual property registry, appropriate evidence of the lien and security interest granted herein in any Intellectual Property in the name of such Grantor as debtor;

(g) to take or cause to be taken all actions necessary to perform or comply or cause performance or compliance with the terms of this Agreement, including, without limitation, access to pay or discharge taxes (other than taxes being contested in good faith) or Liens (other than Permitted Liens) levied or placed upon or threatened against the Collateral, the legality or validity thereof and the amounts necessary to discharge the same to be determined by the Security Agent in its reasonable discretion, any such payments made by the Security Agent to become obligations of such Grantor to the Security Agent, due and payable immediately without demand; and

(h) (i) upon the occurrence and during the continuance of any Event of Default, generally to sell, transfer, lease, license, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Security Agent were the absolute owner thereof for all purposes and do all acts and things that the Security Agent deems reasonably necessary to realize upon the Collateral and the Security Agent's security interest therein, and (ii) to do, at the Security Agent's option and such Grantor's expense, at any time or from time to time, all acts and things that the Security Agent deems reasonably necessary to protect, preserve or realize upon the Collateral and the Security Agent's security interest therein in order to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

6.2 No Duty on the Part of Security Agent or Secured Parties The powers conferred on the Security Agent hereunder are solely to protect the interests of the Secured Parties in the Collateral and shall not impose any duty upon the Security Agent or any other Secured Party to exercise any such powers; provided, however, that Security Agent shall afford

Collateral in its custody with the same degree of care as it affords similar property for its own account. The Security Agent and the other Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct. Such appointment as attorney-in-fact must be exercised consistently with the Communications Laws, including, but not limited to, compliance with the FCC's rules concerning the execution and filing of applications, reports and documents, or other instruments with the FCC. Each Grantor agrees to cooperate in making any required filings, or any filings necessary for the operation of its or its subsidiaries' businesses, with the FCC and any other Governmental Authority.

6.3 Appointment Pursuant to Indenture. The Security Agent has been appointed as collateral agent pursuant to the Indenture. The rights, duties, privileges, immunities and indemnities of the Security Agent hereunder are subject to the provisions of the Indenture.

SECTION 7. REMEDIES.

7.1 Generally. If any Event of Default shall have occurred and be continuing, the Security Agent may exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it at law or in equity, all the rights and remedies of the Security Agent on default under the UCC (whether or not the UCC applies to the affected Collateral) to collect, enforce or satisfy any Secured Obligations then owing, whether by acceleration or otherwise, and also may pursue any of the following separately, successively or simultaneously:

(i) require any Grantor to, and each Grantor hereby agrees that it shall at its expense and promptly upon request of the Security Agent forthwith, assemble all or part of the Collateral as directed by the Security Agent and make it available to the Security Agent at a place to be designated by the Security Agent that is reasonably convenient to both parties;

(ii) enter onto the property where any Collateral is located and take possession thereof with or without judicial process;

(iii) prior to the disposition of the Collateral, store, process, repair or recondition the Collateral or otherwise prepare the Collateral for disposition in any manner to the extent the Security Agent deems appropriate; and

(iv) without notice except as specified below or under the UCC, sell, assign, lease, license (on an exclusive or nonexclusive basis) or otherwise

dispose of the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Security Agent's offices or elsewhere, for cash, on credit or for future delivery, at such time or times and at such price or prices and upon such other terms as the Security Agent may deem commercially reasonable.

(b) Subject to Section 4.9 herein, the Security Agent or any other Secured Party may be the purchaser of any or all of the Collateral at any public or private (to the extent to the portion of the Collateral being privately sold is of a kind that is customarily sold on a

recognized market or the subject of widely distributed standard price quotations) sale in accordance with the UCC and the Security Agent, as collateral agent for and representative of the Secured Parties, shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale made in accordance with the UCC, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any Collateral payable by the Security Agent at such sale. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten (10) days notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Security Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Security Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Grantor agrees that it would not be commercially unreasonable for the Security Agent to dispose of the Collateral or any portion thereof by using Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets. Each Grantor hereby waives any claims against the Security Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if the Security Agent accepts the first offer received and does not offer such Collateral to more than one offeree. If the proceeds of any sale or other disposition of the Collateral are insufficient to pay all the Secured Obligations, Grantors shall be liable for the deficiency and the fees of any attorneys employed by the Security Agent to collect such deficiency. Each Grantor further agrees that a breach of any of the covenants contained in this Section will cause irreparable injury to the Security Agent, that the Security Agent has no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section shall be specifically enforceable against such Grantor, and such Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no default has occurred giving rise to the Secured Obligations becoming due and payable prior to their stated maturities. Nothing in this Section shall in any way alter the rights of the Security Agent hereunder.

(c) The Security Agent may sell the Collateral without giving any warranties as to the Collateral. The Security Agent may specifically disclaim or modify any warranties of title or the like. This procedure will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

(d) The Security Agent shall have no obligation to marshal any of the Collateral.

7.2 Application of Proceeds. Except as expressly provided elsewhere in this Agreement, all proceeds received by the Security Agent in respect of any sale of, any collection from or other realization upon all or any part of the Collateral shall be applied in full or in part by the Security Agent, or turned over to the Administrative Agent for application in full or in part

by the Administrative Agent, against the Secured Obligations as set forth in Section 6.10 of the Indenture (with references therein to the Administrative Agent to be construed to also apply to the Security Agent).

7.3 Sales on Credit. If the Security Agent sells any of the Collateral upon credit, Grantor will be credited only with payments actually made by purchaser and received by the Security Agent and applied to indebtedness of the purchaser. In the event the purchaser fails to pay for the Collateral, the Security Agent may resell the Collateral and Grantor shall be credited with proceeds of the sale.

7.4 Investment Related Property. Each Grantor recognizes that, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws, the Security Agent may be compelled, with respect to any sale of all or any part of the Investment Related Property conducted without prior registration or qualification of such Investment Related Property under the Securities Act and/or such state securities laws, to limit purchasers to those who will agree, among other things, to acquire the Investment Related Property for their own account, for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges that any such private sale may be at prices and on terms less favorable than those obtainable through a public sale without such restrictions (including a public offering made pursuant to a registration statement under the Securities Act) and, notwithstanding such circumstances, each Grantor agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner and that the Security Agent shall have no obligation to engage in public sales and no obligation to delay the sale of any Investment Related Property for the period of time necessary to permit the issuer thereof to register it for a form of public sale requiring registration under the Securities Act or under applicable state securities laws, even if such issuer would, or should, agree to so register it. If the Security Agent determines to exercise its right to sell any or all of the Investment Related Property, upon written request, each Grantor shall and shall cause each issuer of any Pledged Stock to be sold hereunder, each partnership and each limited liability company from time to time to furnish to the Security Agent all such information as the Security Agent may request in order to determine the number and nature of interest, shares or other instruments included in the Investment Related Property which may be sold by the Security Agent in exempt transactions under the Securities Act and the rules and regulations of the Securities and Exchange Commission thereunder, as the same are from time to time in effect.

7.5 Intellectual Property. Anything contained herein to the contrary notwithstanding, in addition to the other rights and remedies provided herein, upon the occurrence and during the continuation of an Event of Default:

(i) the Security Agent shall have the right (but not the obligation) to bring suit or otherwise commence any action or proceeding in the name of any Grantor, the Security Agent or otherwise, in the Security Agent's sole discretion, to enforce any Intellectual Property, in which event such Grantor shall, at the request of the Security Agent, do any and all lawful acts and execute any and all documents required by the Security Agent in aid of such enforcement and such Grantor shall promptly, upon demand, reimburse and indemnify the Security Agent as provided in Section 10 hereof in connection with the exercise of its rights under this Section, and, to the extent that the

Security Agent shall elect not to bring suit to enforce any Intellectual Property as provided in this Section, each Grantor agrees to use all reasonable measures, whether by action, suit, proceeding or otherwise, to prevent the infringement, misappropriation, dilution or other violation of any of such Grantor's rights in the Intellectual Property that is material to its business by others and for that purpose agrees to diligently maintain any action, suit or proceeding against any Person so infringing, misappropriating, diluting or otherwise violating as shall be necessary to prevent such infringement, misappropriation, dilution or violation;

(ii) upon written demand from the Security Agent in connection with a foreclosure or other exercise of remedies permitted by applicable law, each Grantor shall grant, assign, convey or otherwise transfer to the Security Agent or Security Agent's designee an absolute assignment of all of such Grantor's right,

title and interest in and to any Intellectual Property and shall execute and deliver to the Security Agent such documents as are necessary or appropriate to carry out the intent and purposes of this Agreement;

(iii) each Grantor agrees that such an assignment and/or recording shall be applied to reduce the Secured Obligations outstanding only to the extent that the Security Agent (or any other Secured Party) receives cash proceeds in respect of the sale of, or other realization upon, any such Intellectual Property;

(iv) within five (5) Business Days after written notice from the Security Agent, each Grantor shall make available to the Security Agent, to the extent within such Grantor's power and authority, such personnel in such Grantor's employ on the date of such Event of Default as the Security Agent may reasonably designate, by name, title or job responsibility, to permit such Grantor to continue, directly or indirectly, to produce, advertise and sell the products and services sold or delivered by such Grantor under or in connection with any Trademarks or Trademark Licenses, such persons to be available to perform their prior functions on the Security Agent's behalf and to be compensated by the Security Agent at such Grantor's expense on a per diem, pro-rata basis consistent with the salary and benefit structure applicable to each as of the date of such Event of Default; and

(v) the Security Agent shall have the right to notify, or require each Grantor to notify, any obligors with respect to amounts due or to become due to such Grantor in respect of any Intellectual Property of such Grantor, of the existence of the security interest created herein, to direct such obligors to make payment of all such amounts directly to the Security Agent, and, upon such notification and at the expense of such Grantor, to enforce collection of any such amounts and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done;

(1) all amounts and proceeds (including checks and other instruments) received by Grantor in respect of amounts due to such Grantor in respect of the Collateral or any portion thereof shall be received in trust for the benefit of the Security Agent hereunder, shall be segregated from other funds of such Grantor and shall be

forthwith paid over or delivered to the Security Agent in the same form as so received (with any necessary endorsement) to be held as cash Collateral and applied as provided by Section 7.6 hereof; and

(2) Grantor shall not adjust, settle or compromise the amount or payment of any such amount or release wholly or partly any obligor with respect thereto or allow any credit or discount thereon.

(b) If (i) an Event of Default shall have occurred and, by reason of cure, waiver, modification, amendment or otherwise, no longer be continuing, (ii) no other Event of Default shall have occurred and be continuing, (iii) an assignment or other transfer to the Security Agent of any rights, title and interests in and to any Intellectual Property of such Grantor shall have been previously made and shall have become absolute and effective and (iv) the Secured Obligations shall not have become immediately due and payable, upon the written request of any Grantor, the Security Agent shall promptly execute and deliver to such Grantor, at such Grantor's sole cost and expense, such assignments or other transfer as may be necessary to reassign to such Grantor any such rights, title and interests as may have been assigned to the Security Agent as aforesaid, subject to any disposition thereof that may have been made by the Security Agent; provided, after giving effect to such reassignment, the Security Agent's security interest granted pursuant hereto, as well as all other rights and remedies of the Security Agent granted hereunder, shall continue to be in full force and effect; and provided further, the rights, title and interests so reassigned shall be free and clear of any other Liens granted by or on behalf of the Security Agent and the Secured Parties.

(c) Solely for the purpose of enabling the Security Agent to exercise rights and remedies under this Section 7 and at such time as the Security Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Security Agent, to the extent it has the right to do so, an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to such Grantor), subject, in the case of Trademarks, to sufficient rights to quality control and inspection in favor of such Grantor to avoid the risk of invalidation of said Trademarks, to use, operate under, license or sublicense and otherwise exploit any Intellectual Property now or hereafter owned or held by such Grantor.

7.6 Cash Proceeds. In addition to the rights of the Security Agent specified in Section 4.3 with respect to payments of Receivables, after occurrence and during the continuance of an Event of Default, upon request by the Security Agent, all proceeds of any Collateral received by any Grantor consisting of cash, checks and other near-cash items (collectively, "**Cash Proceeds**") shall be held by such Grantor in trust for the Security Agent, segregated from other funds of such Grantor, and shall, forthwith upon receipt by such Grantor, unless otherwise provided in this Agreement or any other Notes Document, be turned over to the Security Agent in the exact form received by such Grantor (duly indorsed by such Grantor to the Security Agent, if required) and held by the Security Agent in a Collateral Account. Any Cash Proceeds received by the Security Agent (whether from a Grantor or otherwise): (i) if no Event of Default shall have occurred and be continuing, shall be held by the Security Agent for the ratable benefit of the Secured Parties, as collateral security for the Secured Obligations (whether matured or unmatured) and, upon request of Company, returned to Company, and (ii) if an Event of Default shall have occurred and be continuing, may, in the sole discretion of the Security Agent, (A) be

held by the Security Agent for the ratable benefit of the Secured Parties, as collateral security for the Secured Obligations (whether matured or unmatured) and/or (B) then or at any time thereafter may be applied by the Security Agent against the Secured Obligations then due and owing.

SECTION 8. SECURITY AGENT.

The Security Agent has been appointed to act as Security Agent hereunder by the Holders and, by their acceptance of the benefits hereof, the other Secured Parties. The Security Agent shall be obligated, and shall have the right hereunder, to make demands, to give notices, to exercise or refrain from exercising any rights and to take or refrain from taking any action (including, without limitation, the release or substitution of Collateral), solely in accordance with the Intercreditor Agreement, any Additional Intercreditor Agreement, this Agreement and the Indenture. In furtherance of the foregoing provisions of this Section, each Secured Party, by its acceptance of the benefits hereof, agrees that it shall have no right individually to realize upon any of the Collateral hereunder, it being understood and agreed by such Secured Party that all rights and remedies hereunder may be exercised solely by the Security Agent for the benefit of Secured Parties in accordance with the terms of this Section. Security Agent may resign at any time by giving thirty (30) days' prior written notice thereof to the Holders, the Trustee and the Grantors, and Security Agent may be removed at any time with or without cause by an instrument or concurrent instruments in writing delivered to the Grantors and Security Agent signed by the Trustee on behalf of the Holders of a majority in principal amount of the Notes then outstanding (the "**Required Holders**"). Upon any such notice of resignation or any such removal, Required Holders shall have the right, upon five (5) Business Days' notice to the Security Agent, following receipt of the Grantors' consent (which shall not be unreasonably withheld or delayed and which shall not be required while an Event of Default exists), to appoint a successor Security Agent. Upon the acceptance of any appointment as Security Agent hereunder by a successor Security Agent, that successor will become Security Agent under this Agreement, and the retiring or removed Security Agent under this Agreement shall promptly (i) transfer to such successor Security Agent all sums, Securities and other items of Collateral held hereunder, together with all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Security Agent under this Agreement, and (ii) execute and deliver to such successor Security Agent such amendments to financing statements, and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Security Agent of the security interests created hereunder, whereupon such retiring or removed Security Agent shall be discharged from its duties and obligations under this Agreement. After any retiring or removed Security Agent's resignation or removal hereunder as the Security Agent, the provisions of this Agreement shall inure to its benefit as to any actions taken or omitted to be taken by it under this Agreement while it was the Security Agent hereunder.

SECTION 9. CONTINUING SECURITY INTEREST.

(a) This Agreement shall create a continuing security interest in the Collateral and shall remain in full force and effect until the full and final payment of all Secured Obligations (other than contingent indemnification obligations as to which no claim has been asserted), and be binding upon each Grantor, its successors and assigns and inure, together with

the rights and remedies of the Security Agent hereunder, to the benefit of the Security Agent and its successors, transferees and assigns. Without limiting the generality of the foregoing, but subject to the terms of the Indenture, any Holder may assign or otherwise transfer any Notes held by it to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Holder herein or otherwise. Upon the full and final payment of all Secured Obligations (other than contingent indemnification obligations as to which no claim has been asserted), the security interest granted hereby shall terminate hereunder and of record and all rights to the Collateral shall revert to Grantors.

(b) Prior to the Existing Credit Agreement Discharge Date, upon any disposition of property permitted by the Indenture, the Liens granted herein shall be deemed to be automatically released and such property shall automatically revert to the applicable Grantor with no further action on the part of any Person.

(c) On or after the Existing Credit Agreement Discharge Date, upon (i) any sale or disposition of property of a Grantor to a Person other than the Issuer or a Guarantor or (ii) the consummation of any other transaction permitted by the Indenture as a result of which such Grantor becomes an Excluded Subsidiary or such Grantor is released from its Note Guarantee, the Liens granted herein shall be deemed to be automatically released and such property shall automatically revert to the applicable Grantor with no further action on the part of any Person.

(d) On or after the Existing Credit Agreement Discharge Date, upon any Collateral being or becoming an Excluded Asset, the security interests created pursuant to this Agreement on such Collateral shall be automatically released.

(e) The Grantor shall also be entitled to release the security interests created pursuant to this Agreement as set forth in Section 11.05 of the Indenture.

(f) In connection with any termination or release pursuant to the foregoing clauses (a), (b), (c), (d) or (e), the Security Agent shall, at the Grantors' expense, execute and deliver or otherwise authorize the filing of such documents as such Grantors shall reasonably request, in form and substance reasonably satisfactory to the Security Agent, including financing statement amendments to evidence such release or termination.

SECTION 10. STANDARD OF CARE; SECURITY AGENT MAY PERFORM.

The powers conferred on the Security Agent hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the exercise of reasonable care in the custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Security Agent shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. The Security Agent shall be deemed to have exercised reasonable care in the custody and preservation of Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Security Agent accords its own property. Neither the Security Agent nor any of its directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral

upon the request of any Grantor or otherwise. If any Grantor fails to perform any agreement contained herein, the Security Agent may itself perform, or cause performance of, such agreement, and the expenses of the Security Agent incurred in connection therewith shall be payable by each Grantor under Section 11.06 of the Indenture.

SECTION 11. INTERCREDITOR AGREEMENT.

Notwithstanding anything herein to the contrary, (i) the Liens and security interests granted to the Security Agent pursuant to this Agreement and the exercise of any right or remedy by the Security Agent hereunder, are subject to the provisions of the Intercreditor Agreement or any Additional Intercreditor Agreement and (ii) any Collateral (to the extent the possession thereof perfects a Lien thereon under the Uniform Commercial Code of any jurisdiction) may be held by the Controlling Collateral Agent (as defined in the Intercreditor Agreement) (or its agents or bailees) in accordance with Section 2.09 of the Intercreditor Agreement. In the event of any conflict between the terms of any such Intercreditor Agreement or Additional Intercreditor Agreement and the terms of this Agreement, the terms of any such Intercreditor Agreement or Additional Intercreditor Agreement shall govern and control. No right, power or remedy granted to the Security Agent hereunder shall be exercised by the Security Agent, and no direction shall be given by the Security Agent, in contravention of any such Intercreditor Agreement or Additional Intercreditor Agreement.

SECTION 12. MISCELLANEOUS.

Any notice required or permitted to be given under this Agreement shall be given in accordance with Section 12.01 of the Indenture: provided that any notice or communication to the Security Agent shall be address to 500 Stanton Christiana Rd. 3/Ops2, Newark, DE 19713. No failure or delay on the part of the Security Agent in the exercise of any power, right or privilege hereunder or under any other Notes Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. All rights and remedies existing under this Agreement and the other Notes Documents are cumulative to, and not exclusive of, any rights or remedies otherwise available. In case any provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists. This Agreement shall be binding upon and inure to the benefit of the Security Agent and Grantors and their respective successors and assigns. No Grantor shall, without the prior written consent of the Security Agent given in accordance with the Indenture, assign any right, duty or obligation hereunder. This Agreement and the other Notes Documents embody the entire agreement and understanding between Grantors and the Security Agent and supersede all prior agreements and understandings between such parties relating to the subject matter hereof and thereof. Accordingly, the Notes Documents may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of

the parties. There are no unwritten oral agreements between the parties. This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same

instrument; signature pages may be detached from multiple separate counterparts and attached to a single counterpart so that all signature pages are physically attached to the same document.

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND ALL CLAIMS AND CONTROVERSIES ARISING OUT OF THE SUBJECT MATTER HEREOF WHETHER SOUNDING IN CONTRACT LAW, TORT LAW OR OTHERWISE SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAW PROVISIONS THAT WOULD RESULT IN THE APPLICATION OF ANY OTHER LAW (OTHER THAN ANY MANDATORY PROVISIONS OF THE UCC RELATING TO THE LAW GOVERNING PERFECTION AND THE EFFECT OF PERFECTION OF THE SECURITY INTEREST).

THE PROVISIONS OF THE INDENTURE UNDER THE HEADINGS "CONSENT TO JURISDICTION AND SERVICE" ARE INCORPORATED HEREIN BY THIS REFERENCE AND SUCH INCORPORATION SHALL SURVIVE ANY TERMINATION OF THE INDENTURE.

IN WITNESS WHEREOF, each Grantor and the Security Agent have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first written above.

B. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Pledge and Security Agreement.

C. The Grantors have entered into the Pledge and Security Agreement in order to induce the Trustee and the Security Agent to enter into the Indenture.

D. Section 11.01 of the Indenture and Section 5.3 of the Pledge and Security Agreement provide that each Person that is required to become a party to the Pledge and Security Agreement pursuant to Section 11.01 of the Indenture shall become a Grantor with the same force and effect as if originally named as a Grantor therein for all purposes of the Pledge and Security Agreement upon execution and delivery by such Person of an instrument in the form of this Supplement or as otherwise provided in the Credit Agreement. Each undersigned Person (each a "**New Grantor**") is executing this Supplement in accordance with the requirements of the Pledge and Security Agreement to become a Grantor under the Pledge and Security Agreement in order to induce the Trustee and the Security Agent to enter into the Indenture.

Accordingly, the Security Agent and the New Grantors agree as follows:

SECTION 1. In accordance with Section 5.3 of the Pledge and Security Agreement, each New Grantor by its signature below becomes a Grantor under the Pledge and Security Agreement with the same force and effect as if originally named therein as a Grantor and each New Grantor hereby (a) agrees to all the terms and provisions of the Pledge and Security Agreement applicable to it as a Grantor thereunder and (b) represents and warrants that the representations and warranties made by it as a Grantor thereunder are true and correct on and as of the date hereof. TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT**, dated as of May 20, 2016 (as it may be amended, restated, supplemented or otherwise modified from time to time, this "**Agreement**"), is made by the entities identified as grantors on the signature pages hereto (collectively, the "**Grantors**") in favor of JPMORGAN CHASE BANK, N.A., as notes security agent for the Secured Parties (in such capacity, together with its successors and permitted assigns, the "**Security Agent**").

WHEREAS, the Grantors are party to a Notes Pledge and Security Agreement dated as of the date hereof (the "**Pledge and Security Agreement**") between each of the Grantors and the other grantors party thereto and the Security Agent pursuant to which the Grantors granted a security interest to the Security Agent in the Trademark Collateral (as defined below) and are required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantors hereby agree with the Security Agent as follows:

SECTION 1. Defined Terms

Unless otherwise defined herein, terms defined in the Pledge and Security Agreement and used herein have the meaning given to them in the Pledge and Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral

SECTION 2.1 Grant of Security. Each Grantor hereby grants to the Security Agent, for the benefit of the Secured Parties, a security interest in and continuing lien on all of such Grantor's right, title and interest in, to and under the following, in each case whether now or hereafter existing or in which any Grantor now has or hereafter acquires an interest and wherever the same may be located (collectively, the "**Trademark Collateral**"):

(a) all United States, and foreign trademarks, trade names, trade dress, corporate names, company names, business names, fictitious business names, Internet domain names, service marks, certification marks, collective marks, logos, other source or business identifiers, designs and general intangibles of a like nature, all registrations and applications for any of the foregoing including, but not limited to: (i) the registrations and listed on Schedule A hereto, (ii) all extensions or renewals of any of the foregoing, (iii) all of the goodwill of the business connected with the use of and symbolized by the foregoing, (iv) all rights corresponding thereto throughout the world, (v) the right to sue or otherwise recover for any past, present and future infringement or dilution of any of the foregoing or for any injury to goodwill, and (vi) all Proceeds of the foregoing, including, without limitation, license fees, royalties, income, payments, claims, damages, and proceeds of suit.

SECTION 2.2 Certain Limited Exclusions. Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 2.1 hereof attach to any application to register a Trademark in the U.S. Patent and Trademark Office (the "**PTO**") based upon Grantor's "intent to use" such Trademark (but only if

the grant of a security interest in such "intent to use" Trademark application violates 15 U.S.C. § 1060(a)) unless and until a "Statement of Use" or "Amendment to Allege Use" is filed in the PTO with respect thereto.

SECTION 3. Pledge and Security Agreement

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Security Agent for the Secured Parties pursuant to the Pledge and Security Agreement, and the Grantors hereby acknowledge and affirm that the rights and remedies of the Security Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Pledge and Security Agreement, the provisions of the Pledge and Security Agreement shall control.

SECTION 4. Governing Law

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND ALL CLAIMS AND CONTROVERSIES ARISING OUT OF THE SUBJECT MATTER HEREOF WHETHER SOUNDING IN CONTRACT LAW, TORT LAW OR OTHERWISE SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAW PROVISIONS THAT WOULD RESULT IN THE APPLICATION OF ANY OTHER LAW (OTHER THAN ANY MANDATORY PROVISIONS OF LAW RELATING TO THE LAW GOVERNING PERFECTION AND THE EFFECT OF PERFECTION OF THE SECURITY INTEREST).

SECTION 5. Counterparts

This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

[*Remainder of page intentionally left blank*]

ARTICLE 2
THE NOTES

Section 2.01 *Form and Dating*.

(a) *General*. The Notes and the Trustee's certificate of authentication will be substantially in the forms of Exhibits A1 and A2 hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage. Each Note will be dated the date of its authentication. The Notes shall be in denominations of $2,000 and integral multiples of $1,000 in excess thereof.

The terms and provisions contained in the Notes will constitute, and are hereby expressly made, a part of this Indenture and the Issuers and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(b) *Global Notes*. Notes issued in global form will be substantially in the form of Exhibits A1 or A2 hereto (including the Global Note Legend thereon and the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Notes issued in definitive form will be substantially in the form of Exhibit A1 hereto (but without the Global Note Legend thereon and without the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Each Global Note will represent such of the outstanding Notes as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented

thereby will be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

(c) *Temporary Global Notes.* Notes offered and sold in reliance on Regulation S will be issued initially in the form of the Regulation S Temporary Global Note, which will be deposited on behalf of the purchasers of the Notes represented thereby with the Trustee, at its New York office, as custodian for the Depositary, and registered in the name of the Depositary or the nominee of the Depositary for the accounts of designated agents holding on behalf of Euroclear or Clearstream, duly executed by the Issuers and authenticated by the Trustee as hereinafter provided. Following the termination of the Restricted Period, beneficial interests in the Regulation S Temporary Global Note will be exchanged for beneficial interests in the Regulation S Permanent Global Note pursuant to the Applicable Procedures. Simultaneously with the authentication of the Regulation S Permanent Global Note, the Trustee will cancel the Regulation S Temporary Global Note. The aggregate principal amount of the Regulation S Temporary Global Note and the Regulation S Permanent Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depositary or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

(1) *Euroclear and Clearstream Procedures Applicable.* The provisions of the "Operating Procedures of the Euroclear System" and "Terms and Conditions Governing Use of Euroclear" and the "General Terms and Conditions of Clearstream Banking" and "Customer Handbook" of Clearstream will be applicable to transfers of beneficial interests in the Regulation S Temporary Global Note and the Regulation S Permanent Global Note that are held by Participants through Euroclear or Clearstream.

Section 2.02 *Execution and Authentication*.

At least one Authorized Officer must sign the Notes for the Issuers by manual or facsimile signature.

If an Authorized Officer whose signature is on a Note no longer holds that office at the time a

Note is authenticated, the Note will nevertheless be valid.

A Note will not be valid until authenticated by the manual signature of the Trustee. The signature will be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee will, upon receipt of a written order of the Issuers signed by an Authorized Officer (an "*Authentication Order*"), authenticate Notes for original issue that may be validly issued under this Indenture, including any Additional Notes. The aggregate principal amount of Notes outstanding at any time may not exceed the aggregate principal amount of Notes authorized for issuance by the Issuers pursuant to one or more Authentication Orders, except as provided in Section 2.07 hereof.

The Trustee may appoint an authenticating agent acceptable to the Issuers to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent.

An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Issuers.

Section 2.03 *Registrar and Paying Agent.*

The Issuers will maintain an office or agency where Notes may be presented for registration of transfer or for exchange ("*Registrar*") and an office or agency where Notes may be presented for payment ("*Paying Agent*"). The Registrar will keep a register of the Notes and of their transfer and exchange. The Issuers may appoint one or more co-registrars and one or more additional paying agents. The term "Registrar" includes any co-registrar and the term "Paying Agent" includes any additional paying agent. The Issuers may change any Paying Agent or Registrar without notice to any Holder. The Issuers will notify the Trustee in writing of the name and address of any Paying Agent not a party to this Indenture. If the Issuers fail to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. Cequel or any of its Subsidiaries may act as Paying Agent or Registrar.

The Issuers initially appoint The Depository Trust Company ("*DTC*") to act as Depositary with respect to the Global Notes.

The Issuers initially appoint the Trustee to act as the Registrar and Paying Agent and to act as Custodian with respect to the Global Notes.

Section 2.04 *Paying Agent to Hold Money in Trust*

The Issuers will require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of, premium on, if any, or interest, if any, on the Notes, and will notify the Trustee of any default by the Issuers in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuers at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than Cequel or a Subsidiary of Cequel) will have no further liability for the money. If Cequel or a Subsidiary of Cequel acts as Paying Agent, it will segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Issuers, the Trustee will serve as Paying Agent for the Notes.

Section 2.05 *Holder Lists*.

The Trustee will preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Issuers will furnish to the Trustee at least seven Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

Section 2.06 *Transfer and Exchange*.

(a) *Transfer and Exchange of Global Notes.* A Global Note may not be transferred except as a whole by the Depositary to a nominee of the Depositary, by a nominee of the

Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. All Global Notes will be exchanged by the Issuers for Definitive Notes if:

(1) the Issuers deliver to the Trustee notice from the Depositary that it is unwilling or unable to continue to act as Depositary or that it is no longer a clearing agency registered under the Exchange Act and, in either case, a successor Depositary is not appointed by the Issuers within 120 days after the date of such

notice from the Depositary;

(2) the Issuers in their sole discretion determines that the Global Notes (in whole but not in part) should be exchanged for Definitive Notes and delivers a written notice to such effect to the Trustee; *provided* that in no event shall the Regulation S Temporary Global Note be exchanged by the Issuers for Definitive Notes prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act; or

(3) there has occurred and is continuing a Default or Event of Default with respect to the Notes.

Upon the occurrence of any of the preceding events in (1), (2) or (3) above, Definitive Notes shall be issued in such names as the Depositary shall instruct the Trustee. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10 hereof. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.06 or Section 2.07 or 2.10 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a), however, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b) or (c) hereof.

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes.* The transfer and exchange of beneficial interests in the Global Notes will be effected through the Depositary, in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Notes will be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also will require compliance with either subparagraph (1) or (2) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.06(g) hereof.

(3) *Transfer of Beneficial Interests to Another Restricted Global Note.* A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in the 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof;

(3) *Regulation S Temporary Global Note Legend.* The Regulation S Temporary Global Note will bear a Legend in substantially the following form:

"THE RIGHTS ATTACHING TO THIS REGULATION S TEMPORARY GLOBAL NOTE, AND THE CONDITIONS AND PROCEDURES GOVERNING ITS EXCHANGE FOR CERTIFICATED NOTES, ARE AS SPECIFIED IN THE INDENTURE (AS DEFINED HEREIN). NEITHER THE HOLDER NOR THE BENEFICIAL OWNERS OF THIS REGULATION S TEMPORARY GLOBAL NOTE SHALL BE ENTITLED TO RECEIVE PAYMENT OF INTEREST HEREON."

(g) *Cancellation and/or Adjustment of Global Notes.* At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note will be returned to or retained and canceled by the Trustee in accordance with Section 2.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note will be reduced accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note will be increased accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(h) *General Provisions Relating to Transfers and Exchanges.*

(1) To permit registrations of transfers and exchanges, the Issuers will execute and the Trustee will authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar's request.

(2) No service charge will be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuers may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 3.09, 4.13, 4.14 and 9.04 hereof).

(3) The Registrar will not be required to register the transfer of or exchange of any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes will be the valid obligations of the Issuers, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(5) Neither the Registrar nor the Issuers will be required:

(A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 hereof and ending at the close of business on the day of selection;

(B) to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(C) to register the transfer of or to exchange a Note between a record date and the next succeeding Interest Payment Date.

(6) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuers may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuers shall be affected by notice to the contrary.

(7) The Trustee will authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.

(8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

(i) *Exchange from Restricted Global Note to Unrestricted Global Note.* Upon compliance with the following procedures, all of the beneficial interests in a Restricted Global Note shall be exchanged for beneficial interests in the Unrestricted Global Note. In order to effect such exchange, the Issuers shall provide written notice to the Trustee instructing the Trustee to (i) direct the Depositary to transfer all of the outstanding beneficial interests in a particular Restricted Global Note to the Unrestricted Global Note and provide the Depositary with all such information as is necessary for the Depositary to appropriately credit and debit the relevant Holder accounts and (ii) provide prior written notice to all Holders of such exchange, which notice must include the date such exchange is to occur, the CUSIP number of the relevant Restricted Global Note and the CUSIP number of the Unrestricted Global Note into which such Holders' beneficial interests will be exchanged. As a condition to any such exchange pursuant to this Section 2.06(i), the Trustee shall be entitled to receive from the Issuers, and rely conclusively without any liability, upon an Officers' Certificate and an Opinion of Counsel in form and in substance reasonably satisfactory to the Trustee, to the effect that such transfer of beneficial interests to the Unrestricted Global Note shall be effected in compliance with the Securities Act. Upon such exchange of beneficial interests pursuant to this Section 2.06(i), the Registrar shall endorse Schedule A to the relevant Notes and reflect on its books and records the date of such transfer and a decrease and increase, respectively, in the principal amount of the applicable Restricted Global Note(s) and the Unrestricted Global Note, respectively, equal to the principal amount of beneficial interests transferred. Following any such transfer pursuant to this Section 2.06(i), the relevant Restricted Global Note shall be cancelled.

(j) *Transfers of Notes Held by Affiliates.* Any certificate (i) evidencing a Note that has been transferred to an affiliate (as defined in Rule 405) of the Issuers within one year after the Issue Date, as evidenced by a notation on the assignment form for such transfer or in the representation letter delivered in respect thereof or (ii) evidencing a Note that has been acquired from an affiliate (other than by an affiliate) in a transaction or a chain of transactions not involving any public offering, shall, until one year

after the last date on which either the Issuers or any affiliate of the Issuers was an owner of such Note, in each case, be in the form of a permanent Definitive Note and bear the Private Placement Legend subject to the restrictions in Section 2.06(f)(1). The Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 2.03 and this Section 2.06. The Issuers, at their sole cost and expense, shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable written notice to the Registrar.

Section 2.07 *Replacement Notes*.

If any mutilated Note is surrendered to the Trustee or the Issuers and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Issuers will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Issuers, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Issuers to protect the Issuers, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuers may charge for their expenses in replacing a Note.

Every replacement Note is an additional obligation of the Issuers and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 *Outstanding Notes*.

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because Cequel or an Affiliate of Cequel holds the Note; however, Notes held by Cequel or a Subsidiary of Cequel shall not be deemed to be outstanding for purposes of Section 3.07(a) hereof.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the

Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than Cequel or a Subsidiary of Cequel) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.09 *Treasury Notes*.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by Cequel, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with Cequel, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that the Trustee knows are so owned will be so disregarded.

Section 2.10 *Temporary Notes*.

Until certificates representing Notes are ready for delivery, the Issuers may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Issuers consider appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuers will prepare and the Trustee will authenticate Definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.11 *Cancellation*.

The Issuers at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will destroy canceled Notes (subject to the record retention requirement of the Exchange Act). Certification of the destruction of all canceled Notes will be delivered to the Issuers. The Issuers may not issue new Notes to replace Notes that they have paid or that have been delivered to the Trustee for cancellation.

Section 2.12 *Defaulted Interest.*

If the Issuers default in a payment of interest on the Notes, they will pay the defaulted interest in any lawful manner*plus*, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuers will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuers will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuers (or, upon the written request of the Issuers, the Trustee in the name and at the expense of the Issuers) will mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

ARTICLE 3
REDEMPTION AND PREPAYMENT

Section 3.01 *Notices to Trustee.*

If the Issuers elect to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it must furnish to the Trustee, at least 35 days but not more than 60 days before a redemption date, an Officers' Certificate setting forth:

(1) the clause of this Indenture pursuant to which the redemption shall occur;

(2) the redemption date;

(3) the principal amount of Notes to be redeemed; and

(4) the redemption price.

Section 3.02 *Selection of Notes to Be Redeemed or Purchased.*

If less than all of the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee will select Notes for redemption or purchase on a *pro rata* basis (or, in the case of Notes issued in global form pursuant to Article 2 hereof, based on a method that most nearly approximates a *pro rata* selection as the Trustee deems fair and appropriate) unless otherwise required by law or applicable stock exchange or depositary requirements.

In the event of partial redemption or purchase by lot, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the redemption or purchase date by the Trustee from the outstanding Notes not previously called for redemption or purchase.

The Trustee will promptly notify the Issuers in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in amounts of $2,000 or whole multiples of $1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 *Notice of Redemption.*

Except as set forth in Section 3.08 and Section 3.09 hereof, a notice of redemption will be mailed at least 30 days but not more than 60 days before a redemption date, which shall be mailed or caused to be mailed by the Issuers, by first class mail, to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Article 8 or 10 hereof.

The notice will identify the Notes to be redeemed and will state: the redemption date;

(1) the redemption price;

(2) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;

(3) the name and address of the Paying Agent;

(4) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(5) that, unless the Issuers default in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;

(6) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

(7) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Issuers' request, the Trustee will give the notice of redemption in the Issuers' name and at the Issuers' expense; *provided, however*, that the Issuers have delivered to the Trustee, at least 35 days (or such lesser time satisfactory to the Trustee) prior to the redemption date, an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price.

Section 3.05 *Deposit of Redemption or Purchase Price.*

One Business Day prior to the redemption or purchase date, the Issuers will deposit or cause to be deposited with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest, if any, on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return to the Issuers any money deposited with the Trustee or the Paying Agent by the Issuers in excess of the amounts necessary to pay the redemption or purchase price of and accrued interest, if any, on all Notes to be redeemed or purchased.

If the Issuers comply with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes

called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Issuers to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 *Notes Redeemed or Purchased in Part.*

Upon surrender of a Note that is redeemed or purchased in part, the Issuers will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Issuers a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07 *Optional Redemption.*

(a) At any time prior to September 15, 2015, the Issuers may on any one or more occasions redeem up to 40% of the aggregate principal amount of Notes issued under this Indenture, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 106.375% of the principal amount of the Notes redeemed, *plus* accrued and unpaid interest, if any, to the date of redemption (subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant Interest Payment Date), with the net cash proceeds of an Equity Offering by Cequel or a contribution to Cequel's common equity capital made with the net cash proceeds of a concurrent Equity Offering by a direct or indirect parent entity of Cequel; *provided* that:

(1) at least 60% of the aggregate principal amount of Notes originally issued under this Indenture (excluding Notes held by Cequel and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) At any time prior to September 15, 2015, the Issuers may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed, *plus* the Applicable Premium as of, and accrued and unpaid interest, if any, to the date of redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

(c) On or after September 15, 2015, the Issuers may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, *plus* accrued and unpaid interest, if any, on the Notes redeemed, to the applicable date of redemption, if redeemed during the twelve-month period beginning on September 15 of the years indicated

below, subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant interest payment date:

Year	Percentage
2015	104.781%
2016	103.188%
2017	101.594%
2018 and thereafter	100.000%

Unless the Issuers default in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(d) In connection with any redemption of the Notes (including with the net cash proceeds of an Equity Offering), any such redemption may, at the Issuers' discretion, be subject to one or more conditions precedent, including any related Equity Offering. In addition, if such redemption is subject to satisfaction of one or more conditions precedent, such notice of redemption shall describe each such condition, and if applicable, shall state that, in the Issuers' discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the stated redemption date, or by the redemption date as so delayed.

(e) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.08 *Special Mandatory Redemption*

If (1) the conditions to the release of the Escrow Property provided for in Section 4(b) of the Escrow Agreement have not been satisfied on or prior to March 1, 2013, or (2) Cequel shall notify the Escrow Agent in writing that the Acquisition is not being pursued or the Purchase Agreement shall have been amended, modified or waived, or any consent granted, in a manner that would be materially adverse to the Holders of Notes (as reasonably determined by Cequel), then within three Business Days of the earlier of the dates set forth in clauses (1) and (2) of this Section 3.08, the Escrow Issuers shall send or cause to be sent a notice of special mandatory redemption to all Holders of Notes. On the day falling three Business Days after such notice of special mandatory redemption has been sent to all Holders of Notes and the release of the Escrow Property to the Trustee has occurred, (the "Escrow Redemption Date"), the Notes shall be redeemed at the Escrow Redemption Price.

Section 3.09 *Offer to Purchase by Application of Excess Proceeds*

In the event that, pursuant to Section 4.13 hereof, the Issuers are required to commence an Asset Sale Offer, they will follow the procedures specified below.

The Asset Sale Offer shall be made to all Holders and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in this Indenture with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets. The Asset Sale Offer will remain open for a period of at least 20 Business Days following its

commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the "*Offer Period*"). No later than three Business Days after the termination of the Offer Period (the "*Purchase Date*"), the Issuers will apply all Excess Proceeds (the "*Offer Amount*") to the purchase of Notes and such other *pari passu* Indebtedness (on a *pro rata* basis based on the principal amount of Notes and such other *pari passu* Indebtedness surrendered, if applicable) or, if less than the Offer Amount has been tendered, all Notes and other Indebtedness tendered in response to the Asset Sale Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related Interest Payment Date, any accrued and unpaid interest, if any, will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

Upon the commencement of an Asset Sale Offer, the Issuers will send, by first class mail, a notice to the Trustee and each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The notice, which will govern the terms of the Asset Sale Offer, will state:

(1) that the Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.13 hereof and the length of time the Asset Sale Offer will remain open;

(2) the Offer Amount, the purchase price and the Purchase Date;

(3) that any Note not tendered or accepted for payment will continue to accrue interest;

(4) that, unless the Issuers default in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer will cease to accrue interest after the Purchase Date;

(5) that Holders electing to have a Note purchased pursuant to an Asset Sale Offer may elect to have Notes purchased only in denominations of $2,000 and in integral multiple of $1,000 in excess thereof;

(6) that Holders electing to have Notes purchased pursuant to any Asset Sale Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Issuers, a Depositary, if appointed by the Issuers, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;

(7) that Holders will be entitled to withdraw their election if the Issuers, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(8) that, if the aggregate principal amount of Notes and other *pari passu* Indebtedness surrendered by Holders thereof exceeds the Offer Amount, the Issuers will select the Notes and other *pari passu* Indebtedness to be purchased on a *pro rata* basis based on the principal amount of Notes and such other *pari passu* Indebtedness surrendered (with such adjustments as may be deemed appropriate by the Issuers so that only Notes in denominations of $2,000, or an integral multiple of $1,000 in excess thereof, will be purchased); and

(9) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Purchase Date, the Issuers will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Issuers in accordance with the terms of this Section 3.09. The Issuers, the Depositary or the Paying Agent, as the case may be, will promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Issuers for purchase, and the Issuers will promptly issue a new Note, and the Trustee, upon written request from the Issuers, will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Issuers to the Holder thereof. The Issuers will publicly announce the results of the Asset Sale Offer on the Purchase Date.

Other than as specifically provided in this Section 3.09, any purchase pursuant to this Section 3.09 shall be made pursuant to the provisions of Sections 3.02, 3.05 and 3.06 hereof.

ARTICLE 4
COVENANTS

Section 4.01 *Payment of Notes.*

The Issuers will pay or cause to be paid the principal of, premium on, if any, and interest, if any, on, the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest, if any, will be considered paid on the date due if the Paying Agent, if other than Cequel or a Subsidiary of Cequel, holds as of 10:00 a.m. Eastern Time on the due date money deposited by Issuers in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest, if any, then due.

The Issuers will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at a rate that is 1% higher than the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any

proceeding under any Bankruptcy Law) on overdue installments of interest, if any (without regard to any applicable grace period), at the same rate to the extent lawful.

Section 4.02 *Maintenance of Office or Agency.*

The Issuers will maintain in the Borough of Manhattan, the City of New York, an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuers in respect of the Notes and this Indenture may be served. The Issuers will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuers fail to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Issuers may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission will in any manner relieve the Issuers of their obligation to maintain an office or agency in the Borough of Manhattan, the City of New York for such purposes. The Issuers will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuers hereby designate the Corporate Trust Office of the Trustee as one such office or agency of the Issuers in accordance with Section 2.03 hereof.

Section 4.03 *Indebtedness and Preferred Stock.*

(a) Cequel will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become or remain directly or indirectly liable, contingently or otherwise, with respect to (collectively, "*incur*") any Indebtedness (including Acquired Indebtedness), and Cequel will not issue any Disqualified Stock and will not permit any of its Restricted Subsidiaries to issue any shares of Preferred Stock; *provided*, *however*, that either of the Issuers may incur Indebtedness (including Acquired Indebtedness) or issue Disqualified Stock, and the Credit Facility Subsidiaries of Cequel (including any Person that becomes a Credit Facility Subsidiary of Cequel upon such incurrence or otherwise) may incur Indebtedness (including Acquired Indebtedness) or issue Preferred Stock, if the Total Leverage Ratio for Cequel's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or such Preferred Stock is issued, as the case may be, would have been no greater than 7.5 to 1.0.

(b) The provisions of Section 4.03(a) hereof will not prohibit the incurrence of any of the following items of Indebtedness (collectively, "*Permitted Debt*").

(1) the incurrence by Cequel or any of its Credit Facility Subsidiaries of Indebtedness under Credit Facilities, including Credit Facilities governed by the Credit Agreement, in an aggregate principal amount not to exceed the greater of (y) $3.25

billion or (z) an amount equal to 4.0x Consolidated Adjusted EBITDA for the four full fiscal years for which internal financial statements are available preceding the date of such incurrence;

(2) Permitted Refinancing Indebtedness;

(3) the incurrence by the Issuers of Indebtedness represented by the Notes to be issued on the Issue Date;

(4) Indebtedness of any Restricted Subsidiary of Cequel or to any other Restricted Subsidiary of Cequel, or of Cequel to any Restricted Subsidiary of Cequel; *provided* that: (a) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than Cequel or a Restricted Subsidiary of Cequel; and (b) any sale or other transfer of any such Indebtedness to a Person that is not either an Issuer or a Restricted Subsidiary of Cequel, will be deemed, in each case, to constitute an incurrence of such Indebtedness by such Issuer or such Restricted Subsidiary of Cequel, as the case may be, that is no longer permitted by this clause (4) as of the date of such sale or transfer;

(5) the issuance by any of Cequel's Restricted Subsidiaries to Cequel or to any other Restricted Subsidiary of Cequel of shares of Preferred Stock; *provided* that: (a) any subsequent issuance or transfer of Equity Interests that results in any such Preferred Stock being held by a Person other than Cequel or a Restricted Subsidiary of Cequel; and (b) any sale or other transfer of any such Preferred Stock to a Person that is not either Cequel or a Restricted Subsidiary of Cequel, will be deemed, in each case, to constitute an issuance of Preferred Stock by such Restricted Subsidiary that is no longer permitted by this clause (5) as of the date of such sale or transfer;

(6) Indebtedness incurred by Cequel or any of its Restricted Subsidiaries arising from agreements providing for indemnification, adjustment of purchase price or similar obligations, or from guarantees or letters of credit, surety bonds, performance bonds or similar obligations securing the performance of Cequel or any such Restricted Subsidiary pursuant to such agreements, in connection with acquisitions or dispositions of any business or assets of Cequel or Restricted Subsidiary of Cequel;

(9) guarantees in the ordinary course of business of the obligations of suppliers, customers, franchisees and licensees of Cequel and its Restricted Subsidiaries;

(10) guarantees by Cequel and its Restricted Subsidiaries of Indebtedness otherwise permitted to be incurred pursuant to this Section 4.03; *provided* that if the

Indebtedness that is being guaranteed is unsecured and/or subordinated to the Notes, the guarantee shall also be unsecured and/or subordinated to the Notes;

(11) the incurrence by Cequel and its Restricted Subsidiaries of the Existing Indebtedness;

(12) (a) Indebtedness with respect to Capital Leases and/or purchase money Indebtedness (or any refinancing thereof) in an aggregate principal amount not to exceed $100.0 million at any one time outstanding; *provided* that any such purchase money Indebtedness shall be secured only by the assets acquired in connection with the incurrence of such Indebtedness (or the Indebtedness refinanced);

(13) Indebtedness in respect of endorsements for collection, deposit or negotiation and warranties of products or services, and contingent indemnification obligations of Cequel and its Restricted Subsidiaries to financial institutions entered into to obtain cash management services or Deposit Account overdraft protection services (in amount similar to those offered for comparable services in the financial industry) or other services in connection with the management or opening of deposit accounts or incurred as a result of endorsement of negotiable instruments for deposit or collection purposes, in each case, incurred in the ordinary course of business;

(14) Indebtedness under the Management Contract;

(15) Indebtedness pursuant to Hedge Agreements not entered into for speculative purposes;

(16) other Indebtedness incurred by Cequel or any of its Restricted Subsidiaries in an aggregate principal amount that, when aggregated with the principal amount of all other Indebtedness then outstanding and incurred pursuant to this clause (16) and all other Indebtedness incurred to refund, refinance or replace any Indebtedness incurred pursuant to this clause (16), does not at any one time outstanding exceed $500.0 million;

(17) (a) unsecured Indebtedness of Cequel or any of its Restricted Subsidiaries owing to any then existing or former director, officer or employee of Cequel or its Subsidiaries or their respective assigns, estates, heirs or their current or former spouses for the repurchase, redemption or other acquisition or retirement for value of any equity interest or equity equivalent of Cequel Holdings or any parent company held by them, to the extent such repurchase, redemption, acquisition or retirement is permitted pursuant to Section 4.05 hereof; (b) Indebtedness representing deferred compensation to employees of Cequel and its Restricted Subsidiaries incurred in the ordinary course of business; and (c) Indebtedness consisting of obligations of Cequel or its Restricted Subsidiaries under deferred employee compensation or other similar arrangements incurred by such Person in connection with acquisitions;

(18) Indebtedness of Cequel and its Restricted Subsidiaries assumed in connection with any Permitted Acquisition; *provided* that such Indebtedness is not incurred in contemplation of such Permitted Acquisition; and

(19) Contribution Indebtedness.

(c) Cequel will not incur, and will not permit any of its Restricted Subsidiaries to incur, any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of Cequel unless such Indebtedness is also contractually subordinated in right of payment to the Notes on substantially identical terms; *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Issuers solely by virtue of being unsecured or by virtue of being secured on a junior priority basis.

(d) For purposes of determining compliance with this Section 4.03, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (19) of Section 4.03(b) hereof, or is entitled to be incurred pursuant to Section 4.03(a) hereof, Cequel will be permitted to classify such item of Indebtedness on the date of its incurrence, or later reclassify all or a portion of such item of Indebtedness, in any manner that complies with this Section 4.03. Indebtedness under Credit Facilities outstanding on the Issue Date will initially be deemed to have been incurred on such date in reliance on the exception provided by clause (1) of Section 4.03(b) hereof. The accrual of interest or Preferred Stock dividends, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the reclassification of preferred stock as Indebtedness due to a change in accounting principles, and the payment of dividends on preferred stock or Disqualified Stock in the form of additional shares of the same class of preferred stock or Disqualified Stock will not be deemed to be an incurrence of Indebtedness or an issuance of preferred stock or Disqualified Stock for purposes of this Section 4.03. For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be utilized, calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred. Notwithstanding any other provision of this Section 4.03, the maximum amount of Indebtedness that Cequel or any Restricted Subsidiary may incur pursuant to this Section 4.03 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.

The amount of any Indebtedness outstanding as of any date will be:

(1) the accreted value of the Indebtedness, in the case of any Indebtedness issued with original issue discount;

(2) the principal amount of the Indebtedness, in the case of any other Indebtedness; and

(3) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:

(a) the Fair Market Value of such assets at the date of determination; and

(b) the amount of the Indebtedness of the other Person.

Section 4.04 *Liens*.

(a) Cequel shall not, directly or indirectly, create, incur, assume or permit to exist any Lien on or with respect to any property or asset of any kind (including any document or instrument in respect of goods or accounts receivable) of Cequel, whether now owned or hereafter acquired, unless:

(1) in the case of Liens securing Indebtedness that is Subordinated Indebtedness, the

Notes are secured by a Lien on such property or assets that is senior in priority to such Liens; and

(2) in all other cases, the Notes are equally and ratably secured;

provided that any Lien which is granted to secure the Notes under this Section 4.04(a) shall be automatically released and discharged at the same time as the release of the Lien that gave rise to the obligation to secure the Notes under this Section 4.04.

(b) The provisions of Section 4.04(a) hereof shall not prohibit:

(1) Liens for Taxes if obligations with respect to such Taxes are being contested in good faith by appropriate proceedings diligently conducted;

(2) statutory Liens of landlords, carriers, warehousemen, mechanics, repairmen, workmen and materialmen, and other Liens imposed by law (other than any such Lien imposed pursuant to Section 412(n) of the Internal Revenue Code or by ERISA), in each case incurred in the ordinary course of business (i) for amounts not yet overdue or (ii) for amounts that are overdue and that (in the case of any such amounts overdue for a period in excess of 30 days) are being contested in good faith by appropriate proceedings, so long as such reserves or other appropriate provisions, if any, as shall be required by GAAP shall have been made for any such contested amounts;

(3) Liens incurred in the ordinary course of business in connection with workers' compensation, unemployment insurance and other types of social security, or to secure the performance of tenders, statutory obligations, surety and appeal bonds, bids, leases, government contracts, trade contracts, performance and return of money bonds and other similar obligations (exclusive of obligations for the payment of borrowed money or other Indebtedness), so long as no foreclosure, sale or similar proceedings have been commenced with respect to any portion of the collateral on account thereof;

(4) easements, rights of way, restrictions, encroachments, and other minor defects or irregularities in title, in each case which do not and will not interfere in any material respect with the ordinary conduct of the business of Cequel or any of its Restricted Subsidiaries;

(5) any interest or title of a lessee, sublessee, lessor or sublessor under any lease of real estate or personal property not prohibited hereunder;

(6) Liens solely on any cash earnest money deposits made by Cequel in connection with any letter of intent or purchase agreement permitted hereunder;

(7) purported Liens evidenced by the filing of precautionary UCC financing statements relating solely to operating leases of personal property entered into in the ordinary course of business;

(8) any zoning or similar law or right reserved to or vested in any governmental office or agency to control or regulate the use of any real property;

(9) judgments, liens, writs, warrants, levies, distraints or attachments that do not constitute an Event of Default;

(10) any leases or subleases permitted hereby to other Persons of properties or assets owned or leased by Cequel;

(11) Liens arising solely by virtue of any statutory or common Law provision relating to banker's liens, rights of set-off and pooling arrangements upon

(12) Liens (A) of a collection bank arising under Section 4-210 of the UCC on items in the course of collection and (B) in favor of a banking institution arising as a matter of law encumbering deposits (including the right of set-off) and which are within the general parameters customary in the banking industry, in each case existing solely with respect to Cash or Cash Equivalents;

(13) Liens arising out of conditional sale, title retention, consignment or similar arrangements for inventory entered into by Cequel in the ordinary course of business and consistent with past practices;

(14) Liens on property (including Capital Stock) existing at the time of acquisition of the property by Cequel (including by merger or consolidation of a Person with Cequel); *provided* that such Liens were in existence prior to such acquisition and not incurred in contemplation of such acquisition;

(15) Liens existing on the Issue Date;

(16) Liens created pursuant to this Indenture or for the benefit of (or to secure) the Notes;

(17) Liens of Cequel to secure any Permitted Refinancing Indebtedness permitted to be incurred under this Indenture;*provided, however,* that:

(a) the new Lien is limited to all or part of the same property and assets that secured or, under the written agreements pursuant to which the original Lien arose, could secure the original Lien (plus improvements and accessions to, such property or proceeds or distributions thereof); and

(b) the Indebtedness secured by the new Lien is not increased to any amount greater than the sum of (x) the outstanding principal amount, or, if greater, committed amount, of the Indebtedness renewed, refunded, refinanced, replaced, defeased or discharged with such Permitted Refinancing Indebtedness and (y) an amount necessary to pay any fees and expenses, including premiums, related to such renewal, refunding, refinancing, replacement, defeasance or discharge; and

(18) other Liens securing obligations in an aggregate amount at any one time outstanding not to exceed $50.0 million.

Section 4.05 *Restricted Payments*.

Cequel shall not, nor shall it permit any of its Restricted Subsidiaries to, directly or indirectly, declare, order, pay, make or set apart, or agree to declare, order, pay, make or set apart, any sum for any Restricted Payment, except that:

(1) Cequel may pay any dividend within 60 days after the date of declaration of such dividend if the dividend would have been permitted on the date of declaration;

(2) Cequel and its Restricted Subsidiaries may make Restricted Payments to Cequel Holdings (a) in an amount not exceeding $5.0 million in any Fiscal Year to permit Cequel Holdings to pay administrative costs and expenses (including franchise and similar taxes) of Cequel Holdings and/or any direct or indirect parent entity; (b) in an amount equal to any director or officer indemnification claims attributable to Cequel and its Restricted Subsidiaries and payable by Cequel Holdings and/or any direct or indirect parent entity (net of any such amounts covered by insurance) and (c) in an amount equal to the fees and expenses payable by Cequel Holdings pursuant to the Management Contract;

(3) so long as no Default or Event of Default has occurred and is continuing or would be caused thereby, Cequel or any of its Restricted Subsidiaries may repurchase, redeem or otherwise acquire or retire for value any Equity Interests of Cequel Holdings, any direct or indirect parent entity of Cequel Holdings, any direct or indirect equityholder of Cequel, Cequel or any Restricted Subsidiary of Cequel held by any current or former officer, director or employee thereof or any member of the Equity Consortium or other minority equityholder who holds less than 5% of total Equity Interests in such companies owned by all members of the Equity Consortium or other minority equityholder pursuant to any equity subscription agreement, stock option agreement, shareholders' agreement or similar agreement or any Holder of a minority interest in Capital Stock thereof (or make distributions to Cequel Holdings to enable Cequel Holdings or any direct or indirect parent entity of Cequel Holdings to do so); *provided* that the aggregate price paid for all such repurchased, redeemed, acquired or retired equity interests may not exceed the sum of (i) $10.0 million in any calendar year (*plus* any such amount permitted without giving effect to this parenthetical in the immediately preceding calendar year but not so utilized) *plus* (ii) the proceeds of any key man life insurance policies received by Cequel and its Restricted Subsidiaries during such calendar year;

(4) Cequel may make distributions to Cequel Holdings in an amount equal to any federal, state local or foreign income Taxes solely attributable to the operations of Cequel and its Restricted Subsidiaries and payable by any direct or indirect holder of the Capital Stock of Cequel, net of any prior federal state, local or foreign income Tax losses utilized or carryforward generated by Cequel and its Restricted Subsidiaries (*provided, however* that the amount of such distributions in any Fiscal Year shall not exceed the amount Cequel and its Restricted Subsidiaries would be required to pay in respect of federal, state, local and foreign income Taxes if such entities were corporations paying Taxes on a consolidated basis with Cequel);

(5) Cequel may acquire Equity Interests of Cequel either (i) solely in exchange for Equity Interests of Cequel (other than Disqualified Stock) or (ii) through the application of the net proceeds of a substantially concurrent sale for cash (other than to a Subsidiary of Cequel) of Equity Interests of Cequel (other than Disqualified Stock); *provided* that the amount of any such exchanged Equity Interests or net cash proceeds that are utilized for any such Restricted Payment will not be considered to be net cash proceeds of a contribution to Cequel's common or preferred equity capital or from the issue or sale of Capital Stock of Cequel for purposes of clause (6)(C)(3) of this Section 4.05 and will not be considered to be net cash proceeds from an Equity Offering for purposes of Section 3.07(a) hereof.

(6) Cequel or its Restricted Subsidiaries may make Restricted Payments not otherwise permitted by this Section 4.05 so long as:

(A) no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof; and

(B) Cequel would, at the time of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the applicable Fiscal Quarter, have been permitted to incur at least $1.00 of additional Indebtedness pursuant to the Total Leverage Ratio test set forth in Section 4.03(a) hereof; and

(C) such Restricted Payment, together with the aggregate amount of all other Restricted Payments declared or made after the Issue Date pursuant to this subclause (C) shall not exceed, at the date of determination, the sum, without duplication, of: (1) $250.0 million; *plus* (2) an amount equal to Cequel's Consolidated Adjusted EBITDA from June 30, 2012 to the end of the most recently ended full Fiscal Quarter for which internal financial statements are available, taken as a single accounting period, *less* the product of 1.4 times Cequel's Consolidated Interest Expense from June 30, 2012 to the end of the

most recently ended full Fiscal Quarter for which internal financial statements are available, taken as a single accounting period; *plus* (3) 100% of the aggregate net cash proceeds and the Fair Market Value of any assets or property received by Cequel or its Restricted Subsidiaries since the Issue Date as a contribution to its common or preferred equity capital or from the issue or sale of Capital Stock of Cequel or its Restricted Subsidiaries (other than Excluded Contributions, Capital

Stock sold to a Subsidiary of Cequel and any debt security that is convertible into, or exchangeable for, Capital Stock of Cequel or its Restricted Subsidiaries until such debt security has been converted into, or exchanged for, Capital Stock of Cequel or its Restricted Subsidiaries); *plus* (4) to the extent that any Restricted Investment that was made after the Issue Date is sold for Cash or otherwise liquidated or repaid for Cash, the lesser of (x) the Cash return of capital with respect to such Restricted Investment (less the cost of disposition, if any) and (y) the initial amount of such Restricted Investment; *plus* (5) to the extent that any Unrestricted Subsidiary of Cequel designated as such after the Issue Date is redesignated as a Restricted Subsidiary after the Issue Date, the lesser of (x) the Fair Market Value of Cequel's Investment in such Subsidiary as of the date of such redesignation or (y) such Fair Market Value as of the date on which such Subsidiary was originally designated as an Unrestricted Subsidiary after the Issue Date; *plus* (6) 100% of any dividends received by Cequel or a Restricted Subsidiary of Cequel after June 30, 2012 from an Unrestricted Subsidiary of Cequel, to the extent that such dividends were not otherwise included in the Consolidated Net Income of Cequel for such period;

(7) Cequel may make distributions to Cequel Holdings in an aggregate amount not to exceed $585.0 million to fund the transactions contemplated by the Purchase Agreement, to pay fees and expenses related to the Acquisition or owed to Affiliates in connection therewith and to pay deferred fees to BC Partners and CPPIB;

(8) Cequel or its Restricted Subsidiaries may make Restricted Payments that are made with Excluded Contributions; and

(9) Cequel may make declarations and payment of dividends on Cequel's common stock (or the payment of dividends to any direct or indirect parent entity to fund a payment of dividends on such entity's common stock), following the first public offering of Cequel's common stock or the common stock of any of its direct or indirect parent companies after the Issue Date, of up to 6% per annum of the net cash proceeds received by or contributed to Cequel in or from any public offering, other than public offerings with respect to Cequel's common stock registered on Form S-8 and other than any public sale constituting an Excluded Contribution.

Section 4.06 *Restrictions on Subsidiary Distributions*.

Except as provided herein, Cequel shall not, nor shall it permit any of its Restricted Subsidiaries to, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or restriction of any kind on the ability of any Restricted Subsidiary of Cequel to (a) pay dividends or make any other distributions on any of such Restricted Subsidiary's Capital Stock owned by Cequel or any other Restricted Subsidiary of Cequel, (b) repay or prepay any Indebtedness owed by such Restricted Subsidiary to Cequel or any other Restricted Subsidiary of Cequel, (c) make loans or advances to Cequel or any other Restricted Subsidiary of Cequel, or (d) transfer any of its property or assets to Cequel or any other Restricted Subsidiary of Cequel other than restrictions: (i) in agreements evidencing Indebtedness permitted by clause (12) of Section 4.03(b) hereof that impose restrictions on the property so acquired; (ii) by reason of

customary provisions restricting dividends, distributions, assignments, subletting or other transfers contained in leases, licenses, franchises, permits, joint venture agreements and similar agreements entered into in the ordinary course of business; (iii) that are or were created by virtue of any transfer of, agreement to transfer or option or right with respect to any property, assets or Capital Stock not otherwise prohibited under this Agreement; (iv) on cash or other deposits imposed by customers under contracts entered into in the ordinary course of business; (v) with respect to any asset of Cequel or any of its Restricted Subsidiaries, imposed pursuant to an agreement which has been entered into for the sale or disposition of such assets or all or substantially all of the Capital Stock or assets of such Restricted Subsidiary, so long as such sale or disposition is permitted under this Agreement; (vi) of the type set forth in clause (a) only that are binding on a Restricted Subsidiary at the time such Restricted Subsidiary first becomes a Restricted Subsidiary of Cequel, so long as such prohibitions were not entered into solely in contemplation of such Person becoming a Restricted Subsidiary of Cequel; (vii) by reason of applicable law or any rule, regulation or order; (viii) existing under agreements or instruments existing on the Issue Date to the extent and in the manner such agreements are in effect on the Issue Date; (ix) existing under the Credit Agreement; (x) on the transfer of assets subject to any Lien permitted under Section 4.04 hereof imposed by the holder of such Lien; (xi) existing under other Indebtedness of Restricted Subsidiaries of Cequel permitted to be incurred pursuant to an agreement entered into subsequent to the Issue Date in accordance with Section 4.03 hereof; *provided*, *however*, that the Board of Directors of Cequel determines in good faith at the time such restrictions are created that such restrictions do not materially adversely affect Cequel's ability to pay principal of, and interest on, the Notes; and (xii) existing under an agreement governing Permitted Refinancing Indebtedness or governing Indebtedness that extends, refinances, renews, replaces, defeases or refunds Indebtedness issued, assumed or incurred pursuant to an agreement referred to in clause (viii) or (ix) above; *provided*, *however*, that the provisions relating to such encumbrance or restriction contained in any such Indebtedness are not in the aggregate materially less favorable to Cequel as determined by the Board of Directors of Cequel in their reasonable and good faith judgment than the provisions relating to such encumbrance or restriction contained in any such agreements.

Section 4.07 *Transactions with Affiliates.*

(a) Cequel shall not, nor shall it permit any of its Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of Cequel (each, an "*Affiliate Transaction*"), unless: (x) the Affiliate Transaction is on terms that are no less favorable to Cequel or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by Cequel or such Restricted Subsidiary with an unrelated Person; and (y) Cequel delivers to the Trustee:

(1) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $25.0 million, a resolution of Cequel's or the applicable Restricted Subsidiary's Board of Directors set forth in an Officers' Certificate certifying that such Affiliate Transaction has been approved by a majority of the disinterested members of Cequel's or the applicable Restricted Subsidiary's Board of Directors; and

(2) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $100.0 million, an opinion as to the fairness to Cequel or such Restricted Subsidiary of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of national standing.

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.07(a) hereof:

(2) transactions between or among Cequel and/or its Restricted Subsidiaries;

(7) payments of acquisition fees not in excess of 1.5% of the purchase consideration for Permitted Acquisitions occurring after the Issue Date;

(8) customary payments by Cequel or any of its Restricted Subsidiaries to any member of the Equity Consortium or their Affiliates made for any financial advisory, financing, underwriting or placement services or in respect of other investment banking activities (including in connection with acquisitions or divestitures), which payments are on arm's-length terms and are approved by the majority of the members of the Board of Directors of Cequel or a majority of the disinterested members of the Board of Directors of Cequel;

(9) (i) any agreement to pay, and the payment of, customary annual management, consulting, monitoring and advisory fees to members of the Equity Consortium in an amount not to exceed in any four quarter period the greater of (x) $10.0 million and (y) 1.5% of Consolidated Adjusted EBITDA of Cequel and its Restricted Subsidiaries for such period and related expenses; *provided* that any payment not made in any Fiscal Year may be carried forward and paid in the following two Fiscal Years and (ii) the payment of the present value of all amounts payable pursuant to any agreement described in clause (i) hereof in connection with the termination of such agreement;

(10) The transactions contemplated by the Purchase Agreement and the payment of all fees and expenses related to such transactions, in each case as described in the Offering Circular; and

(11) the transactions and payments contemplated by the Management Contract as in effect on the date of the consummation of the Acquisition.

(c) Notwithstanding anything in this Section 4.07 to the contrary, any transaction between (x) Cequel or any of its Restricted Subsidiaries and (y) the Management Company or any of its Affiliates (other than Cequel or any of its Restricted Subsidiaries or any Affiliate of the Management Company that is an Affiliate of the Management Company solely by way of its relationship with Cequel) shall be deemed an Affiliate Transaction subject to this Section 4.07, except as provided in (1) or (2) below:

(1) neither (x) the transactions contemplated by and payments under the Management Contract as in effect on the date of the consummation of the Acquisition, as amended, restated or otherwise modified from time to time so long as any economic terms contained therein are substantially similar to those contemplated by the Management Contract in effect on the date of the consummation of the Acquisition nor (y) payments described in clause (7) of Section 4.07(b) hereof shall constitute Affiliate Transactions; and

(2) a transaction consisting of any undertaking to pay fees or other compensation to the Management Company or its Affiliates in addition to the fees and payments contemplated by clause (1) above shall not constitute an Affiliate Transaction if (i) such undertaking is documented as an amendment to the Management Contract, (ii) such amendment is entered into substantially contemporaneously with an acquisition or any refinancing permitted hereunder or equity investment in any Parent Entity, (iii) the effect of such amendment is to increase the annual base fees payable to the Management Company by an amount that is no greater than (x) in the case of an acquisition, 2.0% of the total consolidated revenues of the acquired assets for the four full fiscal quarters for which internal financial statements are available preceding such acquisition and (y) in the case of a refinancing permitted hereunder or equity investment in any Parent Entity, 1.0% of Consolidated Adjusted EBITDA for the four full fiscal quarters for which internal financial statements are available preceding such refinancing or investment.

Section 4.08 *Conduct of Business.*

From and after the Issue Date, Cequel shall not, and shall not permit any of its Restricted Subsidiaries to, engage in any business other than the Permitted Business, except to such extent as would not be material to Cequel and its Restricted Subsidiaries taken as a whole.

Section 4.09 *Restrictions Affecting Cequel Capital.*

In addition to the other restrictions set forth in this Indenture, Cequel Capital may not hold any material assets, become liable for any material obligations or engage in any significant business activities; *provided* that Cequel Capital may be a co-obligor or guarantor with respect to Indebtedness if Cequel is a primary obligor of such Indebtedness and the net proceeds of such

Indebtedness are received by Cequel or one or more of Cequel's Subsidiaries other than Cequel Capital.

Section 4.10 *Designations of Restricted and Unrestricted Subsidiaries*.

(a) The Board of Directors of Cequel may designate any Subsidiary of Cequel (including any existing Subsidiary and any newly acquired or newly formed Subsidiary) to be an Unrestricted Subsidiary unless such Subsidiary or any of its Subsidiaries owns any Capital Stock or Indebtedness of, or owns or holds any Lien on, any property of, Cequel or any Restricted Subsidiary of Cequel (other than any Subsidiary of the Subsidiary to be so designated); *provided* that (i) any Unrestricted Subsidiary must be an entity of which shares of the Capital Stock or other equity interests (including partnership interests) entitled to cast at least a majority of the votes that may be cast by all shares or equity interests having ordinary voting power for the election of directors or other governing body are owned, directly or indirectly, by Cequel, (ii) such designation complies with Section 4.05 hereof and (iii) each of (A) the Subsidiary to be so designated and (B) its Subsidiaries has not at the time of designation, and does not thereafter, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable with respect to any Indebtedness pursuant to which any lender has recourse to any of the assets of Cequel or any Restricted Subsidiary.

(b) Cequel may designate any Unrestricted Subsidiary to be a Restricted Subsidiary;*provided* that: (1) no Default shall have occurred and be continuing; and

(2) such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of Cequel of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if such Indebtedness is permitted under Section 4.03 hereof.

(c) Any designation of a Subsidiary of Cequel as an Unrestricted Subsidiary will be evidenced to the Trustee by filing with the Trustee a certified copy of a resolution of the Board of Directors giving effect to such designation and an Officers' Certificate certifying that such designation complied with the preceding conditions. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary of Cequel will be deemed to be incurred by a Restricted Subsidiary of Cequel as of such date and, if such Indebtedness is not permitted to be incurred as of such date under Section 4.03 hereof, Cequel will be in default of such covenant.

Section 4.11 *Payments for Consent*

Cequel will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder of Notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid to all Holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Section 4.12 *Reports*

(a) So long as any Notes are outstanding, Cequel will furnish to the Trustee:

(1) within 90 days after the end of each Fiscal Year, annual reports of Cequel containing substantially all of the information that would have been required to be contained in an Annual Report on Form 10-K under the Exchange Act if Cequel had been a reporting company under the Exchange, including (A) "Management's Discussion and Analysis of Financial Condition and Results of Operations," (B) audited financial statements prepared in accordance with GAAP and (C) a presentation of Consolidated Adjusted EBITDA of Cequel and its Subsidiaries and from such financial statements;

(2) within 45 days after the end of each of the first three Fiscal Quarters of each Fiscal Year, quarterly reports of Cequel containing substantially all of the information that would have been required to be contained in a Quarterly Report on Form 10-Q under the Exchange Act if Cequel had been a reporting company under the Exchange Act, including (A) "Management's Discussion and Analysis of Financial Condition and Results of Operations," (B) unaudited quarterly financial statements prepared in accordance with GAAP and reviewed pursuant to Statement on Auditing Standards No. 100 (or any successor provision) and (C) a presentation of Consolidated Adjusted EBITDA of Cequel and derived from such financial statements; and

(3) within 5 Business Days after the occurrence of each event that would have been required to be reported in a Current Report on Form 8-K under the Exchange Act if Cequel had been a reporting company under the Exchange Act, current reports containing substantially all of the information that would have been required to be contained in a Current Report on Form 8-K under the Exchange Act if Cequel had been a reporting company under the Exchange Act; *provided*, *however*, that no such current report will be required to be furnished if Cequel determines in its good faith judgment that such event is not material to Holders of Notes or the business, assets, operations, financial positions or prospects of Cequel and its Restricted Subsidiaries, taken as a whole;

The reports required pursuant to clauses (1), (2) and (3) of this Section 4.12(a) hereof will not be required to comply with Section 302 or Section 404 of the Sarbanes-Oxley Act of 2002, or related Items 307 and 308 of Regulation S-K promulgated by the SEC, Item 10(e) of Regulation S-K (with respect to any non-GAAP financial measures contained therein) or any comparable successor provision.

(b) At any time that any of Cequel's Subsidiaries are Unrestricted Subsidiaries, then the quarterly and annual reports required by the preceding paragraph will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, and in "Management's Discussion and Analysis of Financial Condition and Results of Operations" or other comparable section, of the financial condition and results of operations of Cequel and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of Cequel.

(c) So long as any Notes are outstanding, the Issuers will also:

(1) issue a press release to an internationally recognized wire service no fewer than three Business Days prior to the first public disclosure of the annual and quarterly reports required by clauses (1) and (2) of Section 4.12(a) hereof announcing the date on which such reports will become publicly available and directing Holders of Notes, prospective investors, broker-dealers and securities analysts to contact the investor relations office of the Issuers to obtain copies of such reports;

(2) within 10 Business Days after furnishing to the Trustee the annual and quarterly reports required by clauses (1) and (2) of Section 4.12(a) hereof, hold a conference call to discuss such reports and the results of operations for the relevant reporting period;

(3) issue a press release (which may be combined with the press release pursuant to clause (1) above) to an internationally recognized wire service no fewer than three Business Days prior to the date of the conference call required to be held in accordance with this paragraph, announcing the time and date of such conference call and either including all information necessary to access the call or directing Holders of Notes, prospective investors, broker-dealers and securities analysts to contact the appropriate person at the Issuers to obtain such information; and

(4) maintain a website with no password protection to which all of the reports and press releases required by this "Reports" covenant are posted.

In addition, the Issuers shall furnish to Holders of Notes, prospective investors, broker-dealers and securities analysts, upon their request, any information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act so long as the Notes are not freely transferable under the Securities Act.

Section 4.13 *Asset Sales; Asset Swaps.*

(a) Cequel will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale or Asset Swap unless:

(1) Cequel (or the Restricted Subsidiary of Cequel, as the case may be) receives consideration at the time of the Asset Sale or Asset Swap at least equal to the Fair Market Value (determined in good faith by an Authorized Officer of Cequel (or such Restricted Subsidiary of Cequel, as the case may be) and measured as of the date of the definitive agreement with respect to such Asset Sale or Asset Swap) of the assets or Equity Interests issued or sold or otherwise disposed of; and

(2) with respect to individual Asset Sales (but not Asset Swaps) by Cequel or such Restricted Subsidiary of Cequel the proceeds of which are greater than $50.0 million, no less than 75% of the consideration for such Asset Sale shall be received in Cash or Cash Equivalents (provided that for purposes of this clause (2) only, debt instruments maturing within 12 months of the date of consummation of such Asset Sale

shall be deemed to be Cash Equivalents). For purposes of this provision, each of the following will also be deemed to be Cash:

(A) any liabilities, as shown on Cequel's most recent consolidated balance sheet, of Cequel or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes, which in any event shall not be considered when determining whether such 75% threshold has been met) that are assumed by the transferee of any such assets pursuant to a customary notation or indemnity agreement that releases Cequel or such Restricted Subsidiary of Cequel from or indemnifies against further liability;

(B) any securities, notes or other obligations received by Cequel or any such Restricted Subsidiary of Cequel from such transferee that are converted into cash within 60 days after such Asset Sale, to the extent of the cash received in that conversion; and

(C) any stock or assets of the kind referred to in clause (2) or (4) of Section 4.13(b) hereof.

(b) Within 18 months of receipt (or within 24 months of receipt if a binding commitment to reinvest is entered into within 18 months of receipt) of any Net Asset Sale Proceeds from an Asset Sale or Asset Swap, Cequel (or the applicable Restricted Subsidiary of Cequel, as the case may be) may apply such Net Asset Sale Proceeds:

(1) to repay (a) Indebtedness and other Obligations under a Credit Facility and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto and/or (b) Indebtedness of any Restricted Subsidiary of Cequel;

(2) to acquire all or substantially all of the assets of, or any Capital Stock of, another Permitted Business, if, after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary of Cequel;

(3) to make a capital expenditure; or

(4) to acquire other assets that are not classified as current assets under GAAP and that are used or useful in a Permitted Business.

(c) Pending the final application of any Net Asset Sale Proceeds, Cequel (or the applicable Restricted Subsidiary) may temporarily reduce revolving credit borrowings or otherwise invest the Net Asset Sale Proceeds in any manner that is not prohibited by this Indenture.

(d) Any Net Asset Sale Proceeds from Asset Sales or Asset Swaps that are not applied or invested as provided in Section 4.13(b) hereof will constitute "*Excess Proceeds*." When the aggregate amount of Excess Proceeds exceeds $50.0 million, within five days thereof, the Issuers will make an offer (an "*Asset Sale Offer*") to all holders of Notes and all Holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set

forth in this Indenture with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets in accordance with Section 3.09 hereof to purchase, prepay or redeem the maximum principal amount of Notes and such other *pari passu* Indebtedness (*plus* all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount, *plus* accrued and unpaid interest, if any, to the date of purchase, prepayment or redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Issuers may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered in (or required to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee will select the Notes and such other *pari passu* Indebtedness to be purchased on a *pro rata* basis, based on the amounts tendered or required to be prepaid or redeemed (with such adjustments as may be deemed appropriate by the Issuers so that only Notes in denominations of $2,000, or an integral multiple of $1,000 in excess thereof, will be purchased). Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

(e) The Issuers will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to Section 3.09 hereof or this Section 4.13. To the extent that the provisions of any securities laws or regulations conflict with Section 3.09 hereof or this Section 4.13, the Issuers will comply with the applicable securities laws and regulations and will not be deemed to have breached their obligations under Section 3.09 or 4.14 hereof or this Section 4.13 by virtue of such compliance.

Section 4.14 *Offer to Purchase Upon Change of Control*

(a) If a Change of Control occurs, each Holder of Notes will have the right to require the Issuers to repurchase all or any part (equal to $2,000 or an integral multiple of $1,000 in excess thereof) of that Holder's Notes pursuant to an offer (a "*Change of Control Offer*") on the terms set forth in this Indenture. In the Change of Control Offer, the Issuers will offer a payment (a "*Change of Control Payment*") in cash equal to 101% of the aggregate principal amount of Notes repurchased, *plus* accrued and unpaid interest, if any, on the Notes repurchased to the date of purchase, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date. Within ten days following any Change of Control, the Issuers will mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes on the date (the "*Change of Control Payment Date*") specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed, pursuant to the procedures required by this Indenture and described in such notice. The Issuers will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.14, the Issuers will comply with the

applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.14 by virtue of such compliance.

(b) On the Change of Control Payment Date, the Issuers will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control

Payment in respect of all Notes or portions of Notes properly tendered; and

(3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuers.

(c) The Paying Agent will promptly mail to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. The Issuers will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(d) The Issuers will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuers and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to this Indenture as described under Section 3.07 hereof, unless and until there is a default in payment of the applicable redemption price. Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control, conditioned upon the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

Section 4.15 *Covenant Suspension*

(a) If on any date following the Issue Date (i) the Notes have an Investment Grade Rating from both Rating Agencies and (ii) no Default or Event of Default has occurred and is continuing under this Indenture then, beginning on that day and continuing at all times thereafter until the Reversion Date (as defined below) (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "*Covenant Suspension Event*"), the Issuers and their Restricted Subsidiaries will not be subject to Sections 4.03, 4.05, 4.06, 4.07, 4.08, 4.13, 4.14 and clause (2) of Section 5.01 (the "*Suspended Covenants*").

(b) In the event that the Issuers and the Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of the foregoing, and on any subsequent date (the "*Reversion Date*") both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating, then

the Issuers and the Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants with respect to future events. The period beginning on the day of a Covenant Suspension Event and ending on a Reversion Date is called a "*Suspension Period.*"

(c) On each Reversion Date, all Indebtedness incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under clause (11) of Section 4.03(b). Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Section 4.05 will be made as though Section 4.05 had been in effect prior to, but not during, the Suspension Period. No Default or Event of Default will be deemed to have occurred on the Reversion Date (or thereafter) under any Suspended Covenant solely as a result of any actions taken by the Issuers or their Restricted Subsidiaries, or events occurring, during the Suspension Period. On and after each Reversion Date, the Issuers and their Subsidiaries will be permitted to consummate the transactions contemplated by any contract entered into during the Suspension Period so long as such contract and such consummation would have been permitted during such Suspension Period.

(d) For purposes of Section 4.13, on the Reversion Date, the unutilized Excess Proceeds amount will be reset to zero.

(e) For purposes of Section 4.06, on the Reversion Date, any contractual encumbrances or restrictions of the type specified in clauses (a), (b), (c) or (d) of Section 4.06 entered into during the Suspension Period will be deemed to have been in effect on the Issue Date, so that they are permitted under clause (viii) of Section 4.06.

(f) For purposes of Section 4.07, any Affiliate Transaction entered into after the Reversion Date pursuant to a contract, agreement, loan, advance or guaranty with, or for the benefit of, any Affiliate of the Issuer entered into during the Suspension Period will be deemed to have been in effect as of the Issue Date.

(g) During a Suspension Period, the Issuers may not designate any of its Subsidiaries as Unrestricted Subsidiaries pursuant to Section 4.10(a).

(h) The Issuer shall deliver promptly to the Trustee an officer's certificate notifying it of the commencement or termination of any Suspension Period. The Trustee shall have no independent obligation to determine if a Suspension Period has commenced or terminated, to notify the Holders of Notes regarding the same or to determine the consequences thereof.

Section 4.16 *Activities of the Escrow Issuers Prior to the Notes Assumption*

Prior to the Notes Assumption, the activities of the Escrow Issuers shall be restricted to issuing the Notes, issuing Capital Stock to, and receiving capital contributions from, Cequel or its Subsidiaries, performing their respective obligations under this Indenture and the Escrow Agreement, consummating the Notes Assumption or redeeming the Notes on the Escrow Redemption Date, as applicable, and conducting such other activities as are necessary or appropriate to carry out the activities described above. Prior to the Notes Assumption, the Escrow Issuers will not incur any Indebtedness other than the Notes.

Except as specified herein, the Escrow Issuers will not own, hold or otherwise have any interest in any assets other than the Escrow Account and the funds on deposit therein or credited thereto.

Section 4.17 *Notes Assumption*

(a) Substantially simultaneously with the consummation of the Acquisition, Escrow LLC shall be merged with and into Cequel, and Escrow Corporation shall be merged with and into Cequel Capital, which shall result in Cequel and Cequel Capital assuming all of the obligations of Escrow LLC and Escrow Corporation, respectively, under the Notes and this Indenture (the "*Notes Assumption*" and such date being the "*Notes Assumption Date*"). Upon the Notes Assumption Date, (i) Cequel shall deliver a notice to the Trustee notifying the Trustee that the Notes Assumption has occurred and (ii) Cequel and Cequel Corporation shall, without any further action or the delivery of any further documentation (including, without limitation, without entry into a supplemental indenture or delivery of an Officers' Certificate or an Opinion of Counsel) assume the obligations under the Notes and this Indenture and Cequel and Cequel Capital shall become the Issuers hereunder.

(b) Following the Notes Assumption Date, all of the restrictive covenants set forth in Sections 4.03 through and including Section 4.13 and Section 4.15 shall be deemed to have been applicable to Cequel and Cequel Capital, as applicable, beginning on the Issue Date, it being understood that the obligations under the Notes will only be incurred by Cequel and Cequel Capital, as applicable, as of the Notes Assumption Date, and, to the extent that Cequel and Cequel Capital, as applicable, took any action or inaction after the Issue Date and prior to the Notes Assumption Date that is prohibited by this Indenture, Cequel and Cequel Capital, as applicable, will be in Default as of the Notes Assumption Date. However, if the Notes Assumption Date does not occur, the foregoing covenants will not be considered applicable to Cequel and Cequel Capital notwithstanding anything herein to the contrary.

Section 4.18 *Compliance Certificate*.

(a) Cequel shall deliver to the Trustee, within 90 days after the end of each fiscal year, an Officers' Certificate stating that a review of the activities of Cequel and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Authorized Officers with a view to determining whether the Issuers have kept, observed, performed and fulfilled their obligations under this Indenture, and further stating, as to each such Authorized Officer signing such certificate, that to the best of his or her knowledge the Issuers have kept, observed, performed and fulfilled each and every covenant contained in this Indenture and are not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action Cequel is taking or proposes to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of, premium on, if any, or interest, if any, on, the Notes is prohibited or if such event has occurred, a description of the event and what action Cequel is taking or proposes to take with respect thereto.

(b) So long as not contrary to the then current recommendations of the American Institute of Certified Public Accountants, the year-end financial statements delivered pursuant to Section 4.12 hereof shall be accompanied by a written statement of Cequel's independent public accountants (who shall be a firm of established national reputation) that in making the examination necessary for certification of such financial statements, as it relates to accounting matters, nothing has come to their attention that would lead them to believe that Cequel has violated any provisions of Article 4 or Article 5 hereof or, if any such violation has occurred, specifying the nature and period of existence thereof, it being understood that such accountants shall not be liable directly or indirectly to any Person for any failure to obtain knowledge of any such violation.

(c) So long as any of the Notes are outstanding, the Issuers will deliver to the Trustee, forthwith upon any Authorized Officer becoming aware of any Default or Event of Default, an Officers' Certificate specifying such Default or Event of Default and what action the Issuers are taking or propose to take with respect thereto.

Section 4.19 *Taxes*.

Cequel will pay, and will cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

Section 4.20 *Stay, Extension and Usury Laws.*

Each of the Issuers covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and each of the Issuers (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.21 *Corporate Existence*.

Subject to Article 5 hereof, Cequel shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(1) subject to subsection (2) below, its corporate existence, and the corporate, partnership or other existence of each of its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of Cequel or any such Subsidiary of Cequel; and

(2) the rights (charter and statutory), licenses and Franchises of Cequel and its Subsidiaries;

provided, however, that Cequel shall not be required to preserve any such right, license or Franchise, or the corporate, partnership or other existence of any of its Subsidiaries, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of Cequel and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

ARTICLE 5
SUCCESSORS

Section 5.01 *Merger, Consolidation or Sale of Assets.*

Cequel will not, in a single transaction or series of related transactions, consolidate or merge with or into any Person, or sell, assign, transfer, lease, convey or otherwise dispose of (or cause or permit any Restricted Subsidiary of Cequel to sell, assign, transfer, lease, convey or otherwise dispose of) all or substantially all of Cequel's assets (determined on a consolidated basis for Cequel and Cequel's Restricted Subsidiaries) whether as an entirety or substantially as an entirety to any Person unless:

(1) either:

(A) Cequel shall be the surviving or continuing corporation; or

(B) the Person (if other than Cequel) formed by such consolidation or into which Cequel is merged or the Person which acquires by sale, assignment, transfer, lease, conveyance or other disposition the properties and assets of Cequel and of Cequel's Restricted Subsidiaries substantially as an entirety (the "*Surviving Entity*"):

(i) shall be a corporation organized and validly existing under the laws of the United States or any State thereof or the District of Columbia; and

(ii) shall expressly assume, by supplemental indenture (in form and substance reasonably satisfactory to the Trustee), executed and delivered to the Trustee, the due and punctual payment of the principal of, and premium, if any, and interest on all of the Notes and the performance of every covenant of the Notes and this Indenture on the part of Cequel to be performed or observed;

(2) immediately after giving effect to such transaction and the assumptions contemplated by clause (1)(B)(ii) of this Section 5.01 (including giving effect to any Indebtedness and Acquired Indebtedness incurred or anticipated to be incurred in connection with or in respect of such transaction), Cequel or such Surviving Entity, as the case may be, shall be able to incur at least $1.00 of additional Indebtedness pursuant to the Total Leverage Ratio test set forth in Section 4.03(a) hereof;

(3) immediately before and immediately after giving effect to such transaction and the assumptions contemplated by clause (1)(B)(ii) of this Section 5.01

without limitation, giving effect to any Indebtedness and Acquired Indebtedness incurred or anticipated to be incurred and any Lien granted in connection with or in respect of the transaction), no Default or Event of Default shall have occurred or be continuing; and

(4) Cequel or the Surviving Entity shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with the applicable provisions of this Indenture and that all conditions precedent in this Indenture relating to such transaction have been satisfied.

For purposes of the foregoing, the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the properties or assets of one or more Restricted Subsidiaries of Cequel, the Capital Stock of which constitutes all or substantially all of the properties and assets of Cequel (determined on a consolidated basis for Cequel and Cequel's Restricted Subsidiaries), shall be deemed to be the transfer of all or substantially all of the properties and assets of Cequel.

Notwithstanding the foregoing clauses (2) and (3) of this Section 5.01, Cequel may merge with an Affiliate that is a Person that has no material assets or liabilities and which was organized solely for the purpose of reorganizing Cequel in another jurisdiction. Notwithstanding anything contained in this Section 5.01 to the contrary, this Section 5.01 shall not apply to the consummation of the transactions contemplated by Section 4.17 hereof.

Section 5.02 *Successor Corporation Substituted.*

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of Cequel in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof, the successor Person formed by such consolidation or into or with which Cequel is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition, the provisions of this Indenture referring to "Cequel" (including the term "Issuers" or "Issuer", as applicable) shall refer instead to the successor Person and not to Cequel), and may exercise every right and power of Cequel under this Indenture with the same effect as if such successor Person had been named as Cequel herein; *provided, however*, that Cequel shall not be relieved from the obligation to pay the principal of, premium on, if any, and interest, if any, on, the Notes except in the case of a sale of all of Cequel's assets in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof.

ARTICLE 6

Each of the following is an "*Event of Default*":

(1) default for 30 days in the payment when due of interest on the Notes;

(2) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Notes;

(3) default in the payment of principal and interest on the Notes required to be redeemed pursuant to Section 3.08;

(4) failure by Cequel or any of its Restricted Subsidiaries for 60 days after notice to the Issuers by the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the other agreements in this Indenture, the Notes or the Escrow Agreement;

(5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by Cequel or any of its Restricted Subsidiaries (or the payment of which is guaranteed by Cequel or any of its Restricted Subsidiaries), whether such Indebtedness or guarantee now exists, or is created after the Issue Date, if that default:

(a) is caused by a failure to pay at final maturity (giving effect to any applicable grace periods and any extensions thereof) the stated principal of such Indebtedness (a "*Payment Default*"); or

(b) results in the acceleration of such Indebtedness prior to its Stated Maturity, and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates $100.0 million or more;

(6) failure by Cequel or any of its Restricted Subsidiaries to pay final judgments entered by a court or courts of competent jurisdiction aggregating in excess of $100.0 million, which judgments are not paid, discharged or stayed, for a period of 60 days;

(7) Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) pursuant to or within the meaning of Bankruptcy Law:

(B) consents to the entry of an order for relief against it in an involuntary case,

(C) makes a general assignment for the benefit of its creditors, or

(D) generally is not paying its debts as they become due; and

(8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(B) appoints a custodian of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) or for all or substantially all of the property of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary); or

(C) orders the liquidation of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary);

and the order or decree remains unstayed and in effect for 60 consecutive days.

Section 6.02 *Acceleration.*

In the case of an Event of Default specified in clause (7) or (8) of Section 6.01 hereof, with respect to Cequel, any Restricted Subsidiary of Cequel that is a Significant Subsidiary or any group of Restricted Subsidiaries of Cequel that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Upon any such declaration, the Notes shall become due and payable immediately.

Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of, premium on, if any or interest, if any, on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not

impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

Holders of at least a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest on, if any, the Notes (including in connection with an offer to purchase); *provided, however*, that the Holders of at least a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration or waive its consequences, including any related payment default that resulted from such acceleration, if the rescission would not conflict with any judgment or decree, except a continuing Default or Event of Default in the payment of principal, premium on, if any, or interest on the Notes. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 *Control by Majority.*

Holders of at least a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability.

Section 6.06 *Limitation on Suits.*

Except to enforce the right to receive payment of principal, premium, if any, or interest, if any, when due, no Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

(1) such Holder has previously given to the Trustee written notice that an Event of Default is continuing;

(2) Holders of at least 25% in aggregate principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;

(3) such Holder or Holders offer and, if requested, provide to the Trustee security or indemnity reasonably satisfactory to the Trustee against any loss, liability or expense;

(4) the Trustee does not comply with such request within 60 days after receipt of the request and the offer of security or indemnity; and

(5) during such 60-day period, Holders of a majority in aggregate principal amount of the then outstanding Notes do not give the Trustee a direction inconsistent with such request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

Section 6.07 *Rights of Holders of Notes to Receive Payment.*

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, premium on, if any, or interest, if any, on, the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee

of an express trust against the Issuers for the whole amount of principal of, premium on, if any, and interest, if any, remaining unpaid on, the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuers (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization,

arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities*.

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee, its agents and attorneys for amounts due under Section 7.06 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, if any, respectively; and

Third: to the Issuers or to such party as a court of competent jurisdiction shall direct. The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs*.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

ARTICLE 7
TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability. The Trustee will be under no obligation to exercise any of its rights and powers under this Indenture at the request of any Holders, unless such Holder has offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuers. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) In no event shall the Trustee be responsible for special, indirect or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel and the written advice of such counsel or any

Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuers will be sufficient if signed by an Authorized Officer of the Issuers.

(f) In case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee reasonable indemnity or security satisfactory to it against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(g) If the Trustee becomes a creditor of the Issuers, the Trustee will not have the right to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee will be permitted to engage in other transactions; however, if it acquires any conflicting interest it must eliminate such conflict within 90 days, or apply to the SEC for permission to continue as Trustee or resign.

(h) Except with respect to Section 4.01 hereof, the Trustee shall have no duty to inquire as to the performance of the Company with respect to the covenants contained in Article 4 hereof. In addition, the Trustee shall not be deemed to have knowledge of an Event of Default except (i) any Default or Event of Default occurring pursuant to Section 4.01, 6.01(1) or 6.01(2) hereof or (ii) any Default or Event of Default of which the Trustee shall have received written notification or obtained actual knowledge.

(i) Delivery of reports, information and documents to the Trustee under Section 4.12 hereof is for informational purposes only and the Trustee's receipt of the foregoing shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with Cequel or any Affiliate of Cequel with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days or resign. Any agent may do the same with like rights and duties. The Trustee is also subject to Section 7.09 hereof.

Section 7.04 *Trustee's Disclaimer.*

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuers' use of the proceeds from the Notes or any money paid to the Issuers or upon the Issuers' direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee will mail to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium on, if any, or interest, if any, on, any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

Section 7.06 *Compensation and Indemnity.*

(a) The Issuers will pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Issuers will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Issuers will indemnify the Trustee against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Issuers (including this Section 7.06) and defending itself against any claim (whether asserted by the Issuers, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence, willful misconduct or bad faith. The Trustee will notify the Issuers promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuers will not relieve the Issuers of their obligations hereunder. The Issuers will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Issuers will pay the reasonable fees and expenses

of such counsel. The Issuers are not required to pay for any settlement made without their consent, which consent will not be unreasonably withheld.

(c) The obligations of the Issuers under this Section 7.06 will survive the satisfaction and discharge of this Indenture.

(d) To secure the Issuers' payment obligations in this Section 7.06, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except

that held in trust to pay principal of, premium on, if any, or interest, if any, on, particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(7) or 6.01(8) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.07 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuers. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuers in writing. The Issuers may remove the Trustee if:

(1) the Trustee fails to comply with Section 7.09 hereof;

(2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(3) a custodian or public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuers will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuers.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuers, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.09 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the

successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.06 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Issuers' obligations under Section 7.06 hereof will continue for the benefit of the retiring Trustee.

Section 7.08 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

Section 7.09 *Eligibility; Disqualification.*

There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least $100.0 million as set forth in its most recent published annual report of condition.

ARTICLE 8
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Issuers may at any time, at the option of their Board of Directors evidenced by a resolution set forth in an Officers' Certificate, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge*.

Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuers will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Issuers will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other obligations under such Notes and this Indenture (and the Trustee, on demand of and at the expense of the Issuers, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium on, if any, or interest, if any, on, such Notes

when such payments are due from the trust referred to in Section 8.04 hereof;

(2) the Issuers' obligations with respect to such Notes under Article 2 and Section

4.02 hereof;

(3) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the

Issuers' obligations in connection therewith; and

(4) this Article 8.

Subject to compliance with this Article 8, the Issuers may exercise their option under this Section 8.02 notwithstanding the prior exercise of their option under Section 8.03 hereof.

Section 8.03 *Covenant Defeasance*.

Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuers will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14, 4.15, 4.16, 4.17, 4.18, 4.19, 4.20 and 5.01 hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Issuers may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes will be unaffected thereby. In addition, upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, the events set forth in Sections 6.01(4), (5) and (6) hereof will not constitute Events of Default.

Section 8.04 *Conditions to Legal or Covenant Defeasance*.

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

(1) the Issuers must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm, or firm of independent public accountants, to pay the principal of, premium on, if any, and interest, if any, on, the outstanding Notes on

the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Issuers must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of an election under Section 8.02 hereof, the Issuers must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that:

(A) the Issuers have received from, or there has been published by, the Internal Revenue Service a ruling; or

(B) since the Issue Date, there has been a change in the applicable federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of an election under Section 8.03 hereof, the Issuers must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default shall have occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other Indebtedness), and the granting of Liens to secure such borrowings);

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture and the agreements governing any other Indebtedness being defeased, discharged or replaced) to which any Issuer is a party or by which any Issuer is bound;

(6) the Issuers must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Issuers with the intent of preferring the Holders of Notes over the other creditors of the Issuers with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuers or others; and

(7) the Issuers must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Notwithstanding the foregoing, the requirements of clause (2) above with respect to an election under Section 8.02 hereof need not be complied with if all Notes not theretofore delivered to the Trustee for cancellation (x) have become due and payable or (y) will become due or payable on the maturity date within one year under

arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuers.

Section 8.05 *Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions*

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "*Trustee*") pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including an Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, if any, but such money need not be segregated from other funds except to the extent required by law.

The Issuers will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Issuers from time to time upon the request of the Issuers any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(2) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 *Repayment to Issuers*.

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuers, in trust for the payment of the principal of, premium on, if any, or interest, if any, on, any Note and remaining unclaimed for two years after such principal, premium, if any, or interest, if any, has become due and payable shall be paid to the Issuers on their request or (if then held by the Issuers) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Issuers for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuers as trustees thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuers cause to be published once, in the New York Times and The Wall Street Journal (national edition) or a comparable national financial publication, notice that such money remains unclaimed and that, after a date

specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuers.

Section 8.07 *Reinstatement*.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuers' obligations under this Indenture and the Notes will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Issuers make any payment of principal of, premium on, if any, or interest, if any, on, any Note following the reinstatement of its obligations, the Issuers will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders of Notes.*

Notwithstanding Section 9.02 hereof, without the consent of any Holder of Notes, the Issuers and the Trustee may amend or supplement this Indenture or the Notes:

(1) to cure any ambiguity, defect or inconsistency;

(2) to provide for uncertificated Notes in addition to or in place of certificated Notes;

(3) to provide for the assumption of Cequel's obligations to Holders of Notes in case of a merger or consolidation or sale of all or substantially all of Cequel's assets, as applicable;

(4) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights hereunder of any Holder;

(5) to comply with the requirements of the SEC in order to effect or maintain the qualification of this Indenture under the TIA;

(6) to conform the text of this Indenture or the Notes to any provision of the "Description of Notes" section of the Offering Circular, to the extent that such provision in that "Description of Notes" was intended to be a verbatim recitation of a provision of this Indenture or the Notes, which intent may be evidenced by an Officers' Certificate to that effect;

(7) to secure the Notes; or

(8) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture.

Upon the request of the Issuers accompanied by a resolution of their Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the Issuers in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee will not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 *With Consent of Holders of Notes*.

Except as provided below in this Section 9.02, the Issuers and the Trustee may amend or supplement this Indenture (including, without limitation, Sections 3.07, 3.08, 4.13 and 4.14 hereof) and the Notes with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without

limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium on, if any, or interest, if any, on, the Notes, except a Payment Default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture or the Notes may be waived with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Section 2.08 hereof shall determine which Notes are considered to be "outstanding" for purposes of this Section 9.02.

Upon the request of the Issuers accompanied by a resolution of their Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the Issuers in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental Indenture.

It is not necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuers will mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuers to mail such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or

supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of at least a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Issuers with any provision of this Indenture or the Notes. However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed maturity of any Note or alter or waive any of the provisions with respect to the redemption of the Notes (except as provided above with respect to Section 3.07, 3.08, 4.13 or 4.14 hereof);

(3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;

(4) waive a Default or Event of Default in the payment of principal of, premium on, if any, or interest, if any, on, the Notes (except a rescission or acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(5) make any Note payable in money other than that stated in the Notes;

(6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, premium on, if any, or interest, if any, on, the Notes;

(7) waive a redemption payment with respect to any Note (other than a payment required by Section 3.08, 4.13 or 4.14 hereof); or

(8) make any change in the preceding amendment and waiver provisions.

Section 9.03 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.04 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuers in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.05 *Trustee to Sign Amendments, etc.*

The Trustee will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Issuers may not sign an amended or supplemental indenture until their Board of Directors approves it. In executing any amended or supplemental indenture, the Trustee will be entitled to receive and (subject to Section 7.01 hereof) will be fully protected in relying upon an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture.

ARTICLE 10
SATISFACTION AND DISCHARGE

Section 10.01 *Satisfaction and Discharge.*

(a) This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) either:

(a) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment

money has been deposited in trust and thereafter repaid to the Issuers, have been delivered to the Trustee for cancellation; or

(b) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and the Issuers has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium, if any, and interest, if any, to the date of maturity or redemption;

(2) in respect of subclause (b) of clause (1) of this Section 10.01, no Default or Event of Default has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such

deposit and any similar deposit relating to other Indebtedness and, in each case, the granting of Liens to secure such borrowings) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which any Issuer is a party or by which any Issuer is bound (other than with respect to the borrowing of funds to be applied concurrently to make the deposit required to effect such satisfaction and discharge and any similar concurrent deposit relating to other Indebtedness, and in each case the granting of Liens to secure such borrowings);

(3) the Issuers have paid or caused to be paid all sums payable by them under this Indenture; and

(4) the Issuers have delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

In addition, the Issuers must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

(b) Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to subclause (b) of clause (1) of this Section 10.01, the provisions of Sections 10.02 and 8.06 hereof will survive. In addition, nothing in this Section 10.01 will be deemed to discharge those provisions of Section 7.06 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

(c) Notwithstanding the above, the Trustee shall pay to the Issuers from time to time upon their request any cash or Government Securities held by it as provided in this Section 10.01 which, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants expressed in a written certification delivered to the Trustee, are in excess of the amount thereof that would then be required to be deposited to effect a satisfaction and discharge under this Article 10.

(d) After the conditions to discharge contained in this Article 10 have been satisfied, and the Issuers have paid or caused to be paid all other sums payable hereunder by the Issuers, and delivered to the Trustee an Officers' Certificate and Opinion of Counsel, each stating that all conditions precedent to satisfaction and discharge have been satisfied, the Trustee upon written request shall acknowledge in writing the discharge of the obligations of the Issuers under this Indenture (except for any obligations hereunder that by the terms of such obligation expressly survive discharge of the Notes in accordance with this Section 10.01).

Section 10.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06 hereof, all money and Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Section 10.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including an Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, and interest, if any, for whose payment such money has been

deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 8.02, 8.03 or 10.01 hereof, as the case may be, by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuers' obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02, 8.03 or 10.01 hereof; *provided* that if the Issuers have made any payment of principal of, premium on, if any, or interest, if any, on, any Notes because of the reinstatement of their obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

Section 11.02 *Certificate and Opinion as to Conditions Precedent*.

Upon any request or application by the Issuers to the Trustee to take any action under this Indenture, the Issuers shall furnish to the Trustee:

(1) an Officers' Certificate in form and substance reasonably satisfactory to the Trustee stating that, in the opinion of the signers, all conditions precedent and covenants, if any, provided for in this Indenture relating to the proposed action have been satisfied; and

(2) an Opinion of Counsel in form and substance reasonably satisfactory to the Trustee (which must include the statements set forth in Section 11.03 hereof) stating that, in the opinion of such counsel, all such conditions precedent and covenants have been satisfied.

(1) a statement that the Person making such certificate or opinion has read such covenant or condition;

(2) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(3) a statement that, in the opinion of such Person, he or she has made such examination or investigation as is necessary to enable him or her to express an informed opinion as to whether or not such covenant or condition has been satisfied; and

(4) a statement as to whether or not, in the opinion of such Person, such condition or covenant has been satisfied.

Section 11.04 *Rules by Trustee and Agents.*

The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

Section 11.05 *No Personal Liability of Directors, Officers, Employees and Stockholders.*

No director, officer, employee, incorporator or stockholder of the Issuers or any of their direct or indirect parent companies or any of their Subsidiaries, as such, will have any liability for any obligations of the Issuers under the Notes, this Indenture, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Section 11.06 *Governing Law*.

THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THIS INDENTURE AND THE NOTES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

Section 11.07 *No Adverse Interpretation of Other Agreements.*

This Indenture may not be used to interpret any other indenture, loan or debt agreement of Cequel or its Subsidiaries or of any other Person. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

Section 11.08 *Successors*.

All agreements of the Issuers in this Indenture and the Notes will bind its successors. All agreements of the Trustee in this Indenture will bind its successors.

Section 11.09 *Severability*.

In case any provision in this Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 11.10 *Counterpart Originals.*

The parties may sign any number of copies of this Indenture. Each signed copy will be an original, but all of them together represent the same agreement.

Section 11.11 *Table of Contents, Headings, etc.*

The Table of Contents, Cross-Reference Table and Headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and will in no way modify or restrict any of the terms or provisions hereof.

Section 11.12 *Waiver of Jury Trial.*

EACH OF THE PARTIES TO THIS INDENTURE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THE INDENTURE, THE NOTES OR THE TRANSACTION CONTEMPLATED HEREBY.

Section 11.13 *Force Majeure.*

In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST*. The Issuers (which prior to the Notes Assumption shall be Cequel Communications Escrow I, LLC, a Delaware limited liability company ("Escrow LLC"), and Cequel Communications Escrow Capital Corporation, a Delaware corporation (together with Escrow LLC, the "Escrow Issuers"), and after the Notes Assumption shall be Cequel Communications Holdings I, LLC, a Delaware limited liability company ("Cequel"), and Cequel Capital Corporation, a Delaware corporation), promise to pay interest on the principal amount of this Note at 6.375% per annum from the date hereof until maturity. The Issuers will pay interest, semi-annually in arrears on March 15 and September 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an "Interest Payment Date"). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; provided that if there is no existing Event of Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; provided further that the first Interest Payment Date shall be March 15, 2013. Interest will be computed on the basis of a 360-day year of twelve 30- day months.

(2) *METHOD OF PAYMENT.* The Issuers will pay interest on the Notes to the Persons who are registered Holders of Notes at the close of business on the March 1 and September 1 immediately preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date. The Notes will be payable as to principal, premium and interest at the office or agency of the Issuers maintained for such purpose in the Borough of Manhattan, the City of New York, or, at the option of the Issuers, payment of interest and may be made by check mailed to the Holders at their respective addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest and premium, if any, on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Issuers or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. Until otherwise designated by the Issuers, the office or agency of the Issuers in the Borough of Manhattan, the City of New York will be the office of the Trustee maintained for such purpose.

(3) *PAYING AGENT AND REGISTRAR.* Initially, the corporate trust department of U.S. Bank National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuers may change any Paying Agent or Registrar without notice to any Holder. Cequel or any of its Subsidiaries may act in any such capacity.

(4) *INDENTURE.* The Issuers issued the Notes under an Indenture, dated as of October 25, 2012, among the Issuers and U.S. Bank National Association, as Trustee (the "*Indenture*"). The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are

referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *OPTIONAL REDEMPTION.*

(a) At any time prior to September 15, 2015, the Issuers may on any one or more occasions redeem up to 40% of the aggregate principal amount of Notes issued under the Indenture, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 106.375% of the principal amount of the Notes redeemed, *plus* accrued and unpaid interest, if any, to the date of redemption (subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant Interest Payment Date), with the net cash proceeds of an Equity Offering by Cequel or a contribution to Cequel's common equity capital made with the net cash proceeds of a concurrent Equity Offering by a direct or indirect parent pf Cequel; *provided* that:

(1) at least 60% of the aggregate principal amount of Notes originally issued under the Indenture (excluding Notes held by Cequel and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) At any time prior to September 15, 2015, the Issuers may on any one or more occasions redeem all or a part of the Notes issued under the Indenture, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed, *plus* the Applicable Premium as of, and accrued and unpaid interest, if any, to the date of redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

(c) Except pursuant to the preceding paragraphs, the Notes will not be redeemable at the Issuers' option prior to September 15, 2015

(d) On or after September 15, 2015, the Issuers may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth

below, *plus* accrued and unpaid interest, if any, on the Notes redeemed, to the applicable date of redemption, if redeemed during the twelve-month period beginning on September 15 of the years indicated below, subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant interest payment date:

Year	Percentage
2015	104.781%
2016	103.188%
2017	101.594%
2018 and thereafter	100.000%

Unless the Issuers default in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(6) *SPECIAL MANDATORY REDEMPTION.* If (1) the conditions to the release of the Escrow Property provided for in Section 4(b) of the Escrow Agreement have not been satisfied on or prior to March 1, 2013, or (2) Cequel shall notify the Escrow Agent in writing that the Acquisition is not being pursued or the Purchase Agreement shall have been amended, modified or waived, or any consent granted, in a manner that would be materially adverse to the Holders of Notes (as reasonably determined by Cequel), then within three Business Days of the earlier of the dates set forth in clauses (1) and (2) of Section 3.08, the Escrow Issuers shall send or cause to be sent a notice of special mandatory redemption to all Holders of Notes. On the day falling three Business Days after such notice of special mandatory redemption has been sent to all Holders of Notes and the release of the Escrow Property to the Trustee has occurred, the Notes shall be redeemed at the Escrow Redemption Price.

(7) *REPURCHASE AT THE OPTION OF HOLDER.*

(a) If there is a Change of Control, each Holder of Notes will have the right to require the Issuers to repurchase all or any part (equal to $2,000 or an integral multiple of $1,000 in excess thereof) of the Holder's Notes pursuant to an offer (a "*Change of Control Offer*") at an offer price in cash equal to 101% of the aggregate principal amount thereof *plus* accrued and unpaid interest, if any, thereon to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date. Within ten days following any Change of Control, the Issuers will mail a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(b) If Cequel or a Restricted Subsidiary of Cequel consummates any Asset Sale or Asset Swap, within five days of each date on which the aggregate amount of Excess Proceeds exceeds $50.0 million, the Issuers will make an Asset Sale Offer to all Holders of Notes and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in the Indenture with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets in accordance with the Indenture to purchase, prepay or redeem the maximum principal amount of Notes and such other *pari passu* Indebtedness (*plus* all accrued interest on the

Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount, *plus* accrued and unpaid interest, if any, to the date of purchase, prepayment or redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, Cequel may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered in (or required to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee will select the Notes and such other *pari passu* Indebtedness to be purchased on a *pro rata* basis, based on the amounts tendered or required to be prepaid or redeemed. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero. Holders of Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Issuers and a notice setting forth the procedures governing the Asset Sale Offer as required by the Indenture prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled "*Option of Holder to Elect Purchase*" attached to the Notes.

(8) *NOTICE OF REDEMPTION.* Except as set forth under Sections 3.08 and 3.09, notices of redemption will be mailed at least 30 days but not more than 60 days before the date the Notes are redeemed to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to the date the Notes are redeemed if the notice is issued in connection with a defeasance of the Notes or a satisfaction or discharge of the Indenture. Notes in denominations larger than $2,000 may be redeemed in part but only in whole multiples of $1,000, unless all of the Notes held by a Holder are to be redeemed.

(9) *DENOMINATIONS, TRANSFER, EXCHANGE.* The Notes are in registered form without coupons in denominations of $2,000 and integral multiples of $1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuers need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

(10) *PERSONS DEEMED OWNERS.* The registered Holder of a Note may be treated as the owner of such Note for all purposes. Only registered Holders have rights under the Indenture.

(11) *AMENDMENT, SUPPLEMENT AND WAIVER*. Subject to certain exceptions, the Indenture, or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes

including Additional Notes, if any, voting as a single class, and any existing Default or Event of Default or compliance with any provision of the Indenture or the Notes may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class. Without the consent of any Holder of Notes, the Indenture or the Notes may be amended or supplemented to cure any ambiguity, defect or inconsistency, to provide for uncertificated Notes in addition to or in place of certificated Notes, to provide for the assumption of Cequel's obligations to Holders of Notes in case of a merger or consolidation or sale of substantially all of Cequel's assets, as applicable, to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights under the Indenture of any Holder, to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA, to conform the text of the Indenture or the Notes to any provision of the "Description of Notes" section of the Offering Circular, to the extent that such provision in that "Description of Notes" was intended to be a verbatim recitation of a provision of the Indenture or the Notes, which intent may be evidenced by an Officers' Certificate to that effect, to secure the Notes or to provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture.

(12) *DEFAULTS AND REMEDIES*. Events of Default include: (i) default for 30 days in the payment when due of interest on the Notes; (ii) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Notes, (iii) default in the payment of principal and interest on the Notes required to be redeemed pursuant to Section 3.08 when due and payable; (iv) failure by Cequel or any of its Restricted Subsidiaries for 60 days after notice to the Issuers by the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the other agreements in the Indenture, the Notes or the Escrow Agreement; (v) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by Cequel or any of its Restricted Subsidiaries (or the payment of which is guaranteed by Cequel or any of its Restricted Subsidiaries), whether such Indebtedness or guarantee now exists, or is created after the Issue Date, if that default: (A) is caused by a failure to pay at final maturity (giving effect to any applicable grace periods and any extensions thereof) the stated principal of such Indebtedness, or (B) results in the acceleration of such Indebtedness prior to its Stated Maturity and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates $100.0 million or more; (vi) failure by Cequel or any of its Restricted Subsidiaries to pay final judgments entered by a court or courts of competent jurisdiction aggregating in excess of $100.0 million, which judgments are not paid, discharged or stayed, for a period of 60 days; (vii) Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) pursuant to or within the meaning of Bankruptcy Law: (A) commences a voluntary case, (B) consents to the entry of an order for relief against it in an involuntary case, (C) makes a general assignment for the benefit of its creditors, or (D) generally is not paying its debts as they become due; and (viii) a court of competent jurisdiction enters an order or

decree under any Bankruptcy Law that: (A) is for relief against Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) in an involuntary case, or (B) appoints a custodian of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) or for all or substantially all of the property of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary), or (C) orders the liquidation of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary), and the order or decree remains unstayed and in effect for 60 consecutive days. In the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to Cequel, any Restricted Subsidiary of Cequel that is a Significant Subsidiary or any group of Restricted Subsidiaries of Cequel that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal, premium, if any, or interest, if any), if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of all the Holders, rescind an acceleration or waive an existing Default or Event of Default and its respective consequences under the Indenture except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest, if any, on, the Notes (including in connection with an offer to purchase). The Issuers are required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuers are required, upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(13) *TRUSTEE DEALINGS WITH CEQUEL.* The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may become a creditor of, or otherwise deal with Cequel or any of its Affiliates, with the same rights it would have if it were not the Trustee.

(14) *NO RECOURSE AGAINST OTHERS.* No director, officer, employee, incorporator or stockholder of the Issuers or any of its direct or indirect parent companies or any of their Subsidiaries, as such, will have any liability for any obligations of the Issuers under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the

consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

(15) *AUTHENTICATION*. This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(16) *ABBREVIATIONS*. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(17) *CUSIP NUMBERS*. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuers have caused CUSIP numbers to be printed on the Notes, and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(18) *GOVERNING LAW*. THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THE INDENTURE AND THIS NOTE WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

The Issuers will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST*. The Issuers (which prior to the Notes Assumption shall be Cequel Communications Escrow I, LLC, a Delaware limited liability company ("Escrow LLC"), and Cequel Communications Escrow Capital Corporation, a Delaware corporation (together with Escrow LLC, the "Escrow Issuers"), and after the Notes Assumption shall be Cequel Communications Holdings I, LLC, a Delaware limited liability company ("Cequel"), and Cequel Capital Corporation, a Delaware corporation), promise to pay interest on the principal amount of this Note at 6.375% per annum from the date hereof until maturity. The Issuers will pay interest, semi-annually in arrears on March 15 and September 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an "Interest Payment Date"). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; provided that if there is no existing Event of Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; provided further that the first Interest Payment Date shall be March 15, 2013. Interest will be computed on the basis of a 360-day year of twelve 30- day months. Until this Regulation S Temporary Global Note is exchanged for one or more Regulation S Permanent Global Notes, the Holder hereof shall not be entitled to receive payments of interest hereon; until so exchanged in full, this Regulation S Temporary Global Note shall in all other respects be entitled to the same benefits as other Notes under the Indenture.

(2) *METHOD OF PAYMENT*. The Issuers will pay interest on the Notes to the Persons who are registered Holders of Notes at the close of business on the March 1 and September 1 immediately preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date. The Notes will be payable as to principal, premium and interest at the office or agency of the Issuers maintained for such purpose in the Borough of Manhattan, the City of New York, or, at the option of the Issuers, payment of interest and may be made by check mailed to the Holders at their respective addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest and premium, if any, on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Issuers or the

Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. Until otherwise designated by the Issuers, the office or agency of the Issuers in the Borough of Manhattan, the City of New York will be the office of the Trustee maintained for such purpose.

(3) *PAYING AGENT AND REGISTRAR.* Initially, the corporate trust department of U.S. Bank National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuers may change any Paying Agent or Registrar without notice to any Holder. Cequel or any of its Subsidiaries may act in any such capacity.

(4) *INDENTURE*. The Issuers issued the Notes under an Indenture, dated as of October 25, 2012, among the Issuers and U.S. Bank National Association, as Trustee (the "*Indenture*"). The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *OPTIONAL REDEMPTION.*

(a) At any time prior to September 15, 2015, the Issuers may on any one or more occasions redeem up to 40% of the aggregate principal amount of Notes issued under the Indenture, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 106.375% of the principal amount of the Notes redeemed, *plus* accrued and unpaid interest, if any, to the date of redemption (subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant Interest Payment Date), with the net cash proceeds of an Equity Offering by Cequel or a contribution to Cequel's common equity capital made with the net cash proceeds of a concurrent Equity Offering by a direct or indirect parent entity of Cequel; *provided* that:

(1) at least 60% of the aggregate principal amount of Notes originally issued under the Indenture (excluding Notes held by Cequel and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) At any time prior to September 15, 2015, the Issuers may on any one or more occasions redeem all or a part of the Notes issued under the Indenture, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed, *plus* the Applicable Premium as of, and accrued and unpaid interest, if any, to the date of redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

(c) Except pursuant to the preceding paragraphs, the Notes will not be redeemable at the Issuers' option prior to September 15, 2015

(d) On or after September 15, 2015, the Issuers may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, *plus* accrued and unpaid interest, if any, on the Notes redeemed, to the applicable date of redemption, if redeemed during the twelve-month period beginning on September 15 of the years indicated below, subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant interest payment date:

Year	Percentage
2015	104.781%
2016	103.188%
2017	101.594%
2018 and thereafter	100.000%

Unless the Issuers default in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(6) *SPECIAL MANDATORY REDEMPTION.* If (1) the conditions to the release of the Escrow Property provided for in Section 4(b) of the Escrow Agreement have not been satisfied on or prior to March 1, 2013, or (2) Cequel shall notify the Escrow Agent in writing that the Acquisition is not being pursued or the Purchase Agreement shall have been amended, modified or waived, or any consent granted, in a manner that would be materially adverse to the Holders of Notes (as reasonably determined by Cequel), then within three Business Days of the earlier of the dates set forth in clauses (1) and (2) of Section 3.08, the Escrow Issuers shall send or cause to be sent a notice of special mandatory redemption to all Holders of Notes. On the day falling three Business Days after such notice of special

mandatory redemption has been sent to all Holders of Notes and the release of the Escrow Property to the Trustee has occurred, the Notes shall be redeemed at the Escrow Redemption Price.

(7) *REPURCHASE AT THE OPTION OF HOLDER.*

(a) If there is a Change of Control, each Holder of Notes will have the right to require the Issuers to repurchase all or any part (equal to $2,000 or an integral multiple of $1,000 in excess thereof) of the Holder's Notes pursuant to an offer (a "*Change of Control Offer*") at an offer price in cash equal to 101% of the aggregate principal amount thereof *plus* accrued and unpaid interest, if any, thereon to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date. Within ten days following any Change of Control, the Issuers will mail a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(b) If Cequel or a Restricted Subsidiary of Cequel consummates any Asset Sale or Asset Swap, within five days of each date on which the aggregate amount

of Excess Proceeds exceeds $50.0 million, the Issuers will make an Asset Sale Offer to all Holders of Notes and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in the Indenture with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets in accordance with the Indenture to purchase, prepay or redeem the maximum principal amount of Notes and such other *pari passu* Indebtedness (*plus* all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount, *plus* accrued and unpaid interest, if any, to the date of purchase, prepayment or redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, Cequel may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered in (or required to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee will select the Notes and such other *pari passu* Indebtedness to be purchased on a *pro rata* basis, based on the amounts tendered or required to be prepaid or redeemed. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero. Holders of Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Issuers and a notice setting forth the procedures governing the Asset Sale Offer as required by the Indenture prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled "*Option of Holder to Elect Purchase*" attached to the Notes.

(8) *NOTICE OF REDEMPTION.* Except as set forth under Sections 3.08 and 3.09, notices of redemption will be mailed at least 30 days but not more than 60 days before the date the Notes are redeemed to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to the date the Notes are redeemed if the notice is issued in connection with a defeasance of the Notes or a satisfaction or discharge of the Indenture. Notes in denominations larger than $2,000 may be redeemed in part but only in whole multiples of $1,000, unless all of the Notes held by a Holder are to be redeemed.

(9) *DENOMINATIONS, TRANSFER, EXCHANGE.* The Notes are in registered form without coupons in denominations of $2,000 and integral multiples of $1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuers need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

This Regulation S Temporary Global Note is exchangeable in whole or in part for one or more Global Notes only (i) on or after the termination of the 40-day distribution compliance period (as defined in Regulation S) and (ii) upon presentation of certificates (accompanied by an Opinion of Counsel, if applicable) required by Article 2 of the Indenture. Upon exchange of this Regulation S Temporary Global Note for one or more Global Notes, the Trustee shall cancel this Regulation S Temporary Global Note.

(10) *PERSONS DEEMED OWNERS.* The registered Holder of a Note may be treated as the owner of such Note for all purposes. Only registered Holders have rights under the Indenture.

(11) *AMENDMENT, SUPPLEMENT AND WAIVER*. Subject to certain exceptions, the Indenture, or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class, and any existing Default or Event of Default or compliance with any provision of the Indenture or the Notes may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class. Without the consent of any Holder of Notes, the Indenture or the Notes may be amended or supplemented to cure any ambiguity, defect or inconsistency, to provide for uncertificated Notes in addition to or in place of certificated Notes, to provide for the assumption of Cequel's obligations to Holders of Notes in case of a merger or consolidation or sale of substantially all of Cequel's assets, as applicable, to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights under the Indenture of any Holder, to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA, to conform the text of the Indenture or the Notes to any provision of the "Description of Notes" section of the Offering Circular, to the extent that such provision in that "Description of Notes" was intended to be a verbatim recitation of a provision of the Indenture or the Notes, which intent may be evidenced by an Officers' Certificate to that effect, to secure the Notes or to provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture.

(12) *DEFAULTS AND REMEDIES*. Events of Default include: (i) default for 30 days in the payment when due of interest on the Notes; (ii) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Notes, (iii) default in the payment of principal and interest on the Notes required to be redeemed pursuant to Section 3.08 when due and payable; (iv) failure by Cequel or any of its Restricted Subsidiaries for 60 days after notice to the Issuers by the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the other agreements in the Indenture, the Notes or the Escrow Agreement; (v) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by Cequel or any of its Restricted Subsidiaries (or the payment of which is guaranteed by Cequel or any of its Restricted Subsidiaries), whether such Indebtedness or guarantee now exists, or is created after the Issue Date, if that default: (A) is caused by a failure to pay at final maturity (giving effect to any applicable

grace periods and any extensions thereof) the stated principal of such Indebtedness, or (B) results in the acceleration of such Indebtedness prior to its Stated Maturity and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a

Payment Default or the maturity of which has been so accelerated, aggregates $100.0 million or more; (vi) failure by Cequel or any of its Restricted Subsidiaries to pay final judgments entered by a court or courts of competent jurisdiction aggregating in excess of $100.0 million, which judgments are not paid, discharged or stayed, for a period of 60 days; (vii) Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) pursuant to or within the meaning of Bankruptcy Law: (A) commences a voluntary case, (B) consents to the entry of an order for relief against it in an involuntary case, (C) makes a general assignment for the benefit of its creditors, or (D) generally is not paying its debts as they become due; and (viii) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that: (A) is for relief against Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) in an involuntary case, or (B) appoints a custodian of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) or for all or substantially all of the property of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary), or (C) orders the liquidation of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary), and the order or decree remains unstayed and in effect for 60 consecutive days. In the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to Cequel, any Restricted Subsidiary of Cequel that is a Significant Subsidiary or any group of Restricted Subsidiaries of Cequel that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal, premium, if any, or interest, if any), if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of all the Holders, rescind an acceleration or waive an existing Default or Event of Default and its respective consequences under the Indenture except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest, if any, on, the Notes (including in connection with an offer to purchase). The Issuers are required to

deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuers are required, upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(13) *TRUSTEE DEALINGS WITH CEQUEL*. The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may become a creditor of, or otherwise deal with Cequel or any of its Affiliates, with the same rights it would have if it were not the Trustee.

(14) *NO RECOURSE AGAINST OTHERS.* No director, officer, employee, incorporator or stockholder of the Issuers or any of its direct or indirect parent companies or any of their Subsidiaries, as such, will have any liability for any obligations of the Issuers under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

(15) *AUTHENTICATION*. This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(16) *ABBREVIATIONS*. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(17) *CUSIP NUMBERS*. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuers have caused CUSIP numbers to be printed on the Notes, and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

The Issuers will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:

The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage. Each Note will be dated the date of its authentication. The Notes shall be in denominations of $2,000 and integral multiples of $1,000 in excess thereof.

The terms and provisions contained in the Notes will constitute, and are hereby expressly made, a part of this Indenture and the Issuers and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(b) *Global Notes*. Notes issued in global form will be substantially in the form of Exhibits A1 or A2 hereto (including the Global Note Legend thereon and the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Notes issued in definitive form will be substantially in the form of Exhibit A1 hereto (but without the Global Note Legend thereon and without the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Each Global Note will represent such of the outstanding Notes as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Following the termination of the Restricted Period, beneficial interests in the Regulation S Temporary Global Note will be exchanged for beneficial interests in the Regulation S Permanent Global Note pursuant to the Applicable Procedures. Simultaneously with the authentication of the Regulation S Permanent Global Note, the Trustee will cancel the Regulation S Temporary Global Note. The aggregate principal amount of the Regulation S Temporary Global Note and the Regulation S Permanent Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depositary or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

(E) if such beneficial interest is being transferred to an Institutional Accredited Investor in reliance on an exemption from the registration requirements of the Securities Act other than those listed in subparagraphs (B) through (D) above, a certificate to the effect set forth in Exhibit B hereto, including the certifications, certificates and Opinion of Counsel required by item (3) thereof, if applicable; or

(F) if such beneficial interest is being transferred to Cequel or any of its Subsidiaries, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(b) thereof,

the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(g) hereof, and the Issuers shall execute and the Trustee shall authenticate and deliver to the Person designated in the instructions a Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.06(c) shall be registered in such name or names and in such authorized

denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. The Trustee shall deliver such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.06(c)(1) shall bear

the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(2) *Beneficial Interests in Regulation S Temporary Global Note to Definitive Notes.* Notwithstanding Sections 2.06(c)(1)(A) and (C) hereof, a beneficial interest in the Regulation S Temporary Global Note may not be exchanged for a Definitive Note or transferred to a Person who takes delivery thereof in the form of a Definitive Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii) (B) under the Securities Act, except in the case of a transfer pursuant to an exemption from the registration requirements of the Securities Act other than Rule 903 or Rule 904.

(3) *Beneficial Interests in Restricted Global Notes to Unrestricted Definitive Notes.* A holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note only if:

and, in each such case set forth in this subparagraph (D), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(4) *Beneficial Interests in Unrestricted Global Notes to Unrestricted Definitive Notes.* If any holder of a beneficial interest in an Unrestricted Global Note proposes to exchange such beneficial interest for a Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Definitive Note, then, upon satisfaction of the conditions set forth in Section 2.06(b)(2) hereof, the Trustee will cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(g) hereof, and the Issuers will execute and the Trustee will authenticate and deliver to the Person designated in the instructions a Definitive Note in the appropriate principal amount. Any Definitive Note issued in

exchange for a beneficial interest pursuant to this Section 2.06(c)(4) will be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest requests through instructions to the Registrar from or through the Depositary and the Participant or Indirect Participant. (A) if the Holder of such Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (2)(b) thereof;

(B) if such Restricted Definitive Note is being transferred to a QIB in accordance with Rule 144A, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (1) thereof;

Upon satisfaction of the conditions of any of the subparagraphs in this Section 2.06(d)(2), the Trustee will cancel the Definitive Notes and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note.

(3) *Unrestricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes.* A Holder of an Unrestricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee will cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

If any such exchange or transfer from a Definitive Note to a beneficial interest is effected pursuant to subparagraphs (2)(A) or (3) above at a time when an Unrestricted Global Note has not yet been issued, the Issuers will issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee will authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Definitive Notes so transferred.

(e) *Transfer and Exchange of Definitive Notes for Definitive Notes.* Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.06(e), the Registrar will register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder must present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, the requesting Holder must provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.06(e).

At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note will be reduced accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note will be increased accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(h) *General Provisions Relating to Transfers and Exchanges.*

(1) To permit registrations of transfers and exchanges, the Issuers will execute and the Trustee will authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar's request.

(2) No service charge will be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuers may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 3.08, 4.13, 4.14 and 9.04 hereof).

(3) The Registrar will not be required to register the transfer of or exchange of any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes will be the valid obligations of the Issuers, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(5) Neither the Registrar nor the Issuers will be required:

(A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 hereof and ending at the close of business on the day of selection;

(B) to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(C) to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.

(6) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuers may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuers shall be affected by notice to the contrary.

(7) The Trustee will authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.

(8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

(i) *Exchange from Restricted Global Note to Unrestricted Global Note.* Upon compliance with the following procedures, all of the beneficial interests in a Restricted Global Note shall be exchanged for beneficial interests in the Unrestricted Global Note. In order to effect such exchange, the Issuers shall provide written notice to the Trustee instructing the Trustee to (i) direct the Depositary to transfer all of the outstanding beneficial interests in a particular Restricted Global Note to the Unrestricted Global Note and provide the Depositary with all such information as is necessary for the Depositary to appropriately credit and debit the relevant Holder accounts and (ii) provide prior written notice to all Holders of such exchange, which notice must include the date such exchange is to occur, the CUSIP number of the relevant Restricted Global Note and the CUSIP number of the Unrestricted Global Note into which such Holders' beneficial interests will be exchanged. As a condition to any such exchange pursuant to this Section 2.06(i), the Trustee shall be entitled to receive from the Issuers, and rely conclusively without any liability, upon an Officers' Certificate and an Opinion of Counsel in form and in substance reasonably satisfactory to the Trustee, to the effect that such transfer of beneficial interests to the Unrestricted Global Note shall be effected in compliance with the Securities Act. Upon such exchange of beneficial interests pursuant to this Section 2.06(i), the Registrar shall endorse Schedule A to the relevant Notes and reflect on its books and records the date of such transfer and a decrease and increase, respectively, in the principal amount of the applicable Restricted Global Note(s) and the Unrestricted Global Note, respectively, equal to the principal amount of beneficial interests transferred. Following any such transfer pursuant to this Section 2.06(i), the relevant Restricted Global Note shall be cancelled.

(j) *Transfers of Notes Held by Affiliates.* Any certificate (i) evidencing a Note that has been transferred to an affiliate (as defined in Rule 405) of the Issuers within one year after the Issue Date, as evidenced by a notation on the assignment form for such transfer or in the representation letter delivered in respect thereof or (ii) evidencing a Note that has been acquired from an affiliate (other than by an affiliate) in a transaction or a chain of transactions not involving any public offering, shall, until one year after the last date on which either the Issuers or any affiliate of the Issuers was an owner of such Note, in each case, be in the form of a permanent Definitive Note and bear the Private Placement Legend subject to the restrictions in Section 2.06(f)(1). The Registrar shall retain copies of all letters, notices and other written

communications received pursuant to Section 2.03 and this Section 2.06. The Issuers, at their sole cost and expense, shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable written notice to the Registrar.

Section 2.07 *Replacement Notes*.

If any mutilated Note is surrendered to the Trustee or the Issuers and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Issuers will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Issuers, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Issuers to protect the Issuers, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuers may charge for their expenses in replacing a Note.

Every replacement Note is an additional obligation of the Issuers and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 *Outstanding Notes*.

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because Cequel or an Affiliate of Cequel holds the Note; however, Notes held by Cequel or a Subsidiary of Cequel shall not be deemed to be outstanding for purposes of Section 3.07(a) hereof.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than Cequel or a Subsidiary of Cequel) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.09 *Treasury Notes*.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by Cequel, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with Cequel, will be considered as though not outstanding, except that for the purposes of determining

whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that the Trustee knows are so owned will be so disregarded.

Section 2.10 *Temporary Notes*.

Until certificates representing Notes are ready for delivery, the Issuers may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Issuers consider appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuers will prepare and the Trustee will authenticate Definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.11 *Cancellation*.

The Issuers at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will destroy canceled Notes (subject to the record retention requirement of the Exchange Act). Certification of the destruction of all canceled Notes will be delivered to the Issuers. The Issuers may not issue new Notes to replace Notes that they have paid or that have been delivered to the Trustee for cancellation.

Section 2.12 *Defaulted Interest.*

If the Issuers default in a payment of interest on the Notes, they will pay the defaulted interest in any lawful manner*plus*, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuers will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuers will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuers (or, upon the written request of the Issuers, the Trustee in the name and at the expense of the Issuers) will mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

ARTICLE 3
REDEMPTION AND PREPAYMENT

Section 3.01 *Notices to Trustee.*

If the Issuers elect to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it must furnish to the Trustee, at least 35 days but not more than 60 days before a redemption date, an Officers' Certificate setting forth:

(1) the clause of this Indenture pursuant to which the redemption shall occur;

(2) the redemption date;

(3) the principal amount of Notes to be redeemed; and

(4) the redemption price.

Section 3.02 *Selection of Notes to Be Redeemed or Purchased.*

If less than all of the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee will select Notes for redemption or purchase on a *pro rata* basis (or, in the case of Notes issued in global form pursuant to Article 2 hereof, based on a method that most nearly approximates a *pro rata* selection as the Trustee deems fair and appropriate) unless otherwise required by law or applicable stock exchange or depositary requirements.

In the event of partial redemption or purchase by lot, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the redemption or purchase date by the Trustee from the outstanding Notes not previously called for redemption or purchase.

The Trustee will promptly notify the Issuers in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in amounts of $2,000 or whole multiples of $1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 *Notice of Redemption.*

Except as set forth in Section 3.08 hereof, a notice of redemption will be mailed at least 30 days but not more than 60 days before a redemption date, which shall be mailed or caused to be mailed by the Issuers, by first class mail, to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Article 8 or 10 hereof.

The notice will identify the Notes to be redeemed and will state:

(1) the redemption date;

(2) the redemption price;

(3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such

Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;

(4) the name and address of the Paying Agent;

(5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(6) that, unless the Issuers default in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;

(7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

(8) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Issuers' request, the Trustee will give the notice of redemption in the Issuers' name and at the Issuers' expense*provided, however*, that the Issuers have

delivered to the Trustee, at least 35 days (or such lesser time satisfactory to the Trustee) prior to the redemption date, an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price.

Section 3.05 *Deposit of Redemption or Purchase Price.*

One Business Day prior to the redemption or purchase date, the Issuers will deposit or cause to be deposited with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest, if any, on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return to the Issuers any money deposited with the Trustee or the Paying Agent by the Issuers in excess of the amounts necessary to pay the redemption or purchase price of and accrued interest, if any, on all Notes to be redeemed or purchased.

If the Issuers comply with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Issuers to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or

purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 *Notes Redeemed or Purchased in Part.*

Upon surrender of a Note that is redeemed or purchased in part, the Issuers will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Issuers a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07 *Optional Redemption.*

(a) At any time prior to June 15, 2016, the Issuers may on any one or more occasions redeem up to 40% of the aggregate principal amount of Notes issued under this Indenture, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 105.125% of the principal amount of the Notes redeemed, *plus* accrued and unpaid interest, if any, to the date of redemption (subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant interest payment date), with the net cash proceeds of an Equity Offering by Cequel or a contribution to Cequel's common equity capital made with the net cash proceeds of a concurrent Equity Offering by a direct or indirect parent entity of Cequel; *provided* that:

(1) at least 60% of the aggregate principal amount of Notes originally issued under this Indenture (excluding Notes held by Cequel and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) At any time prior to June 15, 2016, the Issuers may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed, *plus* the Applicable Premium as of, and accrued and unpaid interest, if any, to the date of redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

(c) On or after June 15, 2016, the Issuers may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, *plus* accrued and unpaid interest, if any, on the Notes redeemed, to the applicable date of redemption, if redeemed during the twelve-month period beginning on June 15 of the years indicated below, subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant interest payment date:

Year	Percentage
2016	103.844%
2017	102.563%
2018	101.281%
2019 and thereafter	100.000%

Unless the Issuers default in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(d) In connection with any redemption of the Notes (including with the net cash proceeds of an Equity Offering), any such redemption may, at the Issuers' discretion, be subject to one or more conditions precedent, including any related Equity Offering. In addition, if such redemption is subject to satisfaction of one or more conditions precedent, such notice of redemption shall describe each such condition, and if applicable, shall state that, in the Issuers' discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the stated redemption date, or by the redemption date as so delayed.

(e) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.08 *Offer to Purchase by Application of Excess Proceeds.*

In the event that, pursuant to Section 4.13 hereof, the Issuers are required to commence an Asset Sale Offer, they will follow the procedures specified below.

The Asset Sale Offer shall be made to all Holders and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in this Indenture with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets. The Asset Sale Offer will remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the "*Offer Period*"). No later than three Business Days after the termination of the Offer Period (the "*Purchase Date*"), the Issuers will apply all Excess Proceeds (the "*Offer Amount*") to

the purchase of Notes and such other *pari passu* Indebtedness (on a *pro rata* basis based on the principal amount of Notes and such other *pari passu* Indebtedness surrendered, if applicable) or, if less than the Offer Amount has been tendered, all Notes and other Indebtedness tendered in response to the Asset Sale Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest, if any, will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

Upon the commencement of an Asset Sale Offer, the Issuers will send, by first class mail, a notice to the Trustee and each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The notice, which will govern the terms of the Asset Sale Offer, will state:

(1) that the Asset Sale Offer is being made pursuant to this Section 3.08 and Section 4.13 hereof and the length of time the Asset Sale Offer will remain open;

(2) the Offer Amount, the purchase price and the Purchase Date;

(3) that any Note not tendered or accepted for payment will continue to accrue interest;

(4) that, unless the Issuers default in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer will cease to accrue interest after the Purchase Date;

(5) that Holders electing to have a Note purchased pursuant to an Asset Sale Offer may elect to have Notes purchased only in denominations of $2,000 and in integral multiple of $1,000 in excess thereof;

(6) that Holders electing to have Notes purchased pursuant to any Asset Sale Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Issuers, a Depositary, if appointed by the Issuers, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;

(7) that Holders will be entitled to withdraw their election if the Issuers, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(8) that, if the aggregate principal amount of Notes and other *pari passu* Indebtedness surrendered by Holders thereof exceeds the Offer Amount, the Issuers will select the Notes and other *pari passu* Indebtedness to be purchased on a *pro rata* basis based on the principal amount of Notes and such other *pari passu* Indebtedness surrendered (with such adjustments as may be deemed appropriate by the Issuers so that only Notes in denominations of $2,000, or an integral multiple of $1,000 in excess thereof, will be purchased); and

(9) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Purchase Date, the Issuers will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Issuers in accordance with the terms of this Section 3.08. The Issuers, the Depositary or the Paying Agent, as the case may be, will promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Issuers for purchase, and the Issuers will promptly issue a new Note, and the Trustee, upon

written request from the Issuers, will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Issuers to the Holder thereof. The Issuers will publicly announce the results of the Asset Sale Offer on the Purchase Date.

Other than as specifically provided in this Section 3.08, any purchase pursuant to this Section 3.08 shall be made pursuant to the provisions of Sections 3.02, 3.05 and 3.06 hereof.

ARTICLE 4
COVENANTS

Section 4.01 *Payment of Notes.*

The Issuers will pay or cause to be paid the principal of, premium on, if any, and interest, if any, on, the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest, if any, will be considered paid on the date due if the Paying Agent, if other than Cequel or a Subsidiary of Cequel, holds as of 10:00 a.m. Eastern Time on the due date money deposited by Issuers in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest, if any, then due.

The Issuers will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at a rate that is 1% higher than the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest, if any (without regard to any applicable grace period), at the same rate to the extent lawful.

Section 4.02 *Maintenance of Office or Agency.*

The Issuers will maintain in the Borough of Manhattan, the City of New York, an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuers in respect of the Notes and this Indenture may be served. The Issuers will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuers fail to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Issuers may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission will in any manner relieve the Issuers of their obligation to maintain an office or agency in the Borough of Manhattan, the City of New York for such purposes. The Issuers will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuers hereby designate the Corporate Trust Office of the Trustee as one such office or agency of the Issuers in accordance with Section 2.03 hereof.

Section 4.03 *Indebtedness and Preferred Stock.*

(a) Cequel will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become or remain directly or indirectly liable, contingently or otherwise, with respect to (collectively, "*incur*") any Indebtedness (including Acquired Indebtedness), and Cequel will not issue any Disqualified Stock and will not permit any of its Restricted Subsidiaries to issue any shares of Preferred Stock; *provided*, *however*, that either of the Issuers may incur Indebtedness (including Acquired Indebtedness) or issue Disqualified Stock, and the Credit Facility Subsidiaries of Cequel (including any Person that becomes a Credit Facility Subsidiary of Cequel upon such incurrence or otherwise) may incur Indebtedness (including Acquired Indebtedness) or issue Preferred Stock, if the Total Leverage Ratio for Cequel's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or such Preferred Stock is issued, as the case may be, would have been no greater than 7.5 to 1.0.

(b) The provisions of Section 4.03(a) hereof will not prohibit the incurrence of any of the following items of Indebtedness (collectively, "*Permitted Debt*").

(1) the incurrence by Cequel or any of its Credit Facility Subsidiaries of Indebtedness under Credit Facilities, including Credit Facilities governed by the Credit Agreement, in an aggregate principal amount not to exceed the greater of (y) $3.25 billion or (z) an amount equal to 4.0x Consolidated Adjusted EBITDA for the four full fiscal years for which internal financial statements are available preceding the date of such incurrence;

(2) Permitted Refinancing Indebtedness;

(3) the incurrence by the Issuers of Indebtedness represented by the Notes to be issued on the Issue Date;

(4) Indebtedness of any Restricted Subsidiary of Cequel to Cequel or to any other Restricted Subsidiary of Cequel, or of Cequel to any Restricted Subsidiary of Cequel; *provided* that: (a) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than Cequel or a Restricted Subsidiary of Cequel; and (b) any sale or other transfer of any such Indebtedness to a Person that is not either an Issuer or a Restricted Subsidiary of Cequel, will be deemed, in each case, to constitute an incurrence of such Indebtedness by such Issuer or such Restricted Subsidiary of Cequel, as the case may be, that is no longer permitted by this clause (4) as of the date of such sale or transfer;

(5) the issuance by any of Cequel's Restricted Subsidiaries to Cequel or to any other Restricted Subsidiary of Cequel of shares of Preferred Stock; *provided* that: (a) any subsequent issuance or transfer of Equity Interests that results in any such Preferred Stock being held by a Person other than Cequel or a Restricted Subsidiary of Cequel; and

(b) any sale or other transfer of any such Preferred Stock to a Person that is not either Cequel or a Restricted Subsidiary of Cequel, will be deemed, in each case, to constitute an issuance of Preferred Stock by such Restricted Subsidiary that is no longer permitted by this clause (5) as of the date of such sale or transfer;

(6) Indebtedness incurred by Cequel or any of its Restricted Subsidiaries arising from agreements providing for indemnification, adjustment of purchase price or similar obligations, or from guarantees or letters of credit, surety bonds, performance bonds or similar obligations securing the performance of Cequel or any such Restricted Subsidiary pursuant to such agreements, in connection with acquisitions or dispositions of any business or assets of Cequel or Restricted Subsidiary of Cequel;

(7) Indebtedness which may be deemed to exist pursuant to any guarantees, performance, surety, statutory, appeal or similar obligations incurred in the ordinary course of business, including obligations in respect of letters of credit securing the foregoing;

(8) Indebtedness in respect of netting services, overdraft protections and otherwise in connection with Deposit Accounts;

(9) guarantees in the ordinary course of business of the obligations of suppliers, customers, franchisees and licensees of Cequel and its Restricted Subsidiaries;

(10) guarantees by Cequel and its Restricted Subsidiaries of Indebtedness otherwise permitted to be incurred pursuant to this Section 4.03; *provided* that if the Indebtedness that is being guaranteed is unsecured and/or subordinated to the Notes, the guarantee shall also be unsecured and/or subordinated to the Notes;

(11) the incurrence by Cequel and its Restricted Subsidiaries of the Existing Indebtedness;

(12) (a) Indebtedness with respect to Capital Leases and/or purchase money Indebtedness (or any refinancing thereof) in an aggregate principal amount not to exceed $100.0 million at any one time outstanding; *provided* that any such purchase money Indebtedness shall be secured only by the assets acquired in connection with the incurrence of such Indebtedness (or the Indebtedness refinanced);

(13) Indebtedness in respect of endorsements for collection, deposit or negotiation and warranties of products or services, and contingent indemnification obligations of Cequel and its Restricted Subsidiaries to financial institutions entered into to obtain cash management services or Deposit Account overdraft protection services (in amount similar to those offered for comparable services in the financial industry) or other services in connection with the management or opening of deposit accounts or incurred as a result of endorsement of negotiable instruments for deposit or collection purposes, in each case, incurred in the ordinary course of business;

(14) Indebtedness under the Management Contract;

(15) Indebtedness pursuant to Hedge Agreements not entered into for speculative purposes;

(16) other Indebtedness incurred by Cequel or any of its Restricted Subsidiaries in an aggregate principal amount that, when aggregated with the principal amount of all other Indebtedness then outstanding and incurred pursuant to this clause (16) and all other Indebtedness incurred to refund, refinance or replace any Indebtedness incurred pursuant to this clause (16), does not at any one time outstanding exceed $500.0 million;

(17) (a) unsecured Indebtedness of Cequel or any of its Restricted Subsidiaries owing to any then existing or former director, officer or employee of Cequel or its Subsidiaries or their respective assigns, estates, heirs or their current or former spouses for the repurchase, redemption or other acquisition or retirement for value of any equity interest or equity equivalent of Cequel Holdings or any parent company held by them, to the extent such repurchase, redemption, acquisition or retirement is permitted pursuant to Section 4.05 hereof; (b) Indebtedness representing deferred compensation to employees of Cequel and its Restricted Subsidiaries incurred in the ordinary course of business; and (c) Indebtedness consisting of obligations of Cequel or its Restricted Subsidiaries under deferred employee compensation or other similar arrangements incurred by such Person in connection with acquisitions;

(18) Indebtedness of Cequel and its Restricted Subsidiaries assumed in connection with any Permitted Acquisition; *provided* that such Indebtedness is not incurred in contemplation of such Permitted Acquisition; and

(19) Contribution Indebtedness.

(c) Cequel will not incur, and will not permit any of its Restricted Subsidiaries to incur, any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of Cequel unless such Indebtedness is also contractually subordinated in right of payment to the Notes on substantially identical terms; *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Issuers solely by virtue of being unsecured or by virtue of being secured on a junior priority basis.

(d) For purposes of determining compliance with this Section 4.03, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (19) of Section 4.03(b) hereof, or is entitled to be incurred pursuant to Section 4.03(a) hereof, Cequel will be permitted to classify such item of Indebtedness on the date of its incurrence, or later reclassify all or a portion of such item of Indebtedness, in any manner that complies with this Section 4.03. Indebtedness under Credit Facilities outstanding on the Issue Date will initially be deemed to have been incurred on such date in reliance on the exception provided by clause (1) of Section 4.03(b) hereof. The accrual of interest or Preferred Stock dividends, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the reclassification of preferred stock as Indebtedness due to a change in accounting principles, and the payment of dividends on preferred stock or Disqualified Stock in the form of

additional shares of the same class of preferred stock or Disqualified Stock will not be deemed to be an incurrence of Indebtedness or an issuance of preferred stock or Disqualified Stock for purposes of this Section 4.03. For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be utilized, calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred. Notwithstanding any other provision of this Section 4.03, the maximum amount of Indebtedness that Cequel or any Restricted Subsidiary may incur pursuant to this Section 4.03 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.

The amount of any Indebtedness outstanding as of any date will be:

(1) the accreted value of the Indebtedness, in the case of any Indebtedness issued with original issue discount;

(2) the principal amount of the Indebtedness, in the case of any other Indebtedness; and

(3) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:

(a) the Fair Market Value of such assets at the date of determination; and

(b) the amount of the Indebtedness of the other Person.

(a) Cequel shall not, directly or indirectly, create, incur, assume or permit to exist any Lien on or with respect to any property or asset of any kind (including any document or instrument in respect of goods or accounts receivable) of Cequel, whether now owned or hereafter acquired, unless:

(1) in the case of Liens securing Indebtedness that is Subordinated Indebtedness, the Notes are secured by a Lien on such property or assets that is senior in priority to such Liens; and

(2) in all other cases, the Notes are equally and ratably secured;

provided that any Lien which is granted to secure the Notes under this Section 4.04 shall be automatically released and discharged at the same time as the release of the Lien that gave rise to the obligation to secure the Notes under this Section 4.04.

(b) The provisions of Section 4.04(a) hereof shall not prohibit:

(1) Liens for Taxes if obligations with respect to such Taxes are being contested in good faith by appropriate proceedings diligently conducted;

(2) statutory Liens of landlords, carriers, warehousemen, mechanics, repairmen, workmen and materialmen, and other Liens imposed by law (other than any such Lien imposed pursuant to Section 412(n) of the Internal Revenue Code or by ERISA), in each case incurred in the ordinary course of business (i) for amounts not yet overdue or (ii) for amounts that are overdue and that (in the case of any such amounts overdue for a period in excess of 30 days) are being contested in good faith by appropriate proceedings, so long as such reserves or other appropriate provisions, if any, as shall be required by GAAP shall have been made for any such contested amounts;

(3) Liens incurred in the ordinary course of business in connection with workers' compensation, unemployment insurance and other types of social security, or to secure the performance of tenders, statutory obligations, surety and appeal bonds, bids, leases, government contracts, trade contracts, performance and return of money bonds and other similar obligations (exclusive of obligations for the payment of borrowed money or other Indebtedness), so long as no foreclosure, sale or similar proceedings have been commenced with respect to any portion of the collateral on account thereof;

(4) easements, rights of way, restrictions, encroachments, and other minor defects or irregularities in title, in each case which do not and will not interfere in any material respect with the ordinary conduct of the business of Cequel or any of its Restricted Subsidiaries;

(5) any interest or title of a lessee, sublessee, lessor or sublessor under any lease of real estate or personal property not prohibited hereunder;

(6) Liens solely on any cash earnest money deposits made by Cequel in connection with any letter of intent or purchase agreement permitted hereunder;

(7) purported Liens evidenced by the filing of precautionary UCC financing statements relating solely to operating leases of personal property entered into in the ordinary course of business;

(8) any zoning or similar law or right reserved to or vested in any governmental office or agency to control or regulate the use of any real property;

(9) judgments, liens, writs, warrants, levies, distraints or attachments that do not constitute an Event of Default;

(10) any leases or subleases permitted hereby to other Persons of properties or assets owned or leased by Cequel;

(11) Liens arising solely by virtue of any statutory or common law provision relating to banker's liens, rights of set-off and pooling arrangements upon deposits of Cash or Cash Equivalents in favor of banks and other depositary institutions in each case incurred in the ordinary course of business;

(12) Liens (A) of a collection bank arising under Section 4-210 of the UCC on items in the course of collection and (B) in favor of a banking institution arising as a

matter of law encumbering deposits (including the right of set-off) and which are within the general parameters customary in the banking industry, in each case existing solely with respect to Cash or Cash Equivalents;

(13) Liens arising out of conditional sale, title retention, consignment or similar arrangements for inventory entered into by Cequel in the ordinary course of business and consistent with past practices;

(14) Liens on property (including Capital Stock) existing at the time of acquisition of the property by Cequel (including by merger or consolidation of a Person with Cequel); *provided* that such Liens were in existence prior to such acquisition and not incurred in contemplation of such acquisition;

(15) Liens existing on the Issue Date;

(16) Liens created pursuant to this Indenture or for the benefit of (or to secure) the Notes;

(17) Liens of Cequel to secure any Permitted Refinancing Indebtedness permitted to be incurred under this Indenture;*provided, however,* that:

(a) the new Lien is limited to all or part of the same property and assets that secured or, under the written agreements pursuant to which the original Lien arose, could secure the original Lien (plus improvements and accessions to, such property or proceeds or distributions thereof); and

(b) the Indebtedness secured by the new Lien is not increased to any amount greater than the sum of (x) the outstanding principal amount, or, if greater, committed amount, of the Indebtedness renewed, refunded, refinanced, replaced, defeased or discharged with such Permitted Refinancing Indebtedness and (y) an amount necessary to pay any fees and expenses, including premiums, related to such renewal, refunding, refinancing, replacement, defeasance or discharge; and

(18) other Liens securing obligations in an aggregate amount at any one time outstanding not to exceed $50.0 million.

Section 4.05 *Restricted Payments*.

Cequel shall not, nor shall it permit any of its Restricted Subsidiaries to, directly or indirectly, declare, order, pay, make or set apart, or agree to declare, order, pay, make or set apart, any sum for any Restricted Payment, except that:

(1) Cequel may pay any dividend within 60 days after the date of declaration of such dividend if the dividend would have been permitted on the date of declaration;

(2) Cequel and its Restricted Subsidiaries may make Restricted Payments to Cequel Holdings (a) in an amount not exceeding $5.0 million in any Fiscal Year to permit Cequel Holdings to pay administrative costs and expenses (including franchise and

(3) so long as no Default or Event of Default has occurred and is continuing or would be caused thereby, Cequel or any of its Restricted Subsidiaries may repurchase, redeem or otherwise acquire or retire for value any Equity Interests of Cequel Holdings, any direct or indirect parent entity of Cequel Holdings, any direct or indirect equityholder of Cequel, Cequel or any Restricted Subsidiary of Cequel held by any current or former officer, director or employee thereof or any member of the Equity Consortium or other minority equityholder who holds less than 5% of total Equity Interests in such companies owned by all members of the Equity Consortium or other minority equityholder pursuant to any equity subscription agreement, stock option agreement, shareholders' agreement or similar agreement or any Holder of a minority interest in Capital Stock thereof (or make distributions to Cequel Holdings to enable Cequel Holdings or any direct or indirect parent entity of Cequel Holdings to do so); *provided* that the aggregate price paid for all such repurchased, redeemed, acquired or retired equity interests may not exceed the sum of (i) $10.0 million in any calendar year (*plus* any such amount permitted without giving effect to this parenthetical in the immediately preceding calendar year but not so utilized) *plus* (ii) the proceeds of any key man life insurance policies received by Cequel and its Restricted Subsidiaries during such calendar year;

(4) Cequel may make distributions to Cequel Holdings in an amount equal to any federal, state local or foreign income Taxes solely attributable to the operations of Cequel and its Restricted Subsidiaries and payable by any direct or indirect holder of the Capital Stock of Cequel, net of any prior federal state, local or foreign income Tax losses utilized or carryforward generated by Cequel and its Restricted Subsidiaries (*provided, however* that the amount of such distributions in any Fiscal Year shall not exceed the amount Cequel and its Restricted Subsidiaries would be required to pay in respect of federal, state, local and foreign income Taxes if

(6) Cequel or its Restricted Subsidiaries may make Restricted Payments not otherwise permitted by this Section 4.05 so long as:

(A) no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof; and

(B) Cequel would, at the time of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the applicable Fiscal Quarter, have been permitted to incur at least $1.00 of additional Indebtedness pursuant to the Total Leverage Ratio test set forth in Section 4.03(a) hereof; and

(C) such Restricted Payment, together with the aggregate amount of all other Restricted Payments declared or made after the Issue Date pursuant to this subclause (C) shall not exceed, at the date of determination, the sum, without duplication, of: (1) $250.0 million; *plus* (2) an amount equal to Cequel's Consolidated Adjusted EBITDA from June 30, 2012 to the end of the most recently ended full Fiscal Quarter for which internal financial statements are available, taken as a single accounting period, *less* the product of 1.4 times Cequel's Consolidated Interest Expense from June 30, 2012 to the end of the most recently ended full Fiscal Quarter for which internal financial statements are available, taken as a single accounting period; *plus* (3) 100% of the aggregate net cash proceeds and the Fair Market Value of any assets or property received by Cequel or its Restricted Subsidiaries since the Issue Date as a contribution to its common or preferred equity capital or from the issue or sale of Capital Stock of Cequel or its Restricted Subsidiaries (other than Excluded Contributions, Capital Stock sold to a Subsidiary of Cequel and any debt security that is convertible into, or exchangeable for, Capital Stock of Cequel or its Restricted Subsidiaries until such debt security has been converted into, or exchanged for, Capital Stock of Cequel or its Restricted Subsidiaries); *plus* (4) to the extent that any Restricted Investment that was made after the Issue Date is sold for Cash or otherwise liquidated or repaid for Cash, the lesser of (x) the Cash return of capital with respect to such Restricted Investment (less the cost of disposition, if any) and (y) the initial amount of such Restricted Investment; *plus* (5) to the extent that any Unrestricted Subsidiary of Cequel designated as such after the Issue Date is redesignated as a Restricted Subsidiary after the Issue Date, the lesser of (x) the Fair Market Value of Cequel's Investment in such Subsidiary as of the date of such redesignation or (y) such Fair Market Value as of the date on which such Subsidiary was originally designated as an Unrestricted Subsidiary after the Issue Date; *plus* (6) 100% of any dividends received by Cequel or a Restricted Subsidiary of Cequel after June 30, 2012 from an Unrestricted Subsidiary of Cequel, to the extent that such dividends were not otherwise included in the Consolidated Net Income of Cequel for such period;

(7) Cequel or its Restricted Subsidiaries may make Restricted Payments that are made with Excluded Contributions; and

(8) Cequel may make declarations and payment of dividends on Cequel's common stock (or the payment of dividends to any direct or indirect parent entity to fund a payment of dividends on such entity's common stock), following the first public offering of Cequel's common stock or the common stock of any of its direct or indirect parent companies after the Issue Date, of up to 6% per annum of the net cash proceeds received by or contributed to Cequel in or from any public offering, other than public offerings with respect to Cequel's common stock registered on Form S-8 and other than any public sale constituting an Excluded Contribution.

Section 4.06 *Restrictions on Subsidiary Distributions*.

Except as provided herein, Cequel shall not, nor shall it permit any of its Restricted Subsidiaries to, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or restriction of any kind on the ability of any Restricted Subsidiary of Cequel to (a) pay dividends or make any other distributions on any of such Restricted Subsidiary's Capital Stock owned by Cequel or any other Restricted Subsidiary of Cequel, (b) repay or prepay any Indebtedness owed by such Restricted Subsidiary to Cequel or any other Restricted Subsidiary of Cequel, (c) make loans or advances to Cequel or any other Restricted Subsidiary of Cequel, or (d) transfer any of its property or assets to Cequel or any other Restricted Subsidiary of Cequel other than restrictions: (i) in agreements evidencing Indebtedness permitted by clause (12) of Section 4.03(b) hereof that impose restrictions on the property so acquired; (ii) by reason of customary provisions restricting dividends, distributions, assignments, subletting or other transfers contained in leases, licenses, franchises, permits, joint venture agreements and similar agreements entered into in the ordinary course of business; (iii) that are or were created by virtue of any transfer of, agreement to transfer or option or right with respect to any property, assets or Capital Stock not otherwise prohibited under this Agreement; (iv) on cash or other deposits imposed by customers under contracts entered into in the ordinary course of business; (v) with respect to any asset of Cequel or any of its Restricted Subsidiaries, imposed pursuant to an agreement which has been entered into for the sale or disposition of such assets or all or substantially all of the Capital Stock or assets of such Restricted Subsidiary, so long as such sale or disposition is permitted under this Agreement; (vi) of the type set forth in clause (a) only that are binding on a Restricted Subsidiary at the time such Restricted Subsidiary first becomes a Restricted Subsidiary of Cequel, so long as such prohibitions were not entered into solely in contemplation of such Person becoming a Restricted Subsidiary of Cequel; (vii) by reason of applicable law or any rule, regulation or order; (viii) existing under agreements or instruments existing on the Issue Date to the extent and in the manner such agreements are in effect on the Issue Date; (ix) existing under the Credit Agreement; (x) on the transfer of assets subject to any Lien permitted under Section 4.04 hereof imposed by the holder of such Lien; (xi) existing under other Indebtedness of Restricted Subsidiaries of Cequel permitted to be incurred pursuant to an agreement entered into subsequent to the Issue Date in accordance with Section 4.03 hereof; *provided*, *however*, that the Board of Directors of Cequel determines in good faith at the time such restrictions are created that such restrictions do not materially adversely affect Cequel's ability to pay principal of, and interest on, the Notes; and (xii) existing under an agreement governing Permitted Refinancing Indebtedness or governing Indebtedness that extends, refinances, renews, replaces, defeases or refunds Indebtedness issued, assumed or incurred pursuant to an agreement referred to in clause (viii) or (ix) above; *provided*, *however*, that the provisions relating to such encumbrance or restriction contained in any such Indebtedness are not

in the aggregate materially less favorable to Cequel as determined by the Board of Directors of Cequel in their reasonable and good faith judgment than the provisions relating to such encumbrance or restriction contained in any such agreements.

Section 4.07 *Transactions with Affiliates*.

(a) Cequel shall not, nor shall it permit any of its Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan,

advance or guarantee with, or for the benefit of, any Affiliate of Cequel (each, an "*Affiliate Transaction*"), unless: (x) the Affiliate Transaction is on terms that are no less favorable to Cequel or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by Cequel or such Restricted Subsidiary with an unrelated Person; and (y) Cequel delivers to the Trustee:

(1) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $25.0 million, a resolution of Cequel's or the applicable Restricted Subsidiary's Board of Directors set forth in an Officers' Certificate certifying that such Affiliate Transaction has been approved by a majority of the disinterested members of Cequel's or the applicable Restricted Subsidiary's Board of Directors; and

(2) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $100.0 million, an opinion as to the fairness to Cequel or such Restricted Subsidiary of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of national standing.

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.07(a) hereof:

(1) any employment agreement, employee benefit plan, officer and director indemnification agreement or any similar arrangement entered into by Cequel or any of its Restricted Subsidiaries in the ordinary course of business;

(2) transactions between or among Cequel and/or its Restricted Subsidiaries;

(3) transactions with a Person that is an Affiliate of Cequel (other than an Unrestricted Subsidiary) solely because Cequel owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;

(4) loans, advances, payment of reasonable fees, indemnification of directors, or similar arrangements to or with officers, directors, employees and consultants who are not otherwise Affiliates of Cequel;

(5) any issuance of Equity Interests of Cequel to Affiliates of Cequel;

(6) Restricted Payments that are permitted by Section 4.05 hereof and Permitted Investments;

(7) payments of acquisition fees not in excess of 1.5% of the purchase consideration for Permitted Acquisitions occurring after the Issue Date;

(8) customary payments by Cequel or any of its Restricted Subsidiaries to any member of the Equity Consortium or their Affiliates made for any financial advisory, financing, underwriting or placement services or in respect of other investment banking activities (including in connection with acquisitions or divestitures), which payments are on arm's-length terms and are approved by the majority of the members of the Board of Directors of Cequel or a majority of the disinterested members of the Board of Directors of Cequel;

(9) (i) any agreement to pay, and the payment of, customary annual management, consulting, monitoring and advisory fees to members of the Equity Consortium in an amount not to exceed in any four quarter period the greater of (x) $10.0 million and (y) 1.5% of Consolidated Adjusted EBITDA of Cequel and its Restricted Subsidiaries for such period and related expenses; *provided* that any payment not made in any Fiscal Year may be carried forward and paid in the following two Fiscal Years and (ii) the payment of the present value of all amounts payable pursuant to any agreement described in clause (i) hereof in connection with the termination of such agreement; and

(10) the transactions and payments contemplated by the Management Contract as in effect on the Issue Date.

(c) Notwithstanding anything in this Section 4.07 to the contrary, any transaction between (x) Cequel or any of its Restricted Subsidiaries and (y) the Management Company or any of its Affiliates (other than Cequel or any of its Restricted Subsidiaries or any Affiliate of the Management Company that is an Affiliate of the Management Company solely by way of its relationship with Cequel) shall be deemed an Affiliate Transaction subject to this Section 4.07, except as provided in (1) or (2) below:

(1) neither (x) the transactions contemplated by and payments under the Management Contract as in effect on the Issue Date, as amended, restated or otherwise modified from time to time so long as any economic terms contained therein are substantially similar to those contemplated by the Management Contract in effect on the Issue Date nor (y) payments described in clause (7) of Section 4.07(b) hereof shall constitute Affiliate Transactions; and

(2) a transaction consisting of any undertaking to pay fees or other compensation to the Management Company or its Affiliates in addition to the fees and payments contemplated by clause (1) above shall not constitute an Affiliate Transaction if (i) such undertaking is documented as an amendment to the Management Contract, (ii) such amendment is entered into substantially contemporaneously with an acquisition or any refinancing permitted hereunder or equity investment in any Parent Entity, (iii) the effect of such amendment is to increase the annual base fees payable to the Management

Company by an amount that is no greater than (x) in the case of an acquisition, 2.0% of the total consolidated revenues of the acquired assets for the four full fiscal quarters for which internal financial statements are available preceding such acquisition and (y) in the case of a refinancing permitted hereunder or equity investment in any Parent Entity, 1.0% of Consolidated Adjusted EBITDA for the four full fiscal quarters for which internal financial statements are available preceding such refinancing or investment.

Section 4.08 *Conduct of Business.*

From and after the Issue Date, Cequel shall not, and shall not permit any of its Restricted Subsidiaries to, engage in any business other than the Permitted Business, except to such extent as would not be material to Cequel and its Restricted Subsidiaries taken as a whole.

Section 4.09 *Restrictions Affecting Cequel Capital.*

In addition to the other restrictions set forth in this Indenture, Cequel Capital may not hold any material assets, become liable for any material obligations or engage in any significant business activities; *provided* that Cequel Capital may be a co-obligor or guarantor with respect to Indebtedness if Cequel is a primary obligor of such Indebtedness and the net proceeds of such Indebtedness are received by Cequel or one or more of Cequel's Subsidiaries other than Cequel Capital.

Section 4.10 *Designations of Restricted and Unrestricted Subsidiaries*.

(a) The Board of Directors of Cequel may designate any Subsidiary of Cequel (including any existing Subsidiary and any newly acquired or newly formed Subsidiary) to be an Unrestricted Subsidiary unless such Subsidiary or any of its Subsidiaries owns any Capital Stock or Indebtedness of, or owns or holds any Lien on, any property of, Cequel or any Restricted Subsidiary of Cequel (other than any Subsidiary of the Subsidiary to be so designated); *provided* that (i) any Unrestricted Subsidiary must be an entity of which shares of the Capital Stock or other equity interests (including partnership interests) entitled to cast at least a majority of the votes that may be cast by all shares or equity interests having ordinary voting power for the election of directors or other governing body are owned, directly or indirectly, by Cequel, (ii) such designation complies with Section 4.05 hereof and (iii) each of (A) the Subsidiary to be so designated and (B) its Subsidiaries has not at the time of designation, and does not thereafter, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable with respect to any Indebtedness pursuant to which any lender has recourse to any of the assets of Cequel or any Restricted Subsidiary.

(b) Cequel may designate any Unrestricted Subsidiary to be a Restricted Subsidiary;*provided* that: (1) no Default shall have occurred and be continuing; and (2) such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of Cequel of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if such Indebtedness is permitted under Section 4.03 hereof.

(c) Any designation of a Subsidiary of Cequel as an Unrestricted Subsidiary will be evidenced to the Trustee by filing with the Trustee a certified copy of a resolution of the Board of Directors giving effect to such designation and an Officers' Certificate certifying that such

designation complied with the preceding conditions. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary of Cequel will be deemed to be incurred by a Restricted Subsidiary of Cequel as of such date and, if such Indebtedness is not permitted to be incurred as of such date under Section 4.03 hereof, Cequel will be in default of such covenant.

Section 4.11 *Payments for Consent*

Cequel will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder of Notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid to all Holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Section 4.12 *Reports*

(a) So long as any Notes are outstanding, Cequel will furnish to the Trustee:

(1) within 90 days after the end of each Fiscal Year, annual reports of Cequel containing substantially all of the information that would have been required to be contained in an Annual Report on Form 10-K under the Exchange Act if Cequel had been a reporting company under the Exchange, including (A) "Management's Discussion and Analysis of Financial Condition and Results of Operations," (B) audited financial statements prepared in accordance with GAAP and (C) a presentation of Consolidated Adjusted EBITDA of Cequel and its Subsidiaries and from such financial statements;

(2) within 45 days after the end of each of the first three Fiscal Quarters of each Fiscal Year, quarterly reports of Cequel containing substantially all of the information that would have been required to be contained in a Quarterly Report on Form 10-Q under the Exchange Act if Cequel had been a reporting company under the Exchange Act, including (A) "Management's Discussion and Analysis of Financial Condition and Results of Operations," (B) unaudited quarterly financial statements prepared in accordance with GAAP and reviewed pursuant to Statement on Auditing Standards No. 100 (or any successor provision) and (C) a presentation of Consolidated Adjusted EBITDA of Cequel and derived from such financial statements; and

(3) within 5 Business Days after the occurrence of each event that would have been required to be reported in a Current Report on Form 8-K under the Exchange Act if Cequel had been a reporting company under the Exchange Act, current reports containing substantially all of the information that would have been required to be contained in a Current Report on Form 8-K under the Exchange Act if Cequel had been a reporting company under the Exchange Act; *provided*, *however*, that no such current report will be required to be furnished if Cequel determines in its good faith judgment that such event is not material to Holders of Notes or the business, assets, operations, financial positions or prospects of Cequel and its Restricted Subsidiaries, taken as a whole;

The reports required pursuant to clauses (1), (2) and (3) of this Section 4.12(a) hereof will not be required to comply with Section 302 or Section 404 of the Sarbanes-Oxley Act of 2002, or related Items 307 and 308 of Regulation S-K promulgated by the SEC, Item 10(e) of Regulation S-K (with respect to any non-GAAP financial measures contained therein) or any comparable successor provision.

(b) At any time that any of Cequel's Subsidiaries are Unrestricted Subsidiaries, then the quarterly and annual reports required by the preceding paragraph will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, and in "Management's Discussion and Analysis of Financial Condition and Results of Operations" or other comparable section, of the financial condition and results of operations of Cequel and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of Cequel.

(c) So long as any Notes are outstanding, the Issuers will also:

(1) issue a press release to an internationally recognized wire service no fewer than three Business Days prior to the first public disclosure of the annual and quarterly reports required by clauses (1) and (2) of Section 4.12(a) hereof announcing the date on which such reports will become publicly available and directing Holders of Notes, prospective investors, broker-dealers and securities analysts to contact the investor relations office of the Issuers to obtain copies of such reports;

(2) within 10 Business Days after furnishing to the Trustee the annual and quarterly reports required by clauses (1) and (2) of Section 4.12(a) hereof, hold a conference call to discuss such reports and the results of operations for the relevant reporting period;

(3) issue a press release (which may be combined with the press release pursuant to clause (1) above) to an internationally recognized wire service no fewer than three Business Days prior to the date of the conference call required to be held in accordance with this paragraph, announcing the time and date of such conference call and either including all information necessary to access the call or directing Holders of Notes, prospective investors, broker-dealers and securities analysts to contact the appropriate person at the Issuers to obtain such information; and

(4) maintain a website with no password protection to which all of the reports and press releases required by this "Reports" covenant are posted.

In addition, the Issuers shall furnish to Holders of Notes, prospective investors, broker-dealers and securities analysts, upon their request, any information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act so long as the Notes are not freely transferable under the Securities Act.

Section 4.13 *Asset Sales; Asset Swaps.*

(a) Cequel will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale or Asset Swap unless:

(1) Cequel (or the Restricted Subsidiary of Cequel, as the case may be) receives consideration at the time of the Asset Sale or Asset Swap at least equal to the Fair Market Value (determined in good faith by an Authorized Officer of Cequel (or such Restricted Subsidiary of Cequel, as the case may be) and measured as of the date of the definitive agreement with respect to such Asset Sale or Asset Swap) of the assets or Equity Interests issued or sold or otherwise disposed of; and

(2) with respect to individual Asset Sales (but not Asset Swaps) by Cequel or such Restricted Subsidiary of Cequel the proceeds of which are greater than $50.0 million, no less than 75% of the consideration for such Asset Sale shall be received in Cash or Cash Equivalents (provided that for purposes of this clause (2) only, debt instruments maturing within 12 months of the date of consummation of such Asset Sale shall be deemed to be Cash Equivalents). For purposes of this provision, each of the following will also be deemed to be Cash:

(A) any liabilities, as shown on Cequel's most recent consolidated balance sheet, of Cequel or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes, which in any event shall not be considered when determining whether such 75% threshold has been met) that are assumed by the transferee of any such assets pursuant to a customary notation or indemnity agreement that releases Cequel or such Restricted Subsidiary of Cequel from or indemnifies against further liability;

(B) any securities, notes or other obligations received by Cequel or any such Restricted Subsidiary of Cequel from such transferee that are converted into cash within 60 days after such Asset Sale, to the extent of the cash received in that conversion; and

(C) any stock or assets of the kind referred to in clause (2) or (4) of Section 4.13(b) hereof.

(b) Within 18 months of receipt (or within 24 months of receipt if a binding commitment to reinvest is entered into within 18 months of receipt) of any Net Asset Sale Proceeds from an Asset Sale or Asset Swap, Cequel (or the applicable Restricted Subsidiary of Cequel, as the case may be) may apply such Net Asset Sale Proceeds:

(1) to repay (a) Indebtedness and other Obligations under a Credit Facility and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto and/or (b) Indebtedness of any Restricted Subsidiary of Cequel;

(2) to acquire all or substantially all of the assets of, or any Capital Stock of, another Permitted Business, if, after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary of Cequel;

(3) to make a capital expenditure; or

(4) to acquire other assets that are not classified as current assets under GAAP and that are used or useful in a Permitted Business.

(c) Pending the final application of any Net Asset Sale Proceeds, Cequel (or the applicable Restricted Subsidiary) may temporarily reduce revolving credit borrowings or otherwise invest the Net Asset Sale Proceeds in any manner that is not prohibited by this Indenture.

(d) Any Net Asset Sale Proceeds from Asset Sales or Asset Swaps that are not applied or invested as provided in Section 4.13(b) hereof will constitute "*Excess Proceeds*." When the aggregate amount of Excess Proceeds exceeds $50.0 million, within five days thereof, the Issuers will make an offer (an "*Asset Sale Offer*") to all holders of Notes and all Holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in this Indenture with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets in accordance with Section 3.08 hereof to purchase, prepay or redeem the maximum principal amount of Notes and such other *pari passu* Indebtedness (*plus* all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount, *plus* accrued and unpaid interest, if any, to the date of purchase, prepayment or redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Issuers may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered in (or required to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee will select the Notes and such other *pari passu* Indebtedness to be purchased on a *pro rata* basis, based on the amounts tendered or required to be prepaid or redeemed (with such adjustments as may be deemed appropriate by the Issuers so that only Notes in denominations of $2,000, or an integral multiple of $1,000 in excess thereof, will be purchased). Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

(e) The Issuers will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to Section 3.08 hereof or this Section 4.13. To the extent that the provisions of any securities laws or regulations conflict with Section 3.08 hereof or this Section 4.13, the Issuers will comply with the applicable securities laws and regulations and will not be deemed to have breached their obligations under Section 3.08 or 4.14 hereof or this Section 4.13 by virtue of such compliance.

Section 4.14 *Offer to Purchase Upon Change of Control*

(a) If a Change of Control Triggering Event occurs, each Holder of Notes will have the right to require the Issuers to repurchase all or any part (equal to $2,000 or an integral multiple of $1,000 in excess thereof) of that Holder's Notes pursuant to an offer (a "*Change of Control Offer*") on the terms set forth in this Indenture. In the Change of Control Offer, the Issuers will offer a payment (a "*Change of Control Payment*") in cash equal to 101% of the

aggregate principal amount of Notes repurchased, *plus* accrued and unpaid interest, if any, on the Notes repurchased to the date of purchase, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date. Within ten days following any Change of Control Triggering Event, the Issuers will mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control Triggering Event and offering to repurchase Notes on the date (the "*Change of Control Payment Date*") specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed, pursuant to the procedures required by this Indenture and described in such notice. The Issuers will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a

Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.14, the Issuers will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.14 by virtue of such compliance.

(b) On the Change of Control Payment Date, the Issuers will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control

Payment in respect of all Notes or portions of Notes properly tendered; and

(3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuers.

(c) The Paying Agent will promptly mail to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. The Issuers will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(d) The Issuers will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuers and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to this Indenture as described under Section 3.07 hereof, unless and until there is a default in payment of the applicable redemption price. Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control Triggering Event, conditioned upon the consummation of such Change of Control Triggering Event, if a definitive agreement is in place for the Change of Control Triggering Event at the time the Change of Control Offer is made.

Section 4.15 *Covenant Suspension*

(a) If on any date following the Issue Date (i) the Notes have an Investment Grade Rating from both Rating Agencies and (ii) no Default or Event of Default has occurred and is continuing under this Indenture then, beginning on that day and continuing at all times thereafter until the Reversion Date (as defined below) (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "*Covenant Suspension Event*"), the Issuers and their Restricted Subsidiaries will not be subject to Sections 4.03, 4.05, 4.06, 4.07, 4.08, 4.13, 4.14 and clause (2) of Section 5.01 (the "*Suspended Covenants*").

(b) In the event that the Issuers and the Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of the foregoing, and on any subsequent date (the "*Reversion Date*") both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating, then the Issuers and the Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants with respect to future events. The period beginning on the day of a Covenant Suspension Event and ending on a Reversion Date is called a "*Suspension Period.*"

(c) On each Reversion Date, all Indebtedness incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under clause (11) of Section 4.03(b). Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Section 4.05 will be made as though Section 4.05 had been in effect prior to, but not during, the Suspension Period. No Default or Event of Default will be deemed to have occurred on the Reversion Date (or thereafter) under any Suspended Covenant solely as a result of any actions taken by the Issuers or their Restricted Subsidiaries, or events occurring, during the Suspension Period. On and after each Reversion Date, the Issuers and their Subsidiaries will be permitted to consummate the transactions contemplated by any contract entered into during the Suspension Period so long as such contract and such consummation would have been permitted during such Suspension Period.

(d) For purposes of Section 4.13, on the Reversion Date, the unutilized Excess Proceeds amount will be reset to zero.

(e) For purposes of Section 4.06, on the Reversion Date, any contractual encumbrances or restrictions of the type specified in clauses (a), (b), (c) or (d) of Section 4.06 entered into during the Suspension Period will be deemed to have been in effect on the Issue Date, so that they are permitted under clause (viii) of Section 4.06.

(f) For purposes of Section 4.07, any Affiliate Transaction entered into after the Reversion Date pursuant to a contract, agreement, loan, advance or guaranty with, or for the benefit of, any Affiliate of the Issuer entered into during the Suspension Period will be deemed to have been in effect as of the Issue Date.

(g) During a Suspension Period, the Issuers may not designate any of its Subsidiaries as Unrestricted Subsidiaries pursuant to Section 4.10(a).

(h) The Issuer shall deliver promptly to the Trustee an officer's certificate notifying it of the commencement or termination of any Suspension Period. The Trustee shall have no independent obligation to determine if a Suspension Period has commenced or terminated, to notify the Holders of Notes regarding the same or to determine the consequences thereof.

Section 4.16 *Compliance Certificate*.

(a) Cequel shall deliver to the Trustee, within 90 days after the end of each fiscal year, an Officers' Certificate stating that a review of the activities of Cequel and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Authorized Officers with a view to determining whether the Issuers have kept, observed, performed and fulfilled their obligations under this Indenture, and further stating, as to each such Authorized Officer signing such certificate, that to the best of his or her knowledge the Issuers have kept, observed, performed and fulfilled each and every covenant contained in this Indenture and are not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action Cequel is taking or proposes to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of, premium on, if any, or interest, if any, on, the Notes is prohibited or if such event has occurred, a description of the event and what action Cequel is taking or proposes to take with respect thereto.

(b) So long as not contrary to the then current recommendations of the American Institute of Certified Public Accountants, the year-end financial statements delivered pursuant to Section 4.12 hereof shall be accompanied by a written statement of Cequel's independent public accountants (who shall be a firm of established national reputation) that in making the examination necessary for certification of such financial statements, as it relates to accounting matters, nothing has come to their attention that would lead them to believe that Cequel has violated any provisions of Article 4 or Article 5 hereof or, if any such violation has occurred, specifying the nature and period of existence thereof, it being understood that such accountants shall not be liable directly or indirectly to any Person for any failure to obtain knowledge of any such violation.

(c) So long as any of the Notes are outstanding, the Issuers will deliver to the Trustee, forthwith upon any Authorized Officer becoming aware of any Default or Event of Default, an Officers' Certificate specifying such Default or Event of Default and what action the Issuers are taking or propose to take with respect thereto.

Section 4.17 *Taxes*.

Cequel will pay, and will cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

Section 4.18 *Stay, Extension and Usury Laws.*

Each of the Issuers covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and each of the Issuers (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.19 *Corporate Existence*.

Subject to Article 5 hereof, Cequel shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(1) subject to subsection (2) below, its corporate existence, and the corporate, partnership or other existence of each of its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of Cequel or any such Subsidiary of Cequel; and

(2) the rights (charter and statutory), licenses and Franchises of Cequel and its Subsidiaries;

provided, however, that Cequel shall not be required to preserve any such right, license or Franchise, or the corporate, partnership or other existence of any of its Subsidiaries, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of Cequel and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

ARTICLE 5
SUCCESSORS

Section 5.01 *Merger, Consolidation or Sale of Assets.*

Cequel will not, in a single transaction or series of related transactions, consolidate or merge with or into any Person, or sell, assign, transfer, lease, convey or otherwise dispose of (or cause or permit any Restricted Subsidiary of Cequel to sell, assign, transfer, lease, convey or otherwise dispose of) all or substantially all of Cequel's assets (determined on a consolidated basis for Cequel and Cequel's Restricted Subsidiaries) whether as an entirety or substantially as an entirety to any Person unless:

(1) either:

(A) Cequel shall be the surviving or continuing corporation; or

(B) the Person (if other than Cequel) formed by such consolidation or into which Cequel is merged or the Person which acquires by sale, assignment,

transfer, lease, conveyance or other disposition the properties and assets of Cequel and of Cequel's Restricted Subsidiaries substantially as an entirety (the "*Surviving Entity*"):

(i) shall be a corporation organized and validly existing under the laws of the United States or any State thereof or the District of Columbia; and

(ii) shall expressly assume, by supplemental indenture (in form and substance reasonably satisfactory to the Trustee), executed and delivered to the Trustee, the due and punctual payment of the principal of, and premium, if any, and interest on all of the Notes and the performance of every covenant of the Notes and this Indenture on the part of Cequel to be performed or observed;

(2) immediately after giving effect to such transaction and the assumptions contemplated by clause (1)(B)(ii) of this Section 5.01 (including giving effect to any Indebtedness and Acquired Indebtedness incurred or anticipated to be incurred in connection with or in respect of such transaction), Cequel or such Surviving Entity, as the case may be, shall be able to incur at least $1.00 of additional Indebtedness pursuant to the Total Leverage Ratio test set forth in Section 4.03(a) hereof;

(3) immediately before and immediately after giving effect to such transaction and the assumptions contemplated by clause (1)(B)(ii) of this Section 5.01 (including, without limitation, giving effect to any Indebtedness and Acquired Indebtedness incurred or anticipated to be incurred and any Lien granted in connection with or in respect of the transaction), no Default or Event of Default shall have occurred or be continuing; and

(4) Cequel or the Surviving Entity shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with the applicable provisions of this Indenture and that all conditions precedent in this Indenture relating to such transaction have been satisfied.

For purposes of the foregoing, the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the properties or assets of one or more Restricted Subsidiaries of Cequel, the Capital Stock of which constitutes all or substantially all of the properties and assets of Cequel (determined on a consolidated basis for Cequel and Cequel's Restricted Subsidiaries), shall be deemed to be the transfer of all or substantially all of the properties and assets of Cequel.

Notwithstanding the foregoing clauses (2) and (3) of this Section 5.01, Cequel may merge with an Affiliate that is a Person that has no material assets or liabilities and which was organized solely for the purpose of reorganizing Cequel in another jurisdiction.

Section 5.02 *Successor Corporation Substituted.*

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of Cequel in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof, the successor Person formed by such consolidation or into or with which Cequel is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition, the provisions of this Indenture referring to "Cequel" (including the term "Issuers" or "Issuer", as applicable) shall refer instead to the successor Person and not to Cequel), and may exercise every right and power of Cequel under this Indenture with the same effect as if such successor Person had been named as Cequel herein; *provided, however*, that Cequel shall not be relieved from the obligation to pay the principal of, premium on, if any, and interest, if any, on, the Notes except in the case of a sale of all of Cequel's assets in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof.

ARTICLE 6
DEFAULTS AND REMEDIES

Section 6.01 *Events of Default.*

Each of the following is an "*Event of Default*":

(1) default for 30 days in the payment when due of interest on the Notes;

(2) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Notes;

(3) failure by Cequel or any of its Restricted Subsidiaries for 60 days after notice to the Issuers by the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the other agreements in this Indenture or the Notes;

(4) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by Cequel or any of its Restricted Subsidiaries (or the payment of which is guaranteed by Cequel or any of its Restricted Subsidiaries), whether such Indebtedness or guarantee now exists, or is created after the Issue Date, if that default:

(a) is caused by a failure to pay at final maturity (giving effect to any applicable grace periods and any extensions thereof) the stated principal of such Indebtedness (a "*Payment Default*"); or

(b) results in the acceleration of such Indebtedness prior to its Stated Maturity,

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates $100.0 million or more;

(5) failure by Cequel or any of its Restricted Subsidiaries to pay final judgments entered by a court or courts of competent jurisdiction aggregating in excess of $100.0 million, which judgments are not paid, discharged or stayed, for a period of 60 days;

(6) Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) pursuant to or within the meaning of Bankruptcy Law:

(A) commences a voluntary case,

(B) consents to the entry of an order for relief against it in an involuntary case,

(C) makes a general assignment for the benefit of its creditors, or

(D) generally is not paying its debts as they become due; and

(7) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) in an involuntary case; or

(B) appoints a custodian of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) or for all or substantially all of the property of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary); or

(C) orders the liquidation of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary);

and the order or decree remains unstayed and in effect for 60 consecutive days.

Section 6.02 *Acceleration.*

In the case of an Event of Default specified in clause (6) or (7) of Section 6.01 hereof, with respect to Cequel, any Restricted Subsidiary of Cequel that is a Significant Subsidiary or any group of Restricted Subsidiaries of Cequel that, taken together, would constitute a

Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is

continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Upon any such declaration, the Notes shall become due and payable immediately.

Section 6.03 *Other Remedies*.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of, premium on, if any or interest, if any, on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

Holders of at least a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest on, if any, the Notes (including in connection with an offer to purchase); *provided, however*, that the Holders of at least a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration or waive its consequences, including any related payment default that resulted from such acceleration, if the rescission would not conflict with any judgment or decree, except a continuing Default or Event of Default in the payment of principal, premium on, if any, or interest on the Notes. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 *Control by Majority.*

Holders of at least a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability.

Section 6.06 *Limitation on Suits.*

Except to enforce the right to receive payment of principal, premium, if any, or interest, if any, when due, no Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

(1) such Holder has previously given to the Trustee written notice that an Event of Default is continuing;

(2) Holders of at least 25% in aggregate principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;

(3) such Holder or Holders offer and, if requested, provide to the Trustee security or indemnity reasonably satisfactory to the Trustee against any loss, liability or expense;

(4) the Trustee does not comply with such request within 60 days after receipt of the request and the offer of security or indemnity; and

(5) during such 60-day period, Holders of a majority in aggregate principal amount of the then outstanding Notes do not give the Trustee a direction inconsistent with such request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

Section 6.07 *Rights of Holders of Notes to Receive Payment.*

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, premium on, if any, or interest, if any, on, the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuers for the whole amount of principal of, premium on, if any, and interest, if any, remaining unpaid on, the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuers (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the

Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities*.

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee, its agents and attorneys for amounts due under Section 7.06 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, if any, respectively; and

Third: to the Issuers or to such party as a court of competent jurisdiction shall direct. The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs*.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

ARTICLE 7
TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture.

However, the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability. The Trustee will be under no obligation to exercise any of its rights and powers under this Indenture at the request of any Holders, unless such Holder has offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuers. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) In no event shall the Trustee be responsible for special, indirect or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuers will be sufficient if signed by an Authorized Officer of the Issuers.

(f) In case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee reasonable indemnity or security satisfactory to it against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(g) If the Trustee becomes a creditor of the Issuers, the Trustee will not have the right to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee will be permitted to engage in other transactions; however, if it acquires any conflicting interest it must eliminate such conflict within 90 days or resign.

(h) Except with respect to Section 4.01 hereof, the Trustee shall have no duty to inquire as to the performance of the Company with respect to the covenants contained in Article

4 hereof. In addition, the Trustee shall not be deemed to have knowledge of an Event of Default except (i) any Default or Event of Default occurring pursuant to Section 4.01, 6.01(1) or 6.01(2) hereof or (ii) any Default or Event of Default of which the Trustee shall have received written notification or obtained actual knowledge.

(i) Delivery of reports, information and documents to the Trustee under Section 4.12 hereof is for informational purposes only and the Trustee's receipt of the foregoing shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with Cequel or any Affiliate of Cequel with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days or resign. Any agent may do the same with like rights and duties. The Trustee is also subject to Section 7.09 hereof.

Section 7.04 *Trustee's Disclaimer.*

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuers' use of the proceeds from the Notes or any money paid to the Issuers or upon the Issuers' direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee will mail to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium on, if any, or interest, if any, on, any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

Section 7.06 *Compensation and Indemnity.*

(a) The Issuers will pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Issuers will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Issuers will indemnify the Trustee against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Issuers (including this Section 7.06) and defending itself against any claim (whether asserted by the Issuers, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence, willful misconduct or bad faith. The Trustee will notify the Issuers promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuers will not relieve the Issuers of their obligations hereunder. The Issuers will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Issuers will pay the reasonable fees and expenses of such counsel. The Issuers are not required to pay for any settlement made without their consent, which consent will not be unreasonably withheld.

(c) The obligations of the Issuers under this Section 7.06 will survive the satisfaction and discharge of this Indenture.

(d) To secure the Issuers' payment obligations in this Section 7.06, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal of, premium on, if any, or interest, if any, on, particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(6) or 6.01(7) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.07 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuers. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuers in writing. The Issuers may remove the Trustee if:

(1) the Trustee fails to comply with Section 7.09 hereof;

(2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(3) a custodian or public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuers will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuers.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuers, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.09 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.06 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Issuers' obligations under Section 7.06 hereof will continue for the benefit of the retiring Trustee.

Section 7.08 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

Section 7.09 *Eligibility; Disqualification.*

There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least $100.0 million as set forth in its most recent published annual report of condition.

ARTICLE 8
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Issuers may at any time, at the option of their Board of Directors evidenced by a resolution set forth in an Officers' Certificate, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge*.

Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuers will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Issuers will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other obligations under such Notes and this Indenture (and the Trustee, on demand of and at the expense of the Issuers, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium on, if any, or interest, if any, on, such Notes when such payments are due from the trust referred to in Section 8.04 hereof;

(2) the Issuers' obligations with respect to such Notes under Article 2 and Section 4.02 hereof;

(3) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Issuers' obligations in connection therewith; and

(4) this Article 8.

Subject to compliance with this Article 8, the Issuers may exercise their option under this Section 8.02 notwithstanding the prior exercise of their option under Section 8.03 hereof.

Section 8.03 *Covenant Defeasance*.

Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuers will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14, 4.15, 4.16, 4.17, 4.18 and 5.01 hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Issuers may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes will be unaffected thereby. In addition, upon the

Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, the events set forth in Sections 6.01(3), (4) and (5) hereof will not constitute Events of Default.

Section 8.04 *Conditions to Legal or Covenant Defeasance*.

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

(1) the Issuers must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm, or firm of independent public accountants, to pay the principal of, premium on, if any, and interest, if any, on, the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Issuers must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of an election under Section 8.02 hereof, the Issuers must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that:

(A) the Issuers have received from, or there has been published by, the Internal Revenue Service a ruling; or

(B) since the Issue Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of an election under Section 8.03 hereof, the Issuers must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default shall have occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other Indebtedness), and the granting of Liens to secure such borrowings);

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other

than this Indenture and the agreements governing any other Indebtedness being defeased, discharged or replaced) to which any Issuer is a party or by which any Issuer is bound;

(6) the Issuers must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Issuers with the intent of preferring the Holders of Notes over the other creditors of the Issuers with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuers or others; and

(7) the Issuers must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Notwithstanding the foregoing, the requirements of clause (2) above with respect to an election under Section 8.02 hereof need not be complied with if all Notes not theretofore delivered to the Trustee for cancellation (x) have become due and payable or (y) will become due or payable on the maturity date within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuers.

Section 8.05 *Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions*

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "*Trustee*") pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including an Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, if any, but such money need not be segregated from other funds except to the extent required by law.

The Issuers will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Issuers from time to time upon the request of the Issuers any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(2) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 *Repayment to Issuers*.

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuers, in trust for the payment of the principal of, premium on, if any, or interest, if any, on, any Note and remaining unclaimed for two years after such principal, premium, if any, or interest, if any, has become due and payable shall be paid to the Issuers on their request or (if then held by the Issuers) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Issuers for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuers as trustees thereof, will thereupon cease; *provided,*

however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuers cause to be published once, in the New York Times and The Wall Street Journal (national edition) or a comparable national financial publication, notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuers.

Section 8.07 *Reinstatement*.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuers' obligations under this Indenture and the Notes will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Issuers make any payment of principal of, premium on, if any, or interest, if any, on, any Note following the reinstatement of its obligations, the Issuers will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders of Notes.*

Notwithstanding Section 9.02 hereof, without the consent of any Holder of Notes, the Issuers and the Trustee may amend or supplement this Indenture or the Notes:

(1) to cure any ambiguity, defect or inconsistency;

(2) to provide for uncertificated Notes in addition to or in place of certificated Notes;

(3) to provide for the assumption of Cequel's obligations to Holders of Notes in case of a merger or consolidation or sale of all or substantially all of Cequel's assets, as applicable;

(4) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights hereunder of any Holder;

(5) to conform the text of this Indenture or the Notes to any provision of the "Description of Notes" section of the Offering Circular, to the extent that such provision in that "Description of Notes" was intended to be a verbatim recitation of a provision of this Indenture or the Notes, which intent may be evidenced by an Officers' Certificate to that effect;

(6) to secure the Notes; or

(7) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture.

Upon the request of the Issuers accompanied by a resolution of their Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the Issuers in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee will not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 *With Consent of Holders of Notes*.

Except as provided below in this Section 9.02, the Issuers and the Trustee may amend or supplement this Indenture (including, without limitation, Sections 3.08, 4.13 and 4.14 hereof) and the Notes with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium on, if any, or interest, if any, on, the Notes, except a Payment Default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture or the Notes may be waived with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Section 2.08 hereof shall determine which Notes are considered to be "outstanding" for purposes of this Section 9.02.

Upon the request of the Issuers accompanied by a resolution of their Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the Issuers in the execution of such amended or supplemental indenture

unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental Indenture.

It is not necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuers will mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuers to mail such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of at least a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Issuers with any provision of this Indenture or the Notes. However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed maturity of any Note or alter or waive any of the provisions with respect to the redemption of the Notes (except as provided above with respect to Section 3.08, 4.13 or 4.14 hereof);

(3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;

(4) waive a Default or Event of Default in the payment of principal of, premium on, if any, or interest, if any, on, the Notes (except a rescission or acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(5) make any Note payable in money other than that stated in the Notes;

(6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, premium on, if any, or interest, if any, on, the Notes;

(7) waive a redemption payment with respect to any Note (other than a payment required by Section 3.08, 4.13 or 4.14 hereof); or

(8) make any change in the preceding amendment and waiver provisions.

Section 9.03 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.04 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuers in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.05 *Trustee to Sign Amendments, etc.*

The Trustee will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Issuers may not sign an amended or supplemental indenture until their Board of Directors approves it. In executing any amended or supplemental indenture, the Trustee will be entitled to receive and (subject to Section 7.01 hereof) will be fully protected in relying upon an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture.

ARTICLE 10
SATISFACTION AND DISCHARGE

Section 10.01 *Satisfaction and Discharge.*

(a) This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) either:

(a) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Issuers, have been delivered to the Trustee for cancellation; or

(b) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or

otherwise or will become due and payable within one year and the Issuers has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium, if any, and interest, if any, to the date of maturity or redemption;

(2) in respect of subclause (b) of clause (1) of this Section 10.01, no Default or Event of Default has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and any similar deposit relating to other Indebtedness and, in each case, the granting of Liens to secure such borrowings) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which any Issuer is a party or by which any Issuer is bound (other than with respect to the borrowing of funds to be applied concurrently to make the deposit required to effect such satisfaction and discharge and any similar concurrent deposit relating to other Indebtedness, and in each case the granting of Liens to secure such borrowings);

(3) the Issuers have paid or caused to be paid all sums payable by them under this Indenture; and

(4) the Issuers have delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

In addition, the Issuers must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

(b) Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to subclause (b) of clause (1) of this Section 10.01, the provisions of Sections 10.02 and 8.06 hereof will survive. In addition, nothing in this Section 10.01 will be deemed to discharge those provisions of Section 7.06 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

(c) Notwithstanding the above, the Trustee shall pay to the Issuers from time to time upon their request any cash or Government Securities held by it as provided in this Section 10.01 which, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants expressed in a written certification delivered to the Trustee, are in excess of the amount thereof that would then be required to be deposited to effect a satisfaction and discharge under this Article 10.

(d) After the conditions to discharge contained in this Article 10 have been satisfied, and the Issuers have paid or caused to be paid all other sums payable hereunder by the Issuers, and delivered to the Trustee an Officers' Certificate and Opinion of Counsel, each stating that all conditions precedent to satisfaction and discharge have been satisfied, the Trustee upon written request shall acknowledge in writing the discharge of the obligations of the Issuers under this

Indenture (except for any obligations hereunder that by the terms of such obligation expressly survive discharge of the Notes in accordance with this Section 10.01).

Section 10.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06 hereof, all money and Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Section 10.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including an Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, and interest, if any, for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 8.02, 8.03 or 10.01 hereof, as the case may be, by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuers' obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02, 8.03 or 10.01 hereof; *provided* that if the Issuers have made any payment of principal of, premium on, if any, or interest, if any, on, any Notes because of the reinstatement of their obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

Upon any request or application by the Issuers to the Trustee to take any action under this Indenture, the Issuers shall furnish to the Trustee:

(1) an Officers' Certificate in form and substance reasonably satisfactory to the Trustee stating that, in the opinion of the signers, all conditions precedent and covenants, if any, provided for in this Indenture relating to the proposed action have been satisfied; and

(2) an Opinion of Counsel in form and substance reasonably satisfactory to the Trustee (which must include the statements set forth in Section 11.03 hereof) stating

(4) a statement as to whether or not, in the opinion of such Person, such condition or covenant has been satisfied.

Section 11.04 *Rules by Trustee and Agents.*

The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

No director, officer, employee, incorporator or stockholder of the Issuers or any of their direct or indirect parent companies or any of their Subsidiaries, as such, will have any liability for any obligations of the Issuers under the Notes, this Indenture, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Section 11.06 *Governing Law*.

THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THIS INDENTURE AND THE NOTES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

Section 11.09 *Severability*.

In case any provision in this Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 11.10 *Counterpart Originals*.

The parties may sign any number of copies of this Indenture. Each signed copy will be an original, but all of them together represent the same agreement.

Section 11.11 *Table of Contents, Headings, etc.*

The Table of Contents, Cross-Reference Table and Headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and will in no way modify or restrict any of the terms or provisions hereof.

Cequel Communications Holdings I, LLC, a Delaware limited liability company ("*Cequel*"), and Cequel Capital Corporation, a Delaware corporation (and together with Cequel, the "*Issuers*"), promise to pay interest on the principal amount of this Note at 5.125% per annum from the date hereof until maturity. The Issuers will pay interest, semi-annually in arrears on June 15 and December 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an "*Interest Payment Date*"). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Event of Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be December 15, 2013. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

(2) *METHOD OF PAYMENT*. The Issuers will pay interest on the Notes to the Persons who are registered Holders of Notes at the close of business on the June 1 and December 1 immediately preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date. The Notes will be payable as to principal, premium and interest at the office or agency of the Issuers maintained for such purpose in the Borough of Manhattan, the City of New York, or, at the option of the Issuers, payment of interest and may be made by check mailed to the Holders at their respective addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest and premium, if any, on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Issuers or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. Until otherwise designated by the Issuers, the office or agency of the Issuers in the Borough of Manhattan, the City of New York will be the office of the Trustee maintained for such purpose.

(3) *PAYING AGENT AND REGISTRAR*. Initially, the corporate trust department of U.S. Bank National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuers may change any Paying Agent or Registrar without notice to any Holder. Cequel or any of its Subsidiaries may act in any such capacity.

(4) *INDENTURE*. The Issuers issued the Notes under an Indenture, dated as of May 16, 2013, among the Issuers and U.S. Bank National Association, as Trustee (the "*Indenture*"). The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *OPTIONAL REDEMPTION*.

(a) At any time prior to June 15, 2016, the Issuers may on any one or more occasions redeem up to 40% of the aggregate principal amount of Notes issued under the Indenture, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 105.125% of the principal amount of the Notes redeemed, *plus* accrued and unpaid interest, if any, to the date of redemption (subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant Interest Payment Date), with the net cash proceeds of an Equity Offering by Cequel or a contribution to Cequel's common equity capital made with the net cash proceeds of a concurrent Equity Offering by a direct or indirect parent entity of Cequel; *provided* that:

(1) at least 60% of the aggregate principal amount of Notes originally issued under the Indenture (excluding Notes held by Cequel and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) At any time prior to June 15, 2016, the Issuers may on any one or more occasions redeem all or a part of the Notes issued under the Indenture, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed, *plus* the Applicable Premium as of, and accrued and unpaid interest, if any, to the date of redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant Interest Payment Date.

(c) Except pursuant to the preceding paragraphs, the Notes will not be redeemable at the Issuers' option prior to June 15, 2016.

(d) On or after June 15, 2016, the Issuers may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, *plus* accrued and unpaid interest, if any, on the Notes redeemed, to the applicable date of redemption, if redeemed during the twelve-month period beginning on June 15 of the years indicated below, subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant Interest Payment Date:

Year	Percentage
2016	103.844%

2017	102.563%
2018	101.281%
2019 and thereafter	100.000%

Unless the Issuers default in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(6) *REPURCHASE AT THE OPTION OF HOLDER.*

(a) If there is a Change of Control Triggering Event, each Holder of Notes will have the right to require the Issuers to repurchase all or any part (equal to $2,000 or an integral multiple of $1,000 in excess thereof) of the Holder's Notes pursuant to an offer (a "*Change of Control Offer*") at an offer price in cash equal to 101% of the aggregate principal amount thereof *plus* accrued and unpaid interest, if any, thereon to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date. Within ten days following any Change of Control Triggering Event, the Issuers will mail a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(b) If Cequel or a Restricted Subsidiary of Cequel consummates any Asset Sale or Asset Swap, within five days of each date on which the aggregate amount of Excess Proceeds exceeds $50.0 million, the Issuers will make an Asset Sale Offer to all Holders of Notes and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in the Indenture with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets in accordance with the Indenture to purchase, prepay or redeem the maximum principal amount of Notes and such other *pari passu* Indebtedness (*plus* all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount, *plus* accrued and unpaid interest, if any, to the date of purchase, prepayment or redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant Interest Payment Date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, Cequel may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered in (or required to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee will select the Notes and such other *pari passu* Indebtedness to be purchased on a *pro rata* basis, based on the amounts tendered or required to be prepaid or redeemed. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero. Holders of Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Issuers and a notice setting forth the procedures governing the Asset Sale Offer as required by the Indenture prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled "*Option of Holder to Elect Purchase*" attached to the Notes.

(7) *NOTICE OF REDEMPTION.* Except as set forth under Section 3.08, notices of redemption will be mailed at least 30 days but not more than 60 days before the date the Notes are redeemed to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to the date the Notes are redeemed if the notice is issued in connection with a defeasance of the Notes or a satisfaction or discharge of the Indenture. Notes in denominations larger than $2,000 may be redeemed in part but only in whole multiples of $1,000, unless all of the Notes held by a Holder are to be redeemed.

(8) *DENOMINATIONS, TRANSFER, EXCHANGE.* The Notes are in registered form without coupons in denominations of $2,000 and integral multiples of $1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuers need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

(9) *PERSONS DEEMED OWNERS.* The registered Holder of a Note may be treated as the owner of such Note for all purposes. Only registered Holders have rights under the Indenture.

(10) *AMENDMENT, SUPPLEMENT AND WAIVER*. Subject to certain exceptions, the Indenture or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class, and any existing Default or Event of Default or compliance with any provision of the Indenture or the Notes may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class. Without the consent of any Holder of Notes, the Indenture or the Notes may be amended or supplemented to cure any ambiguity, defect or inconsistency, to provide for uncertificated Notes in addition to or in place of certificated Notes, to provide for the assumption of Cequel's obligations to Holders of Notes in case of a merger or consolidation or sale of substantially all of Cequel's assets, as applicable, to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights under the Indenture of any Holder, to conform the text of the Indenture or the Notes to any provision of the "Description of Notes" section of the Offering Circular, to the extent that such provision in that "Description of Notes" was intended to be a verbatim recitation of a provision of the Indenture or the Notes, which intent may be evidenced by an Officers' Certificate to that effect, to secure the Notes or to provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture.

(11) *DEFAULTS AND REMEDIES*. Events of Default include: (i) default for 30 days in the payment when due of interest on the Notes; (ii) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Notes, (iii) failure by Cequel or any of its Restricted Subsidiaries for 60 days after notice to the Issuers by the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the other agreements in the Indenture or the Notes; (iv) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by Cequel or any of its Restricted Subsidiaries (or the payment of which is guaranteed by Cequel or any of its Restricted Subsidiaries), whether such Indebtedness or guarantee now exists, or is created after the Issue Date, if that default: (A) is caused by a failure to pay at final maturity (giving effect to any applicable grace periods and any extensions thereof) the stated principal of such Indebtedness, or (B) results in the acceleration of such Indebtedness prior to its Stated Maturity and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates $100.0 million or more; (vi) failure by Cequel or any of its Restricted Subsidiaries to pay final judgments entered by a court or courts of competent jurisdiction aggregating in excess of $100.0 million, which judgments are not paid, discharged or stayed, for a period of 60 days; (vii) Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) pursuant to or within the meaning of Bankruptcy Law: (A) commences a voluntary case, (B) consents to the entry of an order for relief against it in an involuntary case, (C) makes a general assignment for the benefit of its creditors, or (D) generally is not paying its debts as they become due; and (viii) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that: (A) is for relief against Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) in an involuntary case, or (B) appoints a custodian of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) or for

all or substantially all of the property of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary), or (C) orders the liquidation of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary), and the order or decree remains unstayed and in effect for 60 consecutive days. In the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to Cequel, any Restricted Subsidiary of Cequel that is a Significant Subsidiary or any group of Restricted Subsidiaries of Cequel that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Holders may not enforce the Indenture or the Notes except

as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal, premium, if any, or interest, if any), if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of all the Holders, rescind an acceleration or waive an existing Default or Event of Default and its respective consequences under the Indenture except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest, if any, on, the Notes (including in connection with an offer to purchase). The Issuers are required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuers are required, upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(12) *TRUSTEE DEALINGS WITH CEQUEL.* The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may become a creditor of, or otherwise deal with Cequel or any of its Affiliates, with the same rights it would have if it were not the Trustee.

(13) *NO RECOURSE AGAINST OTHERS.* No director, officer, employee, incorporator or stockholder of the Issuers or any of its direct or indirect parent companies or any of their Subsidiaries, as such, will have any liability for any obligations of the Issuers under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

(14) *AUTHENTICATION.* This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(15) *ABBREVIATIONS.* Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(16) *CUSIP NUMBERS.* Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuers have caused CUSIP numbers to be printed on the Notes, and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(17) *GOVERNING LAW.* THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THE INDENTURE AND THIS NOTE WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

The Issuers will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:

(2) *METHOD OF PAYMENT*. The Issuers will pay interest on the Notes to the Persons who are registered Holders of Notes at the close of business on the June 1 and December 1 immediately preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

Until otherwise designated by the Issuers, the office or agency of the Issuers in the Borough of Manhattan, the City of New York will be the office of the Trustee maintained for such purpose.

(3) *PAYING AGENT AND REGISTRAR.* Initially, the corporate trust department of U.S. Bank National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuers may change any Paying Agent or Registrar without notice to any Holder. Cequel or any of its Subsidiaries may act in any such capacity.

(4) *INDENTURE*. The Issuers issued the Notes under an Indenture, dated as of May 16, 2013, among the Issuers and U.S. Bank National Association, as Trustee (the "*Indenture*"). The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *OPTIONAL REDEMPTION.*

(a) At any time prior to June 15, 2016, the Issuers may on any one or more occasions redeem up to 40% of the aggregate principal amount of Notes issued under the Indenture, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 105.125% of the principal amount of the Notes redeemed, *plus* accrued and unpaid interest, if any, to the date of redemption (subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant Interest Payment Date), with the net cash proceeds of an Equity Offering by Cequel or a contribution to Cequel's common equity capital made with the net cash proceeds of a concurrent Equity Offering by a direct or indirect parent entity of Cequel; *provided* that:

(1) at least 60% of the aggregate principal amount of Notes originally issued under the Indenture (excluding Notes held by Cequel and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) At any time prior to June 15, 2016, the Issuers may on any one or more occasions redeem all or a part of the Notes issued under the Indenture, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed, *plus* the Applicable Premium as of, and accrued and unpaid interest, if any, to the date of redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant Interest Payment Date.

(6) *REPURCHASE AT THE OPTION OF HOLDER.*

(a) If there is a Change of Control Triggering Event, each Holder of Notes will have the right to require the Issuers to repurchase all or any part (equal to $2,000 or an integral multiple of $1,000 in excess thereof) of the Holder's Notes pursuant to an offer (a "*Change of Control Offer*") at an offer price in cash equal to 101% of the aggregate principal amount thereof *plus* accrued and unpaid interest, if any, thereon to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date. Within ten days following any Change of Control Triggering Event, the Issuers will mail a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(b) If Cequel or a Restricted Subsidiary of Cequel consummates any Asset Sale or Asset Swap, within five days of each date on which the aggregate amount of Excess Proceeds exceeds $50.0 million, the Issuers will make an Asset Sale Offer to all Holders of Notes and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in the Indenture with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets in accordance with the Indenture to purchase, prepay or redeem the maximum principal amount of Notes and such other *pari passu* Indebtedness (*plus* all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. If any Excess Proceeds remain after consummation of an Asset Sale Offer, Cequel may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered in (or

required to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee will select the Notes and such other *pari passu* Indebtedness to be purchased on a *pro rata* basis, based on the amounts tendered or required to be prepaid or redeemed. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero. Holders of Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Issuers and a notice setting forth the procedures governing the Asset Sale Offer as required by the Indenture prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled "*Option of Holder to Elect Purchase*" attached to the Notes.

(7) *NOTICE OF REDEMPTION.* Except as set forth under Section 3.08, notices of redemption will be mailed at least 30 days but not more than 60 days before the date the Notes are redeemed to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to the date the Notes are redeemed if the notice is issued in connection with a defeasance of the Notes or a satisfaction or discharge of the Indenture. Notes in denominations larger than $2,000 may be redeemed in part but only in whole multiples of $1,000, unless all of the Notes held by a Holder are to be redeemed.

(8) *DENOMINATIONS, TRANSFER, EXCHANGE.* The Notes are in registered form without coupons in denominations of $2,000 and integral multiples of $1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuers need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

This Regulation S Temporary Global Note is exchangeable in whole or in part for one or more Global Notes only (i) on or after the termination of the 40-day distribution compliance period (as defined in Regulation S) and (ii) upon presentation of certificates (accompanied by an Opinion of Counsel, if applicable) required by Article 2 of the Indenture. Upon exchange of this Regulation S Temporary Global Note for one or more Global Notes, the Trustee shall cancel this Regulation S Temporary Global Note.

(9) *PERSONS DEEMED OWNERS.* The registered Holder of a Note may be treated as the owner of such Note for all purposes. Only registered Holders have rights under the Indenture.

(10) *AMENDMENT, SUPPLEMENT AND WAIVER*. Subject to certain exceptions, the Indenture or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class, and any existing Default or Event of Default or compliance with any provision of the Indenture or the Notes may be

waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class. Without the consent of any Holder of Notes, the Indenture or the Notes may be amended or supplemented to cure any ambiguity, defect or inconsistency, to provide for uncertificated Notes in addition to or in place of certificated Notes, to provide for the assumption of Cequel's obligations to Holders of Notes in case of a merger or consolidation or sale of substantially all of Cequel's assets, as applicable, to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights under the Indenture of any Holder, to conform the text of the Indenture or the Notes to any provision of the "Description of Notes" section of the Offering Circular, to the extent that such provision in that "Description of Notes" was intended to be a verbatim recitation of a provision of the Indenture or the Notes, which intent may be evidenced by an Officers' Certificate to that effect, to secure the Notes or to provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture.

(11) *DEFAULTS AND REMEDIES*. Events of Default include: (i) default for 30 days in the payment when due of interest on the Notes; (ii) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Notes, (iii) failure by Cequel or any of its Restricted Subsidiaries for 60 days after notice to the Issuers by the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the other agreements in the Indenture or the Notes; (iv) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by Cequel or any of its Restricted Subsidiaries (or the payment of which is guaranteed by Cequel or any of its Restricted Subsidiaries), whether such Indebtedness or guarantee now exists, or is created after the Issue Date, if that default: (A) is caused by a failure to pay at final maturity (giving effect to any applicable grace periods and any extensions thereof) the stated principal of such Indebtedness, or (B) results in the acceleration of such Indebtedness prior to its Stated Maturity and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates $100.0 million or more; (vi) failure by Cequel or any of its Restricted Subsidiaries to pay final judgments entered by a court or courts of competent jurisdiction aggregating in excess of $100.0 million, which judgments are not paid, discharged or stayed, for a period of 60 days; (vii) Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) pursuant to or within the meaning of Bankruptcy Law: (A) commences a voluntary case, (B) consents to the entry of an order for relief against it in an involuntary case, (C) makes a general assignment for the benefit of its creditors, or (D) generally is not paying its debts as they become due; and (viii) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that: (A) is for relief against Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) in an involuntary case, or (B) appoints a custodian of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group

of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) or for all or substantially all of the property of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary), or (C) orders the liquidation of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary), and the order or decree remains unstayed and in effect for 60 consecutive days. In the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to Cequel, any Restricted Subsidiary of Cequel that is a Significant Subsidiary or any group of Restricted Subsidiaries of Cequel that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal, premium, if any, or interest, if any), if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of all the Holders, rescind an acceleration or waive an existing Default or Event of Default and its respective consequences under the Indenture except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest, if any, on, the Notes (including in connection with an offer to purchase). The Issuers are required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuers are required, upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(12) *TRUSTEE DEALINGS WITH CEQUEL*. The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may become a creditor of, or otherwise deal with Cequel or any of its Affiliates, with the same rights it would have if it were not the Trustee.

(13) *NO RECOURSE AGAINST OTHERS.* No director, officer, employee, incorporator or stockholder of the Issuers or any of its direct or indirect parent companies or any of their Subsidiaries, as such, will have any liability for any obligations of the Issuers under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

(14) *AUTHENTICATION*. This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(15) *ABBREVIATIONS*. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(16) *CUSIP NUMBERS.* Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuers have caused CUSIP numbers to be printed on the Notes, and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(17) *GOVERNING LAW*. THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THE INDENTURE AND THIS NOTE WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

The Issuers will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:

Upon any bankruptcy or reorganization proceedings relating to the Issuers, the Trustee will serve as Paying Agent for the Notes.

Section 2.08 *Outstanding Notes*.

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because Cequel or an Affiliate of Cequel holds the Note; however, Notes held by Cequel or a Subsidiary of Cequel shall not be deemed to be outstanding for purposes of Section 3.07(a) hereof.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than Cequel or a Subsidiary of Cequel) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.09 *Treasury Notes*.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by Cequel, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with Cequel, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that the Trustee knows are so owned will be so disregarded.

Section 2.10 *Temporary Notes*.

Until certificates representing Notes are ready for delivery, the Issuers may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Issuers consider appropriate for temporary Notes and as may be reasonably acceptable to

the Trustee. Without unreasonable delay, the Issuers will prepare and the Trustee will authenticate Definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.11 *Cancellation*.

The Issuers at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them

for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will destroy canceled Notes (subject to the record retention requirement of the Exchange Act). Certification of the destruction of all canceled Notes will be delivered to the Issuers. The Issuers may not issue new Notes to replace Notes that they have paid or that have been delivered to the Trustee for cancellation.

Section 2.12 *Defaulted Interest.*

If the Issuers default in a payment of interest on the Notes, they will pay the defaulted interest in any lawful manner*plus*, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuers will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuers will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuers (or, upon the written request of the Issuers, the Trustee in the name and at the expense of the Issuers) will mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

ARTICLE 3
REDEMPTION AND PREPAYMENT

Section 3.01 *Notices to Trustee.*

If the Issuers elect to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it must furnish to the Trustee, at least 35 days but not more than 60 days before a redemption date, an Officers' Certificate setting forth:

(1) the clause of this Indenture pursuant to which the redemption shall occur;

(2) the redemption date;

(3) the principal amount of Notes to be redeemed; and

(4) the redemption price.

Section 3.02 *Selection of Notes to Be Redeemed or Purchased.*

If less than all of the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee will select Notes for redemption or purchase on a*pro rata* basis (or, in the case of Notes issued in global form pursuant to Article 2 hereof, based on a method that most nearly approximates a*pro rata* selection as the Trustee deems fair and appropriate) unless otherwise required by law or applicable stock exchange or depositary requirements.

In the event of partial redemption or purchase by lot, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the redemption or purchase date by the Trustee from the outstanding Notes not previously called for redemption or purchase.

The Trustee will promptly notify the Issuers in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in amounts of $2,000 or whole multiples of $1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 *Notice of Redemption.*

Except as set forth in Section 3.08 hereof, a notice of redemption will be mailed at least 30 days but not more than 60 days before a redemption date, which shall be mailed or caused to be mailed by the Issuers, by first class mail, to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Article 8 or 10 hereof.

The notice will identify the Notes to be redeemed and will state:

(1) the redemption date;

(2) the redemption price;

(3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;

(4) the name and address of the Paying Agent;

(5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(6) that, unless the Issuers default in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;

(7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

(8) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Issuers' request, the Trustee will give the notice of redemption in the Issuers' name and at the Issuers' expense*provided, however*, that the Issuers have delivered to the Trustee, at least 35 days (or such lesser time satisfactory to the Trustee) prior to the redemption date, an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price.

Section 3.05 *Deposit of Redemption or Purchase Price.*

One Business Day prior to the redemption or purchase date, the Issuers will deposit or cause to be deposited with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest, if any, on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return to the Issuers any money deposited with the Trustee or the Paying Agent by the Issuers in excess of the amounts necessary to pay the redemption or purchase price of and accrued interest, if any, on all Notes to be redeemed or purchased.

If the Issuers comply with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Issuers to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 *Notes Redeemed or Purchased in Part.*

Upon surrender of a Note that is redeemed or purchased in part, the Issuers will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Issuers a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07 *Optional Redemption.*

(a) At any time prior to June 15, 2016, the Issuers may on any one or more occasions redeem up to 40% of the aggregate principal amount of Notes issued under this Indenture, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 105.125% of the principal amount of the Notes redeemed, *plus* accrued and unpaid interest, if any, to the date of redemption (subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant interest payment date), with the net cash proceeds of an Equity Offering by Cequel or a contribution to Cequel's common equity capital made with the net cash proceeds of a concurrent Equity Offering by a direct or indirect parent entity of Cequel; *provided* that:

(1) at least 60% of the aggregate principal amount of Notes originally issued under this Indenture (excluding Notes held by Cequel and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) At any time prior to June 15, 2016, the Issuers may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed, *plus* the Applicable Premium as of, and accrued and unpaid interest, if any, to the date of redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

(c) On or after June 15, 2016, the Issuers may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, *plus* accrued and unpaid interest, if any, on the Notes redeemed, to the applicable date of redemption, if redeemed during the twelve-month period beginning on June 15 of the years indicated below, subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant interest payment date:

Year	Percentage
2016	103.844%
2017	102.563%
2018	101.281%
2019 and thereafter	100.000%

Unless the Issuers default in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(d) In connection with any redemption of the Notes (including with the net cash proceeds of an Equity Offering), any such redemption may, at the Issuers' discretion, be subject to one or more conditions precedent, including any related Equity Offering. In addition, if such redemption is subject to satisfaction of one or more conditions precedent, such notice of redemption shall describe each such condition, and if applicable, shall state that, in the Issuers' discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event

that any or all such conditions shall not have been satisfied by the stated redemption date, or by the redemption date as so delayed.

(e) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.08 *Offer to Purchase by Application of Excess Proceeds*

In the event that, pursuant to Section 4.13 hereof, the Issuers are required to commence an Asset Sale Offer, they will follow the procedures specified below.

The Asset Sale Offer shall be made to all Holders and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in this Indenture with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets. The Asset Sale Offer will remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the "*Offer Period*"). No later than three Business Days after the termination of the Offer Period (the "*Purchase Date*"), the Issuers will apply all Excess Proceeds (the "*Offer Amount*") to the purchase of Notes and such other *pari passu* Indebtedness (on a *pro rata* basis based on the principal amount of Notes and such other *pari passu* Indebtedness surrendered, if applicable) or, if less than the Offer Amount has been tendered, all Notes and other Indebtedness tendered in response to the Asset Sale Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest, if any, will be paid to the

Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

Upon the commencement of an Asset Sale Offer, the Issuers will send, by first class mail, a notice to the Trustee and each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The notice, which will govern the terms of the Asset Sale Offer, will state:

(1) that the Asset Sale Offer is being made pursuant to this Section 3.08 and Section 4.13 hereof and the length of time the Asset Sale Offer will remain open;

(2) the Offer Amount, the purchase price and the Purchase Date;

(3) that any Note not tendered or accepted for payment will continue to accrue interest;

(4) that, unless the Issuers default in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer will cease to accrue interest after the Purchase Date;

(5) that Holders electing to have a Note purchased pursuant to an Asset Sale Offer may elect to have Notes purchased only in denominations of $2,000 and in integral multiple of $1,000 in excess thereof;

(6) that Holders electing to have Notes purchased pursuant to any Asset Sale Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Issuers, a Depositary, if appointed by the Issuers, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;

(7) that Holders will be entitled to withdraw their election if the Issuers, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(8) that, if the aggregate principal amount of Notes and other *pari passu* Indebtedness surrendered by Holders thereof exceeds the Offer Amount, the Issuers will select the Notes and other *pari passu* Indebtedness to be purchased on a *pro rata* basis based on the principal amount of Notes and such other *pari passu* Indebtedness surrendered (with such adjustments as may be deemed appropriate by the Issuers so that only Notes in denominations of $2,000, or an integral multiple of $1,000 in excess thereof, will be purchased); and

(9) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Purchase Date, the Issuers will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Issuers in accordance with the terms of this Section 3.08. The Issuers, the Depositary or the Paying Agent, as the case may be, will promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Issuers for purchase, and the Issuers will promptly issue a new Note, and the Trustee, upon written request from the Issuers, will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Issuers to the Holder thereof. The Issuers will publicly announce the results of the Asset Sale Offer on the Purchase Date.

Other than as specifically provided in this Section 3.08, any purchase pursuant to this Section 3.08 shall be made pursuant to the provisions of Sections 3.02, 3.05 and 3.06 hereof.

ARTICLE 4
COVENANTS

Section 4.01 *Payment of Notes.*

The Issuers will pay or cause to be paid the principal of, premium on, if any, and interest, if any, on, the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest, if any, will be considered paid on the date due if the Paying Agent, if other than Cequel or a Subsidiary of Cequel, holds as of 10:00 a.m. Eastern Time on the due date money deposited by Issuers in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest, if any, then due.

The Issuers will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at a rate that is 1% higher than the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest, if any (without regard to any applicable grace period), at the same rate to the extent lawful.

Section 4.02 *Maintenance of Office or Agency.*

The Issuers will maintain in the Borough of Manhattan, the City of New York, an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuers in respect of the Notes and this Indenture may be served. The Issuers will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuers fail to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Issuers may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however,* that no such designation or rescission will in any manner relieve the Issuers of their obligation to maintain an office or agency in the Borough of Manhattan, the City of New York for such purposes. The Issuers will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuers hereby designate the Corporate Trust Office of the Trustee as one such office or agency of the Issuers in accordance with Section 2.03 hereof.

Section 4.03 *Indebtedness and Preferred Stock.*

(a) Cequel will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become or remain directly or indirectly liable, contingently or otherwise, with respect to (collectively, "*incur*") any Indebtedness (including Acquired Indebtedness), and Cequel will not issue any Disqualified Stock and will not permit any of its Restricted Subsidiaries to issue any shares of Preferred

Stock; *provided*, *however*, that either of the Issuers may incur Indebtedness (including Acquired Indebtedness) or issue Disqualified Stock, and the Credit Facility Subsidiaries of Cequel (including any Person that becomes a Credit Facility Subsidiary of Cequel upon such incurrence or otherwise) may incur Indebtedness (including Acquired Indebtedness) or issue Preferred Stock, if the Total Leverage Ratio for Cequel's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or such Preferred Stock is issued, as the case may be, would have been no greater than 7.5 to 1.0.

(b) The provisions of Section 4.03(a) hereof will not prohibit the incurrence of any of the following items of Indebtedness (collectively, "*Permitted Debt*").

(1) the incurrence by Cequel or any of its Credit Facility Subsidiaries of Indebtedness under Credit Facilities, including Credit Facilities governed by the Credit Agreement, in an aggregate principal amount not to exceed the greater of (y) $3.25 billion or (z) an amount equal to 4.0x Consolidated Adjusted EBITDA for the four full fiscal years for which internal financial statements are available preceding the date of such incurrence;

(2) Permitted Refinancing Indebtedness;

(3) the incurrence by the Issuers of Indebtedness represented by the Notes to be issued on the Issue Date;

(4) Indebtedness of any Restricted Subsidiary of Cequel to Cequel or to any other Restricted Subsidiary of Cequel, or of Cequel to any Restricted Subsidiary of Cequel; *provided* that: (a) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than Cequel or a Restricted Subsidiary of Cequel; and (b) any sale or other transfer of any such Indebtedness to a Person that is not either an Issuer or a Restricted Subsidiary of Cequel, will be deemed, in each case, to constitute an incurrence of such Indebtedness by such Issuer or such Restricted Subsidiary of Cequel, as the case may be, that is no longer permitted by this clause (4) as of the date of such sale or transfer;

(5) the issuance by any of Cequel's Restricted Subsidiaries to Cequel or to any other Restricted Subsidiary of Cequel of shares of Preferred Stock; *provided* that: (a) any subsequent issuance or transfer of Equity Interests that results in any such Preferred Stock being held by a Person other than Cequel or a Restricted Subsidiary of Cequel; and (b) any sale or other transfer of any such Preferred Stock to a Person that is not either Cequel or a Restricted Subsidiary of Cequel, will be deemed, in each case, to constitute an issuance of Preferred Stock by such Restricted Subsidiary that is no longer permitted by this clause (5) as of the date of such sale or transfer;

(6) Indebtedness incurred by Cequel or any of its Restricted Subsidiaries arising from agreements providing for indemnification, adjustment of purchase price or similar obligations, or from guarantees or letters of credit, surety bonds, performance bonds or similar obligations securing the performance of Cequel or any such Restricted

Subsidiary pursuant to such agreements, in connection with acquisitions or dispositions of any business or assets of Cequel or Restricted Subsidiary of Cequel;

(7) Indebtedness which may be deemed to exist pursuant to any guarantees, performance, surety, statutory, appeal or similar obligations incurred in the ordinary course of business, including obligations in respect of letters of credit securing the foregoing;

(8) Indebtedness in respect of netting services, overdraft protections and otherwise in connection with Deposit Accounts;

(9) guarantees in the ordinary course of business of the obligations of suppliers, customers, franchisees and licensees of Cequel and its Restricted Subsidiaries;

(10) guarantees by Cequel and its Restricted Subsidiaries of Indebtedness otherwise permitted to be incurred pursuant to this Section 4.03;*provided* that if the Indebtedness that is being guaranteed is unsecured and/or subordinated to the Notes, the guarantee shall also be unsecured and/or subordinated to the Notes;

(11) the incurrence by Cequel and its Restricted Subsidiaries of the Existing Indebtedness;

(12) (a) Indebtedness with respect to Capital Leases and/or purchase money Indebtedness (or any refinancing thereof) incurred after the Measurement Date in an aggregate principal amount not to exceed $100.0 million at any one time outstanding; *provided* that any such purchase money Indebtedness shall be secured only by the assets acquired in connection with the incurrence of such Indebtedness (or the Indebtedness refinanced);

(13) Indebtedness in respect of endorsements for collection, deposit or negotiation and warranties of products or services, and contingent indemnification obligations of Cequel and its Restricted Subsidiaries to financial institutions entered into to obtain cash management services or Deposit Account overdraft protection services (in amount similar to those offered for comparable services in the financial industry) or other services in connection with the management or opening of deposit accounts or incurred as a result of endorsement of negotiable instruments for deposit or collection purposes, in each case, incurred in the ordinary course of business;

(14) Indebtedness under the Management Contract;

(15) Indebtedness pursuant to Hedge Agreements not entered into for speculative purposes;

(16) other Indebtedness incurred by Cequel or any of its Restricted Subsidiaries after the Measurement Date in an aggregate principal amount that, when aggregated with the principal amount of all other Indebtedness then outstanding and incurred pursuant to this clause (16) and all other Indebtedness incurred to refund, refinance or replace any

Indebtedness incurred pursuant to this clause (16), does not at any one time outstanding exceed $500.0 million;

(17) (a) unsecured Indebtedness of Cequel or any of its Restricted Subsidiaries owing to any then existing or former director, officer or employee of Cequel or its Subsidiaries or their respective assigns, estates, heirs or their current or former spouses for the repurchase, redemption or other acquisition or retirement for value of any equity interest or equity equivalent of Cequel Holdings or any parent company held by them, to the extent such repurchase, redemption, acquisition or retirement is permitted pursuant to Section 4.05 hereof; (b) Indebtedness representing deferred compensation to employees of Cequel and its Restricted Subsidiaries incurred in the ordinary course of business; and (c) Indebtedness consisting of obligations of Cequel or its Restricted Subsidiaries under deferred employee compensation or other similar arrangements incurred by such Person in connection with acquisitions;

(18) Indebtedness of Cequel and its Restricted Subsidiaries assumed in connection with any Permitted Acquisition; *provided* that such Indebtedness is not incurred in contemplation of such Permitted Acquisition; and

(19) Contribution Indebtedness.

(c) Cequel will not incur, and will not permit any of its Restricted Subsidiaries to incur, any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of Cequel unless such Indebtedness is also contractually subordinated in right of payment to the Notes on substantially identical terms; *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Issuers solely by virtue of being unsecured or by virtue of being secured on a junior priority basis.

(d) For purposes of determining compliance with this Section 4.03, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (19) of Section 4.03(b) hereof, or is entitled to be incurred pursuant to Section 4.03(a) hereof, Cequel will be permitted to classify such item of Indebtedness on the date of its incurrence, or later reclassify all or a portion of such item of Indebtedness, in any manner that complies with this Section 4.03. Indebtedness under Credit Facilities outstanding on the Issue Date will initially be deemed to have been incurred on such date in reliance on the exception provided by clause (1) of Section 4.03(b) hereof. The accrual of interest or Preferred Stock dividends, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the reclassification of preferred stock as Indebtedness due to a change in accounting principles, and the payment of dividends on preferred stock or Disqualified Stock in the form of additional shares of the same class of preferred stock or Disqualified Stock will not be deemed to be an incurrence of Indebtedness or an issuance of preferred stock or Disqualified Stock for purposes of this Section 4.03. For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be utilized, calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred.

Notwithstanding any other provision of this Section 4.03, the maximum amount of Indebtedness that Cequel or any Restricted Subsidiary may incur pursuant to this Section 4.03 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.

The amount of any Indebtedness outstanding as of any date will be:

(1) the accreted value of the Indebtedness, in the case of any Indebtedness issued with original issue discount;

(2) the principal amount of the Indebtedness, in the case of any other Indebtedness; and

(3) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:

(a) the Fair Market Value of such assets at the date of determination; and

(b) the amount of the Indebtedness of the other Person.

Section 4.04 *Liens*.

(a) Cequel shall not, directly or indirectly, create, incur, assume or permit to exist any Lien on or with respect to any property or asset of any kind (including any document or instrument in respect of goods or accounts receivable) of Cequel, whether now owned or hereafter acquired, unless:

(1) in the case of Liens securing Indebtedness that is Subordinated Indebtedness, the Notes are secured by a Lien on such property or assets that is senior in priority to such Liens; and

(2) in all other cases, the Notes are equally and ratably secured;

provided that any Lien which is granted to secure the Notes under this Section 4.04 shall be automatically released and discharged at the same time as the release of the Lien that gave rise to the obligation to secure the Notes under this Section 4.04.

(b) The provisions of Section 4.04(a) hereof shall not prohibit:

(1) Liens for Taxes if obligations with respect to such Taxes are being contested in good faith by appropriate proceedings diligently conducted;

(2) statutory Liens of landlords, carriers, warehousemen, mechanics, repairmen, workmen and materialmen, and other Liens imposed by law (other than any such Lien imposed pursuant to Section 412(n) of the Internal Revenue Code or by ERISA), in each case incurred in the ordinary course of business (i) for amounts not yet overdue or (ii) for amounts that are overdue and that (in the case of any such amounts overdue for a period in excess of 30 days) are being contested in good faith by

appropriate proceedings, so long as such reserves or other appropriate provisions, if any, as shall be required by GAAP shall have been made for any such contested amounts;

(3) Liens incurred in the ordinary course of business in connection with workers' compensation, unemployment insurance and other types of social security, or to secure the performance of tenders, statutory obligations, surety and appeal bonds, bids, leases, government contracts, trade contracts, performance and return of money bonds and other similar obligations (exclusive of obligations for the payment of borrowed money or other Indebtedness), so long as no foreclosure, sale or similar proceedings have been commenced with respect to any portion of the collateral on account thereof;

(4) easements, rights of way, restrictions, encroachments, and other minor defects or irregularities in title, in each case which do not and will not

interfere in any material respect with the ordinary conduct of the business of Cequel or any of its Restricted Subsidiaries;

(5) any interest or title of a lessee, sublessee, lessor or sublessor under any lease of real estate or personal property not prohibited hereunder;

(6) Liens solely on any cash earnest money deposits made by Cequel in connection with any letter of intent or purchase agreement permitted hereunder;

(7) purported Liens evidenced by the filing of precautionary UCC financing statements relating solely to operating leases of personal property entered into in the ordinary course of business;

(5) Cequel may acquire Equity Interests of Cequel either (i) solely in exchange for Equity Interests of Cequel (other than Disqualified Stock) or (ii) through the application of the net proceeds of a substantially concurrent sale for cash (other than to a Subsidiary of Cequel) of Equity Interests of Cequel (other than Disqualified Stock); *provided* that the amount of any such exchanged Equity Interests or net cash proceeds that are utilized for any such Restricted Payment will not be considered to be net cash proceeds of a contribution to Cequel's common or preferred equity capital or from the issue or sale of Capital Stock of Cequel for purposes of clause (6)(C)(3) of this Section 4.05 and will not be considered to be net cash proceeds from an Equity Offering for purposes of Section 3.07(a) hereof.

(6) Cequel or its Restricted Subsidiaries may make Restricted Payments not otherwise permitted by this Section 4.05 so long as:

(A) no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof; and

(B) Cequel would, at the time of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the applicable Fiscal Quarter, have been permitted to incur at least $1.00 of additional Indebtedness pursuant to the Total Leverage Ratio test set forth in Section 4.03(a) hereof; and

(C) such Restricted Payment, together with the aggregate amount of all other Restricted Payments declared or made after the Measurement Date pursuant to this subclause (C) shall not exceed, at the date of determination, the sum, without duplication, of: (1) $250.0 million; *plus* (2) an amount equal to Cequel's Consolidated Adjusted EBITDA from June 30, 2012 to the end of the most recently ended full Fiscal Quarter for which internal financial statements are available, taken as a single accounting period, *less* the product of 1.4 times Cequel's Consolidated Interest Expense from June 30, 2012 to the end of the most recently ended full Fiscal Quarter for which internal financial statements are available, taken as a single accounting period; *plus* (3) 100% of the aggregate net cash proceeds and the Fair Market Value of any assets or property received by Cequel or its Restricted Subsidiaries since the Measurement Date as a contribution to its common or preferred equity capital or from the issue or sale of Capital Stock of Cequel or its Restricted Subsidiaries (other than Excluded Contributions, Capital Stock sold to a Subsidiary of Cequel and any debt security that is convertible into, or exchangeable for, Capital Stock of Cequel or its Restricted Subsidiaries until such debt security has been converted into, or exchanged for, Capital Stock of Cequel or its Restricted Subsidiaries); *plus* (4) to the extent that any Restricted Investment that was made after the Measurement Date is sold for Cash or otherwise liquidated or repaid for Cash, the lesser of (x) the Cash return of capital with respect to such Restricted Investment (less the cost of disposition, if any) and (y) the initial amount of such Restricted Investment; *plus* (5) to the extent that any Unrestricted Subsidiary of Cequel designated as such after the Measurement Date is redesignated as a Restricted Subsidiary after the Measurement Date, the lesser of (x) the Fair Market Value of Cequel's Investment in such Subsidiary as of the date of such redesignation or (y) such Fair Market Value as of the date on which such Subsidiary was originally designated as an Unrestricted Subsidiary after the Measurement Date; *plus* (6) 100% of any dividends received by Cequel or a Restricted Subsidiary of Cequel after June 30, 2012 from an Unrestricted Subsidiary of Cequel, to the extent that such dividends were not otherwise included in the Consolidated Net Income of Cequel for such period;

Section 4.06 *Restrictions on Subsidiary Distributions*.

Except as provided herein, Cequel shall not, nor shall it permit any of its Restricted Subsidiaries to, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or restriction of any kind on the ability of any Restricted Subsidiary of Cequel to (a) pay dividends or make any other distributions on any of such Restricted Subsidiary's Capital Stock owned by Cequel or any other Restricted Subsidiary of Cequel, (b) repay or prepay any Indebtedness owed by such Restricted Subsidiary to Cequel or any other Restricted Subsidiary of Cequel, (c) make loans or advances to Cequel or any other Restricted Subsidiary of Cequel, or (d) transfer any of its property or assets to Cequel or any other Restricted Subsidiary of Cequel other than restrictions: (i) in agreements evidencing Indebtedness permitted by clause (12) of Section 4.03(b) hereof that impose restrictions on the property so acquired; (ii) by reason of customary provisions restricting dividends, distributions, assignments, subletting or other transfers contained in leases, licenses, franchises, permits, joint venture agreements and similar agreements entered into in the ordinary course of business; (iii) that are or were created by virtue of any transfer of, agreement to transfer or option or right with respect to any property, assets or Capital Stock not otherwise prohibited under this Agreement; (iv) on cash or other deposits imposed by customers under contracts entered into in the ordinary course of business; (v) with respect to any asset of Cequel or any of its Restricted Subsidiaries, imposed pursuant to an agreement which has been entered into for the sale or disposition of such assets or all or substantially all of the Capital Stock or assets of such Restricted Subsidiary, so long as such sale or disposition is permitted under this Agreement; (vi) of the type set forth in clause (a) only that are binding on a Restricted Subsidiary at the time such Restricted Subsidiary first becomes a Restricted Subsidiary of Cequel, so long as such prohibitions were not entered into solely in contemplation of such Person becoming a Restricted Subsidiary of Cequel; (vii) by reason of applicable law or any rule, regulation or order; (viii) existing under agreements or instruments existing on the Measurement Date to the extent and in the manner such agreements are in effect on the Measurement Date; (ix) existing under the Credit Agreement; (x) on the transfer of assets subject to any Lien permitted under Section 4.04 hereof imposed by the holder of such Lien; (xi) existing under other Indebtedness of Restricted Subsidiaries of Cequel permitted to be incurred pursuant to an agreement entered into subsequent to the Measurement Date in accordance with Section 4.03 hereof; *provided*, *however*, that the Board of Directors of Cequel determines in good faith at the time such restrictions are created that such restrictions do not materially adversely affect Cequel's ability to pay principal of, and interest on, the Notes; and (xii) existing under an agreement governing Permitted Refinancing Indebtedness or governing Indebtedness that extends, refinances, renews, replaces, defeases or refunds Indebtedness issued, assumed or incurred pursuant to an agreement referred to in clause (viii) or (ix) above; *provided*, *however*, that the provisions relating to such encumbrance or restriction contained in any such Indebtedness are not in the aggregate materially less favorable to Cequel as determined by the

Board of Directors of Cequel in their reasonable and good faith judgment than the provisions relating to such encumbrance or restriction contained in any such agreements.

Section 4.07 *Transactions with Affiliates.*

(a) Cequel shall not, nor shall it permit any of its Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise

dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of Cequel (each, an "*Affiliate Transaction*"), unless: (x) the Affiliate Transaction is on terms that are no less favorable to Cequel or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by Cequel or such Restricted Subsidiary with an unrelated Person; and (y) Cequel delivers to the Trustee:

(1) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $25.0 million, a resolution of Cequel's or the applicable Restricted Subsidiary's Board of Directors set forth in an Officers' Certificate certifying that such Affiliate Transaction has been approved by a majority of the disinterested members of Cequel's or the applicable Restricted Subsidiary's Board of Directors; and

(2) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $100.0 million, an opinion as to the fairness to Cequel or such Restricted Subsidiary of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of national standing.

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.07(a) hereof:

(1) any employment agreement, employee benefit plan, officer and director indemnification agreement or any similar arrangement entered into by Cequel or any of its Restricted Subsidiaries in the ordinary course of business;

(2) transactions between or among Cequel and/or its Restricted Subsidiaries;

(3) transactions with a Person that is an Affiliate of Cequel (other than an Unrestricted Subsidiary) solely because Cequel owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;

(4) loans, advances, payment of reasonable fees, indemnification of directors, or similar arrangements to or with officers, directors, employees and consultants who are not otherwise Affiliates of Cequel;

(5) any issuance of Equity Interests of Cequel to Affiliates of Cequel;

(6) Restricted Payments that are permitted by Section 4.05 hereof and Permitted Investments;

(7) payments of acquisition fees not in excess of 1.5% of the purchase consideration for Permitted Acquisitions occurring after the Measurement Date;

(8) customary payments by Cequel or any of its Restricted Subsidiaries to any member of the Equity Consortium or their Affiliates made for any financial advisory, financing, underwriting or placement services or in respect of other investment banking activities (including in connection with acquisitions or divestitures), which payments are on arm's-length terms and are approved by the majority of the members of the Board of Directors of Cequel or a majority of the disinterested members of the Board of Directors of Cequel;

(9) (i) any agreement to pay, and the payment of, customary annual management, consulting, monitoring and advisory fees to members of the Equity Consortium in an amount not to exceed in any four quarter period the greater of (x) $10.0 million and (y) 1.5% of Consolidated Adjusted EBITDA of Cequel and its Restricted Subsidiaries for such period and related expenses; *provided* that any payment not made in any Fiscal Year may be carried forward and paid in the following two Fiscal Years and (ii) the payment of the present value of all amounts payable pursuant to any agreement described in clause (i) hereof in connection with the termination of such agreement; and

(10) the transactions and payments contemplated by the Management Contract as in effect on the Measurement Date.

(c) Notwithstanding anything in this Section 4.07 to the contrary, any transaction between (x) Cequel or any of its Restricted Subsidiaries and (y) the Management Company or any of its Affiliates (other than Cequel or any of its Restricted Subsidiaries or any Affiliate of the Management Company that is an Affiliate of the Management Company solely by way of its relationship with Cequel) shall be deemed an Affiliate Transaction subject to this Section 4.07, except as provided in (1) or (2) below:

(1) neither (x) the transactions contemplated by and payments under the Management Contract as in effect on the Measurement Date, as amended, restated or otherwise modified from time to time so long as any economic terms contained therein are substantially similar to those contemplated by the Management Contract in effect on the Measurement Date nor (y) payments described in clause (7) of Section 4.07(b) hereof shall constitute Affiliate Transactions; and

(2) a transaction consisting of any undertaking to pay fees or other compensation to the Management Company or its Affiliates in addition to the fees and payments contemplated by clause (1) above shall not constitute an Affiliate Transaction if (i) such undertaking is documented as an amendment to the Management Contract, (ii) such amendment is entered into substantially contemporaneously with an acquisition or any refinancing permitted hereunder or equity investment in any Parent Entity, (iii) the effect of such amendment is to increase the annual base fees payable to the Management Company by an amount that is no greater than (x) in the case of an acquisition, 2.0% of the total consolidated revenues of the acquired assets for the four full fiscal quarters for which internal financial statements are available preceding such acquisition and (y) in the

case of a refinancing permitted hereunder or equity investment in any Parent Entity, 1.0% of Consolidated Adjusted EBITDA for the four full fiscal quarters for which internal financial statements are available preceding such refinancing or investment.

Section 4.08 *Conduct of Business.*

Cequel shall not, and shall not permit any of its Restricted Subsidiaries to, engage in any business other than the Permitted Business, except to such extent as would not be material to Cequel and its Restricted Subsidiaries taken as a whole.

Section 4.09 *Restrictions Affecting Cequel Capital.*

In addition to the other restrictions set forth in this Indenture, Cequel Capital may not hold any material assets, become liable for any material obligations or engage in any significant business activities; *provided* that Cequel Capital may be a co-obligor or guarantor with respect to Indebtedness if Cequel is a primary obligor of such Indebtedness and the net proceeds of such Indebtedness are received by Cequel or one or more of Cequel's Subsidiaries other than Cequel Capital.

Section 4.10 *Designations of Restricted and Unrestricted Subsidiaries*.

(a) The Board of Directors of Cequel may designate any Subsidiary of Cequel (including any existing Subsidiary and any newly acquired or newly formed Subsidiary) to be an Unrestricted Subsidiary unless such Subsidiary or any of its Subsidiaries owns any Capital Stock or Indebtedness of, or owns or holds any Lien on, any property of, Cequel or any Restricted Subsidiary of Cequel (other than any Subsidiary of the Subsidiary to be so designated); *provided* that (i) any Unrestricted Subsidiary must be an entity of which shares of the Capital Stock or other equity interests (including partnership interests) entitled to cast at least a majority of the votes that may be cast by all shares or equity interests having ordinary voting power for the election of directors or other governing body are owned, directly or indirectly, by Cequel, (ii) such designation complies with Section 4.05 hereof and (iii) each of (A) the Subsidiary to be so designated and (B) its Subsidiaries has not at the time of designation, and does not thereafter, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable with respect to any Indebtedness pursuant to which any lender has recourse to any of the assets of Cequel or any Restricted Subsidiary.

(b) Cequel may designate any Unrestricted Subsidiary to be a Restricted Subsidiary;*provided* that: (1) no Default shall have occurred and be continuing; and (2) such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of Cequel of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if such Indebtedness is permitted under Section 4.03 hereof.

(c) Any designation of a Subsidiary of Cequel as an Unrestricted Subsidiary will be evidenced to the Trustee by filing with the Trustee a certified copy of a resolution of the Board of Directors giving effect to such designation and an Officers' Certificate certifying that such designation complied with the preceding conditions. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of

such Subsidiary of Cequel will be deemed to be incurred by a Restricted Subsidiary of Cequel as of such date and, if such Indebtedness is not permitted to be incurred as of such date under Section 4.03 hereof, Cequel will be in default of such covenant.

Section 4.11 *Payments for Consent*

Cequel will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder of Notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid to all Holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Section 4.12 *Reports*

(a) So long as any Notes are outstanding, Cequel will furnish to the Trustee:

(1) within 90 days after the end of each Fiscal Year, annual reports of Cequel containing substantially all of the information that would have been required to be contained in an Annual Report on Form 10-K under the Exchange Act if Cequel had been a reporting company under the Exchange, including (A) "Management's Discussion and Analysis of Financial Condition and Results of Operations," (B) audited financial statements prepared in accordance with GAAP and (C) a presentation of Consolidated Adjusted EBITDA of Cequel and its Subsidiaries and from such financial statements;

(2) within 45 days after the end of each of the first three Fiscal Quarters of each Fiscal Year, quarterly reports of Cequel containing substantially all of the information that would have been required to be contained in a Quarterly Report on Form 10-Q under the Exchange Act if Cequel had been a reporting company under the Exchange Act, including (A) "Management's Discussion and Analysis of Financial Condition and Results of Operations," (B) unaudited quarterly financial statements prepared in accordance with GAAP and reviewed pursuant to Statement on Auditing Standards No. 100 (or any successor provision) and (C) a presentation of Consolidated Adjusted EBITDA of Cequel and derived from such financial statements; and

(3) within 5 Business Days after the occurrence of each event that would have been required to be reported in a Current Report on Form 8-K under the Exchange Act if Cequel had been a reporting company under the Exchange Act, current reports containing substantially all of the information that would have been required to be contained in a Current Report on Form 8-K under the Exchange Act if Cequel had been a reporting company under the Exchange Act; *provided*, *however*, that no such current report will be required to be furnished if Cequel determines in its good faith judgment that such event is not material to Holders of Notes or the business, assets, operations, financial positions or prospects of Cequel and its Restricted Subsidiaries, taken as a whole;

The reports required pursuant to clauses (1), (2) and (3) of this Section 4.12(a) hereof will not be required to comply with Section 302 or Section 404 of the Sarbanes-Oxley Act of 2002, or related Items 307 and 308 of Regulation S-K promulgated by the SEC, Item 10(e) of Regulation

S-K (with respect to any non-GAAP financial measures contained therein) or any comparable successor provision.

(b) At any time that any of Cequel's Subsidiaries are Unrestricted Subsidiaries, then the quarterly and annual reports required by the preceding paragraph will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, and in "Management's Discussion and Analysis of Financial Condition and Results of Operations" or other comparable section, of the financial condition and results of operations of Cequel and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of Cequel.

(c) So long as any Notes are outstanding, the Issuers will also:

(1) issue a press release to an internationally recognized wire service no fewer than three Business Days prior to the first public disclosure of the annual and quarterly reports required by clauses (1) and (2) of Section 4.12(a) hereof announcing the date on which such reports will become publicly available and directing Holders of Notes, prospective investors, broker-dealers and securities analysts to contact the investor relations office of the Issuers to obtain copies of such reports;

(2) within 10 Business Days after furnishing to the Trustee the annual and quarterly reports required by clauses (1) and (2) of Section 4.12(a) hereof, hold a conference call to discuss such reports and the results of operations for the relevant reporting period;

(3) issue a press release (which may be combined with the press release pursuant to clause (1) above) to an internationally recognized wire service no fewer than three Business Days prior to the date of the conference call required to be held in accordance with this paragraph, announcing the time and date of such conference call and either including all information necessary to access the call or directing Holders of Notes, prospective investors, broker-dealers and securities analysts to contact the appropriate person at the Issuers to obtain such information; and

(4) maintain a website with no password protection to which all of the reports and press releases required by this "Reports" covenant are posted.

In addition, the Issuers shall furnish to Holders of Notes, prospective investors, broker-dealers and securities analysts, upon their request, any information required to

be delivered pursuant to Rule 144A(d)(4) under the Securities Act so long as the Notes are not freely transferable under the Securities Act.

Section 4.13 *Asset Sales; Asset Swaps.*

(a) Cequel will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale or Asset Swap unless:

(1) Cequel (or the Restricted Subsidiary of Cequel, as the case may be) receives consideration at the time of the Asset Sale or Asset Swap at least equal to the

Fair Market Value (determined in good faith by an Authorized Officer of Cequel (or such Restricted Subsidiary of Cequel, as the case may be) and measured as of the date of the definitive agreement with respect to such Asset Sale or Asset Swap) of the assets or Equity Interests issued or sold or otherwise disposed of; and

(2) with respect to individual Asset Sales (but not Asset Swaps) by Cequel or such Restricted Subsidiary of Cequel the proceeds of which are greater than $50.0 million, no less than 75% of the consideration for such Asset Sale shall be received in Cash or Cash Equivalents (provided that for purposes of this clause (2) only, debt instruments maturing within 12 months of the date of consummation of such Asset Sale shall be deemed to be Cash Equivalents). For purposes of this provision, each of the following will also be deemed to be Cash:

(A) any liabilities, as shown on Cequel's most recent consolidated balance sheet, of Cequel or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes, which in any event shall not be considered when determining whether such 75% threshold has been met) that are assumed by the transferee of any such assets pursuant to a customary notation or indemnity agreement that releases Cequel or such Restricted Subsidiary of Cequel from or indemnifies against further liability;

(B) any securities, notes or other obligations received by Cequel or any such Restricted Subsidiary of Cequel from such transferee that are converted into cash within 60 days after such Asset Sale, to the extent of the cash received in that conversion; and

(C) any stock or assets of the kind referred to in clause (2) or (4) of Section 4.13(b) hereof.

(b) Within 18 months of receipt (or within 24 months of receipt if a binding commitment to reinvest is entered into within 18 months of receipt) of any Net Asset Sale Proceeds from an Asset Sale or Asset Swap, Cequel (or the applicable Restricted Subsidiary of Cequel, as the case may be) may apply such Net Asset Sale Proceeds:

(1) to repay (a) Indebtedness and other Obligations under a Credit Facility and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto and/or (b) Indebtedness of any Restricted Subsidiary of Cequel;

(2) to acquire all or substantially all of the assets of, or any Capital Stock of, another Permitted Business, if, after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary of Cequel;

(3) to make a capital expenditure; or

(4) to acquire other assets that are not classified as current assets under GAAP and that are used or useful in a Permitted Business.

(c) Pending the final application of any Net Asset Sale Proceeds, Cequel (or the applicable Restricted Subsidiary) may temporarily reduce revolving credit borrowings or otherwise invest the Net Asset Sale Proceeds in any manner that is not prohibited by this Indenture.

(d) Any Net Asset Sale Proceeds from Asset Sales or Asset Swaps that are not applied or invested as provided in Section 4.13(b) hereof will constitute "*Excess Proceeds*." When the aggregate amount of Excess Proceeds exceeds $50.0 million, within five days thereof, the Issuers will make an offer (an "*Asset Sale Offer*") to all holders of Notes and all Holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in this Indenture with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets in accordance with Section 3.08 hereof to purchase, prepay or redeem the maximum principal amount of Notes and such other *pari passu* Indebtedness (*plus* all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount, *plus* accrued and unpaid interest, if any, to the date of purchase, prepayment or redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Issuers may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered in (or required to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee will select the Notes and such other *pari passu* Indebtedness to be purchased on a *pro rata* basis, based on the amounts tendered or required to be prepaid or redeemed (with such adjustments as may be deemed appropriate by the Issuers so that only Notes in denominations of $2,000, or an integral multiple of $1,000 in excess thereof, will be purchased). Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

(e) The Issuers will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to Section 3.08 hereof or this Section 4.13. To the extent that the provisions of any securities laws or regulations conflict with Section 3.08 hereof or this Section 4.13, the Issuers will comply with the applicable securities laws and regulations and will not be deemed to have breached their obligations under Section 3.08 or 4.14 hereof or this Section 4.13 by virtue of such compliance.

Section 4.14 *Offer to Purchase Upon Change of Control*

(a) If a Change of Control Triggering Event occurs, each Holder of Notes will have the right to require the Issuers to repurchase all or any part (equal to $2,000 or an integral multiple of $1,000 in excess thereof) of that Holder's Notes pursuant to an offer (a "*Change of Control Offer*") on the terms set forth in this Indenture. In the Change of Control Offer, the Issuers will offer a payment (a "*Change of Control Payment*") in cash equal to 101% of the aggregate principal amount of Notes repurchased, *plus* accrued and unpaid interest, if any, on the Notes repurchased to the date of purchase, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date. Within ten days

following any Change of Control Triggering Event, the Issuers will mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control Triggering Event and offering to repurchase Notes on the date (the "*Change of Control Payment Date*") specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed, pursuant to the procedures required by this Indenture and described in such notice. The Issuers will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.14, the Issuers will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.14 by virtue of such compliance.

(b) On the Change of Control Payment Date, the Issuers will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuers.

(c) The Paying Agent will promptly mail to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. The Issuers will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(d) The Issuers will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuers and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to this Indenture as described under Section 3.07 hereof, unless and until there is a default in payment of the applicable redemption price. Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control Triggering Event, conditioned upon the consummation of such Change of Control Triggering Event, if a definitive agreement is in place for the Change of Control Triggering Event at the time the Change of Control Offer is made.

Section 4.15 *Covenant Suspension*

(a) If on any date following the Measurement Date (i) the Notes have an Investment Grade Rating from both Rating Agencies and (ii) no Default or Event of Default has occurred

and is continuing under this Indenture then, beginning on that day and continuing at all times thereafter until the Reversion Date (as defined below) (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "*Covenant Suspension Event*"), the Issuers and their Restricted Subsidiaries will not be subject to Sections 4.03, 4.05, 4.06, 4.07, 4.08, 4.13, 4.14 and clause (2) of Section 5.01 (the "*Suspended Covenants*").

(b) In the event that the Issuers and the Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of the foregoing, and on any subsequent date (the "*Reversion Date*") both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating, then the Issuers and the Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants with respect to future events. The period beginning on the day of a Covenant Suspension Event and ending on a Reversion Date is called a "*Suspension Period.*"

(c) On each Reversion Date, all Indebtedness incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period will be deemed to have been outstanding on the Measurement Date, so that it is classified as permitted under clause (11) of Section 4.03(b). Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Section 4.05 will be made as though Section 4.05 had been in effect prior to, but not during, the Suspension Period. No Default or Event of Default will be deemed to have occurred on the Reversion Date (or thereafter) under any Suspended Covenant solely as a result of any actions taken by the Issuers or their Restricted Subsidiaries, or events occurring, during the Suspension Period. On and after each Reversion Date, the Issuers and their Subsidiaries will be permitted to consummate the transactions contemplated by any contract entered into during the Suspension Period so long as such contract and such consummation would have been permitted during such Suspension Period.

(d) For purposes of Section 4.13, on the Reversion Date, the unutilized Excess Proceeds amount will be reset to zero.

(e) For purposes of Section 4.06, on the Reversion Date, any contractual encumbrances or restrictions of the type specified in clauses (a), (b), (c) or (d) of Section 4.06 entered into during the Suspension Period will be deemed to have been in effect on the Measurement Date, so that they are permitted under clause (viii) of Section 4.06.

(f) For purposes of Section 4.07, any Affiliate Transaction entered into after the Reversion Date pursuant to a contract, agreement, loan, advance or guaranty with, or for the benefit of, any Affiliate of the Issuer entered into during the Suspension Period will be deemed to have been in effect as of the Measurement Date.

(g) During a Suspension Period, the Issuers may not designate any of its Subsidiaries as Unrestricted Subsidiaries pursuant to Section 4.10(a).

(h) The Issuer shall deliver promptly to the Trustee an officer's certificate notifying it of the commencement or termination of any Suspension Period. The Trustee shall have no independent obligation to determine if a Suspension Period has commenced or terminated, to notify the Holders of Notes regarding the same or to determine the consequences thereof.

Section 4.16 *Compliance Certificate*.

(a) Cequel shall deliver to the Trustee, within 90 days after the end of each fiscal year, an Officers' Certificate stating that a review of the activities of Cequel and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Authorized Officers with a view to determining whether the Issuers have kept, observed, performed and fulfilled their obligations under this Indenture, and further stating, as to each such Authorized Officer signing such certificate, that to the best of his or her knowledge the Issuers have kept, observed, performed and fulfilled each and every covenant contained in this Indenture and are not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action Cequel is taking or proposes to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of, premium on, if any, or interest, if any, on, the Notes is prohibited or if such event has occurred, a description of the event and what action Cequel is taking or proposes to take with respect thereto.

(b) So long as not contrary to the then current recommendations of the American Institute of Certified Public Accountants, the year-end financial statements delivered pursuant to Section 4.12 hereof shall be accompanied by a written statement of Cequel's independent public accountants (who shall be a firm of established national reputation) that in making the examination necessary for certification of such financial statements, as it relates to accounting matters, nothing has come to their attention that would lead them to believe that Cequel has violated any provisions of Article 4 or Article 5 hereof or, if any such violation has occurred, specifying the nature and period of existence thereof, it being understood that such accountants shall not be liable directly or indirectly to any Person for any failure to obtain knowledge of any such violation.

(c) So long as any of the Notes are outstanding, the Issuers will deliver to the Trustee, forthwith upon any Authorized Officer becoming aware of any Default or Event of Default, an Officers' Certificate specifying such Default or Event of Default and what action the Issuers are taking or propose to take with respect thereto.

Section 4.17 *Taxes*.

Cequel will pay, and will cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

Section 4.18 *Stay, Extension and Usury Laws*.

Each of the Issuers covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and each of the Issuers (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such

law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.19 *Corporate Existence*.

Subject to Article 5 hereof, Cequel shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(1) subject to subsection (2) below, its corporate existence, and the corporate, partnership or other existence of each of its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of Cequel or any such Subsidiary of Cequel; and

(2) the rights (charter and statutory), licenses and Franchises of Cequel and its Subsidiaries;

provided, however, that Cequel shall not be required to preserve any such right, license or Franchise, or the corporate, partnership or other existence of any of its Subsidiaries, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of Cequel and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

ARTICLE 5
SUCCESSORS

Section 5.01 *Merger, Consolidation or Sale of Assets*.

Cequel will not, in a single transaction or series of related transactions, consolidate or merge with or into any Person, or sell, assign, transfer, lease, convey or otherwise dispose of (or cause or permit any Restricted Subsidiary of Cequel to sell, assign, transfer, lease, convey or otherwise dispose of) all or substantially all of Cequel's assets (determined on a consolidated basis for Cequel and Cequel's Restricted Subsidiaries) whether as an entirety or substantially as an entirety to any Person unless:

(1) either:

(A) Cequel shall be the surviving or continuing corporation; or

(B) the Person (if other than Cequel) formed by such consolidation or into which Cequel is merged or the Person which acquires by sale, assignment, transfer, lease, conveyance or other disposition the properties and assets of Cequel and of Cequel's Restricted Subsidiaries substantially as an entirety (the "*Surviving Entity*"):

(i) shall be a corporation organized and validly existing under the laws of the United States or any State thereof or the District of Columbia; and

(ii) shall expressly assume, by supplemental indenture (in form and substance reasonably satisfactory to the Trustee), executed and delivered to the Trustee, the due and punctual payment of the principal of, and premium, if any, and interest on all of the Notes and the performance of every covenant of the Notes and this Indenture on the part of Cequel to be performed or observed;

(2) immediately after giving effect to such transaction and the assumptions contemplated by clause (1)(B)(ii) of this Section 5.01 (including giving effect to any Indebtedness and Acquired Indebtedness incurred or anticipated to be incurred in connection with or in respect of such transaction), Cequel or such Surviving Entity, as the case may be, shall be able to incur at least $1.00 of additional Indebtedness pursuant to the Total Leverage Ratio test set forth in Section 4.03(a) hereof;

(3) immediately before and immediately after giving effect to such transaction and the assumptions contemplated by clause (1)(B)(ii) of this Section 5.01 (including, without limitation, giving effect to any Indebtedness and Acquired Indebtedness incurred or anticipated to be incurred and any Lien granted in connection with or in respect of the transaction), no Default or Event of Default shall have occurred or be continuing; and

(4) Cequel or the Surviving Entity shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with the applicable provisions of this Indenture and that all conditions precedent in this Indenture relating to such transaction have been satisfied.

For purposes of the foregoing, the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the properties or assets of one or more Restricted Subsidiaries of Cequel, the Capital Stock of which constitutes all or substantially all of the properties and assets of Cequel (determined on a consolidated basis for Cequel and Cequel's Restricted Subsidiaries), shall be deemed to be the transfer of all or substantially all of the properties and assets

of Cequel.

Notwithstanding the foregoing clauses (2) and (3) of this Section 5.01, Cequel may merge with an Affiliate that is a Person that has no material assets or liabilities and which was organized solely for the purpose of reorganizing Cequel in another jurisdiction.

Section 5.02 *Successor Corporation Substituted.*

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of Cequel in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof, the successor Person formed by such consolidation or into or with which Cequel is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition, the provisions of this Indenture referring to

"Cequel" (including the term "Issuers" or "Issuer", as applicable) shall refer instead to the successor Person and not to Cequel), and may exercise every right and power of Cequel under this Indenture with the same effect as if such successor Person had been named as Cequel herein; *provided, however*, that Cequel shall not be relieved from the obligation to pay the principal of, premium on, if any, and interest, if any, on, the Notes except in the case of a sale of all of Cequel's assets in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof.

ARTICLE 6
DEFAULTS AND REMEDIES

Section 6.01 *Events of Default.*

Each of the following is an "*Event of Default*":

(1) default for 30 days in the payment when due of interest on the Notes;

(2) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Notes;

(3) failure by Cequel or any of its Restricted Subsidiaries for 60 days after notice to the Issuers by the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the other agreements in this Indenture or the Notes;

(4) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by Cequel or any of its Restricted Subsidiaries (or the payment of which is guaranteed by Cequel or any of its Restricted Subsidiaries), whether such Indebtedness or guarantee now exists, or is created after the Issue Date, if that default:

(a) is caused by a failure to pay at final maturity (giving effect to any applicable grace periods and any extensions thereof) the stated principal of such Indebtedness (a "*Payment Default*"); or

(b) results in the acceleration of such Indebtedness prior to its Stated Maturity,

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates $100.0 million or more;

(5) failure by Cequel or any of its Restricted Subsidiaries to pay final judgments entered by a court or courts of competent jurisdiction aggregating in excess of $100.0 million, which judgments are not paid, discharged or stayed, for a period of 60 days;

(6) Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) pursuant to or within the meaning of Bankruptcy Law:

(A) commences a voluntary case,

(B) consents to the entry of an order for relief against it in an involuntary case,

(C) makes a general assignment for the benefit of its creditors, or

(D) generally is not paying its debts as they become due; and

(7) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) in an involuntary case; or

(B) appoints a custodian of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) or for all or substantially all of the property of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary); or

(C) orders the liquidation of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary);

and the order or decree remains unstayed and in effect for 60 consecutive days.

Section 6.02 *Acceleration.*

In the case of an Event of Default specified in clause (6) or (7) of Section 6.01 hereof, with respect to Cequel, any Restricted Subsidiary of Cequel that is a Significant Subsidiary or any group of Restricted Subsidiaries of Cequel that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Upon any such declaration, the Notes shall become due and

payable immediately.

Section 6.03 *Other Remedies*.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of, premium on, if any or interest, if any, on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

Holders of at least a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest on, if any, the Notes (including in connection with an offer to purchase); *provided, however*, that the Holders of at least a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration or waive its consequences, including any related payment default that resulted from such acceleration, if the rescission would not conflict with any judgment or decree, except a continuing Default or Event of Default in the payment of principal, premium on, if any, or interest on the Notes. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 *Control by Majority.*

Holders of at least a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability.

Section 6.06 *Limitation on Suits.*

Except to enforce the right to receive payment of principal, premium, if any, or interest, if any, when due, no Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

(1) such Holder has previously given to the Trustee written notice that an Event of Default is continuing;

(2) Holders of at least 25% in aggregate principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;

(3) such Holder or Holders offer and, if requested, provide to the Trustee security or indemnity reasonably satisfactory to the Trustee against any loss, liability or expense;

(4) the Trustee does not comply with such request within 60 days after receipt of the request and the offer of security or indemnity; and

(5) during such 60-day period, Holders of a majority in aggregate principal amount of the then outstanding Notes do not give the Trustee a direction inconsistent with such request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

Section 6.07 *Rights of Holders of Notes to Receive Payment*

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, premium on, if any, or interest, if any, on, the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuers for the whole amount of principal of, premium on, if any, and interest, if any, remaining unpaid on, the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuers (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 hereof out of the estate in any such proceeding, shall be denied

for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the

Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities*.

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee, its agents and attorneys for amounts due under Section 7.06 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, if any, respectively; and

Third: to the Issuers or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs*.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

ARTICLE 7
TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability. The Trustee will be under no obligation to exercise any of its rights and powers under this Indenture at the request of any Holders, unless such Holder has offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuers. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) In no event shall the Trustee be responsible for special, indirect or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuers will be sufficient if signed by an Authorized Officer of the Issuers.

(f) In case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee reasonable indemnity or security satisfactory to it against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(g) If the Trustee becomes a creditor of the Issuers, the Trustee will not have the right to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee will be permitted to engage in other transactions; however, if it acquires any conflicting interest it must eliminate such conflict within 90 days or resign.

(h) Except with respect to Section 4.01 hereof, the Trustee shall have no duty to inquire as to the performance of the Company with respect to the covenants contained in Article 4 hereof. In addition, the Trustee shall not be deemed to have knowledge of an Event of Default except (i) any Default or Event of Default occurring pursuant to Section 4.01, 6.01(1) or 6.01(2) hereof or (ii) any Default or Event of Default of which the Trustee shall have received written notification or a Responsible Officer thereof shall have obtained actual knowledge.

(i) Delivery of reports, information and documents to the Trustee under Section 4.12 hereof is for informational purposes only and the Trustee's receipt of the foregoing shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with Cequel or any Affiliate of Cequel with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days or resign. Any agent may do the same with like rights and duties. The Trustee is also subject to Section 7.09 hereof.

Section 7.04 *Trustee's Disclaimer.*

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuers' use of the proceeds from the Notes or any money paid to the Issuers or upon the Issuers' direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and if it is known to a Responsible Officer of the Trustee, the Trustee will mail to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium on, if any, or interest, if any, on, any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

Section 7.06 *Compensation and Indemnity.*

(a) The Issuers will pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Issuers will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Issuers will indemnify the Trustee against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Issuers (including this Section 7.06) and defending itself against any claim (whether asserted by the Issuers, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence, willful misconduct or bad faith. The Trustee will notify the Issuers promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuers will not relieve the Issuers of their obligations hereunder. The Issuers will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Issuers will pay the reasonable fees and expenses of

such counsel. The Issuers are not required to pay for any settlement made without their consent, which consent will not be unreasonably withheld.

(c) The obligations of the Issuers under this Section 7.06 will survive the satisfaction and discharge of this Indenture.

(d) To secure the Issuers' payment obligations in this Section 7.06, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal of, premium on, if any, or interest, if any, on, particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(6) or 6.01(7) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.07 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuers. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuers in writing. The Issuers may remove the Trustee if:

(1) the Trustee fails to comply with Section 7.09 hereof;

(2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(3) a custodian or public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuers will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuers.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuers, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.09 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.06 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Issuers' obligations under Section 7.06 hereof will continue for the benefit of the retiring Trustee.

Section 7.08 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

Section 7.09 *Eligibility; Disqualification.*

There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least $100.0 million as set forth in its most recent published annual report of condition.

ARTICLE 8
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Issuers may at any time, at the option of their Board of Directors evidenced by a resolution set forth in an Officers' Certificate, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge*.

Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuers will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Issuers will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other

obligations under such Notes and this Indenture (and the Trustee, on demand of and at the expense of the Issuers, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium on, if any, or interest, if any, on, such Notes when such payments are due from the trust referred to in Section 8.04 hereof;

(2) the Issuers' obligations with respect to such Notes under Article 2 and Section 4.02 hereof;

(3) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Issuers' obligations in connection therewith; and

(4) this Article 8.

Subject to compliance with this Article 8, the Issuers may exercise their option under this Section 8.02 notwithstanding the prior exercise of their option under Section 8.03 hereof.

Section 8.03 *Covenant Defeasance*.

Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuers will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14, 4.15, 4.16, 4.17, 4.18 and 5.01 hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the

consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Issuers may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes will be unaffected thereby. In addition, upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, the events set forth in Sections 6.01(3), (4) and (5) hereof will not constitute Events of Default.

Section 8.04 *Conditions to Legal or Covenant Defeasance*.

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

(1) the Issuers must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm, or firm of independent public accountants, to pay the principal of, premium on, if any, and interest, if any, on, the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Issuers must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of an election under Section 8.02 hereof, the Issuers must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that:

(A) the Issuers have received from, or there has been published by, the Internal Revenue Service a ruling; or

(B) since the Issue Date, there has been a change in the applicable federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of an election under Section 8.03 hereof, the Issuers must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default shall have occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other Indebtedness), and the granting of Liens to secure such borrowings);

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture and the agreements governing any other Indebtedness being defeased, discharged or replaced) to which any Issuer is a party or by which any Issuer is bound;

(6) the Issuers must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Issuers with the intent of preferring the Holders of Notes over the other creditors of the Issuers with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuers or others; and

(7) the Issuers must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Notwithstanding the foregoing, the requirements of clause (2) above with respect to an election under Section 8.02 hereof need not be complied with if all Notes not theretofore delivered to the Trustee for cancellation (x) have become due and payable or (y) will become due or payable on the maturity date within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuers.

Section 8.05 *Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions*

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "*Trustee*") pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including an Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, if any, but such money need not be segregated from other funds except to the extent required by law.

The Issuers will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Issuers from time to time upon the request of the Issuers any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(2) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 *Repayment to Issuers*.

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuers, in trust for the payment of the principal of, premium on, if any, or interest, if any, on, any Note and remaining unclaimed for two years after such principal, premium, if any, or interest, if any, has become due and payable shall be paid to the Issuers on their request or (if then held by the Issuers) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Issuers for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuers as trustees thereof,

will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuers cause to be published once, in the New York Times and The Wall Street Journal (national edition) or a comparable national financial publication, notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuers.

Section 8.07 *Reinstatement*.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuers' obligations under this Indenture and the Notes will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Issuers make any payment of principal of, premium on, if any, or interest, if any, on, any Note following the reinstatement of its obligations, the Issuers will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders of Notes.*

Notwithstanding Section 9.02 hereof, without the consent of any Holder of Notes, the Issuers and the Trustee may amend or supplement this Indenture or the Notes:

(1) to cure any ambiguity, defect or inconsistency;

(2) to provide for uncertificated Notes in addition to or in place of certificated Notes;

(3) to provide for the assumption of Cequel's obligations to Holders of Notes in case of a merger or consolidation or sale of all or substantially all of Cequel's assets, as applicable;

(4) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights hereunder of any Holder;

(5) to conform the text of this Indenture or the Notes to any provision of the "Description of Notes" section of the Offering Circular, to the extent that such provision in that "Description of Notes" was intended to be a verbatim recitation of a provision of this Indenture or the Notes, which intent may be evidenced by an Officers' Certificate to that effect;

(6) to secure the Notes; or

(7) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture.

Upon the request of the Issuers accompanied by a resolution of their Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the Issuers in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee will not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 *With Consent of Holders of Notes*.

Except as provided below in this Section 9.02, the Issuers and the Trustee may amend or supplement this Indenture (including, without limitation, Sections 3.08, 4.13 and 4.14 hereof) and the Notes with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium on, if any, or interest, if any, on, the Notes, except a Payment Default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture or the Notes may be waived with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Section 2.08 hereof shall determine which Notes are considered to be "outstanding" for purposes of this Section 9.02.

Upon the request of the Issuers accompanied by a resolution of their Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the Issuers in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental Indenture.

It is not necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuers will mail to the Holders of Notes affected thereby a notice briefly describing the

amendment, supplement or waiver. Any failure of the Issuers to mail such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of at least a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Issuers with any provision of this Indenture or the Notes. However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed maturity of any Note or alter or waive any of the provisions with respect to the redemption of the Notes (except as provided above with respect to Section 3.08, 4.13 or 4.14 hereof);

(3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;

(4) waive a Default or Event of Default in the payment of principal of, premium on, if any, or interest, if any, on, the Notes (except a rescission or acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(5) make any Note payable in money other than that stated in the Notes;

(6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, premium on, if any, or interest, if any, on, the Notes;

(7) waive a redemption payment with respect to any Note (other than a payment required by Section 3.08, 4.13 or 4.14 hereof); or

(8) make any change in the preceding amendment and waiver provisions.

Section 9.03 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.04 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuers in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.05 *Trustee to Sign Amendments, etc.*

The Trustee will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Issuers may not sign an amended or supplemental indenture until their Board of Directors approves it. In executing any amended or supplemental indenture, the Trustee will be entitled to receive and (subject to Section 7.01 hereof) will be fully protected in relying upon an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture.

ARTICLE 10
SATISFACTION AND DISCHARGE

Section 10.01 *Satisfaction and Discharge.*

(a) This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) either:

(a) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Issuers, have been delivered to the Trustee for cancellation; or

(b) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and the Issuers has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium, if any, and interest, if any, to the date of maturity or redemption;

(2) in respect of subclause (b) of clause (1) of this Section 10.01, no Default or Event of Default has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and any similar deposit relating to other Indebtedness and, in each case, the granting of Liens to secure such borrowings) and the deposit will not result in a breach or

violation of, or constitute a default under, any other instrument to which any Issuer is a party or by which any Issuer is bound (other than with respect to the borrowing of funds to be applied concurrently to make the deposit required to effect such satisfaction and discharge and any similar concurrent deposit relating to other Indebtedness, and in each case the granting of Liens to secure such borrowings);

(3) the Issuers have paid or caused to be paid all sums payable by them under this Indenture; and

(4) the Issuers have delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

In addition, the Issuers must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

(b) Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to subclause (b) of clause (1) of this

Section 10.01, the provisions of Sections 10.02 and 8.06 hereof will survive. In addition, nothing in this Section 10.01 will be deemed to discharge those provisions of Section 7.06 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

(c) Notwithstanding the above, the Trustee shall pay to the Issuers from time to time upon their request any cash or Government Securities held by it as provided in this Section 10.01 which, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants expressed in a written certification delivered to the Trustee, are in excess of the amount thereof that would then be required to be deposited to effect a satisfaction and discharge under this Article 10.

(d) After the conditions to discharge contained in this Article 10 have been satisfied, and the Issuers have paid or caused to be paid all other sums payable hereunder by the Issuers, and delivered to the Trustee an Officers' Certificate and Opinion of Counsel, each stating that all conditions precedent to satisfaction and discharge have been satisfied, the Trustee upon written request shall acknowledge in writing the discharge of the obligations of the Issuers under this Indenture (except for any obligations hereunder that by the terms of such obligation expressly survive discharge of the Notes in accordance with this Section 10.01).

Section 10.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06 hereof, all money and Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Section 10.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including an Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, and interest, if any, for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 8.02, 8.03 or 10.01 hereof, as the case may be, by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuers' obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02, 8.03 or 10.01 hereof; *provided* that if the Issuers have made any payment of principal of, premium on, if any, or interest, if any, on, any Notes because of the reinstatement of their obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

(2) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(3) a statement that, in the opinion of such Person, he or she has made such examination or investigation as is necessary to enable him or her to express an informed opinion as to whether or not such covenant or condition has been satisfied; and

(4) a statement as to whether or not, in the opinion of such Person, such condition or covenant has been satisfied.

Section 11.04 *Rules by Trustee and Agents.*

The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

Section 11.05 *No Personal Liability of Directors, Officers, Employees and Stockholders.*

No director, officer, employee, incorporator or stockholder of the Issuers or any of their direct or indirect parent companies or any of their Subsidiaries, as such, will have any liability for any obligations of the Issuers under the Notes, this Indenture, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Section 11.06 *Governing Law*.

THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THIS INDENTURE AND THE NOTES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

Section 11.07 *No Adverse Interpretation of Other Agreements.*

This Indenture may not be used to interpret any other indenture, loan or debt agreement of Cequel or its Subsidiaries or of any other Person. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

Section 11.08 *Successors*.

All agreements of the Issuers in this Indenture and the Notes will bind its successors. All agreements of the Trustee in this Indenture will bind its successors.

Section 11.09 *Severability*.

In case any provision in this Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 11.10 *Counterpart Originals*.

The parties may sign any number of copies of this Indenture. Each signed copy will be an original, but all of them together represent the same agreement.

Section 11.11 *Table of Contents, Headings, etc.*

The Table of Contents, Cross-Reference Table and Headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and will in no way modify or restrict any of the terms or provisions hereof.

Section 11.12 *Waiver of Jury Trial.*

EACH OF THE PARTIES TO THIS INDENTURE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THE INDENTURE, THE NOTES OR THE TRANSACTION CONTEMPLATED HEREBY.

Section 11.13 *Force Majeure.*

In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST*. Cequel Communications Holdings I, LLC, a Delaware limited liability company ("*Cequel*"), and Cequel Capital Corporation, a Delaware corporation (and together with Cequel, the "*Issuers*"), promise to pay interest on the principal amount of this Note at 5.125% per annum from the date hereof until maturity. The Issuers will pay interest, semi-annually in arrears on June 15 and December 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an "*Interest Payment Date*"). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Event of Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be December 15, 2014. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

(2) *METHOD OF PAYMENT*. The Issuers will pay interest on the Notes to the Persons who are registered Holders of Notes at the close of business on the June 1 and December 1 immediately preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date. The Notes will be payable as to principal, premium and interest at the office or agency of the Issuers maintained for such purpose in the Borough of Manhattan, the City of New York, or, at the option of the Issuers, payment of interest and may be made by check mailed to the Holders at their respective addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest and premium, if any, on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Issuers or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. Until otherwise designated by the Issuers, the office or agency of the Issuers in the Borough of Manhattan, the City of New York will be the office of the Trustee maintained for such purpose.

(3) *PAYING AGENT AND REGISTRAR*. Initially, the corporate trust department of U.S. Bank National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuers may change any Paying Agent or Registrar without notice to any Holder. Cequel or any of its Subsidiaries may act in any such capacity.

(4) *INDENTURE*. The Issuers issued the Notes under an Indenture, dated as of September 9, 2014, among the Issuers and U.S. Bank National Association, as Trustee (the "*Indenture*"). The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) OPTIONAL REDEMPTION.

(a) At any time prior to June 15, 2016, the Issuers may on any one or more occasions redeem up to 40% of the aggregate principal amount of Notes issued under the Indenture, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 105.125% of the principal amount of the Notes redeemed, *plus* accrued and unpaid interest, if any, to the date of redemption (subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant Interest Payment Date), with the net cash proceeds of an Equity Offering by Cequel or a contribution to Cequel's common equity capital made with the net cash proceeds of a concurrent Equity Offering by a direct or indirect parent entity of Cequel; *provided* that:

(1) at least 60% of the aggregate principal amount of Notes originally issued under the Indenture (excluding Notes held by Cequel and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) At any time prior to June 15, 2016, the Issuers may on any one or more occasions redeem all or a part of the Notes issued under the Indenture, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed, *plus* the Applicable Premium as of, and accrued and unpaid interest, if any, to the date of redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant Interest Payment Date.

(c) Except pursuant to the preceding paragraphs, the Notes will not be redeemable at the Issuers' option prior to June 15, 2016

(d) On or after June 15, 2016, the Issuers may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, *plus* accrued and unpaid interest, if any, on the Notes redeemed, to the applicable date of redemption, if redeemed during the twelve-month period beginning on June 15 of the years indicated below, subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant Interest Payment Date:

Year	Percentage
2016	103.844%
2017	102.563%
2018	101.281%

2019 and thereafter	100.000%

Unless the Issuers default in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(6) REPURCHASE AT THE OPTION OF HOLDER.

(a) If there is a Change of Control Triggering Event, each Holder of Notes will have the right to require the Issuers to repurchase all or any part (equal to $2,000 or an integral multiple of $1,000 in excess thereof) of the Holder's Notes pursuant to an offer (a "*Change of Control Offer*") at an offer price in cash equal to 101% of the aggregate principal amount thereof *plus* accrued and unpaid interest, if any, thereon to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date. Within ten days following any Change of Control Triggering Event, the Issuers will mail a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(b) If Cequel or a Restricted Subsidiary of Cequel consummates any Asset Sale or Asset Swap, within five days of each date on which the aggregate amount of Excess Proceeds exceeds $50.0 million, the Issuers will make an Asset Sale Offer to all Holders of Notes and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in the Indenture with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets in accordance with the Indenture to purchase, prepay or redeem the maximum principal amount of Notes and such other *pari passu* Indebtedness (*plus* all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount, *plus* accrued and unpaid interest, if any, to the date of purchase, prepayment or redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant Interest Payment Date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, Cequel may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered in (or required to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee will select the Notes and such other *pari passu* Indebtedness to be purchased on a *pro rata* basis, based on the amounts tendered or required to be prepaid or redeemed. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero. Holders of Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Issuers and a notice setting forth the procedures governing the Asset Sale Offer as required by the Indenture prior to any

related purchase date and may elect to have such Notes purchased by completing the form entitled "*Option of Holder to Elect Purchase*" attached to the Notes.

(7) *NOTICE OF REDEMPTION*. Except as set forth under Section 3.08, notices of redemption will be mailed at least 30 days but not more than 60 days before the date the Notes are redeemed to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to the date the Notes are redeemed if the notice is issued in connection with a defeasance of the Notes or a satisfaction or discharge of the Indenture. Notes in denominations larger than $2,000 may be redeemed in part but only in whole multiples of $1,000, unless all of the Notes held by a Holder are to be redeemed.

(8) *DENOMINATIONS, TRANSFER, EXCHANGE.* The Notes are in registered form without coupons in denominations of $2,000 and integral multiples of $1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuers need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

(9) *PERSONS DEEMED OWNERS.* The registered Holder of a Note may be treated as the owner of such Note for all purposes. Only registered Holders have rights under the Indenture.

(10) *AMENDMENT, SUPPLEMENT AND WAIVER*. Subject to certain exceptions, the Indenture or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class, and any existing Default or Event of Default or compliance with any provision of the Indenture or the Notes may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class. Without the consent of any Holder of Notes, the Indenture or the Notes may be amended or supplemented to cure any ambiguity, defect or inconsistency, to provide for uncertificated Notes in addition to or in place of certificated Notes, to provide for the assumption of Cequel's obligations to Holders of Notes in case of a merger or consolidation or sale of substantially all of Cequel's assets, as applicable, to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights under the Indenture of any Holder, to conform the text of the Indenture or the Notes to any provision of the "Description of Notes" section of the Offering Circular, to the extent that such provision in that "Description of Notes" was intended to be a verbatim recitation of a provision of the Indenture or the Notes, which intent may be evidenced by an Officers' Certificate to that

effect, to secure the Notes or to provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture.

(11) *DEFAULTS AND REMEDIES*. Events of Default include: (i) default for 30 days in the payment when due of interest on the Notes; (ii) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Notes, (iii) failure by Cequel or any of its Restricted Subsidiaries for 60 days after notice to the Issuers by the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the other agreements in the Indenture or the Notes; (iv) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by Cequel or any of its Restricted Subsidiaries (or the payment of which is guaranteed by Cequel or any of its Restricted Subsidiaries), whether such Indebtedness or guarantee now exists, or is created after the Issue Date, if that default: (A) is caused by a failure to pay at final maturity (giving effect to any applicable grace periods and any extensions thereof) the stated principal of such Indebtedness, or (B) results in the acceleration of such Indebtedness prior to its Stated Maturity and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates $100.0 million or more; (vi) failure by Cequel or any of its Restricted Subsidiaries to pay final judgments entered by a court or courts of competent jurisdiction aggregating in excess of $100.0 million, which judgments are not paid, discharged or stayed, for a period of 60 days; (vii) Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) pursuant to or within the meaning of Bankruptcy Law: (A) commences a voluntary case, (B) consents to the entry of an order for relief against it in an involuntary case, (C) makes a general assignment for the benefit of its creditors, or (D) generally is not paying its debts as they become due; and (viii) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that: (A) is for relief against Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) in an involuntary case, or (B) appoints a custodian of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) or for all or substantially all of the property of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that,

taken together, would constitute a Significant Subsidiary), or (C) orders the liquidation of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary), and the order or decree remains unstayed and in effect for 60 consecutive days. In the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to Cequel, any Restricted Subsidiary of Cequel that is a Significant Subsidiary or any group of Restricted Subsidiaries of Cequel that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in

aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal, premium, if any, or interest, if any), if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of all the Holders, rescind an acceleration or waive an existing Default or Event of Default and its respective consequences under the Indenture except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest, if any, on, the Notes (including in connection with an offer to purchase). The Issuers are required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuers are required, upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(12) *TRUSTEE DEALINGS WITH CEQUEL*. The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may become a creditor of, or otherwise deal with Cequel or any of its Affiliates, with the same rights it would have if it were not the Trustee.

(13) *NO RECOURSE AGAINST OTHERS.* No director, officer, employee, incorporator or stockholder of the Issuers or any of its direct or indirect parent companies or any of their Subsidiaries, as such, will have any liability for any obligations of the Issuers under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

(14) *AUTHENTICATION*. This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(15) *ABBREVIATIONS.* Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(16) *CUSIP NUMBERS.* Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuers have caused CUSIP numbers to be printed on the Notes, and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of

redemption, and reliance may be placed only on the other identification numbers placed thereon.

(17) *GOVERNING LAW.* THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THE INDENTURE AND THIS NOTE WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

The Issuers will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:

(b) At any time prior to June 15, 2016, the Issuers may on any one or more occasions redeem all or a part of the Notes issued under the Indenture, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed, *plus* the Applicable Premium as of, and accrued and unpaid interest, if any, to the date of redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant Interest Payment Date.

(c) Except pursuant to the preceding paragraphs, the Notes will not be redeemable at the Issuers' option prior to June 15, 2016.

(d) On or after June 15, 2016, the Issuers may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days'

notice, at the redemption prices (expressed as percentages of principal amount) set forth below, *plus* accrued and unpaid interest, if any, on the Notes redeemed, to the applicable date of redemption, if redeemed during the twelve-month period beginning on June 15 of the years indicated below, subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant Interest Payment Date:

Year	Percentage
2016	103.844%
2017	102.563%
2018	101.281%
2019 and thereafter	100.000%

Unless the Issuers default in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(6) *REPURCHASE AT THE OPTION OF HOLDER.*

(a) If there is a Change of Control Triggering Event, each Holder of Notes will have the right to require the Issuers to repurchase all or any part (equal to $2,000 or an integral multiple of $1,000 in excess thereof) of the Holder's Notes pursuant to an offer (a "*Change of Control Offer*") at an offer price in cash equal to 101% of the aggregate principal amount thereof *plus* accrued and unpaid interest, if any, thereon to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date. Within ten days following any Change of Control Triggering Event, the Issuers will mail a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(b) If Cequel or a Restricted Subsidiary of Cequel consummates any Asset Sale or Asset Swap, within five days of each date on which the aggregate amount of Excess Proceeds exceeds $50.0 million, the Issuers will make an Asset Sale Offer to all Holders of Notes and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in the Indenture with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets in accordance with the Indenture to purchase, prepay or redeem the maximum principal amount of Notes and such other *pari passu* Indebtedness (*plus* all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount, *plus* accrued and unpaid interest, if any, to the date of purchase, prepayment or redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant Interest Payment Date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, Cequel may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered in (or required to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee will select the Notes and such other *pari passu* Indebtedness

to be purchased on a *pro rata* basis, based on the amounts tendered or required to be prepaid or redeemed. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero. Holders of Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Issuers and a notice setting forth the procedures governing the Asset Sale Offer as required by the Indenture prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled "*Option of Holder to Elect Purchase*" attached to the Notes.

(7) *NOTICE OF REDEMPTION.* Except as set forth under Section 3.08, notices of redemption will be mailed at least 30 days but not more than 60 days before the date the Notes are redeemed to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to the date the Notes are redeemed if the notice is issued in connection with a defeasance of the Notes or a satisfaction or discharge of the Indenture. Notes in denominations larger than $2,000 may be redeemed in part but only in whole multiples of $1,000, unless all of the Notes held by a Holder are to be redeemed.

(8) *DENOMINATIONS, TRANSFER, EXCHANGE.* The Notes are in registered form without coupons in denominations of $2,000 and integral multiples of $1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuers need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

This Regulation S Temporary Global Note is exchangeable in whole or in part for one or more Global Notes only (i) on or after the termination of the 40-day distribution compliance period (as defined in Regulation S) and (ii) upon presentation of certificates (accompanied by an Opinion of Counsel, if applicable) required by Article 2 of the Indenture. Upon exchange of this Regulation S Temporary Global Note for one or more Global Notes, the Trustee shall cancel this Regulation S Temporary Global Note.

(9) *PERSONS DEEMED OWNERS.* The registered Holder of a Note may be treated as the owner of such Note for all purposes. Only registered Holders have rights under the Indenture.

(10) *AMENDMENT, SUPPLEMENT AND WAIVER*. Subject to certain exceptions, the Indenture or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class, and any existing Default or Event of Default or compliance with any provision of the Indenture or the Notes may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class.

Without the consent of any Holder of Notes, the Indenture or the Notes may be amended or supplemented to cure any ambiguity, defect or inconsistency, to provide for uncertificated Notes in addition to or in place of certificated Notes, to provide for the assumption of Cequel's obligations to Holders of Notes in case of a merger or consolidation or sale of substantially all of Cequel's assets, as applicable, to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights under the Indenture of any Holder, to conform the text of the Indenture or the Notes to any provision of the "Description of Notes" section of the Offering Circular, to the extent that such provision in that "Description of Notes" was intended to be a verbatim recitation of a provision of the Indenture or the Notes, which intent may be evidenced by an Officers' Certificate to that effect, to secure the Notes or to provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture.

(11) *DEFAULTS AND REMEDIES*. Events of Default include: (i) default for 30 days in the payment when due of interest on the Notes; (ii) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Notes, (iii) failure by Cequel or any of its Restricted Subsidiaries for 60 days after notice to the Issuers by the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the other agreements in the Indenture or the Notes; (iv) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by Cequel or any of its Restricted Subsidiaries (or the payment of which is guaranteed by Cequel or any of its Restricted Subsidiaries), whether such Indebtedness or guarantee now exists, or is created after the Issue Date, if that default: (A) is caused by a failure to pay at final maturity (giving effect to any applicable grace periods and any extensions thereof) the stated principal of such Indebtedness, or (B) results in the acceleration of such Indebtedness prior to its Stated Maturity and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates $100.0 million or more; (vi) failure by Cequel or any of its Restricted Subsidiaries to pay final judgments entered by a court or courts of competent jurisdiction aggregating in excess of $100.0 million, which judgments are not paid, discharged or stayed, for a period of 60 days; (vii) Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) pursuant to or within the meaning of Bankruptcy Law: (A) commences a voluntary case, (B) consents to the entry of an order for relief against it in an involuntary case, (C) makes a general assignment for the benefit of its creditors, or (D) generally is not paying its debts as they become due; and (viii) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that: (A) is for relief against Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) in an involuntary case, or (B) appoints a custodian of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) or for all or substantially all of the property of Cequel or any of its Restricted

Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary), or (C) orders the liquidation of Cequel or any of its Restricted Subsidiaries that is a Significant Subsidiary (or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary), and the order or decree remains unstayed and in effect for 60 consecutive days. In the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to Cequel, any Restricted Subsidiary of Cequel that is a Significant Subsidiary or any group of Restricted Subsidiaries of Cequel that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal, premium, if any, or interest, if any), if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of all the Holders, rescind an acceleration or waive an existing Default or Event of Default and its respective consequences under the Indenture except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest, if any, on, the Notes (including in connection with an offer to purchase). The Issuers are required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuers are required, upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(12) *TRUSTEE DEALINGS WITH CEQUEL*. The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may become a creditor of, or otherwise deal with Cequel or any of its Affiliates, with the same rights it would have if it were not the Trustee.

(13) *NO RECOURSE AGAINST OTHERS*. No director, officer, employee, incorporator or stockholder of the Issuers or any of its direct or indirect parent companies or any of their Subsidiaries, as such, will have any liability for any obligations of the Issuers under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

(14) *AUTHENTICATION*. This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(15) *ABBREVIATIONS*. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(16) *CUSIP NUMBERS*. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuers have caused CUSIP numbers to be printed on the Notes, and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(17) *GOVERNING LAW*. THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THE INDENTURE AND THIS NOTE WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

The Issuers will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:

THE NOTES

Section 2.01 *Form and Dating*.

The Notes and the Trustee's certificate of authentication with respect thereto will be substantially in the form of Exhibit A hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage and as provided herein. The Issuer shall approve the form of the Notes and any notation, legend or endorsement thereon. Each Note will be dated the date of its authentication. The terms and provisions contained in the Notes will constitute, and are hereby expressly made, a part of this Indenture and the Initial Issuer or the Issuers, as the case may be, and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(a) Global Notes.

Notes issued in global form will be substantially in the form of Exhibit A hereto (including the Global Note Legend thereon and the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Each Global Note will represent such of the outstanding Notes as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions and purchases and cancellations. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby will be made by the Registrar, the Notes Custodian or DTC, at the direction of the Registrar, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

(b) Rule 144A Global Notes and Regulation S Global Notes.

Notes offered and sold in reliance on Regulation S shall be issued initially in the form of one or more Definitive Registered Notes or one or more Global Notes, each substantially in the form of Exhibit A hereto, with such applicable legends as are provided in Exhibit A hereto, except as otherwise permitted herein. Such Notes in the form of Global Notes (the "*Regulation S Global Notes*") shall be deposited on behalf of the purchasers of the Notes represented thereby with the Registrar (or Notes Custodian) as custodian for DTC, and registered in the name of Cede & Co., as nominee of DTC, for the accounts of DTC, duly executed by the Initial Issuer or the Issuers, as the case may be, and authenticated by the Trustee or the Authenticating Agent as hereinafter provided; *provided that*, during the 40-day "distribution compliance period" (as such term is defined in Rule 902 of Regulation S under the Securities Act), the Regulation S Global Notes will initially be credited within DTC for the accounts of Clearstream or Euroclear. After the 40-day distribution compliance period ends, investors may also hold their interests in the permanent Regulation S Global Note through organizations other than Clearstream or Euroclear that are DTC participants. The aggregate principal amount of the Regulation S Global Notes may from time to time be increased or decreased by adjustments made by the Registrar on

Schedule A to the Regulation S Global Notes and recorded in the register maintained by the Registrar, as hereinafter provided.

Notes offered and sold to QIBs in reliance on Rule 144A shall be issued initially in the form of one or more Definitive Registered Notes or one or more Global Notes, each substantially in the form of Exhibit A hereto, with such applicable legends as are provided in Exhibit A, except as otherwise permitted herein. Such Notes in the form of Global Notes (the "*Rule 144A Global Notes*") shall be deposited on behalf of the purchasers of the Notes represented thereby with the Registrar (or Notes Custodian) as custodian for DTC, and registered in the name of Cede & Co., as nominee of DTC, for the accounts of DTC, duly executed by the Initial Issuer or the Issuers, as the case may be, and authenticated by the Trustee or the Authenticating Agent as hereinafter provided. The aggregate principal amount of the Rule 144A Global Notes may from time to time be increased or decreased by adjustments made by the Registrar on Schedule A to the Rule 144A Global Notes and recorded in the register maintained by the Registrar, as hereinafter provided.

(c) Definitive Registered Notes.

Definitive Registered Notes shall be issued in accordance with this Indenture. Notes issued in definitive registered form will be substantially in the forms of Exhibit A hereto (excluding the Global Note Legend thereon and without the "Schedule of Exchanges of Interests in the Global Note" in the form of Schedule A attached thereto).

(d) Book-Entry Provisions.

The Applicable Procedures shall be applicable to Book-Entry Interests in the Global Notes that are held by Participants through DTC.

(e) Denomination.

The Notes shall be in minimum denominations of $200,000 and in integral multiples of $1,000 in excess thereof.

Section 2.02 *Execution and Authentication*.

At least one Officer must execute the Notes on behalf of the Initial Issuer or the Issuers, as the case may be, by manual, facsimile, or electronic (in ".pdf" format) signature. If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note will nevertheless be valid.

A Note will not be valid until authenticated by the manual signature of the authorized signatory of the Trustee or its Authenticating Agent. The signature will be conclusive evidence that the Note has been authenticated under this Indenture. Notwithstanding the foregoing, if any Note shall have been authenticated and delivered hereunder but never issued and sold by the Initial Issuer or the Issuers, as the case may be, shall deliver such Note to the Trustee for cancellation pursuant to Section 2.11 hereof.

The Trustee or the Authenticating Agent will, upon receipt of a written order of the Initial Issuer or the Issuers, as the case may be, signed by an authorized representative (an "*Authentication Order*"), authenticate the Notes for original issue that may be validly issued under this Indenture, including any Additional Notes. The aggregate principal amount of Notes outstanding at any time may not exceed the aggregate principal amount of Notes authorized for issuance by the Initial Issuer or the Issuers, as the case may be, pursuant to one or more Authentication Orders, except as provided in Section 2.07 hereof.

The Trustee may appoint one or more authentication agents (each, an "*Authenticating Agent*") to authenticate Notes. Such an agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An Authenticating Agent has the same rights as an Agent to deal with Holders or an Affiliate of the Issuer. The Trustee hereby appoints Deutsche Bank Trust Company Americas as its Authenticating Agent in respect of the Notes. Deutsche Bank Trust Company Americas accepts such appointment, and the Issuer hereby confirms these appointments.

Section 2.03 *Registrar and Paying Agent.*

(a) The Issuer shall maintain an office or agency where Notes may be presented for registration (the *"Registrar"*) in New York, New York and where Notes may be presented for payment (the "*Paying Agent*"). The Registrar shall keep a register reflecting ownership of the Notes outstanding from time to time and of their transfer and exchange. In addition, the Issuer shall maintain an office or agency in New York, New York where Notes may be presented for transfer or exchange (the "*Transfer Agent*"). The Issuer may have one or more co-registrars and one or more additional transfer and paying agents. The terms "*Paying Agent*" and "*Transfer Agent*" include the Paying Agent, the Transfer Agent and any additional paying agent or transfer agent, as applicable, and the term "*Registrar*" includes any co-registrars. The Issuer initially appoints Deutsche Bank Trust Company Americas, in New York, who accepts such appointment, as Paying Agent. The Issuer initially appoints Deutsche Bank Trust Company Americas, in respect of the Notes, who accepts such appointment, as a Transfer Agent. The Issuer initially appoints Deutsche Bank Trust Company Americas, in respect of the Notes, who accepts such appointment, as Registrar. The Registrar shall provide a copy of the register and any update thereof to the Issuer upon request.

(b) The Issuer shall enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture. Such agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee of the name and address of any such agent. If the Issuer fails to maintain a Registrar or Paying Agent, the Trustee may act, or may arrange for appropriate parties to act, as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Issuer or any Restricted Subsidiary may act as Paying Agent or Registrar in respect of the Notes.

(c) The Issuer may change any Registrar, Paying Agent or Transfer Agent upon written notice to such Registrar, Paying Agent or Transfer Agent and to the Trustee, without prior notice to the Holders; *provided*, *however*, that no such removal shall become effective until (i) acceptance of an appointment by a successor as evidenced by an appropriate agreement entered into by the Issuer and such successor Registrar, Paying Agent, or Transfer Agent, as the

case may be, and delivered to the Trustee or (ii) notification to the Trustee that the Trustee shall, to the extent that it determines that it is able, serve as Registrar or Paying Agent or Transfer Agent until the appointment of a successor in accordance with clause (i) above. The Registrar, Paying Agent or the Transfer Agent may resign by providing 30 days' written notice to the Issuer and the Trustee.

If any Notes are listed on an exchange and the rules of such exchange so require, the Issuer will satisfy any requirement of such exchange as to Paying Agents, Registrars and Transfer Agents and will comply with any notice requirements required under such exchange in connection with any change of Paying Agent, Registrar or Transfer Agent.

Section 2.04 *Paying Agent not a party to this Indenture to Hold Money.*

No later than 10:00 a.m. New York time on the Business Day that is the due date of the principal of, interest and premium (if any) on any Note, the Issuer shall deposit with the Paying Agent (or if the Issuer or a Restricted Subsidiary of the Issuer is acting as Paying Agent, segregate and hold in trust for the benefit of, or to the extent the concept of trust is not recognized in the relevant jurisdiction, hold on behalf of and for the benefit of, the Persons entitled thereto) a sum sufficient to pay such principal, interest and premium (if any) when so becoming due and, subject to receipt of such monies, the Paying Agent shall make payment on the Notes in accordance with this Indenture. The Issuer shall require each Paying Agent that is not a party to this Indenture to agree in writing (and any Paying Agent party to this Indenture agrees) that such Paying Agent shall hold for the benefit of the Trustee all money held by the Paying Agent for the payment of principal of, interest and premium (if any) on the Notes and shall notify the Trustee of any default by the Issuer (or any other obligor on the Notes) in making such payment. The Issuer shall, no later than 10:00 a.m. New York time the Business Day prior to the date on which such payment is due, send to the Paying Agent an irrevocable payment instruction. If the Issuer or a Restricted Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon complying with this Section 2.04, the Paying Agent shall have no further liability for the money delivered to the Trustee. For the avoidance of doubt, the Paying Agent and the Trustee shall be held harmless and have no liability or obligation with respect to

payments or disbursements to be made by the Paying Agent and Trustee (i) for which payment instructions are not made or that are not otherwise deposited by the respective times set forth in this Section 2.04, and (ii) until they have confirmed receipt of funds sufficient to make the relevant payment.

In the event that the funds received by the Paying Agent pursuant to Section 1.6(c) of the Notes Escrow Agreement or otherwise to be applied in accordance with Section 2.04 hereof exceeds the amount necessary to satisfy all of the Issuer's obligations pursuant to the Notes and this Indenture, upon request by the Issuer, the Paying Agent shall promptly furnish the Issuer with such excess amount.

Section 2.05 *Holder Lists*.

The Registrar shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. Following the exchange of beneficial interests in Global Notes for Definitive Registered Notes, the Issuer shall furnish, or cause the Registrar to furnish, to the Trustee, in writing at least five Business Days before each interest payment date, and at such other times as the Trustee may reasonably require, the names and addresses of Holders of such Definitive Registered Notes.

(2) No service charge will be made by the Issuer or the Registrar to a Holder of a Book-Entry Interest in a Global Note, a Holder of a Global Note or a Holder of a Definitive Registered Note for any registration of transfer or exchange, but the Initial Issuer or Issuers, as the case may be, may require payment of a sum sufficient to cover any stamp duty, stamp duty reserve, documentary or other similar tax or governmental charge that may be imposed in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 4.03, 4.08 and 9.04 hereof).

(3) No Transfer Agent or Registrar will be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Registered Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Registered Notes will be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Registered Notes surrendered upon such registration of transfer or exchange.

(5) Except as may be separately agreed by the Initial Issuer or the Issuers, as the case may be, the Initial Issuer or the Issuers, as the case may be, shall not be required to register the transfer into its register kept at its registered office of any Definitive Registered Notes: (A) for a period of 15 calendar days prior to any date fixed for the redemption of the Notes under Section 3.03 hereof; (B) for a period of 15 calendar days immediately prior to the date fixed for selection of Notes to be redeemed in part; (C) for a period of 15 calendar days prior to the record date with respect to any interest payment date; or (D) which the Holder has tendered (and not withdrawn) for repurchase in

(7) All certifications, certificates and Opinions of Counsel required to be submitted to the Issuer, the Trustee or the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted initially by facsimile with originals to be delivered promptly thereafter to the Trustee.

Section 2.07 *Replacement Notes*.

If a mutilated Note is surrendered to the Registrar or if the Holder claims that the Note has been lost, destroyed or wrongfully taken, the Initial Issuer or the Issuers, as the case may be, shall issue and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met, such that the Holder (a) notifies the Issuer or the Trustee within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Issuer or the Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a "*protected purchaser*") and (c) satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Initial Issuer or the Issuers, as the case may be, such Holder shall furnish an indemnity bond sufficient in the judgment of the Trustee and the Initial Issuer or the Issuers, as the case may be, to protect the Initial Issuer or the Issuers, as the case may be, the Trustee, the Authenticating Agent, Paying Agent and the Registrar from any loss that any of them may suffer if a Note is replaced. The Initial Issuer or the Issuers, as the case may be, and the Trustee may charge the Holder for their expenses in replacing a Note including, but not limited to, reasonable fees and expenses of counsel and any tax that may be imposed with respect to the replacement of such Note. In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuer in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note is an additional obligation of the Initial Issuer or the Issuers, as the case may be.

The provisions of this Section 2.07 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Notes.

Section 2.08 *Outstanding Notes*.

Notes outstanding at any time are all Notes authenticated by the Trustee or the Authenticating Agent except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding. Subject to Section 12.04, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note. If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the replaced Note is held by a protected purchaser (as defined in Section 8-303 of the Uniform Commercial Code).

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent receives (or if the Issuer or a Subsidiary of the Issuer is acting as Paying Agent and such Paying Agent segregates and holds in trust) in accordance with this Indenture, no later than 10:00 a.m. New York time on the Business Day that is a redemption date or maturity date, money sufficient to pay all principal and interest and premium, if any, payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and the Paying Agent is not prohibited from paying such amount to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

Section 2.09 *Treasury Notes*.

(a) The Issuer shall promptly notify the Trustee of any Notes owned by the Issuer or any Affiliate of the Issuer. In determining whether the Holders of the

required principal amount of Notes have concurred in any direction, waiver or consent, or any amendment, modification or other change to this Indenture, Notes owned by the Issuer, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Issuer, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned will be so disregarded.

(b) Notwithstanding any provision to the contrary in this Indenture (including Section 2.09(a) hereof), in determining whether the Holders of at least 90% of the aggregate principal amount of the then outstanding Notes have validly tendered and not withdrawn Notes in a Change of Control Offer, Notes owned by funds controlled or managed by any direct or indirect shareholder of the Issuer, or any successor thereof, shall be deemed to be outstanding for the purposes of any change of control redemption pursuant to Section 3.11 hereof.

Section 2.10 *Temporary Notes*.

In the event that Definitive Registered Notes are to be issued under the terms of this Indenture, until such Definitive Registered Notes are ready for delivery, the Initial Issuer or the Issuers, as the case may be, may prepare and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Registered Notes but may have variations that the Initial Issuer or the Issuers, as the case may be, considers appropriate for temporary Notes.

Without unreasonable delay, the Initial Issuer or the Issuers, as the case may be, shall prepare and the Trustee or the Authenticating Agent, upon receipt of an Authentication Order, shall authenticate Definitive Registered Notes and deliver them in exchange for temporary Notes upon surrender of such temporary Notes at the office or agency of the Issuer, without charge to the Holder.

Section 2.11 *Cancellation*.

The Initial Issuer or the Issuers, as the case may be, at any time may deliver Notes to the Registrar for cancellation. The Trustee and the Paying Agent shall forward to the Registrar any Notes surrendered to them for registration of transfer, exchange or payment. The Registrar (or an agent authorized by the Registrar) and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of canceled Notes in accordance with its customary procedures or deliver canceled Notes to the Initial Issuer or the Issuers, as the case may be, pursuant to written direction by an Officer of the Initial Issuer or the Issuers, as the case may be. Upon request of the Issuer, certification of the destruction of all canceled Notes shall be delivered to the Initial Issuer or the Issuers, as the case may be. The Initial Issuer or the Issuers, as the case may be, may not issue new Notes to replace Notes it has redeemed or delivered to the Registrar for cancellation. If the Initial Issuer or the Issuers, as the case may be, shall acquire any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes, unless and until the same are surrendered to the Registrar for cancellation pursuant to this Section 2.11. Neither the Trustee nor the Authenticating Agent shall authenticate Notes in place of canceled Notes other than pursuant to the terms of this Indenture.

Section 2.12 *Defaulted Interest*.

If the Issuers default in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuers will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuers will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuers (or, upon the written request of the Issuer, the Trustee in the name and at the expense of the Issuers) will mail or cause to be mailed to the Holders in accordance with Section 12.01 hereof a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 *Further Issues*

(a) Subject to compliance with Section 4.04 hereof, the Initial Issuer or the Issuers, as the case may be, may from time to time issue Additional Notes ranking *pari passu* with the Initial Notes and with the same terms as to status, redemption and otherwise as such Notes (save for payment of interest accruing prior to the issue date of such Additional Notes or for the first payment of interest following the issue date of such Additional Notes). Any Additional Notes,

the Initial Notes and any previously issued Additional Notes will be consolidated and treated as a single class for all purposes under this Indenture, including, without limitation, waivers, amendments, redemptions, and offers to purchase except as otherwise specified with respect to each series of Notes.

(b) Whenever it is proposed to create and issue any Additional Notes, the Initial Issuer or the Issuers, as the case may be, shall give to the Trustee not less than three Business Days' notice in writing of its intention to do so, stating the amount of Additional Notes proposed to be created and issued.

Section 2.14 *Common Codes, ISIN and CUSIP Numbers*.

The Initial Issuer or the Issuers, as the case may be, in issuing the Notes may use Common Codes, ISIN and CUSIP numbers (if then generally in use) and, if so, the Initial Issuer or the Issuers, as the case may be, shall use Common Codes, ISIN and CUSIP numbers in notices of redemption as a convenience to Holders; *provided*, *however*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers; *provided*, *further*, that if any Additional Notes are not fungible with the Notes, such Additional Notes shall have a different ISIN and/or Common Code number (or other applicable identifying number). The Issuer will promptly notify the Trustee and the Paying Agent of any change in the Common Code, ISIN or CUSIP numbers.

Section 2.15 *Currency Indemnity*.

The sole currency of account and payment for all sums payable by the Initial Issuer or the Issuers, as the case may be, under or in connection with the Notes is dollars, including damages. Any amount received or recovered in a currency other than dollars, whether as a result of, or the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Initial Issuer or the Issuers, as the case may be, or otherwise by any Holder or by the Trustee, in respect of any sum expressed to be due to it from the Initial Issuer or the Issuers, as the case may be, will only constitute a discharge to the Initial Issuer or the Issuers, as the case may be, to the extent of the dollars amount which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

If that dollar amount is less than the dollar amount expressed to be due to the recipient or the Trustee under any Note, the Initial Issuer or the Issuers, as the case may be, will indemnify them against any loss sustained by such recipient or the Trustee as a result. In any event, the Initial Issuer or the Issuers, as the case may be, will indemnify

the recipient or the Trustee on a joint or several basis against the cost of making any such purchase. For the purposes of this currency indemnity provision, it will be *prima facie* evidence of the matter stated therein for the Holder or the Trustee to certify in a manner reasonably satisfactory to the Initial Issuer or the Issuers, as the case may be, (indicating the sources of information used) the loss it Incurred in making any such purchase. These indemnities constitute a separate and independent obligation

from the Initial Issuer's or the Issuers', as the case may be, other obligations, will give rise to a separate and independent cause of action, will apply irrespective of any waiver granted by any Holder or the Trustee (other than a waiver of the indemnities set out herein) and will continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or to the Trustee.

Section 2.16 *Deposit of Moneys*

No later than 10:00 a.m. (New York time) on the Business Day that is an interest payment date, the maturity date of the Notes and each payment date relating to an Asset Disposition Offer or a Change of Control Offer, and on the Business Day immediately following any acceleration of the Notes pursuant to Section 6.02 hereof, the Issuers shall deposit with the Paying Agent, in immediately available funds, money in dollars sufficient to make cash payments, if any, due on such day or date, as the case may be. Subject to actual receipt of such funds as provided by this Section 2.16 by the designated Paying Agent, such Paying Agent shall remit such payment in a timely manner to the Holders on such day or date, as the case may be, to the Persons and in the manner set forth in paragraph 2 of the Notes; *provided*, *however*, that no Paying Agent shall be obliged to make a payment until it has received funds sufficient to make such payment. The Issuers shall promptly notify the Trustee and the Paying Agent of its failure to so act.

Section 2.17 *Agents*

(a) The rights, powers, duties and obligations and actions of each Agent under this Indenture are several and not joint or joint and several, and the Agents shall only be obliged to perform those duties expressly set out in this Indenture and shall have no implied duties.

(b) The Initial Issuer or the Issuers, as the case may be, and the Agents acknowledge and agree that in the event of a Default or Event of Default, the Trustee may, by notice in writing to the Initial Issuer or the Issuers, as the case may be, and the Agents, require that the Agents act as agents of, and take instructions exclusively from, the Trustee. Until they have received such written notice from the Trustee, the Agents shall act solely as agents of the Initial Issuer or the Issuers, as the case may be, and need have no concern for the interests of the Holders.

(c) The Agents shall hold all funds as banker subject to the terms of this Indenture and as a result, such money shall not be held in accordance with the rules established by the Financial Conduct Authority in the Financial Conduct Authority's Handbook of rules and guidance from time to time in relation to client money.

ARTICLE 3
REDEMPTION

Section 3.01 *Notices to Trustee.*

If the Issuers elect to redeem Notes pursuant to Section 3.07 hereof, it shall notify the Trustee and the Paying Agent of the redemption date and the principal amount of Notes to be redeemed and the section of the Note pursuant to which the redemption will occur.

Unless otherwise specified, the Issuers shall give each notice in writing to the Trustee and the Paying Agent in writing provided for in this Article 3 at least 10 days, but not more than 60 days, before the redemption date unless the Trustee or the Paying Agent (as the case may be) consents to a shorter period in its sole discretion. In the case of a redemption pursuant to Section 3.07 hereof, prior to the publication or, where relevant, mailing of any notice of redemption of the Notes pursuant to Section 3.03, the Issuers will deliver such notice along with an Officer's Certificate from the Issuers to the effect that such redemption will comply with the conditions herein. The Trustee will accept and shall be entitled to rely conclusively and without further inquiry on such Officer's Certificate and opinion of counsel as sufficient evidence of the existence and satisfaction of the conditions precedent as described in Sections 3.07 hereof, as the case may be, in which event it will be conclusive and binding on the Holders.

Section 3.02 *Selection of Notes To Be Redeemed or Repurchased.*

If less than all of the Notes are to be redeemed at any time, the Notes for redemption will be selected in accordance with the procedures of DTC, or if DTC prescribes no method of selection, then the Initial Issuer or the Issuers, as the case may be, will instruct the Trustee or the Registrar to select the Notes for redemption in compliance with the requirements of the principal securities exchange, if any, on which the Notes are listed, as certified to the Trustee or the Registrar or if the Notes are not so listed or such exchange prescribes no method of selection, then based on a method that most nearly approximates a *pro rata* selection or by lot; *provided*, *however*, that no Note of $200,000 in aggregate principal amount or less shall be redeemed in part and only Notes in integral multiples of $1,000 will be redeemed. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee shall notify the Issuer promptly of the Notes or portions of Notes to be redeemed. Neither the Trustee nor the Registrar will be liable for any selections made in accordance with this Section 3.02.

Section 3.03 *Notice of Redemption.*

(a) Other than as provided in Section 3.03(b), not less than 10 days but not more than 60 days before a date for redemption of Notes, the Issuers shall transmit a notice of redemption in accordance with Section 12.01 hereof. If such Notes are in global form, notice of redemption will be delivered to DTC for communication to the entitled account holders.

The notice shall identify the Notes to be redeemed and shall state:

(1) the redemption date and the record date;

(2) the redemption price, and, if applicable, the appropriate calculation of such redemption price and the amount of accrued interest to the redemption date;

(3) the name and address of the Paying Agent;

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is delivered, Notes called for redemption cease to accrue interest, and become due and payable, on the redemption date and at the redemption price stated in the notice, *provided*, *however*, that any redemption notice given in respect of the redemption referred to in Section 3.07 hereof may, at the Issuers' discretion, be subject to the satisfaction of one or more conditions precedent to the extent permitted under Section 3.07. Upon surrender to the Paying Agent, the Notes shall be paid at the redemption price stated in the notice, plus accrued interest, if any, to, but not including, the redemption date; *provided*, *however*, that if the redemption date is after a regular record date and on or prior to the interest payment date, the accrued interest shall be payable to the Holder of the redeemed Notes registered on the relevant record date. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

Section 3.05 *Deposit of Redemption Price.*

redemption price of and accrued interest on all Notes or portions thereof to be redeemed on that date other than Notes or portions of Notes called for redemption that have been delivered by the Issuers to the Registrar for cancellation. On and after the redemption date, interest shall cease to accrue on Notes or portions thereof called for redemption so long as the Issuers have deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest, if any, on, the Notes to be redeemed, unless the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture. For the avoidance of doubt, the Paying Agent and the Trustee shall be held harmless and have no liability or obligation with respect to payments or disbursements to be made by the Paying Agent and Trustee (i) for which payment instructions are not made or that are not otherwise deposited by the respective times set forth in this Section 3.05 and (ii) until they have confirmed receipt of funds sufficient to make the relevant payment.

Section 3.06 *Notes Redeemed in Part.*

Subject to the terms hereof, upon surrender of a Note that is redeemed in part, (i) in the case of a Definitive Registered Note, a new Definitive Registered Note in principal amount equal to the unredeemed portion of any Definitive Registered Note redeemed in part will be issued in the name of the Holder thereof upon cancellation of the original Definitive Registered Note and (ii) in the case of a Global Note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof.

Section 3.07 *Optional Redemption.*

2021	102.583%
2022	101.292%

Unless the Issuers default in the payment of the redemption price, interest will cease to accrue on the Notes or the portion thereof called for redemption on the applicable redemption date. Any such redemption and notice may, in the Issuers' discretion, be subject to the satisfaction of one or more conditions precedent.

(b) Prior to July 15, 2018, the Issuers may on any one or more occasions redeem up to 40% of the original principal amount of the Notes (including, in each case, the principal amount of any Additional Notes denominated in such currencies), upon not less than 10 nor more

(1) at least 60% of the original principal amount of the Notes (including the principal amount of any Additional Notes) remains outstanding after each

such redemption; and

(2) the redemption occurs within 180 days after the closing of such Equity Offering.

Any redemption notice given in respect of the redemption of the Notes (including upon an Equity Offering or in connection with a transaction (or series of related transactions) or an event that constitutes a Change of Control) may, at the Issuers' discretion, be subject to the satisfaction of one or more conditions precedent, including, but not limited to, the completion or occurrence of such transaction or event, as the case may be. In addition, if such redemption or purchase is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Issuers' discretion, the redemption date may be delayed until such time (including more than 60 days after the date the notice of redemption was mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied or waived, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or waived by the redemption date, or by the redemption date as so delayed, or such notice may be rescinded at any time in the Issuers' discretion if in the good faith judgment of the Issuers any or all of such conditions will not be satisfied. In addition, the Issuers may provide in such notice that payment of the redemption price and performance of the Issuers' obligations with respect to such redemption may be performed by another Person. In no event shall the Trustee be responsible for monitoring, or charged with knowledge of, the maximum aggregate amount of the Notes eligible under this Indenture to be redeemed.

(c) Prior to July 15, 2020, the Issuers may redeem all or, from time to time, a part of the Notes upon not less than 10 nor more than 60 days' notice at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium and accrued and unpaid interest to, but not including, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date). Any such redemption and notice may, at the Issuers' discretion, be subject to the satisfaction of one or more conditions precedent.

(d) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through Section 3.06 hereof.

(b) Notice of the Special Mandatory Redemption will be delivered by the Initial Issuer, no later than one Business Day following the Special Termination Date, to the Trustee and the Escrow Agent, and will provide that the Notes shall be redeemed on a date that is no later than the fifth Business Day after such notice is given by the Initial Issuer in accordance with the terms of the Notes Escrow Agreement (any such date, a "*Special Mandatory Redemption Date*").

(c) In the event the Initial Issuer has not delivered the notice to Holders of the Special Mandatory Redemption in accordance with Section 3.10(b) hereof, the Trustee, upon the Initial Issuer's request, shall deliver such notice on the second Business Day following the Special Termination Date to the Escrow Agent and the Holders in the Initial Issuer's name and at the Initial Issuer's expense. COVENANTS

Section 4.01 *Payment of Notes.*

The Initial Issuer or the Issuers, as the case may be, shall promptly pay the principal of and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal and interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

Section 4.02 *[Reserved]*.

Section 4.03 *Change of Control.*

(a) If a Change of Control occurs, subject to the terms of this Section 4.03, each Holder will have the right to require the Issuers to repurchase all or any part (equal to $200,000 or an integral multiple of $1,000 in excess thereof) of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided*, *however*, that the Issuers shall not be obliged to repurchase Notes as described under this Section 4.03 in the event and to the extent that it has unconditionally exercised its right to redeem all of the Notes pursuant to Section 3.07 hereof or all conditions to such redemption have been satisfied or waived. No such purchase in part shall reduce the principal amount at maturity of the Notes held by any holder to below $200,000.

(b) Unless the Issuers has unconditionally exercised its right to redeem all the Notes pursuant to Section 3.07 hereof or all conditions to such redemption have been satisfied or waived, no later than the date that is 60 days after any Change of Control or, at the Issuers' option, at any time prior to a Change of Control following the public announcement thereof or if a definitive agreement is in place for the Change of Control, the Issuers will send a notice (the "*Change of Control Offer*") to each Holder of any such Notes by mail or otherwise in accordance with the procedures set forth in this Indenture, with a copy to the Trustee:

(1) stating that a Change of Control has occurred or may occur and that such Holder has the right to require the Issuers to purchase all or any part of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of such Notes plus accrued and unpaid interest to but not including, the date of purchase (subject to the right of Holders of record on a record date to receive interest on the relevant interest payment date) (the "*Change of Control Payment*");

(2) stating the repurchase date (which shall be no earlier than 10 days nor later than 60 days from the date such notice is mailed) (the "*Change of Control Payment Date*") and the record date;

(3) stating that any Note accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Payment Date unless the Change of Control Payment is not paid, and that any Notes or part thereof not tendered will continue to accrue interest;

(4) describing the circumstances and relevant facts regarding the transaction or transactions that constitute the Change of Control;

(5) describing the procedures determined by the Issuers, consistent with this Indenture, that a Holder must follow in order to have its Notes repurchased;

(6) if such notice is mailed prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and

(7) certain other procedures that a holder of Notes must follow to accept a Change of Control Offer or to withdraw such acceptance.

(c) The Issuers shall cause to be published the notice described above in a leading newspaper having a general circulation in London (which is expected to be the *Financial Times*) or through the newswire service of Bloomberg (or if Bloomberg does not then operate, any similar agency). In addition, if any Notes are listed on an exchange, and the rules of the exchange so require, the Issuers will notify the exchange of the results of any Change of Control Offer.

(d) On the Change of Control Payment Date, if the Change of Control shall have occurred, the Issuers will, to the extent lawful:

(1) accept for payment all Notes or portion thereof properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes so tendered;

(3) deliver or cause to be delivered to the Trustee an Officer's Certificate stating the aggregate principal amount of Notes or portions of the Notes being purchased by the Issuers in the Change of Control Offer;

(4) in the case of Global Notes, deliver, or cause to be delivered, to the Paying Agent the applicable Global Notes in order to reflect thereon the portion of such Notes or portions thereof that have been tendered to and purchased by the Issuers; and

(5) in the case of Definitive Registered Notes, deliver, or cause to be delivered, to the Registrar for cancellation all Definitive Registered Notes accepted for purchase by the Issuers.

If any Definitive Registered Notes have been issued, the Paying Agents, at the Issuers' expense, will promptly mail to each Holder of Definitive Registered Notes so tendered the Change of Control Payment for such Notes, and the Trustee will promptly instruct its Authenticating Agent to authenticate and, at the Issuers' expense, mail (or cause to be transferred by book-entry) to each Holder of Definitive Registered Notes a new Definitive Registered Note equal in principal amount to the unpurchased portion of the Notes surrendered, if any; *provided* that each such new Note will be in a principal amount that is at least $200,000 and integral multiples of $1,000 in excess thereof.

(e) This Section 4.03 will be applicable whether or not any other provisions of this Indenture are applicable.

(f) The Issuers will not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuers and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

(g) Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer. The Issuers will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 4.03. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Indenture, the Issuers will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of this Indenture by virtue of the conflict.

Section 4.04 *Limitation on Indebtedness.*

(d) [Reserved].

(e) [Reserved].

(f) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this Section 4.04:

(1) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in Section 4.04(a) and Section 4.04(b) hereof, the Issuer, in its sole discretion, will classify, and may from time to time reclassify, such item of Indebtedness and only be required to include the amount and type of such Indebtedness in one of the clauses of Section 4.04(a) or Section 4.04(b) hereof; *provided* that Indebtedness Incurred on the Completion Date under Section 4.04(b)(1) cannot be reclassified;

(2) all Indebtedness outstanding on the Completion Date under the Existing Credit Facility or Incurred under the New Credit Facility shall be deemed Incurred on the Completion Date under Section 4.04(b)(1) and not under Section 4.04(a) or Section 4.04(b)(4)(b) hereof;

(3) Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(4) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are Incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to Section 4.04(b)(1), Section 4.04(b)(8), Section 4.04(b)(14) or Section 4.04(b)(16) or Section 4.04(a) hereof and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;

(5) the principal amount of any Disqualified Stock of the Issuer or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(6) Indebtedness permitted by this Section 4.04 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part

by one such provision and in part by one or more other provisions of this covenant permitting such Indebtedness; and

(7) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined on the basis of GAAP.

(g) Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.04. The amount of any Indebtedness outstanding as of any date shall be (a) the accreted value thereof in the case of any Indebtedness issued with original issue discount and (b) the principal amount, or liquidation preference thereof, in the case of any other Indebtedness.

(h) If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 4.04, the Issuer shall be in Default of this Section 4.04).

(i) For purposes of determining compliance with any dollar-denominated restriction on the Incurrence of Indebtedness, the Dollar Equivalent of the principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term Indebtedness, or at the option of the Issuer, on the date first committed, in the case of Indebtedness Incurred under a revolving credit facility; *provided* that (a) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than dollars, and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced; (b) the Dollar Equivalent of the principal amount of any such Indebtedness outstanding on the Completion Date shall be calculated based on the relevant currency exchange rate in effect on the Completion Date; and (c) if any such Indebtedness that is denominated in a currency other than dollars is subject to a Currency Agreement with respect to the currency in which such Indebtedness is denominated covering principal amount and interest payable on such Indebtedness, the amount of such Indebtedness, will be the Dollar Equivalent of the principal payment required to be made under such Currency Agreement plus the Dollar Equivalent of any premium which is at such time due and payable but is not covered by such Currency Agreement.

(j) For purposes of determining compliance with the Consolidated Net Leverage Ratio or the Priority Indebtedness Ratio on the Incurrence of Indebtedness, the Dollar Equivalent of the principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term Indebtedness, or at the option of the Issuer, the date first committed,

in the case of Indebtedness Incurred under a revolving credit facility;*provided* that (a) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than dollars, and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced; and (b) the Dollar Equivalent of the principal amount of any such Indebtedness outstanding on the Completion Date shall be calculated based on the relevant currency exchange rate in effect on the Completion Date.

In addition, for purposes of calculating the Consolidated Net Leverage Ratio or the Priority Indebtedness Ratio to test compliance with any covenant in this Indenture, in determining the amount of Indebtedness outstanding in dollars on any date of determination, with respect to any Indebtedness denominated in a currency other than dollars (the "*Foreign Currency*"):

(1) subject to a currency swap arrangement or contract, the aggregate principal amount of such Foreign Currency Indebtedness on any such date of determination shall be the dollar amount of the aggregate principal amount to be paid by the Issuer or a Restricted Subsidiary on the maturity date of such currency swap arrangement or contract pursuant to the terms thereof; or

(2) subject to a currency forward arrangement, forward accretion curve or contract, the aggregate principal amount of such Foreign Currency Indebtedness shall be converted into dollars at the exchange rate specified under the terms of such currency forward arrangement, forward accretion curve or contract as applicable to such Foreign Currency Indebtedness on such date of determination.

For the avoidance of doubt, notwithstanding a Group member entering into any such arrangement or contract hedging foreign exchange exposure of any Foreign Currency Indebtedness, for the purposes of calculating the Consolidated Net Leverage Ratio or the Priority Indebtedness Ratio, the aggregate principal amount of Indebtedness subject to any such arrangement or contract shall be attributed to the total Indebtedness of the Person that originally Incurred such Indebtedness.

Notwithstanding any other provision of this Section 4.04, the maximum amount of Indebtedness that the Issuer or a Restricted Subsidiary may Incur pursuant to this covenant shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies.

The Issuers will not incur any Indebtedness (including any Indebtedness permitted to be Incurred pursuant to Section 4.04(b)) that is contractually subordinated in right of payment to any other Indebtedness of the Issuers unless such Indebtedness is also contractually subordinated in right of payment to the Notes on substantially identical terms (as determined in good faith by the relevant Issuer); *provided*, *however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Issuers solely by virtue of being unsecured, by virtue of being secured with different collateral, by virtue of being secured

on a junior priority basis or by virtue of the application of waterfall or other payment-ordering provisions affecting different tranches of Indebtedness under Credit Facilities.

Section 4.05 *Limitation on Restricted Payments*.

(1) within 365 days from the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash (i) to prepay, repay, purchase or redeem any Indebtedness incurred under Section 4.04(b)(1); *provided*, *however*, that, in connection with any prepayment, repayment or purchase of Indebtedness pursuant to this Section 4.08(c)(1), the Issuer or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment (if any) (except in the case of any revolving Indebtedness) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid, purchased or redeemed; (ii) unless included in this Section 4.08(c)(1), to prepay, repay, purchase or redeem any Pari Passu Indebtedness of any of the Issuers at a price of no more than 100% of the principal amount of such Pari Passu Indebtedness plus accrued and unpaid interest to the date of such prepayment, repayment, purchase or redemption; *provided* that the Issuer or the Co-Issuer, as applicable, shall prepay, redeem, repay or repurchase Pari Passu Indebtedness that is Public Debt pursuant to this clause (ii) only if the Issuers make an offer to the holders of the Notes to purchase their Notes in accordance with the provisions set forth below for an Asset Disposition Offer for an aggregate principal amount of Notes at least equal to the proportion that (x) the total aggregate principal amount of Notes outstanding bears to (y) the sum of the total

(2) to the extent the Issuer or such Restricted Subsidiary elects, to invest in or purchase or commit to invest in or purchase Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary with Net Available Cash received by the Issuer or another Restricted Subsidiary) within 365 days from the later of (i) the date of such Asset Disposition and (ii) the receipt of such Net Available Cash; *provided*, *however*, that any such reinvestment in Additional Assets made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Issuer that is executed or approved within such time will satisfy this requirement, so long as such investment or commitment to invest is consummated within 180 days of such 365th day;

(3) to make a capital expenditure within 365 days from the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash; *provided*, *however*, that any such capital expenditure made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Issuer that is

(4) any combination of clauses (1) through (3),

provided, that, pending the final application of any such Net Available Cash in accordance with clauses (1), (2), (3) or (4) of Section 4.08(c), the Issuer and the Restricted Subsidiaries may temporarily reduce Indebtedness or otherwise invest such Net Available Cash in any manner not prohibited by this Indenture.

(d) Any Net Available Cash from Asset Dispositions that is not applied or invested or committed to be applied or invested as provided in Section 4.08(c) hereof will be deemed to constitute "*Excess Proceeds*". On the 366th day (or the 546th day, in the case of any Net Available Cash committed to be used pursuant to a definitive binding agreement or commitment approved by the Board of Directors of the Issuer pursuant to Section 4.08(c)(2) or Section 4.08(c)(3) hereof) after the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash, if the aggregate amount of Excess Proceeds exceeds $25 million, the Issuers will be required within ten (10) Business Days thereof to make an offer ("*Asset Disposition Offer*") to all holders of Notes and, to the extent the Issuer or the Co-Issuer, as applicable, elects, or the Issuer or the Co-Issuer, as applicable, is required by the terms of other outstanding Pari Passu Indebtedness, to all holders of such other outstanding Pari Passu Indebtedness to purchase the maximum principal amount of Notes and any such Pari Passu Indebtedness to which the Asset Disposition Offer applies that may be purchased out of the Excess Proceeds, at an offer price in respect of the Notes in an amount equal to (and, in the case of any Pari Passu Indebtedness, an offer price of no more than) 100% of the principal amount of the Notes and 100% of the principal amount of Pari Passu Indebtedness, in each case, plus accrued and unpaid interest, if any, to, but not including, the date of purchase, in accordance with the procedures set forth in this Indenture or the agreements governing the Pari Passu Indebtedness, as applicable, and in the case of the Notes, in minimum denominations of $200,000 and in integral multiples of $1,000 in excess thereof.

(e) To the extent that the aggregate amount of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to an Asset Disposition Offer is less than the Excess Proceeds, the Issuer and the Restricted Subsidiaries may use any remaining Excess Proceeds for general corporate purposes, to the extent not prohibited by the other covenants contained in this Indenture. If the aggregate principal amount of the Notes surrendered in any Asset Disposition Offer by Holders and other Pari Passu Indebtedness surrendered by holders or lenders, collectively, exceeds the amount of Excess Proceeds, the Excess Proceeds shall be allocated among the Notes and Pari Passu Indebtedness to be purchased on a *pro rata* basis on the basis of the aggregate principal amount of tendered Notes and Pari Passu Indebtedness. For the purposes of calculating the principal amount of any such Indebtedness not denominated in dollars, such Indebtedness shall be calculated by converting any such principal amounts into their Dollar Equivalent determined as of a date selected by the Issuer that is within the Asset Disposition Offer Period (as defined below). Upon completion of any Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

(f) To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than the currency in which the relevant Notes are denominated, the amount thereof payable in respect of such Notes shall not exceed the net amount of funds in the currency in which such Notes are denominated that is actually received by the Issuer upon converting such portion of the Net Available Cash into such currency.

(g) The Asset Disposition Offer, in so far as it relates to the Notes, will remain open for a period of not less than 20 Business Days following its commencement (the "*Asset Disposition Offer Period*"): No later than five (5) Business Days after the termination of the Asset Disposition Offer Period (the "*Asset Disposition Purchase Date*"), the Issuers will purchase the principal amount of Notes and, to the extent it elects, Pari Passu Indebtedness required to be purchased by it pursuant to this Section 4.08 (the "*Asset Disposition Offer Amount*") or, if less than the Asset Disposition Offer Amount has been so validly tendered, all Notes and Pari Passu Indebtedness validly tendered in response to the Asset Disposition Offer.

(h) On or before the Asset Disposition Purchase Date, the Issuers will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Asset Disposition Offer Amount of Notes and Pari Passu Indebtedness or portions of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to the Asset Disposition Offer, or if less than the Asset Disposition Offer Amount has been validly tendered and not properly withdrawn, all Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn and, in the case of the Notes, in minimum denominations of $200,000 and in integral multiples of $1,000 in excess thereof.

(i) The Issuer will deliver to the Trustee an Officer's Certificate stating that such Notes or portions thereof were accepted for payment by the Issuer in accordance with the terms of this covenant. The Issuers or the Paying Agent, as the case may be, will promptly (but in any case not later than five (5) Business Days after termination of the Asset Disposition Offer Period) mail or deliver to each tendering Holder of Notes an amount equal to the purchase price of the Notes so validly tendered and not properly withdrawn by such Holder, and accepted by the Issuers for purchase, and the Issuers will promptly issue a new Note (or, in the case of Global Notes, cause the Paying Agent to reduce the aggregate principal amount and amend the applicable Global Note pursuant to Section 2.06(g) hereof and in the case of Definitive Registered Notes, deliver or cause to be delivered to the relevant Registrar for cancellation all Definitive Registered Notes accepted for purchase by the Issuer), and the Trustee, upon receipt of an Officer's Certificate from the Issuer, will, via an authenticating agent, authenticate and mail or deliver (or cause to be transferred by book-entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered; *provided* that each such new Note will be in a principal amount with a minimum denomination of $200,000. Any Note not so accepted will be promptly mailed or delivered (or transferred by book-entry) by the Issuer to the Holder thereof.
